Other than as specifically discussed under the heading “Agenda for Shareholders’ Meeting”, no Director or executive officer, past, present or nominated hereunder, or any associate or affiliate of such persons, or any person on behalf of whom this solicitation is made, has any interest, direct or indirect, in any matter to be acted upon at the Meeting, except that such persons may be directly involved in the normal business of the Meeting or the general affairs of the Corporation.

What if I sign the Proxy Form enclosed with this Circular?

Signing the enclosed Proxy Form gives authority to Francis Bellido or Marc Rousseau, each of whom is a Director or officer of the Corporation, or to another person you have appointed, to vote your Common Shares at the Meeting.

Can I appoint someone else to vote my Common Shares?

Yes. Write the name of this person, who need not be a shareholder, in the blank space provided in the Proxy Form. It is important to ensure that any other person you appoint is attending the Meeting and is aware that he or she has been appointed to vote your Common Shares. Proxy holders should, upon arrival at the Meeting, present themselves to a representative of Computershare.

What do I do with my completed Proxy Form?

Return it to the Corporation's transfer agent, Computershare, by mail at 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, or by fax to 1-866-249-7775 (within North America) or 416-263-9524 (outside North America), **no later than 5:00 p.m. (Eastern Time) on June 20, 2022**. This will ensure that your vote is recorded.

If I change my mind, can I take back my proxy once I have given it?

Yes. If you change your mind and wish to revoke your proxy, prepare a written statement to this effect. The statement must be signed by you or your attorney as authorized in writing or, if the shareholder is a corporation, under its corporate seal or by an officer or attorney of the corporation duly authorized. This statement must be delivered at the above-mentioned registered office of Computershare, at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof, at which the proxy is to be used, or with the Chairman of the Meeting on the day of the Meeting or any adjournment thereof, and upon either of such deposits the proxy is revoked.

How will my Common Shares be voted if I give my proxy?

The Common Shares represented by your Proxy Form will be voted or withheld from voting in accordance with your instruction on the Proxy Form on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. If you have not specified how to vote on a particular matter, or if any amendments are proposed to any matter, or if other matters are properly brought before the Meeting, then, in each case, your proxyholder can vote your Common Shares as your proxyholder sees fit. Management knows of no such amendments or other matters to come before the Meeting other than the matters referred to in the notice of the Meeting.

If you properly complete and return your Proxy Form appointing representatives of management of the Corporation as your proxy but do not specify how you wish the votes to be cast, your Common Shares will be voted:

- (a) FOR the election of directors nominated by management;
- (b) FOR the appointment of KPMG LLP, Chartered Professional Accountants, as auditors for the ensuing year and the authorization of the directors to fix their remuneration; and
- (c) at the discretion of management, on any other matter which may properly come before the Meeting.

How many Common Shares are entitled to vote?

As of May 18, 2022 (the “**Record Date**”), there were 135,402,838 Common Shares issued and outstanding, each of which is entitled to one vote at the Meeting. Only shareholders registered at the close of business on the Record Date are entitled to receive notice of and to vote at the Meeting unless after that date a shareholder of record transfers his Common Shares and the transferee, upon producing properly endorsed certificates evidencing such Common Shares or otherwise establishing that he owns the Common Shares, requests no later than 10 days before the Meeting that the transferee's name be included on the list of shareholders entitled to vote, in which case such transferee is entitled to vote such Common Shares at the Meeting.

Who counts the votes?

The Corporation's transfer agent, Computershare, counts and tabulates the proxies. This is done independently of the Corporation. Proxies are referred to the Corporation only in cases where a shareholder clearly intends to communicate with management or when it is necessary to do so to meet the requirements of applicable law.

If I need to contact the transfer agent, how do I reach them?

For general shareholder enquiries, you can contact the transfer agent:

by mail: Computershare Investor Services Inc.
100 University Avenue, 8th Floor
Toronto, Ontario M5J 2Y1

or by email: services@computershare.com

or by telephone: within Canada and the United States at no charge at 1-800-564-6253 or 514-982-7555

or by fax: within Canada and the United States at no charge at 1-866-249-7775 or 416-263-9394

If my Common Shares are not registered in my name but are held in the name of an intermediary (a bank, trust corporation, securities broker, trustee or other), how do I vote my Common Shares?

These beneficial owners of Common Shares (the “**Beneficial Owners**”) must be aware of the fact that only proxies filed by shareholders whose names appear in the Corporation’s book as registered holders of Common Shares may be recognized and may benefit from the right to vote at the Meeting. The voting rights attached to the Common Shares held by an intermediary may be exercised by the intermediary, on behalf of the Beneficial Owner, only according to the Beneficial Owner’s specific instructions, which must be obtained before the Meeting. Each intermediary has its own rules concerning the mailing and forwarding of voting instruction forms, notices of meeting, proxy circulars as well as all other documents sent to shareholders for a meeting. The intermediary is prohibited from exercising the voting rights attached to the Common Shares of its clients without specific voting instructions.

In accordance with the requirements of *Regulation 54-101 respecting Communication with Beneficial Owners of Securities of a Reporting Issuer* of the Canadian Securities Administrators, the Corporation has elected to send the notice of Meeting, this Circular and the Proxy Form directly to the non-objecting Beneficial Owners (the “**NOBOs**”). The intermediaries are responsible for forwarding these documents to each Beneficial Owner who has objected to his intermediary disclosing ownership information about himself (the “**OBO**”), unless that OBO has waived the right to receive them.

There are two ways you can vote your Common Shares held by your intermediary. As required by Canadian securities legislation, you will have received from your intermediary either a request for voting instructions or a form of proxy for the number of Common Shares you hold. For your Common Shares to be voted for you, please follow the voting instructions provided by your intermediary. Since the Corporation has limited access to the names of its Beneficial Owners, if you attend the Meeting, the Corporation may have no record of your shareholdings or your entitlement to vote unless your intermediary has appointed you as proxyholder. Therefore, if you wish to vote at the Meeting, insert your own name in the space provided on the request for voting instructions or form of proxy and return same by following the instructions provided. You can also write the name in the space provided thereof of someone else whom you wish to attend the Meeting and vote on your behalf. Do not otherwise complete the form as your vote will be taken at the Meeting. Please register with the transfer agent, Computershare, upon arrival at the Meeting.

Principal Holders of Voting Securities

To the knowledge of the Directors and executive officers of the Corporation, as at the Record Date, no person beneficially owns, directly or indirectly, or exercise control or direction over voting securities carrying more than 10% of the voting rights attached to all outstanding voting securities of the Corporation.

AGENDA FOR SHAREHOLDERS' MEETING

At the Meeting, the Shareholders will be asked to elect five Directors.

Each of the nominees named hereunder has advised management of the Corporation that he will be willing to serve as a Director if elected. Each nominee elected as a Director will hold office until the next annual meeting or until his successor is duly elected, unless he ceases to hold office pursuant to the *Canada Business Corporations Act* (the "CBCA") or his office is vacated earlier pursuant to the by-laws of the Corporation. All nominees are mentioned in the table below.

The management recommends voting FOR the election of all nominees to the Board of Directors of the Corporation (the "**Board of Directors**") listed below.

Unless the Proxy Form states otherwise, or if the right to vote is not exercised for the election of all nominees proposed as Directors by the management of the Corporation, the persons named in the enclosed Proxy Form intend to VOTE FOR the election of all nominees proposed as Directors by the management.

The resolution regarding the election of the Directors must be adopted by a majority of the votes cast by the Shareholders present or represented by proxy and entitled to vote at the Meeting.

The following table states the names and place of residence of the individuals proposed to be nominated for election as Directors. This table also sets out, for each individual, all other positions and offices with the Corporation now held by them, their principal occupation or employment, the periods during which they have served as Directors and the number of Common Shares beneficially owned, directly or indirectly, by each of them, or over which they exercise control or direction, as at the date hereof:

DIRECTORS AND EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

In particular, the Corporation relies solely on discussions of the Board of Directors without any formal objectives, criteria and analysis. The compensation of the Corporation's Named Executive Officers (as described below) is established with a view to attracting and retaining executives critical to the Corporation's short and long-term success and to continuing to provide executives with compensation that is in accordance with existing market standards generally and competitive within the mining industry, in particular.

Compensation of Named Executive Officers

Compensation of the Corporation's Named Executive Officers is comprised of base salaries, annual performance incentives and stock options, as more particularly described below. Compensation is reviewed and approved by the Board of Directors once a year concurrent with the first board meeting of the year and the evaluation of the Named Executive Officers.

