INFORMATION CIRCULAR

as at August 26, 2019 (except as otherwise indicated)

INFORMATION CONTAINED IN THIS CIRCULAR

This Information Circular is furnished in connection with the solicitation of proxies by the management of Network Media Group Inc. (the “Company”) for use at the annual general and special meeting (the “Meeting”) of its shareholders to be held on Thursday, October 10, 2019 at the time and place and for the purposes set forth in the accompanying notice of the Meeting.

The information contained in this Information Circular (the “Circular”) is given as at August 26, 2019 (the “Record Date”), except where otherwise noted. No person has been authorized to give any information or to make any representation in connection with the matters described herein other than those contained in this Circular and, if given or made, any such information or representation should be considered not to have been authorized by the Company. This Circular does not constitute the solicitation of a proxy by any person in any jurisdiction in which such solicitation is not authorized or in which the person making such solicitation is not qualified to do so or to any person to whom it is unlawful to make such solicitation. Information contained in this Circular should not be construed as legal, tax or financial advice and shareholders are urged to consult their own profession advisors in connection therewith.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. The Company will bear all costs of this solicitation. We have arranged for intermediaries to forward the meeting materials to beneficial owners of the Common Shares held of record by those intermediaries and we may reimburse the intermediaries for their reasonable fees and disbursements in that regard.

Appointment of Proxyholders

The individuals named in the accompanying form of proxy (the “Proxy”) are directors and/or officers of the Company **If you are a shareholder entitled to vote at the Meeting, you have the right to appoint a person or company other than either of the persons designated in the Proxy, who need not be a shareholder, to attend and act for you and on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of proxy.**

Voting by Proxyholder

The persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors,
- (b) any amendment to or variation of any matter identified therein, and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy, the persons named in the Proxy will vote the Common Shares represented by the Proxy for the approval of such matter.

Registered Shareholders

Registered Shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered Shareholders may choose one of the following options to submit their proxy:

- (a) complete, date and sign the Proxy and return it to the Company's transfer agent, Computershare Investor Services Inc. ("**Computershare**"), by fax within North America at 1-866-249-7775, outside North America at (416) 263-9524, or by mail to the 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1 or by hand delivery at 3rd Floor, 510 Burrard Street, Vancouver, British Columbia Canada V6C 3B9;
- (b) use a touch-tone phone to transmit voting choices to a toll-free number. Registered shareholders must follow the instructions of the voice response system and refer to the enclosed proxy form for the toll-free number, the holder's account number and the control number; or
- (c) use the internet through the website of the Company's transfer agent at www.investorvote.com. Registered Shareholders must follow the instructions that appear on the screen and refer to the enclosed proxy form for the holder's account number and the control number.

In all cases the Registered Shareholder must ensure the proxy is received at least 48 hours (excluding Saturdays, Sundays and statutory holidays) before the Meeting or the adjournment thereof at which the proxy is to be used.

Beneficial Shareholders

The following information is of significant importance to shareholders who do not hold Common Shares in their own name. Beneficial Shareholders should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by registered shareholders (those whose names appear on the records of the Company as the registered holders of Common Shares) or as set out in the following disclosure.

If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in the shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the names of the shareholder's broker or an agent of that broker (an "**intermediary**"). In the United States, the vast majority of such Common Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of meetings of shareholders. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

There are two kinds of Beneficial owners - those who object to their name being made known to the issuers of securities which they own (called "**OBOs**" for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are (called "**NOBOs**" or Non-Objecting Beneficial Owners).

The Company is taking advantage of the provisions of National Instrument 54-101 "Communication with Beneficial Owners of Securities of a Reporting Issuer" that permit it to directly deliver proxy-related materials to its NOBOs. As a result NOBOs can expect to receive a scannable Voting Instruction Form ("**VIF**") from our transfer agent, Computershare. These VIFs are to be completed and returned to Computershare in the envelope provided or by facsimile. In addition, Computershare provides both telephone voting and internet voting as described on the VIF itself which contain complete instructions. Computershare will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by the VIFs they receive.

These securityholder materials are being sent to both registered and non-registered owners of the securities of the Company. If you are a non-registered owner, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding securities on your behalf.

