Dear Sir/Madam

Re: Notice of Change of Auditors of IsoEnergy Ltd.

We have read the Notice of IsoEnergy Ltd. dated November 5, 2018 and are in agreement with the statements contained in such Notice except that we are not in a position to agree or disagree with IsoEnergy Ltd's statement that there have been no "reportable events" (as that term is defined in NI 51-102) involving the Company and the Predecessor Auditor.

Yours very truly,

A handwritten signature in black ink that reads 'KPMG LLP'. The signature is written in a cursive, slightly slanted style. A horizontal line is drawn underneath the signature.
