INFORMATION CIRCULAR

February 28, 2022

INTRODUCTION

This information circular (the “**Information Circular**”) accompanies the notice of annual general and special meeting of shareholders (the “**Notice**”) of Discovery Harbour Resources Corp. (the “**Company**”) and is furnished to shareholders (each, a “**Shareholder**”) holding common shares (each, a “**Share**”) in the capital of the Company in connection with the solicitation by the management of the Company of proxies to be voted at the annual general and special meeting (the “**Meeting**”) of the shareholders to be held at 10:00 a.m. (Vancouver time) on Tuesday, April 5, 2022 at Suite 510 - 580 Hornby Street, Vancouver, BC V6C 3B6, British Columbia or at any adjournment or postponement thereof.

Date and Currency

The date of this Information Circular is February 28, 2022. Unless otherwise stated, all amounts herein are in Canadian dollars.

NOTICE AND ACCESS PROCESS

The Company has decided to use the notice and access mode (“**Notice and Access**”) provided for under amendments to National Instrument 54-101 for the delivery of the Information Circular, audited financial statements and management’s discussion and analysis for the financial year ending September 30, 2021 (collectively, the “**Circular and Financials**”) to Shareholders for the Meeting. The Company has adopted this alternative means of delivery in order to further its commitment to environmental sustainability and to reduce its printing and mailing costs.

Under Notice and Access, instead of receiving printed copies of the Circular and Financials, shareholders receive a notice (the “**Notice and Access Notice**”) with information on the Meeting date, location and purpose, as well as information on how they may access the Circular and Financials electronically.

Shareholders with existing instructions on their account to receive printed materials and those shareholders with addresses outside of Canada and the United States will receive a printed copy of the Circular and Financials with the Notice and Access Notice.

PROXIES AND VOTING RIGHTS

Management Solicitation

The solicitation of proxies by management of the Company will be conducted by mail and may be supplemented by telephone or other personal contact to be made without special compensation by the directors, officers and employees of the Company. The Company does not reimburse shareholders, nominees or agents for costs incurred in obtaining from their principals authorization to execute forms of proxy, except that the Company has requested brokers and nominees who hold stock in their respective names to furnish this proxy material to their customers, and the Company will reimburse such brokers and nominees for their related out of pocket expenses. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Company.

No person has been authorized to give any information or to make any representation other than as contained in this Information Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by the Company. The delivery of this Information Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Information Circular. This Information Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

Appointment of Proxy

Registered shareholders are entitled to vote at the Meeting. A shareholder is entitled to one vote for each Share that such shareholder holds on the record date of February 18, 2022 on the resolutions to be voted upon at the Meeting, and any other matter to come before the Meeting.

The persons named as proxyholders (the “**Designated Persons**”) in the enclosed form of proxy are directors and/or officers of the Company.

A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON OR COMPANY (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR OR ON BEHALF OF THAT SHAREHOLDER AT THE MEETING, OTHER THAN THE DESIGNATED PERSONS NAMED IN THE ENCLOSED FORM OF PROXY.

A SHAREHOLDER MAY EXERCISE THIS RIGHT BY INSERTING THE NAME OF SUCH OTHER PERSON IN THE BLANK SPACE PROVIDED ON THE FORM OF PROXY. SUCH SHAREHOLDER SHOULD NOTIFY THE NOMINEE OF THE APPOINTMENT, OBTAIN THE NOMINEE’S CONSENT TO ACT AS PROXY AND SHOULD PROVIDE INSTRUCTION TO THE NOMINEE ON HOW THE SHAREHOLDER’S SHARES SHOULD BE VOTED. THE NOMINEE SHOULD BRING PERSONAL IDENTIFICATION TO THE MEETING.

The Shareholder may vote by mail, by telephone or via the Internet by following instructions provided in the form of proxy at least 48 hours (excluding Saturdays, Sundays and holidays recognized in the Province of British Columbia) prior to the scheduled time of the Meeting, or any adjournment or postponement thereof. The Chairman of the Meeting, in his sole discretion, may accept completed forms of proxy on the day of the Meeting or any adjournment or postponement thereof.

A proxy may not be valid unless it is dated and signed by the shareholder who is giving it or by that shareholder’s attorney-in-fact duly authorized by that shareholder in writing or, in the case of a corporation, dated and executed by a duly authorized officer or attorney-in-fact for the corporation. If a form of proxy is executed by an attorney-in-fact for an individual shareholder or joint shareholders, or by an officer or attorney-in-fact for a corporate shareholder, the instrument so empowering the officer or attorney-in-fact, as the case may be, or a notarially certified copy thereof, must accompany the form of proxy.

Revocation of Proxies

A shareholder who has given a proxy may revoke it at any time before it is exercised by an instrument in writing: (a) executed by that shareholder or by that shareholder’s attorney-in-fact authorized in writing or, where the shareholder is a corporation, by a duly authorized officer of, or attorney-in-fact for, the corporation; and (b) delivered either: (i) to the Transfer Agent at their offices located at 9th Floor, 100 University Avenue, Toronto, Ontario M5J 2Y1, at any time up to and including the last business day preceding the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (ii) to the Chairman of the Meeting prior to the vote on matters covered by the proxy on the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (iii) in any other manner provided by law.

Also, a proxy will automatically be revoked by either: (i) attendance at the Meeting and participation in a poll (ballot) by a shareholder, or (ii) submission of a subsequent proxy in accordance with the foregoing procedures. A revocation of a proxy does not affect any matter on which a vote has been taken prior to any such revocation.

Voting of Shares and Proxies and Exercise of Discretion by Designated Persons

A Shareholder may indicate the manner in which the Designated Persons are to vote with respect to a matter to be voted upon at the Meeting by marking the appropriate space. **The Shares represented by a proxy will be voted or withheld from voting in accordance with the instructions of the Shareholder on any ballot that may be called for and if the Shareholder specifies a choice with respect to any matter to be acted upon, the Shares will be voted accordingly.**

IF NO CHOICE IS SPECIFIED IN THE PROXY WITH RESPECT TO A MATTER TO BE ACTED UPON, THE PROXY CONFERS DISCRETIONARY AUTHORITY WITH RESPECT TO THAT MATTER UPON THE DESIGNATED PERSONS NAMED IN THE FORM OF PROXY. IT IS INTENDED THAT THE DESIGNATED PERSONS WILL VOTE THE SHARES REPRESENTED BY THE PROXY IN FAVOUR OF EACH MATTER IDENTIFIED IN THE PROXY.

The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to other matters which may properly come before the Meeting, including any amendments or variations to any matters identified in the Notice, and with respect to other matters which may properly come before the Meeting. At the date of this Information Circular, management of the Company is not aware of any such amendments, variations, or other matters to come before the Meeting.

In the case of abstentions from, or withholding of, the voting of the Shares on any matter, the Shares that are the subject of the abstention or withholding will be counted for determination of a quorum, but will not be counted as affirmative or negative on the matter to be voted upon.

ADVICE TO BENEFICIAL SHAREHOLDERS

The information set out in this section is of significant importance to those Shareholders who do not hold Shares in their own name. Shareholders who do not hold their Shares in their own name (referred to in this Information Circular as “Beneficial Shareholders”) should note that only proxies deposited by Shareholders whose names appear on the records of the Company as the registered holders of Shares can be recognized and acted upon at the Meeting. If Shares are listed in an account statement provided by a broker, then in almost all cases those Shares will not be registered in the Beneficial Shareholder’s name on the records of the Company. Such Shares will more likely be registered under the names of the Beneficial Shareholder’s broker or an agent of that broker. In the United States, the vast majority of such Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms). **Beneficial Shareholders should ensure that instructions respecting the voting of their Shares are communicated to the appropriate person well in advance of the Meeting.**

The Company does not have access to the names of all Beneficial Shareholders. Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of Shareholders’ meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Shares are voted at the Meeting. The form of proxy supplied to a Beneficial Shareholder by his, her or its broker (or the agent of the broker) is similar to the form of proxy provided to registered Shareholders by the Company. However, its purpose is limited to instructing the registered Shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”) in the United States and in Canada. Broadridge typically prepares a special voting instruction form, mails this form to the Beneficial Shareholders and

asks for appropriate instructions regarding the voting of Shares to be voted at the Meeting. If Beneficial Shareholders receive the voting instruction forms from Broadridge, they are requested to complete and return the voting instruction forms to Broadridge by mail or facsimile. Alternatively, Beneficial Shareholders can call a toll-free number and access Broadridge's dedicated voting website (each as noted on the voting instruction form) to deliver their voting instructions and to vote the Shares held by them. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Shares to be represented at the Meeting. **A Beneficial Shareholder receiving a Broadridge voting instruction form cannot use that form as a proxy to vote Shares directly at the Meeting – the voting instruction form must be returned to Broadridge well in advance of the Meeting in order to have the applicable Shares voted at the Meeting.**

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Shares registered in the name of his, her or its broker (or agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxyholder for the registered Shareholder and vote the Shares in that capacity. Beneficial Shareholders who wish to attend at the Meeting and indirectly vote their Shares as proxyholder for the registered Shareholder should enter their own names in the blank space on the instrument of proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

Alternatively, a Beneficial Shareholder may request in writing that his, her or its broker send to the Beneficial Shareholder a legal proxy which would enable the Beneficial Shareholder to attend at the Meeting and vote his, her or its Shares.

Beneficial Shareholders consist of non-objecting beneficial owners and objecting beneficial owners. A non-objecting beneficial owner is a beneficial owner of securities that has provided instructions to an intermediary holding the securities in an account on behalf of the beneficial owner that the beneficial owner does not object, for that account, to the intermediary disclosing ownership information about the beneficial owner under National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("NI 54-101") of the Canadian Securities Administrators. An objecting beneficial owner means a beneficial owner of securities that has provided instructions to an intermediary holding the securities in an account on behalf of the beneficial owner that the beneficial owner objects, for that account, to the intermediary disclosing ownership information about the beneficial owner under NI 54-101.

The Company is sending proxy-related materials directly to non-objecting beneficial owners of the Shares using Notice and Access. The Company will not pay for the delivery of proxy-related materials to objecting beneficial owners of the Shares under NI 54-101 and Form 54-107F7 – *Request for Voting Instructions Made by Intermediary*. The objecting beneficial owners of the Shares will not receive the materials unless their intermediary assumes the costs of delivery.

All references to Shareholders in this Information Circular are to registered Shareholders, unless specifically stated otherwise.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The Company is authorized to issue an unlimited number of Shares without par value. As of the record date, determined by the Company's board of directors (the "Board") to be the close of business on February 18, 2022, a total of 94,509,294 Shares were issued and outstanding. Each Share carries the right to one vote at the Meeting. Only registered shareholders as of the record date on February 18, 2022 are entitled to receive notice of, and to attend and vote at, the Meeting or any adjournment or postponement of the Meeting.

To the knowledge of the directors and senior officers of the Company, no person or company beneficially owns, directly or indirectly, or exercises control or direction over, Shares carrying more than 10% of the voting rights attached to the outstanding Shares of the Company, other than as set forth below:

(3) Richard Gilliam holds warrants to purchase 2,000,000 Common Shares, stock options to purchase 1,350,000 Common Shares, which, if exercised, would give Mr. Gilliam ownership of 17,846,971 Common Shares representing 18.9% of the issued and outstanding Common Shares of the Company, on a partially diluted basis.

FINANCIAL STATEMENTS

The audited financial statements of the Company for the year ended September 30, 2021, together with the auditor's report thereon, will be presented to the Shareholders at the Meeting. The Company's financial statements and management discussion and analysis are available on SEDAR at www.sedar.com.

NUMBER OF DIRECTORS

At the Meeting, Shareholders will be asked to pass an ordinary resolution to set the number of directors of the Company at five (5). An ordinary resolution needs to be passed by a simple majority of the votes cast by the Shareholders present in person or represented by proxy and entitled to vote at the Meeting.

Management of the Company recommends the approval of setting the number of directors of the Company at five (5).

ELECTION OF DIRECTORS

At present, the directors of the Company are elected at each annual general meeting and hold office until the next annual general meeting, or until their successors are duly elected or appointed in accordance with the Company's articles or until such director's earlier death, resignation or removal. In the absence of instructions to the contrary, the enclosed form of proxy will be voted for the nominees listed in the form of proxy, all of whom are presently members of the Board.

The Company has adopted an advance notice provision (the "**Advance Notice Provision**") of the nomination of directors in certain circumstances. To be timely, the advance notice by the nominating shareholder (the "**Nominating Shareholder**") must be made:

For the further information about the Advance Notice Provision, please see the Company's information circular dated October 7, 2016.

Oversight and Description of Director and NEO Compensation

The Board has not created or appointed a compensation committee given the Company’s current size and stage of development.

All tasks related to developing and monitoring the Company’s approach to the compensation of its NEOs and directors are performed by the members of the Board. The compensation of the NEOs, directors and the Company’s employees or consultants is reviewed, recommended and approved by the Board without reference to any specific formula or criteria. NEOs that are also directors of the Company are involved in discussion relating to compensation, and disclose their interest in and abstain from voting on compensation decisions relating to them, as applicable, in accordance with the applicable corporate legislation.

The Company’s compensation program is intended to attract, motivate, reward and retain the management talent needed to achieve the Company’s business objectives of improving overall corporate performance and creating long-term value for the shareholders. The compensation program is intended to reward executive officers on the basis of individual performance and achievement of corporate objectives, including the advancement of the exploration and development goals of the Company.

The Company’s current compensation program is comprised of three major components: base salary or fees, short term incentives such as discretionary bonuses and long term incentives such as stock options.

In making compensation decisions, the Board strives to find a balance between short-term and long-term compensation and cash versus equity incentive compensation. Base salaries or fees and discretionary cash bonuses primarily reward recent performance and incentive stock options encourage NEOs and directors to continue to deliver results over a longer period of time and serve as a retention tool. The annual salary or fee for each NEO, as applicable, is determined by the Board based on the level of responsibility and experience of the individual, the relative importance of the position to the Company, the professional qualifications of the individual and the performance of the individual over time. The NEOs’ performances and salaries or fees are to be reviewed

periodically. Increases in salary or fees are to be evaluated on an individual basis and are performance and market-based. The amount and award of cash bonuses to key executives and senior management is discretionary, depending on, among other factors, the financial performance of the Company and the position of a participant.

Pension Plan Benefits

The Company does not have any pension, defined benefit, defined contribution or deferred compensation plans in place.

The Company provides the following disclosure with respect to its audit committee (the “**Audit Committee**”).

The Audit Committee Charter

The text of the Company’s audit committee charter (the “**Audit Committee Charter**”) is reproduced below.

Mandate

The primary function of the Audit Committee is to assist the Board in fulfilling its financial oversight responsibilities by reviewing the financial reports and other financial information provided by the Company to regulatory authorities and shareholders, the Company’s systems of internal controls regarding finance and accounting and the Company’s auditing, accounting and financial reporting processes. - Review and appraise the performance of the Company’s external auditors.
- Provide an open avenue of communication among the Company’s auditors, financial and senior management and the Board.

Composition

At least one member of the Audit Committee shall have accounting or related financial management expertise. All members of the Audit Committee that are not financially literate will work towards becoming financially literate to obtain a working familiarity with basic finance and accounting practices. For the purposes of the Audit Committee Charter, the definition of “financially literate” is the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can presumably be expected to be raised by the Company’s financial statements.

The members of the Audit Committee shall be elected by the Board at its first meeting following the annual shareholders’ meeting. Unless a Chair is elected by the full Board, the members of the Committee may designate a Chair by a majority vote of the full Audit Committee membership.

Meetings

The Audit Committee shall meet at least twice annually, or more frequently as circumstances dictate. As part of its job to foster open communication, the Audit Committee will meet at least annually with the Chief Financial Officer and the external auditors in separate sessions.

To fulfill its responsibilities and duties, the Audit Committee shall:

Reliance on Experts

In contributing to the Audit Committees' discharging of its duties under this mandate, each member shall be entitled to rely in good faith on:

- (a) Financial statements of the Company represented to the member by an officer of the Company, or in a written report of the external auditors, to present the financial position of the Company and the results of its operations in accordance with generally accepted accounting principles in all material respect; and
- (b) Any report of a lawyer, accountant, engineer, appraiser or other person whose profession lends credibility to a statement made by any such person.

The Board is of the view that monitoring the Company's financial reporting and disclosure policies and procedures cannot be reasonably met unless the following activities (the "fundamental activities") are, in all material respects, conducted effectively:

- (a) The accounting functions are performed in accordance with a system of internal financial controls designed to capture and record properly and accurately all of the Company's financial transactions;
- (b) The internal financial controls are regularly assessed for effectiveness and efficiency;
- (c) The interim and annual financial statements are properly prepared by management in accordance with generally accepted accounting principles in all material respects; and

Composition of the Audit Committee

The Audit Committee is currently comprised of three directors consisting of Andrew Hancharyk, Richard Gilliam and Patrick Merrin. As defined in National Instrument 52-110, Mr. Gilliam is not "independent", as he is the Company's largest shareholder and a Control Person (as defined in the policies of the TSXV) of the Company. Mr. Hancharyk and Mr. Merrin are considered independent. The Company is exempt from the Audit Committee

composition requirements in NI 52-110 which require all Audit Committee members to be independent. All of the Audit Committee members are “financially literate”, as defined in National Instrument 52-110, as all have the industry experience necessary to understand and analyze financial statements of the Company, as well as the understanding of internal controls and procedures necessary for financial reporting.

The Audit Committee is responsible for review of both interim and annual financial statements for the Company. For the purposes of performing their duties, the members of the Audit Committee have the right at all times, to inspect all the books and financial records of the Company and any subsidiaries and to discuss with management and the external auditors of the Company any accounts, records and matters relating to the financial statements of the Company. The Audit Committee members meet periodically with management and annually with the external auditors.

Mr. Hancharyk and Mr. Merrin are “independent” in that they are independent and free from any interest and any business or other relationship which could or could reasonably be perceived to, materially interfere with the director’s ability to act with the best interests of the Company, other than the interests and relationships arising from shareholders. Orientation and Continuing Education

The Board briefs all new directors with respect to the policies of the Board and other relevant corporate and business information. The Board does not provide any continuing education.

Ethical Business Conduct

The Board has not adopted a written ethical business code of conduct for directors, officers and employees. However, the Board believes that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law, and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest, have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Nomination of Directors

The Company does not have a formal process or committee for proposing new nominees for election to the Board. The nominees proposed are generally the result of recruitment efforts by the members of the Board, including both formal and informal discussions among the members of the Board.

Compensation

The Board has not created or appointed a compensation committee given the Company's current size and stage of development. All tasks related to developing and monitoring the Company's approach to the compensation of the Company's NEOs and directors are performed by the members of the Board. The compensation of the NEOs, directors and the Company's employees or consultants, if any, is reviewed, recommended and approved by the Board without reference to any specific formula or criteria.

Other Board Committees

The Board has no other committees other than the Audit Committee.

Assessments

The Board regularly monitors the adequacy and effectiveness of information given to directors, communications between the board and management and the strategic direction and processes of the Board and its committees.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Except as disclosed elsewhere in this Information Circular, no director or executive officer of the Company who was a director or executive officer since the beginning of the Company's last financial year, each proposed nominee for election as a director of the Company, or any associate or affiliates of any such directors, officers or nominees, has any material interest, direct or indirect, by way of beneficial ownership of common shares or other securities in the Company or otherwise, in any matter to be acted upon at the Meeting other than the election of directors and the grant of options which may be granted to such persons upon the approval of the Amended and Restated Plan as discussed below.

Directors, executive officers, and proposed nominees for election as director of the Company may be interested in the approval of the Company's Amended and Restated Plan, pursuant to which they may be granted stock options. See "Particulars of Matters to be Acted Upon – Amendment and Adoption of Stock Option Plan", below, for more information.

PARTICULARS OF MATTERS TO BE ACTED UPON

Amendment and Adoption of Stock Option Plan

The Amended and Restated Plan is a “rolling” stock option plan, whereby the maximum number of Shares that may be reserved for issuance pursuant to the exercise of options is 10% of the issued Shares of the Company and, as such, will increase with the issue of additional Shares of the Company. The TSXV requires listed companies that have a “rolling” stock option plan in place to receive shareholder approval of such plan on a yearly basis at the company’s annual meeting. Accordingly, the Shareholders will be asked at the Meeting to ratify, confirm and approve the Amended and Restated Plan. The Amended and Restated Plan complies with the current policies of the TSXV for Tier 2 issuers.

The purpose of the Amended and Restated Plan is to advance the interests of the Company and its shareholders by attracting, retaining and motivating selected directors, officers, employees, consultants and management company employees of the Company of high caliber and potential, and to encourage and enable such persons to acquire an ownership interest in the Company.

The Amended and Restated Plan is subject to the approval of the Shareholders and the TSXV, and the rules of the TSXV. At the Meeting, Shareholders will be asked to ratify, confirm and approve the Amended and Restated Plan. A copy of the Amended and Restated Plan is attached as Schedule “A” to the Company’s Notice and Information Circular dated February 28, 2022 and filed on SEDAR at www.sedar.com on March 1, 2022.

The following information is intended as a brief description of the Amended and Restated Plan and is qualified in its entirety by the full text of the Amended and Restated Plan:

1. The Board shall establish the exercise price at the time each Option is granted, subject to the following conditions:
 - (a) if the Shares are listed on the TSXV, the exercise price will not be less than the minimum prevailing price permitted by TSXV policies;
 - (b) if the Shares are not listed, posted and trading on any stock exchange or bulletin board, then the exercise price will be determined by the Board at the time of granting;
 - (c) if an option is granted within 90 days of a distribution by a prospectus by the Company, the exercise price will not be less than the price that is the greater of the minimum prevailing price permitted by TSXV policies and the per Share price paid by public investors for Shares acquired under the distribution by the prospectus, with the 90 day period beginning on the date a final receipt is issued for the prospectus; and
 - (d) in all other cases, the exercise price shall be determined in accordance with the rules and regulations of any applicable regulatory bodies.
2. Upon expiry of an option, or in the event an option is otherwise terminated for any reason, without having been exercised in full, the number of Shares in respect of the expired or terminated option shall again be available for a grant under the Amended and Restated Plan.
3. No option granted under the Amended and Restated Plan may have an expiry date exceeding ten years from the date on which the option is granted (unless automatically extended as a result of a blackout period as described below).
4. The expiry date of each option will be automatically extended if the expiry date falls within a period during which the Company prohibits optionees from exercising their options, provided that:

- (a) the blackout period has been formally imposed by the Company pursuant to its internal trading policies as a result of the bona fide existence of undisclosed Material Information (as defined in the policies of the TSXV). For greater certainty, in the absence of the Company formally imposing a blackout period, the expiry date of any options will not be automatically extended in any circumstances;
 - (b) the blackout period expires upon the general disclosure of the undisclosed Material Information and the expiry date of the affected options is extended to no later than ten (10) business days after the expiry of the blackout period; and
 - (c) the automatic extension will not be permitted where the optionee or the Company is subject to a cease trade order (or similar order under applicable securities laws) in respect of the Company's securities.
5. Options granted to any one individual in any 12 month period cannot exceed more than 5% of the issued Shares, unless the Company has obtained disinterested Shareholder approval.
 6. Options granted to any one consultant in any 12 month period cannot exceed more than 2% of the issued Shares, without the prior consent of the TSXV.
 7. Options granted to all persons, in aggregate, conducting investor relations activities in any 12 month period cannot exceed more than 2% of the issued Shares, without the prior consent of the TSXV.
 8. Options issued to optionees performing investor relations activities will vest in stages over 12 months with no more than one quarter of the options vesting in any three month period.
 9. If a director, employee or consultant of the Company is terminated for cause or if such director, employee or consultant resigns, or in the case of a director, refuses to stand for re-election, then any option granted to the option holder will terminate immediately upon the option holder ceasing to be a director, employee, or consultant of the Company by reason of termination for cause, refusal to stand for re-election or by resignation.
 10. If an option holder ceases to be a director, employee or consultant of the Company (other than by reason of death, disability, resignation or termination of services for cause), then any option granted to the holder that had vested and was exercisable on the date of termination will expire on the earlier of the expiry date and the date that is 30 days following the date that the holder ceases to be a director, employee or service provider of the Company.
 11. If an option holder dies, the holder's lawful personal representatives, heirs or executors may exercise any option granted to the holder that had vested and was exercisable on the date of death until the earlier of the expiry date and one year after the date of death of the holder.
 12. If an option holder ceases to be a director, employee or consultant of the Company as a result of a disability, the holder may exercise any option granted to the holder that had vested and was exercisable on the date of disability until the earlier of the expiry date and 90 days after the date of disability.
 13. Options granted to directors, employees or consultants will vest when granted unless determined by the Board on a case by case basis, other than options granted to consultants performing investor relations activities, which will vest in stages over 12 months with no more than one quarter of the options vesting in any three month period.

14. The Amended and Restated Plan will be administered by the Board who will have the full authority and sole discretion to grant options under the Amended and Restated Plan to any eligible party, including themselves.
15. Options granted under the Amended and Restated Plan shall not be assignable or transferable by an option holder.
16. The Board may from time to time, subject to regulatory or Shareholder approval, as applicable, amend or revise the terms of the Amended and Restated Plan.

The Amended and Restated Plan provides that other terms and conditions may be attached to a particular option at the discretion of the Board.

Upon request, the Company will promptly provide a copy of the Amended and Restated Plan free of charge to a Shareholder. A Shareholder may contact the Company at its office at 510 - 580 Hornby Street, Vancouver, BC V6C 3B6, to request a copy.

At the Meeting, shareholders will be asked to approve the following ordinary resolution (the “**Amended and Restated Plan Resolution**”), which must be approved by at least a majority of the votes cast by Shareholders represented in person or by proxy at the Meeting who vote in respect of the Amended and Restated Plan Resolution:

“RESOLVED, as an ordinary resolution of the shareholders of Discovery Harbour Resources Corp. (the “**Company**”), that:

3. Any one director or officer of the Company be and is hereby authorized and directed to do all such acts and things and to execute and deliver, under the corporate seal of the Company or otherwise, all such deeds, documents, instruments and assurances as in his opinion may be necessary or desirable to give effect to the foregoing resolutions, including, without limitation, making any changes to the Amended and Restated Plan required by the TSXV or applicable securities regulatory authorities and to complete all transactions in connection with the administration of the Amended and Restated Plan.”

The form of the Amended and Restated Plan Resolution set forth above is subject to such amendments as management may propose at the Meeting, but which do not materially affect the substance of the Amended and Restated Plan Resolution.

Management of the Company recommends that shareholders vote in favour of the Amended and Restated Plan Resolution at the Meeting.

- (d) delegate all or such portion of its powers hereunder as it may determine to one or more committees of the Board, either indefinitely or for such period of time as it may specify, and thereafter each such committee may exercise the powers and discharge the duties of the Board in respect of the Plan so delegated to the same extent as the Board is hereby authorized so to do; and
- (e) may in its sole discretion amend this Plan (except for previously granted and outstanding Options) to reduce the benefits that may be granted to Eligible Persons (before a particular Option is granted) subject to the other terms hereof.

- (b) if the Common Shares are not listed, posted and trading on any stock exchange or quoted on any quotation system, then the Exercise Price for the Options granted will be determined by the Board at the time of grant;

The Exercise Price shall be subject to adjustment in accordance with the provisions of Section 4.9.

- (b) the Expiry Date cannot be longer than the maximum exercise period as determined by the TSXV Policies.

4.3 Automatic Extension of Term of Option. The Expiry Date will be automatically extended if the Expiry Date falls:

- (a) within a blackout period during which the Company prohibits Optionees from exercising their Options, provided that:
 - (i) the blackout period has been formally imposed by the Company pursuant to its internal trading policies as a result of the bona fide existence of undisclosed Material Information (as defined in the TSXV Policies). For greater certainty, in the absence of the Company formally imposing a blackout period, the Expiry Date of any Options will not be automatically extended in any circumstances;
 - (ii) the blackout period expires upon the general disclosure of the undisclosed Material Information and the Expiry Date of the affected Options is extended to no later than ten (10) business days after the expiry of the blackout period; and
 - (iii) the automatic extension will not be permitted where the Optionee or the Company is subject to a cease trade order (or similar order under applicable securities laws) in respect of the Company's securities; or
- (b) on a date which is not a business day, provided that:
 - (i) the Expiry Date is extended to no later than the end of the next business day; and
 - (ii) the automatic extension will not be permitted where the Optionee or the Company is subject to a cease trade order (or similar order under applicable securities laws) in respect of the Company's securities.

4.4 Hold Period.

- (a) If required by applicable securities laws, any Optioned Shares will be subject to a hold period expiring on the date that is four months and a day after the Grant Date, and the certificates representing any Optioned Shares issued prior to the expiry of such hold period will bear a legend in substantially the following form:

“UNLESS PERMITTED UNDER SECURITIES LEGISLATION, THE HOLDER OF THE SECURITIES REPRESENTED HEREBY MUST NOT TRADE THE SECURITIES BEFORE [INSERT THE DATE THAT IS FOUR MONTHS AND ONE DAY AFTER THE DATE OF GRANT]”

- (b) If an Exchange Hold Period (as such term is defined in Policy 1.1 of the TSXV Policies) is required in connection with the grant of any Option, all such Options and any Optioned Shares issuable upon exercise of such Options will be subject to a four month and one day hold period commencing on the Grant Date, and the certificates representing any Optioned Shares issued prior to the expiry of such hold period will bear a legend in substantially the following form:

“WITHOUT PRIOR WRITTEN APPROVAL OF THE TSX VENTURE EXCHANGE AND COMPLIANCE WITH ALL APPLICABLE SECURITIES LEGISLATION, THE SECURITIES REPRESENTED BY THIS CERTIFICATE MAY NOT BE SOLD, TRANSFERRED, HYPOTHECATED OR OTHERWISE TRADED ON OR THROUGH THE FACILITIES OF THE TSX VENTURE EXCHANGE OR OTHERWISE IN CANADA OR TO OR FOR THE BENEFIT OF A CANADIAN RESIDENT UNTIL [INSERT THE DATE THAT IS 4 MONTHS AND ONE DAY AFTER THE DATE OF GRANT].”

4.5 Vesting of Options.

- (a) No Option shall be exercisable until it has vested. The Board shall establish a vesting period or periods at the time each Option is granted to Eligible Persons, provided that Options granted to Eligible Persons performing Investor Relations Activities are required to vest in stages over at least 12 months with no more than one quarter of the Options vesting in any three month period.
- (b) If no vesting schedule is specified at the time of grant and the Optionee is not performing Investor Relations Activities, the Option shall vest immediately.

4.6 Non Assignable. Subject to Section 4.9(e), all Options will be exercisable only by the Optionee to whom they are granted and will not be assignable or transferable.

4.7 Option Amendment.

- (a) Exercise Price. The Board may amend the Exercise Price of any Options provided that, subject to Section 4.1, and if the Common Shares are traded on the TSXV, the Exercise Price of an Option may be amended only if at least six (6) months have elapsed since the later of:
- (i) the Grant Date;

- (ii) the date the Common Shares commenced trading on the TSXV; or
 - (iii) the date of the last amendment of the Exercise Price.
- (b) Disinterested Shareholder Approval. If the Common Shares are listed on the TSXV, any proposed reduction in the exercise price of Options for Optionees that are Insiders will be subject to TSXV Policies, including Disinterested Shareholder Approval.
- (c) Term. The term of an Option cannot be extended so that the effective term of the Option exceeds ten (10) years in total, or such other period as prescribed by the TSXV Policies. If the Common Shares are traded on the TSXV, an option must be outstanding for at least one year before the Company can extend its term and the TSXV treats any extension of the length of the term of the Option as a grant of a new Option, which must comply with pricing and other requirements of this Plan.
- (d) TSXV Approval. If the Common Shares are listed on the TSXV, any proposed amendment to the terms of an Option must be approved by the TSXV prior to the exercise of such Option as amended.
- 4.8 Termination of Option. Unless the Board determines otherwise, the Options will terminate in the following circumstances:
- (a) Termination of Services For Cause, Refusal to Stand for Election or Upon Resignation. If the engagement of the Optionee as a Director, Employee or Consultant is terminated for cause (as determined by common law) or if such Director, Employee or Consultant resigns, or in the case of a Director, refuses to stand for re-election, any Option granted hereunder to such Optionee shall terminate and cease to be exercisable immediately upon the Optionee ceasing to be a Director, Employee or Consultant by reason of termination for cause, refusal to stand for re-election or by resignation.
 - (b) Termination of Services Without Cause. If the engagement of the Optionee as a Director, Employee or Consultant of the Company is terminated for any reason other than cause (as determined by common law), resignation, disability or death, the Optionee may exercise any Option granted hereunder to the extent that such Option was exercisable and had vested on the date of termination until the date that is the earlier of (i) the Expiry Date, and (ii) the date that is 30 days after the effective date of the Optionee ceasing to be a Director, Employee or Consultant for that other reason.
 - (c) Death. If the Optionee dies, the Optionee's lawful personal representatives, heirs or executors may exercise any Option granted hereunder to the Optionee to the extent such Option was exercisable and had vested on the date of death until the earlier of (i) the Expiry Date, and (ii) one year after the date of death of such Optionee.
 - (d) Disability. If the Optionee ceases to be an Eligible Person, due to his Disability, or, in the case of an Optionee that is a company, the Disability of the person who provides management or consulting services to the Company or to an Affiliate of the Company, the Optionee may exercise any Option granted hereunder to the extent that such Option was exercisable and had vested on the Date of Disability until the earlier of (i) the Expiry Date, and (ii) the date that is 90 days after the Date of Disability.

