Attention: Mr. Harry Katevatis, President and CEO

Dear Sir:

The parties entered into an agency agreement dated March 31, 2022 (the "**March Agency Agreement**") and the parties which to replace the March Agency Agreement in its entirety with this Agreement.

The undersigned, Canaccord Genuity Corp. (the "**Agent**") hereby agrees to offer for purchase and sale on a commercially reasonable efforts basis and Colossus Resources Corp. (the "**Corporation**") upon and subject to the terms hereof, agrees to issue and sell through the Agent, up to 4,000,000 units (the "**Offered Units**") of the Corporation at the purchase price of \$0.25 per Unit (the "**Issue Price**") for gross proceeds of \$1,000,000, upon and subject to the terms and conditions contained herein. Each Offered Unit will be comprised of one common share (each, an "**Units**") in the capital of the Corporation and one-half of one common share purchase warrant (each whole such warrant, an "**Offered Warrant**"). Each whole Offered Warrant is exercisable to acquire one additional common share (an "**Offered Warrant Share**") for a period of 24 months from the date of issue at an exercise price of \$0.40 per Offered Warrant Share.

In addition, the Corporation hereby grants to the Agent an option (the "**Over-Allotment Option**") to acquire additional units of the Corporation (the "**Over-Allotment Units**", together with the Offered Units, the "**Units**") of up to 15% of the number of Units sold at the Issue Price, upon the terms and conditions set forth herein for the purpose of covering over-allotments made in connection with the Offering (as hereinafter defined) and for market stabilization purposes. Each Over-Allotment Unit will be comprised of one common share (each, an "**Over-Allotment Share**", together with the Units, the "**Shares**") in the capital of the Corporation and one-half of one common share purchase warrant (each whole such warrant, an "**Over-Allotment Warrant**", together with the Offered Warrants, the "**Warrants**"). Each whole Over-Allotment Warrant is exercisable to acquire one additional common share (an "**Over-Allotment Warrant Share**", together with the Offered Warrant Share, the "**Warrant Shares**") for a period of 24 months from the date of issue at an exercise price of \$0.40 per Over-Allotment Warrant Share. The Agent shall be under no obligation whatsoever to exercise the Over-Allotment Option in whole or in part. If the Agent elects to exercise such Over-Allotment Option, the Agent shall notify the Corporation in writing not later than 30 days from the Closing Date, which notice shall specify (i) the aggregate number of Over-Allotment Units to be acquired; and (ii) the date (the "**Option Closing Date**") on which the Over-Allotment Units are to be distributed, provided that such closing date may be the same as the Closing Date (as hereinafter defined).

The Closing (as defined herein) of the Offering is subject to aggregate gross proceeds from the Offering being a minimum of \$750,000 or the sale of 3,000,000 Offered Units (the "**Minimum Offering**"). All funds received by the Agent for subscriptions will be held in trust by the Agent until the Minimum Offering has been obtained or will be returned to the purchasers without

interest or deduction if the Minimum Offering is not obtained within the period required to complete the Offering pursuant to Securities Laws unless the purchasers have otherwise instructed the Agent.

The offering of the Units by the Corporation is hereinafter referred to as the “**Offering**”. The net proceeds of the Offering to the Corporation shall be used by the Corporation substantially in accordance with the disclosure set out under “Use of Proceeds” in the Amended and Restated Final Prospectus (as hereinafter defined), subject to the qualifications set out therein. Any reference in this Agreement to “the purchasers” shall be taken to be a reference to purchasers of Units.

The Agent understands that the Corporation has prepared and, concurrently with or immediately after the execution hereof, will file a Final Prospectus (as defined herein) and all necessary documents relating thereto and will take all additional steps to qualify the Units for distribution in the Qualifying Jurisdictions (as defined herein). The Agent intends to make a public offering of the Units in the Qualifying Jurisdictions upon the terms set forth herein and in the Prospectus. The Corporation acknowledges and agrees that the Agent may offer and sell the Units to or through any affiliate of the Agent and that such affiliate may offer and sell the Units to or through the Agent. The Agent shall be entitled to appoint a soliciting dealer group consisting of other registered dealers acceptable to the Corporation, acting reasonably, for the purposes of arranging for purchasers of the Units and the Agent shall be entitled to determine the remuneration payable by the Agent to such other dealers appointed by them.

