Participants should dial in at least ten (10) minutes prior to the scheduled start time and ask to join the call. Shareholders will have an equal opportunity to participate at the Meeting through this method regardless of their geographic location. We encourage Shareholders to not attend the Meeting in person due to risks related to COVID-19. We will also take additional precautionary measures in relation to the physical Meeting, limiting access to essential personnel, registered Shareholders and proxyholders entitled to attend and vote at the Meeting.

A Shareholder may attend the Meeting in person or may be represented by proxy. Shareholders who are unable to attend the Meeting or any adjournments or postponements thereof in person are requested to complete, date, sign and return the accompanying form of proxy for use at the Meeting or any adjournments or postponements thereof. In order to be valid and acted upon at the Meeting, the duly-completed form of proxy must be received prior to 10.00 a.m. (Toronto time) on February 28th, 2023 or in the case of any adjournment or postponement of the Meeting, not later than forty-eight (48) hours (excluding Saturdays, Sundays and Statutory Holidays in Toronto, Ontario) prior to the time set for the adjourned or postponed Meeting, or be deposited with the Secretary of the Corporation before the commencement of the Meeting or of any adjournment thereof. Notwithstanding the foregoing, the Chair of the Meeting has the discretion to accept proxies received after such deadline.

If you are a beneficial or non-registered holder of common shares in the capital stock of the Corporation and have received these materials through your broker, custodian, nominee or other intermediary, please complete and return the form of proxy or voting instruction form provided to you by your broker, custodian, nominee or other intermediary

in accordance with the instructions provided therein. A beneficial or non-registered Shareholder will not be recognized directly at the Meeting for the purposes of voting common shares registered in the name of his/her/its broker; however, a beneficial Shareholder may attend the Meeting as proxyholder for the registered Shareholder and vote the common shares in that capacity.

Notice-and-Access

The Corporation is utilizing the notice-and-access mechanism (the “**Notice-and-Access Provisions**”) that came into effect on February 11, 2013 under National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* and National Instrument 51-102 – *Continuous Disclosure Obligations*, for distribution of Meeting materials to registered and beneficial Shareholders.

Website Where Meeting Materials are Posted

The Notice-and-Access Provisions are a set of rules that allow reporting issuers to post electronic versions of proxy-related materials (such as proxy circulars and annual financial statements) on-line, via the System for Electronic Document Analysis and Retrieval (“**SEDAR**”) and one other website, rather than mailing paper copies of such materials to Shareholders. Electronic copies of the Circular, financial statements of the Corporation for the year ended June 30, 2022 (“**Financial Statements**”) and management’s discussion and analysis of the Company’s results of operations and financial condition for 2022 (“**MD&A**”) may be found on the Corporation’s SEDAR profile at www.sedar.com and also on the Corporation’s website at www.avidiangold.com. The Corporation will not use procedures known as “stratification” in relation to the use of Notice-and-Access Provisions. Stratification occurs when a reporting issuer using the Notice-and-Access Provisions provides a paper copy of the Circular to some Shareholders with this notice package. In relation to the Meeting, all Shareholders will receive the required documentation under the Notice-and-Access Provisions, which will not include a paper copy of the Circular.

Obtaining Paper Copies of Materials

The Corporation anticipates that using notice-and-access for delivery to all Shareholders will directly benefit the Corporation through a substantial reduction in both postage and material costs, and also promote environmental responsibility by decreasing the large volume of paper documents generated by printing proxy-related materials. Shareholders who wish to obtain paper copies of the Circular, Financial Statements and MD&A free of charge or who have questions about notice-and-access can contact the Corporation’s transfer agent, Computershare, toll-free at 1-866-964-0402. A request for paper copies should be made in advance of the Meeting such that the request is received by Computershare by February 22nd, 2023 in order to allow sufficient time for Shareholders to receive the paper copies and to return their proxies or voting instruction forms to intermediaries not later than 48 hours (excluding Saturdays, Sundays and statutory holidays in the City of Toronto, Ontario) prior to the time set for the Meeting or any adjournments or postponements thereof. Any requests for paper copies received by Computershare after February 22nd, 2023 will be delivered to Shareholders in accordance with applicable securities law.

PLEASE REVIEW THE CIRCULAR BEFORE VOTING.

DATED this 16th day of January, 2023

BY ORDER OF THE BOARD OF DIRECTORS

(Signed) “Dino Titaro”

Dino Titaro
Chairman and Director

AVIDIAN GOLD CORP.

MANAGEMENT INFORMATION CIRCULAR ANNUAL GENERAL AND SPECIAL MEETING OF SHAREHOLDERS

Avidian Gold Corp. (the “**Corporation**”) is utilizing the notice-and-access mechanism (the “**Notice-and-Access Provisions**”) that came into effect on February 11, 2013 under National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”) and National Instrument 51-102 – *Continuous Disclosure Obligations* (“**NI 51-102**”) for distribution of this management information circular (the “**Circular**”) to both registered and non-registered (or beneficial) holders (“**Shareholders**”) of common shares of the Corporation (“**Common Shares**”). Further information on notice-and-access is contained below under the heading *General Information Respecting the Meeting – Notice-and-Access* and Shareholders are encouraged to read this information for an explanation of their rights.

GENERAL INFORMATION RESPECTING THE MEETING

Solicitation of Proxies

This Circular is furnished in connection with the solicitation of proxies by the management of the Corporation (the “**Corporation**”) for use at the annual general and special meeting (the “**Meeting**”) of Shareholders to be held at the offices of Peterson McVicar LLP at 18 King St. E, Suite 902, Toronto, ON M5C 1C4 on March 2nd, 2023 at 10:00 a.m. (Toronto time) for the purposes set forth in the accompanying Notice of Annual General and Special Meeting of Shareholders. References in this Circular to the Meeting include any adjournment(s) or postponement(s) thereof.

It is expected that the solicitation of proxies will be primarily by mail, however, proxies may also be solicited by the officers, directors and employees of the Corporation by telephone, electronic mail or personally. These persons will receive no compensation for such solicitation other than their regular fees or salaries. The cost of soliciting proxies in connection with the Meeting will be borne directly by the Corporation.

The board of directors of the Corporation (the “**Board**”) has fixed the close of business on January 16th, 2023 as the record date (the “**Record Date**”), being the date for the determination of the registered Shareholders entitled to receive notice of, and to vote at, the Meeting. All duly completed and executed proxies must be received by the Corporation’s registrar and transfer agent, Computershare Investor Services Inc. (“**Computershare**”), at their offices at 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, Attention Proxy Department (by hand or mail delivery); Tel: 1-866-732-VOTE (8683); or registered online at www.investorvote.com, prior to 10:00 a.m. (Toronto time) on February 28th, 2023, or in the case of any adjournment or postponement of the Meeting, not later than forty-eight (48) hours (excluding Saturdays, Sundays and statutory holidays in Toronto, Ontario) prior to the time set for the adjourned or postponed Meeting.

In this Circular, unless otherwise indicated, all dollar amounts “\$” are expressed in Canadian dollars.

Unless otherwise stated, the information contained in this Circular is as at January 16th, 2023.

In light of the global pandemic caused by COVID-19, the Corporation is inviting Shareholders to participate in the Meeting by dialing in to our conference line at: (800) 221-8656 (Canadian toll free); (800) 220-9875 (U.S. toll free); (302) 709-8332 (International toll free), followed by the Participant Code: 41913568#. Participants should dial in at least ten (10) minutes prior to the scheduled start time and ask to join the call. Shareholders will have an equal opportunity to participate at the Meeting through this method regardless of their geographic location. We encourage Shareholders to not attend the Meeting in person due to risks related to COVID-19. We highly recommend Shareholders vote their Common Shares prior to the Meeting.

