of Shareholders to be held on February 5, 2021

PROXIES

Solicitation of Proxies

This information circular – proxy statement is furnished in connection with the solicitation of proxies by or on behalf of our management for use at the Annual and General Meeting of our shareholders (the "**Meeting**") to be held at the offices of Burnet, Duckworth & Palmer LLP, Suite 2400, 525 – 8th Avenue S.W., Calgary, Alberta, on Friday, February 5, 2021, at 10:00 a.m., local time, and any adjournment thereof for the purposes set forth in the accompanying Notice of Annual and General Meeting. Only shareholders of record on December 31, 2020 are entitled to notice of, and to attend and vote at, the Meeting, unless a shareholder has transferred any shares subsequent to that date and the transferee shareholder, not later than 10 days before the Meeting, establishes ownership of the shares and demands that the transferee's name be included on the list of shareholders.

The instrument appointing a proxy must be in writing and must be executed by you or your attorney authorized in writing or, if you are a corporation, under your corporate seal or by a duly authorized officer or attorney of the corporation.

The persons named in the enclosed form of proxy are our officers or directors. **As a shareholder submitting a proxy you have the right to appoint a person (who need not be a shareholder) to represent you at the Meeting other than the person or persons designated in the form of proxy furnished by us. To exercise this right you should insert the name of the desired representative in the blank space provided in the form of proxy and strike out the other names or submit another appropriate proxy.** In order to be effective, the proxy must be deposited to the attention of the Corporation's President c/o the Proxy Department, AST Trust Company (Canada), P.O. Box 721, Agincourt, Ontario M1S 0A1, not less than forty-eight (48) hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting or any adjournment thereof.

The Corporation is very much aware of the public health concerns and requirements respecting the rapidly evolving COVID-19 pandemic. The Corporation asks that, in considering whether to attend the Meeting in person, shareholders follow the instructions of the Public Health Agency of Canada (www.canada.ca/en/public-health.html), the Alberta Health Services (www.albertahealthservices.ca) guidelines, and the Alberta Government restrictions on public gatherings (<https://www.alberta.ca/restrictions-on-gatherings.aspx>). Given these public health guidelines - in particular the crucial importance of "social distancing" – the Corporation encourages shareholders NOT to attend the Meeting in person, particularly if they are experiencing any of the described COVID-19 symptoms of fever, cough or difficulty breathing. Subject to the Corporation's by-laws, attendance in person at the Meeting will be restricted to essential personnel and registered shareholders and proxyholders entitled to attend and vote at the Meeting; no external guests will be allowed to attend.

Advice to Beneficial Holders of Common Shares

The information set forth in this section is of significant importance to you if you do not hold your common shares ("**Common Shares**") in your own name. Only proxies deposited by shareholders whose names appear on our records as the registered holders of Common Shares can be recognized and acted upon at the Meeting. If Common Shares are listed in your account statement provided by your broker, then in almost all cases those Common Shares will not be registered in your name on our records. Such Common Shares will likely be registered under the name of your broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name of CDS & Co., the registration name for CDS Clearing and Depository Services Inc., which acts as nominee for many Canadian brokerage firms. Common Shares held by your broker or their nominee can only be voted upon your instructions. Without specific instructions, your broker or their nominee is prohibited from voting your shares.

Applicable regulatory policy requires your broker to seek voting instructions from you in advance of the Meeting. Every broker has its own mailing procedures and provides its own return instructions, which you should carefully follow in order to ensure that your shares are voted at the Meeting. Often, the form of proxy supplied by your broker is identical to the form of proxy provided to registered shareholders. However, its purpose is limited to instructing the registered shareholder how to vote on your behalf. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. or another intermediary. If you receive a voting instruction form from Broadridge Financial Solutions, Inc. or another intermediary it cannot be used as a proxy to vote shares directly at the Meeting as the proxy must be returned (or otherwise reported as provided in the voting instruction form) as described in the voting instruction form well in advance of the Meeting in order to have the shares voted.

