INFORMATION CIRCULAR FOR THE AUGUST 28, 2020 ANNUAL GENERAL AND SPECIAL MEETING OF SHAREHOLDERS

This information is given as of July 15, 2020 unless otherwise noted.

This Information Circular is furnished in connection with a solicitation of proxies on behalf of management for use at the Annual General and Special Meeting of holders (the “Shareholders”) of common shares (the “Shares”) of **CANADIAN SPIRIT RESOURCES INC.** (“CSRI” or the “Corporation”), to be held on Friday, August 28, 2020, at Suite 1200, 707 – 7th Avenue S.W., Calgary, Alberta, at 9:30 am (MDT) and at any adjournment or adjournments thereof (the “Meeting”) for the purposes set forth in the accompanying Notice of Annual General and Special Meeting of Shareholders appended hereto (the “Notice of Meeting”).

VOTING INFORMATION

Record Date for Notice of Meeting

The board of directors of the Corporation (the “Board”) has fixed July 29, 2020 as the record date for determining Shareholders entitled to receive the Notice of Meeting. A transferee of the Shares after such record date may, not later than 10 days before the Meeting, establish a right to vote by providing evidence of ownership of Shares and requesting that his or her name be placed on the voting list in place of the transferor.

Solicitation of Proxies

The solicitation of proxies from registered and beneficial Shareholders will be primarily by mail and may be supplemented by telephone, facsimile or other personal contact to be made, without special compensation, by the directors, executive officers and employees of the Corporation. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Corporation. Registered Shareholders will receive a form of proxy (“Proxy”) and beneficial Shareholders will receive a voting instruction form (“VIF”).

Delivery of Meeting Materials

The Corporation will mail the Notice of Meeting, Information Circular and Proxy or VIF (the “Meeting Materials”) to registered Shareholders and to beneficial Shareholders who have not objected to their brokers or their agents or nominees (collectively, the “Intermediaries”) disclosing certain address and ownership information about themselves to the Corporation. For beneficial Shareholders who have objected to the disclosure of ownership information but have not waived the right to receive the Meeting Materials, the Corporation has elected to deliver the Meeting Materials to the Intermediaries of such beneficial Shareholders with a request that such materials be promptly forwarded to the beneficial Shareholders.

Voting by Registered Shareholders

Registered Shareholders may vote in person at the Meeting or may give another person authority to vote at the Meeting on their behalf by appointing a proxyholder. Please vote, sign, date and return the Proxy in the envelope provided to Computershare Investor Services Inc., 8th Floor, 100 University Avenue, Toronto, Ontario M5J 2Y1, so that it arrives no later than 48 hours, excluding Saturdays, Sundays and holidays prior to the time of the Meeting. You may also cast your vote by telephone (1-866-732-VOTE (8683) Toll Free within North America, 312-588-4290 Direct Dial from outside North America), internet (www.investorvote.com), or smartphone (Scan the QR code) by following the instructions provided on the form. If you choose to vote by telephone, internet or smartphone, your vote must also be cast no later than 48 hours, excluding Saturdays, Sundays and holidays prior to the time of the Meeting. If you vote by proxy, using mail, telephone, internet, or smartphone, you may still attend the Meeting but may not vote again (see Revocability of Proxy herein).

Voting by Non-Registered (Beneficial) Shareholders

The information set forth in this section is of significant importance to a substantial number of Shareholders who do not hold their Shares in their own name. Shareholders who do not hold their Shares in their own name (referred to in this Information Circular as “Beneficial Shareholders”) should note that only proxies deposited by Shareholders whose names appear on the records of the Corporation as the registered holders of Shares (the “Registered Shareholders”) can be recognized and acted upon at the Meeting. If Shares are listed in an account statement provided to a Shareholder by a broker, then, in almost all cases, those Shares will not be registered in the Shareholder’s name on the records of the Corporation. Such Shares will more likely be registered under the name of the Shareholder’s broker or an agent of that broker. In Canada, the vast majority of such Shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities, which acts as nominee for many Canadian brokerage firms). Shares held by the Intermediaries can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. **Without specific instructions, brokers, agents and nominees are prohibited from voting Shares for the broker’s clients. Beneficial Shareholders should ensure that instructions respecting the voting of their Shares are communicated to the appropriate broker, agent or other person using a VIF.**

Meeting Materials sent to Beneficial Shareholders who have not waived the right to receive Meeting Materials are accompanied by a VIF. This form is used instead of a Proxy and its purpose is limited to instructing the Registered Shareholder as to voting. By returning the VIF in accordance with the instructions noted on it, a Beneficial Shareholder is able to instruct the Registered Shareholder how to vote on behalf of the Beneficial Shareholder. **VIFs, whether provided by the Corporation or by an Intermediary, should be completed and returned in accordance with the specific instructions noted on the VIF including those regarding when and where the VIF is to be delivered. In either case, the purpose of this procedure is to permit Beneficial Shareholders to direct the voting of the Shares which they beneficially own.**

Should a Beneficial Shareholder who receives a VIF wish to attend the Meeting or have someone else attend on his/her/its behalf, the Beneficial Shareholder may request a legal proxy as set forth in the VIF, which will grant the Beneficial Shareholder or his/her/its nominee the right to attend and vote at the Meeting.

Appointment of Proxyholder

A duly completed Proxy will constitute the person(s) named in the enclosed Proxy as the Shareholder’s proxyholder. The persons named in the accompanying Proxy for the Meeting are executive officers or directors of the Corporation (the “Management Proxyholders”). **A Shareholder has the right to appoint a person other than a Management Proxyholder to represent the Shareholder at the Meeting.**

A proxyholder is the person you appoint to act on your behalf at the Meeting and to vote your Shares. You may choose anyone to be your proxyholder – the person you choose does not have to be a Shareholder. If you are a Registered Shareholder, simply insert the person’s name in the blank space provided on the Proxy, or if you are a Beneficial Shareholder, then insert the name of your proxyholder on the VIF. You should ensure that this person is attending the Meeting and is aware that he or she has been appointed to vote your Shares. **If you do not insert a name in the blank space, then the Management Proxyholders, each of whom are directors or executive officers of CSRI, will be appointed to act as your proxyholder.**

Your appointed proxyholder is authorized to vote and act for you at the Meeting, including any continuation after an adjournment of the Meeting. You can indicate how you want your proxyholder to vote your Shares on the Proxy. Alternatively, you can let your proxyholder decide for you.

All Shares represented by properly executed and deposited Proxies will be voted or withheld from voting on the matters identified in the Notice of Meeting in accordance with the instructions of Shareholders as specified on the Proxy or VIF.

Exercise of Discretion by Proxyholders

All Shares represented by properly executed Proxies will be voted, and where a choice with respect to any matter to

be acted upon has been specified in the Proxy, the Shares represented by the Proxy will be voted for or against or withheld from voting on each respective matter in accordance with such specification, on any ballot that may be called for. **IF NO CHOICE IS SPECIFIED AND ONE OF THE MANAGEMENT PROXYHOLDERS IS APPOINTED THE PROXYHOLDER, SUCH SHARES WILL BE VOTED IN FAVOUR OF THE MATTERS PROPOSED AT THE MEETING AND FOR ALL OTHER MATTERS PROPOSED BY MANAGEMENT OF THE CORPORATION AT THE MEETING.** The enclosed Proxy confers discretionary authority upon the person named therein as proxyholder with respect to amendments or variations to matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting. At the date of this Information Circular, management of the Corporation knows of no such amendments, variations or other matters to come before the Meeting.

Revocability of Proxy

Any Shareholder who has submitted a Proxy may revoke it at any time before it has been exercised. In addition to revocation in any other manner permitted by law, a Proxy may be revoked by instrument in writing executed by the Registered Shareholder or by an attorney thereof authorized in writing or, if the Registered Shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized. The instrument revoking the Proxy must be deposited at the office of the Corporation, Suite 1520, First Alberta Place, 777 8th Avenue S.W., Calgary, AB T2P 3R5 at any time up to and including the last business day preceding the date of the Meeting, or any adjournment thereof, or with the chairman of the Meeting on the day of the Meeting. **Beneficial Shareholders who wish to revoke their Proxy must arrange for their respective Intermediaries/brokers to revoke the Proxy on their behalf within the time specified by such Intermediary/broker.**

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Other than as set forth herein, management of the Corporation is not aware of any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, of any person who has been a director or executive officer of the Corporation at any time since the beginning of the Corporation's last financial year, or of any nominee for election as a director, or of any associate or affiliate of any such persons, in any matter to be acted upon at the Meeting other than the election of directors.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The authorized capital of the Corporation is an unlimited number of Shares without par value. At a general meeting of the Corporation, on a show of hands, each Shareholder present in person has one vote, and on a poll, each Shareholder present in person or by proxy has one vote for each Share held. The Corporation has no other classes of voting securities.

For a meeting to be validly constituted, at least two persons, present in person or by proxy representing not less than 5% of the issued and outstanding Shares must be in attendance.

The record date, being the date upon which the Corporation determines the Shareholders entitled to receive notice of and to vote at the Meeting, is July 29, 2020. As at July 15, 2020, there were 196,177,583 Shares issued as fully paid and outstanding. The record refers to the share transfer register kept by Computershare Investor Services Inc. ("Computershare"), the Corporation's registrar and transfer agent. Those Shareholders desiring to be represented by proxy at the Meeting must either mail the completed Proxy or VIF to or deposit the same with, Computershare Investor Services Inc., 8th Floor, 100 University Avenue, Toronto, Ontario M5J 2Y1, or vote by telephone (1-866-732-VOTE (8683) Toll Free within North America, 312-588-4290 Direct Dial from outside North America), internet (www.investorvote.com), or smartphone (Scan the QR code) by following the instructions provided on the Proxy or VIF, so that instructions are received not less than 48 hours, excluding Saturdays, Sundays and holidays, prior to the time for the holding of the Meeting.

To the knowledge of the directors and executive officers of the Corporation, no individual nor corporate entity, as at July 15, 2020, beneficially owns directly or indirectly, or exercises control or direction over Shares carrying 10% or more of the voting rights attached to the outstanding Shares, except Elmag Investments Inc. which beneficially owns 92,481,126 Shares, being 47.14% of the issued and outstanding Shares.

MATTERS TO BE ACTED UPON AT THE MEETING

1. Financial Statements

The audited financial statements of the Corporation for the year ended December 31, 2019, report of the auditor and related management discussion and analysis (together, the “Financial Statements”) will be placed before the Meeting. No formal action will be taken at the Meeting to approve the Financial Statements.

2. Appointment of Auditors

The Board has recommended that PricewaterhouseCoopers LLP, Chartered Professional Accountants, be appointed as the auditors of the Corporation. PricewaterhouseCoopers LLP were first appointed as auditors of the Corporation on March 27, 2003.

It is the intention of the Management Proxyholders, if named as proxy, to vote in favour of the appointment of PricewaterhouseCoopers LLP, as the auditors of the Corporation for the ensuing year, unless the proxies are directed to be withheld from voting.

3. Fixing the Number of Directors

There are currently four (4) directors on the Board and it is proposed that the number of directors to be elected at the Meeting for the ensuing year be fixed at four (4). At the Meeting, the Shareholders will be asked to consider and, if thought fit, approve an ordinary resolution fixing the number of directors to be elected at the Meeting.

It is the intention of the Management Proxyholders, if named as proxy, to vote in favour of fixing the number of directors to be elected at four (4) unless otherwise directed.

4. Election of Directors

The directors of the Corporation are elected annually and hold office until the next meeting of the Shareholders or until their successors are appointed, unless their offices are earlier vacated.

The Board has adopted an individual voting standard for the election of directors. Under such individual voting standard, in the event that any nominee for election receives more “Withheld” votes than “For” votes at any meeting at which Shareholders vote on the uncontested election of directors, the Board will consider the result and, if deemed to be in the best interests of the Corporation and its Shareholders, may request that such nominee tender their resignation from the Board in a manner that facilitates an orderly transition. It is anticipated that any decisions necessitated in the circumstances outlined in this paragraph will be made within ninety (90) days and the Board may fill any vacancy created thereby.

The following table sets out the names of the persons proposed by management to be nominated for election as directors, their current positions with the Corporation, their past and present principal occupation(s), the dates upon which each first became a director of the Corporation and the number of Shares beneficially owned, or controlled or directed directly or indirectly, by such person as of July 15, 2020 (based on information furnished to the Corporation by the nominees):

For the purposes hereof, “order” means (a) a cease trade order, (b) an order similar to a cease trade order, or (c) an order that denied the relevant company access to any exemption under securities legislation that was in effect for a period of more than 30 consecutive days.

Bankruptcies

To the knowledge of management of the Corporation, no proposed director of the Corporation (a) is, as at the date hereof, or has been within the 10 years before the date hereof, a director or executive officer of any company (including the Corporation) that, while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets, or (b) has, within the 10 years before the date hereof, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of the proposed director.

5. Annual Approval of Stock Option Plan

At the Corporation's last Shareholders Meeting, held on May 29, 2019, the Shareholders approved the Corporation's current stock option plan (the "Option Plan"). Under the Option Plan, the Board may grant options exercisable for, up to 10% of the issued number of Shares outstanding at the date of a stock option grant. On this basis, the Option Plan is a "Rolling Plan", which must be approved by the Shareholders on an annual basis under the policies of the TSX Venture Exchange. Accordingly, Shareholders will be asked at the Meeting to vote on a resolution to approve the Option Plan, for the ensuing year, in the form attached as Appendix "B".

