VANCOUVER, BRITISH COLUMBIA V6B 4N8**

**INFORMATION CIRCULAR
AS AT AUGUST 25, 2025**

This Information Circular accompanies the Notice of the Annual General and Special Meeting (the “**Meeting**”) of the holders (“**Shareholders**”) of common shares (“**Common Shares**”) of **VANADIUMCORP RESOURCE INC.** (the “**Corporation**”) to be held at 2110, 650 West Georgia Street, Vancouver, BC on September 29, 2025 at 10:00 a.m. (PDT), and is furnished in connection with a solicitation of proxies by the Board of Directors of the Corporation for use at that Meeting and at any adjournment thereof. The solicitation will be by mail. Proxies may also be solicited personally by regular employees of the Corporation. The Corporation does not reimburse shareholders, nominees or agents for the cost incurred in obtaining from their principals authorization to execute forms of proxy. No solicitation will be made by agents. The cost of solicitation will be borne by the Corporation.

GENERAL PROXY INFORMATION

Appointment of Proxyholder

A duly completed form of proxy will constitute the persons named in the enclosed form of proxy as the shareholder’s proxyholder. The persons whose names are printed in the enclosed form of proxy for the Meeting are officers or directors of the Corporation (the “**Management Proxyholders**”).

A shareholder has the right to appoint a person other than a Management Proxyholder to represent the shareholder at the Meeting by inserting the desired person’s name in the blank space provided or by executing a proxy in a form similar to the enclosed form. A proxyholder need not be a shareholder.

Voting By Proxy

Common Shares represented by properly executed proxies in the accompanying form will be voted or withheld from voting on each respective matter in accordance with the instructions of the shareholder on any ballot that may be called for and, if the shareholder has specified a choice with respect to any matter to be acted upon, the Common Shares will be voted accordingly.

If no choice is specified and one of the Management Proxyholders is appointed by a shareholder as proxyholder, such person will vote in favour of the matters proposed by management at the Meeting and for all other matters proposed by management at the Meeting.

The enclosed form of proxy confers discretionary authority upon the person named therein as proxyholder with respect to amendments or variations to matters identified in the Notice of the Meeting and with respect to other matters which may properly come before the Meeting. At the date of this Information Circular, management of the Corporation knows of no such amendments, variations or other matters to come before the Meeting.

Completion and Return of Proxy

Completed forms of proxy must be deposited at the office of the Corporation’s registrar and transfer agent, Computershare Investor Services Inc. (the “**Transfer Agent**”), Attention: Proxy Department, 9th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1, not later than forty-eight (48) hours, excluding Saturdays, Sundays and holidays, prior to the time of the Meeting or any adjournment thereof, unless the chairman of the Meeting elects to exercise his discretion to accept proxies deposited subsequently.

Non-Registered Shareholders

Only registered holders of Common Shares or the persons they appoint as their proxyholders are permitted to vote at the Meeting. In many cases, however, Common Shares beneficially owned by a holder (a “**Non-Registered Holder**”) are registered either:

- (a) in the name of an Intermediary (an “**Intermediary**”) that the Non-Registered Holder deals with in respect of the shares. Intermediaries include banks, trust companies, securities dealers or brokers, and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans, or
- (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited (CDS)) of which the Intermediary is a participant.

Non-Registered Holders who have not objected to their Intermediary disclosing certain ownership information about themselves to the Corporation are referred to as “NOBOs”. Those Non-Registered Holders who have objected to their Intermediary disclosing ownership information about themselves to the Corporation are referred to as “OBOs”.

In accordance with the requirements of National Instrument 54-101 of the Canadian Securities Administrators (“**NI 54-101**”), the Corporation has elected to send the Notice of Meeting and this Information Circular (collectively, the “**Meeting Materials**”) directly to the NOBOs, and indirectly through intermediaries to the OBOs. The Corporation is not relying on the notice and access delivery procedures outlined in NI 54-101 to distribute copies of proxy-related materials in connection with the Meeting.

The intermediaries (or their service companies) are responsible for forwarding the Meeting Materials to each OBO, unless the OBO has waived the right to receive them. Intermediaries will frequently use service companies to forward the Meeting Materials to the OBOs. Generally, an OBO who has not waived the right to receive Meeting Materials will either:

- (a) be given a form of proxy which has already been signed by the intermediary (typically by a facsimile, stamped signature), which is restricted as to the number of Common Shares beneficially owned by the OBO and must be completed, but not signed, by the OBO and deposited with Computershare Investor Services Inc.; or
- (b) more typically, be given a voting instruction form (“**VIF**”) which is not signed by the intermediary, and which, when properly completed and signed by the OBO and returned to the intermediary or its service company, will constitute voting instructions which the intermediary must follow.

