XIMEN MINING CORP.

INFORMATION CIRCULAR

(Containing information as at May 28, 2018 unless indicated otherwise)

SOLICITATION OF PROXIES

This Information Circular is furnished in connection with the solicitation of Proxies by the Management of the Company for use at the Annual General Meeting (the "Meeting") of the shareholders of XIMEN MINING CORP. (the "Company") to be held at the time and place and for the purposes set forth in the accompanying Notice of Meeting, and at any adjournment thereof. It is expected that the solicitation will be primarily by mail. Proxies may also be solicited personally by officers of the Company. The cost of solicitation will be borne by the Company.

GENERAL PROXY INFORMATION

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. In accordance with National Instrument 54-101 of the Canadian Securities Administrators, arrangements have been made with brokerage houses and other intermediaries, clearing agencies, custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of the voting common shares in the capital of the Company (the "Shares") held on a record by such persons and the Company may reimburse such persons for reasonable fees and disbursements incurred by them in so doing. All costs of this solicitation will be borne by the Company.

APPOINTMENT OF PROXYHOLDER

The individuals named in the accompanying form of proxy are directors of the Company (the "Management Nominees"). **A SHAREHOLDER WISHING TO APPOINT SOME OTHER PERSON (WHO NEED NOT BE A SHAREHOLDER) TO REPRESENT HIM AT THE MEETING HAS THE RIGHT TO DO SO, EITHER BY STRIKING OUT THE NAMES OF THE MANAGEMENT NOMINEES NAMED IN THE ACCOMPANYING FORM OF PROXY AND INSERTING THE DESIRED PERSON'S NAME IN THE BLANK SPACE PROVIDED IN THE FORM OR PROXY OR BY COMPLETING ANOTHER FORM OF PROXY.** A proxy will not be valid unless the completed and executed form of proxy is received by Computershare Investor Services Inc., Proxy Department, 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1, Attention: Proxy Department, not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time fixed for the Meeting or before the time that the Meeting is to be reconvened following any adjournment thereof.

REVOCAION OF PROXIES

In addition to revocation in any other manner permitted by law, a registered shareholder who has given a proxy may revoke it by either executing a proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the registered shareholder or the registered shareholder's authorized attorney in writing, or, if the shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized, and by delivering the proxy bearing a later date to **COMPUTERSHARE INVESTOR SERVICES INC., 100 UNIVERSITY AVENUE, 8TH FLOOR, TORONTO, ON M5J 2Y1** or to the Company's head office at 888 Dunsmuir Street, Suite 888, Vancouver, B.C., V6C 3K4 at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the last business day that precedes any reconvening thereof, or to the Chairman of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law. In addition, a proxy may be revoked by the registered shareholder personally by attending the Meeting and voting the registered shareholder's Shares. A revocation of a proxy will not affect a matter on which a vote is taken before the

revocation.

REGISTERED SHAREHOLDERS

If you are a registered Shareholder (a “**Registered Shareholder**”), you may elect to submit a proxy whether or not you are able to attend the Meeting in person. Registered Shareholders electing to submit a proxy may do so by:

- (a) completing, dating and signing the enclosed form of proxy and returning it to the Company’s transfer agent, Computershare Investor Services Inc., by mail or by hand to the 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1, Attention: Proxy Department;
- (b) deposited to the office of the company, at 888 Dunsmuir Street, Suite 888, Vancouver, B.C., V6C 3K4, at least 48 hours before the time of the meeting or any adjournment thereof, excluding Saturdays, Sundays and holidays.

Registered Shareholders must follow the instructions that appear on the screen and refer to the enclosed form of proxy for the holder’s account number and the proxy control number; in all cases ensuring that the proxy is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof at which the proxy is to be used.

ADVANCE TO BENEFICIAL HOLDERS OF SHARES

The information set forth in this section is of significant importance to many shareholders of the Company, as a substantial number of shareholders do not hold Shares in their own name. Shareholders who do not hold their Shares in their own name (referred to in this Information Circular as “Beneficial Shareholders”) should note that only proxies deposited by shareholders whose names appear on the records of the Company as the registered holders of Shares, or as set out in the following disclosure, can be recognized and acted upon at the Meeting.

If Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Shares will not be registered in the Shareholder's name on the records of the Company. Such Shares will more likely be registered under the names of the Shareholder's broker or an agent of that broker. In the United States, the vast majority of such Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of shareholders’ meetings. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

There are two kinds of Beneficial owners - those who object to their name being made known to the issuers of securities which they own (called “OBOs” for “*Objecting Beneficial Owners*”) and those who do not object to the issuers of the securities they own knowing who they are (called “NOBOs” for “*Non-Objecting Beneficial Owners*”).

The Company is availing itself under National Instrument 54-101 for the Company to deliver proxy-related materials directly to its NOBOs. As a result NOBOs can expect to receive a Voting Instruction Form (“VIF”) from our transfer agent, COMPUTERSHARE INVESTOR SERVICES INC., 100 UNIVERSITY AVENUE, 8TH FLOOR, TORONTO, ON M5J 2Y1. The VIF is to be completed and returned to the transfer agent in the envelope provided, or a NOBO has the option to submit their proxy vote in the manner described on the VIF. The transfer agent shall tabulate the results of the voting on the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the Shares represented by those VIFs.

These securityholder materials are sent to both registered and non-registered owners of the securities of the Company. If you are a non-registered owner, and the Company or its agent sent these materials directly to you, your name, address and information about your holdings of securities, were obtained in accordance with applicable securities regulatory requirements from the intermediary holding securities on your behalf.

By choosing to send these materials to you directly, the Company (and not the intermediary holding securities on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in your request for voting instructions.

Beneficial Shareholders who are OBOs should follow the instructions of their intermediary carefully to ensure that their Shares are voted at the Meeting.

The form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is similar to the form of proxy provided to registered shareholders by the Company. However, its purpose is limited to instructing the registered shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions Inc. ("Broadridge") in the United States and in Canada. Broadridge mails a VIF in lieu of the form of proxy provided by the Company. The VIF will name the same persons as the proxy to represent the Beneficial Shareholder at the Meeting, and that person may be the Beneficial Shareholder themselves. A Beneficial Shareholder has the right to appoint a person (who need not be a Beneficial Shareholder of the Company) other than the persons designated in the VIF, to represent the Beneficial Shareholder at the Meeting. To exercise this right, the Beneficial Shareholder should insert the name of the desired representative in the blank space provided in the VIF. The completed VIF must then be returned to Broadridge by mail, in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Shares to be represented at the Meeting. **A Beneficial Shareholder receiving a VIF from Broadridge cannot use it to vote Shares directly at the Meeting - the VIF must be returned to Broadridge, as the case may be, well in advance of the Meeting in order to have the Shares voted.** Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Shares registered in the name of his broker (or agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxyholder for the Registered Shareholder and vote the Shares in that capacity. Beneficial Shareholders who wish to attend at the Meeting and indirectly vote their Shares as proxyholder for the registered shareholder should enter their own names in the blank space on the instrument of proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

Alternatively, Beneficial Shareholders may request in writing that their broker send to them a legal proxy which would enable them to attend at the Meeting and vote their Shares.

