### f) Summary of the distribution by jurisdiction and exemption

State the total dollar amount of securities distributed and the number of purchasers for each jurisdiction of Canada and foreign jurisdiction where a purchaser resides and for each exemption relied on in Canada for that distribution. However, if an issuer located outside of Canada completes a distribution in a jurisdiction of Canada, include distributions to purchasers resident in that jurisdiction of Canada only.

This table requires a separate line item for: (i) each jurisdiction where a purchaser resides, (ii) each exemption relied on in the jurisdiction where a purchaser resides, if a purchaser resides in a jurisdiction of Canada, and (iii) each exemption relied on in Canada, if a purchaser resides in a foreign jurisdiction.

For jurisdictions within Canada, state the province or territory, otherwise state the country.

| Province or country                            | Exemption relied on       | Number of purchasers | Total amount (Canadian \$) |

| Ontario                                        | Accredited Investor - 2.3 | 6                    | \$422,000                  |
| British Columbia                               | Accredited Investor - 2.3 | 1                    | \$750,000                  |
| Quebec                                         | Accredited Investor - 2.3 | 1                    | \$10,000                   |
|                                                |                           |                      |                            |
|                                                |                           |                      |                            |
| Total dollar amount of securities distributed  |                           |                      | \$1,182,000                |
| Total number of unique purchasers <sup>2</sup> |                           | 8                    |                            |

<sup>2</sup>In calculating the total number of unique purchasers to which the issuer distributed securities, count each purchaser only once, regardless of whether the issuer distributed multiple types of securities to, and relied on multiple exemptions for, that purchaser.

#### g) Net proceeds to the investment fund by jurisdiction

If the issuer is an investment fund, provide the net proceeds to the investment fund for each jurisdiction of Canada and foreign jurisdiction where a purchaser resides.<sup>3</sup> If an issuer located outside of Canada completes a distribution in a jurisdiction of Canada, include net proceeds for that jurisdiction of Canada only. For jurisdictions within Canada, state the province or territory, otherwise state the country.

|                                                  |                               |
|                                                  |                               |
| <b>Total net proceeds to the investment fund</b> |                               |

<sup>3</sup>"Net proceeds" means the gross proceeds realized in the jurisdiction from the distributions for which the report is being filed, less the gross redemptions that occurred during the distribution period covered by the report.
