MANAGEMENT INFORMATION CIRCULAR

(containing information as at November 16, 2020 unless otherwise stated)

**For the Annual General and Special Meeting
to be held on Friday, December 18, 2020**

SOLICITATION OF PROXIES

This Information Circular (the “**Circular**”) is furnished in connection with the solicitation of proxies by the management (the “**Management**”) of ECC Ventures 2 Corp. (the “**Company**”), for use at the annual general and special meeting (the “**Meeting**”) of the shareholders (“**Shareholders**”) of the Company to be held on **Friday, December 18, 2020**, at the time and place and for the purposes set forth in the accompanying Notice of Meeting and at any adjournment thereof.

The enclosed form of proxy (the “**Proxy**”) is solicited by Management. The solicitation will be primarily by mail, however, proxies may be solicited personally or by telephone by the regular officers and employees of the Company. The cost of solicitation will be borne by the Company.

APPOINTMENT OF PROXYHOLDERS

The persons named in the Proxy are representatives of the Company.

A Shareholder entitled to vote at the Meeting has the right to appoint a person (who need not be a Shareholder) to attend and act on the Shareholder’s behalf at the Meeting other than the persons named in the accompanying form of proxy. To exercise this right, a Shareholder shall strike out the names of the persons named in the accompanying form of proxy and insert the name of the Shareholder’s nominee in the blank space provided, or complete another suitable form of proxy.

VOTING BY PROXYHOLDER

Manner of Voting

The common shares represented by the Proxy will be voted or withheld from voting in accordance with the instructions of the Shareholder on any ballot that may be called for and, if the Shareholder specifies a choice on the Proxy with respect to any matter to be acted upon, the shares will be voted accordingly. On any poll, the persons named in the Proxy (the “**Proxyholders**”) will vote the shares in respect of which they are appointed. Where directions are given by the Shareholder in respect of voting for or against any resolution, the Proxyholder will do so in accordance with such direction.

The Proxy, when properly signed, confers discretionary authority on the Proxyholder with respect to amendments or variations to the matters which may properly be brought before the Meeting. At the time of printing this Circular, Management is not aware that any such amendments, variations or other matters are to be presented for action at the Meeting. However, if any other matters which are not now known to Management should properly come before the Meeting, the proxies hereby solicited will be exercised on such matters in accordance with the best judgment of the Proxyholder.

In the absence of instructions to the contrary, the Proxyholders intend to vote the common shares represented by each Proxy, properly executed, in favour of the motions proposed to be made at the Meeting as stated under the headings in this Circular.

Revocation of Proxy

A Shareholder who has given a Proxy may revoke it at any time before it is exercised. In addition to revocation in any other manner permitted by law, a Proxy may be revoked by instrument in writing executed by the Shareholder or by his or her attorney authorized in writing, or, if the Shareholder is a corporation, it must either be under its common seal or signed by a duly authorized officer and deposited by hand with the Company's registrar and transfer agent, Computershare Trust Company of Canada ("**Computershare**") by hand or mail at 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, or by fax within North America at 1-866-249-7775 or outside North American at 1-416-263-9524 at any time up to and including the last business day preceding the day of the Meeting, or any adjournment of it, at which the proxy is to be used, or to the Chair of the Meeting on the day of the Meeting or any adjournment of it. A revocation of a Proxy does not affect any matter on which a vote has been taken prior to the revocation.

Voting Thresholds Required for Approval

In order to approve a motion proposed at the Meeting, a majority of not less than one-half of the votes cast will be required (an "**Ordinary Resolution**") unless the motion requires a special resolution (a "**Special Resolution**"), in which case a majority of not less than two-thirds of the votes cast will be required. In the event a motion proposed at the Meeting requires disinterested Shareholder approval, common shares held by Shareholders of the Company who are also "insiders", as such term is defined under applicable securities laws, will be excluded from the count of votes cast on such motion.

ADVICE TO REGISTERED SHAREHOLDERS

Shareholders whose names appear on the records of the Company as the registered holders of common shares in the capital of the Company (the "**Registered Shareholders**") may choose to vote by proxy whether or not they are able to attend the Meeting in person.

Registered Shareholders who choose to submit a Proxy may do so by completing, signing, dating and depositing the Proxy with Computershare, by hand or mail at 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, or by fax within North America at 1-866-249-7775 or outside North American at 1-416-263-9524, not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting or any adjournment thereof. The Proxy may be signed by the Shareholder or by his or her attorney in writing, or, if the Registered Shareholder is a corporation, it must either be under its common seal or signed by a duly authorized officer.