The Corporation will not be paying for Intermediaries to deliver to OBOs (who have not otherwise waived their right to receive proxy-related materials) copies of the Meeting Materials and related documents. Accordingly, an OBO will not receive copies of the Meeting Materials and related documents unless the OBO’s Intermediary assumes the costs of delivery.

The Meeting Materials are being sent to both registered shareholders of the Corporation and Non-Registered Holders. If you are a Non-Registered Holder, and the Corporation or its agent has sent these materials to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf. By choosing to send these materials to you directly, the Corporation (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

The Meeting Materials sent to NOBOs who have not waived the right to receive meeting materials are accompanied by a VIF, instead of a Proxy form. By returning the VIF in accordance with the instructions noted on it, a NOBO is able to instruct the voting of the Common Shares owned by the NOBO.

VIFs, whether provided by the Corporation or by an intermediary, should be completed and returned in accordance with the specific instructions noted on the VIF. The purpose of this procedure is to permit Non-Registered Holders to direct the voting of the Common Shares which they beneficially own. Should a Non-Registered Holder who receives a VIF wish to attend the Meeting or have someone else attend on the Non-Registered Holder's behalf, the Non-Registered Holder may request a legal proxy as set forth in the VIF, which will grant the Non-Registered Holder, or the Non-Registered Holder's nominee, the right to attend and vote at the Meeting.

Non-Registered Holders should return their voting instructions as specified in the VIF sent to them. Non-Registered Holders should carefully follow the instructions set out in the VIF, including those regarding when and where the VIF is to be delivered.

Although Non-Registered Holders may not be recognized directly at the Meeting for the purpose of voting Common Shares registered in the name of their broker, agent or nominee, a Non-Registered Holder may attend the Meeting as a proxyholder for a registered shareholder and vote Common Shares in that capacity. Non-Registered Holders who wish to attend the Meeting and indirectly vote their Common Shares as proxyholder for the registered shareholder should contact their broker, agent or nominee well in advance of the Meeting to determine the steps necessary to permit them to indirectly vote their Common Shares as a proxyholder.

Revocability of Proxy

A registered shareholder who has given a proxy may revoke it by a duly signed instrument in writing that is (a) received at the registered office of the Corporation at any time up to and including the last business day before the day set for the holding of the Meeting, or (b) provided at the Meeting to the chair of the Meeting before any vote in respect of which the proxy is to be used shall have been taken, or in any other manner provided by law.

NOBOs who wish to revoke their voting instructions should contact Computershare Investor Services Inc. at telephone number 1-800-564-6253. OBOs who wish to revoke a voting instruction form or a waiver of the right to receive proxy-related materials should contact their Intermediaries for instruction.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

Only Common Shares carry voting rights at the Meeting with each Common Share carrying the right to one vote. The board of directors of the Corporation (the "**Board of Directors**" or "**Board**") has fixed August 25, 2025 as the record date for the determination of shareholders entitled to receive notice of and to vote at the Meeting and at any adjournment thereof, and only shareholders of record at the close of business on that date are entitled to such notice and to vote at the Meeting. As at August 25, 2025, 14,259,044 Common Shares were issued and outstanding as fully paid and non-assessable.

To the knowledge of the directors and senior officers of the Corporation, there are no persons or companies who beneficially own, directly or indirectly, or exercise control or direction over Common Shares carrying more than 10% of the voting rights attached to all outstanding shares of the Corporation.

VOTES NECESSARY TO PASS RESOLUTIONS AT THE MEETING

Under the Corporation's Articles, the quorum for the transaction of business at the Meeting consists of two persons who are, or who represent by proxy, shareholders who, in the aggregate, hold at least 5% of the outstanding Common Shares. A simple majority of the votes cast at the Meeting (in person or by proxy) is required in order to pass the resolutions referred to in the accompanying Notice of Meeting.

ELECTION OF DIRECTORS

The Corporation has four (4) directors as of the Record Date. At the Meeting, shareholders will be asked to fix the number of directors at four (4) and to elect four (4) directors. The persons named below are the five (5) nominees of management for election as directors, all of whom are current directors of the Corporation. Each director elected will hold office until the next annual general meeting or until the director's successor is elected or appointed unless the director's office is earlier vacated under any of the relevant provisions of the Articles of the Corporation or the *Business Corporations Act* (British Columbia). It is the intention of the persons named as proxyholders in the enclosed Proxy form to vote for the election to the Board of Directors of those persons hereinafter designated as nominees for election as directors. The Board of Directors does not contemplate that any of such nominees will be unable to serve as a director; however, if for any reason any of the proposed nominees do not stand for election or are unable to serve as such, **proxies in favour of management designees will be voted for another nominee in their discretion unless the shareholder has specified in such shareholder's Proxy that such shareholder's Common Shares are to be withheld from voting in the election of directors.**

The following table sets out the name of each of the persons proposed to be nominated for election as a director; all positions and offices in the Corporation presently held by the nominee; the nominee's principal occupation or employment presently and during the last five years; the period during which the nominee has served as a director; and the number of Common Shares of the Corporation that the nominee has advised are beneficially owned by the nominee, directly or indirectly, or over which control or direction is exercised, as of August 25, 2025.

Except as described below, none of the proposed directors is, as at the date of this Information Circular, or has been, within the ten years preceding the date of this Information Circular, a director, chief executive officer or chief financial officer of any company (including the Corporation) that

- (a) was subject to a cease trade or similar order or an order that denied the relevant company access to any exemption under securities legislation that was in effect for a period of more than 30 consecutive days (collectively, an "**Order**"), when such Order was issued while the person was acting in the capacity of a director, chief executive officer or chief financial officer of the relevant company; or

- (b) was subject to an Order that was issued after such person ceased to be a director, chief executive officer or chief financial officer of the relevant company, and which resulted from an event that occurred while the person was acting in the capacity of a director, chief executive officer or chief financial officer of the relevant company.

The Company, and therefore all of Officers and Directors in office at the time, were subject to a cease trade order issued by the British Columbia Securities Commission (BCSC) on March 8, 2021 for failure to file the required financial statements (FFCTO). The order was revoked December 23, 2021. The Company was also subject to a cease trade order issued by the BCSC on June 11, 2018 for not filing a technical report completed in accordance with National Instrument 43-101. Such order was revoked December 8, 2018.

No proposed director is, as at the date of this Information Circular, or has been, within the ten years preceding the date of this Information Circular, a director or executive officer of any company (including the Corporation) that, while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets.

No proposed director has, within the ten years preceding the date of this Information Circular, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of that person.

Except as described below, no proposed director has been subject to (a) any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority, or (b) any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable securityholder in deciding whether to vote for a proposed director.

- d. Tony Giuliano, Chief Financial Officer of the Issuer since January 29, 2024.

Compensation Discussion and Analysis

In determining executive compensation, the Corporation has relied solely on Board of Directors discussion without any formal objectives, criteria and analysis. The Board of Directors on October 25, 2022 established a Governance and Compensation Committee to recommend the compensation for the Corporation's directors and executive officers. The Board of Directors has not retained any compensation consultant since the completion of its last financial year to assist the Board of Directors in determining compensation for any of the Corporation's directors or executive officers.

The Corporation's executive compensation program is comprised of base salary, annual cash bonuses, indirect compensation (benefits) and long-term incentives in the form of stock options. The Corporation's executive compensation practices are designed to attract and retain talented personnel capable of achieving the Corporation's objectives. The Corporation also utilizes compensation programs to motivate and reward the Corporation's executives for the ultimate achievement of the Corporation's goals. The Corporation makes use of complementary short-term and long-term incentive programs intended to provide fair, competitive and motivational rewards in the short-term while ensuring that executive's long-term objectives remain aligned with those of the shareholders.

The base salaries for all executives are paid within salary ranges established by the Board of Directors for each position based on scope and level of responsibility. Individual salaries within the range are determined by that executive's competence, skill level, and experience and market influences. Annual cash bonuses may be given based on subjective criteria, including the Corporation's ability to pay such bonuses, individual performance, the executive's contributions to achieving the Corporation's objectives, and other competitive considerations.

Neither the Board of Directors, nor any committee of the Board of Directors, has considered the implications of the risks associated with the Corporation's compensation policies and practices.

No NEO or director of the Corporation is permitted to purchase financial instruments, including prepaid variable forward contracts, equity swaps, collars, or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the NEO or director.

Option-Based Awards

Stock options are granted pursuant to the Corporation's Stock Option Plan (the "**Plan**") to provide an incentive to the directors, officers, employees and consultants of the Corporation to achieve the longer-term objectives of the Corporation; to give suitable recognition to the ability and industry of such persons who contribute materially to the success of the Corporation; and to attract and retain persons of experience and ability, by providing them with the opportunity to acquire an increased proprietary interest in the Corporation. Previous grants of incentive stock options are taken into account when considering new grants.

Implementation of any new incentive stock option plan and amendments to the existing stock option plan are the responsibility of the Corporation's Board of Directors.

The Board of Directors has not adopted a formal written code of ethics. The Board expects that fiduciary duties placed on individual directors by the Corporation's governing corporate legislation and the common law,

as well as provisions under corporate legislation for required disclosures by directors and officers to the Corporation of transactions with the Corporation in which they may have an interest and of any other conflicts of duties and interests, are sufficient to ensure that these persons conduct themselves in the best interests of the Corporation.

Under the corporate legislation, a director is required to act honestly and in good faith with a view to the best interests of the Corporation and exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances, and disclose to the Board the nature and extent of any interest of the director in any material contract or material transaction, whether made or proposed, if the director is a party to the contract or transaction, is a director or officer (or an individual acting in a similar capacity) of a party to the contract or transaction or has a material interest in a party to the contract or transaction. The director must then abstain from voting on the contract or transaction unless the contract or transaction (i) relates primarily to their remuneration as a director, officer, employee or agent of the Corporation or an affiliate of the Corporation, (ii) is for indemnity or insurance for the benefit of the director in connection with the Corporation, or (iii) is with an affiliate of the Corporation. If the director abstains from voting after disclosure of their interest, the directors approve the contract or transaction and the contract or transaction was reasonable and fair to the Corporation at the time it was entered into, the contract or transaction is not invalid and the director is not accountable to the Corporation for any profit realized from the contract or transaction. Otherwise, the director must have acted honestly and in good faith, the contract or transaction must have been reasonable and fair to the Corporation and the contract or transaction be approved by the shareholders by a special resolution after receiving full disclosure of its terms in order for the director to avoid such liability or the contract or transaction being invalid.

Nomination of Directors

The Board of Directors is responsible for identifying individuals qualified to become new Board members and recommending to the Board new director nominees for the next annual meeting of the shareholders.

New nominees must have a track record in general business management, special expertise in an area of strategic interest to the Corporation, the ability to devote the time required, shown support for the Corporation's mission and strategic objectives, and a willingness to serve.

Compensation

The Board of Directors as a whole conducts reviews with regard to directors' compensation and executive compensation (including for the CEO) once a year. To make its recommendation on directors' and executive compensation, the Board of Directors takes into account the types of compensation and the amounts paid to directors and executives of comparable publicly traded Canadian companies.

Other Board Committees

The current standing committee of the Board of Directors is the Audit Committee.

Assessments

The Board of Directors monitors the adequacy of information given to directors, communication between the board and management, and the strategic direction and processes of the Board and its committees to help ensure that the Board, its committees and individual directors are performing effectively.

The Stock Option Plan is a "rolling" stock option plan, pursuant to which the maximum number of common shares issuable under the Stock Option Plan is equal to **10% of the issued and outstanding common shares of the Company from time to time**. Accordingly, the number of options available for grant under the Stock Option Plan will increase or decrease as the number of issued and outstanding common shares of the Company changes.

The following is a summary of the material terms of the Stock Option Plan:

1. **Eligible Persons** – Options may be granted to directors, officers, employees, and consultants of the Company or a subsidiary of the Company, as determined by the Board of Directors (each an "Optionee").
2. **Ceasing to be a Director, Officer, Employee or Consultant** - If an Optionee ceases to be a director, officer, employee or consultant of the Company or its subsidiaries for any reason other than death, the Optionee may, but only within ninety (90) days after the Optionee's ceasing to be a director, officer, employee or consultant (or 30 days in the case of an Optionee engaged in Investor Relations Activities) or prior to the expiry of the Option Period, whichever is earlier, exercise any Option held by the Optionee, but only to the extent that the Optionee was entitled to exercise the Option at the date of such cessation. 4. **Shares Reserved** – The maximum number of common shares that may be issued under the Stock Option Plan is equal to 10% of the Company's issued and outstanding common shares at the time of the grant. Any common shares subject to an option that expires or terminates without having been exercised will again be available for issuance under the Stock Option Plan.
5. **Maximum Limits** – Unless disinterested shareholder approval is obtained:
 - a. The aggregate number of common shares issuable to insiders under all security-based compensation arrangements cannot exceed 10% of the issued and outstanding common shares (on a non-diluted basis).

- b. The maximum aggregate number of Common Shares that may be issuable to Insiders of the Company (as a group) pursuant to all Security Based Compensation of the Company granted or issued **within any twelve (12) month period** may not exceed 10% of the Outstanding Shares calculated on the date of grant of any Security Based Compensation.

Subject to Exchange Policies, the Board of Directors may, in its sole discretion, determine the time during which an Option shall vest and the method of vesting, or that no vesting restriction shall exist.

The exercise of any Option will be conditional upon receipt by the Company at its head office of a written notice of exercise, specifying the number of Common Shares in respect of which the Option is being exercised, accompanied by cash payment, certified cheques or bank draft for the full purchase price of such Common Shares with respect to which the Option is being exercised.

Disinterested Shareholder approval will be obtained for any reduction in the exercise price of an Option or extensions to stock options if the Optionee is an insider of the Company at the time of the proposed amendment.

A copy of the Stock Option Plan will be available for inspection at the Meeting.

Therefore, at the Meeting, shareholders will be asked to pass a resolution in the following form:
