

Quantum eMotion America Invests USD \$400,000 in Krown Technologies Through Convertible Debenture

Strategic financing underscores strong partnership and growth opportunities in blockchain security

Montreal, Quebec and Irvine, California--(Newsfile Corp. - September 9, 2025) - Quantum eMotion America, Inc. ("QeM America"), a subsidiary of Quantum eMotion Corp. (TSXV: QNC) (OTCQB: QNCCF) (FSE: 34Q0) ("QeM"), today announced a USD \$400,000 investment in Krown Technologies, LLC ("Krown") through a convertible debenture agreement.

Under the agreement, QeM America will have the right to convert its investment into equity, representing a significant stake in Krown. The financing is structured to align with the company's future growth and development.

Strategic Rationale

- **Strengthened Partnership:** The investment deepens the strategic collaboration between QeM and Krown, merging QeM's expertise in quantum cybersecurity with Krown's blockchain innovation.
- **Well-Timed Support:** The agreement comes at an important juncture in Krown's business trajectory, with several key developments underway that are expected to shape its market presence.
- **Booming Blockchain & Crypto Market:** As adoption of blockchain, cryptocurrencies, and tokenized assets continues to accelerate, the Parties are positioning themselves to benefit from strong sector momentum and the growing need for secure digital infrastructures.

Executive Commentary

"This investment underscores our confidence in Krown's capabilities and the value of combining blockchain innovation with our quantum cybersecurity technologies. We believe the timing is right to reinforce this partnership and participate in one of the most dynamic markets in the digital economy," said Francis Bellido, President & CEO of Quantum eMotion Corp.