ADVICE TO BENEFICIAL SHAREHOLDERS

The information set forth in this section is of significant importance to many Shareholders as a substantial number of Shareholders do not hold shares in their own name.

Shareholders who do not hold their shares in their own name (the "**Beneficial Shareholders**") should note that only proxies deposited by Registered Shareholders can be recognized and acted upon at the Meeting.

If shares are listed in an account statement provided to a Shareholder by an intermediary, such as a brokerage firm, then, in almost all cases, those shares will not be registered in the Shareholder's name on the records of the Company. Such shares will more likely be registered under the name of the Shareholder's intermediary or an agent of that intermediary, and consequently the Shareholder will be a Beneficial Shareholder. In Canada, the vast majority of such shares are registered under the name CDS & Co. (being the registration name for the Canadian Depositary for Securities, which acts as nominee for many Canadian brokerage firms). The shares held by intermediaries or their agents or nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, an intermediary and its agents are prohibited from voting shares for the intermediary's clients. Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their shares are communicated to the appropriate person.

These proxy-related materials are being sent to both Registered Shareholders and Beneficial Shareholders of the Company. If you are a Beneficial Shareholder and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf. In this event, by choosing to send these materials to you directly, the Company (and not the intermediary holding on your behalf) has assumed

responsibility for (i) delivering these materials to you; and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

Although Beneficial Shareholders may not be recognized directly at the Meeting for the purpose of voting shares registered in the name of their broker, agent or nominee, a Beneficial Shareholder may attend the Meeting as a Proxyholder for a Registered Shareholder and vote their shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their shares as Proxyholder for a Registered Shareholder should contact their broker, agent or nominee well in advance of the Meeting to determine the steps necessary to permit them to indirectly vote their shares as a Proxyholder.

There are two kinds of Beneficial Shareholders, those who object to their name being made known to the issuers of securities that they own (“**OBOs**” for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are (“**NOBOs**” for Non-Objecting Beneficial Owners).

Non-Objecting Beneficial Owners

Pursuant to National Instrument 54-101 – Communication with Beneficial Owners of Securities of a Reporting Issuer (“**NI 54-101**”), issuers can obtain a list of their NOBOs from intermediaries for distribution of proxy-related materials directly to NOBOs. This year, the Company will rely on those provisions of NI 54-101 that permit it to directly deliver proxy-related materials to its NOBOs. As a result, NOBOs can expect to receive a scannable voting instruction form (“**VIF**”) from the Company’s transfer agent, Computershare. These VIFs are to be completed and returned to Computershare in the envelope provided or by facsimile. In addition, Computershare provides both telephone voting and internet voting as described on the VIF itself which contains complete instructions. Computershare will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by the VIFs they receive.

If you are a Beneficial Shareholder and the Company or its agent has sent these proxy-related materials to you directly, please be advised that your name, address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding your securities on your behalf. By choosing to send these proxy-related materials to you directly, the Company (and not the intermediaries holding securities your behalf) has assumed responsibility for (i) delivering the proxy-related materials to you and (ii) executing your proper voting instructions as specified in the VIF.

Objecting Beneficial Owners

Beneficial Shareholders who are OBOs should follow the instructions of their intermediary carefully to ensure that their shares are voted at the Meeting.

Applicable regulatory rules require intermediaries to seek voting instructions from OBOs in advance of Shareholders’ meetings. Every intermediary has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by OBOs in order to ensure that their shares are voted at the Meeting. The purpose of the form of proxy or voting instruction form provided to an OBO by its broker, agent or nominee is limited to instructing the registered holder of the shares on how to vote such shares on behalf of the OBO.

The form of proxy provided to OBOs by intermediaries will be similar to the Proxy provided to Registered Shareholders. However, its purpose is limited to instructing the intermediary on how to vote your shares on your behalf. The majority of intermediaries now delegate responsibility for obtaining instructions from OBOs to Broadridge Investor Communications (“**Broadridge**”). Broadridge typically supplies voting instruction forms, mails those forms to OBOs, and asks those OBOs to return the forms to Broadridge or follow specific telephonic or other voting procedures. Broadridge then tabulates the results of all instructions received by it and provides appropriate instructions respecting the voting of the shares to be represented at the meeting. **An OBO receiving a voting instruction form from Broadridge cannot use that form to vote shares directly at the Meeting. Instead, the voting instruction form must be returned to Broadridge or the alternate voting procedures must be completed well in advance of the Meeting in order to ensure that such shares are voted.**

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Except as otherwise disclosed herein, none of the directors (“**Directors**”) or officers (“**Officers**”) of the Company, at any time since the beginning of the Company’s last financial year, nor any proposed nominee for election as a Director,

Stock Option Plans and Other Incentive Plans

The Company has adopted a stock option plan (the “**Option Plan**”) pursuant to which the Board may grant options (the “**Options**”) to purchase Common Shares of the Company to NEOs, Directors and employees of the Company or affiliated corporations and to consultants retained by the Company.

The purpose of the Stock Option Plan is to advance the interests of the Company by encouraging the directors, officers, employees and consultants of the Company, and of its subsidiaries and affiliates, if any, to acquire common shares in the share capital of the Company, thereby increasing their proprietary interest in the Company, encouraging them to remain associated with the Company and furnishing them with additional incentive in their efforts on behalf of the Company in the conduct of its affairs.

The number of Common Shares which may be the subject of Options on a yearly basis to any one person cannot exceed five (5%) percent of the number of issued and outstanding Shares at the time of the grant. Options may be granted to any employee, Officer, Director, consultant, affiliate or subsidiary of the Company exercisable at a price which is not less than the market price of common shares of the Company on the date of the grant. The Directors of the Company may, by resolution, determine the time period during which any option may be exercised (the “**Exercise Period**”), provided that the Exercise Period does not contravene any rule or regulation of such exchange on which the Common Shares may be listed. All Options will terminate on the earliest to occur of (a) the expiry of their term; (b) the date of termination of an optionee’s employment, office or position as Director, if terminated for just cause; (c) ninety (90) days (or such other period of time as permitted by any rule or regulation of such exchange on which the Common Shares may be listed) following the date of termination of an optionee’s position as a Director or NEO, if terminated for any reason other than the optionee’s disability or death; (d) thirty (30) days following the date of termination of an optionee’s position as a consultant engaged in investor relations activities, if terminated for any reason other than the optionee’s disability, death, or just cause; and (e) the date of any sale, transfer or assignment of the Option.

Options are non-assignable and are subject to early termination in the event of the death of a participant or in the event a participant ceases to be a NEO, Director, employee, consultant, affiliate, or subsidiary of the Company, as the case may be. Subject to the foregoing restrictions, and certain other restrictions set out in the Option Plan, the Board is authorized to provide for the granting of Options and the exercise and method of exercise of options granted under the Option Plan.

However, as long as the Company is classified as a CPC, the terms and conditions of the Plan will remain subject to the following specific restrictions:

- (a) Options granted by the CPC may only entitle the Participant to acquire Shares of the CPC. Options may only be granted to a director or officer of the CPC, and where permitted by applicable securities legislation, a technical consultant whose particular industry expertise in relation to the business of the Vendors (as defined in Policy 2.4 of the Exchange) or the Target Company (as defined in Policy 2.4 of the Exchange), as the case may be, is required to evaluate the proposed Qualifying Transaction, or a company, all of whose securities are owned, directly and indirectly, by such a director, officer or technical consultant. The total number of Shares reserved for issuance pursuant to Options may not exceed 10% of the Shares outstanding as at the closing of the CPC’s initial public offering (the “**IPO**”).
- (b) The number of Shares reserved for issuance pursuant to Options to any individual director or officer may not exceed 5% of the Shares outstanding as at the closing of the IPO. The number of Shares reserved for issuance pursuant to Options to all technical consultants may not exceed 2% of the Shares outstanding as at the closing of the IPO. Options granted by a CPC are subject to the percentage limitations set forth in Policy 4.4 of the Exchange.
- (c) The CPC is prohibited from granting Options to any person providing Investor Relations Activities (as defined in the policies of the Exchange), promotional or market-making services.

- (d) The exercise price per Share under any Option granted by a CPC cannot be less than the greater of the IPO Share (as defined in the policies of the Exchange) price and the Discounted Market Price (as defined in the policies of the Exchange).

There are presently 565,000 Options outstanding under the Option Plan, all of which are held directly by NEOs or directors of the Company.

Employment, Consulting and Management Agreements

Management functions of the Company are not, to any substantial degree, performed other than by Directors or NEOs of the Company. There are no agreements or arrangements that provide for compensation to NEOs or Directors of the Company, or that provide for payments to a NEO or Director at, following or in connection with any termination (whether voluntary, involuntary or constructive), resignation, retirement, severance, a change of control in the Company or a change in the NEO or Director's responsibilities.

Oversight and Description of Director and NEO Compensation

Compensation of Directors

Compensation of Directors of the Company is reviewed annually and determined by the Board. The level of compensation for Directors is determined after consideration of various relevant factors, including the expected nature and quantity of duties and responsibilities, past performance, comparison with compensation paid by other issuers of comparable size and nature, and the availability of financial resources.