As at July 15, 2020, options for the purchase of 850,000 Shares were outstanding, representing 0.43% of the number of issued and outstanding Shares as at that date. The maximum number of Shares reserved for future options as at July 15, 2020 is 18,767,758 or 9.57% of the outstanding Shares as at that date (see **SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY COMPENSATION PLANS**).

It is the intention of the management designees, if named as designee, to vote in favour of the approval of the Option Plan, unless otherwise directed.

5. Other Matters

The management of the Corporation is not aware of any other matter to come before the Meeting other than as set forth in the Notice of Meeting. If any other matter properly comes before the Meeting or any adjournment thereof, it is the intention of the persons named in the enclosed Proxy to vote the Shares represented thereby in accordance with their best judgment on such matter.

STATEMENT OF EXECUTIVE COMPENSATION

For the purpose of this Information Circular, the executive compensation discussion and analysis is provided for all directors and Named Executive Officers ("NEOs"), as defined by the Canadian Securities Administrators' National Instrument 51-102F6V. The Corporation's NEOs include the Chief Executive Officer, the Chief Financial Officer and one additional executive officer whose total compensation, including share-based and option-based awards, in any of the past two fiscal years ending December 31, 2019 and 2018, is greater than \$150,000.

As such, within this Information Circular, references to the Corporation's NEOs refer to the executive officers named below:

Name	Principal Position(s)
J.R. Richard Couillard	President & Chief Executive Officer
Carrie L. Yuill	Vice President, Finance & Chief Financial Officer
Paul A. Smolarchuk	Vice President, Engineering & Operations

Oversight and Description of Director and Named Executive Officer Compensation

The Corporation's compensation philosophy is to maintain a competitive total compensation system that emphasizes and rewards performance and includes a fixed component appropriate for the Corporation's stage of development and the individual's level of responsibility.

Compensation policies and programs are designed to support the principal corporate purpose of shareholder return. The Corporation's total compensation objective is to attract, motivate and retain high quality directors and executive officers. The compensation program and its various components reflect current market conditions and practices in the Canadian junior oil and gas industry. Certain components of this compensation may vary with key measures of corporate results, thereby aligning executive officer interests with the interests of and the potential returns to the Corporation's shareholders.

The compensation package for executive officers, including the Chief Executive Officer, has three primary elements: (i) annual base salary; (ii) short-term incentive; and (iii) long-term incentive. Executive officers also participate in certain other benefits, such as general health, life, disability and medical reimbursement insurance plans, which are available to all employees. The base salary reflects competitive market salaries for the size and stage of development of the Corporation and the value an individual is expected to bring to the Corporation on an ongoing basis. The short-term incentive element is designed to reward achievements during a given year, and the long-term incentive serves to drive performance that reflects shareholder interests and provides rewards commensurate with investor returns.

The Board considers several factors when setting compensation for executive officers, including but not limited to, market data, individual performance and corporate performance. The Board does not rely solely on publicly available compensation data to determine appropriate compensation levels. In determining the appropriate compensation mix, consideration is given to the proportion of pay that should be at risk, based on the executive officer's ability to influence the Corporation's results, as well as the compensation mix for similar positions in the Canadian junior oil and gas sector.

The President & Chief Executive Officer reviews non-executive director compensation each year and makes recommendations to the Board for approval. Industry comparative data is considered in making a recommendation and if necessary, management has the authority to retain independent external consultants or counsel to review non-executive director compensation.

Directors who are not executive officers are partially compensated through periodic grants of stock options. The Corporation's policy is that all stock options granted to non-executive directors vest immediately as at the date of grant. Additionally, for 2019, certain non-executive directors received a \$4,000 cash retainer per quarter for their services on the Board. Services provided to certain special committees may be compensated at a rate of \$1,500 per member, per quarter. Directors who are executive officers receive no additional compensation for their service as directors.

In 2019, the compensation review and approval process of the Board was informal and relied heavily on the knowledge, experience and current participation of the directors in compensation matters at other junior oil and gas entities in Canada. The Board also concluded that the Corporation's compensation policies and practices do not create an environment where a NEO or individual is encouraged to take excessive risk. Therefore, it is unlikely that there will be risks arising from the Corporation's compensation policies and practices that are reasonably likely to have a material adverse effect on the Corporation.

Base Salary

The base salary provides an executive officer with a known and unconditional level of compensation and is set with consideration of corporate circumstances; individual responsibility, knowledge and experience; market competitiveness; and the contribution expected from each individual. Each year, the Board receives a compensation proposal from management and based on publicly available compensation data, personal knowledge and experience, approves appropriate adjustments, as needed.

Short-Term Incentive Program

Short-term incentive compensation consists of discretionary bonuses. The short-term incentive ensures that a portion of an executive's compensation varies with actual results in a given year. There were no short-term incentive bonuses approved by the Board for 2019.

Long-Term Incentive Program

The long-term incentive component of executive compensation is designed to ensure commonality of interests between management and Shareholders. This is accomplished by connecting Shareholder return and long-term compensation thus motivating executives to achieve long-range objectives that directly benefit Shareholders. Stock options reward executive officers for growth in the value of the Shares over the long term. This is a significant at-risk component of the total executive compensation program because stock options deliver value to an executive officer only if the share price is above the grant price at date of exercise. During 2019, there were no grants of stock options to NEOs.

Director and Named Executive Officer Compensation

The following table sets forth the compensation for the NEOs and directors for the year ended December 31, 2019 and for the preceding year:

Description of Long-Term Incentive Plans

The Corporation may grant, pursuant to the policies of the TSX Venture Exchange, incentive stock options to its directors, executive officers, employees, and consultants (the "Eligible Participants") in consideration of providing their services to the Corporation. No financial assistance is provided by the Corporation to optionees in connection with the exercise of stock options granted by the Corporation.

The Option Plan provides for a rolling maximum limit of options exercisable to acquire up to 10% of the outstanding Shares, as permitted by the policies of the TSX Venture Exchange. The number of Shares reserved for any one person may not exceed 5% of the outstanding Shares. The Board determines the price per Share and the number of Shares

that may be allotted to each director, executive officer, employee and consultant and all other terms and conditions of the options, subject to the policies of the TSX Venture Exchange.

Options may be exercisable for up to five years from the date of grant. Options may be exercised for a period of 30 days from the date of termination of employment or cessation of position with the Corporation, provided that if the cessation of office, directorship, consulting agreement or employment is by reason of death or disability, the options may be exercised for a period of 90 days from such event.

As of July 15, 2020, options to purchase 850,000 Shares were outstanding, representing 0.43 % of the issued and outstanding Shares.

The purpose of the Option Plan is to afford Eligible Participants with an opportunity to obtain a proprietary interest in the Corporation by permitting them to purchase Shares and to aid in attracting as well as retaining and encouraging the continued involvement of such persons with the Corporation. The Option Plan is administered by the Board. The Board will, from time to time, grant options to Eligible Participants under the Option Plan subject to the provisions of the Option Plan and subject to such additional conditions as may be established by the Board from time to time.

Pension Plan Benefits

The Corporation does not have a pension plan for NEOs or other employees and does not contribute to employee registered retirement savings plans.

Executive Employment Contracts and Change in Control Arrangements

Mr. Couillard has entered in an employment agreement with the Corporation effective July 7, 2014 and amended on June 17, 2015. Pursuant to the terms of this agreement, Mr. Couillard is entitled to: (i) an annual base salary, (ii) participation in an annual performance bonus program as determined by the Board, (iii) participation in all benefits plans, and (iv) the granting from time to time of stock options under the Option Plan. In the event of a change in control of the Corporation, Mr. Couillard has the right to terminate his employment within 90 days of the change in control and, upon termination, to receive: (i) his base salary for the reasonable notice period, (ii) an amount equal to 10% of his base salary for the reasonable notice period in lieu of benefits, and (iii) a bonus equal to the greater of his last annual performance bonus prorated for the portion of the current fiscal year plus the reasonable notice period, and \$25,000. The reasonable notice period is 12 months plus one additional month for each year of continuous service since July 7, 2014 to a maximum of 18 months. Upon a change in control all unvested stock options that vest on a time basis will vest.

Mr. Smolarchuk has entered in an employment agreement with the Corporation effective May 1, 2010. Pursuant to the terms of this agreement, Mr. Smolarchuk is entitled to: (i) an annual base salary, (ii) participation in an annual performance bonus program as determined by the Board, (iii) participation in all benefits plans, and (iv) the granting from time to time of stock options under the Option Plan. In the event of a change in control of the Corporation, Mr. Smolarchuk has the right to terminate his employment within 90 days of the change in control and, upon termination, to receive: (i) his base salary for the reasonable notice period, (ii) an amount equal to 10% of his base salary for the reasonable notice period in lieu of benefits, and (iii) a bonus equal to the greater of his last annual bonus and \$25,000. The reasonable notice period is 9 months plus one additional month for each year of continuous service since May 1, 2010 to a maximum of 18 months. Upon a change in control all unvested stock options will vest.

