INFORMATION CIRCULAR

(Containing information as at August 20, 2019 unless indicated otherwise)

SOLICITATION OF PROXIES

This Management Information Circular (“Information Circular”) is furnished in connection with the solicitation of proxies by the management of Medallion Resources Ltd. (the “Company” or “Corporation”) for use at the Annual General Meeting of Shareholders of the Company (and any adjournment thereof) to be held on Tuesday, September 24, 2019 (the “Meeting”) at the time and place and for the purposes set forth in the accompanying Notice of Meeting. While it is expected that the solicitation will be primarily by mail, proxies may be solicited personally or by telephone by the directors and officers of the Company at nominal cost. All costs of solicitation by management will be borne by the Company.

The contents and the sending of this Information Circular have been approved by the directors of the Company.

APPOINTMENT OF PROXYHOLDER

The individuals named in the accompanying form of proxy are Donald M. Lay, Chief Executive Officer, President and a Director of the Company and David Haber, Chairman of the Board of Directors of the Company. **A SHAREHOLDER WISHING TO APPOINT SOME OTHER PERSON (WHO NEED NOT BE A SHAREHOLDER) TO REPRESENT HIM AT THE MEETING HAS THE RIGHT TO DO SO, EITHER BY STRIKING OUT THE NAMES OF THOSE PERSONS NAMED IN THE ACCOMPANYING FORM OF PROXY AND INSERTING THE DESIRED PERSON’S NAME IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY OR BY COMPLETING ANOTHER FORM OF PROXY.** A proxy will not be valid unless the completed form of proxy is received by **COMPUTERSHARE INVESTOR SERVICES INC.**, Proxy Dept, 100 University Avenue, 8th Floor, Toronto, Ontario M5J 2Y1, at least 48 hours (excluding Saturdays, Sundays and holidays) before the time for holding the Meeting or any adjournment(s) or postponement(s) thereof. Proxies delivered after that time will not be accepted.

REVOCAION OF PROXIES

A shareholder who has given a proxy may revoke it by an instrument in writing executed by the shareholder or by his attorney authorized in writing or, where the shareholder is a corporation, by a duly authorized officer or attorney of the corporation, and delivered to the registered office of the Company, at Suite 1160 – 595 Howe Street, Vancouver, British Columbia, V6C 2T5 at any time up to and including the last business day preceding the day of the Meeting, or if adjourned, any reconvening thereof, or to the Chairman of the Meeting on the day of the Meeting or, if adjourned, any reconvening thereof or in any other manner provided by law. A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

ADVICE TO BENEFICIAL SHAREHOLDERS

Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Shareholders who do not hold their shares in their own name (referred to herein as “Beneficial Shareholders”) are advised that only proxies from shareholders of record can be recognized and voted at the Meeting. Beneficial Shareholders who complete and return an instrument of proxy must indicate thereon the person (usually a brokerage house) who holds their shares as a registered shareholder. Every intermediary (broker) has its own mailing procedure, and provides its own return instructions, which should be carefully followed. The instrument of proxy supplied to Beneficial Shareholders is identical to that provided to registered shareholders. However, its purpose is limited to instructing the registered shareholder how to vote on behalf of the Beneficial Shareholder.

If common shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those common shares will not be registered in such shareholder's name on the records of the Company. Such common shares will more likely be registered under the name of the shareholder's broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities, which company acts as nominee for many Canadian brokerage firms). Common shares held by brokers or their nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, brokers/nominees are prohibited from voting shares for their clients. The directors and officers of the Company do not know for whose benefit the common shares registered in the name of CDS & Co. are held.

In accordance with National Instrument 54-101 of the Canadian Securities Administrators, the Company has distributed copies of the Notice of Meeting, this Information Circular and the Proxy to the clearing agencies and intermediaries for onward distribution to Beneficial Shareholders. Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings unless the Beneficial Shareholders have waived the right to receive meeting materials. Every intermediary/broker has its own mailing procedures and provides its own return instructions, which should be carefully followed by Beneficial Shareholders in order to ensure that their common shares are voted at the Meeting. Often the form of proxy supplied to a Beneficial Shareholder by its broker is identical to the form of proxy provided by the Company to the registered shareholders. However, its purpose is limited to instructing the registered shareholder how to vote on behalf of the Beneficial Shareholder, should a Beneficial Shareholder receiving such a form wish to vote at the Meeting, the Beneficial Shareholder should strike out the names of the Management Proxyholders named in the form and insert the Beneficial Shareholder's name in the blank provided. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge. Broadridge typically applies a special sticker to the proxy forms, mails those forms to the Beneficial Shareholders and asks Beneficial Shareholders to return the proxy forms to Broadridge. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of common shares to be represented at the Meeting. **A Beneficial Shareholder receiving a proxy with a Broadridge sticker on it cannot use that proxy to vote common shares directly at the Meeting – the proxy must be returned to Broadridge well in advance of the Meeting in order to have the common shares voted.**

These Meeting materials are being sent to both registered and non-registered owners of the securities. If you are a non-registered owner, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf.

