
Annual General Meeting for Gossan Resources Limited

Notice & Access Notification to Shareholders

You are receiving this notification because Gossan Resources Limited (Gossan) has decided to use the notice and access model for delivery of meeting materials to its shareholders. Under notice and access, shareholders receive a form of proxy enabling them to vote at Gossan's annual general meeting (the Meeting). However, instead of a paper copy of the Management Information Circular (the Circular), shareholders receive this notice, which supplies instructions for accessing Meeting Materials electronically.

This will help reduce paper use and also reduce the cost of printing and mailing materials to shareholders.
