MANAGEMENT INFORMATION CIRCULAR

(Unless otherwise stated, information contained herein is given as of November 10, 2025)

INFORMATION REGARDING PROXIES AND VOTING AT THE MEETING

Solicitation of Proxies

This Management Information Circular is furnished in connection with the solicitation of proxies by the management of Petrox Resources Corp. (the "Corporation") for use at the Annual General and Special Meeting of the holders (the "Shareholders") of common shares ("Common Shares") of the Corporation to be held at 10:00 AM on December 15, 2025 (Calgary time) (the "Meeting"), for the purposes set forth in the Notice of Annual General and Special Meeting (the "Notice") accompanying this Management Information Circular. Solicitation of proxies will be primarily by mail, but may also be undertaken by way of telephone, facsimile or oral communication by the directors, officers and regular employees of the Corporation, at no additional compensation. Costs associated with the solicitation of proxies will be borne by the Corporation.

Record Date

The record date for the Meeting is November 10, 2025 (the "Record Date"). Any Shareholder of record at the close of business on the Record Date who either attends the Meeting or has completed and delivered a form of proxy in the manner and subject to the provisions described below will be entitled to vote or to have his or her Common Shares voted at the Meeting. To the extent that a registered Shareholder has transferred the ownership of any Common Shares subsequent to the Record Date, the transferee of such Common Shares shall not be entitled to vote such Common Shares unless the transferee produces properly endorsed share certificates, or otherwise establishes that they own the Common Shares and requests, not later than 10 days before the Meeting, that their name be included on the Shareholder list before the Meeting, in which case the transferee shall be entitled to vote their Common Shares at the Meeting.

Completion of Proxies

The form of proxy affords Shareholders or intermediaries an opportunity to specify that the Common Shares registered in their name shall be voted for or against or withheld from voting in respect of: (i) fixing the number of directors for the ensuing year; (ii) the election of directors; (iii) the appointment of the auditor of the Corporation; (iv) the approval of the consolidation of the Common Shares of the Corporation on an up to ten to one (10:1) basis; (v) the approval of the Corporation's stock option plan; and (vi) any other matter which may properly come before the Meeting.

The persons named in the enclosed form of proxy are the Chief Executive Officer and the Chief Financial Officer, respectively, of the Corporation.

A REGISTERED SHAREHOLDER OR AN INTERMEDIARY HOLDING COMMON SHARES ON BEHALF OF AN UNREGISTERED SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON, WHO NEED NOT BE THE SHAREHOLDER, TO ATTEND AND ACT ON THEIR BEHALF AT THE MEETING, IN THE PLACE OF THE PERSONS DESIGNATED IN THE INSTRUMENT OF PROXY FURNISHED BY THE CORPORATION. TO EXERCISE THIS RIGHT, THE SHAREHOLDER OR INTERMEDIARY SHOULD STRIKE OUT THE NAMES OF THE PERSONS NAMED IN THE INSTRUMENT OF PROXY AND INSERT THE NAME OF THEIR NOMINEE IN THE BLANK SPACE PROVIDED OR SUBMIT ANOTHER APPROPRIATE PROXY.

The Instrument of Proxy must be dated and signed by the registered Shareholder, or by his or her attorney authorized in writing or by the intermediary. In the case of a Shareholder that is a corporation, the Instrument of Proxy must be executed under its corporate seal or signed by a duly authorized officer or attorney for the corporation with proof of authority accompanying the Instrument of Proxy.

In order to be effective, the Instrument of Proxy, together with the power of attorney or other authority, if any, under which it was signed or a notarially certified copy thereof, must be: (i) mailed so as to be deposited at the office of the Corporation's transfer agent, Odyssey Trust Company, Trader's Bank Building, Suite 1100, 67 Yonge St. Toronto, ON, M5E 1J8, Attention: Proxy Department; or (ii) completed online at <https://vote.odysseytrust.com>, not later than 48 hours preceding the time of the Meeting or deposited with the Chairman of the Meeting on the day of the Meeting via email at proxy@odysseytrust.com prior to the commencement of the Meeting. No instrument appointing a proxy shall be valid after the expiration of 12 months from the date of its execution. If an Instrument of Proxy is not dated, it will be deemed to bear the date on which it was mailed to Shareholders by management of the Corporation.

