

CERTIFICATE OF QUALIFICATION

1. **I**, Professor Emeritus Peter Styles of Bunbury, Cheshire, United Kingdom do hereby certify that:
2. I am senior Geoscientist with a Business Address at 6 Swan Lane, Bunbury, Cheshire CW6 9RA, UK.
3. I am responsible for the joint preparation of the Technical Report Entitled.

“Report on resource assessment K1 graphite mine site at Kalangala off Attanagalla Gampaha District Sri Lanka” and dated October 2021 for Ceylon Graphite Corp. of Vancouver, British Columbia, Canada.
4. I graduated in 1972 with BA(Hons) in Physics from the University of Oxford, UK and then with a PhD in Geophysics from the University of Newcastle-upon-Tyne in 1978. I have held the following Academic Positions: Lecturer, Senior Lecturer, at the University College of Swansea from 1977 to 1989, Senior Lecturer, Reader at the University of Liverpool from 1989 to 2000, Professor at Keele University from 2000 to 2015 and Professor Emeritus at Keele University from 2015 to 2021 (current)
5. I am a Chartered Geologist (FGS CGeol), a Chartered Geoscientist (FRAS CSci) and a European Geologist (FIMM Eur Geol)
6. I have practiced my Profession as a consulting Geologist as a Director or Board Member with the following Companies:

Dates	Organisation	Position
1988 to 1989.	<i>Eidawn Consultancy Services Ltd, Swansea University</i>	<i>Director</i>
<i>1988 to 1990</i>	<i>Cambrian Geoscience Consultants Ltd</i>	<i>Company Secretary</i>
<i>1988 to 2001</i>	<i>Microsearch Ltd Division of Hydrosearch Ltd</i>	<i>Technical Director</i>
<i>1990 to 2012</i>	<i>Professor P and R J Styles Geophysical Consultants</i>	Principal
<i>2003 to 2009</i>	British Geological Survey Management Board	Non-Executive Director
<i>2009 to 2014</i>	Underground Coal Gasification Association	Non-Executive Director/Trustee
<i>2013 to current</i>	<i>Calculus Geoscience Consultants Ltd</i>	Principal
<i>2015 to current</i>	<i>EZ-Energies UK Ltd</i>	Director

- 7 I have 44 years of experience in Surface and Underground Mining and Quarrying for various materials and Commodities including Limestone and other construction materials, Coal and other solid Hydrocarbons, Lead/Zinc, Haematite, Potash, Salt, Gold and other minerals, Environmental and Engineering Geology (Subsidence, Slope Stability, Induced Seismicity).
- 8 I have acted as Expert Witness at Public Enquiries and in the United Kingdom, High Court
- 9 I have also held a number of Learned Society and Government Advisory Positions the most notable of which are the following:
- i. President; The Geological Society of London 2004 to 2006
 - ii. Chair: DEFRA/DTI Criteria Proposals Group (CPG) Sub-Surface Exclusion Criteria For Geological Disposal of Radioactive Waste (MRWS),
 - iii. Chair: European Consortium for Research Drilling Mid-Term Review
 - iv. Presidency British Association for the Advancement of Science (Geology Section) 2007
 - v. Board Member of the British Geological Survey (BGS); 2004 to 2010
 - vi. DECC Advisory Committee on Shale Gas Induced Seismicity (2011 - 2012.
 - vii. Chair NERC Radioactivity and the Environment (RATE) programme - Assessment Panel (2012)
 - viii. President of ICHESE (the International Commission on Hydrocarbon Exploration and Seismicity in Emilia), Emilia Romagna
- 10 I am the Author of four books on Applied Geosciences
- i. Professor Peter Styles: ***“Red Sea Case Study, An embryonic oceanic basin”***: Crustal and Mantle Processes:- The Open University S336 R.S., Open University Press.
 - ii. Professor Peter Styles: ***“Environmental Geophysics: Everything you needed to know but were afraid to ask”***, ISBN Number:978-90-73834-33-0, EAGE Publications bv.
 - iii. Professor Peter Styles with Professor Alireza Hajian: ***“Application of Soft Computing and Intelligent Methods in Geophysics”***: SPRINGER ISSN 2364-9127.
 - iv. Professor Peter Styles: ***“Introducing Geophysics”*** DUNEDIN ISBN: 9781780460802

11 I have read the definition of “Qualified person” set out in the National Instrument 43- 101 (“NI 43-101”) and certify that by reason of my education, affiliation with a professional association (as defined in NI 43-101) and past and relevant work experience, I fulfill the requirements to be a “Qualified Person” for the purposes of NI 43-101.

12 I have prepared all Items of this report in accordance with the guidelines of National Instrument 43-101 (Standard of Disclosure for Mineral Projects).

13 I have read the Instrument NI 43–101 and the Technical Report including the parts that I am responsible for. This Technical Report has been prepared in compliance with that Instrument;

14 I have no interest, either direct or indirect, in the property described in the present report and I do not expect to receive any interest. I have no shares of **Ceylon Graphite Corp.**, nor do I expect to receive any interest in the securities of this Company. I am independent from the issuer and the vendors applying all of the tests in section 1.4 of National Instrument 43-101

15 That the present report is based on a study of data available on the property obtained from the Company. Prior to the present report, I have never been involved with the Graphite Project that is subject of the Technical Report.

16 That, as of 3 December 2021, to the best of my knowledge, information and belief, the technical report contains all scientific and technical information that is required to be disclosed to make the technical report not misleading;

17 The writer consents to the filing of the Technical Report with any stock exchange or other regulatory authority and any publication by them for regulatory purposes, including electronic publication in the public company files on their websites accessible by the public, of the technical report.

Bunbury, Cheshire , UK

Dated : 3rd December 2021

A handwritten signature in black ink, appearing to read 'Peter Styles', with a horizontal line drawn underneath it.

Professor Emeritus Peter Styles

BA (Hons)., PhD., FGS CGeol., FRAS CSci., FIMMM Eur Geol., FRSA.
