Management Discussion and Analysis
For the three and nine months ended June 30, 2023

The following management discussion and analysis (“MD&A”) of the results of the operations and financial position of Trail Blazing Ventures Ltd. (the “Corporation”) should be read in conjunction with the interim condensed financial statements for the three and nine months ended June 30, 2023 and 2022 (the “Financial Statements”) and the audited financial statements of the Corporation for the year ended September 30, 2022. The Financial Statements, including the comparative figures, were prepared in accordance with International Financial Reporting Standards (“IFRS”) as issued by the International Accounting Standards Board. Unless otherwise noted, all dollar amounts are in Canadian dollars.

The information in this MD&A is current as of August 14, 2023, unless otherwise noted.

Additional information regarding the Corporation, including the Financial Statements, news releases, and other disclosure items, is available under the Corporation’s profile on SEDAR at www.sedar.com.

Forward-Looking Statements

Certain statements and information contained in this MD&A may constitute forward-looking information under applicable securities laws. All statements and information other than statements of historical fact or historical information may be forward-looking information. Forward-looking information typically contains statements with words such as “expect”, “intend”, “estimate”, “will”, “anticipated”, or similar words, including negatives thereof, suggesting future outcomes or statements regarding an outlook. The forward-looking information is based on a number of factors, expectations and assumptions which have been used to develop such information, and which may prove to be incorrect. Although the Corporation believes that the factors, expectations and assumptions on which the forward-looking information is based are reasonable, undue reliance should not be placed on the forward-looking information because the Corporation can give no assurances that they will prove to be correct. Since forward-looking information addresses future events and conditions, by its very nature it involves inherent known and unknown risks and uncertainties which are beyond the control of the Corporation. The Corporation’s actual results, performance or achievement could differ materially from those expressed in, or implied by, the forward-looking information due to a number of factors and risks, and, accordingly, no assurance can be given that any of the events anticipated by the forward-looking information will transpire or occur, or if any of them do so, what benefits that the Corporation will derive therefrom. The forward-looking information included in this MD&A is made as of the date hereof and the Corporation does not undertake an obligation to publicly update such forward-looking information to reflect new information, subsequent events or otherwise, except as required by applicable law.

The Corporation

The Corporation was incorporated under the *Business Corporations Act* (Alberta) on August 30, 2021 and is classified as a Capital Pool Company as defined in Policy 2.4 of the TSX Venture Exchange (the “Exchange”) Corporate Finance Manual (the “Manual”), and trades under the symbol TSXV: BLAZ.P.

The head office and the registered office of the Corporation is located at Suite 800, 333-7 Avenue SW, Calgary, Alberta T2P 2Z1.

The principal business of the Corporation is the identification and evaluation of assets or businesses with a view to completing a Qualifying Transaction (“QT”) as such term is defined in the Manual. The Corporation has not commenced operations other than actively looking for a QT, and has no assets other than cash and other financial instruments. The Corporation’s continuing operations as intended are dependent upon its ability to identify, evaluate and negotiate an acquisition, or business, or an interest therein. Such an acquisition will be subject to the approval of the regulatory authorities concerned and, in the case of a non-arm’s length transaction, of the majority of the minority shareholders.

Pursuant to the Manual, the proceeds raised from the issuance of share capital may only be used to identify and evaluate assets or businesses for future investment, with the exception that up to \$3,000 per month may be used for reasonable general and administrative expenses of the Corporation. These restrictions apply until completion of a QT.

Trail Blazing Ventures Ltd.
Management Discussion and Analysis
For the three and nine months ended June 30, 2023

During the period ended December 31, 2021, the Corporation filed a prospectus to offer to sell and issue a minimum of 10,000,000 common shares in the capital of the Corporation ("Common Shares") and a maximum of 20,000,000 Common Shares at a price of \$0.10 per share for total gross proceeds of a minimum of \$1,000,000 and a maximum of \$2,000,000 (collectively, the "Offering"). On January 21, 2022, the Corporation completed the Offering whereby it issued 20,000,000 Common Shares at a price of \$0.10 per share for aggregate gross proceeds of \$2,000,000. The Offering was completed pursuant to an agency agreement dated December 6, 2021 between the Corporation and Research Capital Corporation (the "Agent"), the agent for the Offering. In consideration for its services, the Agent received a cash commission of \$160,000 (representing 8% of the gross proceeds of the Offering), a corporate finance fee in the amount of \$21,000 (inclusive of GST), reimbursement of its reasonable legal fees and related expenses, and a non-transferable option to purchase up to 1,600,000 Common Shares (representing 8% of the total number of Common Shares issued under the Offering) at a price of \$0.10 per share until January 21, 2024.

On January 21, 2022, the Corporation granted 2,000,000 incentive stock options to its directors and officers which are exercisable for a period of ten years from the date of the grant at an exercise price of \$0.10 per Common Share.

Selected Annual Information

The following table provides a brief summary of the Corporation's financial information for completed financial years. For more detailed information, please refer to the financial statements of the Corporation for the year ended September 30, 2022 and the period from incorporation (August 30, 2021) to September 30, 2021.

	Year ended September 30, 2022	Period from Incorporation August 30, 2021 to September 30, 2021
Revenue	\$ 7,346	\$ -
Net loss and comprehensive loss	\$ (442,498)	\$ (9,723)
Basic and diluted, loss per share	\$ (0.01)	\$ (0.01)
Total assets	\$ 2,651,231	\$ 1,000,207
Total non-current liabilities	\$ -	\$ -
Dividends per share	\$ -	\$ -

The increase in revenue for 2022 was the result of the completion of the IPO and depositing the funds into an interest-bearing account. The higher loss for 2022 as compared to 2021 was a result of a full year of incorporation rather than only 1 month in 2021, and also due to higher professional fees, listing fees, share based compensation, and general and administration expenses due to the completion of the IPO in 2022.

Summary of Quarterly Results

The below table outlines the last eight quarters of operating results.

	30-Jun-23	31-Mar-23	31-Dec-22	30-Sep-22	30-Jun-22	31-Mar-22	31-Dec-21	30-Sep-21
Total assets	\$2,668,700	\$2,649,245	\$2,635,875	\$2,651,231	\$2,656,797	\$2,683,470	\$1,007,216	\$1,000,000
Revenue	\$ 32,026	\$ 30,394	\$ 26,712	\$ 7,346	\$ -	\$ -	\$ -	\$ -
Net and comprehensive income (loss)	\$ 25,943	\$ 6,881	\$ 12,900	\$ (28,753)	\$ (25,300)	\$ (353,712)	\$ (34,733)	\$ (9,723)
Basic and diluted, income (loss) per share	\$ 0.00	\$ 0.00	\$ 0.00	\$ (0.01)	\$ (0.00)	\$ (0.01)	\$ (0.00)	\$ (0.01)

The revenue from in the quarters ended June 30, 2023, March 31, 2023, December 31, 2022, and September 30, 2022 relates to interest income from the rising interest rates on the Company's \$2.5 million interest-bearing notice demand account that pays interest at prime less 1.70%.

The income in the quarters ended June 30, 2023, March 31, 2023 and December 31, 2022 is a result of the higher interest income and lower professional fees costs.

The losses incurred in the other above noted quarters was mainly as a result of professional fees and filing fees related to the completion of the prospectus discussed in the above section.

Trail Blazing Ventures Ltd.
Management Discussion and Analysis
For the three and nine months ended June 30, 2023

The slightly higher loss in the quarter ended September 30, 2022 was mainly the result of higher professional fees and filing fees for the period ended less interest revenue from cash deposited into an interest-bearing account.

The lower loss in the quarter ended June 30, 2022 was mainly the result of no share-based compensation expense and lower professional and listing fees for the period ended.

The higher loss in the quarter ended March 31, 2022 was mainly the result of the share-based compensation expense on the issuance of options, which was \$332,514 for the period ended.

The higher loss in the quarter ended December 31, 2021 related mainly to the listing and filing fees for the prospectus and professional fees for completing the audited financial statements.

Risks and Uncertainties

The following describes certain risks, events and uncertainties that could affect the Corporation and that each reader should carefully consider.

The Corporation is a Capital Pool Corporation as that term is defined in Policy 2.4 of the Exchange. Following completion of the Offering, the Corporation is actively working to identify assets or businesses in order to complete a QT. During this time, the Corporation will have no source of recurring income.

Although management of the Corporation will be working to identify a Qualifying Transaction, there is no assurance that a QT will be entered into or be completed within the specified time, or at all. Nor can there be an assurance that the Corporation will be able to obtain additional financing in the future on terms acceptable to the Corporation or at all.

External financing may be required to fund the Corporation's activities primarily through the issuance of Common Shares. There can be no assurance that the Corporation will be able to obtain adequate financing. The securities of the Corporation should be considered a highly speculative investment.

The Corporation has not generated significant revenues and does not expect to generate significant revenues in the near future. In the event that the Corporation generates significant revenues in the future, the Corporation intends to retain its earnings in order to finance further growth. Furthermore, the Corporation has not paid any dividends in the past and does not expect to pay any dividends in the foreseeable future.

Risk Disclosures and Fair Values

The Corporation's financial instruments, consisting of cash, accounts payable, and accrued liabilities approximate fair value due to the relatively short-term maturity of the instruments. It is management's opinion that the Corporation is not exposed to significant interest, currency or credit risks arising from these financial instruments.
