INFORMATION CIRCULAR

as at July 17, 2025

This Information Circular is furnished in connection with the solicitation of proxies by the management of ProAm Explorations Corporation (the “Company”) for use at the annual general meeting (the “Meeting”) of its shareholders to be held on August 21, 2025 at the time and place and for the purposes set forth in the accompanying notice of the Meeting.

In this Information Circular, references to the “Company”, “we” and “our” refer to ProAm Explorations Corporation. “Common Shares” means common shares without par value in the capital of the Company. “Beneficial Shareholders” means shareholders who do not hold Common Shares in their own name and “intermediaries” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Beneficial Shareholders.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. The Company will bear all costs of this solicitation. We have arranged for intermediaries to forward the meeting materials to beneficial owners of the Common Shares held of record by those intermediaries and we may reimburse the intermediaries for their reasonable fees and disbursements in that regard.

Appointment of Proxyholders

The individuals named in the accompanying form of proxy (the “**Proxy**”) are officers of the Company. If you are a shareholder entitled to vote at the Meeting, you have the right to appoint a person or Company other than either of the persons designated in the Proxy, who need not be a shareholder, to attend and act for you and on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of proxy.

Voting by Proxyholder

The persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (i) each matter or group of matters identified therein for which a choice is not specified,
- (ii) any amendment to or variation of any matter identified therein, and
- (iii) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy, the persons named in the Proxy will vote the Common Shares represented by the Proxy for the approval of such matter. Management is not currently aware of any other matter that could come before the Meeting.

Registered Shareholders

Registered Shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered Shareholders electing to submit a proxy may do so by:

- (i) completing, dating and signing the enclosed form of proxy and returning it to the Corporation's transfer agent, Computershare Investor Services Inc. ("**Computershare**"), by fax within North America at 1-866-249-7775, or from outside North America at (416) 263-9524, or by mail or hand delivery at 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1;
- (ii) using a touch-tone phone to transmit voting choices to the toll free number given in the proxy. Registered Shareholders who choose this option must follow the instructions of the voice response system and refer to the enclosed proxy form for the toll free number, the holder's account number and the proxy access number; or
- (iii) using the internet through the website of Computershare at www.investorvote.com. Registered Shareholders who choose this option must follow the instructions that appear on the screen and refer to the enclosed proxy form for the holder's account number and the proxy access number;

in all cases ensuring that the proxy is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof at which the proxy is to be used. The Proxy may be signed by the Shareholder or by his or her attorney in writing, or, if the Registered Shareholder is a corporation, it must either be under its common seal or signed by a duly authorized officer.

Beneficial Shareholders

The following information is of significant importance to shareholders who do not hold Common Shares in their own name. Beneficial Shareholders should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by registered shareholders (those whose names appear on the records of the Company as the registered holders of Common Shares).

If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in the shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the names of the shareholder's broker or an agent of that broker. In the United States, the vast majority of such Common Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

If you are a Beneficial Shareholder:

You should carefully follow the instructions of your broker or intermediary in order to ensure that your Common Shares are voted at the Meeting.

The form of proxy supplied to you by your broker will be similar to the Proxy provided to registered shareholders by the Company. However, its purpose is limited to instructing the intermediary on how to vote on your behalf. Most brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**") in the United States and in Canada. Broadridge mails a voting instruction form in lieu of a Proxy provided by the Company. The voting instruction form will name the same persons as the Company's Proxy to

represent you at the Meeting. You have the right to appoint a person (who need not be a shareholder of the Company), other than the persons designated in the voting instruction form, to represent you at the Meeting. To exercise this right, you should insert the name of the desired representative in the blank space provided in the voting instruction form. The completed voting instruction form must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. **If you receive a voting instruction form from Broadridge, you cannot use it to vote Common Shares directly at the Meeting - the voting instruction form must be completed and returned to Broadridge, in accordance with its instructions, well in advance of the Meeting in order to have the Common Shares voted.**

Although as a Beneficial Shareholder you may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of your broker, you, or a person designated by you, may attend at the Meeting as proxyholder for your broker and vote your Common Shares in that capacity. If you wish to attend at the Meeting and indirectly vote your Common Shares as proxyholder for your broker, or have a person designated by you do so, you should enter your own name, or the name of the person you wish to designate, in the blank space on the voting instruction form provided to you and return the same to your broker in accordance with the instructions provided by such broker, well in advance of the Meeting.

Alternatively, you can request in writing that your broker send you a legal proxy which would enable you, or a person designated by you, to attend at the Meeting and vote your Common Shares.

Revocation of Proxies

In addition to revocation in any other manner permitted by law, a shareholder who has given a proxy may revoke it by:

- (i) executing a proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the registered shareholder or the registered shareholder's authorized attorney in writing, or, if the shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized, and by delivering the proxy bearing a later date to **Computershare or at the Company's office, 867 West 3rd Street, North Vancouver, BC, V7P 1E2**, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the last business day that precedes any reconvening thereof, or to the chairman of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law, or
- (ii) personally attending the Meeting and voting the registered shareholder's Common Shares.

A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

No director or executive officer of the Company, or any person who has held such a position since the beginning of the last completed financial year of the Company, nor any nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than the election of directors.

Each new director is given an outline of the nature of the Company's business, its corporate strategy and current issues within the Company. New directors are also required to meet with management of the Company to discuss and better understand the Company's business and are given the opportunity to meet with counsel to the Company to discuss their legal obligations as director of the Company.

The Company continually reviews the latest securities rules and policies and is on the mailing list of the TSX Venture Exchange (the “TSXV”) to receive updates to any of those policies. Any such changes or new requirements are then brought to the attention of the Company's directors either by way of director or committee meetings or by direct communications from management to the directors.

Ethical Business Conduct

The Company's Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual directors' participation in decisions of the board in which the director has an interest have been sufficient to ensure that the board operates independently of management and in the best interests of the Company. Further, the Company's auditor has full and unrestricted access to the Audit Committee at all times to discuss the audit of the Company's financial statements and any related findings as to the integrity of the financial reporting process.

Nomination of Directors

The Company's Board considers its size each year when it considers the number of directors to recommend to the shareholders for election at the annual meeting of shareholders, taking into account the number required to carry out the Board's duties effectively and to maintain a diversity of views and experience.

The Company's Board does not have a nominating committee, and these functions are currently performed by the Company's Board as a whole. However, if there is a change in the number of directors required by the Company, this policy will be reviewed.

Compensation

To determine compensation payable, the independent Directors review compensation paid for directors, officers and senior management of companies of similar size and stage of development in the oil and gas exploration industry and determines an appropriate compensation reflecting the need to provide incentive and compensation for the time and effort expended by the Directors and senior management while taking into account the financial and other resources of the Company. In setting the compensation the independent Directors annually review the performance of the officers, and senior management in light of the Company's objectives and consider other factors that may have impacted the success of the Company in achieving its objectives.

3.6 EXERCISE PRICE

The Exercise Price shall be that price per Share, as determined by the Board in its sole discretion, and announced as of the Award Date, at which an Option Holder may purchase a Share upon the exercise of an Option, provided that it shall not be less than the closing price of the Company's Shares traded through the facilities of the Exchange (or, if the Shares are no longer listed for trading on the Exchange, then such other exchange or quotation system on which the Shares are listed or quoted for trading) on the day preceding the Award Date, less any discount permitted by the Exchange, or such other price as may be required or permitted by the Exchange.

3.7 ASSIGNMENT OF OPTIONS

Options may not be assigned or transferred, and all Option Certificates will be so legended, provided however that the Personal Representatives of an Option Holder may, to the extent permitted by section 4.1, exercise the Option within the Exercise Period.

3.8 PAYROLL WITHHOLDING

Subject to compliance with applicable Exchange rules and policies, if the Company is required under the *Income Tax Act (Canada)* or any other applicable law to make source deductions in respect of employee stock option benefits and to remit to the applicable governmental authority an amount on account of tax on the value of the taxable benefit associated with the issuance of Common Shares on exercise of Options, then the Option Holder shall:

- (c) make other arrangements acceptable to the Company to fund the required tax remittance.

3.9 ADJUSTMENTS

If prior to the complete exercise of any Option, the Shares are consolidated, subdivided, converted, exchanged or reclassified or in any way substituted for (collectively the “Event”), the Option, to the extent that it has not been exercised, shall be adjusted by the Board in accordance with such Event in the manner the Board deems appropriate. No fractional Shares shall be issued upon the exercise of the Options and accordingly, if as a result of the Event an Option Holder would become entitled to a fractional share, such Option Holder shall have the right to purchase only the next lowest whole number of shares and no payment or other adjustment will be made with respect to the fractional interest so disregarded. Additionally, no lots of Shares in an amount less than 500 Shares shall be issued upon the exercise of the Options unless such amount of Shares represents the balance left to be exercised under the Options. Notwithstanding the above, any adjustments other than in connection with share consolidation or share subdivision, to any Options granted under this Plan, together with any other Security Based Compensation Plan, is subject to the prior acceptance of the Exchange including any adjustments related to an amalgamation, merger, arrangement, reorganization, spin-off, dividend or recapitalization.

3.10 EXERCISE RESTRICTIONS

The Board may, at the time an Option is awarded or upon renegotiation of the same, attach restrictions relating to the exercise of the Option, including vesting provisions. Any such restrictions shall be recorded on the applicable Option Certificate.

Notwithstanding the above, Options issued to all persons performing Investor Relations Activities must vest in stages over at least twelve months with not more than one-quarter of the Options vesting in any three month period. No vesting period imposed on Options granted to persons performing Investor Relation Activities can be accelerated without the prior written approval of the Exchange.

3.11 REPRESENTATIONS

For Options granted to Employees, Consultants or Management Company Employees, the Company will represent that the Option Holder is a bona fide Employee, Consultant or Management Company Employee, as the case may be.

ARTICLE IV EXERCISE OF OPTION

4.1 EXERCISE OF OPTION

An Option may be exercised only by the Option Holder or his Personal Representative. An Option Holder or his Personal Representative may exercise an Option in whole or in part, subject to any applicable exercise restrictions, at any time or from time to time during the Exercise Period up to 5:00 p.m. (Vancouver time) on the Expiry Date by delivering to the Administrator an Exercise Notice, the applicable Option Certificate and a certified cheque or bank draft payable to the Company in an amount equal to the aggregate Exercise Price of the Shares to be purchased pursuant to the exercise of the Option.

4.2 ISSUE OF SHARE CERTIFICATES

As soon as practicable following the receipt of the Exercise Notice, the Administrator shall cause to be delivered to the Option Holder a certificate for the Shares so purchased. If the number of Shares so purchased is less than the number of Shares subject to the Option Certificate surrendered, the Administrator shall forward a new Option Certificate to the Option Holder concurrently with delivery of the aforesaid share certificate for the balance of the Shares available under the Option.

4.3 CONDITION OF ISSUE

The issue of Shares by the Company pursuant to the exercise of an Option is subject to this Plan and compliance with the laws, rules and regulations of all regulatory bodies applicable to the issuance and distribution of such Shares and to the listing requirements of any stock exchange or exchanges on which the Shares may be listed. The Option Holder agrees to comply with all such laws, rules and regulations and agrees to furnish to the Company any information, report and/or undertakings required to comply with and to fully cooperate with the Company in complying with such laws, rules and regulations.

4.4 MONITORING OF TRADES

An Option Holder who performs Investor Relations Activities shall provide written notice to the Board of each of his trades of securities of the Company, within five business days of each trade.
