This Management Information Circular (the "Information Circular") is furnished in connection with the solicitation of proxies by the management of **JEMTEC INC.** (the "Company") for use at the Annual Meeting (the "Meeting") of the shareholders of the Company, to be held on Thursday, January 28, 2021 at 1:00 PM (Pacific Standard Time), and at any adjournments thereof.

PERSONS OR COMPANIES MAKING THE SOLICITATION

The enclosed Form of Proxy is solicited by management. Solicitations will be made by mail and possibly supplemented by telephone or other personal contact to be made without special compensation by regular officers and employees of the Company. The Company may reimburse shareholders' nominees or agents (including brokers holding shares on behalf of clients) for the cost incurred in obtaining authorization from their principals to execute the Form of Proxy. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Company. None of the directors of the Company have advised management in writing that they intend to oppose any action intended to be taken by management as set forth in this Information Circular.

APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the accompanying Form of Proxy are directors or officers of the Company. **A shareholder has the right to appoint a person to attend and act for him on his behalf at the Meeting other than the persons named in the enclosed Form of Proxy.** To exercise this right, a shareholder must strike out the names of the persons named in the Form of Proxy and insert the name of his nominee in the blank space provided, or complete another Form of Proxy. A proxyholder need not be a Registered Shareholder.

In order to be voted, the completed Form of Proxy must be dated and signed and must be deposited at the Company's transfer agent, Computershare Trust Company of Canada, 100 University Avenue, 8th Floor, Toronto, Ontario M5J 2Y1 (Attn: Proxy Department), at least 48 hours before the time of the Meeting or any adjournment thereof, excluding Saturdays, Sundays and holidays.

The Form of Proxy must be signed by the shareholder or by his duly authorized attorney. If signed by a duly authorized attorney, the Form of Proxy must be accompanied by the original power of attorney or a notarially certified copy thereof. If the shareholder is a corporation, the Form of Proxy must be signed by a duly authorized attorney, officer, or corporate representative, and must be accompanied by the original power of attorney or document whereby the duly authorized officer or corporate representative derives his power, as the case may be, or a notarially certified copy thereof. The Chairman of the Meeting has discretionary authority to accept proxies which do not strictly conform to the foregoing requirements.

In addition to revocation in any other manner permitted by law, a shareholder may revoke a proxy by (a) signing a proxy bearing a later date and depositing it at the place and within the time aforesaid, (b) signing and dating a written notice of revocation (in the same manner as the Form of Proxy is required to be executed as set out in the notes to the Form of Proxy) and either depositing it at the place and within the time aforesaid or with the Chairman of the Meeting on the day of the Meeting or on the day of any adjournment thereof, or (c) registering with the scrutineer at the Meeting as a shareholder present in person, whereupon such proxy shall be deemed to have been revoked. However, only registered shareholders have the right to revoke a proxy. Non-Registered Shareholders who wish to change their

vote must, at least 7 days before the Meeting arrange for their nominees to revoke the proxy on their behalf.

VOTING OF SHARES AND EXERCISE OF DISCRETION OF PROXIES

On any poll, the persons named in the enclosed Form of Proxy will vote the shares in respect of which they are appointed and, where directions are given by the shareholder in respect of voting for or against any resolution, will do so in accordance with such direction.

In the absence of any direction in the Form of Proxy, it is intended that such shares will be voted IN FAVOUR of the resolutions placed before the Meeting by management and FOR the election of the management nominees for directors and auditor, as stated under the headings in this Information Circular. The Form of Proxy enclosed, when properly completed and deposited, confers discretionary authority with respect to amendments or variations to the matters identified in the Notice of Meeting and with respect to any other matters which may be properly brought before the Meeting. At the time of printing of this Information Circular, management of the Company is not aware that any such amendments, variations or other matters are to be presented for action at the Meeting. However, if any such amendments, variations or other matters should properly come before the Meeting, the proxies hereby solicited will be voted thereon in accordance with the best judgement of the nominee.

NON-REGISTERED SHAREHOLDERS

Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Most shareholders of the Company are “non-registered” shareholders because the shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the shares. More particularly, a person is not a registered shareholder in respect of shares which are held on behalf of that person (the “Non-Registered Holder”) but which are registered either: (a) in the name of an intermediary (an “Intermediary”) that the Non-Registered Holder deals with in respect of the shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSP’s, RRIF’s, RESPs and similar plans); or (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited (“CDS”)) of which the Intermediary is a participant.

