Request for Interim/Annual Financial Statements

National Instruments 51-102 and 54-101 provide both registered holders and beneficial owners of an issuer's securities with the opportunity to elect ANNUALLY to have their names added to a Supplemental Mailing List in order to receive a printed copy of the issuer's annual financial statements and the corresponding management discussion and analysis ("MD&A") of those statements, the interim financial statements and the MD&A for the interim financial statements, or both.

These documents are also available electronically on the SEDAR+ website at www.sedarplus.com.

If you wish to receive printed copies of these materials, please complete this form and return it by mail or fax as indicated below. As the Supplemental Mailing List will be updated each year, a request form will be required from you annually in order for your name to remain on the list.