In consideration of the Agent’s services to be rendered in connection with the Offering, the Corporation shall: (a) pay to the Agent, at the Closing (as hereinafter defined), a corporate finance fee of \$30,000 (the “**Corporate Finance Fee**”); (b) pay to the Agent at the Closing a cash commission (the “**Commission**”) equal to 8.0% of the gross proceeds realized by the Corporation in respect of the sale of the Units; and (c) issue to the Agent at the Closing, that number of non-transferable common share purchase warrants (the “**Agent’s Warrants**”) equal to 8.0% of the number of Units issued under the Offering. Each Agent’s Warrant will entitle the Agent to acquire one previously unissued common share in the capital of the Company (an “**Agent’s Warrant Share**”) at an exercise price of \$0.25 for a period of 24 months from the date the Corporation’s common shares are listed on the Exchange.

- (b) The Corporation will comply with Section 6.5(1) of NI 41-101, and the Corporation will prepare and file promptly any Supplementary Material which may be necessary and will otherwise comply with all legal requirements necessary to continue to qualify the Units for distribution in each of the Qualifying Jurisdictions.

- (g) the Shares, the Warrant Shares and the Agent's Warrant Shares shall have been approved for listing on the Exchange, subject only to the official notices of issuance and fulfilment of the Standard Listing Conditions;
- (h) the Agent and its counsel shall have been provided with information and documentation, reasonably requested relating to their due diligence inquiries and investigations and shall not have identified any material adverse changes or misrepresentations or any items materially adversely affecting the Corporation's affairs which exist as of the date hereof but which have not been disseminated to the public in accordance with applicable Securities Laws;
- (i) the Agent shall have received a certificate of good standing in respect of the Corporation dated the day prior to the Closing Date;

- (k) the Agent shall have received a certificate from the Transfer Agent as to the number of Common Shares issued and outstanding as at a date no more than two Business Days prior to the Closing Date.

12. Restrictions on Further Issues or Sales. The Corporation hereby agrees not to, directly or indirectly, issue, sell or grant or agree to announce any intention to issue, sell or grant, any additional equity or quasi-equity securities for a period of 120 days after the closing of the Offering without the prior written consent of the Agent, such consent not to be unreasonably withheld, except in conjunction with:

- (b) outstanding warrants;
- (c) obligations in respect of existing mineral property agreements;
- (d) the issuance of securities in connection with property or share acquisitions in the normal course of business.

13. Closing of Over-Allotment Option. The Agent's obligation to complete the exercise of the Over-Allotment Option on the Option Closing Date (in the event that the Option Closing Date

is a date other than the Closing Date) shall be subject to the accuracy of the representations and warranties of the Corporation contained in this Agreement as of the Option Closing Date and the performance by the Corporation of its obligations under this Agreement. The Corporation agrees to fulfill or cause to be fulfilled the following conditions (it being understood that the Agent may waive in whole or in part or extend the time for compliance with any of such terms and conditions without prejudice to its rights in respect of any other of the following terms and conditions or any other or subsequent breach or non-compliance, provided that to be binding on the Agent any such waiver or extension must be in writing):

- (a) the Agent shall have received a certificate in the form set out in subsection 11(d) dated as of the Option Closing Date; and
- (b) the Agent shall have received such other certificates, agreements, materials or documents as they may reasonably request.

14. All Terms to be Conditions. The Corporation agrees that the conditions contained in paragraph 11 will be complied with insofar as the same relate to acts to be performed or caused to be performed by the Corporation and that it will use its commercially reasonable efforts to cause all such conditions to be complied with. Any breach or failure to comply with any of the conditions set out in paragraph 11 shall entitle the Agent to terminate its obligations under this Agreement, by written notice to that effect given to the Corporation at or prior to the Closing Time. It is understood that the Agent may waive, in whole or in part, or extend the time for compliance with, any of such terms and conditions without prejudice to the rights of the Agent in respect of any such terms and conditions or any other or subsequent breach or non-compliance, provided that to be binding on the Agent any such waiver or extension must be in writing.

15. Termination Events. In addition to any other remedies which may be available to the Agent, the Agent may terminate its obligations under this Agreement by delivering written notice to that effect to the Corporation at or prior to the Closing Time, if:

- (a) the Agent is not satisfied, in its sole discretion, with the results of its due diligence review and investigations;
- (b) there shall occur or come into effect any material change in the business, affairs or financial condition or financial prospects of the Corporation, or any change in any material fact, or there should be discovered any previously undisclosed fact which, in the opinion of the Agent, has or would be expected to have a significant adverse effect on the market price or value or marketability of the Units;
- (c) any inquiry, action, suit, investigation or other proceeding (whether formal or informal) is commenced, announced or threatened or any order is made or issued under or pursuant to any federal, provincial, state, municipal or other governmental department, commission, board, bureau, agency or instrumentality including, without limitation, the Exchange or any securities regulatory authority, or there is any change of law, rule or regulation, or the interpretation or administration thereof, which in the opinion of the Agent, operates to prevent, restrict or otherwise materially adversely affect the distribution or trading of the Units or any other securities of the Corporation;

- (d) there should develop, occur or come into effect or existence any event, action, state, condition or any action, law or regulation, inquiry, including without limitation, terrorism, accident or major financial political or economic occurrence of national or international consequence, or any action, government law, regulation, inquiry or other occurrence of any nature which in the opinion of the Agent materially adversely affects, or will, or would reasonably be expected to, materially adversely affect, the financial markets or the business, operations or affairs of the Corporation or the marketability of the Units;
- (e) any order to cease trading (including communicating with persons in order to obtain expressions of interest) in the securities of the Corporation is made by a competent regulatory authority and that order is still in effect;
- (f) the state of the markets is such that in the opinion of the Agent, the Units cannot be marketed profitably;
- (g) the Agent determines that the Corporation is in breach of a material term, condition or covenant of this Agreement;
- (h) any order shall have been made or threatened to cease, halt or suspend trading or to otherwise prohibit or restrict in any manner the distribution of the Units or trading of the Shares and Warrant Shares, or proceedings are announced or commenced for the making of any such order by any securities regulatory authority or similar regulatory or judicial authority or the Exchange;
- (i) the Agent determines that any of the representations or warranties made by the Corporation in this Agreement is false in any material respect or has become false; or
- (j) the Agent and the Corporation agree in writing to terminate this Agreement.

16. Exercise of Termination Right. If this Agreement is terminated by the Agent pursuant to paragraph 15, there shall be no further liability to the Corporation on the part of the Agent or of the Corporation to the Agent, except in respect of any liability which may have arisen or may thereafter arise under paragraphs 17 and 21. The right of the Agent to terminate its respective obligations under this Agreement is in addition to such other remedies as it may have in respect of any default, act or failure to act of the Corporation in respect of any of the matters contemplated by this Agreement.

17. Survival of Representations and Warranties. The representations, warranties, covenants and indemnities of the Corporation and the Agent contained in this Agreement will survive the Closing.

