

Urban Infrastructure Group Inc. Announces Awarding of Contract

Brampton, Ontario--(Newsfile Corp. - December 4, 2025) - Urban Infrastructure Group Inc. (TSXV: UIG) ("UIG" or the "Corporation"), a concrete and drainage infrastructure construction company focused on new residential housing projects, has received a contract for concrete and drainage work for a residential development in Oakville, Ontario. The contract is for 161 homes in total with work already commenced on 89 homes in December 2025.

This project underscores UIG's expertise in delivering critical infrastructure for large-scale residential communities and its commitment to supporting the growth of dynamic regions like Halton.

"We are pleased to partner on the Oakville development," said Gary Alves, Chief Executive Officer. "The awarding of this contract further recognizes UIG's commitment to quality and efficient delivery of concrete and drainage solutions essential for sustainable communities."