Non-Registered Holders who have not objected to their Intermediary disclosing certain ownership information about themselves to the Company are referred to as “NOBO’s”. Those Non-Registered Holders who have objected to their Intermediary disclosing ownership information about themselves to the Company are referred to as “OBO’s”.

In accordance with the requirements of National Instrument 54-101 of the Canadian Securities Administrators, the Company has elected to send the notice of meeting, this Information Circular and the proxy (collectively, the “Meeting Materials”) directly to the NOBO’s, and indirectly through Intermediaries to the OBO’s.

The Intermediaries (or their service companies) are responsible for forwarding the Meeting Materials to each OBO, unless the OBO has waived the right to receive them.

Meeting Materials sent to Non-Registered Holders who have not waived the right to receive Meeting Materials are accompanied by a request for voting instructions (a “VIF”). This form is instead of a proxy. By returning the VIF in accordance with the instructions noted on it a Non-Registered Holder is able to instruct the registered shareholder how to vote on behalf of the Non-Registered Shareholder. VIF’s, whether provided by the Company or by an Intermediary, should be completed and returned in accordance with the specific instructions noted on the VIF.

In either case, the purpose of this procedure is to permit Non-Registered Holders to direct the voting of the shares which they beneficially own. Should a Non-Registered Holder who receives a VIF wish to

attend the Meeting or have someone else attend on his/her behalf, the Non-Registered Holder may request a legal proxy as set forth in the VIF, which will grant the Non-Registered Holder or his/her nominee the right to attend and vote at the Meeting. **Non-Registered Holders should carefully follow the instructions set out in the VIF including those regarding when and where the VIF is to be delivered.**

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The Company is authorized to issue an unlimited number of common shares. On December 18, 2020, 2,774,679 common shares without par value were issued and outstanding. Holders of common shares are entitled to one vote for each common share held.

Only shareholders of record at the close of business on December 18, 2020, who either personally attend the Meeting or who complete and deliver a Form of Proxy in the manner and subject to the provisions set out under the heading "Appointment and Revocation of Proxies" will be entitled to have his or her shares voted at the Meeting or any adjournment thereof.

To the knowledge of the directors and executive officers of the Company, there is one executive officer and one shareholder who own beneficially, directly or indirectly, or exercise control or direction over, shares carrying more than 10% of the voting rights attached to all outstanding shares of the Company:

STATEMENT OF EXECUTIVE COMPENSATION

The Company wishes to attract and retain talented and experienced management and, as such, must consider the compensation packages offered by its industry peers. The Company also wishes to align management’s interests with those of its shareholders, and so has adopted a stock option plan (the “Plan”) allowing management to benefit from an increase in the Company’s share price. The Company seeks to maintain a reasonable balance between offering a competitive salary and an attractive stock option package but does not apply a precise formula in determining the appropriate mix. Other considerations affecting the amount and makeup of management compensation include the Company’s financial resources, its stage of development and plans for future growth and the time commitment of each individual officer to the Company’s affairs (full time versus part time).

Ultimately, it is the Board’s responsibility to fix and evaluate the appropriateness of each officer’s compensation. The Company’s process for determining executive compensation relies largely on the Board without any formal objectives, criteria and analysis. The final compensation paid is reached by negotiation with each individual officer. The Board believes this approach is appropriate given the Company’s size and means.

Summary Compensation Table

The following table presented in accordance with National Instrument Form 51-102F6 (“Statement of Executive Compensation” (“Form 51-102F6”)) sets forth all annual and long term compensation for services in all capacities to the Company for the three most recently completed financial years (to the extent required by Form 51-102F6) in respect of each of the individuals comprised of the Chief Executive Officer (“CEO”) and the Chief Financial Officer (“CFO”) as at July 31, 2020 and the other two most highly compensated executive officers of the Company as at July 31, 2020 whose individual total salary and bonus for the most recently completed financial year exceeded \$150,000 and any individual who would

Consistent with this function, the Audit Committee will encourage continuous improvement of, and should foster adherence to, the Company’s policies, procedures and practices at all levels. The Audit Committee’s primary duties and responsibilities are to:

The Audit Committee will:

SCHEDULE B

JEMTEC INC. CORPORATE GOVERNANCE DISCLOSURE

The following description of the corporate governance practices of the Company is provided further to National Instrument 58-101 on “Disclosure of Corporate Governance Practices” (“NI 58-101”) and the disclosure prescribed for “Venture Issuers” such as the Company.

1. Board of Directors

The Board presently consists of four members. The Board believes that a group of four directors is sufficiently large to allow for the breadth of experience critical to the Board’s understanding of the issues facing the Company, while still small enough to allow for effective decision-making.

The Guidelines emphasize the importance of the composition and independence of corporate boards. An “independent director”, as defined in the Guidelines, is a director who is independent of management and is free from any interest or relationship which could reasonably be perceived to materially interfere with the director’s ability to act in the best interests of the Company other than interests and relationships arising from shareholding. In applying such criteria to JEMTEC, three of the Company’s four directors are “independent”. Eric Caton, as the President and Chief Executive Officer is a related director.

With exception of the Chair of the Audit Committee who receives fixed compensation for the review of interim and annual financial reports, none of the other Directors work in the day-to-day operations of the Company, are parties to material contracts with the Company or receive fees from the Company, other than directors’ fees. The members of the Board of Directors have been chosen on the basis of their skill, expertise and experience in the operation of commercial enterprises, as well as their ability to actively contribute on the broad range of issues with which the Board of Directors must consider.

The Company does not have a detailed written description of powers and responsibilities of the members of management or the Board. The Board’s independent directors are of the view that no such descriptions are necessary in the Company’s circumstances. The non-management directors believe that their equal representation on the Board, their knowledge of the Company’s business and their independence are sufficient to facilitate the functioning of the Board independently of management.

2. Directorships

The following table sets out details of directorships held by each director or nominee in other public issuers:

<u>Name of Director</u>	<u>Other Reporting Issuers</u>
Jeremy Kendall	N/A
Gordon Baker	Stans Energy Corp.
Eric Caton	N/A
Leslie N. Markow	N/A

Board Mandate

The Board does not have a written mandate, however, the Board is aware that it is responsible for stewardship of the Company and engages with management of the Company in overseeing the Company’s affairs.

3. Orientation and Continuing Education

The Board ensures that each new nominee has the competencies, skills and personal qualities required to perform his duty properly, and management does provide informal orientation and education to new

directors respecting the history, business, corporate strategy, and current issues with the Company. However, the Board does not have any formal policies with respect to the orientation of new directors, nor does it take any measures to provide continuing education for the directors. At this stage of the Company's development, and having regard to the background and experience of its directors, the Board does not feel it necessary to have such policies or programs in place. The Board provides continuing education to the directors through open discussions at all meetings including discussion with the Company's management to give the remaining directors additional information on the Company's business.

4. Ethical Business Conduct

The Board of Directors has not adopted a formal written code of ethics. The Board expects that fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law, as well as provisions under corporate legislation for required disclosures by directors and senior officers to the Company of transactions with the Company in which they may have an interest and of any other conflicts of duties and interests, are sufficient to ensure that these persons conduct themselves in the best interests of the Company.

5. Nomination of Directors

The Board of Directors has not appointed a formal nominating committee and does not believe that such a committee is warranted at the present time. Any director is free to nominate individuals for election or appointment to the Board.

6. Director Compensation

The Board is of the view that the Company's present practice of compensating directors through the issuance of stock options and the payment of directors' fees, is appropriate in the Company's circumstances and effective in synchronizing the interests of the directors with those of the shareholders. The rate of compensation is determined by all board members.

The Board of Directors as a whole periodically reviews the adequacy and form of compensation of the directors and the President and CEO to ensure that the compensation realistically reflects the responsibilities and risks involved in being an effective director and officer, respectively.

The Board of Directors conducts reviews with regard to directors' compensation once a year. To make its recommendation on directors' compensation, the Board of Directors takes into account the types of compensation and the amounts paid to directors of comparable publicly traded Canadian companies and aligns the interests of Directors with the return to shareholders.

7. Other Board Committees

In addition to an Audit Committee, the Board of Directors has established a Compensation Committee.

Compensation Committee

The Compensation Committee is comprised of two independent Directors. The Compensation Committee meets from time to time as circumstances require. The Compensation Committee is responsible for making and reviewing recommendations from management and making recommendations to the Board for the appointment of persons to senior executive positions and compensation payable to such persons.

8. Assessments

The effectiveness of the Board of Directors as a whole, any committee of the Board and individual directors is assessed on an ongoing basis by both the Board and senior management.
