MANAGEMENT INFORMATION CIRCULAR

(containing information as at September 10, 2024 unless otherwise stated)

**For the Annual General and Special Meeting
to be held on Tuesday, October 15, 2024**

SOLICITATION OF PROXIES

This Information Circular (the “**Circular**”) is furnished in connection with the solicitation of proxies by the management (the “**Management**”) of Infield Minerals Corp. (the “**Company**”), for use at the annual general and special meeting (the “**Meeting**”) of the shareholders (“**Shareholders**”) of the Company to be held on **Tuesday, October 15, 2024**, at the time and place and for the purposes set forth in the accompanying Notice of Meeting and at any adjournment thereof.

The enclosed form of proxy (the “**Proxy**”) is solicited by Management. The solicitation will be primarily by mail; however, proxies may be solicited personally or by telephone by the regular officers and employees of the Company. The cost of solicitation will be borne by the Company.

APPOINTMENT OF PROXYHOLDERS

The persons named in the Proxy are representatives of the Company.

A Shareholder entitled to vote at the Meeting has the right to appoint a person (who need not be a Shareholder) to attend and act on the Shareholder’s behalf at the Meeting other than the persons named in the accompanying form of proxy. To exercise this right, a Shareholder shall strike out the names of the persons named in the accompanying form of proxy and insert the name of the Shareholder’s nominee in the blank space provided, or complete another suitable form of proxy.

A proxy will not be valid unless it is duly completed, signed, and deposited with the Company’s registrar and transfer agent, Computershare Trust Company of Canada (“**Computershare**”) by hand or mail at 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, or by fax within North America at 1-866-249-7775 or outside North America at 1-416-263-9524, not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting or any adjournment thereof. A proxy must be signed by the Shareholder or by his attorney in writing, or, if the Shareholder is a corporation, it must either be under its common seal or signed by a duly authorized officer.

VOTING BY PROXYHOLDER

Manner of Voting

The common shares represented by the Proxy will be voted or withheld from voting in accordance with the instructions of the Shareholder on any ballot that may be called for and, if the Shareholder specifies a choice on the Proxy with respect to any matter to be acted upon, the shares will be voted accordingly. On any poll, the persons named in the Proxy (the “**Proxyholders**”) will vote the shares in respect of which they are appointed. Where directions are given by the Shareholder in respect of voting for or against any resolution, the Proxyholder will do so in accordance with such direction.

The Proxy, when properly signed, confers discretionary authority on the Proxyholder with respect to amendments or variations to the matters which may properly be brought before the Meeting. At the time of printing this Circular, Management is not aware that any such amendments, variations or other matters are to be presented for action at the Meeting. However, if any other matters which are not now known to Management should properly come before the

Meeting, the proxies hereby solicited will be exercised on such matters in accordance with the best judgment of the Proxyholder.

In the absence of instructions to the contrary, the Proxyholders intend to vote the common shares represented by each Proxy, properly executed, in favour of the motions proposed to be made at the Meeting as stated under the headings in this Circular.

Revocation of Proxy

A Shareholder who has given a Proxy may revoke it at any time before it is exercised. In addition to revocation in any other manner permitted by law, a Proxy may be revoked by instrument in writing executed by the Shareholder or by his or her attorney authorized in writing, or, if the Shareholder is a corporation, it must either be under its common seal or signed by a duly authorized officer and deposited by hand with the Company's registrar and transfer agent, Computershare Trust Company of Canada ("**Computershare**") by hand or mail at 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, or by fax within North America at 1-866-249-7775 or outside North America at 1-416-263-9524 at any time up to and including the last business day preceding the day of the Meeting, or any adjournment of it, at which the proxy is to be used, or to the Chair of the Meeting on the day of the Meeting or any adjournment of it. A revocation of a Proxy does not affect any matter on which a vote has been taken prior to the revocation.

Voting Thresholds Required for Approval

In order to approve a motion proposed at the Meeting, a majority of not less than one-half of the votes cast will be required (an "**Ordinary Resolution**") unless the motion requires a special resolution (a "**Special Resolution**"), in which case a majority of not less than two-thirds of the votes cast will be required. In the event a motion proposed at the Meeting requires disinterested Shareholder approval, common shares held by Shareholders of the Company who are also "insiders", as such term is defined under applicable securities laws, will be excluded from the count of votes cast on such motion.

ADVICE TO REGISTERED SHAREHOLDERS

Shareholders whose names appear on the records of the Company as the registered holders of common shares in the capital of the Company (the "**Registered Shareholders**") may choose to vote by proxy whether or not they are able to attend the Meeting in person.

Registered Shareholders who choose to submit a Proxy may do so by completing, signing, dating, and depositing the Proxy with Computershare, by hand or mail at 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, or by fax within North America at 1-866-249-7775 or outside North America at 1-416-263-9524, not less than 48 hours (excluding Saturdays, Sundays, and holidays) before the time of the Meeting or any adjournment thereof. The Proxy may be signed by the Shareholder or by his or her attorney in writing, or, if the Registered Shareholder is a corporation, it must either be under its common seal or signed by a duly authorized officer.

