

# M3 Metals JV Partner Surge Announces Soil Sampling on Recently Acquired Property

West Vancouver, British Columbia--(Newsfile Corp. - November 1, 2023) - **M3 Metals Corp. (TSXV: MT) (FSE: XOV) ("M3 Metals" or the "Company")** is pleased to announce that the Company's JV Partner, Surge Battery Metals Inc. ("Surge"), has retained Rangefront Geological (Rangefront) to perform detailed soil sampling at Surge's Nevada North Lithium Project (NNLP).

Surge continues to advance the NNLP, including the M3 Metals Land. A strategic acquisition was announced in July 2023 by entering into a mineral property option and joint venture agreement to acquire an initial 50% of the M3 Metals Land.

Rangefront collected 598 soil samples in the west/southwest corner of the expanded Surge property boundary which includes some of the property acquired from M3 Metals. The Company considers this area to be highly prospective and will further test for extensions of clay beds that were assayed for high levels of lithium in the 2022 and 2023 drilling programs.

Rangefront's Elko Nevada-based operations have worked closely with Surge in the past and have both the local and in-depth knowledge and expertise to complete this project.