By choosing to send these materials to you directly, the Company (and not the intermediary holding securities on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in your request for voting instructions.

Beneficial Shareholders who are OBOs should follow the instructions of their intermediary carefully to ensure that their Common Shares are voted at the Meeting.

The form of proxy supplied to you by your broker will be similar to the proxy provided to registered shareholders by the Company. However, its purpose is limited to instructing the intermediary on how to vote your Common Shares on your

behalf. Most brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”) in the United States and in Canada. Broadridge mails a VIF in lieu of a proxy provided by the Company. The VIF will name the same persons as the Company’s Proxy to represent your Common Shares at the Meeting. You have the right to appoint a person (who need not be a Beneficial Shareholder of the Company), other than any of the persons designated in the VIF, to represent your Common Shares at the Meeting and that person may be you. To exercise this right, you should insert the name of the desired representative (which may be yourself) in the blank space provided in the VIF. The completed VIF must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge’s instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting and the appointment of any shareholder’s representative. **If you receive a VIF from Broadridge, the VIF must be completed and returned to Broadridge, in accordance with its instructions, well in advance of the Meeting in order to have your Common Shares voted at the Meeting or to have an alternate representative duly appointed to attend the Meeting and to vote your Common Shares at the Meeting.**

Notice to United States Shareholders

The solicitation of proxies involves securities of an issuer located in Canada and is being effected in accordance with the corporate laws of the Province of British Columbia, Canada and securities laws of the provinces of Canada. The proxy solicitation rules under the United States *Securities Exchange Act* of 1934, as amended, are not applicable to the Company or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of the provinces of Canada. Shareholders should be aware that disclosure requirements under the securities laws of the provinces of Canada differ from the disclosure requirements under United States securities laws. The enforcement by shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Company is incorporated under the *Business Corporations Act* (British Columbia), all of its directors and its executive officers are residents of Canada and a significant portion of its assets and the assets of such persons are located outside the United States. Shareholders may not have standing to bring a claim against a foreign corporation or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign corporation and its officers and directors to subject themselves to a judgment by a United States court.

Revocation of Proxies

In addition to revocation in any other manner permitted by law, a registered shareholder who has given a proxy may revoke it by:

- (a) executing a proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the registered shareholder or the registered shareholder’s authorized attorney in writing, or, if the shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized, and by delivering the proxy bearing a later date to Computershare or at the address of the registered office of the Company at 1500 Royal Centre, 1055 West Georgia Street, P. O. Box 11117, Vancouver, British Columbia, V6E 4N7, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the last business day that precedes any reconvening thereof, or to the chairman of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law, or
- (b) personally attending the Meeting and voting the registered shareholder’s Common Shares.

A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

FINANCIAL STATEMENTS

The audited consolidated financial statements of the Company for the fiscal year ended November 30, 2018, with the auditor’s report thereon, and related management discussion and analysis, will be tabled at the Meeting and will be available at the Meeting. Advance Notice of Director Nominations by Shareholders

At the Company's annual general and special meeting held on May 9, 2014, the shareholders of the Company approved the alteration of the Company's articles for the purpose of adopting advance notice provisions (the "**Advance Notice Provision**"). The Advance Notice Provision provides for advance notice to the Company in circumstances where nominations of persons for election to the Board of directors of the Company are made by shareholders of the Company other than pursuant to (i) a requisition of a meeting made pursuant to the provisions of the *Business Corporations Act* (British Columbia) ("**BCA**") or (ii) a shareholder proposal made pursuant to the provisions of the BCA.

The purpose of the Advance Notice Provision is to foster a variety of interests of the shareholders and the Company by ensuring that all shareholders - including those participating in a meeting by proxy rather than in person - receive adequate notice of the nominations to be considered at a meeting and can thereby exercise their voting rights in an informed manner. Among other things, the Advance Notice Provision fixes a deadline by which holders of Common Shares must submit director nominations to the Company prior to any annual or special meeting of shareholders and sets forth the minimum information that a shareholder must include in the notice to the Company for the notice to be in proper written form.

The Advance Notice Provision also requires all proposed director nominees to deliver a written representation and agreement that such candidate for nomination, if elected as a director of the Company, will comply with all applicable corporate governance, conflict of interest, confidentiality, share ownership, majority voting and insider trading policies and other policies and guidelines of the Company applicable to directors and in effect during such person's term in office as a director.

The foregoing is merely a summary of the Advance Notice Provision, is not comprehensive and is qualified by the full text of such provision which is available under the Company's profile on SEDAR at www.sedar.com.

The Company did not receive notice of a nomination in compliance with the Advance Notice Provision, and as such, any nominations other than nominations by or at the direction of the Board or an authorized officer of the Company will be disregarded at the Meeting.

Unless otherwise directed, the persons named in the enclosed form of proxy intend to vote FOR the election of the Nominees.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT EACH SHAREHOLDER VOTE "FOR" THE ELECTION OF THE ABOVE NOMINEES AS DIRECTORS.

APPOINTMENT OF AUDITOR

Baker Tilly WM LLP [formerly, Wolrige Mahon LLP], Chartered Professional Accountants, Suite 900, 400 Burrard Street, Vancouver, British Columbia, Canada V6C 3B7, will be nominated at the Meeting for reappointment as auditor of the Company. Baker Tilly WM LLP, Chartered Professional Accountants, has been auditor of the Company since February 25, 2014.

The Company's management recommends the Shareholders vote in favour of the appointment of Baker Tilly WM LLP as auditor of the Company for the ensuing year. Unless given instructions to the contrary, the management proxyholders intend to vote FOR the appointment of Baker Tilly WM LLP as auditor of the Company until the close of its next annual general meeting.

FIXED SHARE OPTION PLAN

The fixed share option plan of the Company was approved by the shareholders on June 9, 2016. In accordance with TSXV policies, the resolution to approve the amendment to the Fixed Share Option Plan (the "**Option Plan Resolution**") must be approved by a simple majority of the votes cast at the Meeting and by a majority vote of the disinterested shareholders of the Company.

At the Meeting, the Shareholders will be asked to consider, and if deemed advisable, to approve the following ordinary resolution to ratify, confirm and approve the amendment of the Option Plan, with or without variation:

"RESOLVED that:

1. the maximum number of Shares to be authorized and reserved under the fixed number share option plan (the "**Option Plan**"), a copy of which can be found under the Company's SEDAR profile at www.sedar.com, for exercise of options granted under the Option Plan, is 14,500,000 Common Shares, such exercise of Options to be at an exercise price to be determined at the discretion of the Board in accordance with the Option Plan;
2. The Board is hereby authorized to make such amendments to the Option Plan from time to time, as may be required by the applicable regulatory authorities, or as may be considered appropriate by the Board, in its sole discretion, provided always that such amendments be subject to the approval of the regulatory authorities, if applicable, and in certain cases, in accordance with the terms of the Option Plan, the approval of the shareholders;
3. the Company is hereby authorized to allot and issue as fully paid and non-assessable that number of Shares specified in the amended Option Plan granted to Participants;
4. any two officers or directors of the Company be authorized to execute such treasury order, or treasury orders, as may be necessary to affect the issuance of Shares upon exercise of Options granted pursuant to the amended Option Plan; and
5. any one or more of the directors and officers of the Company be authorized to perform all such acts, deeds and things and execute, under seal of the Company or otherwise, all such documents as may be required to give effect to this resolution."

Proxies received in favour of management will be voted in favour of the Option Plan Resolution unless the Shareholder has specified in the Proxy that his or her Shares are to be voted against such resolution.

Disinterested Shareholder Approval of Option Plan Resolution

The resolution for shareholder approval of the Option Plan must also be approved by a majority of votes of disinterested shareholders cast on the resolution. In order to achieve disinterested shareholder voting, the votes attaching to the Shares beneficially owned by Insiders: Frank Anderson, Executive Chairman and director, Derik A. Murray, Chief Executive Officer and Director, Paul Gertz, President, Chief Operating Officer, Corporate Secretary and director and Darren Battersby, Chief Financial Officer, each an Insider of the Company, and any associates or affiliates of these Insiders will not be counted on the resolution and will be excluded from the disinterested vote tally.

The Board has concluded that adoption of the Option Plan is in the best interests of the Company and its Shareholders. Accordingly, the Board unanimously recommends that Shareholders ratify, confirm and approve the Option Plan by voting FOR the Option Plan Resolution at the Meeting.