In the Board's view, there is, and has been, no need for the Company to design or implement a formal compensation program for Directors. While the Board considers Option grants to Directors under the Option Plan from time to time, the Board does not employ a prescribed methodology when determining the grant or allocation of Options. Other than the Option Plan, as discussed above, the Company does not offer any long-term incentive plans, share compensation plans or any other such benefit programs for Directors.

Compensation of NEOs

Compensation of NEOs is reviewed annually and determined by the Board. The level of compensation for NEOs is determined after consideration of various relevant factors, including the expected nature and quantity of duties and responsibilities, past performance, comparison with compensation paid by other issuers of comparable size and nature, and the availability of financial resources.

Elements of NEO Compensation

As discussed above, the Company provides an Option Plan to motivate NEOs by providing them with the opportunity, through Options, to acquire an interest in the Company and benefit from the Company's growth. The Board does not employ a prescribed methodology when determining the grant or allocation of Options to NEOs. Other than the Option Plan, the Company does not offer any long-term incentive plans, share compensation plans, retirement plans, pension plans, or any other such benefit programs for NEOs.

Pension Plan Benefits

No pension, retirement or deferred compensation plans, including defined contribution plans, have been instituted by the Company and none are proposed at this time.

APPOINTMENT OF AUDITOR

Davidson & Company LLP, Chartered Professional Accountants ("Davidson") is the Company's auditor and was first appointed as the Company's auditor in January 2018. Management is recommending the re-appointment of Davidson as Auditors for the Company, to hold office until the next annual general meeting of the Shareholders at a remuneration to be fixed by the Board. Management recommends the appointment, and the persons named in the enclosed form of Proxy intend to vote in favour of such appointment.

MANAGEMENT CONTRACTS

Except as disclosed herein, the Company is not a party to a Management Contract whereby management functions are to any substantial degree performed other than by the Directors or executive officers of the Company.

PARTICULARS OF MATTERS TO BE ACTED UPON

Presentation of Financial Statements

The audited financial statements of the Company for the year ended December 31, 2019 (the "Financial Statements") and the auditor's report thereon (the "Auditor's Reports"), will be presented to Shareholders at the Meeting.

The Financial Statements, Auditor's Report, and management's discussion and analysis ("MD&A") for the year ended December 31, 2019, are available under the Company's profile on SEDAR at www.sedar.com. The Notice of Annual General and Special Meeting of Shareholders, Information Circular, Request for Financial Statements (NI 51-102), and form of Proxy will be available from Computershare, at 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, or from the office of the Company's counsel, which is located at Suite 2200, HSBC Building, 885 West Georgia Street, Vancouver, British Columbia, V6C 3E8.

Appointment and Remuneration of Auditor

Shareholders will be asked to approve the re-appointment of Davidson as the auditor of the Company to hold office until the next Annual General Meeting of the Shareholders at remuneration to be fixed by the Board.

In the absence of instructions to the contrary, the Proxyholders intend to vote the Common Shares represented by each Proxy, properly executed, FOR appointing Davidson as the Company's independent auditor for the ensuing year, and FOR authorizing the Board to fix the auditor's pay.

Fixing the Number of Directors

Management proposes, and the persons named in the accompanying form of proxy intend to vote in favour of, fixing the number of Directors for the ensuing year at three (3) prior to the Transaction (as defined below) with Infield Minerals Corp. ("Infield"), and to fix the number of Directors for the ensuing year at four (4) conditional on and following completion of the Transaction with Infield. Although Management is nominating three (3) individuals to stand for election prior to the Transaction with Infield, and four (4) individuals to stand for election conditional on and following completion of the Transaction, the names of further nominees for Directors may come from the floor at the Meeting.

In the absence of instructions to the contrary, the Proxyholders intend to vote the Common Shares represented by each Proxy, properly executed, FOR fixing the number of Directors at three (3) for the ensuing year prior to the Transaction with Infield, and at four (4) for the ensuing year conditional on and following completion of the Transaction with Infield.

Election of Directors

The Company entered into a letter of intent dated November 9, 2020 (the “LOI”) with Infield pursuant to which the Company proposes to acquire all of the issued and outstanding common shares of Infield which will result in a reverse takeover of the Company by Infield (the “Transaction”). The Company is a Capital Pool Company and intends for the Transaction to constitute its Qualifying Transaction, as such terms are defined in the policies of the TSX Venture Exchange (the “Exchange”).

The Board currently consists of three (3) directors (the “Original Slate”). At the Meeting, Shareholders are required to elect the directors of the Company to hold office until the next annual meeting of Shareholders or until the successors of such directors are elected or appointed. If the Transaction is to be completed, it is a condition to closing that the Board be changed to include certain nominees of Infield (the “Resulting Issuer Slate”) as the Company exists immediately following the completion of the Transaction (the “Resulting Issuer”). At the time of the Meeting, the Transaction will not yet have been completed.

It is not appropriate to elect the Resulting Issuer Slate until the Transaction is completed. In order to avoid a premature election of the Resulting Issuer Slate, and in order to dispense with the need to call an additional meeting of the Shareholders of the Resulting Issuer to elect the Resulting Issuer Slate following completion of the Transaction, the Shareholders will be asked at the Meeting to consider, and if deemed advisable, to pass an ordinary resolution, the text of which is set forth below.

At the Meeting, it is expected that the nominees of the Original Slate will be elected to hold office until the earlier of the Change of Board Time (defined below), the next annual meeting of the Shareholders, or until successors of such directors are elected or appointed.

If the Transaction is completed, the size of the Board will be increased from three (3) directors to four (4) directors. STOCK OPTION PLAN

1. PURPOSE

The purpose of the Stock Option Plan (the “**Plan**”) of ECC Ventures 2 Corp., a corporation incorporated under *the Business Corporations Act* (British Columbia) (the “**Corporation**”) is to advance the interests of the Corporation by encouraging the directors, officers, employees and consultants of the Corporation, and of its subsidiaries and affiliates, if any, to acquire common shares in the share capital of the Corporation (the “**Shares**”), thereby increasing their proprietary interest in the Corporation, encouraging them to remain associated with the Corporation and furnishing them with additional incentive in their efforts on behalf of the Corporation in the conduct of its affairs.

2. ADMINISTRATION

The Plan shall be administered by the Board of Directors of the Corporation or by a special committee of the directors appointed from time to time by the Board of Directors of the Corporation pursuant to rules of procedure fixed by the Board of Directors (such committee or, if no such committee is appointed, the Board of Directors of the Corporation, is hereinafter referred to as the “**Board**”). A majority of the Board shall constitute a quorum, and the acts of a majority of the directors present at any meeting at which a quorum is present, or acts unanimously approved in writing, shall be the acts of the directors.

Subject to the provisions of the Plan, the Board shall have authority to construe and interpret the Plan and all option agreements entered into thereunder, to define the terms used in the Plan and in all option agreements entered into thereunder, to prescribe, amend and rescind rules and regulations relating to the Plan and to make all other determinations necessary or advisable for the administration of the Plan. All determinations and interpretations made by the Board shall be binding and conclusive on all participants in the Plan and on their legal personal representatives and beneficiaries.

Each option granted hereunder may be evidenced by an agreement in writing, signed on behalf of the Corporation and by the optionee, in such form as the Board shall approve. Each such agreement shall recite that it is subject to the provisions of this Plan.

The Board shall ensure that Participants (defined below) under the Plan are eligible to participate under the Plan, and, if required by the Exchange (defined below), shall represent and confirm that the Participant is a bona fide employee, consultant or management company employee (as defined in the policies of the Exchange).

3. STOCK EXCHANGE RULES

All options granted pursuant to this Plan shall be subject to rules and policies of any stock exchange or exchanges on which the Shares are then listed and any other regulatory body having jurisdiction (hereinafter collectively referred to as, the “**Exchange**”).

Without limiting the generality of the foregoing, during such period as the Shares are listed for trading on the Exchange:

- a) the Exchange Hold Period (as defined in the policies of the Exchange) will apply to all options granted to Insiders of the Corporation (as defined in the policies of the Exchange) and to all options granted at a discount to the Market Price (as defined in the policies of the Exchange); and
- b) any acceleration or removal of required Exchange vesting provisions are subject to the prior written approval of the Exchange.

4. SHARES SUBJECT TO PLAN

Subject to adjustment as provided in Section 16 hereof, the Shares to be offered under the Plan shall consist of common shares of the Corporation's authorized but unissued common shares. The aggregate number of Shares issuable upon the exercise of all options granted under the Plan shall not exceed 10% of the issued and outstanding common shares of the Corporation from time to time. If any option granted hereunder shall expire or terminate for any reason in accordance with the terms of the Plan without being exercised, the unpurchased Shares subject thereto shall again be available for the purpose of this Plan.

