Notice and Access System

The Canadian Securities Administrators have adopted amendments to National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("NI 54-101") and National Instrument 51-102 *Continuous Disclosure Obligations* ("NI 51-102") that are intended to improve communications between reporting issuers and shareholders in the proxy voting process. The amendments came into force on February 11, 2013, and highlights include: (i) the introduction of a "notice-and-access" system for sending proxy-related materials to registered and beneficial owners of securities; (ii) enhanced disclosure requirements regarding the beneficial owner voting process; and (iii) simplifying the process for appointing beneficial owners of securities as proxy holders for the purposes of attending and voting at shareholder meetings.

Under the notice-and-access provisions, reporting issuers are permitted to deliver proxy-related materials by posting them on the system for electronic document analysis and retrieval ("SEDAR") under the profile of the Corporation as well as a website other than SEDAR and sending a notice package to registered and beneficial owners. The notice package must include: (i) the relevant form of proxy or voting information form; (ii) basic information about the meeting and the matters to be voted on; (iii) instructions on how to obtain a paper copy of the Information Circular and other material disclosure documents if applicable; and (iv) a plain-language explanation of how the notice-and-access system operates and how proxy-related materials can be accessed online. Where prior consent has been obtained, a reporting issuer can send this notice package to registered and beneficial owners electronically (eg. electronic mail). This notice package must be mailed to registered and beneficial owners from whom consent to electronic delivery has not been received.

Under the amended rules, the notice-and-access system can also be used by reporting issuers to deliver annual financial statements and corresponding management's discussion and analysis ("MD&A") required under NI 51-102. Consistent with the period of time within which a reporting issuer must fulfill requests for paper copies of proxy-related materials, any person using the notice-and-access system must ensure that proxy-related materials are on the non-SEDAR website for a period of one year from the date of posting.

The Corporation intends to use, to the fullest extent possible, notice-and-access for its proxy-related communications with Shareholders.

The Corporation will be sending proxy-related materials directly to non-objecting beneficial owners under NI 54-101 other than in respect of Shareholders that have requested to receive paper copies of the materials. For further information, please see "Advice to Beneficial Holders", below.

Computershare Trust Company of Canada ("Computershare"), the Corporation's transfer agent the approved intermediary for mailing proxy-related materials to registered owners.

Advice to Beneficial Shareholders

The information set forth in this section is of significant importance to many Shareholders, as a substantial number of Shareholders do not hold Common Shares in their own name. Shareholders who hold their Common Shares through their brokers, intermediaries, trustees or other persons, or who otherwise do not hold their Common Shares in their own name (referred to in this Information Circular as "Beneficial Shareholders") should note that only proxies deposited by Shareholders who appear as registered Shareholders on the records maintained by the Corporation's registrar and transfer agent will be recognized and acted upon at the Meeting. If Common Shares are listed in an account statement provided to a Beneficial Shareholder by a broker, those Common Shares will, in all likelihood, not be registered in the Shareholder's name. Such Common Shares will more likely be registered under the name of the Shareholder's broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the registration name for CDS Clearing and Depository Services Inc., which acts as nominee for many Canadian brokerage firms). Common Shares held by brokers (or their agents or nominees) on behalf of a broker's client can only be voted (for, against or withhold) at the direction of the Beneficial Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting shares for the broker's clients. **Therefore, each Beneficial Shareholder should ensure that voting instructions are communicated to the appropriate person well in advance of the Meeting.**

Existing regulatory policy and law requires brokers and other intermediaries to seek voting instructions from Beneficial Shareholders in advance of Shareholders' meetings. The various brokers and other intermediaries have their own mailing procedures and provide their own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. The form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is substantially similar to the Instrument of Proxy provided directly to registered Shareholders by the Corporation. However, its purpose is limited to instructing the registered Shareholder (i.e., the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. **A Beneficial Shareholder who receives a voting instruction form cannot use that form to vote Common Shares directly at the Meeting. The voting instruction form must be returned to Broadridge (or instructions respecting the voting of Common Shares must otherwise be communicated to Broadridge) well in advance of the Meeting in order to have the Common Shares voted. If you have any questions respecting the voting of Common Shares held through a broker or other intermediary, please contact that broker or other intermediary for assistance.**

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of his, her or its broker, a Beneficial Shareholder may attend the Meeting as proxy holder for the registered Shareholder and vote the Common Shares

in that capacity. **Beneficial Shareholders who wish to attend the Meeting and indirectly vote their Common Shares as proxy holder for the registered Shareholder should enter their own names in the blank space on the form of proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker.**

Notwithstanding the notice-and-access system, the Canada Business Corporations Act ("CBCA") subjects the Corporation to two additional requirements. First, the Corporation must deliver the annual financial statements to registered shareholders unless such registered shareholders inform the issuer in writing that they do not want a copy of the annual financial statements. A registered shareholder that does not waive the delivery of the annual financial statements must be provided with a written copy of such statements unless they provide written consent to electronic delivery. Second, the Corporation is required to deliver a printed copy of the Information Circular to a registered shareholder unless such shareholder provides written consent to electronic delivery. To ensure compliance with the CBCA, registered Shareholders will be mailed a copy of this Information Circular unless the Corporation has received written consent to the electronic delivery hereof.

All references to Shareholders in this Information Circular and the accompanying Instrument of Proxy and Notice of Meeting are to registered Shareholders unless specifically stated otherwise.

The Corporation will pay for the costs of Broadridge to deliver proxy-related materials to Beneficial Shareholders.

Solicitation of Proxies

This proxy circular is distributed within the framework of the solicitation by the management of the Corporation of proxies to be used at the Meeting. The Meeting will be held at the time and place and for the purposes specified in the notice of the annual and special meeting and any adjournment or postponements thereof. The solicitation of proxies will be done by mail and the cost will be borne by the Corporation. The form of proxy solicited by management is the form of proxy printed on WHITE paper.

In light of the current COVID-19 health measures, Shareholders are strongly encouraged to not attend the Meeting and to complete the enclosed form of proxy printed on WHITE paper and sent it to: Proxy Dept., Computershare Trust Company of Canada, 8th Floor, Proxy Department, 100 University Avenue, Toronto, Ontario, M5J 2Y1 or submit their vote via Internet Voting as described below no later than 7:30 a.m. MST, December 8, 2021. The persons named in the enclosed form of proxy as proxy are directors and/or officers of the Corporation. **Any Shareholder has the right to appoint a proxy to represent him or her at the Meeting other than the persons whose name appears as proxy in the enclosed form of proxy by striking out the names printed on the form of proxy and by inserting the name of the proxy of his, her choice in the blank space provided.** A person thus appointed as proxy need not be a shareholder of the Corporation. A person thus appointed as proxy can be revoked if the Shareholder attends the Meeting in person and applies therefore.

The persons named in the enclosed proxy will have discretionary authority with respect to any amendments or variations of the matters of business to be acted on at the meeting or any other matters properly brought before the meeting or any adjournment or postponement thereof, in each instance, to the extent permitted by law, whether or not the amendment, variation or other matter that comes before the meeting is routine and whether or not the amendment, variation or other matter that comes before the meeting is contested. **A non-registered shareholder who wishes to appoint another person to represent him at the Meeting shall carefully follow the instructions of his, her intermediary, including those regarding when and where to send the voting instruction form or proxy to be delivered with directions concerning the appointment of another person to represent him or her at the Meeting.**

Internet Voting

Shareholders may use the internet site at www.investorvote.com to transmit their voting instructions. Shareholders should have the form of proxy in hand when they access the website and will be prompted to enter their Control Number, which is located on the form of proxy. If Shareholders vote by internet, their vote must be received no later than 7:30 a.m. MST, December 8, 2021, or 48 hours prior to the time of any adjournment or postponement of the Meeting. **The website may be used to appoint a proxy holder to attend and vote on a Shareholder's behalf at the Meeting and to convey a Shareholder's voting instructions. Please note that if a Shareholder appoints a proxy holder and submits their voting instructions and subsequently wishes to change their appointment, a Shareholder may resubmit their proxy and/or voting direction, prior to the deadline noted above. When resubmitting a proxy, the most recently submitted proxy will be recognized as the only valid one, and all previous proxies submitted will be disregarded and considered as revoked, provided that the last proxy is submitted by the deadline noted above.**

Discretionary Powers Conferred by Proxies

The right to vote conferred by properly executed proxies in the accompanying form, duly signed on behalf of the persons designated therein shall be exercised on any ballot that may be called during the Meeting. Management of the Corporation agrees to respect the instructions given by the shareholder in the form of proxy. **If no instructions are given, the votes shall be cast in favour of the resolutions set forth in the Notice of Meeting. The enclosed form of proxy confers discretionary authority upon the persons named therein in respect of amendments to or variations of the matters identified in the Notice of Meeting and any other matters that may properly come before the Meeting, except for the election of directors.** At the date of this Information Circular, the Management of the Corporation is not aware of such amendments, or other items that may come before the Meeting. The Common Shares represented by the proxy will be voted or withheld from voting in accordance with the instructions of the Shareholder on any ballot that may be called for. If the Shareholder specifies a choice with respect to any matter to be acted upon, the Common

Shares will be voted accordingly.

Right of Revocation of Proxies

A Shareholder who grants a proxy may, at any time, revoke such proxy by filing a written notice, signed by the Shareholder or his or her attorney duly authorized in writing or, if the Shareholder is a legal entity, this written notice must be signed by an officer or duly authorized attorney and must be accompanied by a certified copy of the resolution authorizing the signature, either: (i) with the Registered Office of the Corporation, or with Computershare Trust Company of Canada, Proxy Department, 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1, no later than 7:30 a.m. MST on December 8, 2021, or in case of adjournment or postponement no later than 7:30 a.m. MST on the last business day preceding the day of resumption of the Meeting and at the same location, or (ii) with the Chairman of the Meeting on the day of the Meeting or the day of its resumption before the said Meeting starts.

Executive Compensation

For the purposes of Form 52-102F6, "Named Executive Officer" or "NEO" refers to the Chief Executive Officer, the Chief Financial Officer and the Corporation's most highly compensated executive officers, other than the Chief Executive Officer and the Chief Financial Officer, who were serving as executive officers as at the end of the most recently completed financial year and whose total compensation exceeded \$150,000. Based on the foregoing definition, during the year ended December 31, 2020, the Corporation had three NEOs:

Allison Radford, Chief Executive Officer ("CEO")
Peter J. Byrne, Executive Chairman ("EC")
Sarah Stelmack, Chief Financial Officer ("CFO")

Compensation Discussion and Analysis

The Corporation's compensation program is comprised of two primary elements: base salary and annual incentive plan; and option-based awards, in the form of participation in the Corporation's ("Stock Option Plan").

Base Salary/Annual Incentive

Although a formal process has not been adopted, as a general rule for establishing base salaries or consulting fees, the Board reviews competitive market data for each of the executive positions and determines placement at an appropriate level.

Compensation levels are typically negotiated with the candidate for the position prior to his or her selection as an executive officer. Salaries for the executive officers are reviewed annually to reflect external factors such as inflation as well as overall corporate performance and the executive's performance.

Beginning in 2015, the annual incentive is based on the officer's ability to achieve performance targets as set by the members of the Board on an annual basis. No annual incentive was approved or paid for 2016 - 2019. The annual incentive was approved and paid for 2020.

Option Based Awards

The Corporation has a Stock Option Plan for the granting of stock options to the directors, officers, employees and consultants. The purpose of granting such stock options is to assist the Corporation in compensating, attracting, retaining and motivating such persons. The allocation of options under the Stock Option Plan is determined by the Board which, in determining such allocations, considers such factors as previous grants to individuals, the Corporation's overall performance, share price performance, the business environment and labour market, the role and performance of the individual in question and, in the case of grants to non-executive directors, the amount of time directed to the Corporation's affairs.

The Corporation believes that participation by the NEOs in the Stock Option Plan aligns the interests of the NEOs with those of the Corporation's shareholders, as the NEOs are rewarded for the Corporation's performance.

