### **INFORMATION CIRCULAR**

(as at October 25, 2019 except as otherwise indicated)

#### **SOLICITATION OF PROXIES**

This information circular (the “**Circular**”) is provided in connection with the solicitation of proxies by the Management of Rainy Mountain Royalty Corp. (the “**Company**”). The form of proxy which accompanies this Circular (the “**Proxy**”) is for use at the annual general meeting of the shareholders of the Company to be held on Friday, November 29, 2019 (the “**Meeting**”), at the time and place set out in the accompanying notice of Meeting (the “**Notice of Meeting**”). The Company will bear the cost of this solicitation. The solicitation will be made by mail, but may also be made by telephone.

#### **APPOINTMENT AND REVOCATION OF PROXY**

The persons named in the Proxy are directors and/or officers of the Company. **A registered shareholder who wishes to appoint some other person to serve as their representative at the Meeting may do so by striking out the printed names and inserting the desired person’s name in the blank space provided.** The completed Proxy should be delivered to TSX Trust Company (“**Equity**”) by 10:00 a.m. (local time in Vancouver, British Columbia) on Wednesday, November 27, 2019, or before 48 hours (excluding Saturdays, Sundays and holidays) before any adjournment of the Meeting at which the Proxy is to be used.

The Proxy may be revoked by:

- (a) signing a proxy with a later date and delivering it at the time and place noted above;
- (b) signing and dating a written notice of revocation and delivering it to Equity, or by transmitting a revocation by telephonic or electronic means, to Equity, at any time up to and including the last business day preceding the day of the Meeting, or any adjournment of it, at which the Proxy is to be used, or delivering a written notice of revocation and delivering it to the Chairman of the Meeting on the day of the Meeting or adjournment of it; or
- (c) attending the Meeting or any adjournment of the Meeting and registering with the scrutineer as a shareholder present in person.

#### **Provisions Relating to Voting of Proxies**

**The shares represented by Proxy in the form provided to shareholders will be voted or withheld from voting by the designated holder in accordance with the direction of the registered shareholder appointing him. If there is no direction by the registered shareholder, those shares will be voted for all proposals set out in the Proxy and for the election of directors and the appointment of the auditors as set out in this Circular. The Proxy gives the person named in it the discretion to vote as such person sees fit on any amendments or variations to matters identified in the Notice of Meeting, or any other matters which may properly come before the Meeting. At the time of printing of this Circular,**

**the management of the Company (the “Management”) knows of no other matters which may come before the Meeting other than those referred to in the Notice of Meeting.**

#### **Advice to Beneficial Holders of Common Shares**

**The information set forth in this section is of significant importance to many shareholders, as a substantial number of shareholders do not hold common shares in their own name.** Shareholders who hold their common shares through their brokers, intermediaries, trustees or other persons, or who otherwise do not hold their common shares in their own name (referred to herein as “**Beneficial Shareholders**”) should note that only proxies deposited by shareholders who appear on the records maintained by the Company’s registrar and transfer agent as registered holders of common shares will be recognized and acted upon at the Meeting. If common shares are listed in an account statement provided to a Beneficial Shareholder by a broker, then those common shares will, in all likelihood, not be registered in the shareholder’s name. Such common shares will more likely be registered under the name of the shareholder’s broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the registration name for CDS Clearing and Depository Services Inc., which acts as nominee for many Canadian brokerage firms). In the United States, the vast majority of such common shares are registered under the name of Cede & Co., the registration name for The Depository Trust Company, which acts as nominee for many United States brokerage firms. Common shares held by brokers (or their agents or nominees) on behalf of a broker’s client can only be voted or withheld at the direction of the Beneficial Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting shares for the broker’s clients. **Therefore, each Beneficial Shareholder should ensure that voting instructions are communicated to the appropriate person well in advance of the Meeting.**