Proxies received in favour of management will be voted in favour of the Option Plan Resolution unless the Shareholder has specified in the Proxy that his or her Shares are to be voted against such resolution.

A copy of the Option Plan is available for inspection at the Meeting, and a copy of the Option Plan is posted, together with the Information Circular, under the Company's SEDAR profile at www.sedar.com.

AUDIT COMMITTEE AND RELATIONSHIP WITH AUDITOR

National Instrument 52-110 "Audit Committees" ("**NI 52-110**") requires the Company, as a venture issuer, to disclose annually in its Information Circular certain information concerning the constitution of its audit committee and its relationship with its independent auditor. Such disclosure is set forth below.

The Audit Committee's Charter

The Audit Committee has a charter, which was adopted by the Board on July 4, 2011. A copy of the Audit Committee Charter is attached as Appendix D to the Company's Amended and Restated Prospectus, which was SEDAR filed on December 1, 2011.

Mr. Anderson is considered not independent because of his position as Executive Chairman. Mr. Gertz is considered not independent because of his positions as President and Chief Operating Officer.

All members of the Audit Committee are financially literate (see disclosure below). A member of the Audit Committee is considered financially literate if he or she has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company, and have an understanding of internal controls.

Mr. McIsaac is also the Chair of the board of directors for Vancouver College Millennium Foundation, a registered charity and public foundation.

Audit Committee Oversight

The Audit Committee is responsible for the oversight of financial reporting, internal controls and public disclosure documents. The Audit Committee also recommends the appointment of the external auditors, reviews the annual audit plan and auditor compensation, approves non-audit services provided by the external auditor and evaluates the risk management procedures and systems. The Audit Committee has not made any recommendations to the Board to nominate or compensate any external auditor other than Baker Tilly WM LLP, Chartered Accountants.

Reliance on Certain Exemptions

The Company's auditor, Baker Tilly WM LLP, Chartered Professional Accountants, has not provided any material non-audit services for financial year ended November 30, 2018.

At no time since the commencement of the Company's most recently completed financial year ended November 30, 2018, has the Company relied on the exemption in Section 2.4 of National Instrument 52-110 - Audit Committees (*De Minimis* Non-audit Services), or an exemption from National Instrument 52-110, in whole or in part, granted under Part 8 of National Instrument 52-110.

Pre-Approval Policies and Procedures

The Audit Committee has adopted specific policies and procedures for the engagement of non-audit services as described in the Audit Committee Charter. Baker Tilly WM LLP [formerly, Wolrige Mahon LLP], Chartered Professional Accountants, the Company’s auditors, have not provided any material non-audit services.

External Auditor Service Fees

The Audit Committee has reviewed the nature and amount of the non-audit services provided by Baker Tilly WM LLP, Chartered Professional Accountants, to the Company to ensure auditor independence. Fees incurred are outlined in the following table.

Nature of Services	Fiscal Year Ended November 30, 2018	Fiscal Year Ended November 30, 2017
Audit Fees ⁽¹⁾	\$62,460	\$42,035
Audit-Related Fees ⁽²⁾	Nil	Nil
Tax Fees ⁽³⁾	\$3,092	\$3,250
All Other Fees ⁽⁴⁾	\$22,725	\$20,000

Notes:

- (1) Audit Fees consist of fees for the audit of the Company’s annual financial statements or services that are normally provided in connection with statutory and regulatory filings or engagements.
- (2) Audit-Related Fees consist of fees for related services that are reasonably related to the performance of the audit or the review of the Company’s financial statements and are not reported as Audit Fees. These audit-related services may include employee benefit audits, due diligence assistance, accounting consultations on proposed transactions, internal control reviews and audit or attest services not required by statute or regulation.
- (3) Tax Fees consist of fees paid to the auditors for tax services not included as part of Audit Fees or Audit-Related Fees, which may include fees for tax compliance, tax planning and tax advice, assistance with tax audits and appeals, tax advice related to mergers and acquisitions, and requests for rulings or technical advice from tax authorities.
- (4) All Other Fees consist of all other non-audit services.

