## GENERAL INFORMATION RESPECTING THE MEETING

---

To ensure representation of your Common Shares at the Meeting, please complete, sign and return, as soon as possible, your form of proxy (if you are a registered Shareholder or non-objecting beneficial owner) or the voting instruction form (if you are a non-registered Shareholder), as the case may be, that was sent to you. It is important that your Common Shares be represented at the Meeting and that your wishes be made known to the Corporation. This will be assured, whether or not you attend the Meeting, if you complete, sign and return the form of proxy or voting instruction form, as the case may be, that was sent to you. The following questions and answers provide guidance on how to vote your Common Shares.

## VOTING AND PROXIES

### *Who is soliciting my proxy?*

This Circular is being furnished in connection with the solicitation by Management of proxies at the Meeting, including at any adjournment or postponement thereof. The solicitation of proxies will be primarily by mail, but may also be made by telephone, facsimile transmission or other electronic means of communication, or in person by the directors, officers and employees of the Corporation. The cost of solicitation of proxies will be borne by the Corporation.

### *What will I be voting on?*

Shareholders will be voting:

1. to elect the directors of the Corporation (the "**Corporation Directors**") for the ensuing year;
2. to appoint PricewaterhouseCoopers LLP/s.r.l./s.e.n.c.r.l., Chartered Professional Accountants, as the auditor of the Corporation for the ensuing year and to authorize the board of directors to fix the auditor's remuneration;
3. to consider and, if thought fit, to pass with or without variation, an ordinary resolution confirming, authorizing and approving the Corporation's stock option plan (the "**Stock Option Plan**"), as more particularly described in the Circular; and
4. to consider and, if deemed advisable, to approve a special resolution to change the Corporation's name from "Alopex Gold Inc." to "AEX Gold Inc." as more particularly described in the Circular.
5. to transact such other business as may properly come before the Meeting or any adjournments or postponements thereof.

Common Shares may be voted for, or withheld from voting on, the election of each of the Corporation Directors, the confirmation and approval of the Stock Option Plan, the consideration and approval of the Corporation's name change and on all other matters that Shareholders are entitled to vote on at the Meeting. **The Common Shares represented by proxy will be voted or withheld from voting in accordance with the instructions of the Shareholder on any ballot that may be called for and, if the Shareholder specifies a choice with respect to any matter to be acted upon, the securities will be voted accordingly. As indicated elsewhere in this Circular, Management recommends that Shareholders vote FOR each of the above resolutions.**

### *How will these matters be decided at the Meeting?*

All of the matters to be considered at the Meeting are ordinary resolutions requiring approval by more than 50% of the votes cast by or on behalf of Shareholders present in person or represented by proxy, except where stated to be a special resolution of the Shareholders, in which case a two-thirds (2/3) majority of affirmative votes is required to be cast at the Meeting in order to pass a special resolution.

### *Who can vote?*

Shareholders who are registered as at the close of business on April 19, 2018, the Record Date for the Meeting, will be entitled to receive notice and vote at the Meeting or at any adjournment or postponement thereof, either in person or by proxy. If a Shareholder did not hold a Common Share on April 19, 2018, the Shareholder is not entitled to receive notice and vote at the Meeting or at any adjournment or postponement thereof.

### *How many Common Shares are eligible to vote?*

As at the close of business on April 19, 2018, 49,592,500 Common Shares were issued and outstanding. Each Common Share held at that date entitles its holder to one vote at the Meeting.

### *How do I vote?*

If your Common Shares are registered on the Record Date directly in your name with Computershare, then you are a registered Shareholder and you can vote your Common Shares in person at the Meeting or by proxy. **See the instructions below under "How can a registered Shareholder or Non-Objecting Beneficial Owner vote?"**.

If your Common Shares are held in the name of an intermediary, then you are a non-registered Shareholder. There are two kinds of registered or "beneficial" owners (i) those who object to their name being known to the Corporation ("**Objecting Beneficial Owners**") and (ii) those who do not object ("**Non-Objecting Beneficial Owners**"). If you are an Objecting Beneficial Owner and have received your Meeting Materials through an intermediary, **see the instructions below under "How can an Objecting Beneficial Owner vote?"**. If you are a Non-Objecting Beneficial Owner, you will have received your Meeting Materials directly from Computershare, and you are entitled to vote your Common Shares in person at the Meeting or by proxy. **See the instructions below under "How can a registered Shareholder or Non-Objecting Beneficial Owner vote?"**.

### *How can a registered Shareholder or Non-Objecting Beneficial Owner vote?*

If your Common Shares are registered on the Record Date directly in your name with Computershare, you are considered with respect to those Common Shares to be a "registered Shareholder", in which case the Circular and form of proxy have been sent directly to you by Computershare.

#### 1. **Voting by Proxy**

If your Common Shares are registered in your name, you may appoint someone else to vote for you as your proxyholder by using the enclosed form of proxy. The persons named in the enclosed form of proxy are officers of the Corporation. **You have the right to appoint another person or company, who need not be a Shareholder, to represent you at the Meeting, by inserting the person's name in the blank space provided in the enclosed form of proxy or by completing another proper form of proxy. Proxyholders should present themselves to a representative of Computershare at the Meeting.**

#### (i) **You can vote by proxy as follows:**

##### (A) **by Mail**

You can complete, sign and date your form of proxy and return it in the envelope provided to the offices of Computershare at:

**Computershare Investor Services Inc.  
Proxy Department  
8<sup>th</sup> Floor, 100 University Avenue  
Toronto, Ontario, M5J 2Y1**

##### (B) **by Telephone**

You can vote by telephone by calling 1-866-732-8683 (toll free in Canada and the United States) from a touch-tone telephone and follow the voting instructions. You will need your 15 or 16 digit control number which is noted on your form of proxy. **Please note that if you vote by telephone, you cannot appoint anyone other than the persons named in the enclosed form of proxy as your proxyholder.**

##### (C) **on the Internet**

You can vote on the internet by going to [www.investorvote.com](http://www.investorvote.com) and following the instructions on the screen, or scanning the QR code provided on your form of proxy. You will need your 15 or 16 digit control number which is noted on your form of proxy.

