MANAGEMENT INFORMATION CIRCULAR

Unless otherwise stated herein, all information set forth in this Management Information Circular is as at May 15, 2017 and all monetary figures referred to are in Canadian dollars.

MANAGEMENT SOLICITATION

This Information Circular accompanies the Notice of Annual General Meeting of the Shareholders of **ALTAI RESOURCES INC.** (the "Corporation") to be held on Friday, the 7th day of July, 2017, at the Regency Room, 2550 Victoria Park Avenue, Ground Floor, Toronto, Ontario, Canada M2J 5A9 at the hour of 4:30 o'clock in the afternoon (Toronto time), and **is furnished in connection with the solicitation by and on behalf of the management of the Corporation of proxies for use at the Meeting.** The solicitation will be primarily by mail but proxies may also be solicited by employees or representatives of the Corporation by advertisement, by telephone, by telecopier or other telecommunications, including electronic display such as the Internet. The cost of such solicitation will be borne by the Corporation.

APPOINTMENT AND COMPLETION OF PROXIES

A PROXY IN THE FORM ENCLOSED WITH THE NOTICE OF MEETING CONFERS DISCRETIONARY AUTHORITY WITH RESPECT TO AMENDMENTS OR VARIATIONS TO THE MATTERS IDENTIFIED IN THE NOTICE OF MEETING OR TO OTHER MATTERS WHICH MAY PROPERLY COME BEFORE THE MEETING.

The completed proxy must be deposited at the offices of Computershare Investor Services Inc. (Attention: Proxy Department), 100 University Avenue, 8th Floor, Toronto, Ontario, Canada M5J 2Y1 no later than 48 hours (excluding Saturdays, Sundays and statutory holidays in the City of Toronto, Ontario) prior to the time set for the Meeting or any adjournment(s) thereof.

The common shares of the Corporation represented by a proxy will be voted for or withheld from voting in accordance with the instructions of the shareholders, and if a shareholder specifies a choice with respect of any matter to be acted upon the common shares shall be voted accordingly.

The persons named in the enclosed form of proxy are directors or representatives of the Corporation. **A shareholder has the right to appoint a person (who need not be a shareholder) to attend, act and vote for him and on his behalf at the Meeting or any adjournment(s) thereof, other than the persons designated in the enclosed form of proxy, by striking out the printed names and filling in the name of such person in the**

blank space provided in the form of proxy, or by completing another proper form of proxy. Such shareholder should notify the nominee of the appointment, obtain his consent to act as proxy and should provide instructions on how the shareholder's common shares are to be voted. In any case, an instrument of proxy should be dated and executed by the shareholder or an attorney authorized in writing, with proof of such authorization attached where an attorney has executed the instrument of proxy.

REGISTERED SHAREHOLDERS

Shareholders registered on the books of the Corporation at the close of business on the record date, June 2, 2017 ("Registered Shareholders") or the person they appoint as their proxies are permitted to vote at the Meeting,

The Registered Shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered Shareholders electing to submit a proxy must complete, date and sign the proxy form and deposit it at the offices of Computershare Investor Services Inc. (Attention: Proxy Department), 100 University Avenue, 8th Floor, Toronto, Ontario, Canada M5J 2Y1 no later than 48 hours (excluding Saturdays, Sundays and statutory holidays in the City of Toronto, Ontario) prior to the time set for the Meeting or any adjournments(s) thereof.

BENEFICIAL SHAREHOLDERS

Most shareholders of the Corporation are non-registered shareholders. Common shares beneficially owned by a person (a "Beneficial Shareholder") may be registered either: (i) in the name of an intermediary (an "Intermediary") that the Beneficial Shareholder deals with in respect of the common shares, such as securities dealers or brokers, banks, trust companies, and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans; or (ii) in the name of a clearing agency (such as The Canadian Depository for Securities Limited ("CDS")) of which the Intermediary is a participant.

Under the National Instrument 54-101, the Corporation will have distributed copies of the notice of meeting, this information circular and the proxy form (collectively, the "Meeting Materials") to the clearing agencies and Intermediaries for distribution to the Beneficial Shareholders. Intermediaries are required to forward the Meeting Materials to Beneficial Shareholders unless a Beneficial Shareholder has waived the right to receive it.

