488 – 625 Howe Street, Vancouver, BC V6C 2T6

INFORMATION CIRCULAR

(as at November 9, 2018 except as otherwise indicated)

Troubadour Resources Inc. (the “Company”) is providing this Information Circular and a form of proxy in connection with management’s solicitation of proxies for use at the annual general meeting (the “Meeting”) of the Company to be held at Suite 704, 595 Howe Street, Vancouver, British Columbia at 10:00 a.m. (Vancouver, British Columbia time) on Tuesday, December 17, 2018 and at any adjournments. Unless the context otherwise requires, when we refer in this Information Circular to the Company, its subsidiaries are also included. The Company will conduct its solicitation by mail and officers and employees of the Company may, without receiving special compensation, also telephone or make other personal contact. The Company will pay the cost of solicitation. All amounts referred to as \$ or dollars means Canadian currency, unless otherwise indicated.

APPOINTMENT OF PROXYHOLDER

The purpose of a proxy is to designate persons who will vote the proxy on a shareholder’s behalf in accordance with the instructions given by the shareholder in the proxy. The persons whose names are printed in the enclosed form of proxy are officers or directors of the Company (the "Management Proxyholders").

A shareholder has the right to appoint a person other than a Management Proxyholder, to represent the shareholder at the Meeting by striking out the names of the Management Proxyholders and by inserting the desired person’s name in the blank space provided or by executing a proxy in a form similar to the enclosed form. A proxyholder need not be a shareholder.

VOTING BY PROXY

Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Shares represented by a properly executed proxy will be voted or be withheld from voting on each matter referred to in the Notice of Meeting in accordance with the instructions of the shareholder on any ballot that may be called for and if the shareholder specifies a choice with respect to any matter to be acted upon, the shares will be voted accordingly.

If a shareholder does not specify a choice and the shareholder has appointed one of the Management Proxyholders as proxyholder, the Management Proxyholder will vote in favour of the matters specified in the Notice of Meeting and in favour of all other matters proposed by management at the Meeting.

The enclosed form of proxy also gives discretionary authority to the person named therein as proxyholder with respect to amendments or variations to matters identified in the Notice of the Meeting and with respect to other matters which may properly come before the Meeting. At the date of this Information Circular, management of the Company knows of no such amendments, variations or other matters to come before the Meeting.

COMPLETION AND RETURN OF PROXY

Completed forms of proxy must be deposited at the office of the Company’s registrar and transfer agent, TSX Trust Company, Proxy Dept., 650 West Georgia Street, Suite 2700, Vancouver, British Columbia

V6B 4N9, not later than 10:00am (Vancouver, British Columbia time) on December 14, 2018, unless the chairman of the Meeting elects to exercise his discretion to accept proxies received subsequently.

NON-REGISTERED HOLDERS

Only shareholders whose names appear on the records of the Company as the registered holders of shares or duly appointed proxyholders are permitted to vote at the Meeting. Most shareholders of the Company are "non-registered" shareholders because the shares they own are not registered in their names but instead registered in the name of a nominee such as a brokerage firm through which they purchased the shares; bank, trust company, trustee or administrator of self-administered RRSP's, RRIF's, RESP's and similar plans; or clearing agency such as the Canadian Depository for Securities Limited and in the United States, under the name Cede & Co., as nominee for the Depository Trust Company (which acts as a brokerage depository for many U.S. firms and custodial banks) (the "Nominees"). If you purchased your shares through a broker, you are likely a non-registered holder.

In accordance with securities regulatory policy, the Company has distributed copies of the Meeting materials, being the Notice of Meeting, this Information Circular and the Proxy, to the Nominees for distribution to non-registered holders.

Nominees are required to forward the Meeting materials to non-registered holders to seek their voting instructions in advance of the Meeting. Shares held by Nominees can only be voted in accordance with the instructions of the non-registered holder. The Nominees often have their own form of proxy, mailing procedures and provide their own return instructions. If you wish to vote by proxy, you should carefully follow the instructions from the Nominee in order that your shares are voted at the Meeting.

If you, as a non-registered holder, wish to vote at the Meeting in person, you should appoint yourself as proxyholder by writing your name in the space provided on the request for voting instructions or proxy provided by the Nominee and return the form to the Nominee in the envelope provided. Do not complete the voting section of the form as your vote will be taken at the Meeting.

Non-registered holders who have not objected to their Nominee disclosing certain ownership information about themselves to the Company are referred to as "non-objecting beneficial owners" ("**NOBOs**"). Those non-registered holders who have objected to their Nominee disclosing ownership information about themselves to the Company are referred to as "objecting beneficial owners" ("**OBOs**").