Existing regulatory policy requires brokers and other intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholder meetings. The various brokers and other intermediaries have their own mailing procedures and provide their own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their common shares are voted at the Meeting. The form of instrument of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is substantially similar to the instrument of proxy provided directly to registered shareholders by the Company. However, its purpose is limited to instructing the registered shareholder (i.e., the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The vast majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions Inc. (“**Broadridge**”) in Canada. Broadridge typically prepares a machine-readable voting instruction form (“**VIF**”), mails those forms to Beneficial Shareholders and asks Beneficial Shareholders to return the VIFs to Broadridge, or otherwise communicate voting instructions to Broadridge (by way of the internet or telephone, for example). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting. **A Beneficial Shareholder who receives a Broadridge VIF cannot use that form to vote common shares directly at the Meeting. The VIFs must be returned to Broadridge (or instructions respecting the voting of common shares must otherwise be communicated to Broadridge) well in advance of the Meeting in order to have the common shares voted. If you have any questions respecting the voting of common shares held through a broker or other intermediary, please contact that broker or other intermediary for assistance.**

The Notice of Meeting, Circular, Proxy and VIF, as applicable, are being provided to both registered shareholders and Beneficial Shareholders. Beneficial Shareholders fall into two categories - those who object to their identity being known to the issuers of securities which they own (“OBOs”) and those who do not object to their identity being made known to the issuers of the securities which they own (“NOBOs”). Subject to the provisions of National Instrument 54-101 - *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“NI 54-101”), issuers may request and obtain a list of their NOBOs from intermediaries directly or via their transfer agent and may obtain and use the NOBO list for the distribution of proxy-related materials directly (not via Broadridge) to such NOBOs. If you are a Beneficial Shareholder and the Company or its agent has sent these materials directly to you, your name, address and information about your holdings of common shares have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding the common shares on your behalf.

Pursuant to the provisions of NI 54-101, the Company is providing the Notice of Meeting, Circular and Proxy or VIF, as applicable, to both registered owners of the securities and non-registered owners of the securities. If you are a non-registered owner, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf. By choosing to send these materials to you directly, the Company (and not the intermediary holding common shares on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the VIF. As a result, if you are a non-registered owner of the securities, you can expect to receive a scannable VIF from Equity. Please complete and return the VIF to Equity in the envelope provided or by facsimile. In addition, internet voting instructions can be found on the VIF. Equity will tabulate the results of the VIFs received from the Company’s NOBOs and will provide appropriate instructions at the Meeting with respect to the common shares represented by the VIFs they receive.

The Company’s OBOs can expect to be contacted by Broadridge or their brokers or their broker’s agents as set out above. The Company does not intend to pay for intermediaries to deliver the Notice of Meeting, Circular and VIF to OBOs and accordingly, if the OBO’s intermediary does not assume the costs of delivery of those documents in the event that the OBO wishes to receive them, the OBO may not receive the documentation.

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting common shares registered in the name of his broker, a Beneficial Shareholder may attend the Meeting as proxyholder for the registered shareholder and vote the common shares in that capacity. NI 54-101 allows a Beneficial Shareholder who is a NOBO to submit to the Company or an applicable intermediary any document in writing that requests that the NOBO or a nominee of the NOBO be appointed as proxyholder. If such a request is received, the Company or an intermediary, as applicable, must arrange, without expenses to the NOBO, to appoint such NOBO or its nominee as a proxyholder and to deposit that proxy within the time specified in this Circular, provided that the Company or the intermediary receives such written instructions from the NOBO at least one business day prior to the time by which proxies are to be submitted at the Meeting, with the result that such a written request must be received by 10:00 a.m. (Vancouver time) on the day which is at least three business days prior to the Meeting. **A Beneficial Shareholder who wishes to attend the Meeting and to vote their common shares as proxyholder for the registered shareholder, should enter their own name in the blank space on the VIF or such other document in writing that requests that the NOBO or a nominee of the NOBO be appointed as proxyholder and return the same to their broker (or the broker’s agent) in accordance with the instructions provided by such broker.**

All references to shareholders in the Notice of Meeting, Circular and the accompanying Proxy are to registered shareholders of the Company as set forth on the list of registered shareholders of the Company

as maintained by the registrar and transfer agent of the Company, Equity, unless specifically stated otherwise.

- (c) within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets.