Salary

Amounts paid to Named Executive Officers as base salary, including merit salary increases, are determined in accordance with an individual's performance and salaries in the marketplace for comparable positions. There is no mandatory framework that determines which of these factors may be more or less important and the emphasis placed on any of these factors may vary among the executive officers. The determination of base salaries relies principally on negotiations between the respective Named Executive Officer and the Corporation and is therefore heavily discretionary.

Annual Performance Incentives

The Corporation's annual performance incentives are designed to reward an executive for the direct contribution which he or she can make to the Corporation. Named Executive Officers are entitled to receive discretionary performance incentives from time to time as determined or approved by the Board, upon the recommendation of the Chief Executive Officer. The Corporation does not currently prescribe a set of formal objective measures to determine discretionary performance incentives entitlements. Rather the Corporation uses informal goals which may include an assessment of an individual's current and expected future performance, level of responsibilities and the importance of his/her position and contribution to the Corporation. Precise goals or milestones are not pre-set by the Board.

Option-based Awards

The purpose of granting stock options is to assist the Corporation in compensating, attracting, retaining and motivating its executive officers and to closely align the personal interests of such persons to that of the shareholders.

Options are granted pursuant to the Stock Option Plan and in accordance with the rules of the TSX Venture Exchange. The number of options to be granted, the exercise price and the vesting provisions of the options are established by the Board of Directors. The options are non-assignable and not transferable and they may be exercised during a period not exceeding 10 years. For a description of the material terms of the Stock Option Plan, please see the heading "*Stock Option Plan*" below.

Compensation of Directors

The Board of Directors conducts reviews with regard to Directors' compensation once a year. To make its recommendation on Directors' compensation, the Board of Directors takes into account the types of compensation and the amounts paid to directors of comparable publicly traded Canadian companies.

Directors are entitled to participate in the Stock Option Plan, which is designed to give each option holder an interest in preserving and maximizing shareholder value in the longer term. Individual grants are determined by an assessment of an individual's current and expected future performance, level of responsibilities and the importance of his position and contribution to the Corporation.

During the financial years ended December 31, 2021 and 2020, certain Directors were granted options as is set out in the table below under the heading "Compensation Securities Table".

During the financial years ended December 31, 2021 and 2020, Directors were paid fees in their capacity as Directors of the Corporation as is set out in the table below under the heading "Director and Named Executive Officer Compensation".

Compensation Governance

The Corporation does not have a compensation committee. The Board of Directors has not adopted any specific policies or practices to determine the compensation for the Directors and executive officers of the Corporation other than as disclosed above.

The Corporation has not adopted a policy and has not restricted Named Executive Officers or Directors from purchasing financial instruments such as prepaid variable forward contracts, equity swaps, collars or units of exchange funds, any of which are designed to hedge their equity-based compensation awards or the value of the securities they hold. To the knowledge of the Corporation, none of the Named Executive Officers or Directors purchased such financial instruments during the financial years ended December 31, 2021 and December 31, 2020.

Director and Named Executive Officer Compensation

The following table sets forth information concerning the compensation paid to the Corporation's President and Chief Executive Officer and the Chief Financial Officer, as required to be disclosed in accordance with applicable securities regulations (the "Named Executive Officers") and Directors during the Corporation's last two fiscal years ended December 31, 2021 and 2020.

"Named Executive Officers" means the following persons:

- a) the Chief Executive Officer;
- b) the Chief Financial Officer;
- c) each of the Corporation's three most highly compensated executive officers, other than the Chief Executive Officer and Chief Financial Officer, who were serving as executive officers at the end of the most recently completed financial year and whose total salary and bonuses exceed \$150,000; and
- d) any additional individuals for whom disclosure would have been provided under (c), except that the individual was not serving as an officer of the Corporation at the end of the most recently completed financial year.

SCHEDULE “B”

Quantum eMotion Corp. (the “Corporation”)

CORPORATE GOVERNANCE

Regulation 58-101 respecting Disclosure of Corporate Governance Practices requires the Corporation to annually disclose certain information pursuant to Form 58-101F2 of this regulation regarding its corporate governance practices.

Those practices are as follows:

A. Board of Directors

The Board of Directors is currently composed of Francis Bellido, Edward Lawrence Moore, Scott Rickards, David Teeple and Tullio Panarello. Edward Lawrence Moore, Scott Rickards, David Teeple and Tullio Panarello are independent directors. Francis Bellido, as CEO, is not independent.

