The Company has issued:

- 1,250,000 flow-through units (the “FT Units”) at a price of \$0.10 per FT Unit for gross proceeds of \$125,000; and
- 500,000 non-flow-through units (the “NFT Units”) at a price of \$0.10 per NFT Unit for gross proceeds of \$50,000.

The proceeds from the sale of the FT Units will be used to incur eligible Canadian Exploration Expenses (“CEE”) that will qualify as “flow-through mining expenditures” under the Income Tax Act (Canada). Proceeds from the sale of the NFT Units will be used for general working capital and corporate purposes.

All securities issued in connection with the financing are subject to a statutory hold period of four months and one day from the date of issuance. The private placement remains subject to final approval of the TSX Venture Exchange.
