

Troubadour to Acquire 100% Ownership of High-Grade Monarch Uranium Property

Vancouver, British Columbia, Canada, November 27th, 2023 – **TROUBADOUR RESOURCES INC.** (the “Company”) (TSX VENTURE: TR) (OTCQB: TROUF) is pleased to announce the 100% acquisition of the High-Grade Monarch Uranium Property in the Thelon Basin, Nunavut.

Blake Morgan, Director of the Company states, “This property marks a major turn of events for TR. With Uranium at near all-time highs and a new multi-million dollar staking rush happening all around the region, we have stamped our mark and made the move. With some of the highest-grade Uranium ever found on this asset, we will push the boundaries of new technologies and move towards a major discovery. We will leverage \$1,000,000 in previous exploration to rapidly generate advanced targets and the team will have more information regarding this asset coming soon”.

Terms of Acquisition

The Company has entered into an arm’s length purchase and sale agreement to acquire 100% ownership of the Monarch Uranium Property for 5,500,000 common shares and a cash payment of \$35,000 upon closing.

About the Monarch Uranium Property

- A significant boulder field has been previously defined, with high values of Uranium discovered on the property.
- Sits stratigraphically above the unconformity between the Thelon Basin and the underlying metasediments basement.
- The intersection of reactivated faults and unconformities is highly prospective for uranium deposits as seen in properties like Cigar Lake, Key Lake.

About Troubadour
