

CERTIFICATE OF QUALIFIED PERSON

- 1) I, Rick Kemp of #488-625 Howe Street, Vancouver, in the Province of British Columbia am a Professional Geoscientist, authored and am responsible for this report entitled "National Instrument 43-101 on the Bonaparte Gold Project", dated April 12, 2019.
- 2) I am a graduate of Lakehead University, Thunder Bay, Ontario with a B.Sc. degree in Geology (1981) with over 38 years mineral exploration experience including all aspects of the industry from project generation through implementation and report preparation for owners, clients and regulatory authorities. Since 1981 I have been responsible for international and domestic project development, examination, evaluation and reporting on a variety of mineral deposit types and commodities, supervision and management of exploration projects as well as client representation and government liaison. I have carried out numerous exploration programs on gold and polymetallic vein deposits in British Columbia, Northwest Territories and Ontario.
- 3) I am a registered member of the Association of Professional Engineers and Geoscientists of British Columbia, license number 20446.
- 4) I have visited the subject mining property of this report and am a "Qualified Person" in the context of and have read and understand National Instrument 43-101 and the Companion Policy to NI 43-101. This report was prepared in compliance with NI 43-101.
- 5) This report is based on numerous site visits to the property, the last of which was on September 1 to September 17, 2018.
- 6) As stated in this report, in my professional opinion the property is of potential merit and further exploration work is justified.
- 7) At the effective date of the technical report, to the best of my knowledge, information, and belief, the technical report contains all scientific and technical information that is required to be disclosed to make the technical report not misleading.
- 8) I am entirely independent, as defined in section 1.5 of National Instrument 43-101, of WestKam Gold Corp, any associated companies and the Bonaparte Gold property. I do not have any agreement, arrangement or understanding with WestKam Gold Corp and any affiliated company to be or become an insider, associate or employee. I do not own securities in WestKam Gold Corp or in any affiliated companies and my professional relationship is at arm's length as an independent consultant, and I have no expectation that the relationship will change.
- 9) I am not aware of any material fact or material change with respect to the subject matter of this technical report which is not reflected in this report, the omission to disclose which would make this report misleading. At the effective date of this report, to the best of my knowledge, information, and belief, the technical report, contains all scientific and technical information that is required to be disclosed to make the technical report not misleading.

Dated at Vancouver, British Columbia this 13th day of August, 2019,
