I, Frank Hrdy, do hereby certify that:

1. I am an independent consultant working with CanMine Consultants, a consulting firm located in Vancouver, British Columbia, Canada. This certificate is part of the report titled "NI 43-101 Technical Report for the Oro Cruz Gold Project, Imperial County, California, U.S.A."; Effective Date September 30, 2019, and prepared for Owl Capital Corp.
2. I graduated from the University of Saskatchewan with a Bachelor of Science Degree in Geology in 1987, a Master of Science Degree in Geology in 1994 and a Masters of Business Administration Degree from the University of Victoria in 2000.
3. I have worked in the exploration/mining field since 1984 and practiced my profession as a geologist since graduating in 1987 in industry and academics for 30 years (an additional 5 years were spent in business school and working as a manager in the manufacturing industry). I have worked as a geologist in exploration, production and resource and reserve evaluation positions. Countries I have worked in or visited in a geological capacity include Canada (BC, Saskatchewan, Manitoba, Ontario, Yukon, NWT), U.S.A. (Montana, Nevada and California), Czech Republic, Greece, Mexico, China, Argentina, Ecuador and Haiti. I also have experience in operations management including permit acquisitions, public relations, infrastructure procurement and installation, site management, mine planning and equipment manufacture.
4. I am a member in good standing of the Association of Professional Engineers and Geoscientists of Saskatchewan (Registered Professional Geoscientist, No. 10266).
5. I have read the definition of "Qualified Person" set out in National Instrument 43-101 ("NI 43-101") and certify that I do fulfill the requirements to be a "Qualified Person" for the purposes of NI 43-101. I have read NI 43-101 and Form 43-101F1, 43-101CP (updated in June, 2011) and Canadian Institute of Mining, Metallurgy and Petroleum (CIM) Definition Standards for Mineral Resources and Mineral Reserves dated May 10, 2014 and the Technical Report has been prepared in compliance with the instrument to the best of my knowledge.
6. I visited the Oro Cruz Property between January 14th and January 16th, 2019.
7. I am responsible for all sections of the report titled "NI 43-101 Technical Report for the Oro Cruz Gold Project, Imperial County, California, U.S.A."; Effective Date September 30, 2019, (the "Technical Report").
8. I am independent to Owl Capital Corp., Lincoln Mining Corporation, Lincoln Gold US Corp., Bell Mountain Exploration Corp., Eros Resources Corp., and Demerara Gold Corp.
9. I have had prior minor involvement with the property that is subject to this Technical Report since 2017 for Lincoln Mining Corporation performing various informal database, geological modeling and grade-related work.
10. As of the date of this certificate, to the best of my knowledge, information and belief, the Technical Report contains all scientific and technical information that is required to be disclosed to make the Technical Report not misleading.
11. I consent to the public filing of this Technical Report only in its entirety, in a prospectus or any similar offering document, for presentation to any stock exchange or other regulatory authority, and for publication, including electronic publication accessible by the public. This consent extends as well to all other forms of written disclosure.

Dated this 30 day of September, 2019.

 Frank Hrdy, P.Geo.
