NEWS RELEASE

ANTALIS VENTURES CORP. PROVIDES AN UPDATE ON FILING OF ITS ANNUAL FINANCIAL STATEMENTS AND ASSOCIATED DOCUMENTS

July 3, 2020, Vancouver, British Columbia – Antalis Ventures Corp. (the “**Company**”) issued a press release on May 29, 2020 noting that due to COVID19 challenges and the impact this has had on market participants, various regulatory authorities have announced temporary relief from certain regulatory filings. This relief provides issuers with a 45-day extension for periodic filings, including financial statements and management’s discussion and analysis, required to be filed on or before June 1, 2020 to allow issuers the time needed to focus on the many other business and financial reporting implications of COVID-19.

In its May 29, 2020 release, the Company announced that it will be utilizing the extension period provided for the filing of its annual financial report for the year ended January 31, 2020 and the related management discussion & analysis (collectively, the “**Annual Disclosure Documents**”). The Company announced that the Annual Disclosure Documents, which the Company would have otherwise had to file on or before June 1, 2020, are expected to be filed on SEDAR on or before July 14, 2020. In the interim, management and other insiders of the Company are subject to a trading black-out policy that reflects the principles in section 9 of National Policy 11-207 Failure to-File Cease Trade Orders and Revocations in Multiple Jurisdictions.

The Company confirms that it continues to expect to file the Annual Disclosure Documents on or before July 14, 2020, and that there have been no material business developments since it issued its May 29, 2020 press release.
