Dear Charles

RE: Current Water Technologies Inc.

In response to your letter dated September 17, 2024 we confirm that the reason for our replacement as auditors of the above noted Company was that we are exiting the public Company audit field.

Please note also that we are not aware of any circumstances you should take into consideration which might influence your decision to accept the appointment as auditors. We are not aware of any fraud or illegal activity affecting the decision to change auditors. We are also not aware of any ongoing business which you should be made aware of.

Please let me know if you require any further information in this matter.

Yours very truly

Kevin Ramsay, Partner