Notice and Access

As noted above, the Corporation is utilizing the Notice-and-Access Provisions that came into effect on February 11, 2013 under NI 54-101 and NI 51-102 for distribution of this Circular to all registered Shareholders and Beneficial Shareholders (as defined below).

The Notice-and-Access Provisions are a set of rules that allow reporting issuers to post electronic versions of proxy-related materials (such as proxy circulars and annual financial statements) on-line, via the System for Electronic Document Analysis and Retrieval (“**SEDAR**”) and one other website, rather than mailing paper copies of such materials to Shareholders. Electronic copies of the Circular, financial statements of the Corporation for the year ended June 30, 2022 (“**Financial Statements**”) and management’s discussion and analysis of the Corporation’s results of operations and financial condition for 2022 (“**MD&A**”) may be found on the Corporation’s SEDAR profile at www.sedar.com and also on the Corporation’s website at www.avidiangold.com. The Corporation will not use procedures known as “stratification” in relation to the use of Notice-and-Access Provisions. Stratification occurs when a reporting issuer using the Notice-and-Access Provisions provides a paper copy of this Circular to some Shareholders with the notice package. In relation to the Meeting, all Shareholders will receive the required documentation under the Notice-and-Access Provisions, which will not include a paper copy of this Circular. **Shareholders are reminded to review this Circular before voting.**

Although this Circular, the Financial Statements and the MD&A will be posted electronically on-line as noted above, Shareholders will receive paper copies of a “notice package” via prepaid mail containing the Notice of Meeting with information prescribed by NI 54-101 and NI 51-102, a form of proxy or voting instruction form, and supplemental mail list return card for Shareholders to request they be included in the Corporation supplementary mailing list for receipt of the Corporation’s interim financial statements for the 2023 fiscal year.

The Corporation anticipates that using notice-and-access for delivery to all Shareholders will directly benefit the Corporation through a substantial reduction in both postage and material costs, and also promote environmental responsibility by decreasing the large volume of paper documents generated by printing proxy-related materials. Shareholders who wish to obtain paper copies of the Circular, Financial Statements and MD&A free of charge or who have questions about notice-and-access can contact the Corporation’s transfer agent, Computershare, toll-free at 1-866-964-0402. A request for paper copies should be made in advance of the Meeting such that the request is received by Computershare by February 22nd, 2023, in order to allow sufficient time for Shareholders to receive their paper copies and to return their form of proxy to Computershare (in the case of registered Shareholders), or their voting instruction form to their intermediaries (in the case of Beneficial Shareholders, as such term is defined herein) by its due date. Any requests for paper copies received by Computershare after February 22nd, 2023 will be delivered to Shareholders in accordance with applicable securities law.

Voting of Proxies

The Common Shares represented by the accompanying form of proxy (if same is properly executed and is received at the offices of Computershare at the address provided herein not later than 10:00 a.m. (Toronto time) on February 28th, 2023, or in the case of any adjournment or postponement of the Meeting, not later than forty-eight (48) hours (excluding Saturdays, Sundays and statutory holidays in Toronto, Ontario) prior to the time set for the adjourned or postponed Meeting) will be voted at the Meeting, and, where a choice is specified in respect of any matter to be acted upon, will be voted or withheld from voting in accordance with the specification made on any ballot that may be called for.

In the absence of such specification, proxies in favour of management will be voted in favour of all resolutions described below. The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the Notice of Annual General and Special Meeting of Shareholders and with respect to other matters which may properly come before the Meeting. At the time of printing of this Circular, management knows of no such amendments, variations or other matters to come before the Meeting. However, if any other matters that are not now known to management should properly come before the Meeting, the form of proxy will be voted on such matters in accordance with the best judgment of the named proxies.

Appointment of Proxies

The persons named in the enclosed form of proxy are officers and/or directors of the Corporation. **A Shareholder desiring to appoint some other person, who need not be a Shareholder, to represent him or her at the Meeting, may do so by inserting such person’s name in the blank space provided in the enclosed form of proxy or by completing another proper form of proxy and, in either case, depositing the completed and executed proxy at the offices of Computershare, at the address provided herein, not later than 10:00 a.m. (Toronto time) on**

February 28th, 2023 or in the case of any adjournment or postponement of the Meeting, not later than forty-eight (48) hours (excluding Saturdays, Sundays and statutory holidays in Toronto, Ontario) prior to the time set for the adjourned or postponed Meeting.

A Shareholder forwarding the enclosed form of proxy may indicate the manner in which the appointee is to vote with respect to any specific item by checking the appropriate space. If the Shareholder giving the proxy wishes to confer a discretionary authority with respect to any item of business, then the space opposite the item is to be left blank. The Common Shares represented by the form of proxy submitted by a Shareholder will be voted in accordance with the directions, if any, given in the form of proxy.

To be valid, a form of proxy must be executed by a Shareholder or a Shareholder's attorney duly authorized in writing or, if the Shareholder is a body corporate, under its corporate seal or, by a duly authorized officer or attorney.

Revocation of Proxies

A Shareholder who has submitted a form of proxy as directed hereunder may revoke it at any time prior to the exercise thereof. If a person who has given a proxy personally attends the Meeting at which that proxy is to be voted, that person may revoke the proxy and vote in person. In addition to the revocation in any other manner permitted by law, a proxy may be revoked by instrument in writing executed by the Shareholder or his or her attorney or authorized agent and deposited with Computershare Investor Services Inc., 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1 (by hand or mail delivery) at any time up to and including the last business day preceding the day of the Meeting, or with the Chairman of the Meeting prior to the commencement of the Meeting on the day of the Meeting, and upon either of those deposits, the proxy will be revoked.

Only registered shareholders may revoke a proxy in this manner. Non-Registered Shareholders (as defined below) who wish to change their vote must arrange for their Intermediary (as defined below) to revoke the proxy on their behalf.

Voting by Non-Registered Shareholders

Only registered Shareholders or the persons they appoint as their proxies are permitted to vote at the Meeting. Most Shareholders are "non-registered" Shareholders ("**Non-Registered Shareholders**") because the Common Shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the Common Shares. Common Shares beneficially owned by a Non-Registered Shareholder are registered either: (i) in the name of an intermediary ("**Intermediary**") that the Non-Registered Shareholder deals with in respect of the Common Shares; or (ii) in the name of a clearing agency (such as CDS Clearing and Depository Services Inc. ("**CDS**")) of which the Intermediary is a participant. In accordance with applicable securities law requirements, the Corporation will have distributed copies of the Notice of the Annual General and Special Meeting of Shareholders, this Circular and the form of proxy (collectively, the "**Meeting Documents**") to the clearing agencies and Intermediaries for distribution to Non-Registered Shareholders.

Intermediaries are required to forward the Meeting Materials to Non-Registered Shareholders unless a Non-Registered Shareholder has waived the right to receive them. Intermediaries often use service companies to forward the Meeting Materials to Non-Registered Shareholders. Generally, Non-Registered Shareholders who have not waived the right to receive Meeting Materials will either:

- (i) be given a voting instruction form **which is not signed by the Intermediary** and which, when properly completed and signed by the Non-Registered Shareholder and **returned to the Intermediary or its service company**, will constitute voting instructions (often called a "**voting instruction form**") which the Intermediary must follow. Typically, the voting instruction form will consist of a one-page pre-printed form. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**") in Canada. Broadridge typically prepares a machine-readable voting instruction form, mails those forms to Non-Registered Shareholders and asks Non-Registered Shareholders to return the forms to Broadridge or otherwise communicate voting instructions to Broadridge (by way of the Internet or telephone, for example). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of the shares to be represented at the Meeting. Sometimes, instead of the one-page pre-printed form, the voting

instruction form will consist of a regular printed proxy form accompanied by a page of instructions which contains a removable label with a bar-code and other information. In order for this form of proxy to validly constitute a voting instruction form, the Non-Registered Shareholder must remove the label from the instructions and affix it to the form of proxy, properly complete and sign the form of proxy and submit it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company. **A Non-Registered Shareholder who receives a voting instruction form cannot use that form to vote his or her Common Shares at the Meeting; or**

- (ii) be given a form of proxy **which has already been signed by the Intermediary** (typically by a facsimile, stamped signature), which is restricted as to the number of shares beneficially owned by the Non-Registered Shareholder, but which is otherwise not completed by the Intermediary. Because the Intermediary has already signed the form of proxy, this form of proxy is not required to be signed by the Non-Registered Shareholder when submitting the proxy. In this case, the Non-Registered Shareholder who wishes to submit a proxy should properly complete the form of proxy and deposit it with Computershare Investor Services Inc., 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1 (by hand or mail delivery).

In either case, the purpose of these procedures is to permit Non-Registered Shareholders to direct the voting of the Common Shares they beneficially own. Should a Non-Registered Shareholder who receives one of the above forms wish to vote at the Meeting, or any adjournment(s) or postponement(s) thereof, (or have another person attend and vote on behalf of the Non-Registered Shareholder), the Non-Registered Shareholder should strike out the persons named in the voting instruction form and insert the Non-Registered Shareholder or such other person's name in the blank space provided. **In either case, Non-Registered Shareholders should carefully follow the instructions of their Intermediary, including those regarding when and where the voting instruction form is to be delivered.**

A Non-Registered Shareholder may revoke a voting instruction form or a waiver of the right to receive the Meeting Materials and to vote which has been given to an Intermediary at any time by written notice to the Intermediary provided that an Intermediary is not required to act on a revocation of a voting instruction form or of a waiver of the right to receive Meeting Materials and to vote, which is not received by the Intermediary at least seven (7) days prior to the Meeting.

Non-Registered Shareholders fall into two categories: those who object to their identity being made known to the issuers of securities which they own ("**Objecting Beneficial Owners**" or "**OBOs**") and those who do not object to their identity being made known to the issuers of the securities they own ("**Non-Objecting Beneficial Owners**" or "**NOBOs**"). Subject to the provisions of NI 54-101, issuers may request and obtain a list of their NOBOs from intermediaries. Pursuant to NI 54-101, issuers may obtain and use the NOBO list in connection with any matter relating to the affairs of the issuer, including the distribution of proxy-related materials directly to NOBOs. The Corporation is not sending Meeting Materials directly to the NOBOs. The Corporation will use and pay intermediaries and agents to send the Meeting Materials and also intends to pay for intermediaries to deliver the Meeting Materials to the OBOs. As more particularly outlined under the heading "Notice-and-Access", Meeting Materials will be sent to Beneficial Shareholders using the Notice-and-Access Provisions.

All references to Shareholders in this Circular, instrument of Proxy and Notice of Meeting are to registered Shareholders unless specifically stated otherwise.

Registered Shareholders

Registered holders of Common Shares shown on the Shareholders' list prepared as of the Record Date will be entitled to vote such Common Shares at the Meeting on the basis of one vote for each Common Share held.

Registered Shareholders may also, rather than returning by mail or hand delivery the form of proxy received from the Corporation, elect to submit a form of proxy by use of telephone or the Internet. Those registered holders electing to vote by telephone require a touch-tone telephone to transmit their voting preferences. Registered holders electing to vote by telephone or via the Internet must follow the instructions included in the form of proxy received from the Corporation.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Other than as disclosed herein, no director or executive officer of the Corporation who has held such position at any time since the beginning of the Corporation's last financial year, or each proposed nominee for election as a director of the Corporation, or associates or affiliates of the foregoing persons, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matters to be acted upon at the Meeting.

(“**Carpathian**”) in connection with Carpathian's failure to file its audited annual financial statements (and related management's discussion and analysis and certifications) for the period ended December 31, 2013. The management cease trade order was lifted on June 19, 2014 following the filing by Carpathian of the required continuous disclosure documents. Mr. Titaro was a former director of Carpathian (did not stand for re-election and was no longer a director on August 12, 2014) but was a director of Carpathian during the period of the management cease trade order.

3. Appointment of Auditors

McGovern Hurley LLP, Chartered Accountants, (“**McGovern**”) are the independent registered certified auditors of the Corporation since they were first appointed as auditor of the Corporation on December 4, 2017 following the completion of the Qualifying Transaction. Prior to that, McGovern served as auditors of Avidian Gold Inc. since June 2011. At the Meeting, Shareholders will be asked to consider and, if thought advisable, to pass an ordinary resolution to re-appoint McGovern to serve as auditors of the Corporation until the next annual meeting of Shareholders and to authorize the directors of the Corporation to fix their remuneration as such. To be adopted, this resolution is required to be passed by the affirmative vote of a majority of the votes cast at the Meeting.

Unless the Shareholder has specifically instructed that his or her Common Shares are to be withheld from voting in connection with the appointment of McGovern, the persons named in the accompanying proxy intend to vote FOR the re-appointment of McGovern as the auditors of the Corporation to hold office until the next annual meeting of Shareholders or until a successor is appointed, and to authorize the Board to fix their remuneration.

4. Approval of Stock Option Plan

The Corporation maintains a share incentive plan (the “**Stock Option Plan**”), which was last approved by Shareholders at the annual meeting of the Corporation on February 7th, 2022.

The policies of the TSX Venture Exchange (the “**TSXV**”) require all listed companies with a “rolling” stock option plan (such as the Stock Option Plan), under which the maximum number of shares that may be reserved for issuance pursuant to the exercise of stock options is determined as a percentage of an issuer’s issued and outstanding shares, to obtain approval of their stock option plan at their annual meeting of shareholders. Additionally, the TSXV adopted Policy 4.4 - *Security Based Compensation* (the “**New Policy**”) on November 24, 2021, to replace the former Policy 4.4 — *Incentive Stock Options*. Certain amendments were made to the Stock Option Plan to bring the Stock Option Plan into conformance with the New Policy. Accordingly, the Shareholders will be asked to approve the Stock Option Plan at the Meeting for the ensuing year.

The Stock Option Plan is designed to ensure compliance with the policies of TSX Venture Exchange. The Stock Option Plan is a rolling stock option plan that sets the number of Common Shares issuable thereunder at a maximum of 10% of the Common Shares issued and outstanding at the time of any grant. As of June 30, 2022, there were 12,690,149 options outstanding, of which 7,740,149 were fully vested and exercisable.

The Stock Option Plan provides that the Board may from time to time, in its discretion, grant to directors, officers, employees and consultants of the Corporation, or any subsidiary of the Corporation, the option to purchase Common Shares. For a summary of the material features of the Plan, please see “*Executive Compensation – Stock Option Plan*”. The full text of the Stock Option Plan is appended to this Circular as Schedule “A”

Shareholder Approval of the Stock Option Plan

At the Meeting, Shareholders will be asked to consider and, if deemed advisable, to pass an ordinary resolution approving the Stock Option Plan. To be adopted, this resolution is required to be passed by the affirmative vote of a majority of the votes cast at the Meeting.

Unless otherwise instructed, the persons named in the enclosed proxy or voting instruction form intend to vote such proxy or instructions FOR the resolution approving the Stock Option Plan. The directors of the Corporation recommend that Shareholders vote in favour of the resolution approving the Stock Option Plan.

5. Approval of Consolidation (the “Consolidation Resolution”)

The Board has determined that it would be in the best interests of the Corporation to seek approval of the Shareholders to consolidate all of its issued and outstanding Common Shares. At the Meeting, Shareholders will be asked to consider, and if thought fit, to pass, with or without variation, a special resolution authorizing the Board to consolidate the Common Shares of the Corporation on the basis of a ratio of one (1) post-consolidation Common Share for up to five (5) pre-consolidation Common Shares, with such ratio to be determined by the Board at its sole discretion, with

effect on a date to be determined by the Board at its sole discretion (the “**Consolidation**”). So long as the Consolidation does not exceed a ratio of one (1) post-consolidation Common Share for five (5) pre-consolidation Common Shares, the Board may choose any consolidation ratio that it determines is in the best interest of the Corporation.

In order to be adopted, the *Business Corporations Act* (Ontario) requires that the Consolidation be approved by a special resolution of Shareholders. To approve the special resolution, not less than two thirds or 66²/₃% of the votes cast by the Shareholders of the Corporation, whether in person or by proxy, must be voted in favour of the Consolidation. The resolution will empower the Board to revoke the Consolidation Resolution, without further approval of the Shareholders of the Corporation, in the Board’s discretion at any time.

The Board believes that the Consolidation will provide a share structure that will position the Corporation to attract significant capital financing on favourable terms and enhance future growth opportunities.

The Board believes that it is in the best interests of the Corporation to be in a position to reduce the number of outstanding Common Shares by way of the Consolidation. The potential benefits of the Consolidation include:

- (a) attracting greater investor interest – the current share structure of the Corporation makes it more difficult to attract favourable equity financing. The Consolidation may have the effect of raising, on a proportionate basis, the price of the Corporation’s Common Shares, which could appeal to certain investors that find shares valued above certain prices to be more attractive from an investment perspective;
- (b) increasing institutional investor participation – certain institutional investors have internal guidelines which prevent them from investing in small- or micro-cap stocks, regardless of the strength of the operations and management of the target investee company;
- (c) providing greater flexibility in business opportunities – the Corporation believes that the Consolidation will provide the Corporation with greater flexibility in considering business opportunities that are affected by the share capital of the Corporation and pricing of warrants and options; and
- (d) improving the prospects of raising additional capital at a higher price per share – the higher anticipated price of the post-consolidation Common Shares will allow the Corporation to raise additional capital through the sale of additional Common Shares at a higher price per Common Share than would be possible in the absence of the Consolidation.

In the event that the Shareholders pass the Consolidation Resolution to consolidate the Common Shares and the Board determines to consolidate the Common Shares, the presently issued and outstanding 185,411,207 Common Shares will be consolidated into approximately 37,082,241 Common Shares post-consolidation on a one (1) for five (5) basis, or approximately 61,803,735 Common Shares post-consolidation on a one (1) for three (3) basis. The foregoing consolidation ratios are provided solely for the purpose of illustrating some of the potential share consolidation ratios the Corporation may decide to use. The Corporation reserves the right, if the Board resolves to undergo the Consolidation, to choose any consolidation ratio up to a one (1) for five (5) basis.

In the event the Consolidation Resolution is passed by the Shareholders, the Board shall have the right to determine such other consolidation ratio that may be in the best interest of the Corporation, as a result of which fewer than five (5) pre-consolidation Common Shares shall be consolidated into one (1) post-consolidation Common Share of the Corporation.

Principal Effects of the Consolidation

If the Consolidation is approved, it would be implemented, if at all, only upon a determination by the Board that the Consolidation is in the best interests of the Corporation at the appropriate time and subject to the approval of the TSX Venture Exchange. In connection with any determination to implement a Consolidation, the Corporation’s Board will set the timing for such a Consolidation and select the specific ratio from within the range set forth in the Consolidation Resolution below. No further action on the part of the Shareholders would be required in order for the Board to implement the Consolidation. The Consolidation, when implemented, will occur simultaneously for all Common Shares and the consolidation ratio will be the same for all such Common Shares. Except for any variances attributable

to fractional shares, the change in the number of issued and outstanding Common Shares that will result from the Consolidation will cause no change in the capital attributable to the Common Shares and will not materially affect any Shareholder's percentage ownership in the Corporation, even though such ownership will be represented by a smaller number of Common Shares.

Furthermore, the Consolidation will not affect any Shareholder's proportionate voting rights. Each Share outstanding after the Consolidation will be entitled to one vote. The principal effects of the Consolidation will be that the number of Common Shares issued and outstanding will be reduced from 185,411,207 Common Shares to approximately 37,082,241 Common Shares post-consolidation (subject to adjustment for fractional shares), assuming the consolidation ratio of five (5) pre-consolidation Common Shares shall be consolidated into one (1) post-consolidation Common Share. If a consolidation ratio of three (3) pre-consolidation Common Shares are to be consolidated to one (1) post-consolidation Common Share, the number of issued and outstanding Common Shares would be reduced to approximately 61,803,735 Common Shares.

Should the Consolidation be approved by Shareholders, accepted by the TSX Venture Exchange and implemented by the Board, Shareholders who hold share certificates will be required to exchange their share certificates representing the pre-consolidation Common Shares for new share certificates representing post-consolidation Common Shares. Each outstanding stock option, warrant, right or other security of the Corporation convertible into pre-consolidation Common Shares ("**Pre-Consolidation Convertible Securities**") will, on the effective date of the implementation of the Consolidation, be adjusted pursuant to the terms thereof on the same consolidation ratio as described in the Consolidation Resolution below, and each holder of Pre-Consolidation Convertible Securities will become entitled to receive post-consolidation Common Shares pursuant to such adjusted terms.

When the Board determines to implement the Consolidation, it is expected that Computershare will send a letter of transmittal to each Shareholder as soon as practicable after the implementation of the Consolidation. The letter of transmittal will contain instructions on how Shareholders can surrender their share certificates representing pre-consolidation Common Shares to Computershare. Computershare will forward to each Shareholder who has sent in their share certificates pre-consolidation Common Shares, along with such other documents as Computershare may require, a new share certificate representing the number of post-consolidation Common Shares to which such Shareholder is entitled. No share certificates will be issued for fractional shares and any fractions of a share will be rounded down to the nearest whole number of Common Shares.

In general, the Consolidation will not be considered to result in a disposition of Common Shares by Shareholders for Canadian federal income tax purposes. The aggregate adjusted cost base to a common shareholder for such purposes of all Common Shares held by the common shareholder will not change as a result of the Consolidation; however, the Shareholder's adjusted cost base per Common Share will increase proportionately. This summary is of a general nature only and is not, and is not intended to be, legal or tax advice to any common shareholder. It is not exhaustive of all federal income tax considerations. Accordingly, Shareholders should consult their own tax advisors having regard to their own particular circumstances.

Effect on Non-Registered Shareholders

Non-registered shareholders holding their Common Shares through a bank, broker or other nominee should note that such banks, brokers or other nominees may have different procedures for processing the Consolidation than the procedures that will be used by the Corporation for registered shareholders. If you hold your Common Shares with such a bank, broker or other nominee and if you have questions in this regard, you are encouraged to contact your nominee.

Certain Risks associated with the Consolidation

The effect of the Consolidation upon the market price of the Common Shares cannot be predicted with any certainty, and the history of similar share consolidations for corporations similar to the Corporation is varied. There can be no assurance that the total market capitalization of the Common Shares immediately following the Consolidation will be equal to or greater than the total market capitalization immediately before the Consolidation. In addition, there can be no assurance that the per-share market price of the Common Shares following the Consolidation will remain higher than the per-share market price immediately before the Consolidation or equal or exceed the direct arithmetical result

of the Consolidation. In addition, a decline in the market price of the Common Shares after the Consolidation may result in a greater percentage decline than would occur in the absence of the Consolidation. Furthermore, the Consolidation may lead to an increase in the number of Shareholders who will hold “odd lots”; that is, a number of shares not evenly divisible into board lots (a board lot is either 100, 500 or 1,000 shares, depending on the price of the shares). As a general rule, the cost to Shareholders transferring an odd lot of Common Shares is somewhat higher than the cost of transferring a “board lot”. Nonetheless, despite the risks and the potential increased cost to Shareholders in transferring odd lots of post-Consolidation Common Shares, the Board believes the Consolidation is in the best interest of all Shareholders.

No Dissent Rights

Under the *Business Corporations Act* (Ontario), Shareholders do not have dissent and appraisal rights with respect to the proposed Consolidation.

Resolution

In order to pass the Consolidation Resolution, not less than two thirds or $66\frac{2}{3}\%$ of the votes cast by the Shareholders of the Corporation, whether in person or by proxy, must be voted in favour of the Consolidation Resolution. If the Consolidation Resolution does not receive the requisite Shareholder approval, the Corporation will continue with its present share capital. **The Corporation requests Shareholders to consider and, if thought advisable, to approve a special resolution substantially in the form set out in Schedule “C”:**

Recommendation

In considering the recommendations of the management of the Corporation with respect to the Consolidation, Shareholders should be aware that the passing of Consolidation Resolution by two thirds or $66\frac{2}{3}\%$ of votes cast by Shareholders voting at the Meeting does not commit the Corporation to proceed with completion of the Consolidation and the ultimate decision to complete the Consolidation will be made by the Board in its discretion of what is in the best interest of the Corporation.

The Board recommends a vote FOR the Consolidation Resolution. Unless the Shareholder has specifically instructed in the enclosed form of proxy that the Shares represented by such proxy are to be withheld or voted otherwise, the persons named in the accompanying proxy will vote FOR the Consolidation Resolution.

EXECUTIVE COMPENSATION

Named Executive Officers

For the purposes of this Circular, a Named Executive Officer (“**NEO**”) of the Corporation means each of the following individuals:

- (a) a chief executive officer (“**CEO**”) of the Corporation;
- (b) a chief financial officer (“**CFO**”) of the Corporation;
- (c) in respect of the Corporation and its subsidiaries, the most highly compensated executive officer other than the individuals identified in paragraphs (a) and (b) at the end of the most recently completed financial year whose total compensation was more than \$150,000; and
- (d) each individual who would be a NEO under paragraph (c) above but for the fact that the individual was neither an executive officer of the Corporation, nor acting in a similar capacity, at the end of that financial year.

During the Corporation’s most recently complete financial year, being the financial year ended June 30, 2022 (the “**Last Financial Year**”), the Corporation’s NEOs were: Steve Roebuck, President and CEO, David Anderson, former Chairman and former Director, Dino Titaro, Chairman and Director and Donna McLean, CFO.

Oversight and Description of Director and Named Executive Officer Compensation

Compensation Committee

The compensation committee of the Board (the “**Compensation Committee**”) is responsible for ensuring that the Corporation has in place an appropriate plan for executive compensation, and for making recommendations to the Board with respect to the compensation of the Corporation’s directors and executive officers. The Compensation Committee ensures that the total compensation paid to the Corporation’s directors and NEOs is fair, reasonable, and consistent with the Corporation’s compensation philosophy. For more information on the Compensation Committee, see “*Statement of Corporate Governance – Compensation*”

Compensation plays an important role in achieving short- and long-term business objectives that ultimately drive business success. The Corporation’s compensation philosophy is to foster entrepreneurship at all levels of the organization through, among other things, the granting of stock options as a significant component of executive compensation. This approach is based on the assumption that the performance of the Common Share price over the long term is an important indicator of long-term performance.

The Company’s compensation philosophy is based on the following fundamental principles:

1. *Compensation programs align with Shareholder interests* – the Corporation aligns the goals of directors and executive officers with maximizing long term Shareholder value;
2. *Performance-sensitive* – compensation for directors and executive officers should be linked to the operating and market performance of the Corporation and should fluctuate with performance; and
3. *Offer market-competitive compensation to attract and retain talent* – the compensation program should provide market-competitive pay in terms of value and structure in order to retain existing employees who are performing according to their objectives, and to attract new individuals of the highest calibre.

The objectives of the compensation program in compensating directors and NEOs were developed based on the above-mentioned compensation philosophy and are as follows:

- to attract and retain highly qualified executive officers;
- to align the interests of executive officers with Shareholders’ interests and with the execution of the Company’s business strategy;
- to evaluate performance on the basis of key measurements that correlate to long term Shareholder value; and
- to tie compensation directly to those measurements and rewards based on achieving and exceeding predetermined objectives.

The Corporation is an exploratory stage mining corporation and does not expect to be generating revenues from operations in the foreseeable future. As a result, the use of traditional performance standards, such as corporate profitability, is not considered by the Compensation Committee to be appropriate in the evaluation of corporate or NEO performance. The compensation of senior officers is also based, in part, on trends in the mineral exploration industry as well as achievement of the Corporation’s business plans. The Compensation Committee did not establish any quantifiable criteria during the Last Financial Year with respect to base compensation payable or the amount of equity compensation granted to NEOs and did not benchmark against a peer group of companies.

The Stock Option Plan

Stock options are a key part of the Corporation’s long-term incentive compensation program, and assist the Corporation in attracting, retaining and motivating its employees, directors, officers, and other eligible persons whose contributions are important to its future success. The Board believes it would be advisable and in the best interests of

the Corporation to reapprove the Stock Option Plan. The Board is focused on building an elite team to carry out its business plan and believes that the Stock Option Plan will enable them to continue to attract and motivate team members and align their interests with those of Shareholders.

The Stock Option Plan is administered by the Board and provides that Options may be issued to directors, officers, employees, management company employee or consultants of the Corporation or a subsidiary of the Corporation. The number of options issuable under the Stock Option Plan (“**Options**”), together with all of the Corporation’s previously established or proposed share compensation arrangements, may not exceed 10% of the total number of issued and outstanding Common Shares. Pursuant to the Stock Option Plan, all Options expire on a date not later than 10 years after the date of grant of an option.

The Stock Option Plan is subject to the following restrictions:

- the Corporation must not grant an Option to any consultants in any twelve (12) month period that exceeds 2% of the outstanding Common Shares, less the aggregate number of Common Shares reserved for issuance or issuable under any other Share Compensation Arrangement of the Corporation;
- the aggregate number of Options granted to Investor Relations Service Providers (as defined in the Stock Option Plan) of the Corporation in any twelve (12) month period must not exceed 2% of the outstanding Common Shares calculated at the date of the grant, less the aggregate number of Common Shares reserved for issuance or issuable under any other Share Compensation Arrangement of the Corporation;
- Options granted to Investor Relations Service Providers of the Corporation shall vest over a period of not less than twelve (12) months with no more than twenty-five percent (25%) of the Options vesting in any three (3) month period;
- the aggregate number of Common Shares reserved for issuance under the Stock Option Plan must not exceed 10% of the issued and outstanding Common Shares (in the event that the Stock Option Plan is amended to reserve for issuance more than 10% of the outstanding Common Shares) unless the Corporation has obtained by a majority of votes casted by the Shareholders eligible to vote at a Shareholders’ meeting, excluding votes attaching to Common Shares beneficially owned by insiders and their associates (the “**Disinterested Shareholders**”);
- the aggregate number of Common Shares reserved for issuance under the Stock Option Plan to any individual in any twelve (12) month period must not exceed five percent (5%) of the issued and outstanding Common Shares of the Corporation, unless the Corporation has obtained approval by a majority of votes casted by Disinterested Shareholders eligible to vote at a Shareholders’ meeting;
- no Option shall be exercisable for a period exceeding ten (10) years from the date the Option is granted;
- The maximum aggregate number of Common Shares that are issuable pursuant to the Stock Option Plan together with all share compensation arrangements granted or issued to Insiders (as a group) must not exceed 10% and the issued and outstanding Common Shares of the Corporation at any point in time;
- The maximum aggregate number of Common Shares that are issuable pursuant to the Plan together with all share compensation arrangements granted or issued in any twelve (12) month period to Insiders (as a group) must not exceed 10% of the Common Shares, calculated as at the date any share compensation arrangements is granted or issued to any Insider
- There may be no acceleration of the vesting requirements applicable to Options granted to Investor Relations Service Providers unless the prior written approval of the TSXV has been obtained;
- Unless disinterested approval is obtained and except as otherwise may be permitted by the policies of the TSXV, the maximum aggregate number of Common Shares that are issuable pursuant to the Plan together with all Security Compensation Arrangements granted or issued in any 12 month period to any one Eligible

Person must not exceed 5% of the Common Shares, calculated as at the date of any Security Based Arrangement is granted or issued to the Eligible Person.

- the Board, in its discretion, in the event of an actual or potential Change of Control Event, may (i) accelerate, subject to limitation for Investor Relation Service Providers, conditionally or otherwise, on such terms as it sees fit, the vesting date of any Option; (ii) permit the conditional exercise of any Option, on such terms as it sees fit; (iii) otherwise amend or modify the terms of the Option; (iv) permit the exchange for or into any security or any other property or cash, any Option that has not been exercised without regard to any vesting conditions; and (v) terminate, following the successful completion of such Change of Control Event, on such terms as it sees fit, the Options not exercised prior to the successful completion of such Change of Control Event;
- vesting of the Options shall be at the discretion of the Board;
- the Board may from time to time, suspend, terminate or discontinue the Plan at any time, or amend or revise the terms of the Plan or of any Option granted under the Plan and any Certificate relating thereto, provided that no such suspension, termination, amendment or revision will be made (i) except in compliance with applicable law and with prior approval, if required, of the Exchange or any other regulatory body having authority over the Corporation, Plan or the Shareholders, and (ii) in the case of an amendment or revision, if it materially adversely affects the rights of any Participant, without the consent of the Participant;
- If there is a change in the outstanding Common Shares by reason of any stock dividend or split, recapitalization, amalgamation, consolidation, combination or exchange of shares, or other corporate change, the Board shall make, subject where required to the prior approval of the Stock Exchange, appropriate substitution or adjustment in: (a) the number or kind of Common Shares or other securities reserved for issuance pursuant to the Plan, and (b) the number and kind of Common Shares or other securities subject to unexercised Options theretofore granted and in the Exercise Price of such securities; without any change in the total price applicable to the unexercised portion of the Option, but with a corresponding adjustment in the price for each Common Share covered by the Option; provided, however, that no substitution or adjustment shall obligate the Corporation to issue or sell fractional shares. If the Corporation is reorganized, amalgamated with another corporation or consolidated, the Board shall make such provisions for the protection of the rights of Participants as the Board in its discretion deems appropriate. For greater certainty, any adjustment, other than in connection with a consolidation or stock split, to Options granted under the Plan, must be subject to the prior acceptance of the TSXV, including adjustments related to an amalgamation, merger, arrangement, reorganization, spin-off, dividend or recapitalization;
- any amendment to the exercise price of Options held by Insiders that would have the effect of decreasing the exercise price of the Options; and any extension of the Expiry Date of an Option held by an Insider is subject to disinterested shareholder approval.
- In lieu of the Exercise Price of each Common Share underlying an Option being paid in cash, the Option may be exercised, except Options granted to persons performing Investor Relations Activities, at the discretion of the Option holder and only with the written permission of the Board, by a “**Net Exercise**” whereby the Option holder will receive only the number of Common Shares underlying the Option that is the equal to the quotient obtained by dividing: (A) the product of the number of Options being exercised multiplied by the difference between the VWAP of the underlying Common Shares and the exercise price of the subject Options by (B) the VWAP of the underlying Common Shares. In the event of a Net Exercise, the number of Options exercised, surrendered or converted, and not the number of Common Shares actually issued, must be included in calculating the limits set forth in Sections 1.5, 1.6(i), 1.6(ii) and 1.6(iii) of the Stock Option Plan.

Notes:

- (1) The Corporation has calculated the “grant date fair value” amounts in the ‘Option-based Awards’ column using the Black-Scholes-Merton Option Pricing Model, a mathematical valuation model that ascribes a value to a stock option based on a number of factors in

valuing the option-based awards, including the exercise price of the options, the price of the underlying security on the date the option was granted, and assumptions with respect to the volatility of the price of the underlying security and the risk-free rate of return. Calculating the value of stock options using this methodology is very different from simple “in-the-money” value calculation. Stock options that are well out-of-the-money can still have a significant “grant date fair value” based on a Black-Scholes valuation. Accordingly, caution must be exercised in comparing grant date fair value amounts with cash compensation or an in-the-money option value calculation. The total compensation shown in the last column is total compensation of each NEO reported in the other columns. The value of the in-the-money options currently held by each director (based on share price less option exercise price) is set forth in the ‘Value of Unexercised in-the-money Options’ column of the “Outstanding Share-Based and Option-Based Awards” table below.

- (2) Dino Titaro resigned as CEO of the Corporation on March 20, 2018 and was replaced effective that date by James Polson
- (3) David Anderson assumed the role of CEO of the Corporation on February 4, 2019 following the resignation of Nick Tintor.
- (4) Donna McLean was appointed as CFO of the Corporation on February 4, 2019.

Pursuant to the respective agreements, Dino Titaro was compensated at a rate of \$7,500 per month for the period July 1, 2021 – January 31, 2022 and \$10,000 per month for the period from February 1, 2022 – June 30, 2022; David Anderson was compensated at a rate of \$10,000 per month for the period of July 1, 2021 to January 31, 2022; Steve Roebuck’s was compensated was compensated at a rate of \$15,833 per month for the period of July 1, 2021 to June 30, 2022, however the Company was reimbursed an aggregate of \$105,000 by High Tide Resources Corp., whom the Company is a major shareholder and which Mr. Roebuck serves as its interim CEO and President.
- (6) David Anderson resigned as CEO as of April 7, 2021, and Steve Roebuck was appointed President and CEO on the same date.
- (7) David Anderson’s directorship ceased on February 7, 2022 as he did not stand for re-election at the annual general and special meeting of the Corporation pertaining to the financial year ended June 30, 2021.
- (8) Steve Roebuck was elected as a director of the Company on February 7, 2022.
- (9) Donna McLean was compensated at a rate of \$2,500 per quarter for the year ended June 30, 2020, June 30, 2021 and June 30, 2022.
- (10) Dino Titaro elected to postpone the compensation he was entitled to for the month of June 2022, being \$10,000, due to general adverse market conditions. Such fees are accruing as a liability which the Corporation intends to settle in due course.

Compensation Risk

The Compensation Committee is responsible for considering, establishing and reviewing executive compensation programs, and whether the programs encourage unnecessary or excessive risk taking. The Corporation believes the programs are balanced and do not motivate unnecessary or excessive risk taking.

Salaries paid currently are fixed in amount and thus do not encourage risk taking. Annual incentive awards, if any, focus on the achievement of short-term and annual goals. Annual incentive awards are based on various personal and company-wide achievements. Such performance goals are subjective and include achieving individual and/or corporate targets and objectives, as well as general performance in day-to-day corporate activities which would trigger the award of a bonus payment to the NEO. The determination as to whether a target has been met is ultimately made by the Board and the Board reserves the right to make positive or negative adjustments to any bonus payment if they consider them to be appropriate. Funding of the annual incentive awards is capped at the company level and the distribution of funds to the executive officers is at the discretion of the Board.

Option awards are important to further align employees’ interests with those of the Shareholders. The ultimate value of the awards is tied to the Corporation’s stock price and since awards are staggered, they help ensure that NEOs have significant value tied to long-term stock price performance.

Pension Plan Benefits

As at the date of this Circular, the Corporation does not have any pension plans.

Termination and Change of Control Benefits

Other than described under the heading “*Executive Compensation - Pension Plan Benefits, Termination and Change of Control Benefits*” hereinabove, there are no agreements, compensation plans, contracts or arrangements whereby a NEO is entitled to receive payments from the Corporation in the event of the resignation, retirement or other termination of the NEO’s employment with the Corporation, change of control of the Corporation or a change in the NEO’s responsibilities following a change in control.

Steve Roebuck is the only NEO during the Last Financial Year with a management service agreement that contains termination and change of control benefits. Pursuant to the consulting agreement between the Corporation and Steve Roebuck dated July 1, 2021 (the “**Roebuck Consulting Agreement**”), in the event that the Corporation terminates the Roebuck Consulting Agreement without an event of default, the Company must pay Mr. Roebuck a termination payment (the “**Roebuck Termination Payment**”) equal to the sum of (i) thirty (30) months of consulting fees, (ii) any unpaid bonus, (iii) an amount equal to the average bonus paid to Mr. Roebuck over the previous thirty (30) months, and (iv) out-of-pocket expenses incurred prior to the date of termination.

Upon a Change of Control of the Company, Mr. Roebuck shall have the right, for a period of thirty (30) days following such Change of Control, to elect to terminate the Roebuck Consulting Agreement and the Corporation shall pay to Mr. Roebuck the Roebuck Termination Payment.

A “**Change of Control**” is defined in the Roebuck Consulting Agreement as (i) any person holding shares or securities of the Corporation in excess of which, directly or following conversion thereof, would entitle the holders thereof to cast 25% or more of the votes attaching to all voting securities of the Corporation, (ii) a consolidation, merger or amalgamation with any other person (other than a subsidiary of the Corporation), (iii) the sale or lease by the Corporation of its assets or property in an amount in excess of 50% of the consolidated assets of the Corporation and its subsidiaries in the most recently completed financial year, or which the during the most recently completed financial year of the Corporation, generated, or expected to generate, more than 50% of the consolidated operating income or cash flow of the Corporation and its subsidiaries to any other person or persons (other than the Corporation or its subsidiaries), and (iv) there occurs a change in the composition of the Board which occurs at a single meeting whereby such individuals who were members of the Board immediately prior to such meeting cease to constitute a majority of the Board without the Board, as constituted immediately prior to such meeting, approving of such change.

Director Compensation

The Board has not adopted a compensation program for its directors with respect to general director duties, except for the payment of \$6,250 per quarter to each of the independent directors, which as of the date hereof are Stephen Altmann, James Polson and Rick Winters. The directors may determine from time to time that an amendment to this remuneration is appropriate. Any remuneration the directors decide to entitle themselves to must be done the directors acting in the best interests of the Corporation. Remuneration as a director may be in addition to any compensation earned by directors as officers, employees, or consultants of the Corporation. Moreover, if any director provides any professional or other services for the Corporation that in the opinion of the directors are outside the ordinary duties of a director, that director may be entitled to remuneration fixed by ordinary resolution, and that remuneration may be either in addition to, or in substitution for, any other remuneration that the director may be entitled to receive.

Directors are reimbursed for all reasonable out-of-pocket expenses incurred in attending Board, committee or Shareholder meetings and otherwise incurred in carrying out their duties as directors of the Corporation.

The following table provides information regarding compensation paid to the Corporation’s directors, other than the NEOs, during the Last Financial Year:

Notes

- (1) Any compensation received by David Anderson, Dino Titaro and Steve Roebuck in their capacity as a director of the Corporation (or former director in the case of David Anderson) is reflected in the Summary Compensation Table for the Named Executive Officers in this Information Circular.
- (2) The Corporation has calculated the “grant date fair value” amounts in the ‘Option-based Awards’ column using the Black-Scholes-Merton Option Pricing Model, a mathematical valuation model that ascribes a value to a stock option based on a number of factors in valuing the option-based awards, including the exercise price of the options, the price of the underlying security on the date the option was granted, and assumptions with respect to the volatility of the price of the underlying security and the risk-free rate of return. Calculating the value of stock options using this methodology is very different from simple “in-the-money” value calculation. Stock options that are well out-of-the-money can still have a significant “grant date fair value” based on a Black-Scholes valuation. Accordingly, caution must be exercised in comparing grant date fair value amounts with cash compensation or an in-the-money option value calculation. The value of the in-the-money options currently held by each director (based on share price less option exercise price) is set forth in the ‘Value of Unexercised in-the-money Options’ column of the “Outstanding Option Awards to Directors” table below.
- (3) Rick Winters elected to postpone the compensation he was entitled to for the third quarter of the Corporation’s 2022 financial year, being \$6,250, due to general adverse market conditions. Such fees are accruing as a liability which the Corporation intends to settle in due course.

Such fees are accruing as a liability which the Corporation intends to settle in due course.

STATEMENT OF CORPORATE GOVERNANCE

Board of Directors

The Board and senior management consider good corporate governance to be central to the effective and efficient operation of the Corporation. The Board is committed to a high standard of corporate governance practices. The Board believes that this commitment is not only in the best interest of the Shareholders, but that it also promotes effective decision making at the Board level.

National Instrument 58-101 – *Disclosure of Corporate Governance Practices* of the Canadian Securities Administrators (“**NI 58-101**”) defines an “independent director” as a director who has no direct or indirect “material relationship” with the issuer. A “material relationship” is a relationship which, in the view of the Board, could be reasonably expected to interfere with the exercise of a member’s independent judgment.

The Board currently consists of five (5) directors being Steve Roebuck, Stephen Altmann, James Polson, Dino Titaro, and Rick Winters. Stephen Altmann, James Polson, and Rick Winters are considered independent directors of the Corporation. During the Last Financial Year, Steve Roebuck as President and CEO, and Dino Titaro as Chairman were considered “executive officers” within the meaning of National Instrument 52-110 – *Audit Committees* of the Canadian Securities Administrators (“**NI 52-110**”), which provides the definition of “independence” for NI 58-110. A director is “independent”, under s.1.4(1) of NI 52-110, if an individual does not have a direct or indirect material relationship with the issuer. Under s.1.4(3) of NI 52-110, individuals are considered to have a “material relationship” if, within the last three years, an individual was an employee or executive officer of the issuer. Section 1.1 of NI 52-110 defines “executive officer” as an individual who is (a) a chair of the entity; (b) a vice-chair of the entity; (c) the president of the entity; (d) a vice-president of the entity in charge of a principal business unit, division or function including sales, finance or production; (e) an officer of the entity who performs a policy-making function in respect of the entity; or (f) any other individual who performs a policy-making function in respect of the entity. Mr. Titaro and Mr. Roebuck are classified as executive officers of the Corporation under s.1.1 of NI 52-110 and based on their roles within the Corporation, they do not meet the test for independence as outlined above.

Other Public Company Directorships

Certain of the directors and proposed directors of the Corporation are also current directors of other reporting issuers (or equivalent) in a jurisdiction or a foreign jurisdiction as follows:

Orientation and Continuing Education of Board Members

The Board, together with the Nominating and Corporate Governance Committee (the “**Nominating Committee**”) is responsible for providing a comprehensive orientation and education program for new directors which fully sets out:

- the role of the Board;

- the nature and operation of the business of the Corporation; and
- the contribution which individual directors are expected to make to the Board in terms of both time and resource commitments.

In addition, the Board, together with the Nominating Committee is also responsible for providing continuing education opportunities to existing directors so that individual directors can maintain and enhance their abilities and ensure that their knowledge of the business of the Corporation remains current.

Nomination of Directors

The Nominating Committee is composed of Dino Titaro, Rick Winters and Stephen Altmann. The Nominating Committee is responsible for the appointment and assessment of directors. The Nominating Committee seeks to achieve a balance of knowledge, experience and capability among the members of the Board. When considering candidates for director, the Nominating Committee takes into account a number of factors, including the following (although candidates need not possess all of the following characteristics and not all factors are weighted equally):

- personal qualities and characteristics, accomplishments, and reputation in the business community;
- current knowledge and contacts in the countries and/or communities in which the Corporation does business and in the Corporation's industry sectors or other industries relevant to its business; and
- ability and willingness to commit adequate time to the Board and committee matters, and to be responsive to the needs of the Corporation.

The Board will periodically assess the appropriate number of directors and whether any vacancies on the Board are expected due to retirement or otherwise. If vacancies are anticipated or otherwise arise, or the size of the Board is expanded, the Nominating Committee will consider various potential candidates for director. Candidates may come to the attention of the Nominating Committee through current directors or management, Shareholders or other persons. These candidates will be evaluated at a meeting of the Nominating Committee and may be considered at any point during the year.

Compensation

The Compensation Committee is composed of Stephen Altmann, Rick Winters and James Polson. All members of the Compensation Committee are considered independent (as defined in NI 52-110). All members of the Compensation Committee have direct experience with respect to executive compensation issues by virtue of their positions as officers and/or directors of various other businesses and publicly-traded companies, and as such they possess skills and experience that enable the Compensation Committee to make decisions on the suitability of the Company's compensation policies and practices.

The Compensation Committee assists the Board in its oversight role with respect to (i) the Corporation's human resource strategy, policies and programs, and (ii) all matters relating to the proper utilization of human resources within the Corporation, with a special focus on management succession, development and compensation.

The Compensation Committee:

- reviews and makes recommendations to the Board at least annually regarding the Corporation's remuneration and compensation policies, including short and long-term incentive compensation plans and equity-based plans, bonus plans, pension plans (if any), executive stock option plans (including the Stock Option Plan), and grants and benefit plans;
- has sole authority to retain and terminate any compensation consultant to assist in the evaluation of director compensation, including sole authority to approve fees and other terms of the retention;

Board Committees

Other than the Audit Committee, the Compensation Committee and the Nominating Committee, there are no other Board committees.

Assessments

The Board, its Audit Committee and its individual directors are assessed regularly, at least on an annual basis, as to their effectiveness and contribution. In addition, the Chairman of the Board encourages discussion amongst the directors or the committee members, as the case may be, as to their evaluation of their own effectiveness over the course of the year. All directors and/or committee members are free to make suggestions for improvement of the practice of the Board and/or its committees at any time and are encouraged to do so.

AUDIT COMMITTEE

The Audit Committee is responsible for monitoring the Corporation's accounting and financial reporting practices and procedures, the adequacy of internal accounting controls and procedures, the quality and integrity of financial statements and for directing the auditors' examination of specific areas. Pursuant to section 6.1 of NI 52-110, the Corporation as a venture issuer is exempt from the requirement that each audit committee member be independent and has met the requirement that a majority of members are not executive officers, employees or control persons of the Corporation or an affiliate of the Corporation. Each member of the Audit Committee is considered to be "financially literate" within the meaning of NI 52-110, which includes the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the Corporation's financial statements. In addition, the Board shall have the authority to (i) construe and interpret this Plan and all agreements entered into hereunder; (ii) prescribe, amend and rescind rules and regulations relating to this Plan; and (iii) make all other determinations necessary or advisable for the administration of this Plan. 1.4 Shares Reserved

- (a) Subject to Section 1.4(d), the securities that may be acquired by Participants under this Plan shall consist of authorized but unissued Common Shares.
- (b) The Corporation shall at all times during the term of this Plan ensure that the number of Common Shares it is authorized to issue shall be sufficient to satisfy the requirements of this Plan.
- (c) At such time as the Common Shares are listed on the TSXV, the aggregate number of Common Shares issuable under this Plan, and under all other Share Compensation Arrangements, shall not exceed 10% of the total number of Common Shares issued and outstanding from time to time. Any Common Shares subject to an Option which for any reason is cancelled, terminated, settled for cash, surrendered, forfeited or expired without having been exercised shall again be available for grants under the Plan, and under all other Share Compensation Arrangements. Any additional Options credited to a Participant in lieu of dividends declared by the Corporation based on Options held by the Participant will be included in calculating the limits enumerated in Section 1.5 of the Plan. If such additional Options result in the Corporation breaching any of the limits in Section 1.5 of the Plan, the Corporation shall settle such Options in cash on the basis of the difference between the price the Participant is required to pay to exercise the Option, if any, and the Market Price. Such cash settlement shall only be to the extent that the additional Options granted in lieu of dividends declared by the Corporation do not breach the limits enumerated in Section 1.5.

For greater certainty, all unvested Options held by a Participant who dies shall terminate and become void on the date of death of such Participant;
 - (iv) if a Participant ceases to be an Eligible Person for any reason whatsoever other than in (i) to (iv) above, each vested Option held by the Participant will cease to be exercisable on the earlier of the original Expiry Date of the Option and six (6) months after the Termination Date; provided that all unvested Options held by such Participant shall automatically terminate and become void on the Termination Date of such Participant.  - (v) notwithstanding any provision in this Section 2.3(g) to the contrary, if a Participant who is an officer of the Corporation ceases to be an Eligible

Person as a result of such officer's termination without Cause or resignation for Good Reason, any unvested Options as of the date of termination will be accelerated and become immediately fully vested as of such date. - (j) Upon the exercise of Options pursuant to this section, the Corporation shall forthwith deliver, or cause the registrar and transfer agent of the Common Shares to deliver, to the relevant Participant (or his or her legal or personal representative) or to the order thereof, a certificate representing the number of Common Shares with respect to which Options have been exercised.