Exemption

The Company is an “Issuer” pursuant to relevant securities legislation. The Company is relying on the exemption in Section 6.1 of National Instrument 52-110 - Audit Committees, from the requirements of Part 3 (Composition of the Audit Committee) and Part 5 (Reporting Obligations) of National Instrument 52-110.

CORPORATE GOVERNANCE

The Board believes that good corporate governance improves corporate performance and benefits all shareholders. National Policy 58-201 - *Corporate Governance Guidelines* provides non-prescriptive guidelines on corporate governance practices for reporting companies such as the Company. In addition, National Instrument 58-101 - *Disclosure of Corporate Governance Practices* (“NI 58-101”) prescribes certain disclosure by the Company of its corporate governance practices. This disclosure is presented below.

Composition of the Board of Directors

Directors are considered independent if they have no direct or indirect material relationship with the Company. A “material relationship” is a relationship which could, in the view of the Company’s Board of Directors, be reasonably expected to interfere with the exercise of a director’s independent judgment.

The independent members of the Board are Steve Kotlowitz, Dr. Greg Zeschuk and Michael McIsaac.

The non-independent directors (and the reason they are not independent) are: Frank Anderson (Executive Chairman of the Company), Derik A. Murray (CEO of the Company) and Paul Gertz (President and COO of the Company).

Compensation

The entire Board will carry out the oversight function of director and named officer compensation. The Company did not retain any compensation consultants during the financial year ended November 30, 2018.

Orientation and Continuing Education

The Board addresses the orientation of new directors on a case by case basis. Each new director brings a different skill set and professional background, and with this information, the Board can determine what orientation to the nature and operations of the Company's business will be necessary and relevant to each new director. New directors are provided with copies of the most current strategic plans, budgets, forecasts and other internal documents. New directors are provided the opportunity to also meet individually with members of management of the Company to become better informed as to the nature and status of operations of the various underlying production entities.

The Board encourages open discussion at all meetings, which encourages learning by the directors. Board meetings may also include presentations by the Company's management and employees to give the directors additional insight into the Company's business.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual directors' participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

As of the date hereof, the Company is not aware of any existing or potential conflicts of interests between the Company and any of its directors. If a conflict of interest arises at a meeting of the Board, any director in a conflict will disclose his or her interest and abstain from voting on such matter. In determining whether or not the Company will participate in any project or opportunity, the directors will primarily consider the degree of risk to which the Company may be exposed and its financial position at that time. All conflicts of interest, if any, are subject to the procedures and remedies provided under the *Business Corporations Act* (British Columbia).

Nomination of Directors

The Board considers its size each year when it considers the number of directors to recommend to the shareholders for election at the annual meeting of shareholders, taking into account the number required to carry out the Board's duties effectively and to maintain a diversity of views and experience. The Board does not have a nominating committee, and these functions are currently performed by the Board as a whole. However, if there is a change in the number of directors required by the Company, this policy will be reviewed.

The Board as a whole will identify new candidates by taking into consideration such factors as it deems appropriate, including judgment, skill, diversity, experience with businesses and other organizations of comparable size and the need for particular experience on the Board. The Board will also determine whether a particular candidate is "unrelated" or "independent" under applicable securities laws and applicable stock exchange rules.

Other Board Committees

The Board of directors does not currently have any other committees other than the Audit Committee. A description of the function of the Audit Committee can be found attached as Appendix D to the Company's Amended and Restated Prospectus, which was SEDAR filed on December 1, 2011.

Assessments

The Board monitors, on an ongoing basis, the adequacy of information given to directors, communication between the Board and management and the strategic direction and processes of the Board and the Audit Committee.

Exercise of Compensation Securities by Directors and NEOs

There were no compensation securities exercised by a NEO or director of the Company during the most recent financial year ended November 30, 2018.

Oversight and description of Director and NEO Compensation

During the year ended November 30, 2018, the entire Board carried out the oversight function of director and named officer compensation. The Company did not retain any compensation consultants during the financial year ended November 30, 2018.

The primary goal of the Company's executive compensation program is to attract, retain and motivate the key executives and to align their interests with those of the Company's shareholders. The key elements of the executive compensation program are: (i) base salary; (ii) stock based compensation; and (iii) potential annual bonuses or awards. The directors are of the view that all elements of the total program should be considered, rather than any single element.