In the event of termination by the Corporation without cause, Messrs. Couillard and Smolarchuk would, at termination, be entitled to the same payments as set out above in the event of a change in control except that accelerated vesting of stock options occurs only to the extent that the scheduled vesting would have occurred within the reasonable notice period.

Upon a change in control all unvested stock options that vest on a time basis will vest and become exercisable. A change in control occurs when: (i) an acquisition by a person or associated group of persons of more than 50% of the outstanding Shares, or (ii) the sale of substantially all of the Corporation's assets, or (iii) a determination of a majority of incumbent independent directors of the Corporation that a change in control has occurred.

Assuming that a change-of-control event had occurred as at December 31, 2019, the incremental amounts payable to or earned by the NEOs who were employed on that date would have been:

Name & Principal Position(s)	Salary ⁽¹⁾ (\$)	Bonus (\$)	Benefits (\$)	Options ⁽²⁾ (\$)	Total (\$)
J.R. Richard Couillard President & CEO	235,125	-	16,200	-	256,152

8.2 Determinations by the Board as to what adjustments shall be made, and the extent thereof, shall be final, binding and conclusive. The Corporation shall not be obligated to issue fractional securities in satisfaction of any of its obligations hereunder.

9. Accelerated Vesting

9.1 In the event that certain events such as a liquidation or dissolution of the Corporation or a re-organization, plan of arrangement, merger or consolidation of the Corporation with one or more entities, as a result of which the Corporation is not the surviving entity, are proposed or contemplated, the Board may, notwithstanding the terms of this Plan or Stock Option Agreements issued hereunder (a) exercise its discretion, by way of resolution, to permit accelerated vesting of Options on such terms as the Board sees fit at that time, and (b) in the event of acceleration of vesting as referred to in (a), exercise its discretion, by way of resolution, to cause the Options to terminate after the end of the period of accelerated vesting on such terms as the Board sees fit at that time, even if such termination of the Options is prior to the normal Expiry Time of the Options. If the Board, in its sole discretion, determines that the Common Shares subject to any Option granted hereunder shall vest on an accelerated basis, all Participants entitled to exercise an unexercised portion of Options then outstanding shall have the right at such time, upon written notice

being given by the Corporation, to exercise such Options to the extent specified and permitted by the Board, and within the time period specified by the Board, which shall not extend past the Expiry Time.

9.2 Whenever the Corporation's shareholders receive a Take-over Bid, and the Corporation supports this bid, pursuant to which the offeror would, as a result of such Take-over Bid being successful, beneficially own in excess of 50% of the outstanding Common Shares of the Corporation, the Participant may exercise the Acceleration Right. The Acceleration Right shall commence on the date of mailing of the Board circular recommending acceptance of the Take-over Bid and end on the earlier of:

- (a) the Expiry Time, and
- (b) (i) in the event the Take-over Bid is unsuccessful, on the expiry date of the Take-over Bid; and (ii) in the event the Take-over Bid is successful, on the tenth (10th) day following the expiry date of the Take-over Bid.

At the time of the termination of the Acceleration Right, the original vesting terms of the Options shall be reinstated with respect to the Common Shares issuable thereunder which were not acquired by the holders of such Options pursuant to the terms thereof. Notwithstanding the foregoing, the Acceleration Right may be extended for such longer period as the Board may resolve.

9.3 In addition to the above, an Option may provide for acceleration of the vesting provisions contained therein upon other events of change of control of the Corporation, on such terms as the Board determines in its sole discretion at the time of the grant of the Option.

10. Decisions of the Board

All decisions and interpretations of the Board respecting the Plan or Options granted thereunder shall be conclusive and binding on the Corporation and the Participants and their respective legal personal representatives and on all directors, officers, employees and consultants of the Corporation who are eligible to participate under the Plan.

11. Ceasing to be a Director, Officer, Employee or Consultant

11.1 Subject to the terms of the applicable Stock Option Agreement, in the event of the Participant ceasing to be a director, officer, employee or consultant of the Corporation or a Subsidiary for any reason other than death or Permanent Disability, including the resignation or retirement of the Participant and the termination by the Corporation or a Subsidiary of the employment of the Participant, prior to the Expiry Time, such Option may be exercised as to such of the Common Shares in respect of which the Option has not previously been exercised (and as the Participant would have been entitled to exercise) at any time up to and including (but not after) the earlier of the Expiry Time and a date that is thirty (30) days following the effective date of such notice of resignation or retirement or a date that is thirty (30) days following the date notice of termination of employment is given by the Corporation or a Subsidiary, subject to such shorter period as may be otherwise specified in a Stock Option Agreement, whether such termination is with or without reasonable notice, after which date the Option shall forthwith expire and terminate and be of no further force or effect whatsoever.

11.2 In consideration of the Option hereby granted, in the event of the resignation or retirement of the Participant or the termination of employment by the Corporation without cause, the Participant hereby covenants not to sue the Corporation for damages arising from the loss of rights granted hereunder and releases the Corporation from any damages.

11.3 Notwithstanding the foregoing, in the event of termination for cause, such Option whether vested or unvested shall expire and terminate immediately at the time of delivery of notice of termination of employment for cause to the Participant by the Corporation or a Subsidiary and shall be of no further force or effect whatsoever as to the Common Shares in respect of which an Option has not previously been exercised. The Board shall, in the event of termination of employment of a Participant for cause, have the authority but not the obligation to grant the Participant a period of up to ten (10) days to exercise any vested and not previously exercised Option as at the date of such notice of termination for cause.

11.4 In the event of the death of a Participant on or prior to the Expiry Time, such Option may be exercised as to such of the Common Shares in respect of which such Option has not previously been exercised (and as the Participant would have been entitled to exercise) by the legal personal representatives of the Participant, at any time up to and including (but not after) the earlier of the Expiry Time and a date that is ninety (90) days from the date of death of

the Participant, subject to such shorter period as may be otherwise specified in a Stock Option Agreement, after which date the Option shall forthwith expire and terminate and be of no further force or effect whatsoever.

11.5 In the event of the Permanent Disability of a Participant on or prior to the Expiry Time, such Option may be exercised as to such of the Common Shares in respect of which such Option has not previously been exercised (and as the Participant would have been entitled to exercise) by the legal personal representatives of the Participant, at any time up to and including (but not after) the earlier of the Expiry Time and a date that is ninety (90) days from the date of Permanent Disability of the Participant, subject to such shorter period as may be otherwise specified in a Stock Option Agreement, after which date the Option shall forthwith expire and terminate and be of no further force or effect whatsoever.

11.6 Options shall not be affected by any change of employment of the Participant where the Participant continues to be employed by the Corporation or any of its Subsidiaries.

12. Transferability

All benefits, rights and options accruing to any Participant in accordance with the terms and conditions of the Plan shall not be transferable or assignable unless specifically provided herein or to the extent, if any, permitted by the Exchange.

13. Amendment or Discontinuance of Plan

13.1 Subject to paragraphs 13.3 and 13.4 below, the Board may, at any time and from time to time and for any reason, suspend or terminate the Plan or amend any of its provisions and the provisions of any Option granted pursuant to the Plan without the approval of the holders of the Common Shares, provided that no such suspension, termination or amendment may be made without:

- (a) obtaining any required approval of the Exchange; and
- (b) obtaining the consent or approval of the relevant Participant in the event that such amendment materially prejudices the rights of any Participant under any Option previously granted to the Participant.

13.2 Without limiting the generality of paragraph 13.1 above, the Board may, without approval of the holders of the Common Shares, make amendments to the Plan for any of the following purposes:

- (a) amendments of a “housekeeping” nature including, any amendment for the purpose of curing any ambiguity, defective provision, error or omission in the Plan or any Stock Option Agreement or to correct or supplement any provision of the Plan that is inconsistent with any other provision of the Plan or Stock Option Agreement;
- (b) changing the terms on which Options may be granted and exercised including, without limitation, the provisions relating to the Option Price, vesting, accelerated vesting, Option Period and the adjustments to be made pursuant to Article 8;
- (c) making any addition to or deletion or alteration of the provisions of the Plan that are necessary to comply with applicable law or the requirements of any applicable regulatory authority or the Exchange or, to the extent that such addition, deletion or alteration does not conflict with the provisions of this Article 13, that are reasonably necessary to allow Participants to receive fair and favourable tax treatment under relevant tax legislation; and
- (d) changing the provisions respecting the administration of the Plan.

13.3 Notwithstanding anything to the contrary contained in the Plan, approval of the holders of Common Shares must be obtained for an amendment to the Plan that would:

- (a) amend the number of Common Shares issuable;
- (b) modify the requirements as to eligibility for participation;

- (c) amend or expand the types of securities eligible to be granted or awarded;
- (d) add or amend a provision to provide financial assistance;
- (e) amend the amendment or discontinuance provisions;
- (f) result in a material dilution of the outstanding Common Shares;
- (g) result in a material additional benefit to eligible Participants;
- (h) remove or increase the participation limits per Article 4.4, of any Insider; or
- (i) require shareholder approval under applicable law including the rules, regulations and policies of the Exchange.

13.4 The approval of the disinterested holders of Common Shares must be obtained for an amendment to the Plan or any Option that would:

- (a) reduce the Option Price of an Option granted to an Insider; or
- (b) extend the Expiry Time of an Option granted to an Insider other than an automatic extension pursuant to paragraph 6.4 of the Plan.

14. Participants' Rights

14.1 A Participant shall not have any rights as a shareholder of the Corporation until the issuance of a certificate for Common Shares, upon the exercise of an Option or a portion thereof, and then only with respect to the Common Shares represented by such certificate or certificates.

14.2 Nothing in the Plan or any Option shall confer upon any Participant any rights to continue in the employ of the Corporation or any Subsidiary or affect in any way the right of the Corporation or any such Subsidiary to terminate the employment of the Participant at any time; nor shall anything in the Plan or any option be deemed or construed to constitute an agreement, or an expression of intent, on the part of the Corporation or any such Subsidiary to extend the employment of any Participant beyond the time such Participant would normally retire pursuant to the provisions of any present or future retirement plan of the Corporation or any Subsidiary, or beyond the time at which he would otherwise be retired pursuant to the provisions of any contract of employment with the Corporation or any contract of employment with the Corporation or any Subsidiary.

15. Proceeds from Exercise of Options

The proceeds from the sale of any Common Shares issued upon the exercise of Options shall be added to the general funds of the Corporation and shall thereafter be used from time to time for such corporate purposes as the Board may determine.

16. Tax Withholdings

The Corporation shall be entitled to withhold from any amount payable to a Participant, either under this Plan or otherwise, such amount as may be necessary so as to ensure that the Corporation is in compliance with the applicable provisions of any federal, provincial or local law relating to the withholding of tax or other required deductions. In the event that there are not sufficient cash amounts which the Corporation may withhold, it may withhold such number of Common Shares that are issuable on the exercise of an Option as it deems necessary and may sell such Common Shares at such price as it deems appropriate to raise the required funds to provide such withholdings.

17. Approvals

17.1 This Plan shall be subject, if applicable, to the approval of the Exchange or other regulatory body having jurisdiction at that time and, if so required thereby, to the approval of the shareholders of the Corporation.

17.2 Any Options granted prior to such approval and acceptance shall be conditional upon such approval and acceptance being given and no such Options may be exercised unless such approval and acceptance is given.

18. Government Regulation

18.1 The Corporation's obligation to issue and deliver Common Shares under any Option is subject to:

- (a) the satisfaction of all requirements under applicable securities laws in respect thereof and obtaining all regulatory approvals as the Corporation shall determine to be necessary or advisable in connection with the authorization, issuance or sale thereof;
- (b) the admission of such Common Shares to listing on any stock exchange on which such Common Shares may then be listed; and
- (c) the receipt from the Participant of such representations, warranties, agreements and undertakings as to future dealings in such Common Shares as the Corporation determines to be necessary or advisable in order to safeguard against the violation of the securities laws of any jurisdiction.

In this regard, the Corporation shall take all reasonable steps to obtain such approvals and registrations as may be necessary for the issuance of such Common Shares and for the listing of such Common Shares on the Exchange, in compliance with applicable Canadian securities laws. If any Shares cannot be issued to any Participant for whatever reason, the obligation of the Corporation to issue such Shares shall terminate and the Option Price paid to the Corporation will be returned to the Participant.

18.2 In the case of Options granted to Participants who are residents of the United States of America, their Stock Option Agreements will provide that Common Shares shall not be issued pursuant to the exercise of Options unless the exercise of such Option and the issuance and delivery of such Common Shares pursuant thereto shall comply with all relevant provisions of applicable securities law, including, without limitation, the United States Securities Act of 1933, the United States Securities and Exchange Act of 1934, as amended, applicable state laws, the rules and regulations promulgated thereunder, and the requirements of any stock exchange or consolidated stock price reporting system on which prices for the Common Shares are quoted at any given time. As a condition to the exercise of an Option, the Corporation may require the Participant to make certain representations and warranties at the time of exercise of the Option. The Participant is responsible for, and shall bear the costs of, obtaining the advice of United States legal counsel to ensure that an appropriate exemption is available and that the Participant is able to exercise such Options in compliance with applicable securities laws.

19. Costs

The Corporation shall pay all costs of administering the Plan.

20. Interpretation

This Plan shall be governed by and construed in accordance with the laws of the Province of Alberta.

21. Compliance with Applicable Law

If any provision of the Plan or any Option contravenes any law or any order, policy, by-law or regulation of any regulatory body or Exchange, then such provision shall be deemed to be amended to the extent required to bring such provision into compliance therewith.