Returning your proxy form

To be effective, we must receive your completed proxy form or voting instruction no later than 10:00 a.m. (Vancouver time) on October 10, 2024.

If the meeting is postponed or adjourned, we must receive your completed form of proxy by 5:00 p.m. (Vancouver time), two full business days before any adjourned or postponed meeting at which the proxy is to be used. Late proxies may be accepted or rejected by the Chairman of the Meeting at his discretion, and he is under no obligation to accept or reject a late proxy. The Chairman of the Meeting may waive or extend the proxy cut-off without notice.

ADVICE TO BENEFICIAL SHAREHOLDERS

The information set forth in this section is of significant importance to many Shareholders as a substantial number of Shareholders do not hold shares in their own name.

Shareholders who do not hold their shares in their own name (referred to in this information circular as "**Beneficial Shareholders**") should note that only proxies deposited by Registered Shareholders whose names appear on the records of the Company as the registered holders of shares can be recognized and acted upon at the Meeting.

If shares are listed in an account statement provided to a Shareholder by an intermediary, such as a brokerage firm, then, in almost all cases, those shares will not be registered in the Shareholder's name on the records of the Company. Such shares will more likely be registered under the name of the Shareholder's intermediary or an agent of that

intermediary, and consequently the Shareholder will be a Beneficial Shareholder. In Canada, the vast majority of such shares are registered under the name CDS & Co. (being the registration name for the Canadian Depository for Securities, which acts as nominee for many Canadian brokerage firms). The shares held by intermediaries, or their agents or nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, an intermediary and its agents are prohibited from voting shares for the intermediary's clients. Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their shares are communicated to the appropriate person.

Applicable regulatory rules require intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of Shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their shares are voted at the Meeting. The purpose of the form of proxy or voting instruction form provided to a Beneficial Shareholder by its broker, agent or nominee is limited to instructing the registered holder of the shares on how to vote such shares on behalf of the Beneficial Shareholder.

The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Investor Communications ("**Broadridge**"). Broadridge typically supplies a voting instruction form, mails those forms to Beneficial Shareholders, and asks those Beneficial Shareholders to return the forms to Broadridge or follow specific telephone or other voting procedures. Broadridge then tabulates the results of all instructions received by it and provides appropriate instructions respecting the voting of the shares to be represented at the Meeting. **A Beneficial Shareholder receiving a voting instruction form from Broadridge cannot use that form to vote shares directly at the Meeting. Instead, the voting instruction form must be returned to Broadridge, or the alternate voting procedures must be completed well in advance of the Meeting in order to ensure such shares are voted.**

There are two kinds of Beneficial Shareholders, those who object to their name being made known to the issuers of securities which they own ("**OBOs**" for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are ("**NOBOs**" for Non-Objecting Beneficial Owners). The Company does not intend to pay for intermediaries to deliver these securityholder materials to OBOs and, as a result, OBOs will not be sent paper copies unless their intermediary assumes the costs.

Non-Objecting Beneficial Owners

Pursuant to National Instrument 54-101 – Communication with Beneficial Owners of Securities of a Reporting Issuer ("**NI 54-101**"), issuers can obtain a list of their NOBOs from intermediaries for distribution of proxy-related materials directly to NOBOs. This year, the Company will rely on those provisions of NI 54-101 that permit it to directly deliver proxy-related materials to its NOBOs. As a result, NOBOs can expect to receive a scannable voting instruction form ("**VIF**") from the Company's transfer agent, Computershare. These VIFs are to be completed and returned to Computershare in the envelope provided or by facsimile. In addition, Computershare provides both telephone voting and internet voting as described on the VIF itself which contains complete instructions. Computershare will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by the VIFs they receive.

If you are a Beneficial Shareholder and the Company or its agent has sent these proxy-related materials to you directly, please be advised that your name, address, and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding your securities on your behalf. By choosing to send these proxy-related materials to you directly, the Company (and not the intermediaries holding securities your behalf) has assumed responsibility for (i) delivering the proxy-related materials to you and (ii) executing your proper voting instructions as specified in the VIF.

Objecting Beneficial Owners

Beneficial Shareholders, who are OBOs, should follow the instructions of their intermediary carefully to ensure that their shares are voted at the Meeting.

Applicable regulatory rules require intermediaries to seek voting instructions from OBOs in advance of Shareholders' meetings. Every intermediary has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by OBOs in order to ensure that their shares are voted at the Meeting. The purpose of the form of proxy or voting instruction form provided to an OBO by its broker, agent or nominee is limited to instructing the registered holder of the shares on how to vote such shares on behalf of the OBO.

The form of proxy provided to OBOs by intermediaries will be similar to the Proxy provided to Registered Shareholders. However, its purpose is limited to instructing the intermediary on how to vote your shares on your

behalf. The majority of intermediaries now delegate responsibility for obtaining instructions from OBOs to Broadridge Investor Communications (“**Broadridge**”). Broadridge typically supplies voting instruction forms, mails those forms to OBOs, and asks those OBOs to return the forms to Broadridge or follow specific telephonic or other voting procedures. Broadridge then tabulates the results of all instructions received by it and provides appropriate instructions respecting the voting of the shares to be represented at the meeting. **An OBO receiving a voting instruction form from Broadridge cannot use that form to vote shares directly at the Meeting. Instead, the voting instruction form must be returned to Broadridge, or the alternate voting procedures must be completed well in advance of the Meeting in order to ensure that such shares are voted.**

Notice-and-Access

The Company is not relying on the notice-and-access delivery procedures outlined in NI 54-101 to distribute copies of the Circular, Proxy or VIF.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Security-Based Compensation Plan

The Company has adopted a security-based compensation plan (the “**Compensation Plan**”) for directors, officers, employees, management company employees and consultants, which was last approved by Shareholders on June 21, 2023. The Compensation Plan allows for the Company to implement a stock option plan (“**Option Plan**”), deferred share unit plan (“**DSU Plan**”), and restricted share unit plan (“**RSU Plan**”), and/or any other security based compensation plan (together “**Listed Shares**”) that is acceptable to the Exchange. In accordance with the policies of the Exchange, the Compensation Plan must be confirmed by the Shareholders at each annual general meeting.

The purpose of the Compensation Plan is to promote the long-term success of the Corporation and the creation of Shareholder value by: (i) encouraging the attraction and retention of eligible persons; (ii) encouraging such eligible persons to focus on critical long-term objectives; and (iii) promoting greater alignment of the interests of such eligible persons with the interests of the Corporation. The Compensation Plan is a hybrid plan (10%) rolling and fixed up to 10%. The following is a summary of certain provisions of the Compensation Plan and is subject to, and qualified in its entirety by, the full text of the Compensation Plan.

- (a) the maximum aggregate number of Listed Shares that are issuable pursuant to all Security Based Compensation granted or issued to Insiders (as a group) must not exceed 10% of the Issued Shares of the Issuer at any point in time;
- (b) the maximum aggregate number of Listed Shares issuable pursuant to all Security Based Compensation granted or issued in any 12 month period to Insiders (as a group) must not exceed 10% of the Issued Shares, calculated as at the date any Security Based Compensation is granted or issued to any Insider;

There are presently 2,150,000 Options outstanding under the Option Plan, 1,900,000 of which are held directly by NEOs or directors of the Company.

Employment, Consulting and Management Agreements

Management functions of the Company are not, to any substantial degree, performed other than by Directors or NEOs of the Company. There are no agreements or arrangements that provide for compensation to NEOs or Directors of the Company, or that provide for payments to a NEO or Director at, following or in connection with any termination (whether voluntary, involuntary or constructive), resignation, retirement, severance, a change of control in the Company or a change in the NEO or Director's responsibilities, other than as follows: (1) Evandra Nakano, CEO, President and a Director of the Company, has a management agreement in effect with the Company which provides her with a salary of \$15,000 per month from January 2022 to November 2022, and amended to a salary of \$7,500 commencing December 2022. The management agreement for Ms. Nakano has the following severance provisions: (a) payment of one quarter of annual salary; and (b) in the event of a change of control of the Company, payment of two hundred percent of annual salary as a severance payment and the immediate vesting of all stock options granted to her.

Oversight and Description of Director and NEO Compensation

Compensation of Directors

Compensation of Directors of the Company is reviewed annually and determined by the Compensation Committee of the Board (the "**Compensation Committee**"). The level of compensation for Directors is determined after consideration of various relevant factors, including the expected nature and quantity of duties and responsibilities,

past performance, comparison with compensation paid by other issuers of comparable size and nature, and the availability of financial resources.

In the Board’s view, there is, and has been, no need for the Company to design or implement a formal compensation program for Directors. While the Board considers Option grants to Directors under the Option Plan from time to time, the Board does not employ a prescribed methodology when determining the grant or allocation of Options. Other than the Option Plan, as discussed above, the Company does not offer any long-term incentive plans, share compensation plans or any other such benefit programs for Directors.

Compensation of NEOs

Compensation of NEOs is reviewed annually and determined by the Compensation Committee. The level of compensation for NEOs is determined after consideration of various relevant factors, including the expected nature and quantity of duties and responsibilities, past performance, comparison with compensation paid by other issuers of comparable size and nature, and the availability of financial resources.

Elements of NEO Compensation

As discussed above, the Company provides an Option Plan to motivate NEOs by providing them with the opportunity, through Options, to acquire an interest in the Company and benefit from the Company’s growth. The Board does not employ a prescribed methodology when determining the grant or allocation of Options to NEOs. Other than the Option Plan, the Company does not offer any long-term incentive plans, share compensation plans, retirement plans, pension plans, or any other such benefit programs for NEOs.

Pension Plan Benefits

No pension, retirement, or deferred compensation plans, including defined contribution plans, have been instituted by the Company and none are proposed at this time.

INDEBTEDNESS OF DIRECTORS AND EXECUTIVE OFFICERS
