

OLIVUT RESOURCES LTD.

NOTICE AND ACCESS NOTIFICATION TO SHAREHOLDERS

NOTICE OF ANNUAL GENERAL AND SPECIAL MEETING

NOTICE IS HEREBY GIVEN that the Annual General and Special Meeting (the “**Meeting**”) of holders of common shares of Olivut Resources Ltd. (the “**Company**”) will be held on March 25, 2020, at 2:00 p.m. Eastern Time (“**ET**”) at the offices of Stikeman Elliott LLP, 53rd Floor, Commerce Court West, 199 Bay Street, Toronto, Ontario, Canada for the following purposes, as more particularly described in the Company’s Management Information Circular dated December 31, 2019 (the “**Proxy Circular**”) under the heading *Business of Meeting*:

1. To receive the audited financial statements of the Company as at and for the years ended October 31, 2019 and 2018;
2. To elect the directors of the Company;
3. To appoint McGovern Hurley LLP, as the auditor of the Company and to authorize the directors to fix the remuneration to be paid to the auditor; and
4. To approve the Amended and Restated Share Option Plan.

The Canadian securities regulators have adopted rules which permit the use of notice and access for proxy solicitation instead of the traditional physical delivery of material. This process provides the option to post meeting related materials including management information circulars as well as annual financial statements and management’s discussion and analysis on a website in addition to SEDAR. Under notice and access, meeting related materials will be available for viewing for up to one year from the date of posting and a paper copy of the material may be requested at any time during that period. The Company has elected to utilize notice and access.

Meeting materials are available electronically at www.sedar.com and also on the Company’s website at <https://olivut.ca/annual-general-meetings/>. Shareholders may obtain paper copies of the meeting materials free of charge by contacting the Company in writing at: Olivut Resources Ltd. PO Box 6690, Hinton, Alberta T7V 1X8 or by calling 1-780-866-2226. In order to receive a paper copy in time to vote before the meeting, your request should be received no later than 5:00 p.m. ET on March 2, 2020.

Shareholders are reminded to review the Proxy Circular before voting.

Registered Shareholders

If you are a registered shareholder, you are receiving a form of proxy with this notice. A registered shareholder who is unable to attend the Meeting in person is entitled to appoint a proxyholder to attend and vote in his or her place. If you cannot be present at the Meeting, please refer to the instructions accompanying the form of proxy. All completed proxies must be received by the Company’s transfer agent, Computershare Investor Services (“**Computershare**”), before 2:00 p.m. ET on March 23, 2020 or if the Meeting is adjourned, at least two business days preceding the date of any adjournment of the

Meeting. If returning by mail, Shareholders should use the enclosed self-addressed envelope and mail to: Computershare Investor Services Inc., 100 University Avenue, 8th Floor, Toronto, Ontario, Canada M5J 2Y1. If returning by fax, Shareholders should use: within North America 1-866-249-7775; outside North America 1-416-263-9524. Registered shareholders may also complete the form of proxy by telephone or the internet by following the instructions provided on the form of proxy. Further instructions with respect to voting by proxy are provided in the form of proxy and the Proxy Circular.

Non-Registered Shareholders

Only registered shareholders, or the persons appointed as their proxies, are entitled to attend and vote at the Meeting. However, shareholders may beneficially own common shares of the Company that are registered in the name of a broker, another intermediary or an agent of that broker or intermediary ("**Non-Registered Shareholders**"). Without specific instructions, intermediaries are prohibited from voting shares for their clients. If you are a Non-Registered Shareholder, it is vital that the voting instruction form ("**VIF**") provided to you by your broker, intermediary or its agent is returned according to their instructions, sufficiently in advance of the deadline specified in the VIF to ensure that the applicable intermediary is able to provide voting instructions on your behalf. Please return your VIF or exercise your votes as specified in the VIF within the time set out in the VIF. Further instructions with respect to completing your VIF are provided in the VIF and the Proxy Circular.

Completed proxies must be received by Computershare or voted online or by telephone by 2:00 p.m. ET on March 23, 2020 in order for your votes to be counted at the Meeting.

Only holders of common shares of record at the close of business on February 5, 2020 will be entitled to vote at the meeting.

DATED at Toronto, this 31st day of December, 2019.

MANAGEMENT INFORMATION CIRCULAR

DATE, TIME AND PLACE OF MEETING

This Management Information Circular (the "Proxy Circular") is furnished in connection with the solicitation by management of Olivut Resources Ltd. (the "Company" or "Olivut") of proxies to be used at the Annual General and Special Meeting (the "Meeting") of shareholders of the Company ("Shareholders") to be held on March 25, 2020, at 2:00 p.m. (ET) at the offices of Stikeman Elliott LLP, 53rd Floor, Commerce Court West, 199 Bay Street, Toronto, Canada.

INFORMATION CONCERNING THE MEETING

Notice and Access

The Company is utilizing the notice and access mechanism ("**Notice and Access**") that came into effect on February 11, 2013 under National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("**NI 54-101**") and National Instrument 51-102 *Continuous Disclosure Obligations* ("**NI 51-102**") for distribution of this Proxy Circular to Shareholders.

Notice and Access provides a set of rules that allow reporting issuers to post electronic versions of proxy related materials (such as proxy circulars and annual financial statements) on-line, via the System for Electronic Document Analysis and Retrieval ("**SEDAR**") and one other website, rather than mailing paper copies of such materials to shareholders. Electronic copies of this Proxy Circular, the audited financial statements of the Company as at and for the financial years ended October 31, 2019 and 2018 (the "**Financial Statements**"), and Management's Discussion and Analysis for the year ended October 31, 2019 (the "**MD&A**" and together with the Proxy Circular and the Financial Statements, the "**Meeting Materials**"), may be found on the Company's SEDAR profile at www.sedar.com and is also available on the Company's website at <https://olivut.ca/annual-general-meetings/>. **Shareholders are reminded to review this Proxy Circular before voting.**

Although the Meeting Materials will be posted electronically on-line as noted above, Shareholders will receive paper copies of a "notice package" (a "**Notice Package**") via prepaid mail containing a Notice of Meeting with information prescribed by NI 54-101 and NI 51-102, a form of proxy, in the case of registered Shareholders or voting instruction form (a "**VIF**"), in the case of beneficial Shareholders, and a supplemental mail list return card for Shareholders to request they be included in the Company's supplementary mailing list for receipt of the Company's interim financial statements for the 2020 fiscal year.