Mr. David Schmidt was a director of Prize Mining Corp. (“**Prize**”) until December 27, 2018. On December 21, 2018, the Alberta Securities Commission (the “**ASC**”), issued a notice of application regarding Prize, which named Mr. Schmidt as a respondent. In that notice, ASC Staff provided notice of its intent to seek an order that, among other things, would cease trading in securities of Prize and deny Prize of all exemptions from Alberta securities laws and further seeking that all trading in or purchasing by the respondents, including Mr. Schmidt, cease in relation to securities of Prize. On January 3, 2019, the ASC issued an order against certain of the respondents, which did not include Mr. Schmidt and on January 14, 2019 issued a cease trade order relating to trading in the securities of Prize generally. A further order ceasing trading of securities of Prize generally was issued on February 12, 2019 and revoked on February 15, 2019. The British Columbia Securities Commission issued a cease trade order in relation to Prize for failure to file audited financial statements and related materials for the year ended August 31, 2018, which order was revoked following the filing of the outstanding materials, on February 7, 2019.

The British Columbia Securities Commission issued a temporary order as against Mr. David Schmidt and others dated November 26, 2018 which order that Mr. Schmidt cease trading in and be prohibited from purchasing securities of certain issuers identified by the British Columbia Securities Commission, all of which were listed on the Canadian Securities Exchange, and which the denied Mr. Schmidt access to the exemption under Section 2.24 of National Instrument 45-106 for securities issued by an issuer listed on the Canadian Securities Exchange. The temporary order was lifted as relating to Mr. Schmidt on January 15, 2019.

### **Additional Requirements Pertaining to Mr. Schmidt**

As outlined above, Mr. Schmidt has been the subject to certain orders and investigations of both the British Columbia Securities Commission and the Alberta Securities Commission.

The TSXV may prohibit the appointment or may permit the appointment, subject to the satisfaction of such conditions as the TSXV determines to be necessary. As of the date of this Circular, the Company has not yet completed a formal submission to the TSXV regarding Mr. Schmidt’s proposed appointment as a director and the Company may not receive the approval of the TSXV in respect of such appointment prior to the date of the Meeting or at all. In such event, even if the shareholders have approved Mr. Schmidt’s election, Mr. Schmidt’s appointment will not be made effective until such time as the TSXV grants its approval, if at all. There is no certainty that the TSXV will provide its approval to Mr. Schmidt’s appointment on conditions that are acceptable to Mr. Schmidt or the Company or at all. Should Mr. Schmidt’s appointment fail to be approved, the Company will have a vacant seat on the board of directors and would seek to fill that vacancy with a suitable candidate as soon as possible.

The Company has also entered into two agreements with certain directors/officers for services rendered in such capacities. If such agreements are terminated without consent of the director/officer, or the director/officer resigns within 120 days following a change in control, the Company must pay \$50,000 to such director/officer and allow any unvested stock options to vest.

## **Oversight and Description of Director and Named Executive Officer Compensation**

The compensation of the Company's NEOs is determined by the Company's Board of Directors (the "**Board**").

The general objectives of the Board's compensation decisions are:

- to encourage management to achieve a high level of performance and results with a view to increasing long-term shareholder value;
- to align management's interests with the long-term interest of shareholders;
- to provide compensation commensurate with peer companies in order to attract and retain highly qualified executives; and
- to ensure that total compensation paid takes into account the Company's overall financial position.

The Board's compensation program is designed to provide competitive levels of compensation, a significant portion of which is dependent upon individual and corporate performance and contribution to increasing shareholder value. The Board recognizes the need to provide a total compensation package that will attract and retain qualified and experienced executives as well as align the compensation level of each executive to that executive's level of responsibility. In general, a NEO's compensation is comprised of contractor payments and stock option grants.

The objectives and reasons for this system of compensation are generally to allow the Company to remain competitive compared to its peers in attracting experienced personnel. The salaries and/or consulting fees are set on a basis of a review and comparison of compensation paid to executives at similar companies, (the "peer group"). The companies in the peer group operate in a similar business environment and are of similar size, scope and complexity. Currently, the Company's peer group consists of the following companies: Mezzi Holdings Inc., Jagercor Energy Corp., James Bay Resources Ltd., Far Resources Ltd., Sintana Energy Inc., Copper Lake Resources Ltd., Cardiff Energy Corp., Touchstone Exploration Inc., Clean Commodities Corp., Getty Copper Inc., International Bethlehem Mining Corp., Waterfront Capital Corporation and Zenith Energy Ltd. Changes to the peer group may be made from time to time as recommended by management.

Stock option grants are designed to reward the NEOs for success on a similar basis as the shareholders of the Company, but these rewards are highly dependent upon the volatile stock market, much of which is beyond the control of the NEOs.

The Company does not grant share-based awards. The Board is responsible for granting options to the NEOs. Stock option grants are designed to reward the NEOs for success on a similar basis as the shareholders of the Company, but these rewards are highly dependent upon the volatile stock market, much of which is beyond the control of the NEOs. When new options are granted, the Board takes into account the previous grants of options, the number of stock options currently held, position, overall individual performance, anticipated contribution to the Company's future success and the individual's ability to influence corporate and business performance. The purpose of granting such stock options is to assist the Company in compensating, attracting, retaining and motivating the officers, directors and employees of the Company and to closely align the personal interest of such persons to the interest of the shareholders. The exercise price of the stock options granted is determined by the trading price of the Company's shares at the time of grant

Compensation for this fiscal year and prior fiscal years have historically been based upon a negotiated salary, with stock options and bonuses potentially being issued and paid as an incentive for performance.

Compensation for the most recently completed financial year should not be considered an indicator of expected compensation levels in future periods. All compensation is subject to and dependent on the Company's financial resources and prospects.

### **Pension Disclosure**

The Company does not have any pension or retirement plan which is applicable to the NEOs or directors. The Company has not provided compensation, monetary or otherwise, to any person who now or previously has acted as an NEO of the Company, in connection with or related to the retirement, termination or resignation of such person, and the Company has provided no compensation to any such person as a result of a change of control of the Company.

The Company is a “venture issuer” as defined in NI 52-110 and is relying on the exemption in section 6.1 of NI 52-110 relating to Parts 3 (*Composition of Audit Committee*) and 5 (*Reporting Obligations*).

## CORPORATE GOVERNANCE DISCLOSURE

National Instrument 58-101 - *Disclosure of Corporate Governance Practices*, requires all reporting issuers to provide certain annual disclosure of their corporate governance practices with respect to the corporate governance guidelines (the “**Guidelines**”) adopted in National Policy 58-201. These Guidelines are not prescriptive, but have been used by the Company in adopting its corporate governance practices. The Board and Management consider good corporate governance to be an integral part of the effective and efficient operation of Canadian corporations. The Company’s approach to corporate governance is set out below.

### **Board of Directors**

Management is nominating four individuals to the Board, two of whom are current directors of the Company, being Shawn Smith and David Speck and two of whom are nominees of the Company, being Sean Charland and David Schmidt. Mr. Douglas Mason and Sead Hamzagic are not standing for re-election as directors and as such their term as same will expire on the date of the meeting, being November 29, 2019. The Company is actively seeking candidates to fill the Chief Executive Officer and Chief Financial Officer positions which will also be vacated on November 29, 2019.

The Guidelines suggest that the board of directors of every reporting issuer should be constituted with a majority of individuals who qualify as “independent” directors under NI 52-110, which provides that a director is independent if he or she has no direct or indirect “material relationship” with the Company. The “material relationship” is defined as a relationship which could, in the view of the Company’s Board, reasonably interfere with the exercise of a director’s independent judgement. Two of the current members of the Board are considered “independent” and two members are not considered “independent” within the meaning of NI 52-110.

The Board has a stewardship responsibility to supervise the management of and oversee the conduct of the business of the Company, provide leadership and direction to Management, evaluate Management, set policies appropriate for the business of the Company and approve corporate strategies and goals. The day-to-day management of the business and affairs of the Company is delegated by the Board to the CEO. The Board will give direction and guidance through the CEO to Management and will keep Management informed of its evaluation of the senior officers in achieving and complying with goals and policies established by the Board.

The Board recommends nominees to the shareholders for election as directors, and immediately following each annual general meeting appoints an Audit Committee. The Board establishes and periodically reviews and updates the committee mandates, duties and responsibilities of each committee, elects a chairperson of the Board and establishes his or her duties and responsibilities, appoints the CEO, CFO and President of the Company and establishes the duties and responsibilities of those positions and on the recommendation of the CEO, appoints the senior officers of the Company and approves the senior management structure of the Company.

The Board exercises its independent supervision over management by its policies that require periodic meetings of the Board be held to obtain an update on significant corporate activities and plans. The Board attempts to meet not less than three times during each year and endeavours to hold at least one meeting in each fiscal quarter. The Board also meets at any other time at the call of the CEO, or subject to the Articles of the Company, of any director.