Although you may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of your broker (or agent of the broker), you may attend at the Meeting as proxyholder for the registered shareholder and vote Common Shares in that capacity. If you wish to attend the Meeting and indirectly vote your Common Shares as proxyholder for the registered shareholder, you should enter your own name in the blank space on the form of proxy provided to you and return the same to your broker (or the broker's agent) in accordance with the instructions provided by your broker (or agent), well in advance of the Meeting.

Revocability of Proxy

You may revoke your proxy at any time prior to a vote. If you or the person to whom you give your proxy attends personally at the Meeting you or such person may revoke the proxy and you may vote in person. In addition to revocation in any other manner permitted by law, a proxy may be revoked by an instrument in writing executed by you or your attorney authorized in writing or, if you are a corporation, under your corporate seal or by a duly authorized officer or attorney of the corporation. To be effective the instrument in writing must be deposited to our **President, c/o of the Proxy Department, AST Trust Company (Canada), P.O. Box 721, Agincourt, Ontario M1S 0A1**, at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof, at which the proxy is to be used, or with the Chairman of the Meeting on the day of the Meeting, or any adjournment thereof.

Persons Making the Solicitation

This solicitation is made on behalf of our management. We will bear the costs incurred in the preparation and mailing of the form of proxy, notice of Annual and General Meeting and this information circular – proxy statement. In addition to mailing forms of proxy, proxies may be solicited by personal interviews, or by other means of communication, by our directors, officers and employees who will not be remunerated therefor.

Exercise of Discretion by Proxy

The Common Shares represented by proxy in favour of management nominees will be voted on any poll at the Meeting. Where you specify a choice with respect to any matter to be acted upon the shares will be voted on any ballot in accordance with the specification so made. **If you do not provide instructions your shares will be voted in favour of the matters to be acted upon as set out herein.** The persons appointed under the form of proxy which we have furnished are conferred with discretionary authority with respect to amendments or variations of those matters specified in the form of proxy and notice of Annual and General Meeting and with respect to any other matters which may properly be brought before the Meeting or any adjournment thereof. At the time of printing this information circular – proxy statement, we know of no such amendment, variation or other matter.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

We are authorized to issue an unlimited number of Common Shares without nominal or par value which may be issued for such consideration as may be determined by resolution of our board of directors (the "**Board**"). As at December 31, 2020, there were 56,319,996 Common Shares issued and outstanding. As a holder of Common Shares, you are entitled to one vote on a ballot at the Meeting for each Common Share you own. A quorum for the transaction of business at the Meeting is at least a person or persons present in person holding or representing in the aggregate not less than 5% of the Common Shares entitled to be voted at the Meeting. We are also authorized to issue an unlimited number of preferred shares, issuable in series. Each

series is issuable upon the terms and conditions as set by our Board at the time of creation, subject to the class priorities. As at December 31, 2020, there were no preferred shares issued and outstanding.

To the knowledge of our directors and officers, as at December 31, 2020, no person or company beneficially owned, or controlled or directed, directly or indirectly, Common Shares carrying more than 10% of the votes attached to all of the issued and outstanding Common Shares.

The following information relating to the nominees as directors is based partly on our records and partly on information received by us from the nominees and sets forth the names and province/city and country of residence of all of the persons nominated for election as directors, the periods during which they have served as directors, their principal occupations or employments during the five preceding years and the approximate number of Common Shares beneficially owned, or controlled or directed, directly or indirectly, by each of them as of December 31, 2020.

Appointment of Auditors

At the Meeting, shareholders will be called upon to appoint the firm of BDO Canada LLP, of Calgary, Alberta, to serve as our auditors until the next annual meeting of our shareholders and to authorize our directors to fix their remuneration as such. BDO Canada LLP have been our auditors since June 22, 2020.

In 2020, the Audit Committee upon unanimous recommendation of the Audit Committee, the Board appointed BDO Canada LLP, Chartered Professional Accountants, be appointed as auditors of the Corporation effective June 22, 2020 until the close of the next annual general meeting of the shareholders of the Company. Among other reasons, the Audit Committee recommendation was based on BDO Canada LLP's competitive rates and knowledge of the industry and market in which the Company operates.