The Company anticipates that Notice and Access will directly benefit the Company through a substantial reduction in both postage and material costs and will also promote environmental responsibility by decreasing the large volume of paper documents generated by printing proxy-related materials.

Shareholders may obtain paper copies of the Meeting Materials free of charge by contacting the Company in writing at: Olivut Resources Ltd. PO Box 6690, Hinton, Alberta T7V 1X8 or by calling 1-780-866-2226.

A request for paper copies of the Meeting Materials should be sent so that they are received by the Company no later than 5:00 p.m. ET March 2, 2020 in order to allow sufficient time for Shareholders to receive their paper copies and to return their form of proxy to the Corporation or Computershare Investor Services Inc. ("**Computershare**"), or their VIF to their intermediaries by its due date, as applicable.

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may also be solicited personally or by telephone by employees of the Company at nominal cost. Employees will not receive any extra compensation for such activities. The total cost of this solicitation will be borne by the Company. The Company has arranged for intermediaries to forward the Notice of Meeting and the form of proxy for use in connection with the Meeting to beneficial owners of the common shares of the Company ("**Common Shares**") held of record by those intermediaries and the Company may reimburse the intermediaries for their reasonable fees and disbursement in that regard.

Appointment of Proxies

The persons named in the enclosed form of proxy are officers and/or directors of the Company. **A Shareholder has the right to appoint a person or company, who need not be a Shareholder, other than the person or company designated in the applicable form of proxy accompanying this Proxy Circular, as nominee to attend and act for and on behalf of such person at the Meeting and may exercise such right by inserting the name of such person in the blank space provided on the form of proxy or by executing a proxy in a form similar to the one enclosed.**

Deposit of Proxies

Registered Shareholders who do not expect to attend the Meeting in person are requested to complete, sign, date and return the enclosed form of proxy. An undated but executed proxy will be deemed to be dated the date of this Proxy Circular. Completed proxies returned either by mail or by fax to the office of the Company's transfer agent, Computershare, must be received before 2:00 p.m. ET on March 23, 2020 or if the Meeting is adjourned, at least two business days preceding the date of any adjournment of the Meeting. If submitting by mail, Shareholders should use the self-addressed envelope enclosed or mail to: Computershare Investor Services Inc., 100 University Avenue, 8th Floor, Toronto, Ontario, Canada M5J 2Y1. If submitting by fax, Shareholders should use: within North America 1-866-249-7775; outside North America 1-416-263-9524.

Telephone

The option to submit a proxy by telephone is offered internationally. Shareholders electing to submit a proxy by telephone require a touchtone telephone. The telephone number to call within North America is 1-866-732-8683. If calling internationally, direct dial 312-588-4290. Shareholders must follow the instructions, use the form of proxy received from the Company and provide the I.D. and Code numbers which are located beside the Shareholder's name on the proxy form on the lower left-hand side. Instructions are then conveyed by use of the touchtone selections over the telephone.

Internet

Shareholders electing to submit a proxy over the Internet must access the website: www.investorvote.com. Shareholders must then follow the instructions and refer to the proxy form received from the Company which contains the I.D. and code numbers. Voting instructions are then conveyed electronically to the shareholder over the Internet.

Non-Registered Shareholders

Only registered Shareholders at the close of business on February 5, 2020 (“**Registered Shareholders**”), or the persons they appoint as their proxies, are entitled to attend and vote at the Meeting. However, in many cases, Common Shares are beneficially owned by a holder (a “**Non-Registered Shareholder**”) and are registered either:

1. in the name of an intermediary with which a Non-Registered Shareholder may deal, including banks, trust companies, securities dealers or brokers and trustees or administrators of registered retirement savings plans, registered retirement income funds, registered education savings plans (all as defined in the *Income Tax Act* (Canada)) and similar plans, and their nominees (an “**Intermediary**”); or
2. in the name of a clearing agency (such as The Canadian Depository for Securities Limited) of which the Intermediary is a participant.

Intermediaries are required to forward the Notice Package to Non-Registered Shareholders. Intermediaries very often call on service companies to forward meeting materials to non-registered holders. Non-Registered Shareholders who have not waived the right to receive Meeting Materials will:

1. receive a form of proxy which has already been signed by the Intermediary (usually by facsimile) which indicates the number of Common Shares beneficially owned by the Non-Registered Shareholder but which has not been completed. This form of proxy need not be signed by the Non-Registered Shareholder. In this case, the Non-Registered Shareholder who wishes to submit a proxy should otherwise properly complete the form of proxy and deposit it with Computershare Investor Services in the manner described above; or
2. more typically, receive a VIF from an Intermediary which must be completed and signed by the Non-Registered Shareholder in accordance with the directions on the VIF (which may, in some cases, permit the completion of the voting instruction form by telephone).

The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Investor Communication Solutions, Canada (“**Broadridge**”). Broadridge typically mails a VIF to the Non-Registered Shareholders and asks such Non-Registered Shareholders to return such VIF to Broadridge (the Broadridge form also allows completion of the voting instruction form by telephone or via the internet). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at a Shareholders’ meeting. A Non-Registered Shareholder receiving a VIF from Broadridge cannot use that voting instruction form to vote shares directly at the Meeting. The VIF must be returned to Broadridge well in advance of the Meeting in order to have the shares voted.

The purpose of these procedures is to allow Non-Registered Shareholders to direct the voting of the Common Shares they beneficially own. Should a Non-Registered Shareholder who receives either a form of proxy or a VIF wish to attend the Meeting and vote in person (or have another person attend and vote on behalf of the Non-Registered Shareholder), the Non-Registered Shareholder should strike out the names of the persons named in the form of proxy and insert the Non-Registered Shareholder’s (or such other person’s) name in the blank space provided or, in the case of a VIF, follow the directions indicated on that form. In either case, Non-Registered Shareholders should carefully follow the instructions of their Intermediaries and their service companies to ensure that their Common Shares are voted at the Meeting.

Alternatively, a Non-Registered Shareholder may request in writing that their broker send them a legal proxy which would enable them, or a person designated by them, to attend the Meeting and vote their

Common Shares.

Exercise of Vote by Proxies and Discretionary Authority

The Common Shares, represented by properly executed proxies given in favour of the persons designated in the printed portion of the accompanying form of proxy at the Meeting, will be voted for, against or withheld from voting in accordance with the instructions contained therein, so long as such instructions are certain, on any ballot that may be called. **If no choice is specified in the proxy, such shares will be voted FOR each of the matters proposed by management at the Meeting and described in the Notice of the Meeting.**

The form of proxy accompanying this Proxy Circular confers discretionary authority upon the nominees named therein with respect to amendments or variations to the matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting. Management of the Company knows of no matters to come before the Meeting, other than those referred to in the Notice of Meeting. However, if any other matters which are not now known to management of the Company should properly come before the Meeting, the shares represented by proxies given in favour of management nominees will be voted on such matters in accordance with the best judgment of the nominee.

Revocation of Proxies

A Registered Shareholder may revoke a proxy by: (a) completing and signing a proxy bearing a later date and depositing it with Computershare within the same time periods in advance of the Meeting as set forth above under “Deposit of Proxies”; (b) depositing an instrument in writing executed by the holder or by his attorney authorized in writing or, if the holder is a corporation, under its corporate seal by an officer or attorney thereof duly authorized, indicating the capacity under which such officer or attorney is signing, either at the registered office of the Company at any time up to and including 2:00 p.m. ET, on the last business day preceding the day of the Meeting, or any adjournment thereof, at which the proxy is to be used, or with the Chairman of the applicable Meeting on the day of such Meeting, or any adjournment thereof; or (c) in any other manner permitted by law. A Non-Registered Shareholder may revoke a voting instruction form and a vote given to an Intermediary at any time by written notice, except that an Intermediary is not required to act on a revocation of a voting instruction form or to vote if such revocation is not received at least seven days prior to the Meeting.

A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

Voting Securities

As of December 31, 2019, 57,840,611 Common Shares were outstanding, each carrying the right to one vote on matters at the Meeting.

Shareholders of record as at the close of business on February 5, 2020 (the “**Record Date**”) are entitled to vote at the Meeting.

To the knowledge of management, as of the date of this Proxy Circular, no person beneficially owns, directly or indirectly, or exercises control or direction over, Common Shares carrying 10% or more of the voting rights attached to the Common Shares other than Pierre Lassonde, who owns or control an aggregate of 6,847,000 Common Shares or approximately 12% of all the issued and outstanding Common Shares.

Quorum

A quorum for the meeting consists of two holders of the Common Shares entitled to vote at a meeting, whether present in person or by proxy, irrespective of the number of persons actually present at the meeting.

BUSINESS OF THE MEETING

1. TO RECEIVE THE AUDITED FINANCIAL STATEMENTS OF THE COMPANY AS AT AND FOR THE FINANCIAL YEARS ENDED OCTOBER 31, 2019 AND 2018

The information concerning each of the nominees for director given below was provided, in part, by the individual nominees.

Director Nominees

In the absence of a specification to the contrary in the form of proxy, the persons named in the form of proxy intend to vote FOR election as directors, the 3 proposed nominees of management whose names are set forth in the table below. Management does not contemplate that any of the nominees will be unable to serve as a director, but, if such should be the case at the time of the Meeting, the persons whose names are printed in the form of proxy, in the absence of a specification to the contrary in the form of proxy, intend to vote for such other nominees as in their best judgment they deem advisable. Unless otherwise indicated, the occupation noted has been their principal occupation for the past five years.

Audit Committee and Relationship with Auditor

National Instrument 52-110 of the Canadian Securities Administrators ("CSA") ("NI 52-110") requires the Company, as a venture issuer, to disclose annually in its information circular certain information concerning the constitution of its audit committee and its relationship with its independent auditor, as set forth in the following:

The Audit Committee's Charter

The Audit Committee has a charter. A copy of the Audit Committee Charter is appended to the Annual Information Form for the fiscal year ended October 31, 2019 as Appendix "A" which was filed on SEDAR December 9, 2019. Currently, the three members of the Audit Committee are Craig O. Reith (acting as Chair), Sharon E. Dowdall and Leni F. Keough.

A member of the Audit Committee is independent if the member has no direct or indirect material relationship with the Company. Ms. Keough, P.Geo., is a graduate of the University of Western Ontario, London (BSc. Honours Geology, 1986).

Each member of the Audit Committee has:

- an understanding of the accounting principles used by the Company to prepare its financial statements, and the ability to assess the general application of those principles in connection with estimates, accruals and reserves;
- experience preparing, auditing, analyzing or evaluating financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of issues that can reasonably be expected to be raised by the Company's financial statements, or experience actively supervising individuals engaged in such activities and

Audit Committee Oversight of the Auditors

The Audit Committee has made recommendation to the Board of Directors to nominate and compensate the external auditor. The Company's auditor, McGovern Hurley LLP, has not provided any material non-audit services.

Reliance on Certain Exemptions

The Company has not relied on any exemptions under NI 52-110.

