WESCAN ENERGY CORP.
MANAGEMENT INFORMATION CIRCULAR
FOR THE ANNUAL AND SPECIAL MEETING OF SHAREHOLDERS
TO BE HELD ON SEPTEMBER 28, 2023

SOLICITATION OF PROXIES

This Management Information Circular (the “**Circular**”) is furnished in connection with the solicitation of proxies by or on behalf of the management of WesCan Energy Corp. (“**WesCan**” or the “**Corporation**”) for use at the Annual General and Special Meeting of the holders (“**Shareholders**”) of common shares (“**Common Shares**”) of the Corporation (the “**Meeting**”). The Meeting will be held at 2500, 520 - 5th Avenue S.W., Calgary, Alberta, T2P 3R7 on the 28th day of September, 2023 at 11:00 a.m. (Calgary time) for the purposes set forth in the Notice of Meeting (the “**Notice**”) accompanying this Circular. It is expected that such solicitation will be primarily by mail. Proxies may also be solicited personally by officers of the Corporation at nominal cost. The information contained in this Circular is given as of August 24, 2023, except where otherwise indicated.

Although it is expected that the solicitation of proxies will be primarily by mail, proxies may also be solicited personally or by telephone, facsimile or other proxy solicitation services. In accordance with National Instrument 54-101, arrangements have been made with brokerage houses and other intermediaries, clearing agencies, custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of the Common Shares held of record by such persons and the Corporation may reimburse such persons for reasonable fees and disbursements incurred by them in doing so. The costs thereof will be borne by the Corporation.

APPOINTMENT AND REVOCATION OF PROXIES

The persons named (the “Management Designees”) in the enclosed instrument of proxy (“Instrument of Proxy”) have been selected by the directors of the Corporation and have indicated their willingness to represent as proxy the Shareholder who appoints them. A Shareholder has the right to designate a person (whom need not be a Shareholder) other than the Management Designees to represent him or her at the Meeting. Such right may be exercised by inserting in the space provided for that purpose on the Instrument of Proxy the name of the person to be designated and by deleting therefrom the names of the Management Designees, or by completing another proper form of proxy and delivering the same to the transfer agent of the Corporation. Such Shareholder should notify the nominee of the appointment, obtain the nominee's consent to act as proxy and should provide instructions on how the Shareholder's shares are to be voted. The nominee should bring personal identification with him to the Meeting. In any case, the form of proxy should be dated and executed by the Shareholder or an attorney authorized in writing, with proof of such authorization attached (where an attorney executed the proxy form). In addition, a proxy may be revoked by a Shareholder personally attending at the Meeting and voting his shares.

A form of proxy will not be valid for the Meeting or any adjournment thereof unless it is completed and delivered to the Corporation's transfer agent, Olympia Trust Company at PO Box 128, STN. M, Calgary, Alberta, T2P 2H6, Attn: Proxy Dept., at least forty-eight (48) hours, excluding Saturdays, Sundays and holidays, before the Meeting or any adjournment thereof. Late proxies may be accepted or rejected by the Chairman of the Meeting in his discretion, and the Chairman is under no obligation to accept or reject any particular late proxy.

A Shareholder who has given a proxy may revoke it as to any matter upon which a vote has not already been cast pursuant to the authority conferred by the proxy. In addition to revocation in any other manner permitted by law, a proxy may be revoked by depositing an instrument in writing executed by the Shareholder or by his authorized attorney in writing, or, if the Shareholder is a corporation, under its

corporate seal by an officer or attorney thereof duly authorized, either at the registered office of the Corporation or with Olympia Trust Company at PO Box 128, STN. M, Calgary, Alberta, T2P 2H6, Attn: Proxy Dept., at any time up to and including the last business day preceding the date of the Meeting, or any adjournment thereof at which the proxy is to be used, or by depositing the instrument in writing with the Chairman of such Meeting on the day of the Meeting, or at any adjournment thereof. In addition, a proxy may be revoked by the Shareholder personally attending the Meeting and voting his shares.

ADVICE TO BENEFICIAL SHAREHOLDERS

The information set forth in this section is of significant importance to many Shareholders, as a substantial number of Shareholders do not hold Common Shares in their own name. Shareholders who hold their Common Shares through their brokers, intermediaries, trustees or other persons, or who otherwise do not hold their Common Shares in their own name (referred to in this Circular as “**Beneficial Shareholders**”) should note that only proxies deposited by Shareholders who appear on the records maintained by the Corporation's registrar and transfer agent as registered holders of Common Shares will be recognized and acted upon at the Meeting. If Common Shares are listed in an account statement provided to a Beneficial Shareholder by a broker, those Common Shares will, in all likelihood, *not* be registered in the Shareholder's name. Such Common Shares will more likely be registered under the name of the Shareholder's broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities, which acts as nominee for many Canadian brokerage firms). Common Shares held by brokers (or their agents or nominees) on behalf of a broker's client can only be voted (for or against resolutions) at the direction of the Beneficial Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting shares for the broker's clients. **Therefore, each Beneficial Shareholder should ensure that voting instructions are communicated to the appropriate person well in advance of the Meeting.**

Existing regulatory policy requires brokers and other intermediaries to seek voting instructions from Beneficial Shareholders in advance of Shareholders' meetings. The various brokers and other intermediaries have their own mailing procedures and provide their own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. The form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is substantially similar to the Instrument of Proxy provided directly to registered Shareholders by the Corporation. However, its purpose is limited to instructing the registered Shareholder (i.e., the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The vast majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”) in Canada. Broadridge typically prepares a machine-readable voting instruction form, mails those forms to Beneficial Shareholders and asks Beneficial Shareholders to return the forms to Broadridge, or otherwise communicate voting instructions to Broadridge (by way of the Internet or telephone, for example). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting. **A Beneficial Shareholder who receives a Broadridge voting instruction form cannot use that form to vote Common Shares directly at the Meeting. The voting instruction forms must be returned to Broadridge (or instructions respecting the voting of Common Shares must otherwise be communicated to Broadridge) well in advance of the Meeting in order to have the Common Shares voted. If you have any questions respecting the voting of Common Shares held through a broker or other intermediary, please contact that broker or other intermediary for assistance.**

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of his broker, a Beneficial Shareholder may attend the Meeting as proxyholder for the registered Shareholder and vote the Common Shares in that capacity. **Beneficial Shareholders who wish to attend the Meeting and indirectly vote their Common Shares as proxyholder for the registered Shareholder, should enter their own names in the blank space on the**

form of proxy provided to them and return same to their broker (or the broker's agent) in accordance with the instructions provided by such broker.

All references to Shareholders in this Circular and the accompanying Instrument of Proxy and Notice of Meeting are to registered Shareholders unless specifically stated otherwise.

This Circular and the accompanying Instrument of Proxy and Notice of Meeting may have been sent directly by the Corporation, rather than through an intermediary, to non-objecting beneficial owners under National Instrument 54-101. These securityholder materials are being sent to both registered and non-registered owners of the securities. If you are a non-registered owner, and the Corporation or its agent has sent these materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf. By choosing to send these materials to you directly, the Corporation (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

VOTING OF PROXIES

Each Shareholder may instruct his proxy how to vote his Common Shares by completing the blanks on the Instrument of Proxy. All Common Shares represented at the Meeting by properly executed proxies will be voted or withheld from voting (including the voting on any ballot), and where a choice with respect to any matter to be acted upon has been specified in the Instrument of Proxy, the Common Shares represented by the proxy will be voted in accordance with such specification. **In the absence of any such specification as to voting on the Instrument of Proxy, the Management Designees, if named as proxy, will vote in favour of the matters set out therein. In the absence of any specification as to voting on any other form of proxy, the Common Shares represented by such form of proxy will be voted as per the recommendations set forth herein.**

The enclosed Instrument of Proxy confers discretionary authority upon the Management Designees, or other persons named as proxy, with respect to amendments to or variations of matters identified in the Notice of Meeting and any other matters which may properly come before the Meeting. As of the date hereof, the Corporation is not aware of any amendments to, variations of or other matters which may come before the Meeting. In the event that other matters come before the Meeting, then the Management Designees intend to vote in accordance with the judgment of management of the Corporation.

QUORUM

The by-laws of the Corporation provide that a quorum of Shareholders is present at a meeting of Shareholders if at least one (1) person is present in person or by proxy, representing in the aggregate not less than five (5%) per cent of the outstanding Common Shares.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

As of the date of this Circular, WesCan had 41,472,958 issued and outstanding Common Shares. Shareholders of record as of August 24, 2023 (the “**Record Date**”) are entitled to receive notice of and attend and vote at the Meeting. The Common Shares are the only shares entitled to be voted at the Meeting and holders of Common Shares are entitled to one vote for each Common Share held.

Holders of Common Shares of record at the close of business on the Record Date are entitled to vote such Common Shares at the Meeting on the basis of one vote for each Common Share held except to the extent

that, (a) the holder has transferred the ownership of any of his Common Shares after the Record Date, and (b) the transferee of those Common Shares produces properly endorsed share certificates, or otherwise establishes that he owns the Common Shares, and demands not later than ten (10) days before the day of the Meeting that his name be included in the list of persons entitled to vote at the Meeting, in which case the transferee will be entitled to vote his Common Shares at the Meeting.

To the best knowledge of the directors and officers of the Corporation, no person beneficially owns, directly or indirectly, or exercises control or direction over more than ten (10%) per cent of the voting rights attached to all of the issued and outstanding Common Shares as at the date of this Circular except as indicated in the following table:

Name	Number of Common Shares Beneficially Owned, Directly or Indirectly	Percentage of Common Share Beneficially Owned, Directly or Indirectly
Leo Berezan	8,343,800	20.18%

MATTERS TO BE ACTED UPON AT THE MEETING

1. Receipt of the Financial Statements and Auditors' Report

At the Meeting, Shareholders will receive and consider the financial statements of the Corporation for the years ended March 31, 2022 and March 31, 2023, the auditors' reports thereon but no vote by the Shareholders with respect thereto is required or proposed to be taken. These materials have all been filed under the Corporation's profile on SEDAR at www.sedar.com.

2. Fixing the Number of Directors and Election of Directors

The Corporation currently has four (4) directors. The Board of Directors has set the number of directors to be elected at the Meeting at five (5) directors.

The Corporation received an advance notice of nomination of directors in accordance with the Corporation's by-laws (the "Notice") on August 8, 2023, pursuant to which four (4) directors were nominated. The Notice was subsequently withdrawn following settlement discussions with the nominating shareholder and agreement on the five (5) management nominees set out below.

The following table sets forth the name of each of the five (5) persons proposed to be nominated for election as a director, all positions and offices in the Corporation presently held by such nominee, the nominee's municipality of residence, principal occupation at the present and during the preceding five years, the period during which the nominee has served as a director, and the number and percentage of Common Shares of the Corporation that the nominee has advised are beneficially owned by the nominee, directly or indirectly, or over which control or direction is exercised, as of the effective date of this Circular.

Unless otherwise directed, it is the intention of the Management Designees, if named as proxy, to vote FOR the election of two of the persons named in the following table to the Board of Directors, being Greg Busby and Leo Berezan. At this time, Management is not recommending that Shareholders vote in favour of any other nominees but will vote any proxies received in the manner in which they are directed to be voted. Management does not contemplate that any of such nominees will be unable to serve as directors; however, if for any reason any of the proposed nominees do not stand for election or are unable to serve as such, **proxies held by Management Designees will be voted for another nominee in their discretion unless the shareholder has specified in his form of proxy that his Common Shares are to be withheld from voting in the election of directors.** Each director elected will hold office until the next annual general meeting of shareholders or until his successor is duly elected, unless his office is earlier vacated in accordance with the by-laws of the Corporation or the provisions of the *Business Corporations*

Act to which the Corporation is subject. Approval by the TSX Venture Exchange is required for all directors wishing to serve on the board for a company whose shares are listed and posted for trading on such exchange and in the event that such approval is not obtained, such nominees may be required to resign prior to the next annual general meeting of the Corporation and such vacancy may or may not be filled prior to such time at the discretion of the Corporation.

3. Appointment of Auditor

The shareholders of the Corporation will be asked to vote for the appointment of MNP LLP, Chartered Accountants (“MNP”), as auditor of the Corporation. **Unless directed otherwise by a proxy holder, or such authority is withheld, the Management Designees, if named as proxy, intend to vote the Common Shares represented by any such proxy in favour of a resolution appointing MNP LLP, as auditor of the Corporation for the next ensuing year,** to hold office until the close of the next annual general meeting of shareholders or until MNP is removed from office or resigns as provided by the Corporation's by-laws, and the Management Designees also intend to vote the Common Shares represented by any such proxy in favour of a resolution authorizing the Board of Directors to fix the compensation of the auditor. MNP has been the auditor of the Corporation since May 31, 2023. The Corporation’s prior auditor, Manning Elliott LLP, resigned on May 31, 2023 and was replaced by MNP LLP effective as of that date. 4. Annual Approval of the Stock Option Plan

In accordance with Policy 4.4 of the TSX Venture Exchange (the “TSXV”), a TSXV listed issuer that has a “rolling” stock option plan must have its Shareholders re-approve the plan on an annual basis. The Corporation’s incentive stock option plan (the “**Option Plan**”) is a “rolling” stock option plan and was most recently re-approved in accordance with TSXV requirements at the last annual general and special meeting of Shareholders on June 15, 2022.

The number of authorized but unissued Common Shares that may be subject to options granted to optionees under the Option Plan shall not exceed 10% of the Common Shares issued and outstanding at the date of grant. The purpose of the Option Plan is to provide directors, officers, employees and consultants of WesCan with an opportunity to purchase Common Shares and benefit from the appreciation thereof. This proprietary interest in WesCan provides an incentive to contribute to the future success and prosperity of WesCan, thus enhancing the value of the Common Shares for the benefit of all Shareholders and increasing the ability of WesCan to attract and retain persons of experience by aligning the interests of executives and employees with the growth and profitability of the Corporation. The longer-term focus of the Option Plan complements and balances the short-term elements of the compensation program of the Corporation.

The Option Plan is administered by the Board of Directors and all decisions and interpretations of the Board respecting the Option Plan or stock options granted thereunder shall be conclusive and binding on the Corporation and on the optionees. The Board of Directors may, at any time and from time to time, grant options under the Option Plan on terms and conditions to be determined by the Board of Directors from time to time, subject to the conditions contained in the Option Plan and subject to the policies of the TSXV.

The exercise price of the stock options shall be fixed by the Board of Directors at the date of grant, provided that such price shall not be less than that permitted by any stock exchange upon which the Common Shares are then listed and posted for trading. The maximum for which stock options may be exercisable is ten years, but such term may be shortened by the Board of Directors in any stock option agreement, and all stock options will be subject to early termination in accordance with the provisions of the Option Plan relating to the cessation of the optionee as a director, officer, employee or consultant, either due to termination of employment or due to death or permanent disability. The aggregate number of Common Shares reserved for issuance pursuant to stock options granted to any one individual in any 12 month period may not exceed five percent of the issued and outstanding Common Shares at the date of grant. The aggregate number of Common Shares reserved for issuance pursuant to stock options granted to any one consultant or granted to employees conducting investor relations activities in any 12 month period may not exceed two percent of the issued and outstanding Common Shares at the date of grant. In addition, the issuance to any one insider and such insider’s associates pursuant to the Option Plan and other share compensation arrangements within a 12 month period may not exceed five percent of the outstanding Common Shares at the date of grant.

At the Meeting, Shareholders will again be requested to re-approve the Option Plan in accordance with the TSXV requirements. The Board of Directors recommends that Shareholders vote in favour of the ordinary resolution approving the Option Plan. In order to be effective, the resolution shall be decided by a simple majority of votes cast by holders of Common Shares present in person or by proxy at the Meeting. The text of the ordinary resolution regarding this matter is as follows:

“BE IT RESOLVED AS AN ORDINARY RESOLUTION THAT:

- 1. the incentive stock option plan of the Corporation (the “Option Plan”), is hereby approved, adopted and confirmed, in accordance with Policy 4.4 of the Corporate Finance Manual of the TSX Venture Exchange (the “TSXV”);**
- 2. notwithstanding that this resolution has been passed by the Shareholders of the Corporation, the adoption of the Option Plan is conditional upon receipt of final approval from the TSXV and the directors of the Corporation are hereby authorized and empowered to revoke this resolution, without any further approval of the Shareholders of the Corporation, at any time if such revocation is considered necessary or desirable by the directors;**
- 3. the form of the Option Plan may be amended in order to satisfy the requirements or requests of any regulatory authorities, or at the discretion of the board of directors acting in the best interests of the Corporation without requiring further approval of the Shareholders of the Corporation;**
- 4. the Corporation be authorized to grant stock options pursuant to and subject to the terms and conditions of the Option Plan;**
- 5. all issued and outstanding stock options previously granted are hereby continued under and governed by the Option Plan; and**
- 6. any one director or officer of the Corporation is authorized, on behalf of the Corporation, to execute and deliver all documents and do all things as such person may determine to be necessary or advisable to give effect to this resolution, and to complete all transactions in connection with the Option Plan and in compliance with the policies of the stock exchange on which the Corporation is listed.”**

Unless otherwise directed, the Management Designees named in the accompanying Instrument of Proxy intend to vote such proxies FOR the ordinary resolution to re-approve the Option Plan.

STATEMENT OF EXECUTIVE COMPENSATION

Compensation discussion and analysis

Compensation, Philosophy and Objectives

During the most recently completed financial year ended March 31, 2023, the Corporation had a Compensation Committee responsible for determining the compensation of directors and officers. In discharging its mandate, the Compensation Committee meets to discuss and determine management compensation, generally without reference to formal objectives, criteria or analysis. The general objectives of the Corporation’s compensation strategy are to (a) compensate management in a manner that encourages and rewards a high level of performance and outstanding results with a view to increasing long term Shareholder value; (b) align management’s interests with the long term interest of Shareholders; (c) provide a compensation package that is commensurate with other junior resource exploration companies to enable it to attract and retain talent; and (d) to ensure that the total compensation package is designed in a manner that takes into account the constraints that the Corporation is under by virtue of the fact that it is a junior exploration company without a history of substantial earnings. The Compensation Committee ensures that total compensation paid to all Named Executive Officers, as hereinafter defined, is fair and reasonable. See *“Corporate Governance Disclosure - Compensation”*.

The Board is satisfied that there were not any identified risks arising from the Corporation's compensation plans or policies that would have had any negative or material impact on the Corporation. The Corporation does not have any policy in place to permit an executive officer or director to purchase financial instruments, including, for greater certainty, prepaid variable forward contracts, equity swaps, collars, or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the executive officer or director.

Analysis of Elements

Base salary is used to provide the Named Executive Officers a set amount of money during the year with the expectation that each Named Executive Officer will perform his responsibilities to the best of his ability and in the best interests of the Corporation. At present, the Corporation does not have a set bonus policy or performance based incentive plans other than the Option Plan. The awarding of bonuses is strictly at the discretion of the Board. During the year ending March 31, 2023, the Corporation did not pay bonuses to the Named Executive Officers in order to supplement the issuance of option-based awards. The Corporation considers the granting of incentive stock options to be a significant component of executive compensation as they allow the Corporation to reward each Named Executive Officer's efforts to increase value for Shareholders without requiring the Corporation to use cash from its treasury. Stock options are generally awarded to directors, officers, consultants and employees at the commencement of employment and periodically thereafter.

The terms and conditions of the Corporation's stock option grants, including vesting provisions and exercise prices, are governed by the terms of the Corporation's Option Plan as disclosed elsewhere herein.

Long Term Compensation and Option Based Awards

The Corporation has no long term incentive plans other than the Option Plan. The Corporation's directors, officers, consultants and employees are entitled to participate in the Option Plan. The Option Plan is designed to encourage share ownership and entrepreneurship on the part of the senior management and other employees. The Board believes that the Option Plan aligns the interests of the Named Executive Officer and the Board with Shareholders by linking a component of executive compensation to the long term performance of the Common Shares.

Options are granted by the Board at its discretion. In monitoring or adjusting the option allotments, the Board takes into account its own observations on individual performance (where possible) and its assessment of individual contribution to Shareholder value, previous option grants and the objectives set for the Name Executive Officers and the Board. The scale of options is generally commensurate to the appropriate level of base compensation for each level of responsibility. In addition to determining the number of options to be granted pursuant to the methodology outlined above, the Board also determines the parties who are entitled to participate in the Option Plan, the exercise price for each stock option granted (subject to the provision that the exercise price cannot be lower than the than prescribed discount permitted by the TSXV), the vesting period, if any, for each stock option, the other material terms and conditions of each stock option grant, and any re-pricing or amendment to a stock option grant. The Board makes these determinations subject to and in accordance with the provisions of the Option Plan. The Board reviews and approves grants of options on an annual basis and periodically during the financial year.

Summary Compensation Table of NEOs

“Named Executive Officer” or “NEO” means the Chief Executive Officer (“CEO”), the Chief Financial Officer (“CFO”) and each of the three most highly compensated executive officers, other than the Chief Executive Officer and the Chief Financial Officer, who were serving as executive officers at the end of the most recently completed fiscal year of March 31, 2023 and whose total salary and bonus exceeds \$150,000,

as well as any additional individuals for whom disclosure would have been provided except that the individual was not serving as an officer of the Corporation at the end of the most recently completed financial year end. Disclosure is required for the three most recently completed financial years that ended on March 31, 2023.

The compensation paid to the Named Executive Officers during the Corporation's three most recently completed financial years that end on or before March 31, 2023 is detailed below.

- (1) “**Share-Based Award**” means an award under an equity incentive plan of equity-based instruments that do not have option-like features, including, for greater certainty, common shares, restricted shares, restricted share units, deferred share units, phantom shares, phantom share units, common share equivalent units and stock.
- (2) “**Option-Based Award**” means an award under an equity incentive plan of options, including, for greater certainty, share options, share appreciation rights and similar instruments that have option-like features. The “grant date fair value” is determined by using the Black-Sholes option pricing model. Calculating the value of stock options using the Black-Scholes option pricing model is very different from a simple “in-the-money” value calculation. In fact, stock options that are well out-of-the-money can still have a significant “grant date fair value” based on a Black-Scholes option pricing model, especially where, as in the case of the Corporation, the price of the share underlying the option is highly volatile. Accordingly, caution must be exercised in comparing grant date fair value amounts with cash compensation or an in-the-money option value calculation.

- (4) Mr. Cassels was appointed as CFO and Vice-President, Finance on May 30, 2013.

Consulting Contracts of NEOs and Termination and Change of Control Benefits

The Corporation entered into an employment agreement with the CEO, Mr. Busby, effective September 5, 2012. Pursuant to the employment agreement, the Corporation has agreed to pay Mr. Busby an annual base salary of \$205,000 and reimburse Mr. Busby for all reasonable expenses. In the event of termination of the employment agreement without just cause or in the event of a change of control, Mr. Busby is entitled to payment of an amount equal to two times the current annual base salary, plus one and a half of the amount paid under all of the employee benefits which would have been available for a period of 18 months from the date of the termination. The Corporation is required to put in place a life insurance policy in the amount of \$1,000,000 with Mr. Busby named as the beneficiary. The employment agreement is in effect until terminated in accordance with its terms. If Mr. Busby had been terminated without cause as of March 31, 2023, he would have been entitled to receive \$410,000 plus the continuation of his benefits until the date that is eighteen (18) months from that date.

Other than set forth above, as at March 31, 2023, the Corporation had no compensatory plan, contract or arrangement where a NEO is entitled to receive any compensation from the Corporation (including periodic payments or instalments) to compensate such executive officer in the event of resignation, retirement or other termination of the NEO's employment with the Corporation, a change of control of the Corporation or its subsidiaries, or a change in responsibilities of the NEO following a change in control.

Compensation of Directors

During the last completed financial year ended March 31, 2023, the Corporation had four (4) directors, one of which was also a NEO. Named Executive Officers who also act as directors of the Corporation do not receive any additional compensation for services rendered in such capacity, other than as paid by the Corporation to such executive officers in their capacity as executive officers. For a description of the compensation paid to the NEO who also acts as a director of WesCan, see “*Statement of Executive Compensation - Summary Compensation Table of NEOs*”.

The Corporation currently does not pay officers or directors of the Corporation for attending directors meetings or for serving on committees. The Corporation has no arrangements, standard or otherwise, pursuant to which directors are compensated by the Corporation for their services as directors, for committee participation, or for involvement in special assignments during the most recently completed financial year other than the grant of stock options and the reimbursement of expenses incurred. None of the Corporation’s directors have received any cash compensation for services provided in their capacity as directors during the Corporation’s most recently completed financial year ended March 31, 2023.

There is no formal policy for the granting of stock options under the Option Plan to directors, though stock options are normally granted to directors upon, or shortly thereafter, their commencement of service with the Corporation. Options may be granted by the Board from time to time upon the recommendation of the Compensation Committee.

Equity Compensation Plan Information

The only equity compensation plan which the Corporation has in place is the Option Plan which was previously approved by Shareholders at the last annual general meeting on June 15, 2022. The Option Plan was established to provide incentive to qualified parties to increase their equity interest in the Corporation and thereby encourage their continuing association with the Corporation. The Option Plan is detailed more fully under the heading “*Matters to be Acted Upon at the Meeting - Annual Approval of Stock Option Plan*”.

The following table sets out those securities of the Corporation which have been authorized for issuance under equity compensation plans as of March 31, 2023:

AUDIT COMMITTEE AND RELATIONSHIP WITH AUDITORS

National Instrument 52-110 *Audit Committees* (“**NI 52-110**”) requires the Corporation, as a venture issuer, to disclose annually in its management information circular certain information concerning the constitution of its audit committee (the “**Audit Committee**”) and its relationship with its independent auditors, as set forth in the following discussion.

The Audit Committee's Mandate

A copy of the mandate of the WesCan Audit Committee is attached as Schedule “A” to the Corporation’s Management Information Circular dated January 31, 2013 and filed on SEDAR at www.sedarplus.ca on February 6, 2013 and is incorporated herein by reference.

Composition of the Audit Committee

As of the date hereof, the Audit Committee is comprised of Richard D. Orman, Greg Busby and Jim Pollock. Richard D. Orman and Jim Pollock are considered independent for the purposes of NI 52-110. Mr. Busby is considered non-independent as he is the President and CEO of WesCan. For the purposes of NI 52-110,

a member of an audit committee is independent if the member has no direct or indirect material relationship with a company. A material relationship means a relationship which could, in the view of a company's board of directors, reasonably interfere with the exercise of a member's independent judgment.

For the purposes of NI 52-110, a member of an audit committee is considered financially literate if he or she has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by a company.

Audit Committee Oversight

Since the commencement of the Corporation's most recently completed fiscal year, the Board has not failed to adopt a recommendation of the Audit Committee to nominate or compensate an external auditor.

Reliance on Certain Exemptions

At no time since the commencement of the Corporation's most recently completed financial year has the Corporation relied on the exemption in Section 2.4 of NI 52-110 (De Minimis Non-audit Services), or an exemption from NI 52-110, in whole or in part, granted under Part 8 of NI 52-110 (securities regulatory authority exemption).

Pre-Approval Policies and Procedures

The Audit Committee must pre-approve any engagement of the external auditors for any non-audit services to the Corporation in accordance with applicable law and policies and procedures to be approved by the Board. The engagement of non-audit services will be considered by the Board on a case by case basis.

External Auditor Service Fees

In the following table, "audit fees" are fees billed by the Corporation's external auditors for services provided in auditing the Corporation's annual financial statements for each of the last two (2) fiscal years

of WesCan ended March 31, 2022 and 2023. “Audit-related fees” are fees not included in audit fees that are billed by the auditors for assurance and related services that are reasonably related to the performance of the audit or review of the Corporation’s financial statements. “Tax fees” are fees billed by the auditors for professional services rendered for tax compliance, tax advice and tax planning. “All other fees” are fees billed by the auditors for products and services not included in the foregoing categories.

Fiscal Period Ended	Audit Fees	Audit Related Fees	Tax Fees	All Other Fees
March 31, 2022	\$37,800	-	-	-
March 31, 2023	\$50,000	-	-	-

Exemption

The Corporation is relying on the exemption provided by section 6.1 of NI 52-110 which provides that the Corporation, as a “venture issuer”, is not required to comply with Part 3 (Composition of the Audit Committee) and Part 5 (Reporting Obligations) of NI 52-110.

CORPORATE GOVERNANCE DISCLOSURE

The following is provided pursuant to National Instrument 58-101 *Disclosure of Corporate Government Practices* (“NI 58-101”) to satisfy the form requirements of Form 58-101F2 with respect to matters set out under National Policy 58-201 *Corporate Governance Guidelines*.

Composition of the Board of Directors

The role of the Board is to supervise the management of the business and affairs of the Corporation with a view to the best interests of the Corporation and its Shareholders. The Board is currently comprised of four (4) members. Three (3) members of the Board, Richard D. Orman, Jim Pollock and Leo Berezan, qualify as “independent” directors within the meaning of section 1.4 of NI 52-110 although Mr. Berezan is considered non-independent pursuant to the rules of the TSX Venture Exchange by virtue of being a control person of the Corporation. Greg T. Busby is deemed to have a direct or indirect material relationship with WesCan and is thereby considered “non-independent” director within the meaning of section 1.4 of NI 52-110, as Mr. Busby is the President and CEO of WesCan.

NI 58-101 suggests that the board of directors of a public company should be constituted with a majority of individuals who qualify as “independent” directors. As disclosed above, seventy-five percent of the Board are independent directors pursuant to applicable securities laws and half of the board is independent pursuant to the rules and policies of the TSX Venture Exchange. In addition, the independent judgment of the Board in carrying out its responsibilities is the responsibility of all directors. The Board of the Corporation facilitates independent supervision of management through meetings of the Board and through frequent informal discussions among independent members of the Board and management. In addition, the Board has free access to the Corporation’s external auditors, legal counsel and to any of the Corporation’s officers.

Directorships

The following details the names of other reporting issuers.

No current director acts as a director for any other reporting issuers other than Richard D. Orman who is a director of CannaPharmRx Inc. (OTC) – USA and Persta Resources Inc. (HKEX).

Orientation and Continuing Education

The Board has appointed a corporate governance and nominating committee (“**Governance Committee**”) which has been provided a mandate under the corporate governance and nominating committee charter (the “**Governance Committee Charter**”) to provide an orientation and education program to new Board members and continuing education as necessary. The Governance Committee is comprised of all members of the Board, with Messrs. Orman, Pollock and Berezan being considered independent under NI 52-110, subject to the disclosure above regarding Mr. Berezan’s independence. Mr. Busby is considered non-independent as he is the President and CEO of WesCan. To date, the Governance Committee has not developed an orientation and education program for new Board members. Currently, the majority of the Board has experience in acting as directors and/or officers of public as well as private corporations, or both. Legal counsel to the Corporation is also available to members of the Board to provide advice as to their legal obligations.

Ethical Business Conduct

Each member of the Board must comply with the conflict of interest provisions of the *Business Corporations Act* (Alberta), as well as the relevant securities regulatory instruments, in order to ensure that directors exercise independent judgment in considering transactions and agreements in respect of which a director or officer has a material interest. Any interested director would be required to declare the nature and extent of his interest and would not be entitled to vote at meetings of directors which evoke any such conflict.

Nomination of Directors

The Governance Committee Charter mandates the Governance Committee with the responsibility to report to the Board, nominees they believe to be qualified to be directors and in doing so, are to consider both the opportunities and risks facing the Corporation and the independence, expertise, experience, personal qualities and ability to make the necessary time commitment of a proposed nominee in order to add value to the Corporation.

Compensation

The Board has designated a compensation committee (“**Compensation Committee**”), currently comprised of all four (4) members of the Board, with Messrs. Orman, Pollock and Berezan, being considered independent under NI 52-110, subject to the disclosure above regarding Mr. Berezan’s independence. The Board has adopted a compensation committee charter (“**Compensation Committee Charter**”), which provides that the Compensation Committee is to assist the Board in fulfilling its obligations relating to human resources and compensation matters by preparing or receiving reports and making recommendations to the Board on matters including:

- (a) evaluation of the Corporation's senior management;
- (b) compensation of senior management, including the award of stock options;
- (c) management development and succession;
- (d) directors' compensation; and
- (e) such other matters as may be determined by the Board.

As of the date hereof, the Corporation has two employees. Mr. Greg T. Busby, President and CEO, who was engaged in such position(s) in September 2012 and John H. Cassels, Vice-President, Finance and CFO who was engaged in such position(s) in September 2012 and became an employee on January 1, 2023. Other than Mr. Busby and Mr. Cassels, the Corporation does not have any other employees and currently relies on the services of consultants for its day-to-day activities. Compensation of such consultants are

based on fair market rates for such services and expertise. In addition, the Corporation will reimburse directors and officers for out-of-pocket expenses incurred in their capacity as directors or officers of the Corporation.

All members of the Compensation Committee are knowledgeable about the Corporation's compensation programs and possess an understanding of compensation theory and practice, personnel management and development, succession planning and executive development. In addition, all members are "financially literate" within the meaning of National Instrument 52-110 and have accounting or related financial management experience and/or expertise.

Other Board Committees

In addition to the Board committees described above, the Board has constituted a reserves committee ("**Reserves Committee**") for the purpose of an annual independent review of WesCan's petroleum and natural gas reserves and reporting to the Board in respect thereof. The Reserves Committee is currently comprised of three (3) members of the Board, all of whom have extensive experience in oil and gas operations, being Messrs. Busby, Orman and Pollock. Messrs. Orman and Pollock are all considered independent under NI 52-110 while Mr. Busby is non-independent as the CEO of the Corporation. The mandate of the Reserves Committee is described in the "Mandate and Terms of Reference of the Reserve Committee" under which such committee has the responsibility to assist the Board in fulfilling its oversight duties generally and under National Instrument 51-101 *Standards of Disclosure for Oil and Gas Activities*.

Assessments

Under the Governance Committee Charter, the Board is responsible for developing and implementing a program for assessing the effectiveness of the individual directors, the Board and its committees, including considering the experience and expertise of members against the needs of each committee and the Board. The Governance Committee is to conduct an annual evaluation of the Board's effectiveness and shall report the results of the evaluation to the Chairman and the Board. At present, the Board has not implemented a formal assessment of the Board, its committees and the individual directors with respect to their effectiveness and contribution.

INTEREST OF CERTAIN PERSONS AND COMPANIES IN MATTERS TO BE ACTED UPON

None of the directors or senior officers of the Corporation, nor any person who held such a position since the beginning of the last financial year of the Corporation, nor any associate or affiliate of these persons has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting except as disclosed herein. As per the Corporation's public disclosure record, Mr. Berezan is a significant shareholder of the Corporation and also a creditor of the Corporation and put forth four of the five nominees for consideration at the Meeting pursuant to the Corporation's advance notice bylaw, such notice having been withdrawn following settlement discussions with the Corporation.

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

Other than as set forth herein, or as previously disclosed, the Corporation is not aware of any material interests, direct or indirect, by way of beneficial ownership of securities or otherwise, of any director or executive officer, proposed nominee for election as a director or any shareholder holding more than 10% of the voting rights attached to the Common Shares or any associate or affiliate of any of the foregoing in any transaction in the preceding financial year or any proposed or ongoing transaction of the Corporation which has or will materially affect the Corporation.

OTHER MATTERS

At the time of the printing of this Circular, management of the Corporation knows of no such amendments, variations or other matters to come before the Meeting other than the matters referred to in the Notice of Meeting. If any such matter or if any amendments to or variations of the matters identified in the Notice of Meeting should properly come before the Meeting, proxies received pursuant to this solicitation will be voted on such matters, amendments or variations in accordance with the best judgement of the persons voting the proxy.