Attached to this Information Circular as Appendix A are copies of the documents filed with the regulatory authorities relating to the change of auditor, including a copy of the Notice of Change of Auditor. As indicated in the Notice of Change of Auditor, there were no reportable events (including disagreements, unresolved issues and consultations) in connection with the audits of the Company's financial statements by its auditor KPMG LLP for the two most recently completed financial years as at the date of the Notice of Change of Auditor, being the reports for the financial years ended December 31, 2019 and 2018.

The directors of our company unanimously recommend that shareholders vote for the appointment of BDO Canada LLP, Calgary, Alberta, as auditors of our company, at a remuneration to be fixed by the directors of our company.

Re-Approval of Option Plan

The TSX Venture Exchange ("**TSXV**") requires all listed companies with a 10% rolling option plan to obtain annual shareholder approval of such plan. Shareholders will be asked at the Meeting to vote on a resolution to re-approve, for the ensuing year the Corporation's rolling option plan (the "**Plan**"). The total number of Common Shares that may be issued pursuant to options outstanding at any time under the Plan shall not exceed 10% of the aggregate number of issued and outstanding Common Shares. The maximum number of Common Shares that may be reserved for issuance to any one person under the Plan is 5% of the Common Shares outstanding at the time of grant. In the event of the termination without cause or resignation or due to permanent disability of an optionee, an optionee may exercise such part of the Option as is exercisable immediately prior to such time within a period of 30 days following such occurrence in the case of an optionee who is engaged in "Investor Relations Activities" and within a period of 90 days following such occurrence in every other case but in no event later than the normal expiry date of the Option and any such Option not fully exercised at the end of such period shall then terminate. In the event of the death of any optionee prior to the expiry of outstanding Options granted to such optionee, the executors or personal representatives of the optionee have the right to exercise any such Option within 180 days of the optionee's death, but in no event later than the normal expiry date of the Option and for not more than the number of Options for which the optionee could have exercised any such Option immediately prior to the optionee's death, and any such Option not fully exercised at the end of such period shall then terminate. All option vesting is set by the Compensation and Corporate Governance Committee of the Board at the time of the award. A copy of the Plan will be available for inspection at the Meeting and will be sent to any shareholder upon request. As at December 31, 2020, 56,319,996 Common Shares were outstanding and options to purchase an additional 5,239,333 Common Shares (10% of the Common Shares outstanding) under the Option Plan were outstanding.

It is the intention of the persons named in the enclosed Proxy, in the absence of instructions to the contrary, to vote the Proxy in favour of the ordinary resolution approving the Plan.

EXECUTIVE COMPENSATION

The following sets forth information concerning the annual and long term compensation for services rendered to Champion Bear for the financial years ended December 31, 2020, 2019 and 2018 and in respect of each of the individuals who were the Named Executive Officers (or "**NEOs**") of Champion Bear during such financial year as determined in accordance with National Instrument 51-102 and the Champion Bear Board of Directors. None of the Named Executive Officers that were also directors of Champion Bear received any compensation for their services as a director.

Compensation Discussion and Analysis*Introduction*

The President and Chief Executive Officer of Champion Bear in conjunction with the Compensation, Nominating and Corporation Governance Committee is responsible for making recommendations to the Board with respect to the compensation of the Named Executive Officers. The Board ensures that total compensation paid to all Named Executive Officers is fair and reasonable and consistent with Champion Bear's compensation philosophy.

What are the objectives of the executive compensation program?

Compensation plays an important role in achieving short and long-term business objectives that ultimately drive business success in alignment with long-term shareholder goals.

Champion Bear's compensation philosophy is based on three fundamental principles:

- Strong link to business strategy – Champion Bear's short and long-term goals should be reflected in the overall executive compensation program;
- Performance sensitive – compensation should be linked to operating and market performance of Champion Bear and fluctuate with performance; and
- Market relevant – the executive compensation program should provide market competitive pay in terms of value and structure in order to retain existing employees who are performing according to their objectives and to attract new recruits of the highest calibre.

