Overview

Pool Safe was a privately-held corporation, which was incorporated on October 27, 2011 pursuant to the *Business Corporations Act* (Ontario). Pool Safe was a privately-held corporation until April 24, 2017, the date upon which Pool Safe completed its listing requirements and became publicly trading on the TSX-V.

Pool Safe manufactures and sells a product known as the “PoolSafe”, which functions as a multi-purpose safe, beverage holder, and solar-powered charger for USB compatible devices including phones, cameras and tablets. The PoolSafe product is targeted towards the owners and operators of hotels, resorts, waterparks and cruise ships, and is designed to provide their ultimate consumers with security, convenience and guest services.

Specifically engineered for its safety benefits, PoolSafe is a feature rich device installed with the purpose of providing guests peace of mind. Service call buttons installed on each PoolSafe enhance the pool and beach experience and alert services staff to guest needs. The cost is quickly recovered by providing additional revenue including PoolSafe rental fees, increased food and beverage orders and optional media advertising. PoolSafe will continue to add new services to its already feature rich design.

Currently, the Company earns revenues through direct sales of the PoolSafe as well as through a revenue-share partnership where there is no upfront capital cost to Pool Safe's customer. With this, Pool Safe also offers a DBS system, which is a touch screen application installed in the customers' food and beverage area. The touch screen alerts their staff when a guest has pressed the PoolSafe call button. Each PoolSafe is unique, thus enabling Pool Safe's customers to respond directly to their own customer needs. Pool Safe continues to develop its tablet and app product, an application that connects directly to the Point of Sale ("POS") system of the resort. This allows guests to place their own food and beverage orders directly as well as gain access to other amenities offered at the resorts location. The application is specific to each PoolSafe unit. The PoolSafe also provides for branding and customization opportunities. Each PoolSafe can be equipped with a branded lift-lid and a media wrap which will enable the Company to generate revenue while enhancing brand awareness.

The Company changed its financial year end to December 31 beginning with the financial year ended December 31, 2016.

Key Performance Indicators

Key performance indicators that the Company uses to manage its business and evaluate its financial results and operating performance include new customers, net investment in equipment, revenues, average yields, operating expenses and net income. The Company evaluates its performance on these metrics by comparing its actual results and normalized results to management budgets, forecasts and prior period performance.

Recent Events

On July 18, 2016, the Company entered into a letter of intent ("**LOI**") with Pounder Venture Capital Corp. ("**Pounder**") relating to a proposed business combination involving Pounder and Pool Safe. The proposed transaction was intended to constitute an arm's-length qualifying transaction for Pounder, as defined in Policy 2.4 of the TSX Venture Exchange. The LOI provided that the qualifying transaction would be undertaken by way of three-corner amalgamation, pursuant to which Pool Safe would amalgamate with a newly formed subsidiary of Pounder ("**AcquisitionCo**"), and, as such, approval of the Pool Safe shareholders would be required.

On April 19, 2017, the Company announced the completion of a financing that closed concurrently with the qualifying transaction, raising gross proceeds of approximately \$1.25-million through the sale of 247,268 units of the Company at a price of \$3.17 per PSI unit and the sale of 147,448 subscription receipts at a price of \$3.17 per subscription receipt. Each PSI unit consists of one PSI share and one-half of one warrant to purchase one PSI share at a price of \$5 for a period of two years from the date of issuance. In connection with the completion of the qualifying transaction, the subscription receipts converted on a one-for-one basis into a total of 147,448 PSI units. Echelon Wealth Partners Inc. acted as agent for the subscription receipt portion of the concurrent financing. In connection with the brokered concurrent financing, the agent received a cash commission equal to 7 per cent of the gross proceeds raised under the brokered concurrent financing, and non-transferable compensation options to acquire in aggregate that number of PSI units which is equal to 7 per cent of the number of subscription receipts issued under the brokered concurrent financing. Each such PSI agent's option is exercisable to purchase, subject to adjustment in accordance with the terms of the certificate representing the PSI agent's option, one PSI unit at the price of \$3.17 for a period of 24 months from April 18, 2017.