However, other than in connection with a "Qualifying Transaction" (as defined in Policy 2.4 of the Exchange) or otherwise accepted by the TSX Venture Exchange, during the time that the Corporation is a "Capital Pool Company" (as defined in Policy 2.4 of the Exchange) (a "CPC"), the aggregate number of Shares issuable upon the exercise of all options granted under the Plan shall not exceed 10% of the common shares of the Corporation issued and outstanding at the closing of the Corporation's initial public offering.

5. MAINTENANCE OF SUFFICIENT CAPITAL

The Corporation shall at all times during the term of the Plan reserve and keep available such numbers of Shares as will be sufficient to satisfy the requirements of the Plan.

6. ELIGIBILITY AND PARTICIPATION

Directors, officers, consultants, and employees of the Corporation or its subsidiaries, and employees of a person or company which provides management services to the Corporation or its subsidiaries ("**Management Company Employees**") shall be eligible for selection to participate in the Plan (such persons hereinafter collectively referred to as "**Participants**"). Subject to compliance with applicable requirements of the Exchange, Participants may elect to hold options granted to them in an incorporated entity wholly owned by them and such entity shall be bound by the Plan in the same manner as if the options were held by the Participant.

Subject to the terms hereof, the Board shall determine to whom options shall be granted, the terms and provisions of the respective option agreements, the time or times at which such options shall be granted and vested, and the number of Shares to be subject to each option. In the case of employees or consultants of the Corporation or Management Company Employees, the option agreements to which they are party must contain a representation of the Corporation that such employee, consultant or Management Company Employee, as the case may be, is a bona fide employee, consultant or Management Company Employee of the Corporation or its subsidiaries.

A Participant who has been granted an option may, if such Participant is otherwise eligible, and if permitted under the policies of the Exchange, be granted an additional option or options if the Board shall so determine.

7. EXERCISE PRICE

(a) The exercise price of the Shares subject to each option shall be determined by the Board, subject to applicable Exchange approval, at the time any option is granted. In no event shall such exercise price be lower than the exercise price permitted by the Exchange.

(b) Once the exercise price has been determined by the Board, accepted by the Exchange and the option has been granted, the exercise price of an option may only be reduced if at least 6 months have elapsed since the later of the date of the commencement of the term, the date the Corporation's shares commenced trading or the date the exercise price was reduced. In the case of options held by insiders of the Corporation (as defined in the policies of the Exchange), the exercise price of an option may be reduced only if disinterested shareholder approval is obtained.

8. NUMBER OF OPTIONED SHARES

(a) The number of Shares subject to an option granted to any one Participant shall be determined by the Board, but no one Participant shall be granted an option which exceeds the maximum number permitted by the Exchange.

(b) No single Participant may be granted options to purchase a number of Shares equalling more than 5% of the issued common shares of the Corporation in any twelve-month period unless the Corporation has obtained disinterested shareholder approval in respect of such grant and meets applicable Exchange requirements.

(c) Options shall not be granted if the exercise thereof would result in the issuance of more than 2% of the issued common shares of the Corporation in any twelve-month period to any one consultant of the Corporation (or any of its subsidiaries).

(d) Options shall not be granted if the exercise thereof would result in the issuance of more than 2% of the issued common shares of the Corporation in any twelve month period to persons employed to provide investor relation activities. Options granted to Consultants performing investor relations activities will contain vesting provisions such that vesting occurs over at least 12 months with no more than ¼ of the options vesting in any 3 month period.

(e) The aggregate number of options granted and outstanding to Eligible Charitable Organizations (as defined in the policies of the Exchange) must not at any time exceed 1% of the issued Shares of the Corporation, as calculated immediately subsequent to the grant of any options to Eligible Charitable Organizations, and any such options must expire after the earlier of (i) ten years from the date of grant; and (ii) ninety days after the optionee ceases to be an Eligible Charitable Organizations.

9. DURATION OF OPTION

(a) Each option and all rights thereunder shall be expressed to expire on the date set out in the option agreement and shall be subject to earlier termination as provided in Sections 11 and 12, provided that in

no circumstances shall the duration of an option exceed the maximum term permitted by the Exchange, being 10 years for the TSX Venture Exchange.

(b) Subject to compliance with Exchange Policy 4.4, the expiry date of an option granted hereunder will be automatically extended if such expiry date falls within a blackout period during which the Corporation prohibits optionees from exercising their options. Such automatic extension shall in no event exceed 10 days following the end of such blackout period.

10. OPTION PERIOD, CONSIDERATION AND PAYMENT

(a) The option period shall be a period of time fixed by the Board not to exceed the maximum term permitted by the Exchange, provided that the option period shall be reduced with respect to any option as provided in Sections 11 and 12 covering cessation as a director, officer, consultant, employee or Management Company Employee of the Corporation or its subsidiaries, or death of the Participant.