#### (ii) **What is the deadline for receiving the form of proxy?**

The deadline for depositing the duly completed form of proxy with Computershare is not later than 48 hours (excluding Saturdays, Sundays and statutory holidays) prior to the time of the Meeting or any adjournment or postponement thereof.

**(iii) How will my Common Shares be voted if I give my proxy?**

You may indicate the manner in which the appointee is to vote your Common Shares with respect to any matter put to a vote at the Meeting and on any ballot, and your Common Shares will be voted accordingly. If you wish to confer a discretionary authority with respect to any item of business, then leave the space opposite the matter blank. The Common Shares represented by the completed form of proxy submitted by you will be voted in accordance with the directions, if any, given in the form of proxy. **In the absence of such direction, such Common Shares will be voted FOR each item identified in the Notice of Meeting. The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting.** At the time of printing of this Circular, Management knows of no such amendments, variations or other matters to come before the Meeting.

The instrument appointing a proxy must be in writing and must be executed by you or your authorized attorney or, if the Shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized.

**(iv) How can I revoke my proxy?**

You can revoke your proxy at any time before it is exercised, by requesting, or having your authorized attorney request, in writing to revoke your proxy. The request must be deposited either by mail to the office of Computershare at the above-mentioned address at any time up to and including 5:00 p.m. (Toronto time) on the last business day preceding the day of the Meeting, or any adjournment or postponement thereof, or with the Chairman of the Meeting on the day of the Meeting or any adjournment or postponement thereof. If you have returned a proxy and attend the Meeting in person and vote, any such votes will be counted and the proxy will be disregarded. A Shareholder may also revoke a proxy in any other manner permitted by law.

**2. Voting in Person**

If you wish to vote in person, then you may present yourself to a representative of Computershare at the registration table for the Meeting. Your vote will be taken and counted at the Meeting. If you wish to vote in person at the Meeting, do not complete or return the form of proxy.

***How can an Objecting Beneficial Owner vote?***

If your Common Shares are not registered in your name and are held in the name of an intermediary such as a bank, trust company, securities dealer or broker or other financial institution ("**Intermediary**"), and you have objections to the Corporation obtaining your name then you are an Objecting Beneficial Owner.

Registered Shareholders, or the persons they appoint as their proxies, are permitted to vote at the Meeting. However, while non-registered Shareholders are permitted to attend the Meeting, they may not vote at the Meeting unless they have been appointed as a proxyholder or complied with the procedure outlined above under "*Voting in Person*". Without specific instructions, Intermediaries are prohibited from voting Common Shares for Shareholders. If you are an Objecting Beneficial Owner, you can vote your Common Shares in the ways set-forth below:

**1. Giving your Voting Instructions**

In accordance with the requirements of NI 54-101, the Corporation will have distributed copies of the Meeting Materials to either (i) the Intermediary the non-registered Shareholder deals with in respect of their Common Shares, or (ii) a clearing agency of which the Intermediary is a participant, for onward distribution to the non-registered Shareholders. The clearing agencies and Intermediaries are required to then forward copies of the Meeting Materials to non-registered Shareholders. The clearing agencies and Intermediaries will also provide you with a voting instruction form, which must be completed and signed by you in accordance with the

directions on the voting instruction form. This will allow you to direct the voting of the Common Shares you beneficially own.

**Objecting Beneficial Owners should carefully follow the instructions of the clearing agency or Intermediary, including any instructions as to the time within which you will be required to return voting instruction forms to the clearing agency or Intermediary.**

You may revoke a voting instruction form or a waiver of the right to receive Meeting Materials and to vote given to the clearing agency or Intermediary, at any time, by written notice to the clearing agency or Intermediary, except that the clearing agency or Intermediary is not required to act on a revocation of a voting instruction form or of a waiver of the right to receive Meeting Materials and to vote that is not received by the clearing agency or Intermediary at least seven (7) days prior to the Meeting.

## 2. Voting in Person

If you are an Objecting Beneficial Owner, you are permitted to attend the Meeting, but may not vote (or have another person attend and vote on behalf of the non-registered Shareholder) unless you advise the clearing agency or Intermediary in accordance with the instructions set-forth on the voting instruction form. In doing so, you are instructing your nominee to appoint you as a proxyholder. Please register with the Corporation's transfer agent, Computershare, when you arrive at the Meeting. As we have no access to the names of the non-registered Shareholders, if you attend the Meeting without following this procedure, we will have no record of the Common Shares you hold or whether you are entitled to vote.

## VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The authorized share capital of the Corporation consists of an unlimited number of Common Shares without par value. As of April 19, 2018 (the "**Record Date**"), there were a total of 49,592,500 Common Shares issued and outstanding. Each Common Share outstanding on the Record Date carries the right to one vote at the Meeting.

Only registered Shareholders of Common Shares as of the Record Date are entitled to receive notice of, and to attend and vote at, the Meeting or any adjournment or postponement of the Meeting. On a show of hands, every Shareholder and proxy holder will have one vote and, on a poll, every Shareholder present in person or represented by proxy will have one vote for each Common Share held.

