**Date and Currency**

The date of this Information Circular is November 9, 2022. Unless otherwise stated, all amounts herein are in Canadian dollars.

**COVID-19**

In view of the COVID-19 outbreak, the Company will not be providing a physical location for Shareholders to attend the Meeting in person. As always, the Company encourages Shareholders to vote prior to the Meeting. Shareholders are encouraged to vote on the matters before the Meeting by proxy and to join the Meeting by teleconference. **PROXIES AND VOTING RIGHTS**

**Management Solicitation**

The solicitation of proxies by management of the Company will be conducted by mail and may be supplemented by telephone or other personal contact to be made without special compensation to any of the directors, officers and employees of the Company. The Company does not reimburse Shareholders, nominees or agents for costs incurred in obtaining from their principals authorization to execute forms of proxy, except that the Company has requested brokers and nominees who hold stock in their respective names to furnish this proxy material to their customers who are NOBOs (as defined below), and the Company will reimburse such brokers and nominees for their related out of pocket expenses. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Company.

No person has been authorized to give any information or to make any representation other than as contained in this Information Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by the Company. The delivery of this Information Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Information Circular. This Information Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in

which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

### **Appointment of Proxy**

Registered Shareholders are entitled to vote at the Meeting. A Shareholder is entitled to one vote for each Share that such Shareholder holds on the record date of November 2, 2022 on the resolutions to be voted upon at the Meeting, and any other matter to come before the Meeting.

The persons named as proxyholders (the “**Designated Persons**”) in the enclosed form of proxy are directors and/or officers of the Company.

**A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON OR COMPANY (WHO NEED NOT BE A SHAREHOLDER) OTHER THAN THE DESIGNATED PERSONS NAMED IN THE ENCLOSED FORM OF PROXY TO ATTEND AND ACT FOR OR ON BEHALF OF THAT SHAREHOLDER AT THE MEETING.**

**A SHAREHOLDER MAY EXERCISE THIS RIGHT BY INSERTING THE NAME OF SUCH OTHER PERSON IN THE BLANK SPACE PROVIDED ON THE FORM OF PROXY. SUCH SHAREHOLDER SHOULD NOTIFY THE NOMINEE OF THE APPOINTMENT, OBTAIN THE NOMINEE’S CONSENT TO ACT AS PROXY AND SHOULD PROVIDE INSTRUCTION TO THE NOMINEE ON HOW THE SHAREHOLDER’S SHARES SHOULD BE VOTED. THE NOMINEE SHOULD BRING PERSONAL IDENTIFICATION TO THE MEETING.**

The Shareholder may vote by mail, by telephone or via the Internet by following instructions provided in the form of proxy at least 48 hours (excluding Saturdays, Sundays and holidays recognized in the Province of British Columbia) prior to the scheduled time of the Meeting, or any adjournment or postponement thereof. The Chairman of the Meeting, in his sole discretion, may accept completed forms of proxy on the day of the Meeting or any adjournment or postponement thereof.

A proxy may not be valid unless it is dated and signed by the Shareholder who is giving it or by that Shareholder’s attorney-in-fact duly authorized by that Shareholder in writing or, in the case of a corporation, dated and executed by a duly authorized officer or attorney-in-fact for the corporation. If a form of proxy is executed by an attorney-in-fact for an individual Shareholder or joint Shareholders, or by an officer or attorney-in-fact for a corporate Shareholder, the instrument so empowering the officer or attorney-in-fact, as the case may be, or a notarially certified copy thereof, must accompany the form of proxy.

### **Revocation of Proxies**

A Shareholder who has given a proxy may revoke it at anytime before it is exercised by an instrument in writing: (a) executed by that Shareholder or by that Shareholder’s attorney-in-fact authorized in writing or, where the Shareholder is a corporation, by a duly authorized officer of, or attorney-in-fact for, the corporation; and (b) delivered either: (i) to the Company at the address set forth above, at any time up to and including the last business day preceding the day of the Meeting or, if adjourned or postponed, any reconvening thereof, (ii) to the Chairman of the Meeting prior to the vote on matters covered by the proxy on the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (iii) in any other manner provided by law.

Also, a proxy will automatically be revoked by either: (i) attendance at the Meeting and participation in a poll (ballot) by a Shareholder, or (ii) submission of a subsequent proxy in accordance with the foregoing

procedures. A revocation of a proxy does not affect any matter on which a vote has been taken prior to any such revocation.

### **Voting of Shares and Proxies and Exercise of Discretion by Designated Persons**

A Shareholder may indicate the manner in which the Designated Persons are to vote with respect to a matter to be voted upon at the Meeting by marking the appropriate space on the proxy. **The Shares represented by a proxy will be voted or withheld from voting in accordance with the instructions of the Shareholder on any ballot that may be called for and if the Shareholder specifies a choice with respect to any matter to be acted upon, the Shares will be voted accordingly.**

**IF NO CHOICE IS SPECIFIED IN THE PROXY WITH RESPECT TO A MATTER TO BE ACTED UPON, THE PROXY CONFERS DISCRETIONARY AUTHORITY WITH RESPECT TO THAT MATTER UPON THE DESIGNATED PERSONS NAMED IN THE FORM OF PROXY. IT IS INTENDED THAT THE DESIGNATED PERSONS WILL VOTE THE SHARES REPRESENTED BY THE PROXY IN FAVOUR OF EACH MATTER IDENTIFIED IN THE PROXY.**

The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to other matters which may properly come before the Meeting, including any amendments or variations to any matters identified in the Notice. At the date of this Information Circular, management of the Company is not aware of any such amendments, variations or other matters to come before the Meeting.

In the case of abstentions from, or withholding of, the voting of the Shares of a Shareholder on any matter, the Shares that are the subject of the abstention or withholding will be counted for determination of a quorum, but will not be counted as affirmative or negative on the matter to be voted upon.

### **ADVICE TO BENEFICIAL SHAREHOLDERS**

**The information set out in this section is of significant importance to those Shareholders who do not hold Shares in their own name. Shareholders who do not hold their Shares in their own name (referred to in this Information Circular as "Beneficial Shareholders") should note that only proxies deposited by Shareholders whose names appear on the records of the Company as the registered holders of Shares can be recognized and acted upon at the Meeting.** If Shares are listed in an account statement provided by a broker, then in almost all cases those Shares will not be registered in the Beneficial Shareholder's name on the records of the Company. Such Shares will more likely be registered under the names of the Beneficial Shareholder's broker or an agent of that broker. In the United States, the vast majority of such Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms). **Beneficial Shareholders should ensure that instructions respecting the voting of their Shares are communicated to the appropriate person well in advance of the Meeting.**

The Company does not have access to names of all of Beneficial Shareholders. Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of Shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Shares are voted at the Meeting. The form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is similar to the form of proxy provided to registered Shareholders by the Company. However, its purpose is limited to instructing the registered Shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge

Financial Solutions, Inc. (“**Broadridge**”) in the United States and in Canada. Broadridge typically prepares a special voting instruction form, mails this form to the Beneficial Shareholders and asks for appropriate instructions regarding the voting of Shares to be voted at the Meeting. If Beneficial Shareholders receive the voting instruction forms from Broadridge, they are requested to complete and return the voting instruction forms to Broadridge by mail or facsimile. Alternatively, Beneficial Shareholders can call a toll-free number and access Broadridge’s dedicated voting website (each as noted on the voting instruction form) to deliver their voting instructions and to vote the Shares held by them. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Shares to be represented at the Meeting. **A Beneficial Shareholder receiving a Broadridge voting instruction form cannot use that form as a proxy to vote Shares directly at the Meeting – the voting instruction form must be returned to Broadridge well in advance of the Meeting in order to have the applicable Shares voted at the Meeting.**

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Shares registered in the name of his, her or its broker (or agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxyholder for the registered Shareholder and vote the Shares in that capacity. Beneficial Shareholders who wish to attend at the Meeting and indirectly vote their Shares as proxyholder for the registered Shareholder should enter their own names in the blank space on the instrument of proxy provided to them and return the same to their broker (or the broker’s agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

Alternatively, a Beneficial Shareholder may request in writing that his, her or its broker send to the Beneficial Shareholder a legal proxy which would enable the Beneficial Shareholder to attend at the Meeting and vote his, her or its Shares.

Beneficial Shareholders consist of non-objecting beneficial owners and objecting beneficial owners. A non-objecting beneficial owner is a beneficial owner of securities that has provided instructions to an intermediary holding the securities in an account on behalf of the beneficial owner that the beneficial owner does not object, for that account, to the intermediary disclosing ownership information about the beneficial owner under National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer* of the Canadian Securities Administrators. An objecting beneficial owner means a beneficial owner of securities that has provided instructions to an intermediary holding the securities in an account on behalf of the beneficial owner that the beneficial owner objects, for that account, to the intermediary disclosing ownership information about the beneficial owner under National Instrument 54-101.

The Company is sending proxy-related materials directly to non-objecting beneficial owners of the Shares. The Company will not pay for the delivery of proxy-related materials to objecting beneficial owners of the Shares. The objecting beneficial owners of the Shares will not receive the materials unless their intermediary assumes the costs of delivery.

All references to Shareholders in this Information Circular are to registered Shareholders, unless specifically stated otherwise.

#### **VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES**

The Company is authorized to issue an unlimited number of Shares without par value. As of the record date, determined by the board of directors of the Company (the “**Board**”) to be the close of business on November 2, 2022, a total of 55,129,263 Shares were issued and outstanding. Each Share carries the right to one vote at the Meeting.

Only registered Shareholders as of the record date are entitled to receive notice of, and to attend and vote at, the Meeting or any adjournment or postponement of the Meeting.

To the knowledge of the directors and executive officers of the Company, no person or company beneficially owns, directly or indirectly, or exercises control or direction over, Shares carrying more than 10% of the voting rights attached to the outstanding Shares of the Company, other than as set forth below:

**Management recommends the approval of setting the number of directors of the Company at four (4).**

### **Stock Option Plans and Other Incentive Plans**

The Company's current stock option plan (the "**Plan**"), which it adopted in 2009, is a "rolling" stock option plan, whereby the aggregate number of Shares reserved for issuance, together with any other Shares reserved for issuance under any other plan or agreement of the Company, shall not exceed ten (10%) percent of the total number of issued Shares (calculated on a non-diluted basis) at the time an option is granted. The Plan provides that the Board may, from time to time, in its discretion, grant to directors, officers, employees, consultants and other personnel of the Company and its subsidiaries or affiliates, options to purchase Shares. As at November 2, 2022, there were 400,000 options outstanding

under the Plan. The Company's shareholders ratified the Plan at the Company's annual general and special meeting held on September 15, 2021.

The following information is intended as a brief description of the Plan and is qualified in its entirety by the full text of the Plan, which is attached as Schedule "A" to the Company's management information circular dated May 7, 2012, which was filed under the Company's profile on SEDAR on May 14, 2012 and is available at [www.sedar.com](http://www.sedar.com):

1. The number of Shares that may be the subject of options granted shall be determined by the Board, or if appointed, by a special committee of directors appointed from time to time by the Board, provided, at the time the options are granted, that:
  - (a) the number of Shares subject to outstanding options, in the aggregate, not exceed 10% of the Company's then issued and outstanding Shares;
  - (b) no more than 5% of the issued Shares of the Company may be granted to any one optionee in any 12 month period (unless the Company has obtained "disinterested" shareholder approval);
  - (c) no more than 2% of the issued Shares of the Company may be granted to any one consultant in any 12 month period; and
  - (d) no more than an aggregate of 2% of the issued Shares of the Company may be granted to persons employed to provide "investor relations activities" in any 12 month period.
2. The exercise price of the options cannot be set at less than the last closing price of the Company's Shares on the stock exchange on which the Shares of the Company are then listed before the date on which the options are granted by the Company, less the maximum allowable discount to market as may be permitted under the policies of such exchange, if any, or such other minimum exercise price as may be required by such exchange.
3. Options may be exercisable for a period of up to 10 years, as determined by the Board.
4. All options are non-assignable and non-transferable and, if granted at an exercise price less than market, will be legended with a four month Exchange hold period commencing on the date the stock options are granted.
5. Options shall be subject to such vesting requirements, if any, as may be determined by the Board from time to time, provided that options granted to consultants performing "investor relations activities" must vest in stages over 12 months with no more than 1/4 of the options vesting in any three month period.
6. Options can only be exercised by the applicable optionee and only so long as the optionee is a director, officer, employee or consultant of the Company, any of its subsidiaries, or within a reasonable period of time, not to exceed one year, after the optionee ceases to be in at least one of such positions to the extent that the optionee was entitled to exercise the options at the date of such cessation.
7. In the event of death of an optionee, the options previously granted to it shall be exercisable as to all or any of the Shares in respect of which such options had not previously been exercised at the date of the optionee's death (including in respect of the right to purchase Shares not otherwise vested at such time), by the legal representatives of the optionee at any time up to and including

(but not after) a date one year following the date of death of the optionee or the expiry time of the options, whichever occurs first.

8. Option agreements may provide that, in the event of the sale by the Company of all or substantially all of the property and assets of the Company or in the event of a take-over bid is made for the Shares of the Company, the optionees shall be entitled, for a stated period of time thereafter, to exercise and acquire all Shares under their options, including in respect of Shares available under the options that are not otherwise vested at that time.
9. Disinterested shareholder approval for any reduction in the exercise price of previously granted options shall be obtained prior to the exercise of such options if the optionee is an "insider" of the Company at the time of the proposed reduction.

The Plan provides that other terms and conditions may be attached to a particular stock option grant at the discretion of the Board.

### **Employment, Consulting and Management Agreements**

Effective January 1, 2011, the Company entered into a consulting agreement with each of TAD Financial Corp., a consulting company owned by Thomas A. Doyle, and Amteck Financial Corp., a consulting company owned by Logan B. Anderson, pursuant to which Mr. Doyle agreed to provide services as CEO and President of the Company for a consulting fee of \$10,000 per month and Mr. Anderson agreed to provide services as CFO of the Company for a consulting fee of \$6,000 per month. Effective January 1, 2018, the consulting fee paid to TAD Financial Corp. was increased to \$15,000 per month. Effective April 1, 2018, Mr. Anderson agreed to reduce the Amteck Financial Corp. fee to \$3,000 per month. Each of Messrs. Doyle and Anderson received monthly compensation payments directly from the Company from January 2011 to March 2011, at which time payments began to be made by the Company to TAD Financial Corp. and Amteck Financial Corp. Each consulting agreement was for an initial one year term and renews automatically for one year terms each year thereafter unless either the Company or the consultant gives 60 days' written notice to the other of its intention not to renew the respective agreement. In the event of a change of control of the Company, each agreement provides that the consultant will receive a lump sum payment equal to twenty-four times their respective monthly consulting fees. The consulting agreement with Amteck Financial Corp. terminated upon the resignation of Mr. Anderson on July 19, 2021.

The Company has a verbal agreement with Cross Davis & Company, pursuant to which David Cross has agreed to provide services as CFO of the Company for a consulting fee of \$2,000 per month and accounting services for \$3,000 per month.

### **Oversight and Description of Director and NEO Compensation**

The Board has not created or appointed a compensation committee given the Company's current size and stage of development. All tasks related to developing and monitoring the Company's approach to the compensation of the Company's NEOs and directors are performed by the members of the Board. The compensation of the NEOs, directors and the Company's employees or consultants, if any, is reviewed, recommended and approved by the Board without reference to any specific formula or criteria. NEOs that are also directors of the Company are involved in discussions relating to compensation, but disclose their interest in, and abstain from voting on, decisions related to their own respective compensation.

The overall objective of the Company's compensation strategy is to offer short, medium and long-term compensation components to ensure that the Company has in place programs to attract, retain and develop management of the highest calibre and has in place a process to provide for the orderly

succession of management, including receipt on an annual basis of any recommendations of the chief executive officer, if any, in this regard.

Executive officers' compensation is currently composed of two major components: a short term compensation component, which includes the payment of management fees to certain NEOs, and a long-term compensation component, which includes the grant of stock options under the Plan. Management fees primarily reward recent performance and incentive stock options encourage NEOs and directors to continue to deliver results over a longer period of time and serve as a retention tool. The Company intends to further develop these compensation components.

The management fee for each NEO, as applicable, is determined by the Board based on the level of responsibility and experience of the individual, the relative importance of the position to the Company, the professional qualifications of the individual and the performance of the individual over time.

The second component of the executive officers' compensation is stock options. The objectives of the Company's compensation policies and procedures are to align the interests of the Company's employees with the interests of the shareholders of the Company. Therefore, a significant portion of total compensation granted by the Company, being the grant of stock options, is based upon overall corporate performance.

Although it has not to date, the Board may in the future consider, on an annual basis, an award of bonuses to key executives and senior management. The amount and award of such bonuses is expected to be discretionary, depending on, among other factors, the financial performance of the Company and the performance of the executive. The Board considers that the payment of such discretionary annual cash bonuses may satisfy the medium term compensation component.

The Company relies on Board discussion, without formal objectives, criteria and analysis, when determining executive compensation. There are currently no formal performance goals or similar conditions that must be satisfied in connection with the payment of executive compensation.

The NEOs' performances and salaries or fees are to be reviewed periodically. Increases in management fees are to be evaluated on an individual basis and are performance and market-based. Compensation is not tied to performance criteria or goals such as milestones, agreements or transactions, and the Company does not use a "peer group" to determine compensation.

#### **Pension Plan Benefits**

The Company does not have any pension, defined benefit, defined contribution or deferred compensation plans in place.

#### **SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY COMPENSATION PLANS**

The following table sets forth details of the Plan, being the Company's only equity compensation plan, as of December 31, 2021. The Plan was most recently ratified and approved by the Shareholders at its last annual general and special meeting on September 15, 2021.

Plan Category	Number of shares to be issued upon exercise of outstanding options <sup>(1)</sup>	Weighted-average exercise price of outstanding options	Number of securities remaining available for future issuance under equity compensation plans (excluding securities reflected in column (a)) <sup>(2)</sup>

<b>Total</b>	<b>400,000</b>	<b>\$0.10</b>	<b>5,112,926</b>

<sup>(1)</sup> The Company does not have any warrants or rights outstanding under any equity compensation plans.

<sup>(2)</sup> The Plan is a rolling stock option plan under which the Company can issue such number of options as is equal to 10% of the Company's issued and outstanding Shares from time to time. As of November 2, 2022, there were 55,129,263 Shares outstanding and the Company could issue up to 5,512,926 options to acquire Shares on such date.

Effective as of November 9, 2022, the Board adopted the 2022 Equity Incentive Plan (the "2022 Plan"). If the 2022 Plan is adopted at the Meeting, no further stock options will be granted under the Plan.

The 2022 Plan is subject to the approval of the Shareholders and the Exchange. At the Meeting, Shareholders will be asked to approve the 2022 Plan. See "Particulars of Matters to be Acted Upon – Approval of Equity Incentive Plan", below for a summary of the 2022 Plan. If the Exchange finds the disclosure to Shareholders to be inadequate, then Shareholder approval may not be accepted by the Exchange.

#### APPOINTMENT OF AUDITOR

At the Meeting, Shareholders will be asked to pass an ordinary resolution to appoint Dale Matheson Carr-Hilton LaBonte LLP, Chartered Professional Accountants as auditors of the Company for the fiscal year ending December 31, 2022, and to authorize the directors of the Company to fix the remuneration to be to be paid to the auditors for the fiscal year ending December 31, 2022. An ordinary resolution needs to be passed by a simple majority of the votes cast by the Shareholders present in person or represented by proxy and entitled to vote at the Meeting. Dale Matheson Carr-Hilton LaBonte LLP, Chartered Professional Accountants, were appointed as the auditors of the Company on June 30, 2016.

### Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Company’s governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director’s participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

All tasks related to developing and monitoring the Company’s approach to the compensation of the Company’s NEOs and directors are performed by the members of the Board. ## Assessments

The Board regularly monitors the adequacy of information given to directors, communications between the Board and management and the strategic direction and processes of the Board and its committees.

## INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Except as disclosed elsewhere in this Information Circular, no director or executive officer of the Company who was a director or executive officer since the beginning of the Company's last financial year, no proposed nominee for election as a director of the Company, nor any associate or affiliates of any such directors, officers or nominees, has any material interest, direct or indirect, by way of beneficial ownership of Shares or other securities in the Company or otherwise, in any matter to be acted upon at the Meeting, other than the election of directors and the grant of options which may be granted to such persons upon the approval of the 2022 Plan, as further discussed below.