By choosing to send this Information Circular to you directly, the Company (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering the Information Circular to you; and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

The Company will not pay for intermediaries to deliver the Notice of Meeting, Information Circular and voting instruction form to objecting Beneficial Shareholders, and objecting Beneficial Shareholders will not receive the Meeting materials unless their intermediary assumes the cost of delivery.

All references to shareholders in this Information Circular and the accompanying form of Proxy and Notice of Meeting are to shareholders of record unless specifically stated otherwise.

VOTING OF PROXIES

SHARES REPRESENTED BY PROPERLY EXECUTED PROXIES IN FAVOUR OF PERSONS DESIGNATED IN THE ENCLOSED FORM OF PROXY WILL BE VOTED **FOR** ALL MATTERS TO BE VOTED ON AT THE MEETING AS SET OUT IN THIS INFORMATION CIRCULAR OR WITHHELD FROM VOTING IF SO INDICATED ON THE FORM OF PROXY.

The common shares represented by proxies will, on any poll where a choice with respect to any matter to be acted upon has been specified in the form of proxy, be voted in accordance with the specification made.

SUCH COMMON SHARES WILL ON A POLL BE VOTED **IN FAVOUR** OF EACH MATTER FOR WHICH NO CHOICE HAS BEEN SPECIFIED OR WHERE BOTH CHOICES HAVE BEEN SPECIFIED BY THE SHAREHOLDER.

The enclosed form of proxy when properly completed and delivered and not revoked confers discretionary authority upon the person appointed proxy thereunder to vote with respect to amendments or variations of matters identified in the Notice of Meeting, and with respect to other matters which may properly come before the Meeting. In the event that amendments or variations to matters identified in the Notice of Meeting are properly brought before the Meeting or any further or other business is properly brought before the Meeting, it is the intention of the persons designated in the enclosed form of proxy to vote in accordance with their best judgment on such matters or business. The Company has an amended stock option plan (the “Stock Option Plan”) which entitles the Company to grant to its directors, officers, employees and consultants, stock options to purchase up to a maximum of 10% of the Company’s issued and outstanding common shares as at the time grant. The Stock Option Plan is prepared in compliance with the policies of the Exchange and is ratified, confirmed and approved by the Company’s shareholders annually. The Stock Option Plan is administered by the Board of Directors. The exercise price for a stock option must not be less than the market price of the common shares of the Company at the time the option is granted, less applicable discounts permitted by the policies of the Exchange. Stock options granted under the Stock Option Plan are exercisable over a period not exceeding five years, subject to earlier termination after certain events such as the option holder’s ceasing to be an option holder, disability or death. The aggregate number of options granted to any option holder in a twelve month period must not exceed 5% of the issued and outstanding common shares of the Company, and the maximum number of options which may be granted to insiders within any twelve month period must not exceed 10% of the issued and outstanding common shares of the Company (unless the Company has obtained disinterested shareholder approval of such grants as required by the Exchange). Oversight and Description of Named Executive Officer and Director Compensation

Named Executive Officer Compensation

The Company has a Compensation Committee which has the sole responsibility of administering compensation policies related to executive management of the Company. It looks at industry standards when compensating the Executive Officers.

The Compensation Committee is made up of David Haber, Chairman of the Board of Directors of the Company, Rod McKeen, Director of the Company, and Andrew Morden, Director of the Company. Mr. Haber, acting as non-executive chairman on a part-time basis, Mr. Morden, and Mr. McKeen are independent.

Compensation policies and programs are designed to focus on shareholder return and development of the Company. The Company’s objective is to attract, motivate and retain highly qualified and competent executives critical to the success of the Company. The NEO’s are not compensated in their capacities as executive officers of the Company, except for the granting of stock options, but are compensated for providing management and consulting services to the Company. See “*Statement of Executive Compensation – Employment, Consulting and Management Agreements*”.

Subject to the provisions of the Stock Option Plan, the Company may grant stock options that entitle the holders to purchase in total up to a maximum of 10% of the issued and outstanding share capital of the Company at the time the options are granted. As the Company grows, stock options provide participants with a reward for the long term

contribution of NEO's and employees towards the growth and success of the Company. The Company's practice is to grant such number of stock options in order to stay close to the authorized maximum of options outstanding by issuing incremental options every year and granting options to new NEO's or employees depending on the circumstances. Options help in retaining NEO's and employees during difficult economic periods when salaries and bonuses are restricted by necessity. The Board of Directors consider such factors as individual performance, the significance of an individual's contribution to the success of the Company, experience and length of service in determining the amounts of options awarded. Previous grants of stock options are taken into account when stock options are granted.

As of the date of this Information Circular, the Stock Option Plan provides the Company with the ability to grant stock options to purchase up to 3,878,364 common shares (10% of shares currently issued and outstanding) of which 3,815,278 common share options are outstanding as at August 20, 2019. During the fiscal year ended March 31, 2019, the Company granted Nil common share stock options to the NEO's.

Director Compensation

The Compensation Committee determines director compensation from time to time and makes recommendations to the Board of Directors for their approval. Directors are not generally compensated in their capacities as such but the Company may, from time to time, grant to its directors incentive stock options to purchase common shares in the capital of the Company pursuant to the terms of the Stock Option Plan and in accordance with the policies of the Exchange.

Recent Significant Changes to the Company's Compensation Policies

There have been no significant changes to the Company's compensation policies during the financial year ended March 31, 2019 that could or will have an effect on Named Executive Officer or director compensation.

Pension Plan Benefits

The Company does not provide retirement benefits for directors or executive officers.

CORPORATE GOVERNANCE DISCLOSURE

On June 30, 2005, National Instrument 58-101 – *Disclosure of Corporate Governance Practices* ("NI 58-101") and National Policy 58-201 – *Corporate Governance Guidelines* ("NP-58-201") came into force in every province and territory in Canada. In addition, the Company is subject to NI 52-110, which has been adopted in various Canadian provinces and territories and which prescribes certain requirements in relation to audit committees and defines the meaning of independence with respect to directors. These reflect current regulatory guidelines of the Canadian Securities Administrators ("CSA"). The Company's corporate governance practices are set out below.

Independence of Members of Board

The Company's Board of Directors consists of five directors, four of whom are independent based upon the tests for independence set forth in NI 52-110. Donald Lay is not independent as he is the Chief Executive Officer of the Company. David Haber, acting as non-executive chairman on a part-time basis, Rod McKeen, Andrew Morden and David Shaw are independent.

Management Supervision by Board

The operations of the Company do not support a large Board of Directors and the Board has determined that the current size and constitution of the Board is appropriate for the Company's current stage of development. Independent supervision of management is accomplished through choosing management who demonstrate a high level of integrity and ability and having strong independent Board members. The independent directors are able to meet at any time without any members of management including the non-independent directors being present.

Participation of Directors in Other Reporting Issuers

The participation of the directors in other reporting issuers is described in the following table.

<u>Name of Director</u>	<u>Names of Other Reporting Issuers the Director is a Director of</u>
Donald M. Lay	Sojourn Ventures Inc.
David A. Haber	None
Rod McKeen	QX Metals Corp.
Andrew Morden	None
David Shaw	First Majestic Silver Corp. Great Quest Fertilizer Inc. First Mining Finance Corp. (formerly Albion Petroleum Ltd.)

Orientation and Continuing Education

While the Company does not have formal orientation and training programs, new Board members are provided with:

1. access to recent, publicly filed documents of the Company, technical reports and the Company's internal financial information;
2. access to management and technical experts and consultants; and
3. a summary of significant corporate and securities law responsibilities.

Board members are encouraged to communicate with management, auditors and technical consultants, to keep themselves current with industry trends and developments and changes in legislation with management's assistance and to attend related industry seminars and visit the Company's operations. Board members have full access to the Company's records.

Ethical Business Conduct

The Board views good corporate governance as an integral component to the success of the Company and to meet responsibilities to shareholders. The Board has adopted a Code of Conduct and has instructed its management and consultants to abide by the Code. The Code of Conduct was filed on SEDAR on September 4, 2008.

Nomination of Directors

The Board has responsibility for identifying potential Board candidates. The Board assesses potential Board candidates to fill perceived needs on the Board for required skills, expertise, independence and other factors. Members of the Board and representatives of the mineral exploration industry are consulted for possible candidates. If a candidate looks promising, the Board will conduct due diligence on the candidate and if the results are satisfactory, the candidate is invited to join the Board.

Compensation of Directors, the Chief Executive Officer and Other Key Officers

To determine compensation payable, the Compensation Committee reviews compensation paid for the directors, Chief Executive Officer and President and the Chief Financial Officer as well as other key officer positions, of companies of similar size and stage of development in the mineral resource industry and determines an appropriate compensation reflecting the need to provide incentive and compensation for the time and effort expended by the directors and senior management while taking into account the financial and other resources of the Company. In setting compensation the independent directors annually review the performance of the key members of senior management in light of the Company's objectives and consider other factors that may have impacted the success of

the Company in achieving its objectives. See “*Statement of Executive Compensation – Oversight and description of Named Executive Officer and Director Compensation*” for further details.

Board Committees

As the directors are actively involved in the operations of the Company and the size of the Company’s operations does not at this time warrant a larger board of directors, the Board has determined that additional committees beyond the existing Audit Committee and Compensation Committee are not necessary at this stage of the Company’s development.

Assessments

The Board does not have any standing committees other than the Audit Committee and the Compensation Committee. The Board does not consider that formal assessments would be useful at this stage of the Company’s development. The Board conducts informal annual assessments of the Board’s effectiveness, the individual directors and each of its committees. As part of the assessments, the Board or the individual committee may review its mandate and conduct reviews of applicable corporate policies.
