

EDISON LITHIUM ANNOUNCES PRIVATE PLACEMENT FINANCING

//NOT FOR DISTRIBUTION TO UNITED STATES NEWSWIRE SERVICES OR FOR DISSEMINATION IN THE UNITED STATES//

Vancouver, British Columbia, December 17, 2025 – Edison Lithium Corp. (TSXV: EDDY, OTC Pink: EDDYF; FWB: VV0) (“**Edison**” or the “**Company**”) is pleased to announce a non-brokered private placement (the “**Offering**”) of up to 12,000,000 units (the “**Units**” and each, a “**Unit**”) at a price of \$0.05 per Unit for gross proceeds of up to \$600,000. Each Unit will comprise one common share of the Company (“**Share**”) and one common share purchase warrant (“**Warrant**”), whereby each Warrant will entitle the holder thereof to acquire one additional Share at a price of \$0.08 per Share for a period of two years from the date of issuance.

The Company intends to use the net proceeds raised from the Offering to fund exploration activities on the Company’s projects and for general working capital purposes. Finder’s fees may be applicable.

All securities to be distributed under the Offering will be subject to a statutory hold period of four months from the date of issuance in accordance with applicable securities laws. The Offering is subject to TSX Venture Exchange acceptance.

Certain directors and officers of the Company may acquire securities under the Offering. Such participation is considered to be a “related party transaction” as defined under *Multilateral Instrument 61-101- Protection of Minority Security Holders in Special Transactions* (“**MI 61-101**”). The Company anticipates that it will rely on the exemptions from the formal valuation and minority shareholder approval requirements of MI 61-101 contained in sections 5.5(a) and 5.7(1)(a) of MI 61-101 as the fair market value of the securities to be distributed to insiders, and the consideration to be received by the Company for such securities, will not exceed 25 percent of the Company's market capitalization.

The securities described herein have not been, and will not be, registered under the United States Securities Act of 1933, as amended (the “**U.S. Securities Act**”), or any state securities laws, and may not be offered or sold within the United States except in compliance with the registration requirements of the U.S. Securities Act and applicable state securities laws or pursuant to available exemptions therefrom. This press release does not constitute an offer to sell or a solicitation of an offer to buy any securities in the United States.

About Edison Lithium Corp.

Edison Lithium Corp. is a Canadian-based junior mining exploration company focused on the procurement, exploration and development of cobalt, lithium, alkali and other energy metal properties. The Company’s acquisition strategy is based on acquiring affordable, cost-effective, and highly regarded mineral properties in areas with proven geological potential. Edison is building a portfolio of quality assets capable of supplying critical materials to the battery industry and intends to capitalize on and have its shareholders benefit from the renewed interest in the battery metals space.

Cautionary Note Regarding Forward-Looking Statements

This news release contains certain “forward-looking information” and “forward-looking statements” (collectively “**forward-looking statements**”) within the meaning of applicable securities legislation. Forward-looking statements are frequently, but not always, identified by words such as “expects”, “anticipates”, “believes”, “intends”, “estimates”, “potential”, “possible”, and similar expressions, or statements that events, conditions, or results “will”, “may”, “could”, or “should” occur or be achieved. All statements in this news release, other than statements of historical fact, including, without limitation, statements relating to the closing of the Offering, the terms of the Offering, the use of proceeds of the Offering, the receipt of acceptance of the Offering by the TSX Venture Exchange, and the plans and business of Edison are forward-looking statements. There can be no assurance that such statements will prove to be accurate, and actual results and future events could differ materially from those anticipated in such statements. Forward-looking statements reflect the beliefs, opinions and projections on the date the statements are made and are based upon a number of assumptions and estimates that, while considered reasonable by the Company, are inherently subject to significant business, economic, competitive, political and social uncertainties and contingencies. Many factors, both known and unknown, could cause actual results, performance or achievements to be materially different from the results, performance or achievements that are or may be expressed or implied by such forward-looking statements and the parties have made assumptions and estimates based on or related to many of these factors. Such factors include, without limitation, the ability of the Company to close the Offering on the proposed terms or at all, and the ability of the Company to obtain acceptance by the TSX Venture Exchange. Readers should not place undue reliance on the forward-looking statements and information contained in this news release concerning these items. The Company does not assume any obligation to update these forward-looking statements should they change, except as required by applicable securities laws.