Regulation 58-101 respecting Disclosure of Corporate Governance Practices (“**Regulation 58-101**”) suggests that the board of directors of a public company should be constituted with a majority of individuals who qualify as “independent” directors. An “independent” director is a director who is independent of management and is free from any interest and any business or other relationship which could, or could reasonably be perceived to, materially interfere with the director’s ability to act with a view to the best interests of the company, other than interests and relationships arising from shareholding.

The Board of Directors meets formally on an as needed basis to review and discuss the Corporation’s business activities and to consider and if thought fit, to approve matters presented to the Board of Directors for approval, and to provide guidance to management. In addition, management informally provides updates to the Board of Directors at least once per quarter between formal meetings. In general, management consults with the Board of Directors when deemed appropriate to keep it informed regarding the Corporation’s affairs.

The Board of Directors facilitates the exercise of independent supervision over management through these various meetings. At present, the Board of Directors does not have any formal committees other than its Audit Committee. When necessary, the Board of Directors will strike a special committee of independent Directors to deal with matters requiring independence. The composition of the Board of Directors is such that the independent Directors have significant experience in business affairs and, as a result, these Directors are able to provide significant and valuable independent supervision over management.

In the event of a conflict of interest at a meeting of the Board of Directors, the conflicted Director will in accordance with corporate law and in accordance with his fiduciary obligations as a director, disclose the nature and extent of his interest to the meeting and abstain from voting on or against the approval of such participation.

B. Directorships

The current Directors named in the table below are directors of other reporting issuers as shown.

Directors	Reporting Issuers
Francis Bellido	CryoCath Technologies Inc. Diagnos Inc.
Edward Lawrence Moore	n/a
Scott Rickards	n/a
David Teeple	n/a
Tullio Panarello	n/a

C. Orientation and Continuing Education

The Board of Directors of the Corporation briefs all new Directors with the policies of the Board of Directors, and other relevant corporate and business information.

D. Ethical Business Conduct

The Board of Directors has found that the fiduciary duties placed on individual directors by the Corporation's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board of Directors in which the director has an interest have been sufficient to ensure that the Board of Directors operates independently of management and in the best interests of the Corporation.

Under the corporate legislation, a director is required to act honestly and in good faith with a view to the best interests of the corporation and exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances, and disclose to the board the nature and extent of any interest of the director in any material contract or material transaction, whether made or proposed, if the director is a party to the contract or transaction, is a director or officer (or an individual acting in a similar capacity) of a party to the contract or transaction or has a material interest in a party to the contract or transaction.

The Director must then abstain from voting on the contract or transaction unless the contract or transaction (i) relates primarily to their remuneration as a Director, officer, employee or agent of the Corporation or an affiliate of the Corporation, (ii) is for indemnity or insurance for the benefit of the Director in connection with the Corporation, or (iii) is with an affiliate of the Corporation. If the Director abstains from voting after disclosure of their interest, the Directors approve the contract or transaction and the contract or transaction was reasonable and fair to the Corporation at the time it was entered into, the contract or transaction is not invalid and the Director is not accountable to the Corporation for any profit realized from the contract or transaction. Otherwise, the director must have acted honestly and in good faith, the contract or transaction must have been reasonable and fair to the Corporation and the contract or transaction be approved by the Shareholders by a special resolution after receiving full disclosure of its terms in order for the director to avoid such liability or the contract or transaction being invalid.

E. Nomination of Directors

The Board of Directors is responsible for identifying individuals qualified to become new Directors and recommending to the Board new Director nominees for the next annual meeting of the shareholders. New nominees must have a track record in general business management, special expertise in an area of strategic interest to the Corporation, the ability to devote the time required, shown support for the Corporation's mission and strategic objectives, and a willingness to serve.

F. Compensation

The Board of Directors conducts reviews with regard to Directors' compensation once a year. To make its recommendation on Directors' compensation, the Board of Directors takes into account the types of compensation and the amounts paid to directors of comparable publicly traded Canadian companies.

G. Other Board Committees

The Corporation has no committees other than the Audit Committee. The Board of Directors has not determined that additional committees are necessary at this stage of the Corporation's development.

H. Assessments

The Board of Directors monitors the adequacy of information given to Directors, communication between the Board of Directors and management and strategic direction and processes of the Board of Directors and the Audit Committee.