There are two types of Beneficial Shareholders – those who object to their identity being made known to the issuers of securities which they own (called "OBOs" for Objecting Beneficial Owners) and those who do not (called "NOBOs" for Non-Objecting Beneficial Owners).

Under the National Instrument 54-101, the Corporation is sending the Meeting Materials directly to the NOBOs. These Meeting Materials are being sent to both registered and non-registered owners of the securities. If you are a non-registered owner, and the Corporation or its agent has sent these materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf. By choosing to send these materials to you directly, the Corporation (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

Under the National Instrument 54-101, the Corporation does not intend to pay for the intermediaries to forward the Meeting Materials to the OBOs. An objecting beneficial owner will not receive the Meeting Materials unless the OBO's intermediary assumes the cost of delivery of the Meeting Materials.

Intermediaries often use a service company to forward Meeting Materials to Beneficial Shareholders. Beneficial Shareholders who receive the Meeting Materials will either:

(a) typically, be provided with a computerized form (often called a "voting instruction form") which is not signed by the Intermediary and which, when properly completed and signed by the Beneficial Shareholder and returned to the Intermediary or its service company, will constitute voting instructions which the Intermediary must follow; or

(b) less commonly, be given a proxy form which has already been signed by the Intermediary (typically by a facsimile, stamped signature), which is restricted to the number of shares beneficially owned by the Beneficial Shareholder but which is otherwise not completed. In this case, the Beneficial Shareholder who wishes to submit a proxy should properly complete the proxy form and submit it to Computershare Investor Services Inc. (Attention: Proxy Department), 100 University Avenue, 8th Floor, Toronto, Ontario, Canada M5J 2Y1 no later than 48 hours (excluding Saturdays, Sundays and statutory holidays in the City of Toronto, Ontario) prior to the time set for the Meeting or any adjournments(s) thereof.

In either case, the purpose of these procedures is to permit Beneficial Shareholders to direct the voting of the common shares which they beneficially own.

Should a Beneficial Shareholder who receives a voting instruction form wish to vote at the Meeting in person (or have another person attend and vote on behalf of the Beneficial Shareholder), the Beneficial Shareholder should print his own name, or that of such other person, on the voting instruction form and return it to the Intermediary or its service company. Should a Beneficial Shareholder who receives a proxy form wish to vote at the Meeting in person (or have another person attend and vote on behalf of the Beneficial Shareholder), the Beneficial Shareholder should strike out the names of the persons set out in the proxy form and insert the name of the Beneficial Shareholder or such other person in the blank space provided and submit it to the Intermediary or its service company.

In all cases, Beneficial Shareholders should carefully follow the instructions of their Intermediary, including those regarding when, where and by what means the voting instruction form or proxy form must be delivered.

A Beneficial Shareholder may revoke voting instructions which have been given to an Intermediary at any time by following the instructions of the Intermediary.

REVOCATION OF PROXIES

Proxies given by shareholders for use at the Meeting may be revoked at any time prior to their use. In addition to revocation in any other manner permitted by law, a proxy may be revoked by an instrument in writing executed by the Registered Shareholder or by his attorney authorized in writing or, if the shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized and deposited with Computershare Investor Services Inc. (Attention: Proxy Department), 100 University Avenue, 8th Floor, Toronto, Ontario, Canada M5J 2Y1 no later than 48 hours (excluding Saturdays, Sundays and statutory holidays in the City of Toronto, Ontario) prior to the time set for the Meeting or any adjournments(s) thereof.

Beneficial Shareholders may revoke voting instructions by following the instructions of their Intermediary.

EXERCISE OF DISCRETION BY PROXIES

All common shares represented by properly executed proxies received in a timely manner as described in this information circular will be voted at the Meeting in accordance with the instructions of the shareholders. If a choice is specified in respect of any matter to be acted upon, the common shares will be voted accordingly.

On any ballot that may be called for, the common shares represented by proxies in favour of management nominees will be voted for or withheld from voting in each case in accordance with the specifications made by the shareholders in the manner referred to above.

IN RESPECT OF PROXIES IN WHICH THE SHAREHOLDERS HAVE NOT SPECIFIED THAT THE PROXY NOMINEES ARE REQUIRED TO VOTE FOR OR WITHHELD FROM VOTING IN RESPECT OF A MATTER IDENTIFIED IN THE FORM OF PROXY, THE SHARES REPRESENTED BY PROXIES IN FAVOUR OF MANAGEMENT NOMINEES WILL BE VOTED IN FAVOUR OF EACH SUCH MATTER.

The form of proxy forwarded to shareholders with the notice of meeting confers discretionary authority upon the proxy nominees with respect to amendments or variations of matters identified in the notice of meeting or other matters which may properly come before the Meeting. At the time of the printing of this information circular, the management of the Corporation knows of no such amendments, variations or other matters.

NOTICE TO SHAREHOLDERS IN THE UNITED STATES

The solicitation of proxies involves securities of an issuer located in Canada and is being effected in accordance with the corporate laws of the Province of Ontario, Canada and securities laws of the provinces of Canada. The proxy solicitation rules under the *United States Securities Exchange Act of 1934*, as amended, are not applicable to the Corporation or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of the provinces of Canada. Shareholders should be aware that disclosure requirements under the securities laws of the provinces of Canada differ from the disclosure requirements under United States securities laws.

The enforcement by shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Corporation is incorporated under the *Business Corporations Act* (Ontario) ("**OBCA**"), certain of its directors and its officers are residents of Canada and elsewhere outside the United States and a substantial portion of its assets and the assets of such persons are located outside the United States. Shareholders may not be able to sue a foreign company or its directors or officers in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign company and its directors and officers to subject themselves to a judgment by a United States court.

VOTING SHARES AND PRINCIPAL HOLDERS OF VOTING SHARES

The authorized capital of the Corporation consists of an unlimited number of common shares, of which as at June 2, 2017 (the "Record Date"), there were 55,113,552 common shares of the Corporation issued and outstanding. Each common share entitles the holder thereof to one vote.

To the best knowledge of the directors and officers of the Corporation, one person beneficially owns, controls or directs, directly or indirectly, more than 10% of the issued and outstanding common shares of the Corporation. As at May 15, 2017, Niyazi Kacira owns 9,934,927 common shares representing approximately 18.03% of all issued and outstanding common shares of the Corporation.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

No proposed nominee for election as a director of the Corporation, nor any person who was a director or officer of the Corporation at any time since the beginning of the Corporation's last financial year, or any associate or affiliates of any such persons, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting.

PARTICULARS OF MATTERS TO BE ACTED UPON

To the best knowledge of the directors, the matters to be brought before the Meeting are the matters identified in the accompanying Notice of Meeting.

RECEIPT OF 2016 AUDITED CONSOLIDATED FINANCIAL STATEMENTS

CORPORATE GOVERNANCE PRACTICES

National Policy 58-201 has set out a series of guidelines for effective corporate governance (the "Guidelines"). The Guidelines address matters such as the constitution and independence of corporate boards, the functions to be performed by boards and their committees and the effectiveness and education of board members. National Instrument 58-101 ("NI 58-101") requires the disclosure by each reporting issuer of its approach to corporate governance with reference to the Guidelines as it is recognized that the unique characteristics of individual corporations will result in varying degrees of compliance.

General

The responsibility to oversee the conduct of the business and to guide management of the Corporation resides with the board of directors of the Corporation. As prescribed by the *Business Corporations Act* (Ontario), the mandate, duties and objectives of the Board are to manage or supervise the management of the business and affairs of the Corporation. In practice, Board approval is sought in respect to material decisions involving the business and affairs of the Corporation which are not routine and therefore not dealt with by management of the Corporation.

The Directors

The board of directors as at May 15, 2017 consisted of five directors. Four of them, Didier Pomerleau, Mehmet F. Taner, Jeffrey S. Ackert and Raymond Savoie were independent directors. Dr. Niyazi Kacira, being the Chairman and President (also performing the functions of a CEO) of the Corporation was not an independent director.

The information set forth below reflects the attendance of each director of the Corporation at the meetings of the Board and the Audit Committee thereof during the fiscal year ended December 31, 2016.

Orientation and Continuing Education

While the Corporation does not have formal orientation and training programs, new Board members are provided with:

1. information respecting the functioning of the Board and committees;
2. publicly filed documents of the Corporation; and
3. access to management.

Board members are encouraged to communicate with management to keep themselves current with industry trends and development and changes in legislation with management's assistance.

Ethical Business Conduct

Given the relatively small size of the Corporation, the Board believes that through the fiduciary duties placed on individual directors by the Corporation's corporate governance practice and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which a director has an interest have been sufficient to ensure that the Board operates independently of management, in the best interest of the Corporation and reflects a culture of integrity and ethical business conduct. The Corporation has not adopted a Code of Ethics.

Nomination of Directors

The Corporation does not have a formal process for determining nominations to the board of directors. Names of potential nominees are provided to the board of directors for consideration by management, individual board members or shareholders.

Compensation

Given the relatively small size of the Corporation, the Board does not have a compensation committee for directors and officers. These functions are currently performed by the Board as a whole.

Response to Shareholders Comments and Concerns

Management is available to shareholders to receive feedback and to respond to questions or concerns on a prompt basis. It is available for any shareholder to contact the Corporation by telephone, fax, mail or email at its head office. The Board believes that the Corporation's approach to communicating with shareholders and other interested parties is both responsive and effective.

Assessments

The Board monitors the adequacy of information given to directors, communication between the Board and management and the strategic direction and processes of the Board. The Board through the careful selection of its members and from fostering a culture of openness has established an environment where its members are given ongoing feedback on their performance.

The Board believes that it carries out governance of the Corporation's affairs effectively, and will continue to review the Corporation's governance practices and to make changes as deemed appropriate.

Audit Committee

NI 52-110 relating to the composition and function of audit committees requires all affected issuers, including the Corporation, to have a written audit committee charter (the "Charter") which must be disclosed in the management information circular of the Corporation wherein management solicits proxies from the shareholders of the Corporation for the purpose of electing directors to the Board of the Corporation.

The Audit Committee Charter

The Charter has been adopted by the Board in order to comply with the Instrument and to more properly define the role of the audit committee (the "Committee") in the oversight of the financial reporting process of the Corporation. Nothing in the Charter is intended to restrict the ability of the Board or the Committee to alter or vary procedures in order to comply more fully with the Instrument, as amended from time to time. The full text of the Charter is at Schedule "A".

Composition of the Audit Committee

The members of the Committee as at May 15, 2017 were Didier Pomerleau, Mehmet F. Taner, Jeffrey S. Ackert and Raymond Savoie. All members were considered independent. All were financially literate. "Independent" and "financially literate" have the meaning used in NI 52-110.

Relevant Education and Experience

Didier Pomerleau, Ph.D., MBA, M.Ed., LLM, has over 20 years' experience as an educator, educational administrator, and civil servant. His core expertise is in strategic planning, financial management, business analysis and stakeholder relations.

Mehmet F. Taner, Ph.D. (Geol. and Mineralogy), M.Sc. (Geol. Engineering), FGAC, has over 30 years' experience in the mining industry in geology, mineralogy and production.

Jeffrey S. Ackert, B.Sc. (Geology Specialist), has over 30 years' experience in the mining industry in exploration and production. He is an officer and a director of a Canadian public resource company and a director of another Canadian public resource company.

Raymond Savoie, B.A., LL.L., has over 25 years' experience in various aspects of exploration and development of resource projects and of the resource industry. He is an officer and director of two Canadian resource companies.

Audit Committee Oversight

At no time during the most recently completed fiscal year was a recommendation of the Committee to nominate or compensate the external auditors, Ross Pope LLP not adopted by the Board.

Reliance on Certain Exemptions

In the most recently completed fiscal year, the Corporation has not relied on the exemptions in section 2.4 or Part 8 of NI 52-110. Section 2.4 provides an exemption from the requirement that the audit committee must pre-approve all non-audit services to be provided by the auditors, where the total amount of fees related to the non-audit services are not expected to exceed 5% of the total fees payable to the auditors in the fiscal year in which the non-audit services were provided. Part 8 permits a company to apply to a securities regulatory authority for an exemption from the requirements of NI 52-110, in whole or in part.

Pre-Approval and Procedures

Formal policies and procedures for the engagement of non-audit services have yet to be formulated and adopted. Subject to the requirements of the Instrument, the engagement of non-audit services is considered by the Board, and where applicable by the Committee, on a case by case basis.

Exemption

In respect of the most recently completed fiscal year, the Corporation is relying upon the exemption set out in section 6.1 of NI 52-110 with respect to compliance with the requirements of Part 3 (Composition of the Audit Committee) and Part 5 (Reporting Obligations) of NI 52-110.

COMPENSATION OF EXECUTIVE OFFICERS AND DIRECTORS

Under applicable securities legislation, the Corporation is required to disclose certain financial and other information relating to the compensation of its Chief Executive Officer, Chief Financial Officer and all of the other most highly compensated executive officers of the Corporation who meet the applicable disclosure threshold (each, a Named Executive Officer or "NEO"). During the financial year ended December 31, 2016, there were two NEOs, being Niyazi Kacira, the Chairman and President (also performing the functions of a Chief Executive Officer), and Maria Au, the Secretary-Treasurer (also performing the functions of a Chief Financial Officer).

The executive officers' compensation comprises two components: (1) the payment of an amount in cash; and (2) the grant of options to purchase common shares of the Corporation under existing stock option plan.

The use of stock options as a form of remuneration allows the Corporation to recognize and reward performance of its executives and directors while conserving cash.

The Corporation does not have a share-based incentive plan, or a pension plan that provides for payment or benefits to the NEOs at, following, or in connection with retirement.

Principles of Executive Compensation

The primary components of the Corporation's executive compensation are cash compensation and option-based awards. The Board believes that the mix between cash compensation and incentives must be reviewed and tailored to each executive based on their role within the organization as well as their own personal circumstances and financial circumstances of the Corporation. The following principles form the basis of the Corporation's executive compensation program:

1. align interest of executives and shareholders;
2. attract and motivate executives who are instrumental to the success of the Corporation and the enhancement of shareholder value;
3. compensate within the context of the financial condition of the Corporation; and
4. ensure compensation methods have the effect of retaining those executives whose performance have enhanced the Corporation's long term value.

Compensation Discussion and Analysis

The Board is responsible for the Corporation's compensation policies and practices. The Board has the responsibility to review and make recommendations to the directors concerning all forms of compensation of the directors and the NEOs within the context of the financial condition of the Corporation. The Board also reviews and approves the hiring of executive officers.

As of the date of this information circular, the Board had not, collectively, considered the implications of any risks associated with policies and practices regarding compensation of its directors or executive officers.

The Corporation does not prohibit its NEOs or directors from purchasing financial instruments, including for greater certainty, prepaid variable forward contracts, equity swaps, collars, or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the NEOs or directors.

Cash Compensation

The Board approves the cash compensation ranges for the NEOs. The Corporation's policy for determining cash compensation for executive officers is consistent with the administration of compensation for other staff.

Annual Incentives

The Corporation is not currently awarding any annual incentives. However, the Corporation, in its discretion, may award annual incentives in order to motivate executives to achieve short-term corporate goals. The Board approves annual incentives, if there is any.

The success of NEOs in achieving their individual objectives and their contribution to the Corporation in reaching its overall goals are both factors in the determination of their annual incentives. The Board assesses each NEO's performance on the basis of his or her respective contribution to the achievement of the predetermined corporate objectives, as well as to needs of the Corporation that arise on a day to day basis and the financial condition of the Corporation. This assessment is used by the Board in developing its recommendations with respect to the determination of annual incentives for the NEOs.

Long Term Compensation

The Corporation provides long term incentive compensation to its NEOs, directors and employees through the Stock Option Plan. The Stock Option Plan is described in detail below under the heading "Securities authorized for issuance under equity compensation plans". The Board grants stock options to officers, employees and directors from time to time based on its appropriateness of doing so in light of the long term strategic objectives of the Corporation, its current stage of development, and the need to retain or attract particular key personnel.

EXECUTIVE COMPENSATION

The Corporation paid a total of \$54,000 cash compensation to the two NEOs during the financial year ended December 31, 2016. ⁽¹⁾
