

## CERTIFICATE OF QUALIFICATION

I, Christian Derosier, of the City of Saint-Lazare, Province of Quebec, do hereby certify that :

1. I am a Senior Geologist with a business address at:  
1957 montée Harwood, Saint-Lazare, Quebec, J7T2N3.
2. I am responsible for the preparation of the technical report titled "Technical Report on the Bellechasse-Timmins Gold Project, Province of Quebec, Canada" and dated July 3rd, 2020 for **Yorkton Ventures Inc.** of Vancouver, British Columbia, Canada.
3. I have graduated and obtained a D.Sc. degree in geological sciences at the University of Paris, France, in 1971. I have practiced my profession since that time and have worked for SNC Inc. during ten years, Rio Algom Ltd from 1982 to 1986 and then as consulting geologist for my own consulting company, Christian Derosier Géologue-conseil Inc. (CDGC Inc.)..
4. I have more than 50 years of experience in mining exploration and mining development. I worked on several pre-feasibility and feasibility studies in my quality of geologist or consulting geologist. I have prepared and made numerous mineral resource and reserve calculations for productive mines as well as developed precious metals, base metals and industrial minerals projects. I am well aware of the different methods of calculation and the geostatistics applied to metallic and non-metallic projects as well as industrial mineral projects. To date, I have spent more than six years doing resource and reserve calculations;
5. I have several years of experience in underground mining and surface exploitation (open-pits and quarries) in Canada and abroad, for different commodities including: gold, silver, copper, Iron-titanium-vanadium, limestone, asbestos, bauxite, copper-nickel, phosphate, salt, coal, copper-zinc, silica sands, vermiculite, micas, talc, graphite, feldspars and construction stones (granite and anorthosite);

6. I am a member of:
  - The Canadian Institute of Mines and Metallurgy since 1976;
  - Ordre des Géologues du Québec (No 129);
7. The author visited the property and the Delta's drill core facility several times between February 3, 2020 and May 4, 2020.
8. I have read the definition of "Qualified person" set out in the National Instrument 43-101 ("NI 43-101") and certify that by reason of my education, affiliation with a professional association (as defined in NI 43-101) and past and relevant work experience, I fulfill the requirements to be a "Qualified Person" for the purposes of NI 43-101;
9. I have prepared this report in accordance with the guidelines of National Instrument 43-101 (Standard of Disclosure for Mineral Projects) and is responsible for all items and plans contained in the report;
10. I have no interest, either direct or indirect, in the property described in the present report and I do not expect to receive any interest. I have no shares of **Yorkton Ventures Inc.**, or of its subsidiary, 9412-1068 Quebec Inc., nor do I expect to receive any interest in the securities of these Companies. I am independent from the issuer and the vendor (**Delta Resources Ltd.**), applying all of the tests in section 1.4 of National Instrument 43-101.
11. That the present report is based on a study of data available on the property obtained from the Quebec Government, and from **Delta** and **Yorkton**. Prior to the present report, I have never been involved with the Bellechasse-Timmins Project that is subject of the Technical Report.
12. I am not aware of any material fact or material change with respect to the subject matter of this Technical Report that is not reflected in the Technical Report, the omission to disclose which would make this report misleading.
13. That as of July 3rd, 2020 to the best of my knowledge,

information and belief, the technical report contains all scientific and technical information that is required to be disclosed to make the technical report not misleading;

14. The writer consents to the filing of the Technical Report with any stock exchange or other regulatory authority and any publication by them for regulatory purposes, including electronic publication in the public company files on their websites accessible by the public, of the Technical report.

Saint Lazare , Quebec

Dated: July 3rd, 2020

Christian Derosier, P. Geo.  
OGQ # 129  
Senior Geologist, MSc., DSc.,
