

EARTHWORKS INDUSTRIES INC.
("Earthworks")

**Request for Annual and/or Interim Financial Statements and
Notice of Electronic Delivery of Documents**

National Instrument 51-102 – *Continuous Disclosure Obligations* – requires Earthworks to send annually to the registered and beneficial owners of its securities ("Securityholders") a form which Securityholders may use to request a copy of Earthworks' annual financial statements and annual MD&A, interim financial statements and interim MD&A's, or both. All such materials are filed on www.sedar.com. Shareholders who do not complete and return this form will not receive any financial statements or MD&A's for the next financial year.

Please note that Earthworks intends to provide – to the fullest extent possible – all future materials to its Securityholders requesting the same by electronic distribution. We expect that this will expedite Securityholders' receipt of materials, lower Earthworks' costs and reduce our "carbon footprint". If you do not wish to receive materials electronically, please indicate so in the box below. If you wish to receive the materials by email please provide your email address on the line provided below.

If you wish to receive the materials described in the first paragraph hereto, please complete and return this form to:
