INFORMATION CIRCULAR

November 15, 2019

INTRODUCTION

This information circular (the “**Information Circular**”) accompanies the notice of annual general and special meeting of shareholders (the “**Notice**”) of Discovery Harbour Resources Corp. (the “**Company**”) and is furnished to shareholders (each, a “**Shareholder**”) holding common shares (each, a “**Share**”) in the capital of the Company in connection with the solicitation by the management of the Company of proxies to be voted at the annual general and special meeting (the “**Meeting**”) of the shareholders to be held at 10:00 a.m. (Vancouver time) on Tuesday, December 17, 2019 at Suite 900 – 885 West Georgia Street, Vancouver, British Columbia or at any adjournment or postponement thereof.

Date and Currency

The date of this Information Circular is November 15, 2019. Unless otherwise stated, all amounts herein are in Canadian dollars.

PROXIES AND VOTING RIGHTS

Management Solicitation

The solicitation of proxies by management of the Company will be conducted by mail and may be supplemented by telephone or other personal contact to be made without special compensation by the directors, officers and employees of the Company. The Company does not reimburse shareholders, nominees or agents for costs incurred in obtaining from their principals authorization to execute forms of proxy, except that the Company has requested brokers and nominees who hold stock in their respective names to furnish this proxy material to their customers, and the Company will reimburse such brokers and nominees for their related out of pocket expenses. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Company.

No person has been authorized to give any information or to make any representation other than as contained in this Information Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by the Company. The delivery of this Information Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Information Circular. This Information Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

Appointment of Proxy

Registered shareholders are entitled to vote at the Meeting. A shareholder is entitled to one vote for each Share that such shareholder holds on the record date of November 12, 2019 on the resolutions to be voted upon at the Meeting, and any other matter to come before the Meeting.

The persons named as proxyholders (the “**Designated Persons**”) in the enclosed form of proxy are directors and/or officers of the Company.

A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON OR COMPANY (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR OR ON BEHALF OF THAT SHAREHOLDER AT THE MEETING, OTHER THAN THE DESIGNATED PERSONS NAMED IN THE ENCLOSED FORM OF PROXY.

A SHAREHOLDER MAY EXERCISE THIS RIGHT BY INSERTING THE NAME OF SUCH OTHER PERSON IN THE BLANK SPACE PROVIDED ON THE FORM OF PROXY. SUCH SHAREHOLDER SHOULD NOTIFY THE NOMINEE OF THE APPOINTMENT, OBTAIN THE NOMINEE’S CONSENT TO ACT AS PROXY AND SHOULD PROVIDE INSTRUCTION TO THE NOMINEE ON HOW THE SHAREHOLDER’S SHARES SHOULD BE VOTED. THE NOMINEE SHOULD BRING PERSONAL IDENTIFICATION TO THE MEETING.

The Shareholder may vote by mail, by telephone or via the Internet by following instructions provided in the form of proxy at least 48 hours (excluding Saturdays, Sundays and holidays recognized in the Province of British Columbia) prior to the scheduled time of the Meeting, or any adjournment or postponement thereof. The Chairman of the Meeting, in his sole discretion, may accept completed forms of proxy on the day of the Meeting or any adjournment or postponement thereof.

A proxy may not be valid unless it is dated and signed by the shareholder who is giving it or by that shareholder’s attorney-in-fact duly authorized by that shareholder in writing or, in the case of a corporation, dated and executed by a duly authorized officer or attorney-in-fact for the corporation. If a form of proxy is executed by an attorney-in-fact for an individual shareholder or joint shareholders, or by an officer or attorney-in-fact for a corporate shareholder, the instrument so empowering the officer or attorney-in-fact, as the case may be, or a notarially certified copy thereof, must accompany the form of proxy.

Revocation of Proxies

A shareholder who has given a proxy may revoke it at any time before it is exercised by an instrument in writing: (a) executed by that shareholder or by that shareholder’s attorney-in-fact authorized in writing or, where the shareholder is a corporation, by a duly authorized officer of, or attorney-in-fact for, the corporation; and (b) delivered either: (i) to the Transfer Agent at their offices located at 9th Floor, 100 University Avenue, Toronto, Ontario M5J 2Y1, at any time up to and including the last business day preceding the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (ii) to the Chairman of the Meeting prior to the vote on matters covered by the proxy on the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (iii) in any other manner provided by law.

Also, a proxy will automatically be revoked by either: (i) attendance at the Meeting and participation in a poll (ballot) by a shareholder, or (ii) submission of a subsequent proxy in accordance with the foregoing procedures. A revocation of a proxy does not affect any matter on which a vote has been taken prior to any such revocation.

Voting of Shares and Proxies and Exercise of Discretion by Designated Persons

A Shareholder may indicate the manner in which the Designated Persons are to vote with respect to a matter to be voted upon at the Meeting by marking the appropriate space. **The Shares represented by a proxy will be voted or withheld from voting in accordance with the instructions of the Shareholder on any ballot that may be called for and if the Shareholder specifies a choice with respect to any matter to be acted upon, the Shares will be voted accordingly.**

IF NO CHOICE IS SPECIFIED IN THE PROXY WITH RESPECT TO A MATTER TO BE ACTED UPON, THE PROXY CONFERS DISCRETIONARY AUTHORITY WITH RESPECT TO THAT MATTER UPON THE DESIGNATED PERSONS NAMED IN THE FORM OF PROXY. IT IS INTENDED THAT THE DESIGNATED PERSONS WILL VOTE THE SHARES REPRESENTED BY THE PROXY IN FAVOUR OF EACH MATTER IDENTIFIED IN THE PROXY.

The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to other matters which may properly come before the Meeting, including any amendments or variations to any matters identified in the Notice, and with respect to other matters which may properly come before the Meeting. At the date of this Information Circular, management of the Company is not aware of any such amendments, variations, or other matters to come before the Meeting.

In the case of abstentions from, or withholding of, the voting of the Shares on any matter, the Shares that are the subject of the abstention or withholding will be counted for determination of a quorum, but will not be counted as affirmative or negative on the matter to be voted upon.

ADVICE TO BENEFICIAL SHAREHOLDERS

The information set out in this section is of significant importance to those Shareholders who do not hold Shares in their own name. Shareholders who do not hold their Shares in their own name (referred to in this Information Circular as “Beneficial Shareholders”) should note that only proxies deposited by Shareholders whose names appear on the records of the Company as the registered holders of Shares can be recognized and acted upon at the Meeting. If Shares are listed in an account statement provided by a broker, then in almost all cases those Shares will not be registered in the Beneficial Shareholder’s name on the records of the Company. Such Shares will more likely be registered under the names of the Beneficial Shareholder’s broker or an agent of that broker. In the United States, the vast majority of such Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms). **Beneficial Shareholders should ensure that instructions respecting the voting of their Shares are communicated to the appropriate person well in advance of the Meeting.**

The Company does not have access to the names of all Beneficial Shareholders. Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of Shareholders’ meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Shares are voted at the Meeting. The form of proxy supplied to a Beneficial Shareholder by his, her or its broker (or the agent of the broker) is similar to the form of proxy provided to registered Shareholders by the Company. However, its purpose is limited to instructing the registered Shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”) in the United States and in Canada. Broadridge typically prepares a special voting instruction form, mails this form to the Beneficial Shareholders and asks for appropriate instructions regarding the voting of Shares to be voted at the Meeting. If Beneficial Shareholders receive the voting instruction forms from Broadridge, they are requested to complete and return the voting instruction forms to Broadridge by mail or facsimile. Alternatively, Beneficial Shareholders can call a toll-free number and access Broadridge’s dedicated voting website (each as noted on the voting instruction form) to deliver their voting instructions and to vote the Shares held by them. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Shares to be represented at the Meeting. **A Beneficial Shareholder receiving a Broadridge voting instruction form cannot use that form as a proxy to vote Shares directly at the Meeting – the voting instruction form must be returned to Broadridge well in advance of the Meeting in order to have the applicable Shares voted at the Meeting.**

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Shares registered in the name of his, her or its broker (or agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxyholder for the registered Shareholder and vote the Shares in that capacity. Beneficial Shareholders who wish to attend at the Meeting and indirectly vote their Shares as proxyholder for the registered Shareholder should enter their own names in the blank space on the instrument of proxy provided to them and return the same to their broker (or the broker’s agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

Alternatively, a Beneficial Shareholder may request in writing that his, her or its broker send to the Beneficial Shareholder a legal proxy which would enable the Beneficial Shareholder to attend at the Meeting and vote his, her or its Shares.

Beneficial Shareholders consist of non-objecting beneficial owners and objecting beneficial owners. A non-objecting beneficial owner is a beneficial owner of securities that has provided instructions to an intermediary holding the securities in an account on behalf of the beneficial owner that the beneficial owner does not object, for that account, to the intermediary disclosing ownership information about the beneficial owner under National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“NI 54-101”) of the Canadian Securities Administrators. An objecting beneficial owner means a beneficial owner of securities that has provided instructions to an intermediary holding the securities in an account on behalf of the beneficial owner that the beneficial owner objects, for that account, to the intermediary disclosing ownership information about the beneficial owner under NI 54-101.

The Company is sending proxy-related materials directly to non-objecting beneficial owners of the Shares. The Company will not pay for the delivery of proxy-related materials to objecting beneficial owners of the Shares under NI 54-101 and Form 54-107F7 – *Request for Voting Instructions Made by Intermediary*. The objecting beneficial owners of the Shares will not receive the materials unless their intermediary assumes the costs of delivery.

All references to Shareholders in this Information Circular are to registered Shareholders, unless specifically stated otherwise.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The Company is authorized to issue an unlimited number of Shares without par value. Each Share carries the right to one vote at the Meeting. Only registered shareholders as of the record date on November 12, 2019 are entitled to receive notice of, and to attend and vote at, the Meeting or any adjournment or postponement of the Meeting.

To the knowledge of the directors and senior officers of the Company, no person or company beneficially owns, directly or indirectly, or exercises control or direction over, Shares carrying more than 10% of the voting rights attached to the outstanding Shares of the Company, other than as set forth below:

Name of Shareholder	Number of Common Shares Owned	Percentage of Outstanding Common Shares ⁽¹⁾
Richard Gilliam	14,830,304 ⁽²⁾	39.2% ⁽³⁾

⁽⁴⁾ Ore Capital Partners Ltd. holds warrants to purchase 4,000,000 Common Shares which, if exercised, would give Ore Capital Partners Ltd. ownership of 8,000,000 Common Shares representing 19.1% of the issued and outstanding Common Shares of the Company.

FINANCIAL STATEMENTS

The audited financial statements of the Company for the year ended September 30, 2019, together with the auditor's report thereon, will be presented to the Shareholders at the Meeting. The Company's financial statements and management discussion and analysis are available on SEDAR at www.sedar.com.

NUMBER OF DIRECTORS

At the Meeting, Shareholders will be asked to pass an ordinary resolution to set the number of directors of the Company at five (5). An ordinary resolution needs to be passed by a simple majority of the votes cast by the Shareholders present in person or represented by proxy and entitled to vote at the Meeting.

Management of the Company recommends the approval of setting the number of directors of the Company at five (5).

ELECTION OF DIRECTORS

At present, the directors of the Company are elected at each annual general meeting and hold office until the next annual general meeting, or until their successors are duly elected or appointed in accordance with the Company's articles or until such director's earlier death, resignation or removal. In the absence of instructions to the contrary, the enclosed form of proxy will be voted for the nominees listed in the form of proxy, all of whom are presently members of the Board.

The Company has adopted an advance notice provision (the "**Advance Notice Provision**") of the nomination of directors in certain circumstances. To be timely, the advance notice by the nominating shareholder (the "**Nominating Shareholder**") must be made:

- (b) in the case of a special meeting (which is not also an annual meeting) of shareholders called for the purpose of electing directors (whether or not called for other purposes), not later than the close of business on the 15th day following the day on which the first public announcement of the date of the special meeting of shareholders was made.

For the further information about the Advance Notice Provision, please see the Company's information circular dated October 7, 2016.

Oversight and Description of Director and NEO Compensation

The Board has not created or appointed a compensation committee given the Company's current size and stage of development.

All tasks related to developing and monitoring the Company's approach to the compensation of its NEOs and directors are performed by the members of the Board. The compensation of the NEOs, directors and the Company's employees or consultants is reviewed, recommended and approved by the Board without reference to any specific formula or criteria. NEOs that are also directors of the Company are involved in discussion relating to compensation, and disclose their interest in and abstain from voting on compensation decisions relating to them, as applicable, in accordance with the applicable corporate legislation.

The Company's compensation program is intended to attract, motivate, reward and retain the management talent needed to achieve the Company's business objectives of improving overall corporate performance and creating long-term value for the shareholders. The compensation program is intended to reward executive officers on the basis of individual performance and achievement of corporate objectives, including the advancement of the exploration and development goals of the Company.

The Company's current compensation program is comprised of three major components: base salary or fees, short term incentives such as discretionary bonuses and long term incentives such as stock options.

In making compensation decisions, the Board strives to find a balance between short-term and long-term compensation and cash versus equity incentive compensation. Base salaries or fees and discretionary cash bonuses primarily reward recent performance and incentive stock options encourage NEOs and directors to continue to deliver results over a longer period of time and serve as a retention tool. The annual salary or fee for each NEO, as applicable, is determined by the Board based on the level of responsibility and experience of the individual, the relative importance of the position to the Company, the professional qualifications of the individual and the performance of the individual over time. The NEOs' performances and salaries or fees are to be reviewed periodically. Increases in salary or fees are to be evaluated on an individual basis and are performance and market-based. The amount and award of cash bonuses to key executives and senior management is discretionary, depending on, among other factors, the financial performance of the Company and the position of a participant.

Reliance on Experts

In contributing to the Committees' discharging of its duties under this mandate, each member shall be entitled to rely in good faith on:

However, the Board believes that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law, and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest, have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

See "Particulars of Matters to be Acted Upon – Ratification of Stock Option Plan", below, for more information.

PARTICULARS OF MATTERS TO BE ACTED UPON

Ratification of Stock Option Plan

The Plan is a "rolling" stock option plan, whereby the maximum number of Shares that may be reserved for issuance pursuant to the exercise of options is 10% of the issued Shares of the Company and, as such, will increase with the issue of additional Shares of the Company. The TSXV requires listed companies that have a "rolling" stock option plan in place to receive shareholder approval of such plan on a yearly basis at the company's annual meeting. Accordingly, the Shareholders will be asked at the Meeting to ratify and approve the Plan. The Plan complies with the current policies of the TSXV for Tier 2 issuers.

The purpose of the Plan is to advance the interests of the Company and its shareholders by attracting, retaining and motivating selected directors, officers, employees, consultants and management company employees of the Company of high caliber and potential, and to encourage and enable such persons to acquire an ownership interest in the Company.

The Plan is subject to the approval of the Shareholders and the TSXV, and the rules of the TSXV. At the Meeting, Shareholders will be asked to ratify, confirm and approve the Plan. A copy of the Plan is attached as Schedule "A" to the Company's Notice and Information Circular dated September 29, 2015 and filed on SEDAR at www.sedar.com on October 5, 2015.

The following information is intended as a brief description of the Plan and is qualified in its entirety by the full text of the Plan:

 - (a) if the Shares are listed on the TSXV, the exercise price will not be less than the minimum prevailing price permitted by TSXV policies;
 - (b) if the Shares are not listed, posted and trading on any stock exchange or bulletin board, then the exercise price will be determined by the Board at the time of granting;
 - (c) if an option is granted within 90 days of a distribution by a prospectus by the Company, the exercise price will not be less than the price that is the greater of the minimum prevailing price permitted by TSXV policies and the per Share price paid by public investors for Shares acquired under the distribution by the prospectus, with the 90 day period beginning on the date a final receipt is issued for the prospectus; and

- (d) in all other cases, the exercise price shall be determined in accordance with the rules and regulations of any applicable regulatory bodies.
- 2. Upon expiry of an option, or in the event an option is otherwise terminated for any reason, without having been exercised in full, the number of Shares in respect of the expired or terminated option shall again be available for a grant under the Plan.
- 3. No option granted under the Plan may have an expiry date exceeding ten years from the date on which the option is granted (unless automatically extended as a result of a blackout period as described below).
- 4. The expiry date of each option will be automatically extended if the expiry date falls within a period during which the Company prohibits optionees from exercising their options, provided that:
 - (a) the blackout period has been formally imposed by the Company pursuant to its internal trading policies as a result of the bona fide existence of undisclosed Material Information (as defined in the policies of the TSXV). For greater certainty, in the absence of the Company formally imposing a blackout period, the expiry date of any options will not be automatically extended in any circumstances;
 - (b) the blackout period expires upon the general disclosure of the undisclosed Material Information and the expiry date of the affected options is extended to no later than ten (10) business days after the expiry of the blackout period; and
 - (c) the automatic extension will not be permitted where the optionee or the Company is subject to a cease trade order (or similar order under applicable securities laws) in respect of the Company's securities.
- 5. Options granted to any one individual in any 12 month period cannot exceed more than 5% of the issued Shares, unless the Company has obtained disinterested Shareholder approval.
- 6. Options granted to any one consultant in any 12 month period cannot exceed more than 2% of the issued Shares, without the prior consent of the TSXV.
- 7. Options granted to all persons, in aggregate, conducting investor relations activities in any 12 month period cannot exceed more than 2% of the issued Shares, without the prior consent of the TSXV.
- 8. Options issued to optionees performing investor relations activities will vest in stages over 12 months with no more than one quarter of the options vesting in any three month period.
- 9. If a director, employee or consultant of the Company is terminated for cause or if such director, employee or consultant resigns, or in the case of a director, refuses to stand for re-election, then any option granted to the option holder will terminate immediately upon the option holder ceasing to be a director, employee, or consultant of the Company by reason of termination for cause, refusal to stand for re-election or by resignation.
- 10. If an option holder ceases to be a director, employee or consultant of the Company (other than by reason of death, disability, resignation or termination of services for cause), then any option granted to the holder that had vested and was exercisable on the date of termination will expire on the earlier of the expiry date and the date that is 30 days following the date that the holder ceases to be a director, employee or service provider of the Company.

11. If an option holder dies, the holder's lawful personal representatives, heirs or executors may exercise any option granted to the holder that had vested and was exercisable on the date of death until the earlier of the expiry date and one year after the date of death of the holder.
12. If an option holder ceases to be a director, employee or consultant of the Company as a result of a disability, the holder may exercise any option granted to the holder that had vested and was exercisable on the date of disability until the earlier of the expiry date and 90 days after the date of disability.
13. Options granted to directors, employees or consultants will vest when granted unless determined by the Board on a case by case basis, other than options granted to consultants performing investor relations activities, which will vest in stages over 12 months with no more than one quarter of the options vesting in any three month period.
14. The Plan will be administered by the Board who will have the full authority and sole discretion to grant options under the Plan to any eligible party, including themselves.
15. Options granted under the Plan shall not be assignable or transferable by an option holder.
16. The Board may from time to time, subject to regulatory or Shareholder approval, amend or revise the terms of the Plan.

The Plan provides that other terms and conditions may be attached to a particular option at the discretion of the Board.

Upon request, the Company will promptly provide a copy of the Plan free of charge to a Shareholder. A Shareholder may contact the Company at its office at Suite 1100 - 595 Howe Street, Vancouver, BC V6C 2T5, to request a copy.

At the Meeting, shareholders will be asked to approve the following ordinary resolution (the "**Plan Resolution**"), which must be approved by at least a majority of the votes cast by Shareholders represented in person or by proxy at the Meeting who vote in respect of the Plan Resolution:
