MANAGEMENT INFORMATION CIRCULAR

FOR THE ANNUAL AND SPECIAL MEETING OF THE HOLDERS OF COMMON SHARES OF XORTX THERAPEUTICS INC. TO BE HELD ON JUNE 27, 2018

Dated May 23, 2018

GENERAL PROXY INFORMATION

Solicitation of Proxies

This management information circular ("Management Information Circular") is furnished in connection with the solicitation of proxies by the management and the directors of XORTX THERAPEUTICS INC. (the "Company") for use at the annual and special meeting of the shareholders (the "Shareholders") of the Company (the "Meeting") to be held at 745 Thurlow Street, Suite 2400, Vancouver, British Columbia at 10:00 a.m. (Vancouver time), on Wednesday, June 27, 2018, and at all adjournments thereof for the purposes set forth in the accompanying notice of the Meeting (the "Notice of Meeting"). The solicitation of proxies will be made primarily by mail and may be supplemented by telephone or other personal contact by the directors, officers and employees of the Company. Directors, officers and employees of the Company will not receive any extra compensation for such activities. The Company may also retain, and pay a fee to, one or more professional proxy solicitation firms to solicit proxies from the Shareholders in favour of the matters set forth in the Notice of Meeting. The Company may pay brokers or other persons holding common shares of the Company ("Common Shares") in their own names, or in the names of nominees, for their reasonable expenses for sending proxies and this Management Information Circular to beneficial owners of Common Shares and obtaining proxies therefrom. The cost of the solicitation will be borne directly by the Company.

No person is authorized to give any information or to make any representation other than those contained in this Management Information Circular and, if given or made, such information or representation should not be relied upon as having been authorized by the Company. The delivery of this Management Information Circular shall not, under any circumstances, create an implication that there has not been any change in the information set forth herein since the date hereof.

This Management Information Circular is being sent to both registered and non-registered owners of the Common Shares. If you are a non-registered owner, and the Company or its agent has sent this Management Information Circular directly to you, your name and address and information about your holdings of Common Shares, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf.

Non-Registered Shareholders

Only registered Shareholders, or the persons they appoint as their proxies, are entitled to attend and vote at the Meeting. However, in many cases, Common Shares beneficially owned by a person (a "Non-Registered Shareholder") are registered either:

- (a) in the name of an intermediary (an "Intermediary") with whom the Non-Registered Shareholder deals in respect of the Common Shares (Intermediaries include, among others: banks, trust companies, securities dealers or brokers, trustees or administrators of a self-administered registered retirement savings plan, registered retirement income fund, registered education savings plan and similar plans); or
- (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited, in Canada, and the Depository Trust Company, in the United States) of which the Intermediary is a participant.

In accordance with the requirements of National Instrument 54-101 of the Canadian Securities Administrators, the Company has distributed copies of the Notice of Meeting, this Management Information Circular and its form of proxy (collectively the "Meeting Materials") to the Intermediaries and clearing agencies for onward distribution to Non-Registered Shareholders. Intermediaries are required to forward the Meeting Materials to Non-Registered Shareholders unless the Non-Registered Shareholders have waived the right to receive them. Intermediaries often use service companies to forward the Meeting Materials to Non-Registered Shareholders. Generally, Non-Registered Shareholders who have not waived the right to receive Meeting Materials will either:

- (a) be given a voting instruction form **which is not signed by the Intermediary** and which, when properly completed and signed by the Non-Registered Shareholder and **returned to the Intermediary or its service company**, will constitute voting instructions (often called a "voting instruction form") which the Intermediary must follow. Typically, the voting instruction form will consist of a one page pre-printed form. Sometimes, instead of the one page pre-printed form, the voting instruction form will consist of a regular printed proxy form accompanied by a page of instructions which contains a removable label with a bar-code and other information. In order for the form of proxy to validly constitute a voting instruction form, the Non-Registered Shareholder must remove the label from the instructions and affix it to the form of proxy, properly complete and sign the form of proxy and submit it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company; or
- (b) be given a form of proxy **which has already been signed by the Intermediary** (typically by a facsimile, stamped signature), which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Shareholder but which is otherwise not completed by the Intermediary. Because the Intermediary has already signed the form of proxy, this form of proxy is not required to be signed by the Non-Registered Shareholder when submitting the proxy. In this case, the Non-Registered Shareholder who wishes to submit a proxy should properly complete the form of proxy and deposit it with TSX Trust Company, 650 West Georgia Street, Suite 2700, Vancouver, British Columbia, Canada, V6B 4N9.

In either case, the purpose of these procedures is to permit Non-Registered Shareholders to direct the voting of the Common Shares they beneficially own. Should a Non-Registered Shareholder who receives either a voting instruction form or a form of proxy wish to attend the Meeting and vote in person (or have another person attend and vote on behalf of the Non-Registered Shareholder), the Non-Registered

Shareholder should strike out the names of the persons named in the form of proxy and insert the Non-Registered Shareholder's (or such other person's) name in the blank space provided or, in the case of a voting instruction form, follow the directions indicated on the form. **In either case, Non-Registered Shareholders should carefully follow the instructions of their Intermediaries and their service companies, including those regarding when and where the voting instruction form or the proxy is to be delivered.**

Appointment and Revocation of Proxies

The persons named in the form of proxy accompanying this Management Information Circular are directors and/or officers of the Company. A shareholder of the Company has the right to appoint a person or company (who need not be a shareholder), other than the persons whose names appear in such form of proxy, to attend and act for and on behalf of such shareholder at the Meeting and at any adjournment thereof. Such right may be exercised by either striking out the names of the persons specified in the form of proxy and inserting the name of the person or company to be appointed in the blank space provided in the form of proxy, or by completing another proper form of proxy and, in either case, delivering the completed and executed proxy to TSX Trust Company in time for use at the Meeting in the manner specified in the Notice of Meeting.

A registered shareholder of the Company who has given a proxy may revoke the proxy at any time prior to use by: (a) depositing an instrument in writing, including another completed form of proxy, executed by such registered shareholder or by his or her attorney authorized in writing or by electronic signature or, if the registered shareholder is a corporation, by an officer or attorney thereof properly authorized, either: (i) at the principal office of the Company, 745 Thurlow Street, Suite 2400, Vancouver, British Columbia, Canada, V6E 0C5 at any time prior to 10:00 a.m. (Vancouver time) on the second last business day preceding the day of the Meeting or any adjournment thereof, (ii) with TSX Trust Company, 650 West Georgia Street, Suite 2700, Vancouver, British Columbia, Canada, V6B 4N9 at any time prior to 10:00 a.m. (Vancouver time) on the second last business day preceding the day of the Meeting or any adjournment thereof, or (iii) with the chairman of the Meeting on the day of the Meeting or any adjournment thereof; (b) transmitting, by telephone or electronic means, a revocation that complies with paragraphs (i), (ii) or (iii) above and that is signed by electronic signature, provided that the means of electronic signature permits a reliable determination that the document was created or communicated by or on behalf of such shareholder or by or on behalf of his or her attorney, as the case may be; or (c) in any other manner permitted by law including attending the Meeting in person.

A Non-Registered Shareholder who has submitted a proxy may revoke it by contacting the Intermediary through which the Non-Registered Shareholder's Common Shares are held and following the instructions of the Intermediary respecting the revocation of proxies.

Exercise of Discretion by Proxies

The Common Shares represented by an appropriate form of proxy will be voted or withheld from voting on any ballot that may be conducted at the Meeting, or at any adjournment thereof, in accordance with the instructions of the shareholder thereon. **In the absence of instructions, such Common Shares will be voted for each of the matters referred to in the Notice of Meeting as specified thereon.**

The enclosed form of proxy, when properly completed and signed, confers discretionary authority upon the persons named therein to vote on any amendments to or variations of the matters identified in the Notice of Meeting and on other matters, if any, which may properly be brought before the Meeting or any adjournment thereof. At the date hereof, management of the Company knows of no such amendments or variations or other matters to be brought before the Meeting.

However, if any other matters which are not now known to management of the Company should properly be brought before the Meeting, or any adjournment thereof, the Common Shares represented by such proxy will be voted on such matters in accordance with the judgment of the person named as proxy therein.

Signing of Proxy

The form of proxy must be signed by the shareholder of the Company or the duly appointed attorney of the shareholder of the Company authorized in writing or, if the shareholder of the Company is a corporation, by a duly authorized officer of such corporation. A form of proxy signed by the person acting as attorney of the shareholder of the Company or in some other representative capacity, including an officer of a corporation which is a shareholder of the Company, should indicate the capacity in which such person is signing and should be accompanied by the appropriate instrument evidencing the qualification and authority to act of such person, unless such instrument has previously been filed with the Company. A shareholder of the Company or his or her attorney may sign the form of proxy or a power of attorney authorizing the creation of a proxy by electronic signature provided that the means of electronic signature permits a reliable determination that the document was created or communicated by or on behalf of such shareholder or by or on behalf of his or her attorney, as the case may be.

(1) The information as to Common Shares beneficially owned, not being within the knowledge of the Company, has been furnished by directors individually.				
(2) Member of the Audit Committee.				

As at the date of this Management Information Circular, the directors and senior officers of the Company as a group, directly and indirectly, beneficially own or exercise control or direction over 6,694,019 Common Shares, representing approximately 10.6% of the issued and outstanding Common Shares.

Other than as noted below, none of the directors or executive officers:

- (a) is, as at the date of this Circular, or was within 10 years before the date of this Circular, a director or chief executive officer or chief financial officer of any company that:
 - (i) was the subject of an order (as defined in National Instrument 51-102F5) that was issued while the director or executive officer was acting in the capacity as director, chief executive officer or chief financial officer; or
 - (ii) was subject to an order that was issued after the director or executive officer ceased to be a director, chief executive officer, or chief financial officer, and which resulted from an event that occurred while that person was acting in the capacity as a director, chief executive officer, or chief financial officer.

Allan Williams is a former director of Greatbanks Resources Ltd. ("Greatbanks"). On December 11, 2015, the British Columbia Securities Commission issued a cease trade order against Greatbanks for failure to file audited financial statements and management discussion and analysis for the year ended July 31, 2015. The cease trade order was revoked June 1, 2016.

None of the directors, executive officers or a shareholder holding a sufficient number of securities of the Company to affect materially the control of the Company:

- (a) is at the date hereof, or has been within 10 years before the date of this Circular, a director or executive officer of any company that while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets; or

PROXIES RECEIVED IN FAVOUR OF MANAGEMENT WILL BE VOTED FOR THE ELECTION OF THE ABOVE-NAMED NOMINEES, UNLESS THE SHAREHOLDER HAS SPECIFIED IN THE PROXY THAT THE COMMON SHARES ARE TO BE WITHHELD FROM VOTING IN RESPECT THEREOF. Management has no reason to believe that any of the nominees will be unable to serve as a director but, if a nominee is for any reason unavailable to serve as a director, proxies in favour of management will be voted in favour of the remaining nominees and may be voted for a substitute nominee unless the shareholder has specified in the proxy that the Common Shares are to be withheld from voting in respect of the election of directors.

(3) Appointment of Auditor

Shareholders will be asked to consider and, if thought advisable, to pass an ordinary resolution to appoint the firm of Morgan & Company LLP ("Morgan"), to serve as the auditor of the Company until the next annual meeting of Shareholders and to authorize the directors of the Company to fix the auditor's remuneration as such. Morgan was retained as auditor of the Company's predecessor XORTX Pharma Corp. and continued as auditor effective January 9, 2018, the date of the reverse take-over between APAC Resources Inc. and XORTX Pharma Corp. to form XORTX Therapeutics Inc. Prior to Morgan being retained, Manning Elliott LLP acted as auditor of the Company from May 31, 2011 to January 9, 2018.

UNLESS THE SHAREHOLDER DIRECTS THAT HIS OR HER COMMON SHARES ARE TO BE WITHHELD FROM VOTING IN CONNECTION WITH THE APPOINTMENT OF THE AUDITOR, THE PERSONS NAMED IN THE ENCLOSED FORM OF PROXY INTEND TO VOTE FOR THE RE-APPOINTMENT OF MORGAN & COMPANY LLP TO SERVE AS AUDITOR OF THE COMPANY UNTIL THE NEXT ANNUAL MEETING OF SHAREHOLDERS AND TO AUTHORIZE THE DIRECTORS TO FIX THEIR REMUNERATION.

(4) Approval of Stock Option Plan

The Company maintains a Stock Option Plan (the "Plan") for the benefit of directors, officers, employees, consultants and other service providers of the Company and its subsidiaries in order to assist the Company in attracting, retaining and motivating such persons by providing them with the opportunity, through stock options ("Options"), to acquire an increased proprietary interest in the Company.

The Plan authorizes the issuance of Options up to an aggregate of 10% of the issued Common Shares from time to time. There are currently 62,919,691 Common Shares of the Company issued and outstanding, and therefore the current 10% threshold is 6,291,969 Common Shares available for Options

grants under the Plan. Options may be granted under the Plan with a maximum exercise period of up to ten (10) years, as determined by the Board of Directors of the Company.

The Plan limits the number of Options which may be granted to any one individual to not more than 5% of the total issued Common Shares in any 12 month period (unless otherwise approved by the disinterested Shareholders), and not more than 10% of the total issued Common Shares to all insiders at any time or granted over any 12 month period. The number of Options granted to any one consultant or person employed to provide investor relations activities in any 12 month period must not exceed 2% of the total issued Common Shares. Any Options granted under the Plan will not be subject to any vesting schedule, unless otherwise determined by the Board of Directors.

Options under the Plan may be granted at an exercise price which is at or above the current discounted market price on the date of the grant. In the event of the death or permanent disability of an optionee, any Option granted to such optionee will be exercisable upon the earlier of 365 days from the date of death or permanent disability, or the expiry date of the option. In the event of the resignation, or the termination or removal of an optionee without just cause, any Option granted to such optionee will be exercisable for a period of 90 days thereafter. In the event of termination for cause, any Option granted to such optionee will be cancelled as at the date of termination.

A copy of the Plan is attached as Schedule B to this Management Information Circular.

As of May 23, 2018, Options to purchase an aggregate of 2,250,000 Common Shares are outstanding under the Plan leaving a balance of 4,041,969 Options available for issuance under the Plan.

Shareholders are being asked to approve and confirm the Plan. In order to confirm and approve the Plan a majority of votes cast at the meeting must be voted in favour of the Plan. In the event that the Plan is approved by Shareholders, the Company's current Plan will be discontinued and Options that have been granted will be transferred to the Plan.

Accordingly, Shareholders will be asked to approve the following resolution:

"BE IT RESOLVED THAT the Company's Plan as described in the Management Information Circular dated May 23, 2018, be and it is hereby adopted, confirmed and approved, including that the maximum number of Common Shares reserved for issuance under the Plan at any given time is equal to ten percent (10%) of the issued and outstanding Common Shares as at the date of grant of an Option under the Plan."

The Board of Directors recommends that the Company's Shareholders vote FOR the approval of the Plan.

UNLESS A SHAREHOLDER DIRECTS THAT HIS OR HER COMMON SHARES ARE TO BE VOTED AGAINST THE APPROVAL OF THE PLAN THE PERSONS NAMED IN THE ENCLOSED FORM OF PROXY INTEND TO VOTE FOR THE APPROVAL OF THE PLAN.

OTHER MATTERS WHICH MAY COME BEFORE THE MEETING

The management knows of no matters to come before the Meeting other than as set forth in the Notice of Meeting. However, if other matters which are not known to the management should properly come before the Meeting, the accompanying proxy will be voted on such matters in accordance with the best judgment of the persons voting the proxy.

Compensation Discussion and Analysis

Director and NEO Compensation

The Company's Board of Directors is responsible for ensuring that the Company has in place an appropriate plan for executive compensation ensuring that total compensation paid to all NEOs is fair and reasonable and is consistent with the Company's compensation philosophy and in line with industry practice.

Compensation for the executive officers is composed primarily of three components: base compensation, performance bonuses and the granting of options. Performance bonuses may be considered from time to time. The Board of Directors does not have a pre-determined compensation plan, but rather reviews the performance of the executive officers and considers a variety of factors, when determining compensation levels. These factors, which are informally discussed by the Board of Directors, include the long-term interests of the Company and its Shareholders, the financial and operating performance of the Company and each executive officer's individual performance, contribution towards meeting corporate objectives, responsibilities and length of service. The Board of Directors believes that the compensation arrangements for the Company's executive officers are

commensurate with the executive officer's position, experience and performance. The directors of the Company will continue to review compensation philosophy to ensure that the Company is competitive and that compensation is consistent with the performance of the Company.

Other than Options to purchase Common Shares granted under the Plan, there were no long-term incentive awards made to the NEOs during the most recently completed financial year.

Pension Plan Benefits

There are no pension plan benefits in place for NEOs.

Gender Diversity in Executive Officer Positions

The Company has not adopted a formal policy which specifies targets regarding the representation of women in executive officer positions or on its Board of Directors. While the Company believes that diversity, including gender diversity, is an important consideration in determining the makeup of its executive team, it is only one of a number of factors (which include merit, talent, experience, expertise, leadership capabilities, innovative thinking and strategic agility), that are considered in selecting the best candidates for executive positions. At the present time, the Company has one woman on its executive team.

Termination and Change of Control Benefits

The Company does not have in place any pension or retirement plan. The Company has not provided compensation, monetary or otherwise, during the preceding fiscal year, to any person who now acts or has previously acted as a NEO of the Company. In connection with or related to the retirement, termination or resignation of such person and the Company has provided no compensation to such persons as a result of change of control of the Company, its subsidiaries or affiliates. Under the current NEO employment arrangements, if a severance payment triggering event were to occur, the severance payments that would be payable to each of the NEOs is as outlined in the following table.

Name	Termination by the Company (\$)	Change of Control (\$)
Allen Davidoff	190,000	190,000
David Matthews	Nil	Nil
Total	190,000	190,000

Compensation of Directors

During the period ended December 31, 2017, the sole non-executive director of the Company received no compensation for director services.

Other than Options, the Company currently has no compensation arrangements with its non-executive directors.

INDEBTEDNESS OF DIRECTORS, EXECUTIVE OFFICERS AND SENIOR OFFICERS

As of December 31, 2017, there was no indebtedness of any director or officer of the Company or of any proposed nominee for election as a director of the Company to, or guaranteed or supported by, the Company or any subsidiary thereof either pursuant to an employee stock purchase program or any other programs of the Company or a subsidiary or otherwise.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Other than as disclosed in this Management Information Circular, management of the Company is not aware of any material interest of any director or nominee for director or executive officer or anyone who has held office as such since the beginning of the Company's last financial year or of any associate or affiliate of any of the foregoing in any matter to be acted on at the Meeting.

STATEMENT OF CORPORATE GOVERNANCE PRACTICES

The Board of Directors and senior management of the Company consider good corporate governance to be central to the effective and efficient operation of the Company.

National Instrument 58-101 – *Disclosure of Corporate Governance Practices* ("NI 58-101") requires that if management of an issuer solicits proxies from its securityholders for the purpose of electing directors, certain prescribed disclosure in respect of corporate governance matters be included in its management information circular.

The Exchange also requires listed companies to provide, on an annual basis, the corporate governance disclosure which is prescribed by NI 58-101.

The prescribed corporate governance disclosure for the Company is that contained in Form 58-101F2 – *Corporate Governance Disclosure* ("Form 58-101F2") and is set out on the following pages.

National Policy 58-201 - *Corporate Governance Guidelines* establishes corporate governance guidelines which apply to all public companies. The Company has reviewed its own corporate governance practices in light of these guidelines. In certain cases, the Company's practices comply with the guidelines; however, the Board of Directors considers that some of the guidelines are not suitable for the Company at its current stage of development and therefore these guidelines have not been adopted. The Company will continue to review and implement the corporate governance guidelines as the business of the Company progresses and becomes more active in operations.

Form 58–101F2 – Corporate Governance Disclosure

Board of Directors

The Board of Directors is currently composed of four directors. Form 58-101F2 suggests that the board of directors of every listed company should be constituted with a majority of individuals who qualify as "independent" directors under NI 58-101 which provides that a director is independent if he or she has no direct or indirect "material relationship" with the Company. "Material relationship" is defined as a relationship which could, in the view of the board of directors, be reasonably expected to interfere with the exercise of a director's independent judgment. Of the five proposed nominees, one nominee, Allen Davidoff, current CEO is considered a non-independent director. Dr. Davidoff is a management director and accordingly is not "independent". Each of the remaining four proposed directors: Bruce Cousins, Bruce Rowlands, Paul Van Damme and Allan Williams are considered by the Board of Directors to be "independent", within the meaning of NI 58-101.

The Board of Directors meets formally on an as needed basis to review and discuss the Company's business activities, and to consider and if thought fit, to approve matters presented to the Board of Directors for approval, and to provide guidance to management. In addition, management informally provides updates to the Board of Directors between formal meetings. In general, management consults with the Board of Directors when deemed appropriate to keep it informed regarding the Company's affairs. The Board of Directors facilitates the exercise of independent supervision over management through these various meetings. At present, the Board of Directors does not have any formal committees other than its audit committee. When necessary, the Board of Directors will strike a special committee of independent directors to deal with matters requiring independence. The composition of the Board of Directors is such that the independent directors have significant experience in business affairs and, as a result, these directors are able to provide significant and valuable independent

supervision over management. In the event of a conflict of interest at a meeting of the Board of Directors, the conflicted director will in accordance with corporate law and in accordance with his fiduciary obligations as a director of the Company, disclose the nature and extent of his interest to the meeting and abstain from voting on or against the approval of such participation.

The Board of Directors has determined that the current constitution of the Board of Directors is appropriate for the Company's current stage of development. The Board of Directors has free access to the Company's external auditors, legal counsel and to any of the Company's officers.

Directorships

Certain of the directors and proposed directors are also directors of other reporting issuers, as follows:

Orientation and Continuing Education

The Board of Directors does not have a formal orientation or education program for its members. The Board of Directors' continuing education is typically derived from correspondence with the Company's legal counsel to remain up to date with developments in relevant corporate and securities' law matters.

Ethical Business Conduct

The Board of Directors has adopted guidelines and has quantified and stipulated steps to encourage and promote a culture of ethical business conduct. The Company also promotes ethical business conduct through the nomination of directors it considers ethical, through avoiding or minimizing conflicts of interest, and by having a majority of its directors independent of corporate matters.

Nomination and Assessments

The recruitment of new directors has generally resulted from recommendations made by directors and shareholders. The assessment of the contributions of individual directors has principally been the responsibility of the Board of Directors. Prior to standing for election, new nominees to the Board of Directors are reviewed by the entire Board of Directors.

Compensation

The Board of Directors decides the compensation for the Company's officers, based on industry standards and the Company's financial position. In fiscal 2017, former APAC Resources Inc. non-executive directors were paid \$Nil for their services as directors of the Company, and from time to time, were issued Options to purchase Common Shares. During the financial year of the Company ended December 31, 2017, no Options were granted to non-executive directors.

Other Board Committees

The Company has not formed any other committees of the Board of Directors.

Assessment of Directors, the Board and Board Committees

Currently the Board of Directors has not implemented a formal process for assessing the performance of the Board of Directors, its committees, or its individual directors. At present, the Board of Directors monitors the adequacy of information provided to directors, the communications between the Board of Directors and management and the strategic direction and processes of the Board of Directors and its Audit Committee, to satisfy itself that the Board of Directors, its Audit Committee and its individual directors are performing effectively.

3. GRANT OF OPTIONS

3.1 Option Terms

The Board may from time to time authorize the allocation and issue of Options to specific Eligible Persons of the Company and its subsidiaries. The Option Price under each Option so allocated shall be not less than the Market Price on the Grant Date. The Expiry Date for each Option shall be set by the Board at the time of issue of the Option and shall not be more than ten years after the Grant Date. Options shall not be assignable (or transferable) by the Optionee. Both the Company and the Optionee are responsible for ensuring and confirming that the Optionee is a *bona fide* Eligible Person.

3.2 Limits on Shares Issuable on Exercise of Options

The maximum number of Shares which may be issuable pursuant to options granted under the Plan shall be that number equal to 10% of the Company's issued share capital from time to time. The number of Shares reserved for issuance under the Plan and all of the Company's other previously established or proposed share compensation arrangements:

- (a) in aggregate shall not exceed 10% of the total number of issued and outstanding shares on a non-diluted basis; and
- (b) to any one Optionee within a 12 month period shall not exceed 5% of the total number of issued and outstanding shares on a non-diluted basis (unless otherwise approved by the disinterested shareholders of the Company).

The number of Shares which may be issuable under the Plan and all of the Company's other previously established or proposed share compensation arrangements, within a one-year period:

- (a) to all Insiders shall not exceed 10% of the total number of issued and outstanding shares on the Grant Date on a non-diluted basis;
- (b) to any one Optionee, shall not exceed 5% of the total number of issued and outstanding Shares on the Grant Date on a non-diluted basis (unless otherwise approved by the disinterested shareholders of the Company);
- (c) to any one Consultant shall not exceed 2% in the aggregate of the total number of issued and outstanding Shares on the Grant Date on a non-diluted basis; and
- (d) to all Eligible Persons who undertake Investor Relations Activities shall not exceed 2% in the aggregate of the total number of issued and outstanding Shares on the Grant Date on a non-diluted basis, which Options must be vested in stages over not less than 12 months and no more than one-quarter (1/4) of such Options may be vested in any three (3) month

period. The Company must publicly announce by press release at the time of the grant, any Options granted to Eligible Persons who undertake Investor Relations Activities.

3.3 Option Agreements

Each Option shall be confirmed by the execution of an Option Agreement. Each Optionee shall have the option to purchase from the Company the Option Shares at the time and in the manner set out in the Plan and in the Option Agreement applicable to that Optionee. For stock options to Employees, Consultants, Consultant Company or Management Company Employees, each of the Company and the Optionee is representing herein and in the applicable Option Agreement that the Optionee is a bona fide Employee, Consultant, Consultant Company or Management Company Employee, as the case may be, of the Company or its subsidiary. The execution of an Option Agreement shall constitute conclusive evidence that it has been completed in compliance with this Plan.

4. EXERCISE OF OPTION

4.1 When Options May be Exercised

Subject to subsections 4.3 and 4.4, an Option shall be granted as fully Vested on the Grant Date, and may be exercised to purchase any number of Shares up to the number of Unissued Option Shares at any time after the Grant Date, provided that this Plan has been previously approved by the shareholders of the Company, where such prior approval is required by Exchange policies, up to 4:00 p.m. local time on the Expiry Date and shall not be exercisable thereafter.

4.2 Manner of Exercise

The Option shall be exercisable by delivering to the Company a notice specifying the number of Shares in respect of which the Option is exercised together with payment in full of the Option Price for each such Share. Upon notice and payment there will be binding contract for the issue of the Shares in respect of which the Option is exercised, upon and subject to the provisions of the Plan. Delivery of the Optionee's certified cheque or bank draft payable to the Company in the amount of the Option Price shall constitute payment of the Option Price unless the certified cheque is not honoured upon presentation for any reason, in which case the Option shall not have been validly exercised.

4.3 Vesting of Option Shares

An Option shall be granted hereunder as fully Vested, unless a vesting schedule is imposed by the Board as a condition of the grant on the Grant Date; and provided that if the Option is being granted to an Eligible Person who is providing Investor Relations Activities to the Company, then the Option must vest in stages over not less than 12 months and no more than one-quarter (1/4) of such Options may be vested in any three (3) month period.

4.4 Termination of Employment

If an Optionee ceases to be an Eligible Person, his or her Option shall be exercisable as follows:

(a) Death or Disability

If the Optionee ceases to be an Eligible Person, due to his or her death or Disability or, in the case of an Optionee that is a company, the death or Disability of the person who provides management or consulting services to the Company or to any entity controlled by

the Company, the Option then held by the Optionee shall be exercisable to acquire Vested Unissued Option Shares at any time up to but not after the earlier of:

- (i) 365 days after the date of death or Disability; and
- (ii) the Expiry Date.

(b) Termination For Cause

If the Optionee, or in the case of a Management Company Employee or a Consultant Company, the Optionee's employer, ceases to be an Eligible Person as a result of termination for cause, as that term is interpreted by the courts of the jurisdiction in which the Optionee, or, in the case of a Management Company Employee or a Consultant Company, of the Optionee's employer, is employed or engaged; any outstanding Option held by such Optionee on the date of such termination shall be cancelled as of that date.

(c) Early Retirement, Voluntary Resignation or Termination Other than For Cause

If the Optionee or, in the case of a Management Company Employee or a Consultant Company, the Optionee's employer, ceases to be an Eligible Person due to his or her retirement at the request of his or her employer earlier than the normal retirement date under the Company's retirement policy then in force, or due to his or her termination by the Company other than for cause, or due to his or her voluntary resignation, the Option then held by the Optionee shall be exercisable to acquire Vested Unissued Option Shares at any time up to but not after the earlier of the Expiry Date and the date which is 90 days after the Optionee or, in the case of a Management Company Employee or a Consultant Company, the Optionee's employer, ceases to be an Eligible Person.

4.5 Effect of a Take-Over Bid

If a *bona fide* offer (an "Offer") for Shares is made to the Optionee or to shareholders of the Company generally or to a class of shareholders which includes the Optionee, which Offer, if accepted in whole or in part, would result in the offeror becoming a control person of the Company, within the meaning of subsection 1(1) of the *Securities Act*, the Company shall, immediately upon receipt of notice of the Offer, notify each Optionee of full particulars of the Offer, whereupon the Option Shares subject to such Option may be exercised in whole or in part by the Optionee so as to permit the Optionee to tender the Option Shares received upon such exercise, pursuant to the Offer. However, if:

- (a) the Offer is not completed within the time specified therein; or
- (b) all of the Option Shares tendered by the Optionee pursuant to the Offer are not taken up or paid for by the offeror in respect thereof,

then the Option Shares received upon such exercise, or in the case of clause (b) above, the Option Shares that are not taken up and paid for, may be returned by the Optionee to the Company and reinstated as authorized but unissued Shares and with respect to such returned Option Shares, the Option shall be reinstated as if it had not been exercised. If any Option Shares are returned to the Company under this subsection 4.5, the Company shall immediately refund the exercise price to the Optionee for such Option Shares.

4.6 Acceleration of Expiry Date

If at any time when an Option granted under the Plan remains unexercised with respect to any Unissued Option Shares, an Offer is made by an offeror, the Directors may, upon notifying each Optionee of full particulars of the Offer, declare all Option Shares issuable upon the exercise of Options granted under the Plan, are Vested (subject to the proviso below), and declare that the Expiry Date for the exercise of all unexercised Options granted under the Plan is accelerated so that all Options will either be exercised or will expire prior to the date upon which Shares must be tendered pursuant to the Offer, provided that where an Option was granted to a consultant providing Investor Relations Activities, the Directors declaration that Option Shares issuable upon the exercise of such Options granted under the Plan be Vested with respect to such Option Shares, is subject to prior approval of the Exchange. The Directors shall give each Optionee as much notice as possible of the acceleration of the Options under this section, except that not less than 5 business days and not more than 35 days notice is required.

4.7 Effect of a Change of Control

If a Change of Control occurs, all Option Shares subject to each outstanding Option may be exercised in whole or in part by the Optionee.

4.8 Exclusion From Severance Allowance, Retirement Allowance or Termination Settlement

If the Optionee, or, in the case of a Management Company Employee or a Consultant Company, the Optionee's employer, retires, resigns or is terminated from employment or engagement with the Company or any subsidiary of the Company, the loss or limitation, if any, by the cancellation of the right to purchase Option Shares under the Option Agreement shall not give rise to any right to damages and shall not be included in the calculation of nor form any part of any severance allowance, retiring allowance or termination settlement of any kind whatsoever in respect of such Optionee.

4.9 Shares Not Acquired or Exercised

Any Unissued Option Shares not acquired by an Optionee under an Option which has expired, and any Option Shares acquired by an Optionee under an Option when exercised, may be made the subject of a further Option granted pursuant to the provisions of the Plan.

4.10 Extension of Term During Trading Black Out

In the event the Expiry Date of an Option falls on a date during a trading black out period that has been self imposed by the Company, the Expiry Date of the Option will be extended to the 10th business day following the date that the self imposed trading black out period is lifted by the Company. For greater certainty, the Expiry Date of an Option will not be extended in the event a cease trade order is issued by a securities regulatory authority against the Company or an Optionee.

5. ADJUSTMENT OF OPTION PRICE AND NUMBER OF OPTION SHARES

5.1 Share Reorganization

Whenever the Company issues Shares to all or substantially all holders of Shares by way of a stock dividend or other distribution, or subdivides all outstanding Shares into a greater number of Shares, or combines or consolidates all outstanding Shares into a lesser number of Shares (each of such events being herein called a "Share Reorganization") then effective immediately after the record date for such dividend

or other distribution or the effective date of such subdivision, combination or consolidation, for each Option:

- (a) the Option Price will be adjusted to a price per Share which is the product of:
 - (i) the Option Price in effect immediately before that effective date or record date; and
 - (ii) a fraction, the numerator of which is the total number of Shares outstanding on that effective date or record date before giving effect to the Share Reorganization, and the denominator of which is the total number of Shares that are or would be outstanding immediately after such effective date or record date after giving effect to the Share Reorganization; and
- (b) the number of Unissued Option Shares will be adjusted by multiplying (i) the number of Unissued Option Shares immediately before such effective date or record date by (ii) a fraction which is the reciprocal of the fraction described in subparagraph (a)(ii).

5.2 Special Distribution

Subject to the prior approval of the Exchange, whenever the Company issues by way of a dividend or otherwise distributes to all or substantially all holders of Shares:

- (a) shares of the Company, other than the Shares;
- (b) evidences of indebtedness;
- (c) any cash or other assets, excluding cash dividends (other than cash dividends which the Board of Directors of the Company has determined to be outside the normal course); or
- (d) rights, options or warrants,

then to the extent that such dividend or distribution does not constitute a Share Reorganization (any of such non-excluded events being herein called a “**Special Distribution**”), and effective immediately after the record date at which holders of Shares are determined for purposes of the Special Distribution, for each Option the Option Price will be reduced, and the number of Unissued Option Shares will be correspondingly increased, by such amount, if any, as is determined by the Board in its sole and unfettered discretion to be appropriate in order to properly reflect any diminution in value of the Option Shares as a result of such Special Distribution.

5.3 Corporate Organization

Whenever there is:

- (a) a reclassification of outstanding Shares, a change of Shares into other shares or securities, or any other capital reorganization of the Company, other than as described in subsections 5.1 or 5.2;
- (b) a consolidation, merger or amalgamation of the Company with or into another corporation resulting in a reclassification of outstanding Shares into other shares or securities or a change of Shares into other shares or securities; or

- (c) a transaction whereby all or substantially all of the Company's undertaking and assets become the property of another corporation,

(any such event being herein called a “**Corporate Reorganization**”) the Optionee will have an option to purchase (at the times, for the consideration, and subject to the terms and conditions set out in the Plan) and will accept on the exercise of such option, in lieu of the Unissued Option Shares which he would otherwise have been entitled to purchase, the kind and amount of shares or other securities or property that he would have been entitled to receive as a result of the Corporate Reorganization if, on the effective date thereof, he had been the holder of all Unissued Option Shares or if appropriate, as otherwise determined by the Directors.