To the knowledge of the Corporation's Directors and executive officers, as of the date hereof, no person or company beneficially owns, directly or indirectly, or exercises control or direction over, Common Shares carrying more than 10% of the voting rights attached to the outstanding Common Shares, other than as set forth below:

***Corporate Cease Trade Orders or Bankruptcies***

Except as disclosed below, no proposed director or executive officer of the Corporation is, as at the date of this Circular, or has been, within 10 years before the date of this Circular, a director, chief executive officer or chief financial officer of any company (including the Corporation) that:

- (i) was the subject, while the proposed director or executive officer was acting in the capacity as director, chief executive officer or chief financial officer of such company, of a cease trade or similar order or an order that denied the relevant company access to any exemption under securities legislation (an "**Order**"); or
- (ii) was subject to an Order that was issued after the proposed director or executive officer ceased to be a director, chief executive officer or chief financial officer but which resulted from an event that occurred while the proposed director or executive officer was acting in the capacity as director, chief executive officer or chief financial officer of such company.

Except as disclosed below, no proposed director, executive officer or Shareholder holding a sufficient number of securities of the Corporation to materially affect the control of the Corporation:

- (i) is, as at the date of this Circular, or has been within 10 years before the date of this Circular, a director or executive officer of any company (including the Corporation) that, while that person was acting in that capacity, or within a year of that person ceasing to act

- (ii) has, within the 10 years before the date of this Circular, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of the proposed director; or

Mr. Fowlie was Chairman, interim Chief Executive Officer and Chief Financial Officer of Maudore Minerals Ltd. ("**Maudore**") from July 2012 to March 2015. On February 27, 2015, an Order was issued by the Commercial Division of the Superior Court of Québec to protect Maudore from its creditors while it reorganized its business pursuant to a plan of arrangement under the *Companies' Creditors Arrangement Act* (Canada). In addition, Maudore's subsidiary, Aurbec Mines Inc., was placed into receivership on December 17, 2014 and declared bankruptcy on January 7, 2015 under the *Bankruptcy and Insolvency Act* (Canada) while Mr. Fowlie was a director and officer of such subsidiary. Mr. Fowlie was also a director of March Entertainment Inc., which was voluntarily placed into bankruptcy on July 15, 2013.

Joan Plant was an officer of Arctic Mining Ltd (United Kingdom) ("**Arctic Mining**") and a director of Angel Mining (Gold) A/S ("**Angel Mining Subco**") during the restructuring process of Angel Mining Subco and its affiliates initiated in 2014. As a result of such restructuring, Arctic Mining went into creditors' voluntary liquidation on December 17, 2014 pursuant to the *Insolvency Act 1986* (United Kingdom) and Angel Mining Subco filed a petition for bankruptcy in 2015 pursuant to the *Bankruptcy Act* (Denmark).

#### ***Personal Bankruptcies***

None of the directors has, within the ten years before the date of this Circular, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of such person.

#### ***Penalties and Sanctions***

None of the directors have been subject to any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority or been subject to any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable investor in making an investment decision.

### **APPOINTMENT OF AUDITORS**

Proxies received in favour of management will be voted in favour of the appointment of PricewaterhouseCoopers LLP/s.r.l./s.e.n.c.r.l. ("PwC"), a partnership of Chartered Professional Accountants, as auditors of the Corporation to hold office until the next annual meeting of Shareholders and the authorization of the directors to fix the auditor's remuneration, unless the Shareholder has specified in the proxy that his or her Common Shares are to be withheld from voting in respect thereof. PwC was engaged on February 6, 2017 to assist the Corporation on statutory and regulatory deliverables in connection with the IPO.

## APPROVAL OF STOCK OPTION PLAN

The Corporation has adopted the Stock Option Plan for senior officers, directors, employees and consultants of the Corporation. The Stock Option Plan provides for the issuance of stock options to acquire up to 10% of the Corporation's issued and outstanding capital as at the date of grant, subject to standard anti-dilution adjustment. This is a "rolling plan" as the number of shares reserved for issuance pursuant to the grant of stock options will increase as the Corporation's issued and outstanding share capital increases. At no time will more than 10% of the outstanding shares be subject to grant under the Stock Option Plan. If a stock option expires, is exercised or otherwise terminates for any reason, the number of Common Shares of the Corporation in respect of that expired, exercised or terminated stock option shall again be available for the purpose of the Stock Option Plan. The principal features of the Stock Option Plan are described in more detail below (see "*Executive Compensation – Long Term Compensation – Options*").

As the Stock Option Plan is a "rolling" stock option plan and under Policy 4.4 of the TSX Venture Exchange ("**TSXV**"), a listed company on the TSXV is required to obtain the approval of its Shareholders for a "rolling" stock option plan at each annual meeting of Shareholders. Accordingly, Shareholders will be asked to approve the following resolution:

### **"BE IT RESOLVED THAT:**

1. the Stock Option Plan of the Corporation as described in the Management Information Circular dated April 25, 2018, be and it is hereby approved."

In accordance with the policies of the TSXV, the Stock Option Plan must be approved by the majority of votes cast at the Meeting on the resolution.

**Proxies received in favour of Management will be voted for the approval of the Stock Option Plan unless a Shareholder has specified in the proxy that his or her Common Shares are to be voted against such approval.**

## APPROVAL OF NAME CHANGE

At the Meeting, the holders of Common Shares will be asked to consider and, if thought advisable, to approve a special resolution in the form set out below to change the name of the Corporation from "Alopex Gold Inc." to "AEX Gold Inc.". The Corporation is seeking to adopt the name "AEX Gold Inc." in order to avoid confusion with other entities currently using the name "Alopex" and carrying on businesses similar to the Corporation's.

Subject to Shareholder and TSXV approval of the change of name, it is expected that the Common Shares will commence trading on the TSXV under the new name and continue to trade under the existing stock symbol "AEX" at the opening of business two or three days subsequent to the effecting of the name change by the Corporation, subject to the receipt by the TSXV of the necessary documentation. The Board may determine not to implement the name change at any time after the Meeting and after receipt of necessary regulatory approvals, but prior to the issuance of a certificate of amendment, without further action on the part of the Shareholders. Following the name change, share certificates of "Alopex Gold Inc." will remain valid and Shareholders will not be required to surrender and exchange their share certificates for share certificates with the new name of the Corporation. The name change will not, by itself, affect any of the rights of Shareholders.

Shareholders will be asked at the Meeting to consider and, if deemed advisable, to pass, with or without variation, the following special resolution (the "**Name Change Resolution**"):

### **"BE IT RESOLVED AS A SPECIAL RESOLUTION THAT:**

1. The Corporation is authorized to file articles of amendment pursuant to the *Canada Business Corporations Act* (the "**CBCA**") to change its name from "Alopex Gold Inc." to "AEX Gold Inc.", or such other name the Board deems appropriate and as may be approved by the regulatory authorities (including the TSXV), if the Board considers it to be in the best interests of the Corporation to implement such a name change;
2. any director or officer of the Corporation be and is hereby authorized and directed to execute and deliver, or cause to be delivered, articles of amendment pursuant to the CBCA, and to do and perform all such acts and

things, sign such documents and take all such other steps as, in the opinion of such director or officer, may be considered necessary or desirable to carry out the purpose and intent of this resolution;

3. notwithstanding that this resolution has been duly passed by the shareholders of the Corporation, the Board is hereby authorized and empowered, if it decides not to proceed with the Name Change Resolution, to revoke this resolution in whole or in part at any time prior to it being given effect without further notice to, or approval of, the shareholders of the Corporation; and
4. any director or officer of the Corporation be and the same is hereby authorized and directed for and in the name of and on behalf of the Corporation to execute or cause to be executed, whether under corporate seal of the Corporation or otherwise, and to deliver or cause to be delivered all such documents, and to do or cause to be done all such acts and things, as in the opinion of such director or officer may be necessary or desirable in order to carry out the terms of this resolution, such determination to be conclusively evidenced by the execution and delivery of such documents or the doing of any such act or thing."

To be effective, the Name Change Resolution must be approved by at least two-thirds of the votes cast by holders of Common Shares present in person or represented by proxy at the Meeting in accordance with the provisions of the CBCA.

**The Board unanimously recommends that Shareholders vote in favour of the Name Change Resolution. Unless the Shareholder has specifically instructed in the form of proxy that the Common Shares represented by such proxy are to be voted otherwise, the persons named in the accompanying proxy will vote FOR the approval of the Name Change Resolution.**

## EXECUTIVE COMPENSATION

---

Under applicable securities legislation, the Corporation is required to disclose certain financial and other information relating to the compensation of its President and Chief Executive Officer, Chief Financial Officer and all of the other most highly compensated executive officers of the Corporation who meet the applicable disclosure threshold (collectively, the "**Named Executive Officers**"). A summary of salary and other annual compensation earned by the Named Executive Officers for the most recently completed financial year ended December 31, 2017, is set out in the "**Summary Compensation Table**". Other than the current President and Chief Executive Officer being Eldur Ólafsson and the Chief Financial Officer being Ingrid Martin, there are no other executive officers, or individuals acting in similar capacity of the Corporation that would otherwise qualify for inclusion in the discussions below.

### COMPENSATION DISCUSSION AND ANALYSIS

#### *Introduction*

The purpose of this Compensation Discussion and Analysis is to provide information about the Corporation's philosophy, objectives and processes regarding compensation for its executives. It explains how decisions regarding compensation are made by the Board through the Corporate Governance and Compensation Committee, and the reasoning behind these decisions.

All members of the Corporate Governance and Compensation Committee have expertise and experience in compensation and other human resources areas through their involvement with a wide variety of companies, both public and private.

#### *Philosophy*

In determining the compensation to be paid or awarded to the executives, the Corporate Governance and Compensation Committee seeks to encourage the advancement of the Corporation's exploration projects and the growth of its reserves, the whole with a view to enhancing shareholder value. To achieve these objectives, the Corporation believes it is critical to create and maintain a compensation program that attracts and retains committed, highly qualified personnel by providing appropriate rewards and incentives that align the interest of the executives with those of its Shareholders.

The Corporation's executive compensation program consists of a combination of base salary, short-term incentives in the form of bonuses and long-term incentives in the form of participation in the Corporation's Stock Option Plan. Given the Corporation's current status as an early stage mineral exploration company without any significant revenue, the

Corporation is constrained by the amount of capital and other resources it has available to it. As a result, in the near-term, the long-term incentive component of the compensation mix has been given more emphasis than the base salary component.

### Base Salary

The base salary for each executive was established based upon the position held, the related responsibilities and functions performed and the salary ranges for similar positions in comparable companies. Individual and corporate performance were also taken into account in determining base salary levels for executives.

Given the Corporation's current status as an early stage mineral exploration company, without any significant revenue, some of the executives have been hired on a consulting basis.

### Short-Term Incentive Plan

The Corporation focuses on exploration, which will be followed eventually by mine development and ultimately full scale production. As each of these stages require different experiences and skills, the Corporation believes that short term goal specific incentives will be effective in aligning efforts towards those phases of activity. The short-term incentive plan includes both cash and share-based compensation for performance.

### Stock Options

The Corporation believes that encouraging its executives to become Shareholders is the best way of aligning their interests with those of its Shareholders and encouraging them to remain associated with the Corporation. Equity participation is accomplished through the Corporation's Stock Option Plan. Options are granted to executives taking into account a number of factors, including base salary and bonuses and competitive factors. The number of outstanding options is also considered by the Board when determining the number of options to be granted in any particular year due to the limited number of options which are available for grant under the Stock Option Plan. See "*Executive Compensation – Long Term Compensation – Options*" for a summary of the terms of the Corporation's Stock Option Plan and "*Executive Compensation – Incentive Plan Awards – Outstanding Option-Based Awards*" for a description of the options that the Board granted to the Named Executive Officers under the Stock Option Plan.

### Other

In developing its compensation structure and philosophy, the Corporate Governance and Compensation Committee did consider other factors, such as target share ownership guidelines, pension plans, specific target weightings and percentage of compensation at risk. However, it was determined that it would not be appropriate to incorporate any of such components into the executive compensation structure at this stage of the Corporation's development.

### ***Ongoing Review***

On an ongoing basis, the Corporate Governance and Compensation Committee assesses the executives of the Corporation and the appropriateness of their compensation packages, having regard to their individual performance, experience and contribution to the operations and growth of the Corporation. In this regard, the Chief Executive Officer of the Corporation makes recommendations to the Corporate Governance and Compensation Committee regarding total compensation to the executives of the Corporation (other than the Chief Executive Officer), including base salaries and option-based awards. These recommendations are considered by the Corporate Governance and Compensation Committee against information derived from publicly available information and adjusted, as applicable, for inflation and anticipated increases in the current year. As part of this exercise, the Corporate Governance and Compensation Committee uses all the data which, in its reasonable discretion, it believes to be relevant, to ensure that the Corporation is maintaining a level of compensation that is both commensurate with the size of the Corporation and sufficient to retain personnel it considers essential to the success of the Corporation. In reviewing comparative data, the Corporate Governance and Compensation Committee does not engage in any specific benchmarking for the purpose of establishing compensation levels relative to any predetermined point.

## *Compensation Risk Assessment and Mitigation*

The Corporate Governance and Compensation Committee has considered the implications of the risks associated with the Corporation's compensation policies and practices and believes that none of its policies encourage executives to take inappropriate or excessive risks that are reasonably likely to have a material adverse effect on the Corporation. The Corporate Governance and Compensation Committee continues to monitor such matters on a case-by-case basis.

### **LONG TERM COMPENSATION**

#### *Options*

The purpose of the Corporation's Stock Option Plan is to provide the Corporation with a share-related mechanism to attract, retain and motivate qualified directors, senior officers, employees and consultants of the Corporation, to reward such of these participants from time to time for their contributions toward the long-term goals of the Corporation and to enable and encourage such participants to acquire Common Shares as long-term investments.

The Corporation's Stock Option Plan has the following key features:

- The total number of Common Shares issuable pursuant to the Stock Option Plan is up to a maximum of 10% of the number of issued and outstanding Common Shares at the time of the grant.
- Options may be granted from time to time to directors, senior officers, employees and consultants of the Corporation ("**Eligible Persons**").
- The maximum number of Common Shares that may be issued to any individual in any 12-month period under the Stock Option Plan may be no more than 5% of the number of issued and outstanding Common Shares. The foregoing restriction is reduced to 2% in the case of any consultant to the Corporation.
- The maximum number of Common Shares which may be reserved in any 12-month period for issuance to all persons engaged in investor relations activities may not exceed 2% of the number of issued and outstanding Common Shares.
- The exercise price for each option is fixed by the Board at the time of the grant in compliance with the Stock Option Plan, applicable law, and the policies of the TSXV, which state that the exercise price may not be less than the closing price of the Common Shares on the TSXV or any other exchange on the last trading day immediately preceding the grant of a stock option to an Eligible Person, less the discount permitted by the TSXV.
- Options cannot be granted for a term exceeding 10 years.
- Options granted shall vest, and become exercisable, according to the terms in the Stock Option Plan. Options granted to consultants providing investor relations activities shall vest in stages over a 12 month period, with a maximum of one-quarter of the options vesting in any three-month period.
- Options granted pursuant to the Stock Option Plan are non-transferable and non-assignable, other than by will or by the laws of descent and distribution.
- Options are subject to early termination in the event that an optionee ceases to be an Eligible Person, in which case such optionee may exercise his or her vested options, but only within 90 days of the date on which the Eligible Person ceases to be eligible, but not beyond the normal expiry of the term of the options.
- In the event that an Eligible Person ceases to be an Eligible Person as a result of permanent disability, such optionee may exercise his or her vested options, but only within three months of the date on which the Eligible Person ceases to be eligible, but not beyond the normal expiry of the term of the options.
- In the event of the death of an Eligible Person, vested options held by such Eligible Person may continue to be exercised up to one year following the death, but not beyond the normal expiry of the term of the options.

## REPORT ON GOVERNANCE

The Corporation believes that adopting and maintaining appropriate governance practices is fundamental to a well-run company, to the execution of its chosen strategies and to its successful business and financial performance. National Instrument 58-101 – *Disclosure of Corporate Governance Practices* and National Policy 58-201 – *Corporate Governance Guidelines* (the "**Governance Guidelines**") of the Canadian Securities Administrators set out a list of non-binding corporate governance guidelines that issuers are encouraged to follow in developing their own corporate governance guidelines. The following disclosure is required by the Governance Guidelines and describes the Corporation's approach to governance and outlines the various procedures, policies and practices that the Corporation and the Board have implemented to address the foregoing requirements.

### BOARD OF DIRECTORS

The Board is responsible for the supervision of the Management of the Corporation and must act in the best interests of the Corporation and its shareholders. The Board acts in accordance with the laws of Canada, the articles and by-laws of the Corporation, and the specific terms of reference as laid out for each committee and the Board as a whole. The Board has responsibility for adopting a strategic planning process and reviewing and approving the Corporation's strategic plan developed and proposed by Management and monitoring performance against the plan. The Board is responsible for developing and adopting policies and procedures to identify the principal business risks of the Corporation and ensure that appropriate systems are implemented to manage these risks. The Board is also responsible for developing and adopting policies and procedures to ensure the integrity of the internal controls and management information systems of the Corporation. Matters that require Board approval include, among other things: (i) the approval of the quarterly and annual financial statements and management discussion and analysis; (ii) the issuance of securities; (iii) significant acquisitions; (iv) annual capital and operating plans and budgets; and (v) the compensation of members of the senior management team.

The Board facilitates its exercise of independent supervision over the Corporation's management through frequent meetings of the Board. The Board shall review its procedures on an ongoing basis to ensure it is functioning independently of Management. As circumstances require, the Board will meet without Management present, and convene meetings, as deemed necessary, of the independent directors, at which meetings, non-independent directors and members of Management will not be in attendance. When conflicts arise, interested parties are precluded from voting on matters in which they may have an interest.

The Board is currently comprised of five members. Robert Ménard and Graham Stewart are "independent" in that they are independent and free from interest and any business or other relationship which could, or could reasonably be perceived to, materially interfere with the director's ability to act with the best interest of the Corporation, other than interests and relationships arising from shareholdings.

## DIRECTORSHIPS

The following table sets forth the directors of the Corporation who currently hold directorships with other reporting issuers:

Name of Director, Officer or Promoter	Name of Reporting Issuer	Market
George Fowlie	Crown Capital Partners Inc.	Toronto Stock Exchange

## ORIENTATION AND CONTINUING EDUCATION

The Corporation provides new directors with details and information about the Corporation upon their joining the Board that includes copies of relevant financial, technical, geological and other information regarding its properties and meetings with Management.

Board members are encouraged to communicate with Management and auditors, to keep themselves current with industry trends and developments, and to attend related industry seminars. Board members have full access to the Corporation's records.

## ETHICAL BUSINESS CONDUCT

The Board encourages and promotes an overall culture of ethical business conduct by:

- promoting compliance with applicable laws, rules and regulations;
- providing guidance to directors, officers and other employees to help them recognize and deal with ethical issues;
- promoting a culture of open communication, honesty and accountability; and
- ensuring awareness of disciplinary action for violations of ethical business conduct.

The Board has found that the fiduciary duties placed on individual directors by the Corporation's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of Management and in the best interests of the Corporation.

## NOMINATION OF DIRECTORS

It is the view of the Board that all directors, individually and collectively, should assume responsibility for nominating directors. The Board is responsible for identifying and recommending potential nominees for directorship and senior management.

## COMPENSATION

Compensation matters are currently determined by the Board upon recommendation of the Corporate Governance and Compensation Committee. The role of the Corporate Governance and Compensation Committee is to provide oversight and guidance to the Corporation in ensuring that its Management, directors and members serve in the best interest of the Corporation's shareholders and that its actions are conducted in a professional and transparent manner which is in conformity with applicable law. The Corporate Governance and Compensation Committee is responsible for reviewing the compensation plans and severance arrangements for Management, to ensure they are commensurate with comparable companies. This committee ensures that the Corporation has a plan for continuity of its officers and an executive compensation plan that is motivational and competitive. ### 3.3 Term of Option

The periods within which Options may be exercised and the number of Shares in respect of which Options may be exercised in any such period shall be determined by the Board at the time of granting the Options, provided, however, that:

- (a) all Options must be exercisable during a period not extending beyond 10 years from the Award Date; and
- (b) if at any time the expiry of the term of an Option should be determined to occur either during a period in which the trading of Shares by the Optionee is restricted under the insider trading policy or any other policy of the Corporation or within 10 business days following such a period, the expiry of the term of such Option shall be deemed to occur on the date that is the 10<sup>th</sup> business day following the date of expiry of such restriction.

### 3.4 Termination

The Expiry Date of an Option shall be the earlier of the date that is the 10<sup>th</sup> anniversary of the Award Date of such Option, or such other date so fixed by the Board at the time the particular Option is awarded, or the date established, if applicable, in subsections (a) to (e) below:

- (a) Death

In the event that the Optionee should die while he or she is a Director, Officer, Employee or Consultant (other than a Consultant Corporation), as applicable, the Expiry Date for any vested portion or portions of the Option shall be the date that is 12 months after the date of the Optionee's death. The Expiry Date for any unvested portion of the Option shall be the date of the Optionee's death.

- (b) Permanent Disability

In the event that the Optionee should cease to be a Director, Officer, Employee or Consultant (other than a Consultant Corporation) as a result of a permanent disability, the Expiry Date for any vested portion or portions of the Option shall be the date that is 3 months after the date that the Optionee ceases to be a Director, Officer, Employee or Consultant, as the case may be. The Expiry Date for any unvested portion of the Option shall be the date that the Optionee ceases to be a Director, Officer, Employee or Consultant, as the case may be.

- (c) Ceasing to Hold Office as a Director

In the event that the Optionee holds his or her Option as a Director and such Optionee ceases to be a Director other than by reason of death or permanent disability, the Expiry Date for any vested portion or portions of the Option shall be the date that is 3 months after the date that the Optionee ceases to be a Director, unless the Optionee ceases to be a Director as a result of:

- (i) ceasing to meet the qualifications required under applicable laws;
- (ii) being removed from office in accordance with applicable laws; or
- (iii) an order made by any Regulatory Authority having jurisdiction to so order,

in which case the Expiry Date shall be the date that the Optionee ceases to be a Director. The Expiry Date for any unvested portion of the Option shall be the date that the Optionee ceases to be a Director.

- (d) Ceasing to be an Officer, Employee or Consultant

In the event that the Optionee holds his or her Option as an Employee, Officer or Consultant and such Optionee ceases to be an Employee, Officer or Consultant other than by reason of death or permanent

disability, the Expiry Date for any vested portion or portions of the Option shall be the date that is 3 months after the termination date unless the Optionee ceases to be an Employee, Officer or Consultant as a result of:

- (i) termination of employment for Cause (if he or she holds his or her Option as an Employee or Officer);
- (ii) termination for failure to fulfil services pursuant to a consulting or services agreement (if he or she holds his or her Option as a Consultant); or
- (iii) an order made by any Regulatory Authority having jurisdiction to so order,

in which case the Expiry Date shall be the termination date. The Expiry Date for any unvested portion of the Option shall be the termination date.

(e) Change of Control

Subject to any required regulatory approvals, the Board may, in its sole and absolute discretion and without the consent of any Optionee, determine that, upon the occurrence of a Change of Control, each or any Option or portion thereof outstanding immediately prior to the Change of Control and not previously exercised or settled may be accelerated and be conditionally exercisable, conditional upon the Optionee tendering the Shares issuable upon such exercise, if applicable, and the completion of the Change of Control, immediately prior to the effective time of the Change of Control and each Optionee shall be permitted, within a specified period of time prior to the consummation of the Change of Control as determined by the Board, to exercise all such Options which are then exercisable or will become exercisable immediately prior to the effective time of the Change of Control; provided however, that Options that are: (i) exercisable and vested Options and not exercised prior to the consummation of the Change of Control; or (ii) the subject of accelerated vesting in accordance with this Section 3.4(e) and not exercised prior to the consummation of the Change of Control, shall terminate upon consummation of the Change of Control.

If the Change of Control is not completed (within the time specified therein, if applicable), then any conditional exercise of Options in accordance with this Section 3.4(e) shall be void *ab initio* and of no effect with respect to such Options and the Shares issued upon such exercise and any payment and other instruments shall be returned to the Optionee or the Corporation (without interest or deduction) as necessary and the terms of the Option as originally set forth in this Plan and the Option Commitment shall again apply to the Option.

If the Board elects to provide for the accelerated vesting set out in this Section 3.4(e), the Corporation shall use commercially reasonable efforts to give each Optionee written notice of any proposed Change of Control at least 10 days prior to the effective date of any such Change of Control.

Notwithstanding anything else contained in the Plan and subject to any necessary approval from the Corporation's shareholders and the Regulatory Authorities, the Board may in its discretion (a) extend the Expiry Date of any Option, provided that in no case will an Option be exercisable later than the 10<sup>th</sup> anniversary of the Award Date of the Option; or (b) accelerate the expiry or vesting terms applicable to an Option.

### 3.5 Exercise Price

The price at which an Optionee may purchase a Share upon the exercise of an Option shall be as fixed by the Board within the parameters set by the policies of the Exchange and as set forth in the Option Commitment issued in respect of such Option, but in any event shall not be less than the closing trading price of the Shares on the last trading day immediately preceding the Award Date.

If the Shares have not traded during the 10 trading day period immediately preceding the Award Date, then the Board must wait until the Shares have been traded for at least 10 days (which need not be consecutive days) before granting the Option and setting the Exercise Price of such Option.

### **3.6 Adjustments**

If, prior to the complete exercise of an Option, the Shares are consolidated, subdivided, converted, exchanged or reclassified or in any way substituted (collectively, the "**Event**"), such Option, to the extent that it has not been exercised, shall be adjusted by the Board in accordance with such Event in the manner the Board deems appropriate. No fractional Shares shall be issued upon the exercise of an Option and accordingly, if as a result of the Event, an Optionee would become entitled to a fractional Share, such Optionee shall have the right to purchase only the next lowest whole number of Shares and no payment or other adjustment shall be made with respect to the fractional interest so disregarded.

### **3.7 Vesting**

Options granted pursuant to the Plan shall vest and become exercisable by an Optionee at such time or times as may be determined by the Board at the date of the Option grant and as indicated in the Option Commitment related thereto.

Notwithstanding the foregoing, Options granted to Consultants providing Investor Relations Activities shall vest in stages over a 12 month period with a maximum of one-quarter of the Options vesting in any three-month period.

## **ARTICLE 4 ADMINISTRATION OF THE PLAN**

### **4.1 Powers of the Board**

The Board shall be responsible for the general administration of the Plan and the proper execution of its provisions, the interpretation of the Plan and the determination of all questions arising under the Plan. Without limiting the generality of the foregoing, the Board has the power to:

- (a) grant Options hereunder;
- (b) delegate all or such portion of its powers hereunder as it may determine to one or more committees of the Board, either indefinitely or for such period of time as it may specify, and thereafter each such committee may exercise the powers and discharge the duties of the Board in respect of the Plan so delegated to the same extent as the Board is hereby authorized so to do; and
- (c) in its sole discretion amend this Plan (except for previously granted and outstanding Options) to reduce the benefits that may be granted to Eligible Persons (before a particular Option is granted) subject to the other terms hereof.

### **4.2 Amendments to the Plan**

The Board may from time to time, subject to applicable law and to the prior approval, if required, of the Exchange or any other Regulatory Authority having authority over the Corporation or the Plan or, if required by the policies of the Exchange, the shareholders of the Corporation, suspend, terminate or discontinue the Plan at any time, or amend or revise the terms of the Plan or of any Option granted under the Plan and the Option Commitment relating thereto, provided that no such amendment, revision, suspension, termination or discontinuance shall in any manner adversely affect any Option previously granted to an Optionee under the Plan without the consent of that Optionee.

## **ARTICLE 5 EXERCISE OF OPTION**

### **5.1 Exercise of Option**

Subject to the provisions of the Plan, an Option may be exercised by the Optionee from time to time by delivery to the Corporation of an Exercise Notice, the applicable Option Commitment and a certified cheque or a bank draft payable to the Corporation in an amount equal to the aggregate Exercise Price of the Shares to be purchased pursuant to the exercise of the Option.

## **5.2 Issuance of Shares**

As soon as practicable following the receipt of the Exercise Notice, the Board shall cause the Shares purchased by the Optionee to be delivered to the Optionee, in either certificated or non-certificated form, as appropriate. If the number of Shares in respect of which the Option was exercised is less than the number of Shares subject to the Option Commitment surrendered, the Board shall forward a new Option Commitment to the Optionee concurrently with delivery of the Shares purchased by the Optionee for the balance of the Shares available under the Option.

## **5.3 Condition of Issue**

The Options and the issue of Shares by the Corporation pursuant to the exercise of Options are subject to the terms and conditions of the Plan and compliance with the rules and policies of all applicable Regulatory Authorities with respect to the granting of such Options and the issuance and distribution of such Shares, and to all applicable securities laws and regulations. The Optionee agrees to comply with all such laws, regulations, rules and policies and agrees to furnish to the Corporation any information, reports or undertakings required by, and to fully cooperate with, the Corporation in complying with such laws, regulations, rules and policies.

# **ARTICLE 6 MISCELLANEOUS**

## **6.1 Transferability**

Subject to Section 3.4(a), all Options are exercisable only by the Optionee to whom they are granted and are not assignable or transferable.

## **6.2 No Shareholder Rights**

An Optionee shall not have any rights as a shareholder of the Corporation with respect to any of the Shares covered by an Option until the Optionee exercises such Option in accordance with the terms of the Plan and the issuance of the Shares by the Corporation.

## **6.3 Record Keeping**

The Corporation shall maintain a register in which shall be recorded the name and address of each Optionee, the number of Options granted to an Optionee, the details thereof and the number of Options outstanding.

## **6.4 No Representation or Warranty**

The Corporation makes no representation or warranty as to the future market value of the Shares issued in accordance with the provisions of the Plan or the effect of the Tax Act or any other taxing statute governing the Options or the Shares issuable thereunder or the tax consequences to an Eligible Person. Compliance with applicable securities laws as to the disclosure and resale obligations of each Optionee is the responsibility of such Optionee and not the Corporation.

## **6.5 Necessary Approvals**

The Plan shall be effective only upon the approval of the Board by ordinary resolution. The obligation of the Corporation to sell and deliver Shares in accordance with the Plan is subject to the approval of any Regulatory Authority which may be required in connection with the authorization, issuance or sale of such Shares by the Corporation. If any Shares cannot be issued to any Optionee for any reason including, without limitation, the failure to obtain such approval, then the obligation of the Corporation to issue such Shares shall terminate and any Exercise Price paid by an Optionee to the Corporation shall be returned to the Optionee.

## **6.6 Tax Withholding**

If the Corporation determines pursuant to the requirements of the Tax Act or any other applicable tax law that it is obliged to withhold for remittance to a taxing authority any amount upon exercise of an Option, the Optionee shall, prior to and as a condition of issuing the Shares or at any other later date specified in the following sentence:

- (a) pay to the Corporation, in addition to and in the same manner as the Exercise Price; or
- (b) subject to compliance with applicable law and any applicable order, policy, by-law or regulation of Regulatory Authority, transfer to the Corporation Shares issuable upon exercise of the Options having a fair market value equal to,

any amount that the Corporation is obliged to remit to that taxing authority in respect of the exercise of the Options. Any additional payment will be due no later than three business days prior to the statutory remittance deadline applicable to the exercise of such Options by the Optionee. Notwithstanding anything herein to the contrary, the Corporation shall have no obligation to accept a transfer of Shares in the event the Corporation does not have cash available to satisfy any such withholding obligation or is restricted by any contract, indenture or other agreement with respect to indebtedness from making any such payments.

#### **6.7 Interpretation**

The Plan shall be governed by and construed in accordance with the laws of the Province of Ontario and the laws of Canada applicable therein.

#### **6.8 Compliance with Applicable Law**

If any provision of the Plan or any agreement entered into pursuant to the Plan contravenes any law or any order, policy, by-law or regulation of any Regulatory Authority then such provision shall be deemed to be amended to the extent required to bring such provision into compliance therewith.

Approved by the Board on May 1, 2017.
