**PROXIES AND VOTING RIGHTS**

**Management Solicitation**

The solicitation of proxies by management of the Company will be conducted by mail and may be supplemented by telephone or other personal contact to be made without special compensation by the directors, officers and employees of the Company. AAD does not reimburse Shareholders, nominees or agents for costs incurred in obtaining from their principals authorization to execute forms of proxy, except that AAD has requested brokers and nominees who hold stock in their respective names to furnish the proxy-related materials to their customers, and the Company will

reimburse such brokers and nominees for their related out of pocket expenses. No solicitation will be made by specifically engaged employees or soliciting agents. The Company has arranged for intermediaries to forward the Meeting materials to beneficial owners of Shares (the “**Beneficial Shareholders**”) held of record by those intermediaries. The Company has distributed or made available for distribution, copies of the Notice, this Circular and form of proxy to clearing agencies, securities dealers, banks and trust companies or their nominees (collectively, the “**Intermediaries**”) for distribution to Beneficial Shareholders held of record by those Intermediaries. Such Intermediaries are required to forward such documents to the Beneficial Shareholders unless a Beneficial Shareholder has waived the right to receive them. The solicitation of proxies from Beneficial Shareholders will be carried out by the Intermediaries or by AAD if the names and addresses of the Beneficial Shareholders are provided by Intermediaries. AAD will pay the permitted fees and costs of the Intermediaries for reasonable fees and disbursements incurred in connection with the distribution of these materials.

AAD does not intend to pay for Intermediaries to forward to objecting Beneficial Shareholders under NI 54-101 the proxy-related materials and Form 54-101F7 *Request for Voting Instructions Made by Intermediary*. An objecting Beneficial Shareholder will not receive such materials unless the objecting Beneficial Shareholder’s Intermediary assumes the cost of delivery.

These proxy-related materials are being sent to both registered and non-registered Shareholders. If you are a non-registered Shareholder, and the Company or its agent has sent these materials directly to you, your name and address and information about your Shares, have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding on your behalf.

#### **Appointment of Proxy**

Registered shareholders (“**Registered Shareholders**”) are entitled to vote at the Meeting. On a show of hands, every Shareholder is entitled to one vote for each Share that such Shareholder holds on the record date of April 27, 2022 on the resolutions to be voted upon at the Meeting, and any other matter to come before the Meeting. The list of Registered Shareholders is available for inspection during normal business hours at the offices of Odyssey Trust Company Ltd. (“**Odyssey Trust Company**”) and will be available at the Meeting.

The persons named as proxyholders (the “**Designated Persons**”) in the enclosed form of proxy are directors and/or officers of AAD.

**A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON OR COMPANY (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR OR ON BEHALF OF THAT SHAREHOLDER AT THE MEETING, OTHER THAN THE DESIGNATED PERSONS NAMED IN THE ENCLOSED FORM OF PROXY.**

**TO EXERCISE THE RIGHT, THE SHAREHOLDER MAY DO SO BY STRIKING OUT THE PRINTED NAMES AND INSERTING THE NAME OF SUCH OTHER PERSON AND, IF DESIRED, AN ALTERNATE TO SUCH PERSON, IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY. SUCH SHAREHOLDER SHOULD NOTIFY THE NOMINEE OF THE APPOINTMENT, OBTAIN THE NOMINEE’S CONSENT TO ACT AS PROXY AND SHOULD PROVIDE INSTRUCTION TO THE NOMINEE ON HOW THE SHAREHOLDER’S SHARES SHOULD BE VOTED. THE NOMINEE SHOULD BRING PERSONAL IDENTIFICATION TO THE MEETING.**

In order to be voted, the completed form of proxy must be received by the Company’s registrar and transfer agent, Odyssey Trust Company at their offices located at 350 - 409 Granville Street, Vancouver, British Columbia, V6C 1T2, by mail, or by fax at 1-800-517-4553, or by email at [proxy@odysseytrust.com](mailto:proxy@odysseytrust.com) no later than 10:00 am on Monday, May 30, 2022, or at least 48 hours (excluding Saturdays, Sundays and holidays recognized in the Province of British Columbia) before the time and date of any adjournment or postponement of the Meeting.

A proxy may not be valid unless it is dated and signed by the Shareholder who is giving it or by that Shareholder's attorney-in-fact duly authorized by that Shareholder in writing or, in the case of a corporation, dated and executed by a duly authorized officer or attorney-in-fact for the corporation. If a form of proxy is executed by an attorney-in-fact for an individual Shareholder or joint Shareholders or by an officer or attorney-in-fact for a corporate Shareholder, the instrument so empowering the officer or attorney-in-fact, as the case may be, or a notarially certified copy thereof, must accompany the form of proxy.

### **Revocation of Proxy**

A Shareholder who has given a proxy may revoke it at any time before it is exercised by an instrument in writing: (a) executed by that Shareholder or by that Shareholder's attorney-in-fact authorized in writing or, where the Shareholder is a corporation, by a duly authorized officer of, or attorney-in-fact for, the corporation; and (b) delivered either: (i) to the Company at the address set forth above, at any time up to and including the last business day preceding the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (ii) to the Chairman of the Meeting prior to the vote on matters covered by the proxy on the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (iii) in any other manner provided by law.

Also, a proxy will automatically be revoked by either: (a) attendance at the Meeting and participation in a poll (ballot) by a Shareholder, or (b) submission of a subsequent proxy in accordance with the foregoing procedures. A revocation of a proxy does not affect any matter on which a vote has been taken prior to any such revocation.

### **Voting of Common Shares and Proxies and Exercise of Discretion by Designated Persons**

A Shareholder may indicate the manner in which the Designated Persons are to vote with respect to a matter to be voted upon at the Meeting by marking the appropriate space. If the instructions as to voting indicated in the proxy are certain, the Shares represented by the proxy will be voted or withheld from voting in accordance with the instructions given in the proxy. If the Shareholder specifies a choice in the proxy with respect to a matter to be acted upon, then the Shares represented will be voted or withheld from the vote on that matter accordingly. **The Shares represented by a proxy will be voted or withheld from voting in accordance with the instructions of the Shareholder on any ballot that may be called for and if the Shareholder specifies a choice with respect to any matter to be acted upon, the Shares will be voted accordingly.**

**IF NO CHOICE IS SPECIFIED IN THE PROXY WITH RESPECT TO A MATTER TO BE ACTED UPON, THE PROXY CONFERS DISCRETIONARY AUTHORITY WITH RESPECT TO THAT MATTER UPON THE DESIGNATED PERSONS NAMED IN THE FORM OF PROXY. IT IS INTENDED THAT THE DESIGNATED PERSONS WILL VOTE THE SHARES REPRESENTED BY THE PROXY IN FAVOUR OF EACH MATTER IDENTIFIED IN THE PROXY AND FOR THE NOMINEES OF THE BOARD FOR DIRECTORS AND AUDITOR.**

The enclosed form of proxy confers discretionary authority upon the Designated Persons with respect to other matters which may properly come before the Meeting, including any amendments or variations to any matters identified in the Notice, and with respect to other matters which may properly come before the Meeting. At the date of this Circular, management of AAD is not aware of any such amendments, variations, or other matters to come before the Meeting.

In the case of abstentions from, or withholding of, the voting of the Shares on any matter, the Shares that are the subject of the abstention or withholding will be counted for determination of a quorum, but will not be counted as affirmative or negative on the matter to be voted upon.

## **ADVICE TO BENEFICIAL SHAREHOLDERS**

**The information set out in this section is of significant importance to those Shareholders who do not hold shares in their own name. Beneficial Shareholders who do not hold their shares in their own name should note that only proxies deposited by Shareholders whose names appear on the records of the Company as the registered holders of Shares can be recognized and acted upon at the Meeting.**

If Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Shares will not be registered in the Shareholder's name on the records of the Company. Such Shares will more likely be registered under the names of the Shareholder's broker or an agent of that broker. In the United States, the vast majority of such Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian

brokerage firms). **Beneficial Shareholders should ensure that instructions respecting the voting of their Shares are communicated to the appropriate person well in advance of the Meeting.**

The Company does not have access to names of Beneficial Shareholders. Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of Shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Shares are voted at the Meeting. The form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is similar to the Form of Proxy provided to Registered Shareholders by AAD. However, its purpose is limited to instructing the Registered Shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**") in the United States and in Canada. Broadridge typically prepares a special voting instruction form, mails this form to the Beneficial Shareholders and asks for appropriate instructions regarding the voting of Shares to be voted at the Meeting. Beneficial Shareholders are requested to complete and return the voting instructions to Broadridge by mail or facsimile. Alternatively, Beneficial Shareholders can call a toll-free number and access Broadridge's dedicated voting website (each as noted on the voting instruction form) to deliver their voting instructions and to vote the Shares held by them. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting. **A Beneficial Shareholder receiving a Broadridge voting instruction form cannot use that form as a proxy to vote Shares directly at the Meeting – the voting instruction form must be returned to Broadridge well in advance of the Meeting in order to have its Shares voted at the Meeting.**

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Shares registered in the name of his broker (or agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxyholder for a Registered Shareholder and vote the Shares in that capacity. Beneficial Shareholders who wish to attend at the Meeting and indirectly vote their Shares as proxyholder for the Registered Shareholder should enter their own names in the blank space on the instrument of proxy provided to them and return the proxy well in advance of the Meeting to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent).

Alternatively, a Beneficial Shareholder may request in writing that his, her or its broker send to the Beneficial Shareholder a legal proxy which would enable the Beneficial Shareholder to attend the Meeting and vote his, her or its Shares.

The Board proposes to adopt an updated stock option plan (the “**Replacement Stock Option Plan**”) dated as of June 1, 2022 that replaces the stock option plan that was adopted by the shareholders as at December 1, 2020. The purpose of the Stock Option Plan is to advance the interests of the Corporation and its shareholders and subsidiaries by attracting, retaining and motivating the performance of selected directors, officers, employees or consultants of the Corporation of high caliber and potential and to encourage and enable such persons to acquire and retain a proprietary interest in the Corporation by ownership of its stock. The Stock Option Plan provides that, subject to the requirements of the Exchange, the aggregate number of securities reserved for issuance, set aside and made available for issuance under the Stock Option Plan may not exceed 10% of the issued and outstanding shares of the Corporation at the time of granting of options. Furthermore, the aggregate number of shares that may be issued pursuant to the exercise of stock options awarded under the Stock Option Plan and all other security-based compensation arrangements of the Corporation shall not exceed 10% of the issued and outstanding Shares at any given time.

The aggregate number of options granted under the Stock Option Plan in any 12 month period to any one person (including Associates and Affiliates), together with all other security based compensation arrangements of the Corporation, must not exceed 5% of the then issued and outstanding Common Shares of the Corporation on a non-diluted basis. No stock options may be granted by the Corporation to an investor relations service provider while the Corporation is a capital pool company.

The Stock Option Plan will be administered by the board of directors of the Corporation or by a special committee of directors which will have full and final authority with respect to the granting of all options thereunder. Options may be granted under the Stock Option Plan to such directors, officers, employees or consultants of the Corporation or its subsidiaries, if any, as the board of directors may, from time to time, designate. Options may also be granted to employees of management companies providing management services to the Corporation. The exercise price of any options granted under the Stock Option Plan shall be determined by the board of directors, subject to the approval of

the Exchange if necessary but in no event may this exercise price be lower than the exercise price permitted by the Exchange.

The term of any options granted under the Stock Option Plan shall be determined by the board of directors at the time of grant, subject to earlier termination in the event of dismissal for cause, termination other than for cause, or in the event of death. The term of any options granted under the Stock Option Plan may not exceed ten (10) years.

If desired by the board of directors, options granted under the Stock Option Plan may be subject to vesting. Options granted under the Stock Option Plan are not to be transferable or assignable other than as a consequence of the death of the holder. Subject to certain exceptions, in the event that a director, officer, consultant, or employee of the Corporation ceases to hold office or ceases to be a management company employee, options granted to such individual under the Stock Option Plan will expire 90 days after such individual ceases to hold office or such longer period as determined by the board of directors of the Corporation. In the event of death of an option holder, options granted under the Stock Option Plan expire one year from the date of the death of the option holder.

Should the expiry date of an option fall within a period during which the relevant participant is prohibited from exercising an option due to trading restrictions imposed by the Corporation pursuant to any policy of the Corporation respecting restrictions on trading that is in effect at that time (the "**Black Out Period**") or within nine (9) business days following the expiration of a Black Out Period, such expiry date of the option shall be automatically extended without any further act or formality to that date which is the tenth (10th) business day after the end of the Black Out Period, such tenth (10th) business day to be considered the expiry date for such option for all purposes under the Plan. The ten (10) business day period may not be extended by the Corporation's board of directors.

It is in order for the shareholders to approve the Stock Option Plan. The text of the Stock Option Plan resolution to be considered at the Meeting will be substantially as follows:

Except as noted below, there were no agreements or arrangement containing provisions with respect to change of control, severance, termination or constructive dismissal.

**Oversight and Description of Named Executive Officers and Director Compensation**

The Board is responsible for determining, by way of discussions at board meetings, the compensation to be paid to the Company's executive officers. AAD at this time does not have a formal compensation program with specific performance goals and is restricted from doing so pursuant to Exchange Policies. AAD presently has one NEO, Xiao Qin (Mary) Ma. Ms. Ma has served as CEO, CFO and as a Director since November 10, 2021. ## CORPORATE GOVERNANCE

Maintaining a high standard of corporate governance is a priority for the Board and the Company's management believes that effective corporate governance will help create and maintain shareholder value in the long term. A description of AAD's corporate governance practices, which addresses the matters set out in National Instrument 58-101 *Disclosure of Corporate Governance Practices*, is set out below.

### Board of Directors

The board of directors (the "**Board**") of the Corporation facilitates its exercise of independent supervision over the Corporation's management through meetings of the Board with two independent Board member currently, such members being able to raise any conflict concerns for discussion at Board meetings. No such concerns have arisen and the Board is restricted by Exchange Policies with respect to activities that could give rise to concerns. The Board reviews and will review its procedures on an ongoing basis to ensure it is functioning independently of management particularly following completion of a Qualifying Transaction. As circumstances require, the Board will meet without management present and convene meetings, as deemed necessary, of the independent directors, at which meetings non-independent directors and members of management are not in attendance. When conflicts arise, interested parties are precluded from voting on matters in which they may have an interest.

Xiao Qin (Mary) Ma is the CEO and the CFO of the Corporation and is therefore not independent. Michael Woods is the Corporate Secretary and carries out a policy making function and is therefore not independent.

Joanne Yan and Jackie Cheung are "independent" in that they are free from any interest and any business or other relationship which could, or could reasonably be perceived to, materially interfere with the director's ability to act with the best interests of the Corporation, other than the interests and relationships arising from shareholdings.

### Directorships

The current directors of the Company, who are also each nominated for election as directors of AAD at the Meeting, serve as a director or officer of one or more other reporting issuers as at the date of this Notice of Meeting and Circular as listed below. However, our directors are required by law to act honestly and in good faith with a view to our best interests and to disclose any interests which they may have in any of our projects or opportunities. If a conflict of interest arises at a meeting of the Board, any director in a conflict will disclose his interest and abstain from voting on such matter. In determining whether or not we will participate in any project or opportunity, that director will primarily consider the degree of risk to which we may be exposed and our financial position at that time.

The directors of the Corporation are currently directors of the following other reporting issuers:

Name of Director	Name of Reporting Issuer
Joanne Yan	Hanwei Energy Services Corp. ElectraMeccanica Vehicles Corp. OOOOO Entertainment Commerce Limited
Xiao Qin (Mary) Ma	Hanwei Energy Services Corp.

To the best of our knowledge, there are no known existing or potential conflicts of interest among us and our promoters, directors, officers or other members of management as a result of their outside business interests except that certain of the directors, officers, promoters and other members of management serve as directors, officers, promoters and members of management of other public companies, and therefore it is possible that a conflict may arise between their duties as a director, officer, promoter or member of management of such other companies.

#### **Orientation and Continuing Education**

The Board briefs all new directors with respect to the policies of the Board and other relevant corporate and business information. The Board does not provide any continuing education, but does encourage directors to individually and as a group keep themselves informed on changing corporate governance and legal issues. Directors are individually responsible for updating their skills as required to meet their obligations as directors. In addition, the Board undertakes strategic planning sessions with management.

#### **Ethical Business Conduct**

The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law of Canada and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of AAD.

#### **Nomination of Directors**

The Board is responsible for identifying individuals qualified to become new Board members and recommending to the Board new director nominees for the next annual meeting of Shareholders.

New nominees must have a track record in general business management, special expertise in an area of strategic interest to AAD, the ability to devote the required time, show support for the Company's mission and strategic objectives, and a willingness to serve.

#### **Compensation**

The Board conducts reviews with regard to the compensation of the directors and senior officers once a year. To make its recommendations on such compensation, the Board informally takes into account the types of compensation and the amounts paid to directors and officers of comparable publicly traded Canadian companies.

At present, no compensation is paid to the directors of the Company in their capacity as directors. The Board does not currently have a compensation committee.

#### **Other Board Committees**

The Board has no other committees other than the Audit Committee.

#### **Assessments**

The Board regularly monitors the adequacy of information given to directors, communications between the Board and management and the strategic direction and processes of the Board and its committees. The Board is currently responsible for assessing its own effectiveness, the effectiveness of individual directors and the effectiveness of the Audit Committee.

## **INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON**

Except as disclosed elsewhere in this Circular, no director or executive officer of the Company who was a director or executive officer since the beginning of the Company's last financial year, each proposed nominee for election as a director of AAD, or any associate or affiliates of any such directors, officers or nominees, has any material interest, direct or indirect, by way of beneficial ownership of Shares or other securities in AAD or otherwise, in any matter to be acted upon at the Meeting other than the election of directors.