In accordance with the requirements of National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("**NI 54-101**") of the Canadian Securities Administrators, the Company has elected to send the Meeting materials indirectly to NOBOs.

If the Company or its agent has sent these materials directly to you (instead of through a Nominee), your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Nominee holding on your behalf. By choosing to send these materials to you directly, the Company (and not the Nominee holding on your behalf) has assumed responsibility for (i) delivering these materials to you and (ii) executing your proper voting instructions.

The Company does not intend to pay for Nominees to deliver the Meeting materials and Form 54-101F7 – *Request for Voting Instructions Made by Intermediary* to OBOs. As a result, OBOs will not receive the Meeting materials unless their Nominee assumes the costs of delivery.

The Company is not sending the Meeting materials to shareholders using "notice-and-access", as defined under NI 54-101.

REVOCABILITY OF PROXY

In addition to revocation in any other manner permitted by law, a shareholder, his attorney authorized in writing or, if the shareholder is a corporation, a corporation under its corporate seal or by an officer or attorney thereof duly authorized, may revoke a proxy by instrument in writing, including a proxy bearing a later date. The instrument revoking the proxy must be deposited at the registered office of the Company, at any time up to and including the last business day preceding the date of the Meeting, or any adjournment thereof, or with the chairman of the Meeting on the day of the Meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The Company is authorized to issue an unlimited number of common shares without par value (the "shares"), of which 20,961,010 shares are issued and outstanding. Persons who are registered shareholders at the close of business on November 7, 2018 will be entitled to receive notice of and vote at the Meeting and will be entitled to one vote for each share held. The Company has only one class of shares.

To the knowledge of the directors and executive officers of the Company, no person beneficially owns, controls or directs, directly or indirectly, shares carrying 10% or more of the voting rights attached to all shares of the Company.

NUMBER OF DIRECTORS

At the Meeting, shareholders will be asked to pass an ordinary resolution to set the number of directors of the Company for the ensuing year at four (4). The number of directors will be approved if the affirmative vote of the majority of common shares present or represented by proxy at the Meeting and entitled to vote are voted in favour to set the number of directors at four (4).

Management recommends the approval of the resolution to set the number of directors of the Company at four (4).

The Company is a “venture issuer” as defined in NI 52-110 and is relying on the exemption in section 6.1 of NI 52-110 relating to Parts 3 (Composition of Audit Committee) and 5 (Reporting Obligations).

CORPORATE GOVERNANCE DISCLOSURE

National Instrument 58-101, Disclosure of Corporate Governance Practices, requires all reporting issuers to provide certain annual disclosure of their corporate governance practices with respect to the corporate governance guidelines (the “**Guidelines**”) adopted in National Policy 58-201. These Guidelines are not prescriptive, but have been used by the Company in adopting its corporate governance practices. The Board and Management consider good corporate governance to be an integral part of the effective and efficient operation of Canadian corporations. The Company’s approach to corporate governance is set out below.

Board of Directors

Management is nominating three individuals to the Board, of which all are current directors of the Company.

The Guidelines suggest that the board of directors of every reporting issuer should be constituted with a majority of individuals who qualify as “independent” directors under NI 52-110, which provides that a director is independent if he or she has no direct or indirect “material relationship” with the Company. The “material relationship” is defined as a relationship which could, in the view of the Company’s Board, reasonably interfere with the exercise of a director’s independent judgement. All of the current members of the Board are considered “independent” within the meaning of NI 52-110, except for Nico Civelli, who is the President and Chief Executive Officer of the Company.

The Board has a stewardship responsibility to supervise the management of and oversee the conduct of the business of the Company, provide leadership and direction to management, evaluate management, set policies appropriate for the business of the Company and approve corporate strategies and goals. The day-to-day management of the business and affairs of the Company is delegated by the Board to the CEO and President. The Board will give direction and guidance through the CEO to management and will keep management informed of its evaluation of the senior officers in achieving and complying with goals and policies established by the Board.

The Board recommends nominees to the shareholders for election as directors, and immediately following each annual general meeting appoints an Audit Committee and the Audit Committee chairperson. The Board establishes and periodically reviews and updates the committee mandates, duties and responsibilities, elects a chairperson of the Board and establishes his or her duties and responsibilities, appoints the CEO, CFO and President of the Company and establishes the duties and responsibilities of those positions and on the recommendation of the CEO and the President, appoints the senior officers of the Company and approves the senior management structure of the Company.

The Board exercises its independent supervision over management by its policies that (a) periodic meetings of the Board be held to obtain an update on significant corporate activities and plans; and (b) all material transactions of the Company are subject to prior approval of the Board. The Board shall meet not less than three times during each year and will endeavour to hold at least one meeting in each fiscal quarter. The Board will also meet at any other time at the call of the President, or subject to the Articles of the Company, of any director.

The mandate of the Board, as prescribed by the *Business Corporations Act* (British Columbia) (the “Act”), is to manage or supervise management of the business and affairs of the Company and to act with a view to the best interests of the Company. In doing so, the Board oversees the management of the Company’s affairs directly and through its audit committee.

Orientation and Continuing Education

The Board’s practice is to recruit for the Board only persons with extensive experience in identifying and targeting junior businesses for transactions and in public company matters. Prospective new board members are provided a reasonably detailed level of background information, verbal and documentary, on the Company’s affairs and plans prior to obtaining their consent to act as a director.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Company’s governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director’s participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Under the corporate legislation, a director is required to act honestly and in good faith with a view to the best interests of the Company and exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances, and disclose to the board the nature and extent of any interest of the director in any material contract or material transaction, whether made or proposed, if the director is a party to the contract or transaction, is a director or officer (or an individual acting in a similar capacity) of a party to the contract or transaction or has a material interest in a party to the contract or transaction. The director must then abstain from voting on the contract or transaction unless the contract or transaction (i) relates primarily to their remuneration as a director, officer, employee or agent of the Company or an affiliate of the Company, (ii) is for indemnity or insurance for the benefit of the director in connection with the Company, or (iii) is with an affiliate of the Company. If the director abstains from voting after disclosure of their interest, the directors approve the contract or transaction and the contract or transaction was reasonable and fair to the Company at the time it was entered into, the contract or transaction is not invalid and the director is not accountable to the Company for any profit realized from the contract or transaction. Otherwise, the director must have acted honestly and in good faith, the contract or transaction must have been reasonable and fair to the Company and the contract or transaction be approved by the shareholders by a special resolution after receiving full disclosure of its terms in order for the director to avoid such liability or the contract or transaction being invalid.

Nomination of Directors

The Board identifies new candidates for board nomination by an informal process of discussion and consensus-building on the need for additional directors, the specific attributes being sought, likely prospects, and timing. Prospective directors are not approached until consensus is reached. This process takes place among the Chairman and a majority of the non-executive directors.

Assessments

The Board annually reviews its own performance and effectiveness as well as the effectiveness and performance of its committees. Effectiveness is subjectively measured by comparing actual corporate results with stated objectives. The contributions of individual directors are informally monitored by other Board members, bearing in mind the business strengths of the individual and the purpose of originally nominating the individual to the Board.

The Board monitors the adequacy of information given to directors, communication between Board and Management and the strategic direction and processes of the Board and its committees.

The Board believes its corporate governance practices are appropriate and effective for the Company, given its size and operations. The Company's corporate governance practices allow the Company to operate efficiently, with checks and balances that control and monitor Management and corporate functions without excessive administration burden.

PARTICULARS OF MATTERS TO BE ACTED UPON

1. Confirming Stock Option Plan

Pursuant to Policy 4.4 of the TSX Venture Exchange ("TSX-V"), all TSX-V listed companies are required to adopt a stock option plan prior to granting incentive stock options. The purpose of the Stock Option Plan is to attract and motivate directors, senior officers, employees, consultants and others providing services to the Company and its subsidiaries, and thereby advance the Company's interests, by affording such persons with an opportunity to acquire an equity interest in the Company through the issuance of stock options. The Company is currently listed on Tier 2 of the TSX-V and has adopted a "rolling" stock option plan reserving a maximum of 10% of the issued shares of the Company at the time of the stock option grant.

The shareholders are being asked to approve the Stock Option Plan at the Meeting. As a "rolling" stock option plan, the Stock Option Plan will be required to be re-approved by the shareholders each year at the Company's annual general meeting.

Copies of the Stock Option Plan will be available at the Meeting for review by the shareholders. In addition, upon request, shareholders may obtain a copy of the document from the Company prior to the Meeting.

Summary of the Plan

The following information is intended as a brief description of the Company's Stock Option Plan and is qualified in its entirety by the full text of the Stock Option Plan, which will be available for review at the Meeting. Capitalized terms are as defined in the Stock Option Plan.

1. The aggregate number of Common Shares that may be reserved for issuance pursuant to Options shall not exceed 10% of the outstanding Common Shares at the time of the granting of an Option, less the aggregate number of Common Shares then reserved for issuance pursuant to any Other Share Compensation Arrangement. For greater certainty, if an Option is surrendered, terminated

or expires without being exercised, the Common Shares reserved for issuance pursuant to such Option shall be available for new Options granted under this Plan.

2. The exercise price per Common Share for an Option shall be determined by the Directors or their delegates if any, but will in no event be less than the permitted discount to the Market Price for the Common Shares (as defined by the policies of the Exchange) at the date of grant.
3. If Options are granted within ninety days of a Distribution by the Corporation by prospectus, then the exercise price per Common Share for such Option shall not be less than the greater of the minimum exercise price calculated pursuant to subsection 5.1(a) herein and the price per Common Share paid by the public investors for Common Shares acquired pursuant to such Distribution. Such ninety-day period shall begin:
 - (i) on the date the final receipt is issued for the final prospectus in respect of such Distribution; or
 - (ii) in the case of an initial public offering, on the date of listing.
4. The number of Common Shares reserved for issuance in any 12 month period under this Plan and any Other Share Compensation Arrangement to (a) any one Person, shall not exceed 5% of the outstanding Common Shares at the time of the grant (unless the Company has obtained Disinterested Shareholder Approval to exceed such limit); (b) any one Consultant or Person employed to provide Investor Relations Activities, shall not exceed 2% of the outstanding Common Shares at the time of the grant; and (c) to Insiders, shall not exceed 10% of the outstanding Common Shares at the time of the grant.
5. Unless the Company has received Disinterested Shareholder Approval to do so, the number of Common Shares issued to any Person within a 12-month period pursuant to the exercise of Options granted under this Plan and any Other Share Compensation Arrangement shall not exceed 5% of the outstanding Common Shares at the time of the grant.
6. Upon expiry of an option, or in the event an option is otherwise terminated for any reason, the number of shares in respect of the expired or terminated option shall again be available for the purposes of the Stock Option Plan. All options granted under the Stock Option Plan, unless sooner terminated, have a term not exceeding and shall therefore expire no later than 10 years after the date of the grant.
7. If a Participant who is an Officer, Employee or Consultant is terminated for cause, each Option held by such Participant shall terminate and shall therefore cease to be exercisable upon such termination for cause.

If a Participant dies or suffers a disability prior to otherwise ceasing to be an Eligible Person, each Option held by such Participant shall terminate and shall therefore cease to be exercisable no later than the earlier of the Expiry Date and the date which is twelve months after the date of the Participant's death or disability.

Unless an option agreement specifies otherwise, if a Participant ceases to be an Eligible Person for any reason other than death or disability, each Option held by the Participant other than a Participant who is involved in investor relations activities will cease to be exercisable 90 days after the Termination Date or for a "reasonable period" after the Participant ceases to serve in such capacity, as determined by the Board. For Participants involved in investor relations activities, Options shall

cease to be exercisable 30 days after the Termination Date or for a "reasonable period" after the Participant ceases to serve in such capacity, as determined by the Board.

For greater certainty, if a Participant dies, each Option held by such Participant shall be exercisable by the legal representative of such Participant until such Option terminates and therefore ceases to be exercisable pursuant to the terms of this Section.

If any portion of an Option is not vested at the time a Participant ceases, for any reason whatsoever, to be an Eligible Person, such unvested portion of the Option may not be thereafter exercised by the Participant or its legal representative, as the case may be, always provided that the Board may, in its discretion and in the case of Options relating to Investor Relations, subject to the approval of the Exchange, thereafter permit the Participant or its legal representative, as the case may be, to exercise all or any part of such unvested portion of the Option that would have vested prior to the time such Option otherwise terminates and therefore ceases to be exercisable pursuant to the terms of this Section. For greater certainty, and without limitation, this provision will apply regardless of whether the Participant ceased to be an Eligible Person voluntarily or involuntarily, was dismissed with or without cause, and regardless of whether the Participant received compensation in respect of dismissal or was entitled to a notice of termination for a period which would otherwise have permitted a greater portion of an Option to vest.

The Board retains the discretion to impose vesting periods on any options granted. In accordance with the policies of the Exchange, stock options granted to consultants performing investor relations services must vest in stages over a minimum of 12 months with no more than one-quarter of the stock options vesting in any three-month period.

Under the TSX Venture Exchange policy, all such rolling stock option plans which set the number of common shares issuable under the plan at a maximum of 10% of the issued and outstanding common shares must be approved and ratified by shareholders on an annual basis. Therefore, at the Meeting shareholders will be asked to pass an ordinary resolution in the following form:

BE IT RESOLVED that:

- (1) the Company approve and ratify, subject to regulatory approval, the Plan pursuant to which the directors may, from time to time, authorize the issuance of options to directors, officers, employees and consultants of the Company and its subsidiaries to a maximum of 10% of the issued and outstanding common shares of the Company at the time of grant, with a maximum of 5% of the Company's issued and outstanding common shares being reserved to any one person on a yearly basis; and
- (2) any one officer or director of the Company is hereby authorized to execute and deliver all such documents and do all such acts and things as may be deemed advisable in such individual's discretion for the purpose of giving effect to this resolution."

AUDIT COMMITTEE CHARTER

(Implemented pursuant to National Instrument 52-110 – *Audit Committees*)

National Instrument 52-110 – *Audit Committees* (the “**Instrument**”) relating to the composition and function of audit committees was implemented for reporting issuers and, accordingly, applies to every TSX Venture Exchange listed company, including the Company. The Instrument requires all affected issuers to have a written audit committee charter which must be disclosed, as stipulated by Form 52-110F2, in the management information circular of the Company wherein management solicits proxies from the security holders of the Company for the purpose of electing directors to the board of directors. The Company, as a TSX Venture Exchange-listed company is, however, exempt from certain requirements of the Instrument.

This Charter has been adopted by the board of directors in order to comply with the Instrument and to more properly define the role of the Committee in the oversight of the financial reporting process of the Company. Nothing in this Charter is intended to restrict the ability of the board of directors or Committee to alter or vary procedures in order to comply more fully with the Instrument, as amended from time to time.

I. MANDATE

The Audit Committee (the “Committee”) of the Board of Directors (the “Board”) of Troubadour Resources Inc. (the “Company”) shall assist the Board in fulfilling its financial oversight responsibilities. The Committee’s primary duties and responsibilities under this mandate are to serve as an independent and objective party to monitor:

1. The quality and integrity of the Company’s financial statements and other financial information;
2. The compliance of such statements and information with legal and regulatory requirements;
3. The qualifications and independence of the Company’s independent external auditor (the “Auditor”); and

C. Appointment and Removal

In accordance with the Articles of the Company, the members of the Committee shall be appointed by the Board and shall serve until such member's successor is duly elected and qualified or until such member's earlier resignation or removal. Any member of the Committee may be removed, with or without cause, by a majority vote of the Board.

D. Chair

Unless the Board shall select a Chair, the members of the Committee shall designate a Chair by the majority vote of all of the members of the Committee. The Chair shall call, set the agendas for and chair all meetings of the Committee.

E. Meetings

II.

III. The Committee shall meet as frequently as circumstances dictate. The Auditor shall be given reasonable notice of, and be entitled to attend and speak at, each meeting of the Committee concerning the Company's annual financial statements and, if the Committee feels it is necessary or appropriate, at every other meeting. On request by the Auditor, the Chair shall call a meeting of the Committee to consider any matter that the Auditor believes should be brought to the attention of the Committee, the Board or the shareholders of the Company.

IV.

V. At each meeting, a quorum shall consist of a majority of members that are not officers or employees of the Company or of an affiliate of the Company.

As part of its goal to foster open communication, the Committee may periodically meet separately with each of management and the Auditor to discuss any matters that the Committee or any of these groups believes would be appropriate to discuss privately. In addition, the Committee should meet with the Auditor and management annually to review the Company's financial statements in a manner consistent with Section III of this Charter.

The Committee may invite to its meetings any director, any manager of the Company, and any other person whom it deems appropriate to consult in order to carry out its responsibilities. The Committee may also exclude from its meetings any person it deems appropriate to exclude in order to carry out its responsibilities.

III. DUTIES

A. Introduction

The following functions shall be the common recurring duties of the Committee in carrying out its purposes outlined in Section I of this Charter. These duties should serve as a guide with the understanding that the Committee may fulfill additional duties and adopt additional policies and procedures as may be appropriate in light of changing business, legislative, regulatory or other conditions. The Committee shall also carry

out any other responsibilities and duties delegated to it by the Board from time to time related to the purposes of the Committee outlined in Section I of this Charter.

The Committee, in discharging its oversight role, is empowered to study or investigate any matter of interest or concern which the Committee in its sole discretion deems appropriate for study or investigation by the Committee.
