These financial statements have been prepared in accordance with International Financial Reporting Standards ("IFRS"), which include International Accounting Standards and Interpretations ("IFRIC") adopted by the International Accounting Standards Board. IFRS has been applied since the Incorporation.

All dollar figures stated herein are expressed in Canadian dollars, unless otherwise specified.

FORWARD-LOOKING STATEMENT

This MD&A includes certain forward-looking information and forward-looking statements (collectively "Forward-Looking Statements") concerning the future performance of the Company's business, operations and financial performance and condition, as well as management's objectives, strategies, beliefs and intentions. Forward-Looking Statements are frequently identified by such words as "may", "will", "plan", "expect", "anticipate", "estimate", "intend" and similar words referring to future events and results. Forward-Looking Statements are based on the current opinions and expectations of management based on currently available information. All Forward-Looking Statements are inherently uncertain and subject to a variety of risks and uncertainties, as described in Risks and Uncertainties below. Such Forward-Looking Statements are based on a number of assumptions, including but not limited to, information or statements concerning the Company's expectations for its ability to raise capital and meet the Company's obligations. Should one or more risks and uncertainties materialize or should any assumptions prove incorrect, then actual events or results may differ materially from those expressed or implied in the Forward Looking-Statements. Investors are cautioned against placing undue reliance thereon. The Company undertakes no obligation to revise or update the Forward-Looking Statements, except as required by applicable law.

OVERALL PERFORMANCE

Corporate Structure and History

The Company was incorporated in the Province of British Columbia under the *Business Corporations Act* (British Columbia) on February 7, 2013 ("Incorporation") under the name Maple Peak Investments Inc. On July 30, 2014, the Company became a reporting issuer in the

Provinces of British Columbia and Alberta. On October 1, 2014, the Company completed its initial public offering and the common shares of the Company were listed on the TSX Venture Exchange (the “**Exchange**”) under the symbol “MAP.P” and immediately halted. On October 3, 2014, the common shares of the Company resumed trading on the Exchange. The Company was classified as a “**Capital Pool Company**” as that term is defined in Policy 2.4 of the Exchange (“**Policy 2.4**”).

On April 4, 2016, the Company announced its proposed Qualifying Transaction to become a Tier 2 Investment Issuer through the acquisition of such number common shares of Melco International Development Ltd. (“**Melco**”) equal to \$2,375,000 (the “**Melco Investment**”) and such number of common shares of Loto Interactive Ltd. (formerly MelcoLot Limited) (“**Loto**”) equal to \$125,000 (the “**Loto Investment**”), subject to receipt of all necessary regulatory and Exchange approvals. The Melco Investment and the Loto Interactive Ltd. (together, the “**Transactions**”) were to collectively constitute the Company’s “Qualifying Transaction” as defined by Policy 2.4 of the Exchange.

On July 13, 2016, the Company announced the completion of the Transactions with Melco and Loto, which collectively constituted the Company’s “Qualifying Transaction”. The common shares of the Company commenced trading on the Exchange as a non-“Capital Pool Company” on July 14, 2016 under the trading symbol MAP, and continued in the business of a public gaming focused investment corporation.

Description of Business

Prior to July 14, 2016, the principal business of the Company was to identify and evaluate companies, assets or businesses with a view to completing a “**Qualifying Transaction**” as that term is defined in Policy 2.4.

Effective on July 14, 2016, the Company became a Tier 2 investment issuer with its primary focus being to seek high returns by making investments in companies involving casinos, gaming and game of chance, leisure and entertainment, and resort projects. The Company adopted a set of investment policy. Following completion of the Transactions, Company continued its existence under the existing management with: (i) Samuel Yuen-Wai Tsang appointed as the new CFO and Corporate Secretary; (ii) Lawrence Yau Lung Ho appointed as a new director and the Chairman; and (iii) Robert Kang appointed as a new independent director. A key aspect of Maple Peak’s investment strategy as an investment issuer will be seeking undervalued companies backed by strong management teams and solid business models that can benefit from vast experience that the Maple Peak’s Board has in the casinos and gaming and resort operation business. Pursuant to this investment strategy, Maple Peak identified the Transactions as its initial investments.

The Company has enjoyed with its securities investments in Melco in the past year and is actively exploring business and investment opportunities in the gaming and leisure-related industry in Europe and America. The Company is evaluating a number of online gaming platforms in Europe & America and is seeking a partner with expertise in providing online gaming technology to tap into the expanding market.

Based on the expertise and business connections of its management in various fields, the Company believes that these opportunities would allow the Company to maximize the shareholders’ value. The Company will conduct thorough legal, business and financial due diligence review on the target opportunities before any direct investments.

The Company’s objectives when managing capital is to maintain financial strength and to protect its ability to meet its on-going liabilities, to continue as a going concern, to maintain creditworthiness and to maximize returns for shareholders over the long term. Protecting the ability to pay current and future liabilities includes maintaining capital above minimum regulatory levels, current financial strength rating requirements and internally determined capital guidelines and calculated risk management levels. The capital for expansion was mostly from proceeds from the issuance of common shares. No internally or externally

imposed restriction to the Company's capital management exists.

For a detailed summary of the Company's accounting policies, the reader is directed to Note 3 of the Notes to the unaudited interim financial statements and related notes thereto for the six months ended October 31, 2023 and 2022 and the audited financial statements of the Company for the financial year ended April 30, 2023, 2022 and 2021 available on SEDAR at www.sedar.com.

FINANCIAL INSTRUMENTS AND OTHER INSTRUMENTS

The Company's financial instruments consist of cash and cash equivalents, other receivables, investments, accounts payable and accrued liabilities. The fair values of cash and cash equivalents, other receivables, accounts payable and accrued liabilities approximate their carrying values due to the relatively short-term maturity of these instruments. It is management's opinion that the Company is exposed to market, foreign currency or concentration risks arising from investments.

RISKS AND UNCERTAINTIES

There are certain risks that will be associated with the securities of the Company due to the nature of its business and certain other factors. Shareholders should consider that the Company may not realize the anticipated benefits of the Transactions.

Shares of the Company will be a risky and speculative investment and are only suitable for those investors prepared to lose their entire investment.

The Company has no businesses or assets, other than cash and investments. The Company has no history of earnings and it has not paid any dividends and it is unlikely to pay any dividends in the immediate or foreseeable future. The Company's investments may be speculative.

Additionally, there are certain risks that the Company will face in its normal course of business, including:

Market Risk: the Company will be exposed to fluctuations in the market prices of its securities portfolio.

Risk of Limited Number of Investments: the Company intends to participate in a limited number of investments and, as a consequence, the aggregate return of the Company may be substantially adversely affected by the unfavourable performance of even a single investment.

Financing Risks: the Company may need to raise additional financing following completion of the Qualifying Transaction in order to pursue its business as an investment issuer and such financing may not be available to the Company on favourable terms or at all.

Currency Risk: the Company's investments in Melco are denominated in Hong Kong dollars and entails risks that are not associated with a similar investment in a security denominated in Canadian dollars. Such risks include, without limitation, the possibility of significant changes in rates of exchange between the Canadian dollar and the Hong Kong dollar.

Competition: the Company faces competition from other capital providers for investment opportunities.

Key Personnel: the Company's success will depend on its ability to attract and retain its key personnel.

Retention of Key Management: the Company has not entered into any agreements with its proposed directors or officers regarding their continued involvement with the Company. The inability of the Company to retain its directors or senior officers, as a result of volatility or lack of positive performance in the Company's stock price, may adversely affect the Company's ability to carry out its business.

Directors and Officers Conflicts of Interest: the Company must rely substantially on the knowledge and expertise of its directors and officers in selecting investment opportunities. Certain of the directors and officers of the Company are engaged and will continue to be engaged in the search for investments for themselves, angel investment groups or organizations and on behalf of others. Additionally certain of the directors of the Company may become directors and/or officers of the target companies. Conflicts of interest may arise from time to time.

Dividends: to date, the Company has not paid any dividends on its outstanding shares. Any decision to pay dividends on the shares of the Company will be made by the Board on the basis of the Company's earnings, financial requirements and other conditions.

Dilution: the number of common shares the Company is authorized to issue is unlimited. The Company may, in its sole discretion, issue additional common shares from time to time, and the interests of the holders of shares may be diluted thereby.

Potential Volatility of Share Price: in recent years, the securities markets in Canada have experienced a high level of price and volume volatility, and the market price of securities of many junior companies have experienced wide fluctuations in price. The market price of the shares may be volatile and could be subject to wide fluctuations due to a number of factors. Broad market fluctuations, as well as economic conditions generally and in the industries in which the Company will make its investment, may adversely affect the market price of the shares.

Status of Target Companies: the Company's investments in the target companies will expose the Company to the risks inherent with investing in the public market. The market price of target company securities may be volatile and could be subject to wide fluctuations due to a number of factors.

Minority Interest in Target Companies: the Company will for most of the time hold a minority interest in each of the target companies and will have a limited ability to influence

management of the target companies with respect to: business and financial decisions; the issuance of additional securities; and the issue price for additional securities.