(b) Subject to any vesting restrictions imposed by the Exchange, the Board may, in its sole discretion, determine the time during which options shall vest and the method of vesting, or that no vesting restriction shall exist.

(c) Subject to any vesting restrictions imposed by the Board, options may be exercised in whole or in part at any time and from time to time during the option period. To the extent required by the Exchange, no options may be exercised under this Plan until this Plan has been approved by a resolution duly passed by the shareholders of the Corporation.

(d) Except as set forth in Sections 11 and 12, no option may be exercised unless the Participant is at the time of such exercise a director, officer, consultant, or employee of the Corporation or any of its subsidiaries, or a Management Company Employee of the Corporation or any of its subsidiaries.

(e) The exercise of any option will be contingent upon receipt by the Corporation at its head office of a written notice of exercise, specifying the number of Shares with respect to which the option is being exercised, accompanied by cash payment, certified cheque or bank draft for the full purchase price of such Shares with respect to which the option is exercised. No Participant or his legal representatives, legatees or distributees will be, or will be deemed to be, a holder of any common shares of the Corporation unless and until the certificates for Shares issuable pursuant to options under the Plan are issued to him or them under the terms of the Plan.

11. CEASING TO BE A DIRECTOR, OFFICER, CONSULTANT OR EMPLOYEE

(a) Subject to subsection (b), if a Participant shall cease to be a director, officer, consultant, employee of the Corporation, or its subsidiaries, or ceases to be a Management Company Employee, for any reason (other than death), such Participant may exercise his option to the extent that the Participant was entitled to exercise it at the date of such cessation, provided that such exercise must occur within 90 days after the Participant ceases to be a director, officer, consultant, employee or a Management Company Employee, unless such Participant was engaged in investor relations activities, in which case such exercise must occur within 30 days after the cessation of the Participant's services to the Corporation.

(b) If the Participant does not continue to be a director, officer, consultant, employee of the Resulting Issuer upon completion of the Corporation's Qualifying Transaction (as such terms are defined in the policies of the Exchange), the options granted hereunder must be exercised by the Participant within the later of 12 months after completion of the Qualifying Transaction and 90 days after the Participant ceases to become a director, officer, consultant or employee of the Resulting Issuer. Any Shares acquired on exercise of Options prior to the Completion of the Qualifying Transaction (as defined in Exchange Policy 2.4) must be deposited in escrow and will be subject to escrow until the Final Exchange Bulletin (as defined in Exchange Policy 2.4) is issued.

(c) Nothing contained in the Plan, nor in any option granted pursuant to the Plan, shall as such confer upon any Participant any right with respect to continuance as a director, officer, consultant, employee or Management Company Employee of the Corporation or of any of its subsidiaries or affiliates.

12. DEATH OF PARTICIPANT

Notwithstanding section 11, in the event of the death of a Participant, the option previously granted to him shall be exercisable only within the one (1) year after such death and then only:

(a) by the person or persons to whom the Participant's rights under the option shall pass by the Participant's will or the laws of descent and distribution; and

(b) if and to the extent that such Participant was entitled to exercise the Option at the date of his death.

13. CAPITAL POOL COMPANY RESTRICTIONS

As long as the Corporation is classified as a CPC, the terms and conditions of the Plan will remain subject to the following specific restrictions:

(a) Options granted by the CPC may only entitle the Participant to acquire Shares of the CPC. Options may only be granted to a director or officer of the CPC, and where permitted by applicable securities legislation, a technical consultant whose particular industry expertise in relation to the business of the Vendors (as defined in Policy 2.4 of the Exchange) or the Target Company (as defined in Policy 2.4 of the Exchange), as the case may be, is required to evaluate the proposed Qualifying Transaction, or a company, all of whose securities are owned, directly and indirectly, by such a director, officer or technical consultant. The total number of Shares reserved for issuance pursuant to Options may not exceed 10% of the Shares outstanding as at the closing of the CPC's initial public offering (the "IPO").

(b) The number of Shares reserved for issuance pursuant to Options to any individual director or officer may not exceed 5% of the Shares outstanding as at the closing of the IPO. The number of Shares reserved for issuance pursuant to Options to all technical consultants may not exceed 2% of the Shares outstanding as at the closing of the IPO. Options granted by a CPC are subject to the percentage limitations set forth in Policy 4.4 of the Exchange.

(c) The CPC is prohibited from granting Options to any person providing Investor Relations Activities (as defined in the policies of the Exchange), promotional or market-making services.

- (d) The exercise price per Share under any Option granted by a CPC cannot be less than the greater of the IPO Share (as defined in the policies of the Exchange) price and the Discounted Market Price (as defined in the policies of the Exchange).

14. RIGHTS OF OPTIONEE

No person entitled to exercise any option granted under the Plan shall have any of the rights or privileges of a shareholder of the Corporation in respect of any Shares issuable upon exercise of such option until certificates representing such Shares shall have been issued and delivered.

15. PROCEEDS FROM SALE OF SHARES

The proceeds from the sale of Shares issued upon the exercise of options shall be added to the general funds of the Corporation and shall thereafter be used from time to time for such corporate purposes as the Board may determine.

16. ADJUSTMENTS

If the outstanding common shares of the Corporation are increased, decreased, changed into or exchanged for a different number or kind of shares or securities of the Corporation or another corporation or entity through re-organization, merger, re-capitalization, re-classification, stock dividend, subdivision or consolidation, any adjustments relating to the Shares optioned or issued on exercise of options and the exercise price per Share as set forth in the respective stock option agreements shall be made in accordance to the terms of such agreements.

Adjustments under this Section shall be made by the Board whose determination as to what adjustments shall be made, and the extent thereof, shall be final, binding and conclusive. No fractional Share shall be required to be issued under the Plan on any such adjustment.

17. TRANSFERABILITY

All benefits, rights and options accruing to any Participant in accordance with the terms and conditions of the Plan shall not be transferable or assignable unless specifically provided herein or the extent, if any, permitted by the Exchange. During the lifetime of a Participant any benefits, rights and options may only be exercised by the Participant.

18. AMENDMENT AND TERMINATION OF PLAN

Subject to the policies, rules and regulations of any lawful authority having jurisdiction (including any exchange on which the Shares are listed for trading), the Board may at any time, without further action by the shareholders, amend the Plan or any option granted hereunder in such respects as it may consider advisable and, without limiting the generality of the foregoing, it may do so to ensure that options granted hereunder will comply with any provisions respecting stock options in the income tax or other laws in force in any country or jurisdiction of which a person to whom an option has been granted may from time to time be resident or citizen or the Board may at any time, without action by shareholders, terminate the Plan. The Board may not, however, without the consent of the option holder, alter or impair any of the rights or obligations under any option theretofore granted.

19. NECESSARY APPROVALS

The ability of a Participant to exercise options and the obligation of the Corporation to issue and deliver Shares in accordance with the Plan is subject to any approvals which may be required from shareholders of the Corporation and any regulatory authority or stock exchange having jurisdiction over the securities of the Corporation. If any Shares cannot be issued to any Participant for whatever reason, the obligation of the Corporation to issue such Shares shall terminate and any option exercise price paid to the Corporation will be returned to the Participant.

20. WITHHOLDING TAXES

The Corporation's obligation to deliver Shares issuable on the exercise of an option shall be subject to a Participant's satisfaction of all applicable income, employment and non-resident withholding tax obligations. Without limiting the generality of the foregoing, if the Corporation determines in its sole discretion that under the requirements of applicable taxation laws or regulations of any governmental authority whatsoever it is obliged to withhold for remittance to a taxing authority any amount upon exercise of an option, the Corporation may take any steps it considers necessary or appropriate in the circumstances to withhold in connection with any option or other benefit under the Plan including, without limiting the generality of the foregoing:

- (a) requiring the Participant exercising the option to pay the Corporation, in the same manner as the exercise price for the Shares issuable on exercise of an option, such amount as the Corporation is obliged to remit to such taxing authority in respect of the exercise of the option, with any such additional payment, in any event, being due no later than the date as of which any amount with respect to the option exercised first becomes included in the gross income of the Participant for tax purposes; or
- (b) issuing the Shares issuable on the exercise of an option to an agent on behalf of the Participant and directing the agent to sell a sufficient number of such Shares on behalf of the Participant to satisfy the amount of any such withholding obligation, with the agent paying the proceeds of any such sale to the Corporation for this purpose;

to the extent permitted by law, deducting the amount of any such withholding obligation from any payment of any kind otherwise due to the Participant.

21. EFFECTIVE DATE OF PLAN

The Plan has been adopted by the Board of the Corporation subject to the approval of the Exchange and, if so approved, subject to the discretion of the Board, the Plan shall become effective upon such approvals being obtained.

22. INTERPRETATION

The Plan will be governed by and construed in accordance with the laws of the Province of British Columbia.