- (e) Changes in Status of Eligible Person. If the Optionee ceases to be one type of Eligible Person but concurrently is or becomes one or more other type of Eligible Person, the Option will not terminate but will continue in full force and effect and the Optionee may exercise the Option until the Expiry Date. Where the Optionee ceases to be any type of Eligible Person, the Option will terminate on the applicable date set forth in Sections 4.8(a) to 4.8(d) above. If the Optionee is an Employee, the Option will not be affected by any change of the Optionee's employment where the Optionee continues to be employed by the Company or an Affiliate of the Company.

4.9 Adjustment of the Number of Optioned Shares. The number of Common Shares subject to an Option will be subject to adjustment in the events and in the manner following:

- (a) Following the date an Option is granted, the exercise price for and the number of Optioned Shares which are subject to an Option will be adjusted, with respect to the then unexercised portion thereof, in the events and in accordance with the provisions and rules set out in this Section 4.9, with the intent that the rights of Optionees under their Options are, to the extent possible, preserved and maintained notwithstanding the occurrence of such events. Any dispute that arises at any time with respect to any adjustment pursuant to such provisions and rules will be conclusively determined by the Board, and any such determination will be binding on the Company, the Optionee and all other affected parties.
- (b) If there is a change in the outstanding Common Shares by reason of any share consolidation or split, reclassification or other capital reorganization, or a stock dividend, arrangement, amalgamation, merger or combination, or any other change to, event affecting, exchange of or corporate change or transaction affecting the Common Shares, the Board shall make, as it shall deem advisable and subject to the requisite approval of the relevant regulatory authorities, appropriate substitution and/or adjustment in:
 - (i) the number and kind of shares or other securities or property reserved or to be allotted for issuance pursuant to this Plan;
 - (ii) the number and kind of shares or other securities or property reserved or to be allotted for issuance pursuant to any outstanding unexercised Options, and in the exercise price for such shares or other securities or property; and
 - (iii) the vesting of any Options, including the accelerated vesting thereof on conditions the Board deems advisable, and if the Company undertakes an arrangement or is amalgamated, merged or combined with another corporation, the Board shall make such provision for the protection of the rights of Optionees as it shall deem advisable.
- (c) If the outstanding Common Shares are changed into or exchanged for a different number of shares or into or for other securities of the Company or securities of another corporation or entity, in a manner other than as specified in Section 4.9(b), then the Board, in its sole discretion, may make such adjustment to the securities to be issued pursuant to any exercise of the Option and the exercise price to be paid for each such security following such event as the Board in its sole and absolute discretion determines to be equitable to give effect to the principle described in Section 4.9(a), and such

adjustments shall be effective and binding upon the Company and the Optionee for all purposes.

- (d) No adjustment provided in this Section 4.9 shall require the Company to issue a fractional share and the total adjustment with respect to each Option shall be limited accordingly.
- (e) The grant or existence of an Option shall not in any way limit or restrict the right or power of the Company to effect adjustments, reclassifications, reorganizations, arrangements or changes of its capital or business structure, or to amalgamate, merge, consolidate, dissolve or liquidate, or to sell or transfer all or any part of its business or assets.

5. COMMITMENT AND EXERCISE PROCEDURES

- 5.1 Option Agreement. Upon grant of an Option hereunder, an authorized director or officer of the Company will deliver to the Optionee an Option Agreement detailing the terms of such Options and upon such delivery the Optionee will be subject to the Plan and have the right to purchase the Optioned Shares at the Exercise Price set out therein subject to the terms and conditions of this Plan and the Option Agreement.
- 5.2 Manner of Exercise. An Optionee who wishes to exercise his vested Option, in its entirety or any portion thereof, may do so by delivering:
 - (a) a Notice of Exercise to the Company specifying the number of Optioned Shares being acquired pursuant to the Option; and
 - (b) cash, a certified cheque or a bank draft payable to the Company for the aggregate Exercise Price for the Optioned Shares being acquired.
- 5.3 Subsequent Exercises. If an Optionee exercises only a portion of the total number of his Options, then the Optionee may, from time to time, subsequently exercise all or part of the remaining vested Options until the Expiry Date.
- 5.4 Delivery of Certificate and Hold Periods. As soon as practicable after receipt of the Notice of Exercise described in Section 5.2 and payment in full for the Optioned Shares being received by the Company, the Company will or will direct its transfer agent to issue a certificate to the Optionee for the appropriate number of Optioned Shares. Such certificate issued will bear a legend stipulating any resale restrictions required under applicable securities laws and TSXV Policies.
- 5.5 Withholding. The Company may withhold from any amount payable to an Optionee, either under this Plan or otherwise, such amount as it reasonably believes is necessary to enable the Company to comply with the applicable requirements of any federal, provincial, local or foreign law, or any administrative policy of any applicable tax authority, relating to the withholding of tax or any other required deductions with respect to Options (“**Withholding Obligations**”). The Company may also satisfy any liability for any such Withholding Obligations, on such terms and conditions as the Company may determine in its discretion, by:
 - (a) requiring an Optionee, as a condition to the exercise of any Options, to make such arrangements as the Company may require so that the Company can satisfy such

Withholding Obligations including, without limitation, requiring the Optionee to remit to the Company in advance, or reimburse the Company for, any such Withholding Obligations; or

- (b) selling on the Optionee's behalf, or requiring the Optionee to sell, any Optioned Shares acquired by the Optionee under the Plan, or retaining any amount which would otherwise be payable to the Optionee in connection with any such sale.