General Discussion

Where NEOs receive other perquisites, they reflect competitive practices, business needs and objectives. The Corporation recognizes the need to provide compensation packages that will attract and retain qualified and experienced executives, as well as align the compensation level of each executive to that executive's level of responsibility. The objectives of base salary are to recognize market pay and acknowledge the competencies and skills of individuals. The objectives of the annual incentive plan in the form of cash payments are designed to add a variable component of compensation, based on corporate and individual performances for executive officers and employees. Incentive plan payments were granted in 2020. The total cash compensation amounts included herein includes all salary paid in 2020.

The CEO and the Board review the terms of the compensation arrangements for each NEO (other than the CEO). The Board, in the absence of the CEO, reviews the terms of the CEO's compensation arrangements.

The Corporation has no other forms of compensation, although payments may be made from time to time to arm's length individuals or companies that provide consulting services. No non-arm's length consulting contract was established for any person or company in the most recently completed year. In the case that a non-arm's length consulting contract is established in the future, the CEO is responsible to ensure the payments to such consultants are at competitive industry rates for work of a similar nature by reputable arm's length service providers.

The Board approves all changes to the compensation arrangements of the NEOs. It is the practice of the Board to establish compensation for board members in advance of annual meetings. This is to ensure that each new member of the Board as they assume office after each Annual General Meeting will not be charged with setting their level of compensation. NEO's are not paid any additional compensation if they are also elected to serve as members of the Board. The Corporation has not retained any third-party advisors to conduct compensation reviews of its competitors' pay levels and practices and has not used a benchmark tool to assess its executive compensation levels.

Option-Based Awards

Stock options are granted to provide an incentive to the directors, officers, employees and consultants of the Corporation to achieve the longer-term objectives of the Corporation; to give suitable recognition to the ability and industry of such persons who contribute materially to the success of the Corporation; and to attract and retain persons of experience and ability, by providing them with the opportunity to acquire an increased proprietary interest in the Corporation. Previous grants of incentive stock options are taken into account when considering new grants.

The objectives of the Stock Option Plan are to reward achievement of long-term financial and operating performance and focus on key activities and achievements critical to the ongoing success of the Corporation. Implementation of a new incentive Stock Option Plan and amendments to the existing stock option plan is the responsibility of the Board of Directors. The CEO, EC and CFO declined stock options in the most recently completed year, however, management may be entitled to receive option-based awards, if considered, approved and granted by the Board, in future years.

National Instrument 58-101 Disclosure of Corporate Governance Practices (“NI 58- 101”) which came into force on June 30, 2005, set out a series of guidelines for effective corporate governance. The following describes the Corporation’s approach to corporate governance respecting Form 58-101 F2 of NI 58-101 for the venture issuers such as the Corporation.

Board Mandate:

The Board is responsible for the overall stewardship of the Corporation. It may delegate certain duties and responsibilities to committees and management and reserve certain powers to itself. Nevertheless, it has plenary power over the affairs of the Corporation.

Composition of the Board of Directors:

The current Board is comprised of four directors. Two of the four directors, Mr. Peter J. Byrne and Mrs. Allison Radford are not independent within the meaning of NI 58-101 because of their Officer duties for the Corporation (Mr. Byrne is the EC and Mrs. Radford is the CEO). Mr. Frank Coleman and Mr. Robert Normandeau, are both independent within the meaning of NI 58-101. It is proposed at the Meeting that the Board be comprised of five directors and if approved by Shareholders, Messrs. Coleman, Normandeau and Armoyan will be considered independent within the meaning of NI 58-101.

Diversity:

The Company believes that employing and engaging a diverse workforce improves the organization's success with a wide array of experiences, skills, talents and knowledge. The Company recognizes the benefits of creating and maintaining a diverse and inclusive culture within our workforce. While opportunities are primarily based on experience, performance, skill and merit, consideration is given to diversity and designated groups in all aspects of employment. For clarity, “designated groups” are women, Aboriginal Peoples, persons with disabilities and members of visible minorities.

Currently, our Board includes one woman, which represents 25% of the current Board members. There are two Executive Officers of the Company that are women, representing 67% of Executive Officers.

At the administrative head office, 86% of staff are members of designated groups. 71% are women; 7% are Aboriginal Peoples; 14% are members of visible minorities; 14% are persons with disabilities.

At our retail stores, approximately 76% are members of designated groups. Approximately; 73% are women; 17% are Aboriginal Peoples; 5% are members of visible minorities; 12% are persons with disabilities.

The Company is drafting a written policy for the identification and nomination of members of a designated group for Executive Officers and Board appointments. The Board will review the representation of designated groups in 2022 to determine if the current composition accomplishes ideal diversity or if additional targets are necessary. Annually, the Board will review its composition and consider, among other matters, the diversity

of the Board. Management and the Board will take a similar approach for the recruitment of Executive Officers. The Company has not adopted a term limit policy for Directors, as we see term limits as having a negative impact on the continuity and experience of the Board. Currently, the Company continues to favour recruitment and promotion based on abilities and contributions.

The following current directors of the Corporation are or have been named officers, directors and/or trustees of other issuers:

Ethical Business Conduct:

The Corporation does not have a written code of ethics for the directors and officers. Directors with an interest in a material transaction are required to declare their interest and abstain from voting on such transaction. All board members have the relevant experience which fosters a culture of ethical business conduct and some were also directors of other issuers.

Nomination of Directors:

The Corporation does not have a Nominating Committee. The current size of the Board allows the entire Board to take responsibility for finding and nominating new directors.

Compensation Committee:

The Board does not have a Compensation Committee. All decisions and determinations of the Administrators respecting the Plan shall be binding and conclusive on the Plan and Participants (and their legal personal representatives).

4. Grant of Options

The Administrators may from time to time designate Participants to whom options ("Options") to purchase common shares of the Corporation ("Shares") may be granted and the number of Shares to be optioned to each, subject to the following requirements (and subject to such additional restrictions and limitations as the Exchange Policies may impose or the Administrators may determine from time to time):

- (a) the aggregate number of Shares reserved for issuance to Directors is 1,250,000 Shares;
- (b) the aggregate number of Shares reserved for issuance to Officers, Employees and Consultants is 1,250,000 Shares;
- (c) the aggregate number of Shares reserved for issuance on exercise of all Options issued under the Plan at any given time shall not exceed 10% of the number of Outstanding Shares;
- (d) the Shares reserved for issuance to any one Participant (other than a Consultant) in a 12-month period shall not exceed 2% of the number of Outstanding Shares;
- (e) the Shares reserved for issuance to any one Consultant in a 12-month period shall not exceed 2% of the number of Outstanding Shares;
- (f) no Options may be granted to any person providing Investor Relation Activities, promotional or other market-making services;
- (g) the Shares that are reserved for issuance on exercise of Options granted pursuant to this Plan that are cancelled, terminated or expire in accordance with the terms of the Plan prior to the exercise of all or a portion thereof shall be available for a subsequent grant of Options pursuant to this Plan;
- (h) all Option grants pursuant to this Plan shall be subject to the Exchange Policies; and
- (i) no fractional Shares may be purchased or issued under the Plan.

5. Option Agreements

A written agreement will be entered into between the Corporation and each Participant to whom an Option is granted hereunder, which agreement will set out the number of Shares subject to Option, the Exercise Price, provisions as to vesting and expiry and any other terms approved by the Administrators, all in accordance with the provisions of this Plan. The agreement will be in such form as the Administrators may from time to time approve or authorize the officers of the Corporation to enter into and may contain such terms as may be considered necessary in order that the Option will comply with this Plan, any provisions respecting Options in the income tax or other laws in force in any country or jurisdiction of which the person to whom the Option is granted may from time to time be a resident or citizen, and the rules of any regulatory body having jurisdiction over the Corporation.

6. Option Term

- (a) The period during which an Option is exercisable shall, subject to the provisions of the Plan requiring acceleration of rights of exercise, be such period as may be determined by the Administrators at the time of grant, provided that no Option may be exercised beyond three years from the date of grant.
- (b) Notwithstanding Section 6 (a), the Options which were issued in April 2008 to each of Frank J. Coleman in the amount of 357,137 Shares, Robert Normandeau in the amount of 357,137 Shares, Brian Luborsky in the amount of 357,137 Shares, and Kenneth Chalmers in the amount of 178,589 Shares are exercisable, subject to provisions of the Plan requiring acceleration of rights of exercise and as determined by the Administrators at the time of the grant, provided that no Option may be exercised beyond five years from the date of grant.
- (c) Should the expiration date for an Option granted to any Participant fall within a Black Out Period or within nine Business Days following the expiration of a Black Out Period, the expiration date for such Option shall be automatically extended without any further act or formality to that date which is the 10th Business Day after the end of the Black Out Period, such 10th Business Day to be considered the expiration date for such Option for all purposes under the Plan. Notwithstanding anything else herein contained, the 10th Business Day period referred to in this Section 6 may not be extended by the Administrators.

7. Exercise Price

Subject to the Exchange Policies, the exercise price (the "Exercise Price") of any Option shall be fixed by the Administrators when such Option is granted, provided that such price shall not be less than an Exercise Price established in accordance with the TSX Venture Exchange Policy 4.4. The Corporation must obtain disinterested shareholder approval for any reduction in the Exercise Price of an Option that is held by an Insider of the Corporation.

In order to encourage the early exercise of options granted under the Plan, the Administrators may implement an approach whereby they establish multiple conversion prices (an "**Escalating Exercise Price Mechanism**") for a single grant of options, provided however, that each such grant is in accordance with the terms of this Plan with each conversion price set on the date of grant at a level that (i) equals or exceeds the Discounted Market Price, and (ii) is approved by the Exchange in advance as required by Exchange Policies. By way of example and for greater clarity, the Administrators may grant options that have an exercise price set at the Discounted Market Price during the first 365 days following the grant, an exercise price set at the Discounted Market Price plus 7.5% during the next 365 days (days 366- 730 from the date of grant) and an exercise price set at the Discounted Market Price plus 15% during the final 365 days (days 731- 1,095 from the date of grant).

In the event that an Escalating Exercise Price Mechanism has been established for any options and a Change of Control shall occur, then all options that vest on an accelerated basis in accordance with the terms of Section 8 of the Plan shall be exercisable at the price in effect under the terms of the Escalating Exercise Price Mechanism, measured as at the date that the Change of Control is publicly announced.

8. Vesting

The Administrators may, in their sole discretion, determine the time during which Options shall vest and the method of vesting, acceleration of vesting (including, without limitation, in the case of a takeover bid), or that no vesting restriction shall exist. Notwithstanding the foregoing, all Options granted to Participants prior to Completion of the Qualifying Transaction shall automatically vest on Completion of the Qualifying Transaction.

In the event that Change of Control shall occur, all unvested issued and outstanding options shall vest immediately.

9. Exercise of Option

Subject to the Plan, a Participant (or his or her legal personal representative) may exercise from time to time by delivery to the Corporation, at its head office or as otherwise set out in the option agreement, of a written notice of exercise specifying the number of Shares with respect to which the Option is being exercised and accompanied by payment in full of the purchase price of the Shares then being purchased. Upon exercise of the Option, the Corporation will cause to be delivered to the Participant a certificate or certificates, representing such Shares in the name of the Participant or the Participant's legal personal representative.

10. Transferability

All benefits, rights and options accruing to a Participant hereunder shall be non-assignable and non-transferable unless specifically provided herein and may not be made subject to execution, attachment or similar process otherwise than by will or the laws of descent and distribution.

11. Alteration in Shares

Appropriate adjustments, as regards Options granted or to be granted, in the number of Shares that are available for purchase and/or in the purchase price for such Shares under the Plan and to the maximum number of Shares available for issuance under the Plan shall be made by the Administrators, acting reasonably, to give effect to the number of Shares of the Corporation resulting from subdivisions, consolidations or reclassifications of the Shares, the payment of stock dividends by the Corporation (other than cash dividends) or other changes in the capital stock of the Corporation that the Administrators may, in their discretion, consider relevant for purposes of ensuring that the rights of the Participants are not prejudiced thereby (including amalgamations, mergers, reorganizations, liquidations and similar material transactions). Upon any such adjustments being made, the Participant shall be bound by such adjustments and shall accept the terms of such Options in lieu of the Options previously outstanding.

12. Ceasing to be an Eligible Person

(a) Each Option shall provide that:

- (i) upon the occurrence of an Event of Termination, the right of the relevant Participant to exercise Options that have become exercisable (i.e. vested) shall cease immediately without taking into account any notice or severance period to which the Participant may be entitled whether by contract or at law;

- (ii) upon the occurrence of an Event of No Fault Termination, the Options granted to the relevant Participant that have become exercisable (i.e. vested) shall terminate on the date prescribed by the Administrators, which date shall be the earlier of (i) the expiry time on the expiry date of such Option; and (ii) the expiry time on the date that is: (A) 90 days following the date of the Event of No Fault Termination (which date shall be calculated without reference to any notice or severance period to which the Participant may be entitled whether by contract or at law); (B) one calendar year from the date of the Event of No Fault Termination if the Event of No Fault Termination is the death of the Participant; and
 - (iii) upon the occurrence of an Event of Termination or Event of No Fault Termination, all Options granted to the relevant Participant that are not then exercisable (i.e. not vested) shall terminate immediately.
- (b) Notwithstanding any other provision of this Plan, Options granted prior to Completion of the Qualifying Transaction to any Participant that does not continue as a director, officer, Consultant or Employee of the Resulting Issuer (as defined in the Exchange Policies), shall terminate on the date that is the later of (i) 12 months after Completion of the Qualifying Transaction, and (ii) 90 days after the Participant ceases to become a director, officer, technical consultant or Employee of the Resulting Issuer.

13. Regulatory Authorities Approvals

The Plan shall be subject to the approval, if required, of the Exchange. Any Options granted prior to such approval shall be conditional upon such approval being given and no such Options may be exercised unless such approval, if required, is given.

14. Amendments to and Administration of the Plan

- (a) The provisions of this Plan (including without limitation, the form of certificate evidencing the Options or any instrument to be executed pursuant to the Plan) may be amended at any time and from time to time without the consent of the Participants or other Eligible Persons upon the approval of the Administrators, in its sole and absolute discretion, including, without limitation, as follows:
- (i) amendments of a "housekeeping" nature, including, without limitation, any amendment for the purpose of curing any ambiguity, error or omission in the Plan, or to correct or supplement any provision of the Plan that is inconsistent with any other provision of the Plan;
 - (ii) amendments necessary to comply with the provisions of applicable law or the applicable Exchange Policies;
 - (iii) amendments to the vesting provisions of any Option;
 - (iv) amendments to the termination provisions of any Option that does not entail an extension beyond the original expiration date;

- (v) amendments to the definition of Eligible Persons or otherwise relating to the eligibility of any Participant;
 - (vi) amendments respecting the administration of the Plan;
 - (vii) amendments necessary to suspend or terminate the Plan; and
 - (viii) any other amendment, fundamental or otherwise, not requiring shareholder approval under applicable laws or applicable Exchange Policies, provided however, that the Administrators will not, without the approval of the shareholders of the Corporation, amend the Plan in any manner that requires shareholder approval, and no amendment to the Plan may be made without obtaining the consent of the Participant if such amendment would adversely alter or impair the existing rights of such Participant in respect of Options granted to, or Shares that have been acquired under the Plan prior to the date of such amendment by, such Participant; and if applicable, obtaining any required regulatory approval to such amendment.
- (b) The Plan, as amended, shall govern the rights and obligations of the Corporation and the Participants with respect to all then outstanding Options.

15. Termination of Plan

The Administrators may suspend, discontinue or terminate this Plan at any time without the consent of the Participants or other Eligible Persons, in the Administrators sole and absolute discretion. If the Plan is so suspended, discontinued or terminated, no further Options shall be granted, but the Options then outstanding shall continue in full force and effect in accordance with the provisions of this Plan.

16. Shares Duly Issued

Shares issued upon the exercise of an Option granted hereunder will be validly issued and allotted as fully paid and non-assessable upon receipt by the Corporation of the Exercise Price therefor in accordance with the terms of the Option and the issuance of Shares thereunder will not require a resolution or approval of the Board of Directors of the Corporation.

17. Miscellaneous

- (a) *Grants to Participants.* If Options are granted to an Employee, Consultant or Management Company Employee, the Corporation represents that such person is a *bona fide* Employee, Consultant or Management Company Employee, as the case may be, and is otherwise eligible to participate under the Plan, at the time such Options are granted.
- (b) *Compliance with Statutes and Regulations.* The granting of Options and the sale and delivery of Shares under this Plan shall be carried out in compliance with applicable statutes and with the regulations of governmental authorities and applicable stock exchanges, including without limitation, statutory "hold" periods for the distribution of securities pursuant to applicable securities laws. If the Administrators determine in their discretion that, in order to comply with any such statutes or regulations, certain action is necessary or desirable as a condition of or in connection with the granting of an Option or the issue or purchase of Shares under an Option, that Option may not be exercised in whole or in part unless that action shall have been completed in a manner satisfactory to the Administrators.

- (c) *Right to Employment or Other Relationship.* Nothing in the Plan or any Option (including, without limitation, the selection of any person as a Participant and the granting of any Option) shall: (i) confer upon any person any right to continue in the employ of the Corporation or any subsidiary thereof; (ii) be construed, interpreted or otherwise deemed to be a guarantee of any such right; or (iii) affect in any way the right of the Corporation or any subsidiary thereof to discharge, terminate or otherwise cease his or her employment or relationship with the Corporation or any subsidiary, as the case may be, at any time for any reason whatsoever, with or without cause.
- (d) *Application of Policies.* Notwithstanding any other provision of the Plan, each Participant shall be subject to the terms and restrictions contained in the Corporation's policies on trading of securities of the Corporation, including without limitation, any applicable Black Out Period, as same may be instated, amended, modified, supplemented, replaced or restated from time to time, in connection with any withdrawal, sale, disposition or other transfer of Shares under the Plan.
- (e) *Rights of Participants.* No person entitled to exercise any Option granted under this Plan shall have any of the rights or privileges of a shareholder of the Corporation or any of its subsidiaries in respect of any Shares upon exercise of any such Option until such Shares have been paid for in full and issued to such person in accordance with the Plan. Participation in the Plan by a Participant shall be voluntary.
- (f) *Rights to Issue Other Securities.* The Corporation shall not by virtue of this Plan or any Options be in any way restricted from declaring and paying stock dividends, issuing further Shares or other securities, varying or amending its share capital or corporate structure or conducting its business in any way whatsoever.
- (g) *No Liability.* None of the Corporation, any member of the Board of Directors or committee thereof, or any officer, agent, representative or advisor to the Corporation shall be liable to any Participant for any loss resulting from (i) a decline in the market value of any Shares purchased by a Participant pursuant to the Plan, (ii) any change in the market price of the Shares between the date of grant and the time of purchase of the Shares pursuant to any such grant and/or (iii) any exercise of discretion by the Board of Directors or such committee of the Board of Directors to whom the Board of Directors delegates its powers hereunder.
- (h) *Successor Corporation.* The Plan applies without any further formality or action to any corporation resulting from the amalgamation of the Corporation with one or more other corporations.
- (i) *Currency.* Unless otherwise specified, all references to amounts of money in the Plan refer to Canadian currency.
- (j) *Governing Law.* The Plan, and any and all determinations made and actions taken in connection with the Plan, shall be governed by and construed in accordance with the laws of the province of Ontario and the federal laws of Canada applicable therein.
- (k) *Subject to Approval.* To the extent a provision of the Plan requires regulatory approval which is not received, such provision shall be severed from the remainder of the Plan until the