5.4 Determination of Option Price and Number of Unissued Option Shares

If any questions arise at any time with respect to the Option Price or number of Unissued Option Shares deliverable upon exercise of an Option following a Share Reorganization, Special Distribution or Corporate Reorganization, such questions shall be conclusively determined by the Company's auditor, or, if they decline to so act, any other firm of Chartered Accountants in Vancouver, British Columbia, that the Directors may designate and who will have access to all appropriate records and such determination will be binding upon the Company and all Optionees.

5.5 Regulatory Approval

Any adjustment to the Option Price or the number of Unissued Option Shares purchasable under the Plan pursuant to the operation of any one of subsection 5.1, 5.2 or 5.3 is subject to the approval of the Exchange where required pursuant to their policies, and compliance with the applicable securities rules or regulations of any other governmental authority having jurisdiction.

6. MISCELLANEOUS

6.1 Right to Employment

Neither this Plan nor any of the provisions hereof shall confer upon any Optionee any right with respect to employment or continued employment with the Company or any subsidiary of the Company or interfere in any way with the right of the Company or any subsidiary of the Company to terminate such employment.

6.2 Necessary Approvals

The Plan shall be effective immediately upon the approval of the Board of directors of the Company, where the Company is a non-reporting issuer. If the Company is a reporting issuer whose Shares are listed on any Exchange, then the Plan shall be effective only upon the approval of the shareholders of the Company given by way of an ordinary resolution of the disinterested shareholders in the case of a new Plan, and the written acceptance of the Plan by the Exchange where such prior approval is required by the policies of the Exchange. Any Options granted under this Plan before such approval shall only be exercised upon the receipt of such approval, where it is required by the policies of the Exchange. The obligation of the Company to sell and deliver Shares in accordance with the Plan is subject to compliance with the policies of the Exchange and applicable securities rules or regulations of any governmental authority having jurisdiction. If any Shares cannot be issued to any Optionee for any reason, including, without limitation, the failure to comply with such policies, rules or regulations, then the obligation of the Company to issue such Shares shall terminate and any Option Price paid by an Optionee to the Company shall be immediately refunded to the Optionee by the Company.

6.3 Administration of the Plan

The Directors shall, without limitation, have full and final authority in their discretion, but subject to the express provisions of the Plan, to interpret the Plan, to prescribe, amend and rescind rules and regulations relating to the Plan and to make all other determinations deemed necessary or advisable in respect of the Plan. Except as set forth in subsection 5.4, the interpretation and construction of any provision of the Plan by the Directors shall be final and conclusive. Administration of the Plan shall be the responsibility of the appropriate officers of the Company and all costs in respect thereof shall be paid by the Company.

6.4 Income Taxes

As a condition of and prior to participation of the Plan any Optionee shall on request authorize the Company in writing to withhold from any remuneration otherwise payable to him or her any amounts required by any taxing authority to be withheld for taxes of any kind as a consequence of his or her participation in the Plan.

6.5 Amendments to the Plan

The Directors may from time to time, subject to applicable law and to the prior approval, if required, of the Exchange or any other regulatory body having authority over the Company or the Plan, suspend, terminate or discontinue the Plan at any time, or amend or revise the terms of the Plan or of any Option granted under the Plan and the Option Agreement relating thereto, provided that no such amendment, revision, suspension, termination or discontinuance shall in any manner adversely affect any option previously granted to an Optionee under the Plan without the consent of that Optionee. Any amendments to the Plan or options granted to Insiders thereunder will be subject to the approval of the shareholders, where such approval is required by the policies of the Exchange.

6.6 Form of Notice

A notice given to the Company shall be in writing, signed by the Optionee and delivered to the head business office of the Company.

6.7 No Representation or Warranty

The Company makes no representation or warranty as to the future market value of any Shares issued in accordance with the provisions of the Plan.

6.8 Compliance with Applicable Law

If any provision of the Plan or any Option Agreement contravenes any law or any order, policy, by-law or regulation of any regulatory body or Exchange having authority over the Company or the Plan, then such provision shall be deemed to be amended to the extent required to bring such provision into compliance therewith.

6.9 No Assignment

No Optionee may assign any of his or her rights under the Plan or any Option granted thereunder.

6.10 Rights of Optionees

An Optionee shall have no rights whatsoever as a shareholder of the Company in respect of any of the Unissued Option Shares (including, without limitation, voting rights or any right to receive dividends, warrants or rights under any rights offering).

6.11 Conflict

In the event of any conflict between the provisions of this Plan and an Option Agreement, the provisions of this Plan shall govern.

6.12 Governing Law

The Plan and each Option Agreement issued pursuant to the Plan shall be governed by the laws of the Province of British Columbia.

6.13 Time of Essence

Time is of the essence of this Plan and of each Option Agreement. No extension of time will be deemed to be or to operate as a waiver of the essentiality of time.

6.14 Entire Agreement

This Plan and the Option Agreement sets out the entire agreement between the Company and the Optionees relative to the subject matter hereof and supersedes all prior agreements, undertakings and understandings, whether oral or written.