The objectives of the executive compensation program in compensating all Named Executive Officers are:

- to attract and retain highly qualified executive officers with a history of proven success;

- to align the interests of executive officers with shareholders' interests and with the execution of Champion Bear's business strategy;
- to evaluate executive performance on the basis of key financial measurements, which closely correlate to long-term shareholder value such as revenue, net income and relative total shareholder return; and
- to tie compensation directly to those measurements and rewards based on achieving and overachieving predetermined objectives.

What is the executive compensation program designed to reward?

The executive compensation program is designed to reward corporate and individual performance.

Corporate performance is generally measured and evaluated by reviewing actual performance versus the corporate objectives approved by the Champion Bear Board of Directors at the commencement of the fiscal year.

Individual performance is evaluated based on individual expertise, leadership and achievement of personal performance goals and objectives. In addition, the executive compensation program is designed to reward both short term and long term performance.

What are the elements of the executive compensation program?

Champion Bear's executive compensation program consists of three principal components: base salary; annual cash bonus; and long term incentive programs. The aggregate value of these components; and related benefits, is used as a basis for assessing the overall competitiveness of a Named Executive Officer's total compensation package.

What is the purpose of each element of the executive compensation program and how is the amount (and, where applicable, the formula) of each element determined?

Base Salaries and Annual Cash Bonuses

The base salary is considered the foundation of Champion Bear's executive compensation program. A base salary is intended to provide a fixed level of competitive pay that reflects the executive officer's primary duties and responsibilities. It also provides a foundation upon which incentive opportunities and benefit levels can be established. The Champion Bear Board of Directors considers a number of factors in the determination of base salaries for executive officers, including, generally, Champion Bear's long term interests, financial objectives, and overall performance, and more specifically, leadership ability, level of responsibility, individual performance, years of relevant experience and salaries paid by comparable corporations and entities. Salaries of the Named Executive Officers and all other officers are reviewed annually based upon corporate and personal performance and on individual levels of responsibility.

The annual cash bonus element of the executive compensation program is structured to drive and reward current year results. It is the Champion Bear Board of Director's philosophy that an individual bonus should be tied primarily to that individual's contribution to achieving corporate goals. The granting of annual bonus amounts is at the discretion of Champion Bear's Board of Directors, based upon recommendations from management.

Base salaries and bonuses are determined, in the case of employees, by senior management of Champion Bear and approved by the Champion Bear Board of Directors. Base salaries and bonus levels for Vice-Presidents are established by the Champion Bear Board of Directors in consultation with the President and Chief Executive Officer and the President and Chief Executive Officer's base salary and bonus are established by the Champion Bear Board of Directors.

Long Term Incentive Plans

The Champion Bear Board of Directors believes that long term incentive compensation plays an essential role in aligning the interests of executives with the goal of maximizing shareholder value. In addition, the Champion Bear Board of Directors

believes long term incentives play a critical role in the attraction and retention of senior executives, particularly in the highly competitive market for junior mining industry executives.

Options are granted by the Champion Bear Board of Directors on the recommendations of senior management. Options are normally awarded by the Champion Bear Board of Directors upon the commencement of employment with Champion Bear based on the level of responsibility within Champion Bear. Additional grants may be made periodically to ensure that the number of Options granted to any particular individual is commensurate with the individual's level of ongoing responsibility within Champion Bear. Previous grants of option-based awards are taken into account when considering new grants of option-based awards.

See "Option-Based Awards" for a description of Champion Bear's long-term compensation.

How does each element of compensation and Champion Bear's decisions about that element fit into the overall compensation objectives and affect decisions about other elements?

Decisions concerning appropriate salary levels are made, in most respects, wholly independently from decisions concerning other elements of compensation, because the purpose of the base salary is to provide a fixed level of competitive pay that reflects the executive officer's primary duties and responsibilities. It is the Champion Bear Board of Director's view that the decisions concerning the determination of annual bonuses and long term incentives also involve very different factors, and therefore, most decisions in this regard do not take into account the values of the other compensation components. As part of the compensation determination process, the Champion Bear Board of Directors considers the proportion of each component relative to the total compensation amount and may adjust each component as necessary.

Option-Based Awards

Options

Share Option Plan

We have a share option plan (the "**Option Plan**") pursuant to which the directors, or a committee of directors appointed by our Board, may from time to time, at their discretion, grant to directors, officers, employees and consultants of our company, or any of our subsidiaries, options to purchase Common Shares. The Option Plan limits the number of Common Shares that may be issued upon exercise of options to an aggregate of 5,269,702 Common Shares. Options to purchase 5,239,333 Common Shares (10% of those outstanding as at December 31, 2020) are outstanding and 30,369 Common Shares are available for future grants.

Options granted pursuant to the Option Plan have a term not exceeding five years and vest as to one third on each of the first, second and third anniversaries of the date of grant unless otherwise determined by our Board, provided that if, at any time, more than 10% of the outstanding Common Shares are reserved for issuance under the Option Plan, options granted pursuant to the Option Plan shall vest over a period of not less than 18 months on a pro rata basis. Options granted to consultants performing investor relations activities must vest in stages over a period of not less than 12 months, with no more than one quarter vesting in any three month period.

The exercise price of the options granted pursuant to the Option Plan is determined by our Board and may not be less than the closing trading price per Common Share on the exchange on which such Common Shares are traded on the last trading date preceding the issuance of a news release in respect of the option grant, the filing of a price reservation form in respect of the option grant or the date of grant, as applicable, on which there was a closing price, less the applicable discount. Subject to certain exceptions set forth in the Option Plan, options are not assignable or transferable otherwise than by will or the laws of descent and distribution.

The number of Common Shares reserved for issuance to any one optionee in a 12 month period shall not exceed 5% of the number of outstanding Common Shares. The aggregate number of Common Shares reserved for issuance to any one consultant in a 12 month period shall not exceed 2% of the number of outstanding Common Shares. The aggregate number of Common Shares reserved for issuance to optionees employed to provide investor relations activities in a 12 month period shall not exceed 2% of the number of outstanding Common Shares. Unless the approval of the disinterested shareholders of our

company is obtained (which approval has been obtained), the maximum number of Common Shares reserved for issuance pursuant to options granted to insiders at any time may not exceed 10% of the number of outstanding Common Shares, and, unless the approval of the disinterested shareholders of our company is obtained (which approval has been obtained), the maximum number of shares which may be issued to insiders within a one year period may not exceed 10% of the number of outstanding Common Shares.

In the event of an optionee ceasing to be a service provider to our company due to any cause other than death, the optionee may exercise such part of the option as is exercisable immediately prior to the time the optionee ceased to be a service provider within a period which is the earlier of the normal expiry date of the option and the date prescribed by our Board at the time of grant which shall not be in excess of 90 days (30 days in the event that the optionee was engaged in investor relations activities on behalf of our company) following the date that the optionee ceases to be a service provider. In the event of the death of the optionee, the options vested on the date of death are exercisable by the executors or personal representatives of the optionee within the earlier of the normal expiry date of the options and the date determined by our Board at the time of grant which shall not be more than one year from the date of death.

In addition, pursuant to the Option Plan, we and an optionee may mutually agree that we may pay (subject to any applicable withholding tax) the intrinsic value of all or any of the options exercised to the optionee in consideration for the disposition by the optionee of the right to receive Common Shares pursuant to such options and the termination of such right.

Our Board may, subject to the prior approval of any stock exchange on which the Common Shares are listed, amend or discontinue the Option Plan at any time, provided that no such amendment may alter or impair any option previously granted under the Option Plan without the consent of the optionee.

CORPORATE GOVERNANCE DISCLOSURE

National Instrument 58-101 entitled "Disclosure of Corporate Governance Practices" ("**NI 58-101**") requires that if management of an issuer solicits proxies from its securityholders for the purpose of electing directors that certain prescribed disclosure respecting corporate governance matters be included in its management information circular. The TSX Venture Exchange also requires listed companies to provide, on an annual basis, the corporate governance disclosure which is prescribed by NI 58-101.