Directors, executive officers, proposed nominees for election as director of the Company may be interested in the approval of the 2022 Plan, pursuant to which they may be granted stock options. See "*Particulars of Matters to be Acted Upon - Approval of 2022 Equity Incentive Plan*", below, for more information.

## PARTICULARS OF MATTERS TO BE ACTED UPON

### Approval of 2022 Equity Incentive Plan

The Plan is a "rolling" stock option plan, whereby the maximum number of Shares that may be reserved for issuance pursuant to the exercise of options is 10% of the issued Shares of the Company and, as such, will increase with the issue of additional Shares of the Company. See "*Statement of Executive Compensation - Stock Option Plans and Other Incentive Plans*" above for further details of the Plan.

At the Meeting, Shareholders will be asked to consider and, if thought advisable, pass an ordinary resolution ratifying, approving and confirming the 2022 Plan in the form set out as Schedule "A" hereto.

The following information is intended as a brief description of the 2022 Plan and is qualified in its entirety by the full text of the 2022 Plan.

### *Purpose*

The purpose of the 2022 Plan is to promote the long-term success of the Company and the creation of shareholder value by: (i) encouraging the attraction and retention of eligible persons; (ii) encouraging such eligible persons to focus on critical long-term objectives; and (iii) promoting greater alignment of the interests of such eligible persons with the interests of the Company.

The 2022 Plan provides flexibility to the Company to grant equity-based incentive awards in the form of stock options ("**Options**"), restricted share units ("**RSUs**"), performance share units ("**PSUs**") and deferred share units ("**DSUs**" and, collectively with the RSUs and PSUs, the "**Performance-Based Awards**") to eligible persons.

### *Shares Subject to the 2022 Plan*

The 2022 Plan is a rolling plan for Options and a fixed plan for Performance-Based Awards such that the aggregate number of Shares that: (i) may be issued upon the exercise or settlement of Options granted under the 2022 Plan (and all of the Company's other Security-Based Compensation Arrangements), shall

not exceed 10% of the Company's issued and outstanding Shares from time to time, such number being 55,129,263 as at November 2, 2022 and (ii) may be issued in respect of Performance-Based Awards granted under the 2022 Plan (and all of the Company's other Security-Based Compensation Arrangements) shall not exceed 5,512,926. The 2022 Plan is considered an "evergreen" plan, since Options which have been exercised, cancelled, terminated, surrendered, forfeited or expired without being exercised shall be available for subsequent grants under the 2022 Plan and the number of awards available to grant increases as the number of issued and outstanding Shares increases.

### *Participation Limits*

The 2022 Plan provides that:

- (a) unless the Company has obtained disinterested shareholder approval, the maximum aggregate number of Shares issuable to insiders under the 2022 Plan, within any 12 month period, together with Shares reserved for issuance to insiders under all of the Company's other Security-Based Compensation Arrangements (as defined in the 2022 Plan), shall not exceed 10% of the issued and outstanding Shares (calculated as at the date of any grant and in accordance with the policies of the Exchange (the "**Exchange Policies**"));
- (b) unless the Company has obtained disinterested shareholder approval, the maximum aggregate number of Shares issuable to insiders under the 2022 Plan, at any point in time, together with Shares reserved for issuance to insiders under all of the Company's other Security-Based Compensation Arrangements, shall not exceed 10% of the issued and outstanding Shares;
- (c) unless the Company has obtained disinterested shareholder approval, the maximum aggregate number of Shares issuable to any participant (as defined in the 2022 Plan) under the 2022 Plan, within any 12 month period, together with Shares reserved for issuance to such participant (and to Companies wholly-owned by that participant) under all of the Company's other Security-Based Compensation Arrangements, shall not exceed 5% of the issued and outstanding Shares (calculated as at the date of any grant);
- (d) the maximum aggregate number of Shares issuable to any one consultant (as defined in the 2022 Plan) under the 2022 Plan, within any 12 month period, together with Shares issuable to such consultant under all of the Company's other Security-Based Compensation Arrangements, shall not exceed 2% of the issued and outstanding Shares (calculated as at the date of any grant); and
- (e) the maximum aggregate number of Shares issuable pursuant to grants of Options to all investor relation service providers performing investor relations activities under the 2022 Plan, within any 12 month period, shall not in aggregate exceed 2% of the issued and outstanding Shares (calculated as at the date of any grant). For the avoidance of doubt, persons performing investor relations activities are only eligible to receive Options under the 2022 Plan; they are not eligible to receive any Performance-Based Award or other type of securities based compensation under the 2022 Plan.

### *Administration of the 2022 Plan*

The 2022 Plan shall be administered by the Board and the Board has full authority to administer the 2022 Plan, including the authority to interpret and construe any provision of the 2022 Plan and to adopt, amend and rescind such rules and regulations for administering the 2022 Plan as the Board may deem necessary in order to comply with the requirements of the 2022 Plan.

### *Eligible Persons under the 2022 Plan*

When used in connection with the grant of Options, all officers, directors, employees, management company employees and consultants of the Company are eligible to participate in the 2022 Plan. When used in connection with the grant of Performance-Based Awards, all officers, directors, employees, management company employees and consultants of the Company that do not perform investor relations activities are eligible to participate in the 2022 Plan. The extent to which any such individual is entitled to receive a grant of an award pursuant to the 2022 Plan will be determined in the sole and absolute discretion of the Board. Each person who receives a grant under the 2022 Plan is referred to as a "Participant".

### *Types of Awards*

Awards of Options, RSUs, PSUs and DSUs may be made under the 2022 Plan. All of the awards described below are subject to the conditions, limitations, restrictions, exercise price, vesting, settlement and forfeiture provisions determined by the Board, in its sole discretion, subject to such limitations provided in the 2022 Plan, and will generally be evidenced by an award agreement.

### Options

An Option entitles a holder thereof to purchase a prescribed number of Shares at an exercise price determined by the Board at the time of the grant of the Option, provided that the exercise price of an Option granted under the 2022 Plan shall not be less than the Discounted Market Price (as defined in the Exchange Policies), provided that if an Option is proposed to be granted by the Company after the Company has just been recalled for trading following a suspension or halt, the Company must wait at least ten trading days since the day on which trading in the Company's securities resumes before setting the exercise price for and granting the Option. Each Option shall, unless sooner terminated, expire on a date to be determined by the Board which will not exceed ten (10) years from the date of grant of the Option. The Board may, in its absolute discretion, upon granting Options under the 2022 Plan, specify different time periods following the dates of granting the Options during which the Participant may exercise their Options to purchase Shares and may designate different exercise prices and numbers of Shares in respect of which each Participant may exercise Options during each respective time period. Subject to the discretion of the Board, the Options granted to a Participant under the 2022 Plan shall vest as determined by the Board on the date of grant of such Options. If the Board does not specify a vesting schedule at the date of grant, then Options granted to persons, other than those conducting investor relations activities, shall vest fully on the date of grant, and in any event in accordance with the policies of the Exchange. Options issued to persons conducting investor relations activities must vest (and shall not otherwise be exercisable) in stages over a minimum of 12 months such that:

- (a) no more than 1/4 of the Options vest no sooner than three months after the date of grant (the "Grant Date");
- (b) no more than another 1/4 of the Options vest no sooner than six months after the Grant Date;
- (c) no more than another 1/4 of the Options vest no sooner than nine months after the Grant Date; and
- (d) the remainder of the Options vest no sooner than 12 months after the Grant Date.

If the award agreement for the grant of Options so provides, in the event of a change of control (as defined in the 2022 Plan), all Options granted to a Participant that ceases to be an Eligible Person shall become fully vested and shall become exercisable by the Participant in accordance with the terms of such

award agreement and the 2022 Plan. No acceleration of the vesting of any Options shall be permitted without prior Exchange review and acceptance for Options issued to persons conducting investor relations activities.

Other than as may be set forth in the award agreement for the grant of Options, upon the death of a Participant, any Options granted to such Participant which, prior to the Participant's death, have not vested, will immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect; and the Participant or his or her estate, as the case may be, shall have no right, title or interest therein whatsoever. Any Options granted to such Participant which, prior to the Participant's death, had vested pursuant to the terms of the applicable Award Agreement will accrue to the Participant's estate in accordance with 2022 Plan and may be exercised by the Participant's estate within one year of the death of the Participant.

Where a Participant's relationship with the Company is terminated by the Company or a subsidiary for cause, all Options granted to the Participant under the 2022 Plan will immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the termination date.

Where a Participant's relationship with the Company terminates by reason of termination by the Company or a subsidiary without cause, by voluntary termination, voluntary resignation or due to retirement by the Participant, such that the Participant no longer qualifies as an eligible person, all Options granted to the Participant under the 2022 Plan that have not vested will, unless the applicable award agreement provides otherwise and subject to the provisions below, immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the termination date; provided, however, that any Options granted to such Participant which, prior to the Participant's termination without cause, voluntary termination, voluntary resignation or Retirement, had vested pursuant to the terms of the applicable award agreement will accrue to the Participant in accordance with the 2022 Plan and shall be exercisable by such Participant for a period of 90 days following the date the Participant ceased to be an eligible person, or such longer period as may be provided for in the award agreement or as may be determined by the Board provided such period does not exceed 12 months after the termination date.

Where a Participant becomes afflicted by a disability, all Options granted to the Participant under the 2022 Plan will continue to vest in accordance with the terms of such Options; provided, however, that no Options may be redeemed during a leave of absence. Where a Participant's relationship is terminated due to disability such that the Participant ceases to be an eligible person, all Options granted to the Participant under this 2022 Plan that have not vested will, unless the applicable award agreement provides otherwise and subject to the provisions below, immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the termination date; provided, however, that any Options granted to such Participant which, prior to the termination of the Participant's relationship with the Company due to disability, had vested pursuant to terms of the applicable award agreement, will accrue to the Participant in accordance with the 2022 Plan and shall be exercisable by such Participant for a period of 90 days following the date the termination date, or such longer period as may be provided for in the award agreement or as may be determined by the Board.

#### Restricted Share Units

A RSU is a right awarded to a Participant, as compensation for employment or consulting services or services as a director or officer, to receive for no additional cash consideration, securities of the Company upon specified vesting criteria being satisfied, and subject to the terms and conditions of the 2022 Plan and the applicable award agreement, and which may be paid in cash and/or Shares. The number of RSUs to be credited to each participant shall be determined by the Board in its sole discretion in accordance with the 2022 Plan. All RSUs will vest and become payable by the issuance of Shares at the end of the

restriction period if all applicable restrictions have lapsed, as such restrictions may be specified in the award agreement.

RSUs shall be subject to such restrictions as the Board, in its sole discretion, may establish in the applicable award agreement, which restrictions may lapse separately or in combination at such time or times and on such terms, conditions and satisfaction of objectives as the Board may, in its discretion, determine at the time a RSU is granted. The Board shall determine any vesting terms applicable to the grant of RSUs, however, no RSUs may vest before the date that is one (1) year following the date of the award.

If the award agreement so provides, in the event of a change of control (as defined in the 2022 Plan) and the Participant ceases to be an Eligible Person, all restrictions upon any RSUs held by such Participant shall lapse immediately and all such RSUs shall become fully vested in such Participant in accordance with the 2022 Plan.

Other than as may be set forth in the applicable award agreement, upon the death of a Participant, any RSUs granted to such Participant which, prior to the Participant's death, have not vested, will be immediately and automatically forfeited and cancelled without further action and without any cost or payment, and the Participant or his or her estate, as the case may be, shall have no right, title or interest therein whatsoever. Any RSUs granted to such Participant which, prior to the Participant's death, had vested pursuant to the terms of the applicable award agreement will accrue to the Participant's estate in accordance with the 2022 Plan.

Where a Participant's relationship with the Company is terminated by the Company or a subsidiary for cause, all RSUs granted to the Participant under this 2022 Plan will immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the termination date.

Where a Participant's relationship with the Company terminates by reason of termination by the Company or a subsidiary without cause, by voluntary termination, voluntary resignation or due to retirement by the Participant, all RSUs granted to the Participant under the 2022 Plan that have not vested will, unless the applicable award agreement provides otherwise and subject to the provisions below, immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the termination date and the Participant shall have no right, title or interest therein whatsoever; provided, however, that any RSUs granted to such Participant which, prior to the Participant's termination without cause, voluntary termination, voluntary resignation or retirement, had vested pursuant to the terms of the applicable award agreement will accrue to the Participant in accordance with the 2022 Plan.

Where a Participant becomes afflicted by a disability, all RSUs granted to the Participant under the 2022 Plan will continue to vest in accordance with the terms of such RSUs; provided, however, that no RSUs may be redeemed during a leave of absence. Where a Participant's relationship is terminated due to disability such that the Participant ceases to be an eligible person, all RSUs granted to the Participant under the 2022 Plan that have not vested will, unless the applicable award agreement provides otherwise and subject to the provisions below, immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the termination date and the Participant shall have no right, title or interest therein whatsoever; provided, however, that any RSUs granted to such Participant which, prior to the Participant's termination due to disability, had vested pursuant to terms of the applicable award agreement will accrue to the Participant in accordance with the 2022 Plan.

As soon as practicable after each vesting date of a RSU, the Company shall, at the sole discretion of the Board, either: (a) issue to the Participant from treasury the number of Shares equal to the number of RSUs

that have vested; or (b) make a cash payment in an amount equal to the Market Unit Price (as defined in the 2022 Plan) on the next trading day after the vesting date of the RSUs, net of applicable withholdings.

#### Performance Share Units

A PSU is a right awarded to a Participant, as compensation for employment or consulting services or services as a director or officer, to receive, for no additional cash consideration, securities of the Company upon specified performance and vesting criteria being satisfied, subject to the terms and conditions of the 2022 Plan and the applicable award agreement, and which may be paid in cash and/or Shares. No PSUs may vest before the date that is one year following the date of the Award.