Exercise of Discretion by Proxyholders

A Shareholder or intermediary may indicate the manner in which the persons named in the enclosed Instrument of Proxy are to vote with respect to any matter by checking the appropriate space. On any poll, those persons will vote or withhold from voting the Common Shares in respect of which they are appointed in accordance with the directions, if any, given in the Instrument of Proxy. If the Shareholder or intermediary wishes to confer a discretionary authority with respect to any matter, the space should be left blank. IN SUCH INSTANCE, THE PERSONS NAMED IN THE ENCLOSED INSTRUMENT OF PROXY INTEND TO VOTE THE COMMON SHARES REPRESENTED BY THE PROXY IN FAVOUR OF EACH MOTION.

The enclosed Instrument of Proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting. As of the date hereof, management of the Corporation knows of no such amendment, variation or other matter. However, if any other matters which are not now known to management should properly come before the Meeting, the proxies in favour of management nominees will be voted on such matters in accordance with the best judgment of the management nominees.

Revocation of Proxies

A Shareholder or intermediary who has submitted an Instrument of Proxy may revoke it by instrument in writing executed by the Shareholder or intermediary or his or her attorney authorized in writing, or, if the Shareholder is a corporation, under its corporate seal and executed by a director, officer or attorney thereof duly authorized, and deposited either with the Corporation at its offices as aforesaid at any time prior to the close of business on the second last business day preceding the day of the Meeting, or deposited with the Chairman of the Meeting prior to the commencement of the Meeting on the day of the Meeting at proxy@odysseytrust.com, and upon such deposit the previous Instrument of Proxy is revoked.

Advice to Beneficial Holders of Securities

The information set forth in this section is of significant importance to many public Shareholders of the Corporation, as a substantial number of the public Shareholders of the Corporation do not hold Common Shares in their own name. Shareholders who do not hold their Common Shares in their own name (referred to in this Circular as "Beneficial Shareholders") should note that only proxies deposited by Shareholders whose names appear on the records of the Corporation as the registered holders of Common Shares can be recognized and acted upon at the Meeting. If Common Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Common Shares will not be registered in the Shareholder's name on the records of the Corporation. Such Common Shares will more likely be registered under the name of the Shareholder's broker or an agent of that broker. In Canada, the vast majority of such Common Shares are registered under the name of CDS & Co. (the registration name for CDS Clearing and Depository Services Inc. which acts as nominee for many Canadian brokerage firms). Common Shares held by brokers or their nominees can only be voted (for or against resolutions)

upon the instructions of the Beneficial Shareholder. Without specific instructions, brokers and nominees are prohibited from voting Common Shares for their clients. The directors and officers of the Corporation do not know for whose benefit the Common Shares registered in the name of CDS & Co. are held. Therefore, Beneficial Shareholders cannot be recognized at the Meeting for the purposes of voting the Common Shares in person or by way of proxy, except as set forth below.

Applicable regulatory policy requires intermediaries and brokers to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every intermediary and broker has its own mailing procedures and provides its own return instructions, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. Often, the form of proxy supplied to a Beneficial Shareholder by its broker is identical to the Instrument of Proxy provided to registered Shareholders. However, its purpose is limited to instructing the registered Shareholder how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("Broadridge"). Broadridge typically prepares its own proxy forms, mails those forms to the Beneficial Shareholders and asks Beneficial Shareholders to return the proxy forms to Broadridge. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. A Beneficial Shareholder receiving a proxy from Broadridge cannot use that proxy to vote Common Shares directly at the Meeting - the proxy must be returned to Broadridge well in advance of the Meeting in order to have the Common Shares voted.

IF YOU ARE A BENEFICIAL SHAREHOLDER AND WISH TO VOTE AT THE TIME OF THE MEETING, PLEASE CONTACT YOUR BROKER OR AGENT WELL IN ADVANCE OF THE MEETING TO DETERMINE HOW YOU CAN DO SO.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED ON

Except as disclosed in this Management Information Circular, none of the directors or executive officers of the Corporation at any time since the beginning of the Corporation's last financial year, nor any proposed nominee for election as a director of the Corporation, nor any associate or affiliate of any of the foregoing persons, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise in any matter to be acted on, other than the election of directors or the appointment of auditors.

Oversight and Description of Directors and Named Executive Officers Compensation

Compensation of Named Executive Officers:

The Board of Directors sets the compensation received by Named Executive Officers so as to be generally competitive with the compensation received by persons with similar qualifications and responsibilities who are engaged by other companies of corresponding size, stage of development, having similar assets, number of

employees, market capitalization and profit margin. In setting such levels, the Board of Directors will rely primarily on their own experience and knowledge.

The executive compensation program adopted by the Corporation and applied to its executive officers is designed to attract and retain qualified and experienced executives who will contribute to the success of the Corporation. The executive compensation program attempts to ensure that the compensation of the senior executive officers provides a competitive base compensation package and a strong link between corporate performance and compensation. Senior executive officers are motivated through the program to enhance long-term shareholder value.

Compensation provided to Named Executive Officers consists of two principal components: salary (including potential bonuses) and stock options granted under the Corporation's stock option plan, described below. In addition to base salary, the Board of Directors may from time to time pay a bonus to Named Executive Officers for either the accomplishment of specific performance criteria or for exceptional performance. Currently, compensation is not tied any performance criteria or goals. Pursuant to the Corporation's stock option plan, the Board of Directors, at its discretion, determines all grants of stock options to Named Executive Officers and Directors. Such grants are considered incentives intended to align the Named Executive Officers', Directors' and Shareholders' interests in the long term.

Compensation of Directors:

The Board of Directors sets the compensation received by directors. Currently, the Corporation does not compensate its directors in their capacity as directors of the Corporation except that each director is eligible to receive stock options granted pursuant to the Corporation's stock option plan. The Corporation has compensated the directors with stock options in the past but did not issue stock options during Fiscal 2024; consequently, no compensation was paid to the directors of the Corporation, in their capacity as directors, during Fiscal 2024.

Pension Disclosure

The Corporation does not have any defined benefit or defined contribution pension plans in place which provide for payments or benefits at, following, or in connection with retirement.

Corporate Cease Trade Orders or Bankruptcies

Mr. Blair Jordan was Interim CEO, CFO, and a director of Ascent Industries Corp. (“Ascent”) when, on Friday, March 1, 2019, the Supreme Court of British Columbia issued an order granting Ascent’s application for creditor protection under the Companies’ Creditors Arrangement Act (Canada). The order also extends protection to Agrima Botanicals Corp., Bloom Holdings Ltd., Bloom Meadows Corp., Pinecone Products Ltd., Agrima Scientific Corp. and West Fork Holdings NV Inc. These proceedings did not include or impact the operations and activities of Ascent’s other subsidiaries, including operations in Oregon, Nevada, and Denmark. The aforementioned companies sought creditor protection to address near term liquidity issues, which were in large part caused by the ongoing suspension of their licenses by Health Canada which were negatively impacting their ability to complete a strategic alternatives process in sufficient time to address its short term liquidity issues. In the circumstances, the board of directors of Ascent determined that a CCAA proceeding was the most prudent and effective way to carry on business and maximize value for Ascent’s stakeholders. While under CCAA protection, Ascent continued its day-to-day operations and, on April 5, 2019, completed the sale of its Canadian assets and certain related liabilities for approximately \$41.5m. On April 26, 2019, Mr. Jordan resigned as an officer and director of Ascent.

On April 30, 2021, the Ontario Securities Commission appointed PriceWaterhouseCoopers Inc. (“PwC”) as receiver over all the assets and undertaking of Bridging Finance Inc., to whom Mjardin Group Inc. (the “Company”) owed over \$160 million. As a result, on April 30, 2021, the Company announced a review of strategic alternatives available to the Company due to liquidity issues given the amount of debt on its balance sheet, including a sales and investment solicitation process (“SISP”) relating to its assets. On May 26, 2021, given his background in cannabis and capital markets, Mr. Jordan agreed to act as a director and member of the Special Committee of the directors of the Company in connection with a proposed restructuring of the Company’s balance sheet, and turnaround of operations. From the date of his appointment as a director, the Company worked vigorously towards a restructuring of its balance sheet, which included a wide ranging SISP of both its Canadian and US assets, and the development of two turnaround plans.

However, notwithstanding the work undertaken towards the restructuring and turnaround, PwC, as receiver, determined to place the Company into receivership on March 23, 2022. Mr. Jordan resigned as a director and officer immediately prior to the Order of the Superior Court of Ontario in that regard.

On June 6, 2024, Minas Metals Corp. (CSE: MINA), a company where Mr. Jordan is a director, was subject to a cease trade order for failure to file as a result of MINA's delay in the filing of its unaudited interim financial statements, management's discussion and analysis and related CEO and CFO certifications. The cease trade order was lifted on June 25, 2024 when all the required filings were completed.

Other than as disclosed above, no director or proposed director of the Corporation:

- (a) is, as at the date of this Management Information Circular, or has been, within 10 years before the date of this Management Information Circular, a director, chief executive officer or chief financial officer of any company (including the Corporation) that,
 - (i) was subject to a cease trade or similar order or an order that denied the company access to any exemptions under securities legislation, that was in effect for a period of more than 30 consecutive days that was issued while the proposed director was acting in the capacity as director, chief executive officer or chief financial officer; or
 - (ii) was subject to a cease trade or similar order or an order that denied the company access to any exemptions under securities legislation, that was in effect for a period of more than 30 consecutive days that was issued after the proposed director ceased to be a director, chief executive officer or chief financial officer and which resulted from an event that occurred while that person was acting in the capacity as director, chief executive officer or chief financial officer;
- (b) is, as at the date of this Management Information Circular, or has been within 10 years before the date of this Management Information Circular, a director or executive officer of any company (including the Corporation) that, while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets; or
- (c) has, within the 10 years before the date of this Management Information Circular, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of the proposed director.

Penalties or Sanctions

No director or proposed director of the Corporation is or has been the subject to any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority or to any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable securityholder in deciding whether to vote for a proposed director.

3. Appointment of Auditors

Unless otherwise directed, the management designees named in the accompanying instrument of proxy intend to vote in favour of the appointment of MNP LLP, Chartered Accountants, as auditors of the Corporation. MNP LLP has served as the Corporation's auditors since June 2012. Approval of the appointment of the auditors will require the affirmative votes of the holders of not less than half of the votes cast in respect thereof by Shareholders present in person or by proxy at the Meeting. **Unless instructed otherwise, the management designees in the accompanying Instrument of Proxy intend to vote "FOR" the resolution.**

4. Approval of Share Consolidation

As of the date of this Management Information Circular, the Corporation is undertaking a non-brokered private placement of convertible debentures (“**Debentures**”) having an aggregate principal amount of a minimum of \$250,000.00 and a maximum of \$350,000.00 (the “**Offering**”). The Debentures shall mature one year from the date of issue and shall bear no interest. The Corporation may prepay the indebtedness under the Debentures at any time upon 30 days prior written notice, without penalty.

The policies of the TSX Venture Exchange (the “**Exchange**”) may require that an issuer consolidate its common shares in the event that the issuer completes a private placement at an issue price of less than \$0.05 per share. In connection with the Offering and in order to comply with the policies of the Exchange, the Corporation wishes to complete a consolidation of the common shares of its share capital (the “Common Shares”) on an up to 10:1 basis (the “**Consolidation**”) with the Consolidation ratio being determined at the discretion of the directors of the Corporation.

Further to this, Shareholders at the Meeting will be asked to consider, and, if deemed advisable, to pass with or without variation, a special resolution approving the Consolidation. If approved by the shareholders, the authorization for the Consolidation would expire 15 months from the date of approval. The Corporation intends to complete the Consolidation as soon as possible after shareholder approval is obtained.

If the Consolidation is completed, for each ten Common Shares currently held by a Shareholder (or such lesser number as may be applicable in the event that directors determine to employ a Consolidation ratio that is less than ten to one (10:1) basis), each Shareholder will, as a result of the Consolidation, receive one Common Share after the Consolidation takes effect.

The Consolidation will not materially affect the percentage ownership in the Corporation of Shareholders even though such ownership will be represented by a smaller number of Common Shares. The Consolidation will merely proportionally reduce the number of Common Shares held by Shareholders.

The Corporation believes that, while the Consolidation should have no economic effect on the aggregate market value of the Common Shares, it expected that the post-Consolidation market price per share would increase in roughly the inverse proportion to the consolidation ratio.

No fractional Common Shares will be issued in connection with the Consolidation. If, as a result of the Consolidation, a Shareholder would otherwise be entitled to a fraction of a Common Share, an adjustment will be made to the next higher whole number of Common Shares and the Shareholder will not be entitled to any further consideration.

If at least the minimum Offering is raised, the Corporation intends to complete the Consolidation on a 10:1 basis and the principal of the Debentures would automatically convert into Common Shares upon completion of the Consolidation at a conversion price of \$0.05 per share, resulting in the issuance of 5,000,000 Common Shares, or 7,000,000 Common Shares if the maximum Offering is raised. Should a 10:1 Consolidation not be completed (for example, if the Consolidation is completed at less than a 10:1 basis or if it is not completed at all), the Debentures would not be converted and would be repayable in cash at maturity or in advance with 30 days prior written notice, without penalty.

The Offering and the Consolidation are subject to the approval of the Exchange. The Exchange has conditionally approved both the Offering and the Consolidation.

At the Meeting Shareholders shall be asked to pass a resolution in the following form:

“BE IT RESOLVED as a special resolution of the Corporation that:

- 1. subject to the receipt of any necessary regulatory approval, the articles of the Corporation be amended to consolidate the issued and outstanding common shares of**

the Corporation (“Common Shares”) on an up to ten to one (10:1) basis (the “Consolidation”), provided that:

- (a) no fractional Common Shares will be issued in connection with the Consolidation of the Common Shares; and
 - (b) this resolution shall expire 15 months from the date hereof;
2. any director or officer of the Corporation be and is hereby authorized to do all things and execute all instruments necessary or desirable to give effect to this special resolution including, without limitation, to deliver Articles of Amendment, in duplicate, to the Registrar under the *Business Corporations Act* (Alberta); and
 3. notwithstanding that this special resolution has been duly passed by the holders of Common Shares, the directors of the Corporation be, and they are hereby authorized and empowered to revoke this resolution at any time prior to the issue of a Certificate of Amendment giving effect to the amendment to the Articles of the Corporation set forth above and to determine not to proceed with the amendment without further approval of the holders of Common Shares, or to complete the Consolidation at a ratio that is less than ten to one (10:1).”

Approval of the Consolidation will require the affirmative votes of the holders of not less than of 66⅔% of the votes cast in respect thereof by Shareholders present in person or by proxy at the Meeting and will require the approval of regulatory authorities. Notwithstanding whether the special resolution is passed by Shareholders, the directors of the Corporation may revoke it at any time prior to the issuance of a Certificate of Amendment giving effect to the Consolidation. **Unless instructed otherwise, the management designees in the accompanying Instrument of Proxy intend to vote “FOR” the special resolution approving the Consolidation.**

5. Ratification and Approval of Stock Option Plan

In accordance with the TSXV’s Policy 4.4 governing stock options, all issuers that have a rolling stock option plan reserving a maximum of 10% of the issued and outstanding shares of the Corporation must receive yearly shareholder approval of the stock option plan. The Corporation’s Plan is a rolling stock option plan (see “*Stock Option Plans and Other Incentive Plans*” under the heading, Statement of Executive Compensation - Venture Issuers, above). The Board of Directors of the Corporation approved the Plan on November 10, 2025 in the form attached hereto as Schedule “C”. The TSXV requires the Plan to be approved by the Shareholders of the Corporation. The Plan is subject to TSXV acceptance. If the TSXV finds the disclosure to Shareholders to be inadequate, shareholder approval provided hereunder may not be accepted by the TSXV.

Management of the Corporation will place before the Meeting the following resolution relating to the approval of the Plan:

“BE IT RESOLVED, AS AN ORDINARY RESOLUTION, THAT:

1. The Corporation’s Stock Option Plan (the “Plan”) be and is hereby confirmed, ratified and approved in substantially the form attached as Schedule “C” to the Information Circular prepared for the purposes of this Meeting, subject to acceptance by the TSX Venture Exchange;
2. The Corporation be and is hereby authorized to grant stock options for up to 10% of the Common Shares of the Corporation outstanding from time to time pursuant and subject to the terms and conditions of the Plan;

3. **The previous existing stock options granted to directors, officers, employees and others be and are hereby ratified, confirmed and approved; and that all existing stock options becoming subject to the provisions of the Plan upon adoption by the Corporation;**
4. **The Board of Directors be and is hereby authorized, on behalf of the Corporation, to make any amendments to the Plan as may be required by regulatory authorities, without further approval of the shareholders of the Corporation, in order to ensure adoption of the Plan;**
5. **Notwithstanding that this resolution has been duly passed by the shareholders of the Corporation, without further resolution of shareholders, approval is hereby given to the Board of Directors of the Corporation, in their sole discretion, to revoke this resolution at any time and to refrain from implementing the Plan; and**
6. **Any one director or officer of the Corporation be and is hereby authorized and directed to do all such acts and things and to execute and deliver under the corporate seal or otherwise all such deeds, documents, instruments and assurances as in his opinion may be necessary or desirable to give effect to this resolution.”**