Pre-Approval Policies and Procedures

The Audit Committee has, under the terms of its charter, adopted specific policies and procedures for the engagement of non-audit services. The Chair of the Audit Committee approves all non-audit services.

4. TO APPROVE THE AMENDED AND RESTATED SHARE OPTION PLAN

The TSX Venture Exchange requires that each listed company have a stock option plan and this plan is ratified on a yearly basis by the Shareholders. In compliance with the TSX Venture Exchange policies and to provide incentive to directors, officers, employees, management and others who provide services to the Company or any subsidiary to act in the best interests of the Company, the Shareholders of the Company adopted the Share Option Plan ("**Share Option Plan**" or the "**Plan**") in 2004 and approve its continuance at the Company's Annual General and Special Meetings of the Shareholders. The Amended and Restated Plan was approved by Shareholders on March 14, 2019 (the "**Amended and Restated Plan**").

The Company is of the view that the Amended and Restated Plan permits the Company to attract and maintain the services of executives, directors, employees and other service providers in competition with other companies in the industry.

Under the Amended and Restated Plan, a maximum of 10% of the issued and outstanding Common Shares at the time an option is granted, less Common Shares reserved for issuance outstanding in the Plan, will be reserved for options to be granted at the discretion of the Board of Directors to eligible Optionees. This type of plan is called a “rolling” plan. As of the date of this Information Circular, 5,497,500 options to purchase Common Shares have been granted by the Company and are outstanding.

Under TSX Venture Exchange policy, the Amended and Restated Plan requires Shareholder approval at the Annual and Special Meeting of the Company by ordinary resolution. Management of the Company will ask the Shareholders at the Meeting to vote on the following ordinary resolution, with or without variation:

1. the Amended and Restated Share Option Plan of the Company, substantially in the form attached hereto as Schedule A, subject to any such additions, deletions and changes as the TSX Venture Exchange or other regulatory body may deem necessary or advisable, be and it is hereby ratified and approved and confirmed effective; and
2. any officer or director of the Company be, and each of them is, hereby authorized and directed for, in the name of and on behalf of the Company, to execute or to cause to be executed, under the seal of the Company or otherwise, and to deliver or cause to be delivered all such deeds, documents and other instruments, and to do or cause to be done all such other acts and things, as in the opinion of any one director or any one officer of the Company may be necessary or desirable in order to give effect to the intent of this resolution.

The directors of the Company recommend that Shareholders vote in favour of the resolution to approve the Amended and Restated Plan. **In the absence of a specification to the contrary in the form of proxy, the persons named in the form of proxy intend to vote FOR the approval of the Amended and Restated Plan.**

STATEMENT OF EXECUTIVE COMPENSATION

National Instrument 51-102 – *Continuous Disclosure Obligations* requires the Company to disclose its executive compensation by providing in this Proxy Circular the disclosure required by Form 51-102F6V. The disclosure of executive compensation below is being made in accordance with Form 51-102F6V.

Named Executive Officers

For the purposes of this Proxy Circular, a Named Executive Officer (“**NEO**”) of the Company means each of the following individuals:

- a) the Chief Executive Officer (“**CEO**”) of the Company;
- b) the Chief Financial Officer (“**CFO**”) of the Company;
- c) the most highly compensated executive officer other than the CEO and CFO, at the end of the most recently completed financial year whose total compensation was more than \$150,000, as determined in accordance with subsection 1.3(5) of Form 51-102F6V, for that financial year; and
- d) each Individual who would be a NEO under paragraph (c) above but for the fact that the individual was neither an executive officer of the Company, nor acting in a similar capacity, at the end of that financial year.

The Company currently has the following two NEOs: Ms. Leni F. Keough, President and Chief Executive Officer, and Mr. Ian A. Shaw, Chief Financial Officer and Secretary.

Compensation Discussion and Analysis

The Compensation and Corporate Governance Committee of the Company's Board is responsible for ensuring that the Company has in place an appropriate plan for executive compensation, for making recommendations to the Board and for evaluating any risks arising with respect to the compensation of the Company's executive officers. The Compensation and Corporate Governance Committee ensures that total compensation paid to all NEOs is fair and reasonable and is consistent with the Company's compensation philosophy. The Compensation and Corporate Governance Committee has not retained a compensation consultant or advisor at any time.

The Compensation and Corporate Governance Committee is comprised exclusively of outside directors and all members are independent within the meaning of the applicable securities law. Currently, the two members of the Compensation and Corporate Governance Committee are Sharon E. Dowdall (acting as Chair) and Craig O. Reith. A member of the Compensation and Corporate Governance Committee is independent if the member has no direct or indirect material relationship with the Company.

Compensation plays an important role in achieving short and long-term business objectives that ultimately drive business success. The Company's compensation philosophy is to foster entrepreneurship at all levels of the organization through, among other things, the granting of stock options which are a significant component of executive compensation. This approach is based on the assumption that the performance of the Common Share price over the long term is an important indicator of long term performance.

The Company's compensation philosophy is based on the following fundamental principles:

1. *Compensation programs align with shareholder interests* – the Company aligns the goals of executives with maximizing long term shareholder value;
2. *Performance sensitive* – compensation for executive officers should be linked to operating performance of the Company and fluctuate with the performance; and
3. *Offer market competitive compensation to attract and retain talent* – the compensation program should provide market competitive pay in terms of value and structure in order to retain existing employees who are performing according to their objectives and to attract new individuals of the highest calibre.

The objectives of the compensation program in compensating all NEOs were developed based on the above-mentioned compensation philosophy and are as follows:

- a) to attract and retain highly qualified Executive Officers;
- b) to align the interests of Executive Officers with Shareholders' interests and with the execution of the Company business strategy;
- c) to evaluate executive performance on the basis of key measurements that correlate to long-term Shareholder value; and
- d) to tie compensation directly to those measurements and rewards based on achieving and exceeding predetermined objectives.

Competitive Compensation

Aggregate compensation for each NEO is designed to be competitive. The Compensation Committee reviews compensation practices of similarly situated companies in determining compensation policy. Although the Compensation Committee reviews each element of compensation for market competitiveness, and it may weigh a particular element more heavily based on the NEO's role within the Company, it is primarily focused on remaining competitive in the market with respect to total compensation.

The Compensation Committee reviews data related to compensation levels and programs of various companies that are similar in size to the Company and operate within the mineral exploration and development industry, prior to making its decisions. The Compensation Committee also relies on the experience of its members as officers and/or directors at other companies in similar lines of business as the Company in assessing compensation levels.

The purpose of this process is to:

- understand the competitiveness of current pay levels for each executive position relative to companies with similar revenues and business characteristics;
- identify and understand any gaps that may exist between actual compensation levels and market compensation levels; and
- establish as a basis for developing salary adjustments and short-term and long-term incentive awards for the Compensation Committee's approval.

Aligning the Interests of the NEOs with the Interests of the Company's Shareholders

The Company believes that transparent, objective and easily verified corporate goals, combined with individual performance goals, play an important role in creating and maintaining an effective compensation strategy for the NEOs. The Company's objective is to establish benchmarks and targets for its NEOs which, if achieved, will enhance shareholder value and not expose the Company to inappropriate or excessive risks.

A combination of fixed and variable compensation is used to motivate executives to achieve overall corporate goals. For the 2019 financial year, the three basic components of the Executive Officer Compensation Program were:

- base salary
- annual incentives (cash bonus) and
- option based compensation

The base salary comprises a portion of the total cash-based compensation; however, annual incentives and option based compensation represent compensation that is "at risk" and thus may or may not be paid to the respective Executive Officer depending on: (1) whether the Executive Officer is able to meet or exceed his or her applicable performance targets, and (2) market performance of the Company's Common Shares. To date, no specific formulae have been developed to assign a specific weighting to each of these components. Instead, the board considers each performance target and the Company's performance and assigns compensation based on this assessment and the recommendations of the Compensation Committee.

Base Salary

The Compensation Committee and the Board approve the salary ranges for the NEOs. The base salary review for each NEO is based on assessment of factors such as current competitive market conditions, compensation levels within the peer group and particular skills, such as leadership ability and management effectiveness, experience, responsibility and proven or expected performance of the particular individual. Comparative data for the Company's peer group is also accumulated from a number of external sources including independent consultants. The Company's policy for determining salary for Executive Officers is consistent with the administration of salaries for all other Employees.

Annual Incentives

The Company has an Annual Incentive (cash bonus) Plan for the President and CEO (see "Employment Contract and Termination and Change of Control Benefits – *President and Chief Executive Officer*").

Long Term Compensation

The Company currently has no Long-term Incentive Plans, other than Share Options granted from time to time by the Board under the provisions of the Company's Share Option Plan.

Option-based Awards

The Compensation Committee and the Board believe that NEOs should have a stake in the Company's future and that their interests should be aligned with the interests of the Shareholders. As such, the Compensation Committee and the Board determine share option grants based on the NEO's position, performance and potential future contributions to the Company. The previous grants of share options are taken into account when considering new grants.

The table below sets forth the compensation excluding compensation securities of each NEO and of each director who is not a NEO during the fiscal years ended October 31, 2019 and 2018.

Keough, President and Chief Executive Officer of the Company, pursuant to which Ms. Keough agreed to perform all of the duties and responsibilities attaching to the offices of President and Chief Executive Officer of a listed public company and such other duties as may be assigned to her by the Board of Directors of the Company. In addition, Ms. Keough earned but declined the annual bonus for each of the fiscal years ended October 31, 2019, 2018, 2017, 2016, 2015, 2014, 2013, 2012, 2011 and 2010. The Company may terminate Ms. Keough for cause without notice or pay in lieu of notice. The employment agreement also terminates in the events of termination without cause, change of control or constructive dismissal (each a "Triggering Event") in which case the Company will immediately pay Ms. Keough a lump sum payment equal to three (3) times the current base salary, three (3) times the annual bonus earned (whether paid or not) for the most recently completed fiscal year, plus base salary and vacation pay entitlement earned but not paid out prior to the Triggering Event. Pension Plan Benefits

The Company does not have a pension plan or deferred compensation plan.

Directors' and Officers' Liability Insurance

The Company has a policy of insurance for its directors and officers. The aggregate limit of liability under the policy is \$5 million, inclusive of defence costs. Because the policy is subject to aggregate limits of liability, the amount of coverage may be diminished or exhausted by any claims made thereon. Also, continuity of coverage is contingent upon the availability of renewal insurance, or of replacement insurance without a retroactive date to limit coverage for prior wrongful acts.

Independent non-executive directors are not remunerated other than the benefits received, if any, from the granting of share options.

Aggregate Indebtedness

As of the date hereof and during the fiscal period ended October 31, 2019, there was no indebtedness owing to the Company in connection with the purchase of securities or other indebtedness by any current or former executive officers, directors or employees of the Company.

At no time during the fiscal year ended October 31, 2019, or at any time from October 31, 2019 to the date hereof, was a director, executive officer or senior officer of the Company, each proposed nominee for election as a director, and each associate of any such director, officer or proposed nominee indebted to the Company or whose indebtedness to another entity is, or at any time during the fiscal year ended October 31, 2019, or at any time from October 31, 2019 to the date hereof, been the subject of a guarantee, support agreement, letter of credit or other similar arrangement or understanding provided by the Company.

OTHER IMPORTANT INFORMATION

Corporate Governance

General

The Directors consider good corporate governance to be central to the effective and efficient operation of the Company. The business of the Company is supervised by its Board of Directors, directly and through its committees. The CSA require disclosure on an annual basis of the Company's corporate governance practices in accordance with National Instrument 58-101 – *Disclosure of Corporate Governance Practices*. The Company's corporate governance practices are set out below. The Company is monitoring changes

in the corporate governance area, and it intends to seek to adhere to the prevailing regulatory regime in force from time to time and other corporate governance “best practices” where appropriate.

The Board of Directors

The Board of Directors complies with all of the CSA Guidelines for Corporate Governance for Director Independence. The relationships of directors, their spouses, children and others are included in the determination of the extent of each director’s relationship with the Company. Directors are considered to be independent if they have no direct or indirect Material Relationship with the Company.

Two of three, or 67%, of the Company's current directors are independent. The two independent directors are Sharon E. Dowdall and Craig O. Reith. The non-independent director is Leni F. Keough, the President and Chief Executive Officer of the Company.

Directorship

Please see the "Director Nominees" table in this Management Proxy Circular for each director's biography, which includes details of other boards on which the Company's directors serve, including all public company directorships held by Directors in the last five years.

Orientation, Continuing Education and Reliance on External Consultants

The Board of Directors provide new directors with orientation, commensurate with their previous experience, on the Company’s properties, business, technology and industry and on the responsibilities of directors. In the future, as the Company’s business develops, the Board of Director meetings may also include presentations by the Company’s management and employees to give the directors additional insight into the Company’s business. The Board also relies on highly qualified technical consultants and experts to provide ongoing guidance and direction, including but not limited to their participation in board meetings, for its decisions relating to exploration programs.

Ethical Business Conduct

The Board of Directors is of the view that the fiduciary duties placed on individual directors by the Company’s governing corporate legislation and the common law, and the restrictions placed by applicable corporate legislation on an individual director’s participation in decisions of the Board of Directors in which the director has an interest, have been sufficient to ensure that the Board of Directors operates independently of management and in the best interests of the Company. The Company encourages and promotes ethical business conduct. The Board of Directors expects directors, officers and employees of the Company to act ethically at all times.

From time to time, matters may come before the Board of Directors where a director may have a conflict of interest. If and when such matters arise, that director will declare him or herself as having a conflict of interest and will not participate in the discussions and any vote on that matter. The Board of Directors also complies with all *Business Corporations Act* (Ontario) requirements with respect to conflicts of interest.

Nomination of Directors

The Board of Directors considers its size each year when it considers the number of directors to recommend to the Shareholders for election at the annual meeting of Shareholders, taking into account the number required to carry out the Board of Directors’ duties effectively and to maintain a diversity of views and experience.

The Board of Directors does not have a nominating committee, and these functions are currently performed by the Board of Directors as a whole. Board vacancies are filled by individuals who have expertise suitable for the scope of the Company's operations that complement the experience of the other members of the Board.

Compensation and Corporate Governance Committee

The Compensation and Corporate Governance Committee (the "**Committee**") has the general mandate to oversee and safeguard the human capital of the Company. It is responsible for reviewing and making recommendations to the Board of Directors with respect to the annual performance and compensation of the directors and the senior executives and evaluating risks in connection with compensation policies. It is also responsible for assisting the Board in fulfilling its corporate governance oversight responsibilities. The Committee has specific responsibilities relating to reviewing the Company's governance framework, activity and disclosure; the composition and performance of the Board and its committees, and reviewing compliance with the Company's Disclosure Policy and the Company's Code of Conduct.

Other Board Committees

The Board of Directors has no committees other than the Audit and Compensation and Corporate Governance Committees described above.

Assessments

The Board of Directors monitors the adequacy of information given to directors, communication between the Board of Directors and Management and the strategic direction and processes of the Board of Directors and committees. Annually, the Board of Directors approves corporate governance policies to further strengthen the Company's governance structure. The Company's Compensation and Corporate Governance Committee is responsible for overseeing the annual self-assessment of the effectiveness and contribution of (i) the Board as a whole (ii) each committee and (iii) each individual director. This annual qualitative self-assessment is based on questionnaires tailored to the specific responsibilities of each committee to which each director is asked to respond.

The Compensation and Corporate Governance Committee reviews the results of the questionnaires, prepares a summary thereof and will discuss and make recommendations to the Board in respect of specific actions to be taken in order to improve the effectiveness and contribution of the Board or committee as applicable. Once approved by the Board, the applicable terms of reference, stated objectives, procedures and/or guidelines will be updated and implemented.

2.2 Maximum Plan Shares

The maximum aggregate number of Plan Shares that may be reserved for issuance under the Plan at any point in time is 10% of the Outstanding Shares at the time Plan Shares are reserved for issuance as a result of the grant of an Option, less any Common Shares reserved for issuance under share options granted under Share Compensation Arrangements other than this Plan, unless this Plan is amended pursuant to the requirements of the TSX Venture Policies and, if applicable, the NEX Policies.

2.3 Eligibility

Options to purchase Common Shares may be granted hereunder to Service Providers from time to time by the Board. Directors who are not Employees will only be granted Options by or on the recommendation of a committee of Directors who are Independent as provided in §2.7(d) Service Providers that are not individuals will be required to undertake in writing not to effect or permit any transfer of ownership or option of any of its securities, or to issue more of its securities (so as to indirectly transfer the benefits of an Option), as long as such Option remains outstanding, unless the written permission of the TSX Venture and the Company is obtained.

2.4 Options Granted Under the Plan

All Options granted under the Plan will be evidenced by an Option Commitment in the form attached as Schedule A, showing the number of Optioned Shares, the term of the Option, a reference to vesting terms, if any, and the Exercise Price.

Subject to specific variations approved by the Board, all terms and conditions set out herein will be deemed to be incorporated into and form part of an Option Commitment made hereunder.