6. AMENDMENTS

- 6.1 Amendment of the Plan. The Board reserves the right, in its absolute discretion, to at any time amend, suspend, modify or terminate the Plan with respect to all Common Shares in respect of Options which have not yet been granted hereunder. Any amendment to any provision of the Plan will be subject to shareholder approval, if applicable, and any necessary Regulatory Approvals. If this Plan is suspended or terminated, the provisions of this Plan and any administrative guidelines, rules and regulations relating to this Plan shall continue in effect for the duration of such time as any Option remains outstanding.
- 6.2 Amendment of Outstanding Options. The Board may amend any Option with the consent of the affected Optionee and the TSXV, if required, including any shareholder approval required by the TSXV. For greater certainty, Disinterested Shareholder Approval is required by the TSXV for any reduction in the exercise price of an Option if the Optionee is an Insider at the time of the proposed amendment.
- 6.3 Amendment Subject to Approval. If the amendment of an Option requires shareholder or Regulatory Approval, such amendment may be made prior to such approvals being given, but no such amended Options may be exercised unless and until such approvals are obtained.

7. GENERAL

- 7.1 Exclusion from Severance Allowance. Retirement Allowance or Termination Settlement. If the Optionee retires, resigns or is terminated from employment or engagement with the Company or any subsidiary of the Company, the loss or limitation, if any, pursuant to the Option Agreement with respect to the right to purchase Optioned Shares, shall not give rise to any right to damages and shall not be included in the calculation of nor form any part of any severance allowance, retiring allowance or termination settlement of any kind whatsoever in respect of such Optionee.
- 7.2 Employment and Services. Nothing contained in the Plan will confer upon or imply in favour of any Optionee any right with respect to office, employment or provision of services with the Company, or interfere in any way with the right of the Company to lawfully terminate the Optionee's office, employment or service at any time pursuant to the arrangements pertaining to same. Participation in the Plan by an Optionee is voluntary.
- 7.3 No Rights as Shareholder. Nothing contained in this Plan nor in any Option granted thereunder shall be deemed to give any Optionee any interest or title in or to any Common Shares of the Company or any rights as a shareholder of the Company or any other legal or equitable right against the Company whatsoever other than as set forth in this Plan and pursuant to the exercise of any Option in accordance with the provisions of the Plan and the Option Agreement.

- 7.4 No Representation or Warranty. The Company makes no representation or warranty as to the future market value of Optioned Shares issued in accordance with the provisions of the Plan or to the effect of the *Income Tax Act* (Canada) or any other taxing statute governing the Options or the Optioned Shares issuable thereunder or the tax consequences to a Optionee. Compliance with applicable securities laws as to the disclosure and resale obligations of each Optionee is the responsibility of such Optionee and not the Company.

- 7.6 No Fettering of Discretion. The awarding of Options under this Plan is a matter to be determined solely in the discretion of the Board. This Plan shall not in any way fetter, limit, obligate, restrict or constrain the Board with regard to the allotment or issue of any Common Shares or any other securities in the capital of the Company or any of its Affiliates other than as specifically provided for in this Plan.

 - (b) the Optionee is not a U.S. person as such term is defined in Regulation S promulgated under the United States Securities Act of 1933.
11. 14. This Agreement shall enure to the benefit of and be binding upon the Company, its successors and assigns, and the Optionee and his personal representative, if applicable.

15. Other than in the event of death of the Optionee in which case the Options may be transferred or assigned by will or by the law governing the devolution of property to the Optionee's executor, administrator or other person representative, this Agreement shall not be transferable or assignable by the Optionee or his personal representative and the Options may be exercised only by the Optionee or his personal representative provided that, subject to the prior approval of the Board and, if necessary, any applicable stock exchange, the Optionee may assign the Options to a company of which all of the voting securities are beneficially owned by the Optionee, which ownership will continue for as long as any portion of the Options remain unexercised.

By executing this Agreement, the Optionee hereby consents to the foregoing collection, use and disclosure of the Optionee's Personal Information. The Optionee also consents to the filing of copies of any documents described herein as may be required to be filed with the TSXV or any securities regulatory authority in connection with the grant of the Options. An officer of the Company is available to answer questions about the collection of personal information by the Company.

21. Neither this Agreement nor the Plan confers on the Optionee the right to continue in the employment of or association with the Company or any Affiliate of the Company, nor do they interfere in any way with the right of the Optionee or the Company or any Affiliate of the Company to terminate the Optionee's employment at any time.

22. Reference is made to the Plan for particulars of the rights and obligations of the Optionee and the Company in respect of the terms and conditions on which the Options are granted, all to the same effect as if the provisions of the Plan were set out in this Agreement and to all of which the Optionee assents.
23. The Company will give a copy of the Plan to the Optionee on request.
24. Time is of the essence of this Agreement.
25. The terms of the Options are subject to the provisions of the Plan, as the same may from time to time be amended, and any inconsistencies between this Agreement and the Plan, as the same may be from time to time amended, shall be governed by the provisions of the Plan.
26. If at any time during the term of this Agreement the Parties deem it necessary or expedient to make any alteration or addition to this Agreement, they may do so by means of a written agreement between them which shall be supplemental hereto and form part hereof and which shall be subject to Regulatory Approval if required.
27. Wherever the plural or masculine are used throughout this Agreement, the same shall be construed as meaning singular or feminine or neuter or the body politic or corporate where the context requires.
28. This Agreement may be executed in several parts in the same form and such parts as so executed shall together constitute one original agreement, and such parts, if more than one, shall be read together and construed as if each of the Parties had executed one copy of this Agreement.
29. Delivery of an executed copy of this Agreement by electronic facsimile transmission or other means of electronic communication capable of producing a printed copy will be deemed to be execution and delivery of this Agreement as of the date first above written.

30. This Agreement shall be exclusively governed by and construed in accordance with the laws of the Province of British Columbia without giving effect to any choice or conflict of law provision or rule that would cause the application of the domestic substantive laws of any other jurisdiction, and shall bind and inure to the benefit of the Parties and their respective successors and assigns.