The prescribed corporate governance disclosure for our company is that contained in Form 58-101F2 which is attached to NI 58-101 ("**Form 58-101F2 Disclosure**").

Set out below is a description of our current corporate governance practices, relative to the Form 58-101F2 Disclosure (which is set out below in bold).

1. Board of Directors

- (a) **Disclose how the board of directors (the board) facilitates its exercise of independent supervision over management, including:**
- (i) **the identity of directors that are independent; and**
 - (ii) **the identity of directors who are not independent, and the basis for that determination.**

Our Board has determined that three of the proposed directors of our company, Messrs. Haigh, Sweeny and Squarek are independent. With respect to Mr. Haigh, it is noted that the law firm of which he is a partner provides legal services to us, however, our Board determined that he is independent of us after considering such matters as the magnitude of his personal equity holdings of us and the annual billings of his law firm to us.

Our Board has determined that two of the proposed members of our Board are not independent. Our Board has determined that Richard D. Kantor is not independent as Mr. Kantor is the President of our company and that Messrs. Plomp is not independent as he receives or have in the past received or will receive consulting fees from our company.

2. **Directorships**

If a director is presently a director of any other issuer that is a reporting issuer (or the equivalent) in a jurisdiction or a foreign jurisdiction, identify both the director and the other issuer.

Not applicable.

3. **Orientation and Continuing Education**

Describe what steps, if any, the board takes to orient new board members, and describe any measures the board takes to provide continuing education for directors.

Due to the size of our Board, no formal program exists for the orientation of new directors. Upon joining our Board, new directors will be given access to all of the background documents of our company, including all corporate records, by-laws, corporate policies, organization structure and prior board and committee minutes.

No formal continuing education program exists for our directors. As part of continuing education, our Board will receive management presentations with respect to the operations and risks of our business as needed. In addition, the individual directors identify their continuing education needs through a variety of means, including discussions with management and at Board and committee meetings.

4. **Ethical Business Conduct**

Describe what steps, if any, the board takes to encourage and promote a culture of ethical business conduct.

Our Board has adopted a Code of Business Conduct and Ethics applicable to our directors, officers and employees. A copy of the Code of Business Conduct and Ethics is available for review on SEDAR at www.sedar.com or on our website at www.championbear.com. In addition, our Audit Committee has adopted a "Whistleblower Program" which provides our employees, management, officers, directors, contractors, consultants and our committee members with the ability to report, on a confidential and anonymous basis, any complaints and concerns regarding accounting, internal auditing controls or auditing matters, including, but not limited to, unethical and unlawful accounting and auditing policies, practices or procedures, fraudulent or misleading financial information and instances of corporate fraud. Our Board believes that providing a forum for such individuals to raise concerns about ethical conduct and treating all complaints with the appropriate level of seriousness fosters a culture of ethical conduct within our company.

5. **Nomination of Directors**

Disclose what steps, if any, are taken to identify new candidates for board nominations, including:

- (i) **who identifies new candidates; and**
- (ii) **the process of identifying new candidates.**

Our Board has appointed a Compensation, Nominating and Corporate Governance Committee that currently consists of Mr. David R. Haigh. Our Board has delegated responsibility to the Compensation, Nominating and Corporate Governance Committee to recommend to our Board suitable candidates as nominees for election or appointment as directors. Due to the small size of our Board, it is anticipated that the committee will canvass all of the members of our Board for their input prior to making a recommendation to our Board. In identifying new candidates for Board nomination, our committee considers, among other things:

- (i) the competencies and skills that our Board considers to be necessary for our Board, as a whole, to possess;
- (ii) the competencies and skills that our Board considers each existing director to possess;
- (iii) the competencies and skills each new nominee will bring to the boardroom; and
- (iv) whether or not each new nominee can devote sufficient time and resources to his duties as a member of our Board.

6. **Compensation**

Disclose what steps, if any, are taken to determine compensation for the directors and CEO, including:

- (i) **who determines compensation; and**
- (ii) **the process of determining compensation.**

The Compensation, Nominating and Corporate Governance Committee has, as part of its mandate, the responsibility for reviewing matters relating to the human resource policies and compensation of the directors and the President of our company in the context of the budget and business plan of our company. Our company does not have a Chief Executive Officer. As part of the mandate and responsibility of the committee, the committee is responsible for formulating and making recommendations to our Board in respect of compensation issues relating to directors and the President of our company. During the fiscal year ended December 31, 2020, we did not pay any cash compensation to our non-management directors, nor were our directors paid for attendance at board or committee meetings. The committee reviewed and approved the compensation paid to our President for the fiscal year ended December 31, 2020 set forth under the heading "Executive Compensation". Such base annual compensation was determined upon review of comparative data compiled by our company for a number of comparable companies within the resource industries of competitive salaries paid to executive officers.

7. **Other Board Committees**

If the board has standing committees other than the audit, compensation and nominating committees, identify the committees and describe their function.

Our Board has created a Compensation, Nominating and Corporate Governance Committee which, as part of its mandate, has the responsibility for developing the approach of our company to matters concerning corporate governance and, from time to time, shall review and make recommendations to our Board as to such matters.

8. Assessments

Disclose what steps, if any, that the board takes to satisfy itself that the board, its committees, and its individual directors are performing effectively.

To date, our Board has satisfied itself that our Board, its committees and individual directors are performing effectively through informal discussions.

INDEBTEDNESS OF DIRECTORS AND EXECUTIVE OFFICERS

(Tomahawk), a company controlled by Mr. Kantor, with respect to all of the indebtedness owing by the Company to him and Tomahawk (the "Agreement"). The purpose of the Agreement is to provide the Company and its shareholders with assurance that neither Mr. Kantor nor Tomahawk will demand payment of the debts until the market value of the Company significantly increases from current levels. Pursuant to the Agreement an aggregate of \$215,242.08 owing to Mr. Kantor and an aggregate of \$1,213,078.00 owing to Tomahawk will be deferred until such time as the 30 day volume weighted average trading price of the Company's common shares is at least \$2.00 per share. At such time this debt will be repaid at the discretion of the independent members of the Board and subject to the Company's then ability to pay it without unduly impairing the liquidity or solvency for the next year of operations. Upon the conditions for repayment arising, Mr. Kantor and Tomahawk may request that the Company exchange common shares of the Company for some portion of or all of these debts (a "Share for Debt Settlement"). The Company is not be obliged to pursue a Share for Debt Settlement, but may, in the sole discretion of the independent members of the Board agree to a Share for Debt Settlement. Any future Share for Debt Settlement will be subject to the prior approval of the TSX Venture Exchange and the related party rules under Multilateral Instrument 61-101 - Protection of Minority Securityholders in Special Transactions at the time.

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

Other than as set forth below, there were no material interests, direct or indirect, of our directors or executive officers, any shareholder who beneficially owns, directly or indirectly, or exercises control or direction over more than 10% of the outstanding Common Shares, or any other Informed Person (as defined in National Instrument 51-102) or any known associate or affiliate of such persons, in any transaction since the commencement of our last completed financial year or in any proposed transaction that has materially affected or would materially affect us or any of our subsidiaries, except as disclosed elsewhere in this information circular – proxy statement.

David R. Haigh, a director of our company, is a partner in the law firm of Burnet, Duckworth & Palmer LLP, which firm has in the past received fees and is currently owed fees for legal services provided to our company as disclosed in the notes to our audited financial statements for the year ended December 31, 2019.

On April 22, 2020 the Company settled and extinguished \$528,445.97 of Champion Bear's outstanding debt (the "Debt") through the issuance of Common Shares. In accordance with settlement of Debt (the "Debt Settlement"), the Company issued 3,522,972 Common Shares at a deemed price of \$0.15 per Common Share to eight creditors of the Company. Included among those exchanging their debt for Common Shares is Champion Bear's driller, Distinctive Drilling, and Jessica Borysenko, P. Geol., who has provided services in relation to the company's Eagle Rock property. The Company chose to settle and extinguish the Debt through the issuance of Common Shares to preserve cash and improve the Company's balance sheet.