The mandate of the Board, as prescribed by the *Business Corporations Act* (British Columbia) (the “Act”), is to manage or supervise management of the business and affairs of the Company and to act with a view to the best interests of the Company. In doing so, the Board oversees the management of the Company’s affairs directly and through its committees.

### **Directorships**

The following directors of the Company are also directors of other reporting issuers as stated:

- Douglas L. Mason is a director of Canadian International Pharma Corp., International Bethlehem Mining Corp., Magnum Goldcorp Inc. and Waterfront Capital Corporation.
- Sead Hamzagic is a director of Canadian International Pharma Corp., Magnum Goldcorp Inc., International Bethlehem Mining Corp. and Waterfront Capital Corporation.
- David Speck is a director of Sego Resources Inc.
- Shawn Smith is a director of Prophecy Potash Corp. and GK Resources Ltd.
- Sean Charland, a proposed director, is a director of Zimtu Capital Corp., Arctic Star Exploration Corp., Eyecarrot Innovations Corp., Alpha Lithium Corporation and Maple Gold Mines Ltd.

### **Orientation and Continuing Education**

The Board’s practice is to recruit for the Board only persons with extensive experience in business and public company matters and with an understanding of mining and the mineral exploration business. Prospective new board members are provided a reasonably detailed level of background information, verbal and documentary, on the Company’s affairs and plans prior to obtaining their consent to act as a director.

The Board provides training courses to the directors as needed, to ensure that the Board is complying with current legislative and business requirements.

### **Ethical Business Conduct**

To date, the Board has not adopted a formal written Code of Business Conduct and Ethics. However, the current limited size of the Company’s operations, and the small number of officers and consultants, allow the Board to monitor on an ongoing basis the activities of management and to ensure that the highest standard of ethical conduct is maintained. As the Company grows in size and scope, the Board anticipates that it will formulate and implement a formal Code of Business Conduct and Ethics.

### **Nomination of Directors**

The Board identifies new candidates for board nomination by an informal process of discussion and consensus-building on the need for additional directors, the specific attributes being sought, likely prospects, and timing. Prospective directors are not approached until consensus is reached. This process takes place among the Chairman and the other members of the Board.

### **Compensation Committee**

The quantity and quality of the Board compensation is reviewed on an annual basis. At present, the Board is satisfied that the current compensation arrangements adequately reflect the responsibilities and risks involved in being an effective director of the Company. As well, the number of options to be granted is determined by the Board as a whole, which allows any independent directors to have input into compensation decisions. At this time, the Company does not believe its size and limited scope of operations requires a formal compensation committee.

### **Assessments**

The Board annually reviews its own performance and effectiveness as well as the effectiveness and performance of its committees. Effectiveness is subjectively measured by comparing actual corporate results with stated objectives. The contributions of individual directors are informally monitored by other Board members, bearing in mind the business strengths of the individual and the purpose of originally nominating the individual to the Board.

The Board monitors the adequacy of information given to directors, communication between Board and Management and the strategic direction and processes of the Board and its committees.

The Board believes its corporate governance practices are appropriate and effective for the Company, given its size and operations. The Company's corporate governance practices allow the Company to operate efficiently, with checks and balances that control and monitor Management and corporate functions without excessive administration burden.

### **Other Board Committees**

At the present time, the only standing committee is the Audit Committee. The written charter of the Audit Committee, as required by NI 52-110, is contained in Schedule "A" to this Circular. As the Company grows, and its operations and management structure become more complex, the Board expects it will constitute formal standing committees, such as a Corporate Governance Committee, a Compensation Committee and a Nominating Committee, and will ensure that such committees are governed by written charters.

## **PARTICULARS OF MATTERS TO BE ACTED UPON**

### **Confirming Stock Option Plan**

3. Upon expiry of an option, or in the event an option is otherwise terminated for any reason, the number of shares in respect of the expired or terminated option shall again be available for the purposes of the Stock Option Plan. In accordance with the policies of the Exchange, a plan with a rolling 10% maximum must be confirmed by shareholders at each annual general meeting.

Accordingly, at the Meeting, the shareholders will be asked to pass the following resolution:

**“IT IS RESOLVED THAT the Stock Option Plan is hereby approved and confirmed.”**