VOTING OF PROXIES

The Shares represented by a properly executed proxy in favour of Management Nominees as proxyholders in the accompanying form of proxy will:

- (a) be voted or withheld from voting in accordance with the instructions of the person appointing the proxyholder on any ballot that may be taken; and
- (b) where a choice with respect to any matter to be acted upon has been specified in the form of proxy, be voted in accordance with the specification made in such proxy.

ON A POLL SUCH SHARES WILL BE VOTED AS DIRECTED BY MANAGEMENT OF THE COMPANY FOR EACH MATTER FOR WHICH NO CHOICE HAS BEEN SPECIFIED OR WHERE BOTH CHOICES HAVE BEEN SPECIFIED BY THE SHAREHOLDER.

The enclosed form of proxy when properly completed and delivered and not revoked confers discretionary authority upon the person appointed proxy thereunder to vote with respect to amendments or variations of matters identified in the Notice of Meeting, and with respect to other matters which may properly come before the Meeting. In the event that amendments or variations to matters identified in the Notice of Meeting are properly brought before the Meeting or any further or other business is properly brought before the Meeting, it is the intention of the persons designated in the enclosed form of proxy to vote in accordance with their best judgment on such matters or business. At the time of the printing of this Circular, the management of the Company knows of no such amendment, variation or other matter which may be presented to the Meeting.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

None of the directors or executive officers of the Company, nor any person who has held such a position since the beginning of the last completed financial year end of the Company, nor any proposed nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than the election of directors and as set out herein.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The Board of Directors of the Company has fixed May 28, 2018 as the record date (the "Record Date") for determination of persons entitled to receive notice of the Meeting. Only shareholders of record at the close of business on the Record Date who either attend the Meeting personally or complete, sign and deliver a form of proxy in the manner and subject to the provisions described above will be entitled to vote or to have their Shares voted at the Meeting.

As of May 28, 2018, the Company had outstanding 23,138,187 fully paid and non-assessable Shares without par value, each carrying the right to one vote.

To the knowledge of the directors and senior officers of the Company, there are no persons or companies who beneficially own, directly or indirectly, or exercise control or direction over, shares carrying more than 10% of the voting rights attached to all outstanding shares of the Company, except Christopher R. Anderson who owns 3,117,729 Shares, representing 13.48% of the voting rights attached to all outstanding shares of the Company.

FINANCIAL STATEMENTS

The audited financial statements for the year ended June 30, 2017, the report of the auditor, together with the management's discussion and analysis can be found on www.sedar.com.

VOTES NECESSARY TO PASS RESOLUTIONS

A simple majority of affirmative votes cast at the Meeting is required to approve the resolutions described herein. A special resolution is a resolution passed by a majority of not less than two-thirds (2/3rds) of the votes cast by the shareholders who, being entitled to do so, voted in person or by proxy at the Meeting. If there are more nominees for election as directors or appointment of the Company's auditor than there are vacancies to fill, those nominees receiving the greatest number of votes will be elected or appointed, as the case may be, until all such vacancies have been filled. If the number of nominees for election or appointment is equal to the number of vacancies to be filled, all such nominees will be declared elected or appointed by acclamation.

RECOMMENDATION OF THE BOARD

The Board of Directors (the "Board") unanimously recommends that Shareholders vote IN FAVOUR OF all resolutions.

ELECTION OF DIRECTORS

The size of the Board of Directors of the Company is currently determined at five (5). The board proposes that the number of directors be at five (5). Shareholders will therefore be asked to approve an ordinary resolution that the number of directors elected be fixed at five (5).

The term of office of each of the current directors will end at the conclusion of the Meeting. Unless the director's office is earlier vacated in accordance with the provisions of the British Columbia *Business Corporations Act* or the Articles of the Company, each director elected will hold office until the conclusion of the next annual general meeting of the Company, or if no director is then elected, until a successor is elected.

Notes:

- 1) The information as to province or state and country of residence and principal occupation, not being within the knowledge of the Company, has been furnished by the respective directors individually.
- 2) The information as to Common Shares beneficially owned or over which a director exercises control or direction, not being within the knowledge of the Company, has been furnished by insider reports filed on SEDI and by the respective directors and/or nominees themselves.

None of the proposed nominees for election as a director of the Company are proposed for election pursuant to any arrangement or understanding between the nominee and any other person, except the directors and senior officers of the Company acting solely in such capacity.

IT IS INTENDED THAT THE SHARES REPRESENTED BY PROXIES IN FAVOUR OF MANAGEMENT NOMINEES WILL BE VOTED FOR THE ELECTION OF SUCH NOMINEES. MANAGEMENT DOES NOT CONTEMPLATE THAT ANY OF SUCH NOMINEES WILL BE UNABLE TO SERVE AS DIRECTORS. HOWEVER, IF FOR ANY REASON, ANY OF THE PROPOSED NOMINEES DO NOT STAND FOR ELECTION OR ARE UNABLE TO SERVE AS SUCH, PROXIES IN FAVOUR OF MANAGEMENT DESIGNEES WILL BE VOTED FOR ANOTHER NOMINEE IN THEIR DISCRETION UNLESS THE SHAREHOLDER HAS SPECIFIED IN HIS PROXY THAT HIS SHARES ARE TO BE WITHHELD FROM VOTING IN THE ELECTION OF DIRECTORS.

No proposed director (including any personal holding company of a proposed director):

- (a) is, as at the date of this Circular, or has been, within the preceding 10 years, a director, chief executive officer or chief financial officer of any company (including the Company) that
 - (i) was the subject of an order while the proposed director was acting in the capacity as director, chief executive officer or chief financial officer; or

- (ii) any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable securityholder in deciding whether to vote for a proposed director.

STATEMENT OF EXECUTIVE COMPENSATION

Named Executive Officers

For the purposes of this Circular, a named executive officer (“**Named Executive Officer**” or “**NEO**”) of the Company means each of the following individuals:

- (a) a chief executive officer (“**CEO**”) of the Company;
- (b) a chief financial officer (“**CFO**”) of the Company;
- (c) each of the Company’s three most highly compensated executive officers of the Company including any of its subsidiaries, or the three most highly compensated individuals acting in a similar capacity, other than the CEO and CFO, at the end of the most recently completed financial year whose total compensation was individually, more than \$150,000, as determined for the June 30, 2017 financial year; and
- (d) each individual who would be an NEO under paragraph (c) above but for the fact that the individual was neither an executive officer of the Company or its subsidiaries, nor acting in a similar capacity, at June 30, 2017.

Compensation Discussion and Analysis

The purpose of this Compensation Discussion and Analysis is to provide information about the Company’s executive compensation objectives and processes and to discuss compensation decisions relating to its NEOs listed in the Summary Compensation Table that follows. During the three most recent fiscal years ended June 30, 2017, 2016 and 2015, the following individuals were NEOs or former NEOs of the Company, namely:

Christopher R. Anderson, Director, President and Chief Executive Officer (from December 4, 2013 to present)

Nicolette Keith, CFO (from May 17, 2018 to present)

Zeny Manalo, Former CFO (from January 27, 2015 to January 1, 2018)

Patrick Forseille, Former CFO (from December 17, 2012 to January 27, 2015)

Compensation Objectives and Principles

The primary goal of the Company’s executive compensation program is to attract and retain the key executives necessary for the Company’s long term success, to encourage executives to further the development of the Company and its operations, and to motivate top quality and experienced executives. The key elements of the executive compensation program are: (i) base salary; (ii) potential annual incentive award; and (iii) incentive stock options. The directors are of the view that all elements of the total program should be considered, rather than any single element.

Compensation Process

The Company does not have a formal compensation program with set benchmarks nor has the Board formally considered the implications of the risks associated with the Company’s compensation policies and practices. The Company relies solely on its Board, through discussion without any formal objectives, criteria or analysis,

in determining the compensation of its executive officers. The Board is responsible for determining all forms of compensation, including long-term incentive in the form of stock options, to be granted to the Named Executive Officers of the Company and to the directors, and for reviewing the recommendations respecting compensation for any other officers of the Company from time to time, to ensure such arrangements reflect the responsibilities and risks associated with each position. When determining the compensation of its officers, the Board considers: (i) recruiting and retaining executives critical to the success of the Company and the enhancement of shareholder value; (ii) providing fair and competitive compensation; (iii) balancing the interests of management and the Company's shareholders; and (iv) rewarding performance, both on an individual basis and with respect to operations in general.

Share-Based and Option-Based Awards

The Company does not have any share-based incentive awards. Long-term incentive in the form of options to purchase Shares of the Company are intended to align the interests of the Company's directors and its executive officers with those of its shareholders, to provide a long term incentive that rewards these individuals for their contribution to the creation of shareholder value, and to reduce the cash compensation the Company would otherwise have to pay. The Company's Stock Option Incentive Plan (the "**Plan**") is administered by the Board. In establishing the number of the incentive stock options to be granted to the NEOs, reference is made to the number of stock options granted to officers of other publicly-traded companies that, similar to the Company, are involved in the mining industry, as well as those of other publicly-traded Canadian companies of a comparable size to that of the Company in respect of assets. The Board also considers previous grants of options and the overall number of options that are outstanding relative to the number of outstanding Shares in determining whether to make any new grants of options and the size and terms of any such grants, as well as the level of effort, time, responsibility, ability, experience and level of commitment of the executive officer in determining the level of incentive stock option compensation. See "*Incentive Plan Awards – Outstanding Share-Based and Option-Based Awards*" below, as well as "*Approval of the Stock Option Plan*" for a description of the Company's Plan, and "*Securities Authorized for Issuance under Equity Compensation Plans*".

On May 7, 2018, the Board approved the form of restricted stock unit plan RSU Plan (as defined below) for adoption by the Company. The RSU Plan is designed to provide Eligible Person (as defined below) of the Company and its related entities with the opportunity to acquire RSUs (as defined below) of the Company, thereby allowing an Eligible Person to participate in the long-term success of the Company thus promoting the alignment of an Eligible Person's interests with the Shareholders. Shareholders are asked to consider and, if thought fit, to approve an ordinary resolution approving and ratifying the RSU Plan as more particularly described in this Information Circular and to authorize the Directors to make modifications thereto in accordance with the RSU Plan and the policies of the TSX Venture Exchange. See "*Particulars of Matters to be Acted upon – Approval of the RSU Plan*" for a description of the Company's RSU Plan.

Benefits and Perquisites

The Company's Named Executive Officers do not receive any benefits or perquisites.

The Company has not placed a restriction on the purchase by its NEOs or other employees of financial instruments (including prepaid variable forward contracts, equity swaps, collars or units of exchange funds) that are designed to hedge or offset a decrease in the market value of equity securities granted as compensation or held, directly or indirectly, by the NEO or employee. To the Company's knowledge, none of the NEO's have purchased such financial instruments.

Summary Compensation Table

The following table sets forth all direct and indirect compensation for, or in connection with, services provided and for services to be provided by the NEOs to the Company for the three most recently completed financial years ended June 30, 2017, 2016 and 2015.

Notes:

- 1) This column does not reflect the current value of the stock options or the value, if any, that may be realized if and when the stock options are exercised. The fair value of the option-based awards was determined on the grant date using the Black-Scholes option pricing model. The Company uses the Black-Scholes option pricing model because it is a widely used and generally accepted method of estimating the fair value of stock options for accounting purposes.
- 2) Paid to a company controlled by Christopher R. Anderson for management services.
- 3) Paid to Patrick Forseille for management services and for geological and technical services. Mr. Patrick Forseille was appointed on December 17, 2012 and resigned on January 27, 2015.
- 4) Ms. Zeny Manalo was appointed on January 27, 2015 and passed away on January 1, 2018.
- 5) Nicolette Keith was appointed on May 17, 2018.

Pension Plan Benefits and Deferred Compensation Plans

The Company does not have a pension plan or provide any benefits following or in connection with retirement.

Termination of Employment, Change in Responsibilities and Employment Contracts

The Company entered into a five year agreement with its Director, President and Chief Executive Officer, Christopher Anderson in December, 2016 (the “**2016 Agreement**”), for consulting services to the Company for consideration of \$15,000 (plus applicable taxes) plus auto and reimbursement of all traveling and direct expenses incurred. Termination of these agreements may occur by virtue of a Change of Control in the Company either through a corporate acquisition by another public Company or the purchase in the public stock markets of no less than 25% ownership in the Company. Both of the aforementioned situations will be defined as a Change of Control. Upon the occurrence of a Change of Control, Mr. Anderson shall have the right, by providing written fifteen day notice of termination of the 2016 Agreement, and will be entitled to payment of severance equal to no less than two years then current annualized compensation. Payment of the severance is due twenty-one days after receipt of the notice.

Notwithstanding the foregoing, neither the Company nor any of its subsidiaries has any plan or arrangement with respect to compensation to its executive officers which would result from the resignation, retirement or any other termination of employment of the executive officers' employment with the Company and its subsidiaries or from a change of control of the Company or any subsidiary of the Company or a change in the executive officers' responsibilities following a change in control.

Compensation of Directors

For a description of the compensation paid to the Company's Named Executive Officer(s) who also act as directors, see "Summary Compensation Table".

Other than as disclosed elsewhere in this Information Circular, no director of the Company who is not a Named Executive Officer has received, during the most recently completed financial year, compensation pursuant to:

- (a) any standard arrangement for the compensation of directors for their services in their capacity as directors, including any additional amounts payable for committee participation or special assignments;
- (b) any other arrangement, in addition to, or in lieu of, any standard arrangement, for the compensation of directors in their capacity as directors except for the granting of stock options; or
- (c) any arrangement for the compensation of directors for services as consultants or experts.

The Company may grant incentive stock options to directors of the Company from time to time pursuant to the stock option plan of the Company and in accordance with the policies of the TSX Venture Exchange (the "TSX-V").

The compensation paid to the directors, other than the Named Executive Officers, during the Company's most recently completed financial year is as set out below:

Name	Fees Earned (\$)	Share-based Awards (\$)	Option-based Awards (\$) ⁽¹⁾	Non-equity incentive Plan Compensation (\$)		Pension Value (\$)	All Other Compensation (\$)	Total Compensation (\$)

Roy Davis	Nil	Nil	Nil	Nil	Nil	Nil	Nil	Nil

Note:

(1) The fair value of the option-based awards was determined on the grant date using the Black-Scholes option pricing model. The Company uses the Black-Scholes option pricing model because it is a widely used and generally accepted method of estimating the fair value of stock options for accounting purposes.

(2) Lorne Mann resigned as a director on May 17, 2018.

NARRATIVE DISCUSSION

Other than amounts already included in the above table, the Company has no arrangements, standard or otherwise, pursuant to which directors are compensated by the Company for their services in their capacity as directors, or for committee participation, involvement in special assignments or for services as consultant or expert during the most recently completed financial year or subsequently, up to and including the date of this Information Circular.

The Company has a stock option plan for the granting of incentive stock options to the officers, employees and directors. The purpose of granting such options to the Company's directors is to assist the Company in compensating, attracting, retaining and motivating the directors and to closely align the personal interests of the directors to that of the Company's shareholders.

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

An "informed person" means: (a) a director or executive officer of the Company; (b) a director or executive officer of a person or company that is itself an informed person or subsidiary of the Company; (c) any person or company who beneficially owns, directly or indirectly, voting securities of the Company or who exercises control or direction over voting securities of the Company or a combination of both carrying more than 10% of the voting rights other than voting securities held by the person or company as underwriter in the course of a distribution; and (d) the Company itself, if and for so long as it has purchased, redeemed or otherwise acquired any of its Common Shares.

To the knowledge of management of the Company, no informed person or nominee for election as a director of the Company or any associate or affiliate of any informed person or proposed director had any interest in any transaction which has materially affected or would materially affect the Company or any of its subsidiaries during the year ended June 30, 2017, or has any interest in any material transaction in the current year other than as set out herein.

APPOINTMENT OF AUDITOR

Management of the Company proposes to nominate the Company's existing auditors, WDM Chartered Accountants, of Suite 420, 1501 West Broadway, Vancouver, British Columbia as auditors for the Company until the next annual meeting, or until their successors are duly appointed, at remuneration to be fixed by the directors.

IT IS INTENDED THAT THE SHARES REPRESENTED BY PROXIES WILL BE VOTED IN FAVOUR OF THE APPOINTMENT OF WDM CHARTERED ACCOUNTANTS, AS AUDITOR OF THE COMPANY AND THE AUTHORIZING OF THE DIRECTORS TO FIX ITS REMUNERATION. AN AFFIRMATIVE VOTE OF A MAJORITY OF THE VOTES CAST AT THE MEETING IS SUFFICIENT FOR THE APPOINTMENT OF THE AUDITOR.

MANAGEMENT CONTRACTS

The management functions of the Company are substantially performed by the directors and officers of the Company, and not to any substantial degree by any other person with whom the Company has contracted. Refer to Section "*Termination of Employment, Change in Responsibilities and Employment Contracts*" for details of the 2016 Agreement with Christopher Anderson, Director, President and Chief Executive Officer of the Company.

CORPORATE GOVERNANCE

Corporate governance relates to the activities of the board of directors (the "Board"), the members of which are elected by and are accountable to the shareholders, and takes into account the role of the individual members of management who are appointed by the Board and who are charged with the day-to-day management of the Company. The Board is committed to sound corporate governance practices, which are both in the interest of its shareholders and contribute to effective and efficient decision making.

National Policy 58-201 *Corporate Governance Guidelines* establishes corporate governance guidelines which apply to all public companies. The Company has reviewed its own corporate governance practices in light of these guidelines. In certain cases, the Company's practices comply with the guidelines, however, the Board considers that some of the guidelines are not suitable for the Company at its current stage of development and therefore these guidelines have not been adopted. The Company will continue to review and implement corporate governance guidelines as the business of the Company progresses and becomes more active in operations. National Instrument 58-101 *Disclosure of Corporate Governance Practices* mandates disclosure of corporate governance practices in Form 58-101F2, which disclosure is set out below.

Board of Directors

The mandate of the Board is to supervise the management of the Company and to act in the best interests of the Company. The Board acts in accordance with:

- (a) the *Business Corporations Act* (British Columbia)
- (b) the Company's articles of incorporation and by-laws
- (c) the Company's code of business conduct
- (d) the charters of the Board and the Board committees; and
- (e) other applicable laws and Company policies

The Board approves all significant decisions that affect the Company before they are implemented. The Board supervises their implementation and reviews the results.

The Board is actively involved in the Company's strategic planning process. The Board discusses and reviews all materials relating to the strategic plan with management. The Board is responsible for reviewing and approving the strategic plan. At least one Board meeting each year is devoted to discussing and considering the

strategic plan, which takes into account the risks and opportunities of the business. Management must seek the Board's approval for any transaction that would have a significant impact on the strategic plan.

The Board periodically reviews the Company's business and implementation of appropriate systems to manage any associated risks, communications with investors and the financial community and the integrity of the Company's internal control and management information systems. The Board also monitors the Company's compliance with its timely disclosure obligations and reviews material disclosure documents prior to distribution. The Board periodically discusses the systems of internal control with the Company's external auditor.

The Board is responsible for choosing the President and appointing senior management and for monitoring their performance and developing descriptions of the positions for the Board, including the limits on management's responsibilities and the corporate objectives to be met by the management.

The Board approves all the Company's major communications, including annual and quarterly reports, financing documents and press releases. The Company communicates with its stakeholders through a number of channels including its website. The Board approved the Company's communication policy that covers the accurate and timely communication of all important information. It is reviewed annually. This policy includes procedures for communicating with analysts by conference calls.

The Board, through its Audit Committee, examines the effectiveness of the Company's internal control processes and management information systems. The Board consults with the external auditor and management of the Company to ensure the integrity of these systems. The external auditor submits a report to the Audit Committee each year on the quality of the Company's internal control processes and management information systems.

The Board is responsible for determining whether or not each director is an independent director. The President, Secretary and any other officer are not considered independent. None of the other directors work in the day-to-day operations of the Company, are party to any material contracts with the Company, or receive any fees from the Company except as disclosed in this circular.

Orientation and Continuing Education

The Board of the Company briefs all new directors with the policies of the Board of Directors, and other

relevant corporate and business information.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Under the corporate legislation, a director is required to act honestly and in good faith with a view to the best interests of the Company and exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances, and disclose to the board the nature and extent of any interest of the director in any material contract or material transaction, whether made or proposed, if the director is a party to the contract or transaction, is a director or officer (or an individual acting in a similar capacity) of a party to the contract or transaction or has a material interest in a party to the contract or transaction. The director must then abstain from voting on the contract or transaction unless the contract or transaction (i) relates primarily to their remuneration as a director, officer, employee or agent of the Company or an affiliate of the Company, (ii) is for indemnity or insurance for the benefit of the director in connection with the Company, or (iii) is with an affiliate of the Company. If the director abstains from voting after disclosure of their interest, the directors approve the contract or transaction and the contract or transaction was reasonable and fair to the Company at the time it was entered into, the contract or transaction is not invalid and the director is not accountable to the Company for any profit realized from the contract or transaction. Otherwise, the director must have acted honestly and in good faith, the contract or transaction must have been reasonable and fair to the Company and the contract or transaction be approved by the shareholders by a special resolution after receiving full disclosure of its terms in order for the director to avoid such liability or the contract or transaction being invalid.

Nomination of Directors

The Board is responsible for identifying individuals qualified to become new Board members and recommending to the Board new director nominees for the next annual meeting of shareholders.

New nominees must have a track record in general business management, special expertise in an area of strategic interest to the Company, the ability to devote the time required, show support for the Company's mission and strategic objectives, and a willingness to serve.

Compensation

The Board conducts reviews with regard to directors' compensation once a year. To make its recommendation on directors' compensation, the Board takes into account the types of compensation and the amounts paid to directors of comparable publicly traded Canadian companies and aligns the interests of Directors with the return to shareholders. The Board decides the compensation of the Company's officers, based on industry standards and the Company's financial situation.

Other Board Committees

The Company and the Board has no committees other than the Audit Committee.

Assessments

The Board monitors the adequacy of information given to directors, communication between the board and management and the strategic direction and processes of the board and committees.

AUDIT COMMITTEE

The Audit Committee Charter

The Audit Committee's mandate and charter can be described as follows:

1. Each member of the Audit Committee shall be a member of the Board, in good standing, and the majority of the members of the Audit Committee shall be independent in order to serve on this committee.
2. At least one of the members of the Audit Committee shall be financially literate.
3. Review the Audit Committee's charter annually, reassess the adequacy of this charter, and recommend any proposed changes to the Board. Consider changes that are necessary as a result of new laws or regulations.
4. The Audit Committee shall meet at least four times per year, and each time the Company proposes to issue a press release with its quarterly or annual earnings information. These meetings may be combined with regularly scheduled meetings, or more frequently as circumstances may require. The Audit Committee may ask members of the Management or others to attend the meetings and provide pertinent information as necessary.
5. Conduct executive sessions with the outside auditors, outside counsel, and anyone else as desired by the Audit Committee.
6. The Audit Committee shall be authorized to hire outside counsel or other consultants as necessary (this may take place any time during the year).
7. Approve any non-audit services provided by the independent auditors, including tax services. Review and evaluate the performance of the independent auditors and review with the full Board any proposed discharge of the independent auditors.
8. Review with the Management the policies and procedures with respect to officers' expense accounts and perquisites, including their use of corporate assets, and consider the results of any review of these areas by the independent auditor.
9. Consider, with the Management, the rationale for employing accounting firms rather than the principal independent auditors.
10. Inquire of the Management and the independent auditors about significant risks or exposures facing the Company; assess the steps the Management has taken or proposes to take to minimize such risks to the Company; and periodically review compliance with such steps.
11. Review with the independent auditor, the audit scope and plan of the independent auditors. Address the coordination of the audit efforts to assure the completeness of coverage, reduction of redundant efforts, and the effective use of audit resources.
12. Inquire regarding the "quality of earnings" of the Company from a subjective as well as an objective standpoint.
13. Review with the independent accountants: (a) the adequacy of the Company's internal controls including computerized information systems controls and security; and (b) any related significant findings and recommendations of the independent auditors together with the Management's responses thereto.
14. Review with the Management and the independent auditor the effect of any regulatory and accounting initiatives, as well as off-balance-sheet structures, if any.
15. Review with the Management, the independent auditors, the interim and annual financial reports before

they are filed with the regulatory authorities.

16. Review with the independent auditor that performs an audit: (a) all critical accounting policies and practices used by the Company; and (b) all alternative treatments of financial information within generally accepted accounting principles that have been discussed with the Management of the Company, the ramifications of each alternative and the treatment preferred by the Company.
17. Review all material written communications between the independent auditors and the Management.
18. Review with the Management and the independent auditors: (a) the Company's annual financial statements and related footnotes; (b) the independent auditors' audit of the financial statements and their report thereon; (c) the independent auditor's judgments about the quality, not just the acceptability, of the Company's accounting principles as applied in its financial reporting; (d) any significant changes required in the independent auditors' audit plan; and (e) any serious difficulties or disputes with the Management encountered during the audit.
19. Periodically review the Company's code of conduct to ensure that it is adequate and up-to-date.
20. Review the procedures for the receipt, retention, and treatment of complaints received by the Company regarding accounting, internal accounting controls, or auditing matters that may be submitted by any party internal or external to the organization. Review any complaints that might have been received, current status, and resolution if one has been reached.
21. Review procedures for the confidential, anonymous submission by employees of the organization of concerns regarding questionable accounting or auditing matters. Review any submissions that have been received, the current status, and resolution if one has been reached.
22. The Audit Committee will perform such other functions as assigned by law, the Company's articles, or the Board.

COMPOSITION OF THE AUDIT COMMITTEE

Member	Independent ⁽¹⁾	Financially Literate ⁽²⁾
Christopher R. Anderson	No	Yes
Roy Davis	Yes	Yes
Scott Kent	Yes	Yes

Note:

- (1) A member of an audit committee is independent if the member has had no direct or indirect material relationship within the past three years with the Company which could, in the view of the Board, reasonably interfere with the exercise of a member's independent judgment.
- (2) An individual is financially literate if he has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company's financial statements.

For the relevant experience of each Audit Committee member, see their principal occupations for the last five years under the heading – “*Election of Directors*”.

Each member of the audit committee has had experience that would provide the member with:

- an understanding of the accounting principles used by the issuer to prepare its financial statements, and the ability to assess the general application of those principles in connection with the accounting for estimates, accruals and provisions;

- experience preparing, auditing, analyzing or evaluating financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of issues that can reasonably be expected to be raised by the issuer’s financial statements, or experience actively supervising individuals engaged in such activities; and

AUDIT COMMITTEE OVERSIGHT

At no time since the commencement of the Company's most recently completed financial year was a recommendation of the Audit Committee to nominate or compensate an external auditor (currently, WDM Chartered Accountants Vancouver, British Columbia) not adopted by the Board.

RELIANCE ON CERTAIN EXEMPTIONS

During the most recently completed financial year, the Company has not relied on the exemptions contained in sections 2.4 or 8 of National Instrument 52-110 *Audit Committees*. Section 2.4 provides an exemption from the requirement that the Audit Committee must pre-approve all non-audit services to be provided by the auditor, where the total amount of all the non-audit services not pre-approved is reasonably expected to be no more than 5% of the total fees payable to the auditor in the fiscal year in which the non-audit services were provided, the Company did not recognize the services as non-audit services at the time of engagement, and the services are promptly brought to the attention of the Audit Committee and approved prior to the completion of the audit by the Audit Committee. Section 8 permits a company to apply to a securities regulatory authority for an exemption from the requirements of the Instrument, in whole or in part.

PRE-APPROVAL POLICIES AND PROCEDURES

Formal policies and procedures for the engagement of non-audit services have yet to be formulated and adopted. Subject to the requirements of National Instrument 52-110 *Audit Committees*, the engagement of non-audit services is considered by, as applicable, the Board and the Audit Committee, on a case by case basis.

EXTERNAL AUDITOR SERVICE FEES

The Audit Committee has reviewed the nature and amount of the non-audited services provided by WDM Chartered Accountants, to the Company to ensure auditor independence. Fees incurred for audit and non-audit services in the last two fiscal years for audit fees are outlined in the following table:

	Fees Paid to Auditor in Year Ended	
	June 30, 2017	June 30, 2016
Audit Fees ⁽¹⁾	\$29,400	\$29,000
Audit-Related Fees ⁽²⁾	Nil	Nil
Tax Fees ⁽³⁾	Nil	Nil
All Other Fees ⁽⁴⁾	Nil	Nil

(3) "All Other Fees" include all other non-audit services.

Exemption

The Company is relying upon the exemption set forth in section 6.1 of NI 52-110 with respect to Part 3 (Composition of the Audit Committee) and Part 5 (Reporting Obligations) of NI 52-110.