18. Indemnity. The Corporation and its affiliated companies, as the case may be (collectively, the “**Indemnitor**”), hereby agrees to indemnify and hold the Agent, and its affiliates, and each of their directors, officers, employees and agents (hereinafter referred to as the “**Personnel**”) harmless from and against any and all expenses, losses (other than loss of profits), fees, claims, actions (including shareholder actions, derivative actions or otherwise), damages, obligations, or liabilities, whether joint or several, and the reasonable fees and

expenses of their counsel, that may be incurred in advising with respect to and/or defending any actual or threatened claims, actions, suits, investigations or proceedings to which the Agent and/or its Personnel may become subject or otherwise involved in any capacity under any statute or common law, or otherwise insofar as such expenses, losses, claims, damages, liabilities or actions arise out of or are based, directly or indirectly, upon the performance of professional services rendered to the Indemnitor by the Agent and its Personnel hereunder, or otherwise in connection with the matters referred to in the attached letter of agreement (including the aggregate amount paid in reasonable settlement of any such actions, suits, investigations, proceedings or claims that may be made against the Agent and/or its Personnel, provided that the Indemnitor has agreed to such settlement), provided, however, that this indemnity shall not apply to the extent that a court of competent jurisdiction in a final judgment that has become non appealable shall determine that:

- (a) the Agent and/or its Personnel have been grossly negligent or have committed wilful misconduct or any fraudulent act in the course of such performance; and
- (b) the expenses, losses, claims, damages or liabilities, as to which indemnification is claimed, were directly caused by the gross negligence, wilful misconduct or fraud referred to in (a), above.

Without limiting the generality of the foregoing, this indemnity shall apply to all expenses (including legal expenses), losses, claims and liabilities that the Agent may incur as a result of any action or litigation that may be threatened or brought against the Agent.

If for any reason (other than the occurrence of any of the events itemized in (a) and (b), above), the foregoing indemnification is unavailable to the Agent or any Personnel or insufficient to hold the Agent or any Personnel harmless, then the Indemnitor shall contribute to the amount paid or payable by the Agent or any Personnel as a result of such expense, loss, claim, damage or liability in such proportion as is appropriate to reflect not only the relative benefits received by the Indemnitor on the one hand and the Agent or any Personnel on the other hand but also the relative fault of the Indemnitor and the Agent or any Personnel, as well as any relevant equitable considerations; provided that the Indemnitor shall in any event contribute to the amount paid or payable by the Agent or any Personnel as a result of such expense, loss, claim, damage or liability and any excess of such amount over the amount of the fees received by the Agent hereunder.

The Indemnitor agrees that in case any legal proceeding shall be brought against the Indemnitor and/or the Agent by any governmental commission or regulatory authority or any stock exchange or other entity having regulatory authority, either domestic or foreign, or shall investigate the Indemnitor and/or the Agent, and/or any Personnel of the Agent shall be required to testify in connection therewith or shall be required to respond to procedures designed to discover information regarding, in connection with, or by reason of the performance of professional services rendered to the Indemnitor by the Agent, the Agent shall have the right to employ its own counsel in connection therewith provided the Agent acts reasonably in selecting such counsel, and the reasonable fees and expenses of such counsel as well as the reasonable costs (including an amount to reimburse the Agent for time spent by the Agent's Personnel in connection therewith) and out-of-pocket expenses incurred by their Personnel in connection therewith shall be paid by the Indemnitor as they occur.

Promptly after receipt of notice of the commencement of any legal proceeding against the Agent or any of the Agent's Personnel or after receipt of notice of the commencement or any investigation, which is based, directly or indirectly, upon any matter in respect of which indemnification may be sought from the Indemnitor, the Agent will notify the Indemnitor in writing of the commencement thereof and, throughout the course thereof, will provide copies of all relevant documentation to the Indemnitor, will keep the Indemnitor advised of the progress thereof and will discuss with the Indemnitor all significant actions proposed. However, the failure by the Agent to notify the Indemnitor will not relieve the Indemnitor of its obligations to indemnify the Agent and/or any Personnel. The Indemnitor shall, on behalf of itself and the Agent and/or any Personnel, as applicable, be entitled to (but not required) to assume the defence of any suit brought to enforce such legal proceeding; provided, however, that the defence shall be conducted through legal counsel acceptable to the Agent and/or any Personnel, as applicable, acting reasonably, that no settlement of any such legal proceeding may be made by the Indemnitor without the prior written consent of the Agent and/or any Personnel, as applicable, and none of the Agent and/or any Personnel, as applicable, shall be liable for any settlement of any such legal proceeding unless it has consented in writing to such settlement, such consent not to be unreasonably withheld. The Agent and its Personnel shall have the right to appoint its or their own separate counsel at the Indemnitor's cost provided the Agent acts reasonably in selecting such counsel.

19. Assignment and Selling Group Participation.

- (a) The Agent will not assign this Agreement or any of its rights under this Agreement or, with respect to the Securities, enter into any agreement in the nature of an option or a sub-option unless and until, for each intended transaction, the Agent has obtained the consent of the Corporation and notice has been given to and accepted by the Regulatory Authorities.
- (b) The Agent may offer selling group participation in the normal course of the brokerage business to selling groups of other licensed dealers, brokers and investments dealers, who may or who may not be offered part of the commissions or warrants to be received by the Agent pursuant to this Agreement.

20. Right of First Refusal.

- (a) The Issuer will notify the Agent of the terms of any further brokered equity financing that it requires or proposes to obtain for a period of one year from the Closing Date and the Agent will have the right of first refusal to provide any such brokered financing.
- (b) The right of first refusal must be exercised by the Agent within 15 days following the receipt of the notice by notifying the Issuer that it will provide such financing on the terms set out in the notice.
- (c) If the Agent fails to give notice within the 15 days that it will provide such financing upon the terms set out in the notice, the Issuer will then be free to make other arrangements to obtain financing from another source on the same terms or on terms no less favourable to the Issuer, subject to obtaining the acceptance of the Regulatory Authorities.

- (d) The right of first refusal will not terminate if, on receipt of any notice from the Issuer under this Section, the Agent fails to exercise the right.

21. Expenses. The Corporation shall pay all reasonable expenses and fees in connection with the Offering contemplated by this Agreement, including, without limitation, expenses of or incidental to the issue, sale or distribution of the Units and the filing of the Offering Documents and expenses of or incidental to all other matters in connection with the transaction set out in this Agreement, including, without limitation, the fees and expenses payable in connection with the distribution of the Units, the fees and expenses of the Corporation's counsel and of local counsel to the Corporation, the fees and expenses of the auditors and the transfer agent for the Common Shares, all costs incurred in connection with the preparation and printing of the Offering Documents and certificates representing the Shares, Warrants and Agent's Warrants, the miscellaneous fees and expenses of the Agent and the reasonable fees and disbursements of the Agent's counsel, whether or not the Offering is completed. All fees and expenses incurred by the Agent or on its behalf shall be payable by the Corporation immediately upon receiving an invoice therefor from the Agent and shall be payable whether or not the Offering is completed. At the option of the Agent, such fees and expenses may be deducted from the gross proceeds of the Offering otherwise payable to the Corporation at Closing.

22. Advertisements. The Corporation agrees, if so requested by the agent, to include a reference to the Agent and their role in any press release or other public communication issued by the Corporation with respect to the Offering unless restricted by applicable law. Any press release issued by the Corporation after execution of the Letter Agreement in respect of the Offering shall be issued only after consultation with the Agent and in compliance with applicable law and policies of the securities regulatory authorities in the Selling Jurisdictions. The Corporation acknowledges that the Agent shall have the right, subject always to subparagraphs 3(a) and (c) of this Agreement, at its own expense, to place such advertisement or advertisements relating to the sale of the Units contemplated herein as the Agent may consider desirable or appropriate and as may be permitted by applicable law. The Corporation and the Agent each agree that they will not make or publish any advertisement in any media whatsoever relating to, or otherwise publicize, the transaction provided for herein so as to result in any exemption from the prospectus and registration or other similar requirements under applicable securities legislation in any of the provinces of Canada or any other jurisdiction in which the Units shall be offered and sold being unavailable in respect of the sale of the Units to prospective purchasers.