2.5 Limitations on Issue

Subject to 2.8, the following restrictions on issuances of Options are applicable under the Plan:

- (b) no Options can be granted under the Plan if the Company is on notice from the TSX Venture to transfer its listed shares to the NEX;

2.6 Options Not Exercised

2.7 Powers of the Board

The Board will be responsible for the administration of the Plan and the proper execution of its provisions, the interpretation of the Plan and the determination of all questions arising hereunder. Without limiting the generality of the foregoing, the Board has the power to

- (d) delegate all or such portion of its powers hereunder as it may determine to one or more committees of the Board, such committees to be comprised of Directors who

are Independent either indefinitely or for such period of time as it may specify, and thereafter each such committee may exercise the powers and discharge the duties of the Board in respect of the Plan so delegated to the same extent as the Board is hereby authorized so to do; and

- (b) any reduction in the Exercise Price of an Option.

ARTICLE 3

TERMS AND CONDITIONS OF OPTIONS

3.1 Exercise Price

The Exercise Price of an Option will be set by the Board at the time such Option is allocated under the Plan, and cannot be less than the most recent closing price on the TSX Venture Exchange as long as the price is not lower than the minimum price permitted by the TSX Venture.

3.2 Term of Option

An Option can be exercisable for a maximum of 10 years from the Effective Date.

3.3 Option Amendment

Subject to 2.8(b), the Exercise Price of an Option may be amended only if at least six (6) months have elapsed since the later of the date of commencement of the term of the Option, the date the Common Shares commenced trading on the TSX Venture, and the date of the last amendment of the Exercise Price.

An Option must be outstanding for at least one year before the Company may extend its term, subject to the limits contained in 3.2.

Any proposed amendment to the terms of an Option must be approved by the TSX Venture prior to the exercise of such Option.

3.4 Vesting of Options

Subject to 3.5, vesting of Options shall be in accordance with Schedule B attached hereto or otherwise, at the discretion of the Board, except that the Board may not waive vesting periods of any awards or accelerate Options except in the case of death, disability, retirement or Change of Control and will generally be subject to:

- (a) the Service Provider remaining employed by or continuing to provide services to the Company or any of its Affiliates as well as, at the discretion of the Board, achieving certain milestones which may be defined by the Board from time to time or receiving a satisfactory performance review by the Company or any of its Affiliates during the vesting period; or
- (b) the Service Provider remaining as a Director of the Company or any of its Affiliates during the vesting period.

3.5 Vesting of Options Granted to Consultants Conducting Investor Relations Activities

Notwithstanding 3.4, Options granted to Consultants conducting Investor Relations Activities will vest:

- (a) over a period of not less than 12 months as to 25% on the date that is three months from the date of grant, and a further 25% on each successive date that is three months from the date of the previous vesting; or
- (b) such longer vesting period as the Board may determine.

3.6 Optionee Ceasing to be Director, Employee or Service Provider

No Option may be exercised after the Service Provider has left his employ/office or has been advised by the Company that his services are no longer required or his service contract has expired, except as follows:

- (a) in the case of the death of an Optionee, any vested Option held by him at the date of death will become exercisable by the Optionee's lawful personal representatives, heirs or executors until the earlier of one year after the date of death of such Optionee and the date of expiration of the term otherwise applicable to such Option;
- (b) an Option granted to any Service Provider will expire within 90 days after the date the Optionee ceases to be employed by or provide services to the Company, but only to the extent that such Option has vested at the date the Optionee ceased to be so employed by or to provide services to the Company; and
- (c) in the case of an Optionee being dismissed from employment or service for cause, such Optionee's Options, whether or not vested at the date of dismissal will immediately terminate without right to exercise same.

3.7 Non Assignable

Subject to 3.8, all Options will be exercisable only by the Optionee to whom they are granted and will not be assignable or transferable.

3.8 Adjustment of the Number of Optioned Shares

The number of Common Shares subject to an Option will be subject to adjustment in the events and in the manner following:

- (a) in the event of a subdivision of Common Shares as constituted on the date hereof, at any time while an Option is in effect, into a greater number of Common Shares, the Company will thereafter deliver at the time of purchase of Optioned Shares hereunder, in addition to the number of Optioned Shares in respect of which the right to purchase is then being exercised, such additional number of Common Shares as result from the subdivision without an Optionee making any additional payment or giving any other consideration therefore;
- (b) in the event of a consolidation of the Common Shares as constituted on the date hereof, at any time while an Option is in effect, into a lesser number of Common Shares, the Company will thereafter deliver and an Optionee will accept, at the time of purchase of Optioned Shares hereunder, in lieu of the number of Optioned Shares in respect of which the right to purchase is then being exercised, the lesser number of Common Shares as result from the consolidation;
- (c) in the event of any change of the Common Shares as constituted on the date hereof, at any time while an Option is in effect, the Company will thereafter deliver at the time of purchase of Optioned Shares hereunder the number of shares of the appropriate class resulting from the said change as an Optionee would have been entitled to receive in respect of the number of Common Shares so purchased had the right to purchase been exercised before such change;
- (d) in the event of a capital reorganization, reclassification or change of outstanding equity shares (other than a change in the par value thereof) of the Company, a consolidation, merger or amalgamation of the Company with or into any other company or a sale of the property of the Company as or substantially as an entirety at any time while an Option is in effect, an Optionee will thereafter have the right to purchase and receive, in lieu of the Optioned Shares immediately theretofore purchasable and receivable upon the exercise of the Option, the kind and amount of shares and other securities and property receivable upon such capital reorganization, reclassification, change, consolidation, merger, amalgamation or sale which the holder of a number of Common Shares equal to the number of Optioned Shares immediately theretofore purchasable and receivable upon the exercise of the Option would have received as a result thereof. The subdivision or consolidation of Common Shares at any time outstanding (whether with or without par value) will not be deemed to be a capital reorganization or a reclassification of the capital of the Company for the purposes of this 3.8;
- (e) an adjustment will take effect at the time of the event giving rise to the adjustment, and the adjustments provided for in this section are cumulative;
- (f) the Company will not be required to issue fractional shares in satisfaction of its obligations hereunder. Any fractional interest in a Common Share that would, except

for the provisions of this 3.8, be deliverable upon the exercise of an Option will be cancelled and not be deliverable by the Company; and

- (g) if any questions arise at any time with respect to the Exercise Price or number of Optioned Shares deliverable upon exercise of an Option in any of the events set out in this 3.8, such questions will be conclusively determined by the Company's auditors, or, if they decline to so act, any other firm of Chartered Accountants, in Vancouver, British Columbia (or in the city of the Company's principal executive office) that the Company may designate and who will be granted access to all appropriate records. Such determination will be binding upon the Company and all Optionees.

ARTICLE 4

COMMITMENT AND EXERCISE PROCEDURES

4.1 Option Commitment

Upon grant of an Option hereunder, an authorized officer of the Company will deliver to the Optionee an Option Commitment detailing the terms of such Options and upon such delivery the Optionee will be subject to the Plan and have the right to purchase the Optioned Shares at the Exercise Price set out therein subject to the terms and conditions hereof.

4.2 Manner of Exercise

- (a) An Optionee who wishes to exercise his or her Option may do so by delivering:
 - (i) a written notice to the Company specifying the number of Optioned Shares being acquired pursuant to the Option; and
 - (ii) a certified cheque, wire transfer or bank draft payable to the Company for the aggregate Exercise Price by the Optioned Shares being acquired.
- (b) For any Options granted to an Optionee, the Company shall at its option and in its sole discretion have the authority to take reasonable steps for the deduction and withholding, or for the advance payment or reimbursement by the Optionee to the Company, of any amounts which the Company is required by law or regulation of any governmental authority whatsoever to withhold and/or remit in connection with this Plan, an Option Commitment, any grant or exercise of an Option, or any issuance or delivery of Optioned Shares. Without limiting the generality of the foregoing, the Company may:
 - (i) deduct and withhold additional amounts from other amounts owing or payable to an Optionee, whether or not such amount is related to the Plan or any Option Commitment;
 - (ii) require, as a condition of the issuance of the Optioned Shares to a Optionee that the Optionee make a cash payment to the Company equal to the amount required to be withheld and remitted by the Company for the account of the Optionee to the appropriate governmental authority. The Company may withhold the issuance or delivery of Optioned Shares until the Optionee makes such payment to the Company for an amount in the Company's opinion that would satisfy any and all such withholding amounts;
 - (iii) sell or cause a broker to sell on behalf of the Optionee, all or any portion of Optioned Shares otherwise deliverable to the Optionee upon exercise of an

Option in such manner, in such amounts and at such prices as the Company shall determine in its sole discretion, until the net proceeds of sale equal the amount which in the Company's opinion would satisfy any and all withholding obligations and other source deductions for the account of the Optionee, and shall remit such amount to the appropriate governmental authorities; and

- (iv) make any other arrangements that are acceptable to the Company to satisfy any and all withholding obligations and other source deductions for the account of the Optionee to the appropriate governmental authority.

Optioned Shares of an Optionee that are sold by the Company, or by a broker engaged by the Company under Section 4.2(b)(iii) will be sold on the TSX Venture (or NEX, if applicable). The Optionee consents to such sale and grants to the Company an irrevocable power of attorney to effect the sale of such Optioned Shares on his or her behalf and acknowledges and agrees that (i) the number of Optioned Shares sold shall be sufficient to fund the Company's withholding obligations net of all selling costs, which costs are the responsibility of the Optionee and which the Optionee hereby authorizes to be deducted from the proceeds of such sale; (ii) in effecting the sale of any such Optioned Shares, the Company or the broker will exercise its sole judgement as to the timing and the manner of sale and will not be obligated to seek or obtain a minimum price; (iii) neither the Company nor the broker will be liable for any loss arising out of any sale of such Optioned Shares including any loss relating to the manner or timing of such sales, the prices at which the Optioned Shares are sold, any delay in transferring any Optioned Shares to an Optionee or otherwise. The Optionee further acknowledges that the sale price of such Optioned Shares sold on behalf of the Optionee will fluctuate with the market price of the Common Shares and no assurance can be given that any particular price will be received upon any such sale.

4.3 Delivery of Certificate and Hold Periods

As soon as practicable after receipt of the notice of exercise described in 4.2 and payment in full for the Optioned Shares being acquired, the Company will direct its transfer agent to issue a certificate to the Optionee for the appropriate number of Optioned Shares. Such certificate issued will bear a legend stipulating any resale restrictions required under applicable securities laws. Further, if the Exercise Price is set below than the then current market price of the Common Shares on the TSX Venture, the certificate will also bear a legend stipulating that the Optioned Shares are subject to a four-month TSX Venture hold period commencing the date of the grant of the Option.

ARTICLE 5 GENERAL

5.1 Employment and Services

Nothing contained in the Plan will confer upon or imply in favour of any Optionee any right with respect to office, employment or provision of services with the Company, or interfere in any way with the right of the Company to lawfully terminate the Optionee's office, employment or service at any time pursuant to the arrangements pertaining to same. Participation in the Plan by an Optionee is voluntary.

5.2 No Representation or Warranty

The Company makes no representation or warranty as to the future market value of Common Shares issued in accordance with the provisions of the Plan or to the effect of the Income Tax Act (Canada) or any other taxing statute governing the Options or the Common Shares issuable thereunder or the tax consequences to a Service Provider. Compliance with applicable securities laws as to the disclosure and resale obligations of each Participant is the responsibility of each Participant and not the Company.

5.3 Interpretation

The Plan will be governed and construed in accordance with the laws of the Province of British Columbia.

5.4 Continuation of Plan

The Plan will become effective from and after April 30, 2004, and will remain effective provided that the Plan, or any amended version thereof receives Shareholder Approval at each annual general meeting of the holders of Common Shares of the Company subsequent to April 30, 2004.