The Company has no formal policy regarding the allocation between base salary, stock based compensation, cash based bonuses or awards or other forms of compensation, but the Board of Directors as a whole will consider and evaluate the total compensation package received or to be received by an executive officer, and seek to ensure that such total compensation package is fair, reasonable and competitive, and balances the interests of management and the Company's shareholders.

The Board of Directors assumes responsibility for reviewing and monitoring the long-term compensation strategy of the Company. The Company's Board of Directors is responsible for determining all forms of compensation, including long-term incentive in the form of stock options, to be granted to the CEO, or such person acting in capacity of CEO of the Company, the directors and key management, and for reviewing the recommendations respecting compensation of the other officers of the Company, to ensure such arrangements reflect the responsibilities and risks associated with each position.

In arriving at its compensation recommendations, the Board of Directors considers several factors, including the responsibilities and experience of the individuals, the performance of the individuals within the Company, the overall financial and operating performance of the Company, and the long-term interest of the Company. With respect to base salaries, the Board discuss their collective knowledge and understanding of salaries paid to executive officers at companies that the members have personal knowledge of, however, no formal benchmark group of companies has been referenced. For share option grants under the Company's Fixed Share Option Plan, the Board makes recommendations based on such criteria as performance, previous grants, base salary and bonuses, hiring incentives, and other competitive factors (the Company's Fixed Share Option Plan is administered by the Board of the Company and all grants require approval of the Board). When considering the grant of bonus compensation, the Board will assess whether the Company has met certain strategic objectives and milestones and whether there are sufficient cash resources available for the granting of bonuses (the Board will approve bonus compensation dependent upon compensation levels).

The Company has not provided monetary compensation to its directors, including fees for attending Board or Board committee meetings. However, during the recently completed financial year ended November 30, 2018, the Company made grants of 1,380,000 incentive share options to the directors, as consideration for fulfilling the responsibilities attendant with their directorships.

The Board has not considered the implications of the risks associated with the Company's compensation policies and practices, however, the Company does not currently believe there are any risks arising from compensation policies and practices that are reasonably likely to have an adverse effect on the Company.

Risks Associated with the Company's Compensation Practices

The Board has assessed the Company's compensation plans and programs for its executive officers to ensure alignment with the Company's business plan and to evaluate the potential risks associated with those plans and programs. The Board has concluded that the compensation policies and practices do not create any risks that are reasonably likely to have a material adverse effect on the Company. The Board considers the risks associated with executive compensation and corporate incentive plans when designing and reviewing such plans and programs.

The Company has not adopted a policy restricting its executive officers or directors from purchasing financial instruments that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by its executive officers or directors. To the knowledge of the Company, none of the executive officers or directors have purchased such financial instruments.

Base Salary or Consulting Fees

Base salary ranges for the executive officers were initially determined upon a review of companies within the gaming industry, which were of the same size as the Company, at the same stage of development as the Company and considered comparable to the Company.

In determining the base salary of an executive officer, the Board considers the following factors:

- (a) the particular responsibilities related to the position;
- (b) salaries paid by other companies in the gaming industry which were similar in size as the Company;
- (c) the experience level of the executive officer;
- (d) the amount of time and commitment which the executive officer devotes to the Company; and

- (e) the executive officer’s overall performance and performance in relation to the achievement of corporate milestones and objectives.

In the Company’s view, paying base salaries which are reasonable in relation to the level of service expected while remaining competitive in the markets in which the Company operates is a first step to attracting and retaining qualified and effective executives.

Benefits and Perquisites

The Company does not, as of the date of this Circular, offer any benefits or perquisites to its NEOs other than potential grants of DSUs and incentive stock options as otherwise disclosed and discussed herein.

Hedging by Named Executive Officers or Directors

The Company has not, to date, adopted a policy restricting its executive officers and directors from purchasing financial instruments, including, for greater certainty, prepaid variable forward contracts, equity swaps, collars, or units of exchange funds, which are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by executive officers or directors. As of the date of this Circular, entitlement to grants of Options are the only equity security element awarded by the Company to its executive officers and directors as detailed under heading “*Stock Option and Other Compensation Securities*” above.

Pension Disclosure

The Company does not have any pension, defined benefit, defined contribution or deferred compensation plans in place.