The approval by Shareholders requires a favourable vote of a majority of the Common Shares voted in respect thereof at the Meeting. The TSXV requires such approval before it will allow the adoption of the Plan. Options to purchase Common Shares that were previously granted to directors, officers and employees of the Corporation will be deemed to be granted under the Plan. **Unless instructed otherwise, the management designees in the accompanying Instrument of Proxy intend to vote “FOR” the foregoing resolution.**

The Board monitors ethical conduct of the Corporation and ensures that it complies with applicable legal and regulatory requirements, such as those of relevant securities commissions and stock exchanges. The Board has found that the fiduciary duties placed on individual directors by the Corporation's governing corporate legislation and the common law, as well as the restrictions placed by applicable corporate legislation on the individual director's participation in decision of the Board in which the director has an interest, have been sufficient to ensure that the Board operates independently of management and in the best interests of the Corporation.

The Board of Directors will set the compensation so as to be generally competitive with the compensation received by persons with similar qualifications and responsibilities who are engaged by other companies of corresponding size, stage of development, having similar assets, number of employees, market capitalization and profit margin. 16. Adjustments

In the event that the outstanding Shares of the Corporation are changed into or exchanged for a different number or kind of shares or other securities of the Corporation, or in the event that there is a reorganization, amalgamation, consolidation, subdivision, reclassification, dividend payable in capital stock or other change in the capital stock of the Corporation, then each Optionee shall thereafter upon the exercise of the option granted to him, be entitled to receive, in lieu of the number of Shares to which the Optionee was theretofore entitled upon such exercise, the kind and amount of shares or other securities or property which the Optionee would have been entitled to receive as a result of any such event if, on the effective date thereof, the Optionee had been the holder of the Shares to which he was theretofore entitled upon such exercise.

In the event the Corporation proposes to amalgamate, merge or consolidate with any other corporation (other than with a wholly-owned subsidiary of the Corporation) or to liquidate, dissolve or wind-up, or in the event an offer to purchase the Shares of the Corporation or any part thereof shall be made to all holders of Shares of the Corporation, the Corporation shall have the right, upon written notice thereof to each Optionee, to require the exercise of the option granted within the thirty (30) day period next following the date of such notice and to determine that upon the expiry of such thirty (30) day period, all rights of the Optionee to exercise same (to the extent not theretofore exercised) shall ipso facto terminate and cease to have any further force or effect whatsoever.

Notwithstanding the foregoing, any adjustment to options in accordance with this Section 15, other than in connection with a share consolidation or subdivision, must be subject to the prior acceptance of the Exchange, including adjustments related to an amalgamation, merger, arrangement, reorganization, spin-off, dividend or recapitalization.

17. Transferability

All benefits, rights and options accruing to any Optionee in accordance with the terms and conditions of the Plan shall not be transferable or assignable unless specifically provided herein. During the lifetime of an Optionee any benefits, rights and options may only be exercised by the Optionee.

18. Amendment and Termination of Plan

The board of directors may, at any time, suspend or terminate the Plan. The board may also at any time amend or revise the terms of the Plan subject to the Policies; provided that no such amendment or revision shall alter the terms of any options theretofore granted under the Plan and provided that any such amendment shall be subject to Exchange acceptance and, where applicable, shareholder approval.

19. Reduction of Exercise Price

If the Corporation agrees to amend any option agreement by reducing of the exercise price of an option or extending the term of an option, and if the Optionee is an Insider at the time of the amendment, such amendment shall be subject to disinterested shareholder approval in accordance with the Policies.

20. Necessary Approvals

The obligation of the Corporation to issue and deliver Shares in accordance with the Plan is subject to any approvals which may be required from any regulatory authority or stock exchange having jurisdiction over the securities of the Corporation. If any Shares cannot be issued to any Optionee for whatever reason, the obligation of the Corporation to issue such Shares shall terminate and any option exercise price paid to the Corporation will be returned to the Optionee.

21. Effective Date of Plan

The Plan has been adopted by the board of directors of the Corporation subject to the approval of the Exchange and, if so approved, the Plan shall become effective upon such approval being obtained, subject to disinterested shareholder approval being obtained in accordance with the Policies.

22. Interpretation

The Plan will be governed by and construed in accordance with the laws of Canada and of the Province of Alberta.