Subject to the provisions of the 2022 Plan and such other terms and conditions as the Board may prescribe, the Board may, from time to time, grant awards of PSUs to eligible persons that do not perform investor relations activities. The number of PSUs to be awarded to any Participant shall be determined by the Board, in its sole discretion, in accordance with the 2022 Plan. Each PSU shall, contingent upon the attainment of the performance criteria within the performance cycle, represent one Share.

The Board will select, settle and determine the performance criteria (including without limitation the attainment thereof), for purposes of the vesting of the PSUs, in its sole discretion. An award agreement may provide the Board with the right to revise the performance criteria and the award amounts if unforeseen events (including, without limitation, changes in capitalization, an equity restructuring, an acquisition or a divestiture) occur which have a substantial effect on the financial results and which in the sole judgment of the Board make the application of the performance criteria unfair unless a revision is made.

All PSUs will vest and become payable to the extent that the performance criteria set forth in the award agreement are satisfied in the performance cycle, the determination of which satisfaction shall be made by the Board on the determination date. No PSU may vest before the date that is one year following the date of the award.

If the award agreement so provides, in the event of a change of control (as defined in the 2022 Plan) and the Participant ceases to be an Eligible Person, all PSUs granted to such Participant shall become fully vested in such Participant (without regard to the attainment of any performance criteria) and shall become payable to the Participant in accordance with the 2022 Plan.

Other than as may be set forth in the applicable award agreement and below, upon the death of a Participant, all PSUs granted to the Participant which, prior to the Participant's death, have not vested, will immediately and automatically be forfeited and cancelled without further action and without any cost or payment, and the Participant or his or her estate, as the case may be, shall have no right, title or interest therein whatsoever; provided, however, the Board may determine, in its sole discretion, the number of the Participant's PSUs that will vest based on the extent to which the applicable performance criteria have been satisfied in that portion of the performance cycle that has lapsed.

Where a Participant's relationship with the Company is terminated by the Company or a subsidiary for cause, all PSUs granted to the Participant under the 2022 Plan will immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the termination date.

Where a Participant's relationship with the Company terminates by reason of termination by the Company or a subsidiary without cause, by voluntary termination, voluntary resignation or due to retirement by the Participant, all PSUs granted to the Participant which have not vested will, unless the award agreement provides otherwise and subject to the provisions below, immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the termination date,

and the Participant shall have no right, title or interest therein whatsoever; provided, however, the Board may determine, in its sole discretion, the number of the Participant's PSUs that will vest based on the extent to which the applicable performance have been satisfied in that portion of the performance cycle that has lapsed.

Where a Participant becomes afflicted by a disability, all PSUs granted to the Participant under the 2022 Plan will continue to vest in accordance with the terms of such PSUs; provided, however, that no PSUs may be redeemed during a leave of absence. Where a Participant's relationship is terminated due to disability such that the Participant ceases to be an eligible person, all PSUs granted to the Participant under the 2022 Plan that have not vested will, unless the applicable award agreement provides otherwise and subject to the provisions below, immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the termination date, and the Participant shall have no right, title or interest therein whatsoever; provided, however, that the Board may determine, in its sole discretion, the number of the Participant's PSUs that will vest based on the extent to which the applicable performance criteria have been satisfied in that portion of the performance cycle that has lapsed.

Payment to Participants in respect of vested PSUs shall be made after the determination date for the applicable award and in any case within ninety-five (95) days after the last day of the performance cycle to which such award relates. The Company shall, at the sole discretion of the Board, either: (a) issue to the Participant the number of Shares equal to the number of PSUs that have vested on the Determination Date; or (b) make a cash payment in an amount equal to the Market Unit Price (as defined in the 2022 Plan) on the next trading day after the determination date of the PSUs that have vested, net of applicable withholdings.

#### Deferred Share Units

A DSU is a right granted to a Participant, as compensation for employment or consulting services or services as a director or officer, to receive, for no additional cash consideration, securities of the Company on a deferred basis upon specified vesting criteria being satisfied, subject to the terms and conditions of the 2022 Plan and the applicable award agreement, and which may be paid in cash and/or Shares. DSUs may not be granted to any Participant performing investor relation activities.

Subject to the provisions of the 2022 Plan and such other terms and conditions as the Board may prescribe, the Board may, from time to time, grant awards of DSUs to directors in lieu of fees (including annual Board retainers, chair fees, meeting attendance fees or any other fees payable to a director) or to other eligible persons as compensation for employment or consulting services. The number of DSUs to be credited to each Participant shall be determined by the Board in its sole discretion in accordance with the 2022 Plan. The number of DSUs shall be specified in the applicable award agreement. Each director may elect to receive any or all of his or her fees in DSUs under this 2022 Plan.

The number of DSUs shall be calculated by dividing the amount of Fees selected by a director by the Market Unit Price (as defined in the 2022 Plan) on the grant date (or such other price as required under the Exchange Policies) which shall be the 10th business day following each financial quarter end. Any fractional DSU shall be rounded down and no payment or other adjustment will be made with respect to the fractional DSU.

No Deferred Share Units may vest before the date that is one year following the date of the award of the DSU.

Each participant shall be entitled to receive, after the effective date that the Participant ceases to be an eligible person for any reason, on a day designated by the Participant and communicated to the Company by the Participant in writing at least fifteen (15) days prior to the designated day (or such earlier date

after the participant ceases to be an eligible person as the participant and the Company may agree, which date shall be no later than one year after the date upon which the participant ceases to be an eligible person) and if no such notice is given, then on the first anniversary of the effective date that the Participant ceases to be an eligible person, at the sole discretion of the Board, either: (a) that number of Shares equal to the number of vested DSUs credited to the participant's account, such Shares to be issued from treasury of the Company; or (b) a cash payment in an amount equal to the Market Unit Price on the next trading day after the Participant ceases to be an eligible person of the vested DSUs, net of applicable withholdings.

In the event that the value of a DSU would be determined with reference to a period commencing at a fiscal quarter-end of the Company and ending prior to the public disclosure of interim financial statements for the quarter (or annual financial statements in the case of the fourth quarter), the cash payment of the value of the DSUs will be made to the Participant with reference to the five (5) trading days immediately following the public disclosure of the interim financial statements for that quarter (or annual financial statements in the case of the fourth quarter).

Upon death of a Participant holding DSUs that have vested, the Participant's estate shall be entitled to receive, within 120 days after the Participant's death and at the sole discretion of the Board, a cash payment or Shares that would have otherwise been payable in accordance with the 2022 Plan to the Participant upon such Participant ceasing to be an eligible person.

### *General Provisions of the 2022 Plan*

At the sole discretion of the Board, a Participant may be permitted to satisfy the foregoing requirement by, all in accordance with the Exchange Policies by delivering an

- (i) issue to the Participant or if Section 5.3(e) applies, to the Participant's estate, the number of Shares equal to the number of Performance Share Units credited to the Participant's Account that have vested on the Determination Date; or
- (ii) make a cash payment in an amount equal to the Market Unit Price on the next Trading Day after the Determination Date of the Performance Share Units credited to a Participant's Account that have vested, net of applicable withholdings.

As of the Vesting Date, the Performance Share Units in respect of which such Shares are issued or cash payment made shall be cancelled and no further payments shall be made to the Participant under this Plan in relation to such Performance Share Units.

#### 5.4 Deferred Share Units

- (a) Eligibility and Participation - Subject to the provisions of this Plan and such other terms and conditions as the Board may prescribe, the Board may, from time to time,

grant Awards of Deferred Share Units to Directors that do not perform Investor Relations Activities in lieu of Fees or to other Eligible Persons that do not perform Investor Relations Activities as compensation for employment or consulting services. Deferred Share Units granted to a Participant in accordance with Section 5.4 hereof shall be credited, as of the Grant Date, to the Participant's Account. The number of Deferred Share Units to be credited to each Participant shall be determined by the Board in its sole discretion in accordance with this Plan. The number of Deferred Share Units shall be specified in the applicable Award Agreement.

- (b) Election - Each Director may elect to receive any or all of his or her Fees in Deferred Share Units under this Plan. Elections by Directors regarding the amount of their Fees that they wish to receive in Deferred Share Units shall be made no later than 90 days after this Plan is adopted by the Board, and thereafter no later than December 31 of any given year with respect to Fees for the following year. Any Director who becomes a Director during a calendar year and wishes to receive an amount of his or her Fees for the remainder of that year in Deferred Share Units must make his or her election within 60 days of becoming a Director.
- (c) Calculation of Deferred Share Units Granted in Lieu of Fees - The number of Deferred Share Units to be credited to a Participant's Account where the Participant is a Director who has elected to receive Deferred Share Units in lieu of Fees shall be calculated by dividing the amount of Fees selected by a Director in the applicable Election Form by the Market Unit Price on the Grant Date (or such other price as required under Exchange policies) which shall be the 10th business day following each financial quarter end. If, as a result of the foregoing calculation, a Participant that is a Director shall become entitled to a fractional Deferred Share Unit, the Participant shall only be credited with a full number of Deferred Share Units (rounded down) and no payment or other adjustment will be made with respect to the fractional Deferred Share Unit.
- (d) Vesting - No Deferred Share Units may vest before the date that is one year following the date of the Award.
- (e) Payment of Award - Each Participant shall be entitled to receive, after the effective date that the Participant ceases to be an Eligible Person for any reason, on a day designated by the Participant and communicated to the Company by the Participant in writing at least 15 days prior to the designated day (or such earlier date after the Participant ceases to be an Eligible Person as the Participant and the Company may agree, which date shall be no later than one year after the date upon which the Participant ceases to be an Eligible Person) and if no such notice is given, then on the first anniversary of the effective date that the Participant ceases to be an Eligible Person, at the sole discretion of the Board, either:
  - (i) that number of Shares equal to the number of vested Deferred Share Units credited to the Participant's Account, such Shares to be issued from treasury of the Company (provided that such issuance will not result in the number specified in Section 4.1(b) being exceeded); or

- (ii) a cash payment in an amount equal to the Market Unit Price on the next Trading Day after the Participant ceases to be an Eligible Person of the vested Deferred Share Units credited to a Participant's Account, net of applicable withholdings.
- (f) Exception - In the event that the value of a Deferred Share Unit would be determined with reference to a period commencing at a fiscal quarter-end of the Company and ending prior to the public disclosure of interim financial statements for the quarter (or annual financial statements in the case of the fourth quarter), the cash payment of the value of the Deferred Share Units will be made to the Participant with reference to the five (5) Trading Days immediately following the public disclosure of the interim financial statements for that quarter (or annual financial statements in the case of the fourth quarter).
- (g) Death - Upon death of a Participant holding Deferred Share Units that have vested, the Participant's estate shall be entitled to receive, within 120 days after the Participant's death and at the sole discretion of the Board, a cash payment or Shares that would have otherwise been payable in accordance with Section 5.4(e) hereof to the Participant upon such Participant ceasing to be an Eligible Person.

## 5.5 General Terms Applicable to Awards

- (a) Forfeiture Events - The Board will specify in an Award Agreement at the time of the Award that the Participant's rights, payments and benefits with respect to an Award shall be subject to reduction, cancellation, forfeiture or recoupment upon the occurrence of certain specified events, in addition to any otherwise applicable vesting or performance conditions of an Award. Such events shall include, but shall not be limited to, termination of a relationship for cause, violation of material Company policies, fraud, breach of non-competition, confidentiality or other restrictive covenants that may apply to the Participant or other conduct by the Participant that is detrimental to the business or reputation of the Company.
- (b) Awards May be Granted Separately or Together - Awards may, in the discretion of the Board, be granted either alone or in addition to, in tandem with, or in substitution for any other Award or any award granted under any other Security-Based Compensation Arrangement of the Company. Awards granted in addition to or in tandem with other Awards, or in addition to or in tandem with awards granted under any other Security-Based Compensation Arrangement of the Company, may be granted either at the same time as or at a different time from the grant of such other Awards or awards.
- (c) Non-Transferability of Awards - No Award and no right under any such Award shall be assignable, alienable, saleable, or transferable by a Participant otherwise than by will or by the laws of descent and distribution and only then if permitted by the Policies of the Exchange. No Award and no right under any such Award, may be pledged, alienated, attached, or otherwise encumbered, and any purported pledge, alienation, attachment, or encumbrance thereof shall be void and unenforceable against the Company.

- (d) Conditions and Restrictions Upon Securities Subject to Awards - The Board may provide that the Shares issued under an Award shall be subject to such further agreements, restrictions, conditions or limitations as the Board in its sole discretion may specify, including without limitation, conditions on vesting or transferability and forfeiture or repurchase provisions or provisions on payment of taxes arising in connection with an Award. Without limiting the foregoing, such restrictions may address the timing and manner of any resales by the Participant or other subsequent transfers by the Participant of any Shares issued under an Award, including without limitation:
- (i) restrictions under an insider trading policy or pursuant to applicable law;
  - (ii) restrictions designed to delay and/or coordinate the timing and manner of sales by Participant and holders of other Security-Based Compensation Arrangements; and
  - (iii) restrictions as to the use of a specified brokerage firm for such resales or other transfers.
- (e) Blackout Periods - In the event that the date provided for expiration, redemption or settlement of an Award falls within a Blackout Period imposed by the Company pursuant to a trading policy as the result of the bona fide existence of undisclosed Material Information, the expiry date, redemption date or settlement date, as applicable, of the Award shall automatically be extended to the date that is ten (10) business days following the date of expiry of the Blackout Period. Notwithstanding the foregoing, there will be no extension of any Award if the Company (or the Participant) is subject to a cease trade order (or similar order under applicable law).
- (f) Share Certificates - All Shares delivered under this Plan pursuant to any Award shall be subject to such stop transfer orders and other restrictions as the Board may deem advisable under this Plan or the rules, regulations, and other requirements of any securities commission, the Exchange, and any applicable securities legislation, regulations, rules, policies or orders, and the Board may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions.
- (g) Conformity to Plan - In the event that an Award is granted which does not conform in all particulars with the provisions of this Plan, or purports to grant an Award on terms different from those set out in this Plan, the Award shall not be in any way void or invalidated, but the Award shall be adjusted to become, in all respects, in conformity with this Plan.
- (h) Deductions - Whenever cash is to be paid in respect of Deferred Share Units, Restricted Share Units or Performance Share Units, the Company shall have the right to deduct from all cash payments made to a Participant any taxes required by law to be withheld with respect to such payments. Whenever Shares are to be delivered in respect of Deferred Share Units, Restricted Share Units or Performance Share Units, the Company shall have the right to deduct from any other amounts payable to the Participant any taxes required by law to be withheld with respect to