PARTICULARS OF MATTERS TO BE ACTED UPON

APPROVAL OF THE STOCK OPTION PLAN

Effective January 3, 2017, the directors of the Company approved amendments to the Stock Option Plan (the "**Plan**") to conform the Plan to the current requirements of the TSX-V. The policies of the TSXV require that the Plan be approved by shareholders on an annual basis at the Company's Annual General Meeting. The Plan is subject to the approval of the shareholders of the Company and review and acceptance by the TSXV. The Company is seeking shareholder approval for the Plan and the approval of the number of common shares reserved for issuance under the Plan in accordance with and subject to the rules and policies of the TSXV.

The Plan is a "rolling" stock option plan, whereby a maximum of 10% of the issued shares of the Company, from time to time, may be reserved for issuance pursuant to the exercise of options. The purpose of the amended Stock Option Plan is to attract and motivate directors, officers, employees and consultants to the Company and its subsidiaries and thereby advance the Company's interests by affording such persons with an opportunity to acquire an equity interest in the Company through the stock options.

Some of the key provisions of the amended Stock Option Plan are as follows:

- (a) the amended Stock Option Plan will reserve a rolling maximum of 10% of the issued and outstanding shares of the Company at the time of a stock option grant;
- (b) no more than 5% of the common shares outstanding at the time of grant may be reserved for issuance to any one individual in any 12 month period;
- (c) no more than 2% of the common shares outstanding at the time of grant may be reserved for issuance to any Consultant in any 12 month period;
- (d) no more than an aggregate of 2% of the common shares outstanding at the time of grant may be reserved for issuance to persons conducting Investor Relations Activities in any 12 month period;
- (e) the exercise price of any options will be determined by the Board of Directors. However, the minimum exercise price of a stock option cannot be less than the Discounted Market Price of the common shares;
- (f) the term of any options granted under the amended Stock Option Plan will be fixed by the board of directors at the time such options are granted, provided that options will not be permitted to exceed a term of ten years;
- (g) options are non-assignable and non-transferable; and
- (h) the amended Stock Option Plan contains provisions for adjustment in the number of common shares or other property issuable on exercise of a stock option in the event of a share consolidation, split, reclassification or other capital reorganization, or a stock dividend, amalgamation, merger or other relevant corporate transaction, or any other relevant change in or event affecting the common shares.

"Consultant", "Employee", "Insider", "Investor Relations Activities" and "Discounted Market Price" all have

the same definition as in the policies of the TSXV.

The full text of the amended Stock Option Plan will be made available at the registered records office of the Company, at 888 Dunsmuir Street, Suite 888, Vancouver, British Columbia upon request and will also be available at the Meeting.

The text of the resolution to be passed is as follows. In order to be passed, a majority of the votes cast at the Meeting in person or by proxy must be voted in favour of the resolution. The persons named in the enclosed Instrument of Proxy intend to vote for such resolution.

"BE IT RESOLVED that the Company's Stock Option Plan be and is hereby ratified and approved, and that in connection therewith a maximum of 10% of the issued and outstanding common shares at the time of each grant be approved for granting as options and that the board of directors be and are hereby authorized, without further shareholder approval, to make such changes to the Stock Option Plan as may be required or approved by regulatory authorities."

The Board recommends that shareholders vote **FOR** the approval of the resolution. **Shares represented by proxies in favour of the management nominees will be voted in favour of the ordinary resolution, unless a shareholder has specified in his proxy that his shares are to be voted against the ordinary resolution.** In the event shareholder and/or regulatory approval is not given to the adoption of the new Plan, the previous Plan will remain in effect and the maximum number of shares which may be set aside for issuance under the Stock Option Plan, will remain at the current number.

APPROVAL OF THE RSU PLAN

On May 7, 2018, the Board approved the form of restricted stock unit plan (the "**RSU Plan**") for adoption by the Company. The RSU Plan is designed to provide certain directors, officers, consultants and other key employees (an "**Eligible Person**") of the Company and its related entities with the opportunity to acquire restricted share units ("**RSUs**") of the Company, thereby allowing an Eligible Person to participate in the long-term success of the Company thus promoting the alignment of an Eligible Person's interests with the Shareholders.

The RSU Plan allows the Company to grant RSUs, under and subject to the terms and conditions of the RSU Plan, which may be exercised to purchase up to a fixed number maximum of 2,250,000 Shares.

At the Meeting, the Shareholders will be asked to consider and, if deemed advisable, to approve the adoption of the RSU Plan. A copy of the RSU Plan is attached to this Circular as Appendix "A".

In the event that the RSU Plan is not approved by the Shareholders at the Meeting, the Company will consider the provision of comparable compensation to its directors, officers, consultants and key employees in the form of cash or by other appropriate arrangements.

The following summary assumes that the RSU Plan will be approved by the Shareholders at the Meeting and is subject to the specific provisions of the RSU Plan. Capitalized terms used but not defined in this section of the Circular shall have the meanings ascribed thereto in the RSU Plan attached hereto as Appendix "A".

Benefits of the RSU Plan

The RSU Plan is designed to be a long term incentive for the directors, officers, consultants and other key employees of the Company. RSUs provide the Company with an additional compensation tool to help retain and attract highly qualified directors, officers, consultants and employees.

Nature and Administration of the RSU Plan

As defined in the RSU Plan, Eligible Persons are eligible to participate in the RSU Plan (as "Recipients"), and the Company reserves the right to restrict eligibility or otherwise limit the number of persons eligible for participation as Recipients in the RSU Plan. Eligibility to participate as a Recipient in the RSU Plan does not confer upon any person a right to receive an award of RSUs.

Subject to certain restrictions, the Board or its appointed committee, can, from time to time, award RSUs to Eligible Persons. RSUs will be credited to an account maintained for each Recipient on the books of the Company as of the award date. The number of RSUs to be credited to each Recipient's account shall be determined at the discretion of the Board and pursuant to the terms of the RSU Plan.

Each award of RSUs vests on the date(s) (each a "**Vesting Date**") that is the later of the Trigger Date (as defined in the RSU Plan) and the date upon which the relevant performance condition or other vesting condition set out in the award has been satisfied, subject to the requirements of the RSU Plan.

RSUs and all other rights, benefits or interests in this Plan are non-transferable and may not be pledged or assigned or encumbered in any way and are not subject to attachment or garnishment, except that if a Recipient dies the legal representatives of the Recipient will be entitled to receive the amount of any payment otherwise payable to the Recipient hereunder in accordance with the provisions hereof.

RSUs Granted Prior to Shareholder Approval of the RSU Plan

The Company must obtain disinterested shareholder approval to any and all RSUs granted by the Company prior to shareholder approval of the RSU Plan. As at May 28, 2018 there were no RSUs granted and outstanding under the RSU Plan.

Credit for Dividends

A Recipient's account will be credited with additional RSUs as of each dividend payment date in respect of which cash dividends are paid on Shares. The number of additional RSUs to be credited to a Recipient's account is computed by multiplying the amount of the dividend per Share by the aggregate number of RSUs that were credited to the Recipient's account as of the record date for payment of the dividend, and dividing that number by the Fair Market Value (as defined in the RSU Plan). Note that the Company is not obligated to pay dividends on Shares.

Resignation, Termination, Leave of Absence or Death

Generally, if a Recipient's employment or service is terminated for cause, if Recipient enters Retirement (as defined in the RSU Plan), or if the Recipient voluntarily resigns from employment with the Company, then any RSUs credited to him or her under the RSU Plan which have not vested on or before the separation date for the Recipient are forfeited, cancelled and terminated without payment.

In the event a Recipient is terminated without cause, dies, or suffers Total Disability (as defined in the RSU Plan), unvested RSUs will immediately vest on the date of termination.

Control of Change

In the event of a Change of Control (as defined in the RSU Plan), all RSUs credited to a Recipient vest on the date on which the Change of Control occurs. Within thirty (30) days after the date on which the Change of Control Occurs, but in no event later than the Expiry Date, the Recipient must receive a payment equal to the number of RSUs that vested on the date of the Change of Control, multiplied by the Fair Market Value on that date.

Adjustments

In the event of any dividend paid in shares, share subdivision, combination or exchange of shares, merger, consolidation, spin-off or other distribution of Company assets to shareholders, or any other change in the capital of the Company affecting Shares, the Board will make adjustments with respect to the number of RSUs outstanding and any proportional adjustments as it, in its discretion, considers appropriate to reflect the change.

Vesting

The Board has discretion to grant RSUs to Eligible Persons as it determines is appropriate, and can impose

conditions on vesting as it sees fit in addition to the Performance Conditions (as defined in the RSU Plan) if any. Vesting occurs on the date set by the Board at the time of the grant or if no date is set then December 1 of the third calendar year following the date of the grant (the “**Trigger Date**”), and the date upon which the relevant Performance Condition or other vesting condition has been satisfied, subject to the limitations of the RSU Plan.

The Board may accelerate the Trigger Date of any RSU at its election.

Limitations under the RSU Plan

Unless disinterested Shareholder Approval is obtained (or unless permitted otherwise by the rules of the Stock Exchange):

- (a) the maximum number of Shares that may be issued to an Eligible Person pursuant to Restricted Stock Units under the Plan may not exceed 1% of the issued Shares calculated on the Grant Date (on a non-diluted basis) and in aggregate, within a 12-month period, may not exceed 2% of the issued Shares calculated on the Grant Date (on a non-diluted basis);
- (b) the maximum number of Shares which may be reserved for issuance to Insiders (as a group) under the Plan and under other Share Compensation Arrangement may not exceed 10% of the issued Shares calculated on the Grant Date (on a non-diluted basis);
- (c) the maximum number of Shares that may be issued to Insiders (as a group) pursuant to Restricted Stock Units under the Plan and under any other Share Compensation Arrangement, within a 12-month period, may not exceed 10% of the issued Shares calculated on the Grant Date (on a non-diluted basis);
- (d) subject to clause (e) below, the maximum number of Shares that may be issued to any one Eligible Person pursuant to Restricted Stock Units under the Plan and under any other Share Compensation Arrangement, within a 12-month period, may not exceed 5% of the issued Shares calculated on the Grant Date (on a non-diluted basis); and
- (e) the maximum number of Shares that may be issued to an Eligible Person who is a Consultant or a Person retained to provide Investor Relations Activities pursuant to Restricted Stock Units under the Plan and under any other Share Compensation Arrangement, within a 12-month period, may not exceed 2% of the issued Shares calculated on the Grant Date (on a non-diluted basis), without the prior consent of the Stock Exchange.

Amendment or Termination of RSU Plan

Subject to all necessary approvals of the Stock Exchange, the Board may amend or terminate the RSU Plan at any time, but the consent of the Recipient is required for any such amendment that adversely affects the rights of the Recipient, unless the amendment or termination is required by law. A termination of the RSU Plan will not accelerate the vesting of RSUs or the time which a Recipient would otherwise be entitled to receive payment in respect of the RSUs.

Approval Requirements

The approval of the RSU Plan must be confirmed by a simple majority of the votes cast by Shareholders voting in person or by proxy at the Meeting. The resolution must also be approved by a simple majority of votes of disinterested shareholders only. In order to achieve disinterested shareholder voting, the votes attaching to the Common Shares beneficially owned by Insiders: Christopher Anderson, Shervin Teymouri, Wesley Warthe-Anderson, Scott Kent and Roy Davis and any associates or affiliates of these Insiders, Consultants and Employees, will not be counted on the resolution and will be excluded from the vote tally.

The Board recommends that Shareholders vote FOR the resolution to approve the RSU Plan.

Approval of the RSU Plan

At the Meeting, the Company will ask the Shareholders to consider and, if deemed advisable, to approve the following ordinary resolution to approve the adoption of the RSU Plan (the "**RSU Plan Shareholder Resolution**"):

“BE IT RESOLVED AS AN ORDINARY RESOLUTION that:

1. the Restricted Stock Unit Plan (the “**RSU Plan**”), in the form attached as Appendix “A” to the Company’s Information Circular dated May 28, 2018, reviewed by the board of directors (the “**Board**”), be and is hereby ratified and approved for adoption;
2. the effective date of the RSU Plan shall be May 7, 2018;
3. subject to all required regulatory approvals, including approval of the TSX Venture Exchange, if required, and shareholder approval, the RSU Plan be and is hereby approved, and the RSU Plan be forthwith adopted and implemented by the Company, with such further deletions, additions and other amendments as are required by any securities regulatory authority or which are not substantive in nature and the Chief Executive Officer or the President of the Company deems necessary or desirable;
4. subject to all required regulatory approvals all Restricted Stock Units granted by the Company to Eligible Persons under the RSU Plan prior to the date of this resolution, be and are hereby ratified, confirmed and approved;

6. the Company be and is hereby authorized to grant Restricted Share Units (“**RSUs**”) under and subject to the terms and conditions of the RSU Plan, which may be exercised to purchase up to a maximum of 2,250,000 Common Shares;
7. the Board be and is hereby authorized and directed to execute on behalf of the Company, the form of restricted stock unit agreement attached as a Schedule to the RSU Plan, providing for the grant of RSUs to Eligible Persons under the RSU Plan; and
8. the Company be and is hereby authorized to allot and issue as fully paid and non-assessable that number of Common Shares specified in the restricted share unit agreement of RSUs granted to Eligible Persons; and that any two authorized persons of the Company be authorized to execute such treasury order or treasury orders as may be necessary to effect said Common Share issuance.”

The resolution for shareholder approval of the RSU Plan will be an ordinary resolution, which is a resolution passed by a simple majority of the votes cast in person or by proxy by the shareholders of the Company at a general meeting. The resolution must also be approved by a simple majority of votes of disinterested shareholders only. In order to achieve disinterested shareholder voting, the votes attaching to the shares beneficially owned by Insiders: Christopher Anderson, Shervin Teymouri, Wesley Warthe-Anderson Scott Kent and Roy Davis and any associates or affiliates of these Insiders, Consultants and Employees, will not be counted on the resolution and will be excluded from the vote tally.

The Board has concluded that adoption of the RSU Plan is in the best interests of the Company and its Shareholders. **Accordingly, the Board unanimously recommends that Shareholders ratify, confirm and approve the RSU Plan by voting FOR the RSU Plan Resolution at the Meeting.**

Proxies received in favour of management will be voted in favour of the RSU Plan unless the Shareholder has specified in the Proxy that his or her Shares are to be voted against such resolution.

Dividend Equivalents

1.17 On any date on which a cash dividend is paid on Shares, a Recipient's account will be credited with the number and type of Restricted Stock Units (including fractional Restricted Stock Units, computed to three digits) calculated by:

- (a) multiplying the amount of the dividend per Share by the aggregate number of Restricted Stock Units that were credited to the Eligible Person's account as of the record date for payment of the dividend, and
- (b) dividing the amount obtained in §1.17(a) by the Fair Market Value on the date on which the dividend is paid.

Adjustments and Reorganizations

1.18 In the event of any dividend paid in Shares, share subdivision, combination or exchange of shares, merger, consolidation, spin-off or other distribution of Company assets to shareholders, or any other change in the capital of the Company affecting Shares, the Board, in its sole and absolute discretion, will make, with respect to the number of Restricted Stock Units outstanding under this Plan, any proportionate adjustments as it considers appropriate to reflect that change.

Notice and Acknowledgement

1.19 No certificates will be issued with respect to the Restricted Stock Units issued under this Plan. Each Eligible Person will, prior to being granted any Restricted Stock Units, deliver to the Company a signed acknowledgement substantially in the form of Schedule "A" to this Plan.

PAYMENTS UNDER THIS PLAN

Payment of Restricted Stock Units

1.20 Subject to the terms of this Plan and, in particular, §1.26 of this Plan, the Company, in its discretion and as may be determined by the Board, will pay out vested Restricted Stock Units issued under this Plan and credited to the account of a Recipient by paying or issuing (net of any Applicable Withholding Tax) to such Recipient, on or subsequent to the Trigger Date but no later than the Expiry Date of such Vested Restricted Stock Unit, an Award Payout of either:

(a) subject to receipt of the Required Approvals, one Share for such whole vested Restricted Stock Unit. Fractional Shares shall not be issued and where a Recipient would be entitled to receive a fractional Share in respect of any fractional vested Restricted Stock Unit, the Company shall pay to such Recipient, in lieu of such fractional Share, cash equal to the Vesting Date Value as at the Trigger Date of such fractional Share. Each Share issued by the Company pursuant to this Plan shall be issued as fully paid and non-assessable, or

(b) a cash amount equal to the Vesting Date Value as at the Trigger Date of such vested Restricted Stock Unit.

Limitation on Issuance of Shares to Insiders

1.21 Where the Company is precluded by §1.8(a) and §1.8(c) from issuing Shares to an Insider of the Company, the Company will pay to the relevant Insider a cash Award Payout in an amount equal to the Vesting Date Value as at the Trigger Date of the Restricted Stock Unit.

Experts and Advisors

1.22 The Board may engage such experts (“**Experts**”) and advisors as it considers appropriate, including compensation or human resources experts or advisors, to provide advice and assistance in determining the amounts to be paid under this Plan and other amounts and values to be determined hereunder or in respect of this Plan including, without limitation, those related to a particular Fair Market Value.

Cancellation on Termination for Cause, Retirement or Voluntary Resignation

1.23 Unless the Board at any time otherwise determines, all unvested Restricted Stock Units held by any Recipient and all rights in respect thereof will be automatically cancelled, without further act or formality and without compensation, immediately in the event of a Termination arising from the termination of employment or removal from service by the Company or a Related Entity for cause, Retirement of the Recipient or the voluntary resignation by the Recipient. In situations where the Board exercises its discretion under this §1.23, in no case shall the Restricted Stock Units, subject to such discretion, be valid beyond one year from the date of Termination.

Total Disability, Death and Termination without Cause

1.24 Unless the Board at any time otherwise determines, if a Recipient ceases to be an Eligible Person for any of the following reasons, unvested Restricted Stock Units will immediately vest on the date the Recipient ceases to be an Eligible Person:

(a) death or Total Disability of a Recipient;

(b) the Termination of employment or removal from service by the Company or a Related Entity without cause; and

- (c) the Termination of employment by the Recipient other than by way of Retirement of the Recipient or voluntary resignation by the Recipient.

In situations where the Board exercises its discretion under this §1.24, in no case shall the Restricted Stock Units, subject to such discretion, be valid beyond one year from the date of Termination.

Change of Control

1.25 In the event of a Change of Control, all Restricted Stock Units credited to an account of a Recipient that have not otherwise previously been cancelled pursuant to the terms of the Plan shall vest on the date on which the Change of Control occurs (the “**Change of Control Date**”). Within thirty (30) days after the Change of Control Date, but in no event later than the Expiry Date, the Recipient shall receive a cash payment equal in amount to: (a) the number of Restricted Stock Units that vested on the Change of Control Date; multiplied by (b) the Fair Market Value on the Change of Control Date, net of any withholding taxes and other source deductions required by law to be withheld by the Company.

Tax Matters and Applicable Withholding Tax

1.26 The Company does not assume any responsibility for or in respect of the tax consequences of the receipt by Recipients of Restricted Stock Units, or payments received by Recipients pursuant to this Plan. The Company or relevant Related Entity, as applicable, is authorized to deduct such taxes and other amounts as it may be required or permitted by law to withhold (“**Applicable Withholding Tax**”), in such manner (including, without limitation, by selling Shares otherwise issuable to Recipients, on such terms as the Company determines) as it determines so as to ensure that it will be able to comply with the applicable provisions of any federal, provincial, state or local law relating to the withholding of tax or other required deductions, or the remittance of tax or other obligations. The Company or relevant Related Entity, as applicable, may require Recipients, as a condition of receiving amounts to be paid to them under this Plan, to deliver undertakings to, or indemnities in favour of, the Company or Related Entity, as applicable, respecting the payment by such Recipients of applicable income or other taxes.

As a condition of participating in this Plan, each Recipient agrees to comply with all such applicable laws and agrees to furnish to the Company all information and undertakings as may be required to permit compliance with such applicable laws. No Right to Service

1.30 Neither participation in this Plan nor any action under this Plan will be construed to give any Eligible Person or Recipient a right to be retained in the service or to continue in the employment of the Company or any Related Entity, or affect in any way the right of the Company or any Related Entity to terminate his or her employment at any time.

Successors and Assigns

1.31 This Plan will enure to the benefit of and be binding upon the respective legal representatives of the Eligible Person.

Plan Amendment

1.32 Subject to all necessary approvals of the TSXV, the Board may amend this Plan as it deems necessary or appropriate, subject to the requirements of applicable laws, but no amendment will, without the consent of the Recipient or unless required by law, adversely affect the rights of a Recipient with respect to Restricted Stock Units to which the Recipient is then entitled under this Plan.

Plan Termination

1.33 The Board may terminate this Plan at any time, but no termination will, without the consent of the Recipient or unless required by law, adversely affect the rights of a Recipient with respect to Restricted Stock Units to which the Recipient is then entitled under this Plan. In no event will a termination of this Plan accelerate the vesting of Restricted Stock Units or the time at which a Recipient would otherwise be entitled to receive any payment in respect of Restricted Stock Units hereunder.

No Other Benefit

1.37 No amount will be paid to, or in respect of, a Recipient under this Plan to compensate for a downward fluctuation in the Fair Market Value or price of a Share, nor will any other form of benefit be conferred upon, or in respect of, a Recipient for such purpose.
