

FOR IMMEDIATE RELEASE

GLOBAL DAILY FANTASY SPORTS SIGNS LICENSING DEAL WITH EUROPEAN GAMING COMPANY, REBELS GAMING INC.

Vancouver, B.C. – November 8, 2018 – Global Daily Fantasy Sports Inc. (TSX-V: DFS / Frankfurt: 7CR) (“Global” or the “Company”), a B2B Daily Fantasy Sports software provider, has signed a licensing agreement with Rebels Gaming Inc. (“Rebels Gaming”) to be their exclusive provider of the company's Daily Fantasy Sports product and platform.

Rebels Gaming represents the first client that has added Global’s Daily Fantasy Sports product through our strategic partnership with OMEGA Systems (see Oct. 24th, 2018 News Release). Rebels Gaming operates a sportsbook and six casino licenses under the Malta Gaming Authority (“MGA”), through their gaming brand at www.betrebels.com. Rebels Gaming is also licensed in Greece, offering online gaming and sports betting, through www.betrebels.gr.

Gregory Skornos, Director and Co-founder of Rebels Gaming, expressed “Rebels Gaming is established in many European Countries and our mission is to offer our customers a high quality, dynamic, entertaining and broad ranging gaming experience in a secure and regulated environment. Now, by adding Global’s, Daily Fantasy Sports product and platform, our customers are a click away from a complete DFS betting experience”.

Global Daily Fantasy Sports CEO Darcy Krogh said: “We are delighted to sign Rebels Gaming for the upcoming launch of our dotcom network. We are also pleased to sign our first client through the Omega partnership and look forward to working with Rebels Gaming and introducing their customers to the world of daily fantasy sports.”

About Global Daily Fantasy Sports Inc.

Global Daily Fantasy Sports Inc. (TSX-V: DFS) is providing a multi-tenant gateway that allows operators to offer their customers a world class Daily Fantasy Sports software solution. The platform allows for seamless integration at the operator level without having to share or compromise any sensitive customer data. Joining the Company’s network allows operators to capitalize on a mature infrastructure, with shared liquidity that was built specifically for regulated market environments.

As a true B2B global network, the Company offers a SaaS product that is an ideal turn-key solution for sportsbook operators, land-based operators, media groups, and big database companies to participate in the daily fantasy sports industry.

About REBELS GAMING

REBELS GAMING is an online gaming operator licensed in the regulated gaming jurisdictions of Malta and Greece. Their management team offers a wealth of experience in offering the best solutions in Online Gaming. For more information, please visit www.betrebels.com/about