such delivery of Shares, or if any payment due to the Participant is not sufficient to satisfy the withholding obligation, to require the Participant to remit to the Company in cash an amount sufficient to satisfy any taxes required by law to be withheld. At the sole discretion of the Board, a Participant may be permitted to satisfy the foregoing requirement by, all in accordance with the Policies of the Exchange, delivering (on a form prescribed by the Company) an irrevocable direction to a securities broker approved by the Company to sell all or a portion of the Shares and deliver to the Company from the sales proceeds an amount sufficient to pay the required withholding taxes.

- (i) Evergreen Plan - Shares that were the subject of any Award made under this Plan that has been settled in cash, or that has been cancelled, terminated, surrendered, forfeited or has expired without being exercised, and pursuant to which no securities have been issued, may continue to be issuable under this Plan.

## 5.6 General Terms Applicable to Performance-Based Awards

- (a) Performance Evaluation; Adjustment of Goals - At the time that a Performance-Based Award is first issued, the Board, in the Award Agreement or in another written document, shall specify whether performance will be evaluated including or excluding the effect of any of the following events that occur during the Performance Cycle or Restriction Period, as the case may be:
  - (i) judgments entered or settlements reached in litigation;

Notwithstanding any provision herein to the contrary, the Board may not make any adjustment or take any other action with respect to any Performance-Based Award that will increase the amount payable under any such Award. The Board shall retain the sole discretion to adjust Performance-Based Awards

downward or to otherwise reduce the amount payable with respect to any Performance-Based Award.

  - (v) amendments to the terms and conditions on which Awards may be or have been granted pursuant to this Plan including amendments to the vesting provisions and terms of any Awards;
  - (vi) with the exception of Options granted to Persons performing Investor Relations Activities, amendments which alter, extend or accelerate the terms of vesting applicable to any Awards; and
  - (vii) changes to the termination provisions of an Award or this Plan which do not entail an extension beyond the original fixed term.

If this Plan is terminated, prior Awards shall remain outstanding and in effect in accordance with their applicable terms and conditions.

## **6.2 Amendments to Awards**

The Board may waive any conditions or rights under, amend any terms of, or amend, alter, suspend, discontinue, or terminate, any Awards theretofore granted, prospectively or retroactively. No such amendment or alteration shall be made which would impair the rights of any Participant, without such Participant's consent, under any Award theretofore granted, provided that no such consent shall be required with respect to any amendment or alteration if the Board determines in its sole discretion that such amendment or alteration either:

- (a) is required or advisable in order for the Company, this Plan or the Award to satisfy or conform to any law or regulation or to meet the requirements of Policy of the Exchange or any accounting standard; or
- (b) is not reasonably likely to significantly diminish the benefits provided under such Award.

## **SECTION 7 GENERAL PROVISIONS**

### **7.1 No Rights to Awards**

No Person shall have any claim to be granted any Award under this Plan, or, having been selected to receive an Award under this Plan, to be selected to receive a future Award. There is no obligation for uniformity of treatment of Eligible Persons or Participants or beneficiaries of Awards under this Plan. The terms and conditions of Awards need not be the same with respect to each Participant. The Company and each Eligible Person qualifying for an Award are and shall be responsible for ensuring and confirming that each recipient of an Award is a bona fide Eligible Person that qualifies to receive the applicable Award.

### **7.2 Withholding**

The Company shall be authorized to withhold any payment due under any Award or under this Plan until the Participant has paid or made arrangements for the payment of the amount of any withholding taxes due in respect of an Award, its exercise, or any payment under such Award or under this Plan.

### **7.3 No Limit on Other Security-Based Compensation Arrangements**

Nothing contained in this Plan shall prevent the Company or a Subsidiary from adopting or continuing in effect other Security-Based Compensation Arrangements, and such arrangements may be either generally applicable or applicable only in specific cases.

#### **7.4 No Right to Employment**

The grant of an Award shall neither constitute an employment contract nor be construed as giving a Participant the right to be retained in the employ of the Company, or to any other relationship with the Company. Further, the Company may at any time dismiss a Participant, free from any liability, or any claim under this Plan, unless otherwise expressly provided in this Plan or in an applicable Award Agreement.

#### **7.5 No Right as Shareholder**

Neither the Participant nor any representatives of a Participant's estate shall have any rights whatsoever as shareholders in respect of any Shares covered by such Participant's Options, RSUs, PSUs and/or DSUs until the date of issuance of a share certificate to such Participant or representatives of a Participant's estate for such Shares.

#### **7.8 No Trust or Fund Created**

Neither this Plan nor any Award shall create or be construed to create a trust or separate fund of any kind or a fiduciary relationship between the Company and a Participant or any other Person. To the extent that any Person acquires a right to receive payments from the Company pursuant to an Award, such right shall be no greater than the right of any unsecured creditor of the Company.

#### **7.9 No Fractional Shares**

No fractional Shares shall be issued or delivered pursuant to this Plan or any Award, and the Board shall determine whether cash, or other securities shall be paid or transferred in lieu of any fractional Shares, or whether such fractional Shares or any rights thereto shall be cancelled, terminated, or otherwise eliminated.

## **7.12 No Representations or Covenant with Respect to Tax Qualification**

Although the Company may, in its discretion, endeavor to (i) qualify an Award for favourable Canadian tax treatment or (ii) avoid adverse tax treatment, the Company makes no representation to that effect and expressly disavows any covenant to maintain favorable or avoid unfavorable tax treatment. The Company shall be unconstrained in its corporate activities without regard to the potential negative tax impact on holders of Awards under this Plan.

## **7.13 Conflict with Award Agreement**

In the event of any inconsistency or conflict between the Policies of the Exchange, this Plan and an Award Agreement, the Policies of the Exchange shall govern for all purposes. The Company shall have no obligation to issue or deliver evidence of title for Shares issued under this Plan prior to:

- (a) obtaining any approvals from governmental agencies that the Company determines are necessary or advisable; and
- (b) completion of any registration or other qualification of the Shares under any applicable national or foreign law or ruling of any governmental body that the Company determines to be necessary or advisable or at a time when any such registration or qualification is not current, has been suspended or otherwise has ceased to be effective.

The inability or impracticability of the Company to obtain or maintain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares hereunder shall relieve the Company of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.
