INFORMATION CIRCULAR

as at November 23, 2018 *(except as otherwise indicated)*

This Information Circular is furnished in connection with solicitation of proxies by management of Tres-Or Resources Ltd. (the “Company”) for use at the annual general meeting (the “Meeting”) of its shareholders to be held on December 31, 2018 at the time and place and for the purposes set forth in the accompanying notice of the Meeting.

In this Information Circular, references to “the Company”, “Tres-Or”, “we” and “our” refer to **Tres-Or Resources Ltd.** “Common Shares” means common shares in the capital of the Company. “Beneficial Shareholders” means shareholders who do not hold Common Shares in their own name and “intermediaries” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Beneficial Shareholders.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. The Company will bear all costs of this solicitation. We have arranged for intermediaries to forward the meeting materials to beneficial owners of the Common Shares held of record by those intermediaries and we may reimburse the intermediaries for their reasonable fees and disbursements in that regard.

Appointment of Proxyholders

The individuals named in the accompanying form of proxy (the “Proxy”) are officers and/or directors of the Company. **If you are a shareholder entitled to vote at the Meeting, you have the right to appoint a person or company other than either of the persons designated in the Proxy, who need not be a shareholder, to attend and act for you and on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of proxy.**

Voting by Proxyholder

The persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors,
- (b) any amendment to or variation of any matter identified therein, and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy, the persons named in the Proxy will vote the Common Shares represented by the Proxy for the approval of such matter.

Registered Shareholders

Registered Shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered Shareholders who wish to submit a proxy may choose one of the following methods:

- (a) complete, date and sign the enclosed form of proxy and return it to the Company’s transfer agent, Computershare Trust Company of Canada (“Computershare”), by fax within North America at 1-866-249-7775, outside North America at (416) 264-9525, or by mail, or by hand delivery to the 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1, or by hand delivery to the 2nd Floor, 510 Burrard Street, Vancouver, BC V6C 3B9; or
- (b) use a touch-tone phone to transmit voting choices to a toll free number. Registered shareholders must follow the instructions of the voice response system and refer to the enclosed Proxy form for the toll free number, the Proxy access number; or
- (c) log onto Computershare’s internet website for proxy voting at www.investorvote.com. Registered shareholders must follow the instructions provided on the website and refer to the enclosed Proxy form for the proxy access number.

Regardless of the method a Registered Shareholder uses to vote, they must ensure the proxy is received at least 48 hours (excluding Saturdays, Sundays and statutory holidays) before the Meeting or the adjournment thereof. Failure to complete or deposit a proxy properly may result in its invalidation. The time limit for the deposit of proxies may be waived by the Company’s board of directors (the “Board”) at its discretion without notice.

Beneficial Shareholders

The following information is of significant importance to shareholders who do not hold Common Shares in their own name. Beneficial Shareholders should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by registered shareholders (those whose names appear on the records of the Company as the registered holders of Common Shares) or as set out in the following disclosure.

If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in the shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the names of the shareholder's broker or an agent of that broker. In Canada the vast majority of such Common Shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms), and in the United States (the "U.S."), under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of shareholder meetings. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

You should carefully follow the instructions of your broker or intermediary in order to ensure that your Common Shares are voted at the Meeting.

The form of proxy supplied to you by your broker will be similar to the Proxy provided to registered shareholders by the Company. However, its purpose is limited to instructing the intermediary on how to vote your Common Shares on your behalf. Most brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("Broadridge") in Canada and in the United States. Broadridge mails a voting instruction form (a "VIF") in lieu of a Proxy provided by the Company. The VIF will name the same persons as the Company's Proxy to represent your Common Shares at the Meeting. You have the right to appoint a person (who need not be a Beneficial Shareholder of the Company), other than any of the persons designated in the VIF to represent your Common Shares at the Meeting and that person may be you. To exercise this right, insert the name of the desired representative (which may be you), in the blank space provided in the VIF. The completed VIF must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting voting of Common Shares to be represented at the Meeting. **If you receive a VIF from Broadridge, the VIF must be completed and returned to Broadridge, in accordance with Broadridge's instructions, well in advance of the Meeting in order to have the Common Shares voted at the Meeting, or to have an alternate representative duly appointed to attend the Meeting and vote your Common Shares.**

Revocation of Proxies

In addition to revocation in any other manner permitted by law, a registered shareholder who has given a proxy may revoke it as follows:

- (a) execute a proxy bearing a later date or execute a valid notice of revocation, either of the foregoing to be executed by the registered shareholder or the registered shareholder's authorized attorney in writing, or, if the shareholder is a Company, under its corporate seal by an officer or attorney duly authorized, and deliver the executed proxy bearing a later date to Computershare, or to the address of the registered office of the Company at 1500 Royal Centre, 1055 West Georgia Street, P.O. Box 11117, Vancouver, British Columbia V6E 4N7, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the last business day that precedes any reconvening thereof, or to the chairman of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law, or
- (b) attend the Meeting and vote the registered shareholder's Common Shares.

A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

No director or executive officer of the Company, or any person who has held such a position since the beginning of the last completed financial year of the Company, nor any nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than the election of directors and as set out herein.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The Board has fixed November 23, 2017 as the record date (the "Record Date") for determination of persons entitled to receive notice of the Meeting. Only shareholders of record at the close of business on the Record Date who either attend the Meeting personally or complete, sign and deliver a form of proxy in the manner and subject to the provisions described above will be entitled to vote or to have their Common Shares voted at the Meeting.

The Common Shares of the Company are listed on the TSX Venture Exchange (the "TSXV"). The Company is authorized to issue an unlimited number of Common Shares, and an unlimited number of non-voting Class A Preference Shares ("Preference Shares"). As of November 23, 2017, there were 106,942,968 Common Shares without par value issued and outstanding, each carrying the right to one vote. As of the Record Date there were no Class A Preference Shares issued. No group of shareholders has the right to elect a specified number of directors, nor are there cumulative or similar voting rights attached to the Common Shares or the Preference Shares.

To the knowledge of the directors and executive officers of the Company, there is no person or Company who beneficially owned, directly or indirectly, or exercised control or direction over Common Shares carrying more than 10% of the voting rights attached to all outstanding Common Shares of the Company as at the Record Date, except for those set out in the following table:

Shareholder Name	Number of Common Shares Held	Percentage of Issued Common Shares
William B. Mouré	12,187,500 ⁽¹⁾	11.4%

Note:

(1) This figure was obtained from the shareholder and from SEDI.

VOTES NECESSARY TO PASS RESOLUTIONS

A simple majority of affirmative votes cast at the Meeting is required to pass the resolutions described herein. If there are more nominees for election as directors or appointment of the Company's auditor than there are vacancies to fill, those nominees receiving the greatest number of votes will be elected or appointed, as the case may be, until all such vacancies have been filled. If the number of nominees for election or appointment is equal to the number of vacancies to be filled, all such nominees will be declared elected or appointed by acclamation.

ELECTION OF DIRECTORS

The size of the Board of the Company is currently set at five. The Board will propose that the shareholders approve a resolution to set the number of directors to be elected to the Board at five (5).

The term of office of each of the current directors will end at the conclusion of the Meeting. Unless the director's office is vacated earlier in accordance with provisions of the *Business Corporations Act* (British Columbia) ("BCA"), each director elected will hold office until the conclusion of the next annual general meeting of the Company, or if no director is then elected, until a successor is elected.

The following table sets out the names of management's nominees for election as directors, all major offices and positions with the Company and any of its significant affiliates each now holds, each nominee's principal occupation, business or employment (for the preceding five years for new director nominees), the period of time during which each has been a director of the Company and the number of Common Shares of the Company beneficially owned by each, directly or indirectly, or over which each exercised control or direction, as at the Record Date:

AUDIT COMMITTEE

National Instrument 52-110 – *Audit Committees* of the Canadian Securities Administrators (“NI 52-110”) requires the Company, as a venture issuer, to disclose annually in its Information Circular certain information concerning the constitution of its audit committee and its relationship with its independent auditor, set forth as follows:

The Audit Committee’s Charter

A copy of the Audit Committee Charter is attached to the Company’s information circular prepared for the 2009 annual general meeting held August 24, 2009 and filed July 22, 2009 on SEDAR at www.sedar.com.

Composition of the Audit Committee

Members of the audit committee are: David J. Cowan, Gareth Mason, and William Brent Mouré. Mr. Mouré is the sole independent member of the audit committee. Mr. Cowan (solicitor for the Company), and Mr. Mason (Chief Financial Officer), are not independent as defined in NI 52-110. Each member of the audit committee is financially literate.

A member of the audit committee is *independent* if the member has no direct or indirect material relationship with the Company. A material relationship means a relationship which could, in the Board’s view, reasonably interfere with the exercise of a member’s independent judgement.

A member of the audit committee is considered *financially literate* if he or she has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company.

Relevant Education and Experience

David J. Cowan: Mr. Cowan is a partner with McMillan LLP, an international Canadian law firm with offices in Vancouver, Calgary, Toronto, Ottawa, Montreal and Hong Kong. Mr. Cowan is a member of that firm’s Capital Markets Group and he represents numerous publicly traded companies.

The audit committee has adopted specific policies and procedures for the engagement of non-audit services, which are set out in the Company’s Audit Committee Charter, a copy of which is attached to the Company’s information circular prepared for the 2009 annual general meeting held August 24, 2009 and filed on SEDAR at www.sedar.com.

External Auditor Service Fees

The audit committee has reviewed the nature and amount of the non-audited services provided by Davidson & Company LLP to the Company to ensure auditor independence. Fees incurred with Davidson & Company LLP for audit and non-audit services in the last two fiscal years for audit fees are outlined in the following table:

Audit Fees also include audit or other attest services required by legislation or regulation, such as comfort letters, consents, reviews of securities filings and statutory audits.

- (3) “Tax Fees” include fees for all tax services other than those included in “Audit Fees” and “Audit-Related Fees”. This category includes fees for tax compliance, tax planning and tax advice. Tax planning and tax advice includes assistance with tax audits and appeals, tax advice related to mergers and acquisitions, and requests for rulings or technical advice from tax authorities.
- (4) “All Other Fees” include all other non-audit services.

Exemption

The company is a “venture issuer” as defined in NI 52-110 and is relying upon the exemption in section 6.1 of NI 52-110 relating to Parts 3 (*Composition of Audit Committee*) and 5 (*Reporting Obligations*).

CORPORATE GOVERNANCE

General

Corporate governance refers to the policies and structure of the board of directors of a company, whose members are elected by and are accountable to the company’s shareholders. Corporate governance encourages establishing a reasonable degree of independence of the board of directors from executive management and the adoption of policies to ensure the board of directors recognizes the principles of good management. The Board is committed to sound corporate governance practices, as such practices are both in the interests of shareholders and help to contribute to effective and efficient decision-making.

Board of Directors

Directors are considered to be independent if they have no direct or indirect material relationship with the Company. A “material relationship” is a relationship which could, in the Board’s view, reasonably be expected to interfere with the exercise of a director’s independent judgment.

The Board facilitates its independent supervision over management by holding regular meetings of all directors who are not currently executive officers of the Company.

Composition of the Board

TSXV policies (the “Policies”) require a listed company’s board of directors determine and disclose the status of each director as independent or not, based on each director’s interest in, or other relationship with, the Company. A board of directors should also examine its size with a view to determining the impact of the number of directors upon the board’s effectiveness.

Under the Policies, an “independent” director is one who “has no direct or indirect material relationship” with the Company. Generally speaking, a director is “independent” if he or she is free from any employment, business or other relationship which could, or could reasonably be expected to, materially interfere with the exercise of the director’s independent judgement. A “material relationship” includes a situation where a person has been (or has a family member who has been) within the last three years, an employee or executive of the Company or who was employed by the Company’s external auditor in that period. An individual who, or whose family member, is or has been within the last three years, an executive officer of an entity, or served at the same time on that company’s compensation committee, is deemed to have had a material relationship. Any individual who (or whose family members or partners) received directly

or indirectly, more than \$75,000 in the preceding 12-month period for consulting, advisory, accounting, legal or investment banking services from the Company (other than compensation for acting as a director or as a part time chairman or vice-chairman) is also deemed to have had a material relationship.

At the Meeting management will propose five nominees for the office of director, only two of whom can be considered “independent” directors. The non-independent director nominees (and the reason for their “non-independent” status) are: Laura Lee Duffett (President and Chief Executive Officer), Gareth E. Mason (Chief Financial Officer) and David J. Cowan (solicitor for the Company). William Brent Mouré and Louie A. Spedaliere are the independent directors of the Company.

Outside Directorships

There is only one director of the Company who is currently also a director of other reporting issuers. David J. Cowan, is also a director of Alto Ventures Ltd., Forum Uranium Corp. and Northern Uranium Corp., all of which are companies listed on the TSXV.

Orientation and Education

When new directors are appointed, they receive an orientation, commensurate with their previous experience, on the Company’s properties, business, technology and industry and on the responsibilities of directors. Board meetings may also include presentations by the Company’s management and employees to give the directors additional insight into the Company’s business.

Ethical Business Conduct

The Board finds that fiduciary duties placed on individual directors by the Company’s governing corporate legislation and the common law, and the restrictions placed by applicable corporate legislation on an individual director’s participation in Board decisions in which the director has an interest, are sufficient to ensure the Board operates independently of management and in the best interests of the Company.

Nomination of Directors

The Board reviews its size each year when it considers the number of directors to recommend to the shareholders for election at the annual general meeting, taking into account the number required to carry out the Board’s duties effectively and to maintain a diversity of views and experience.

The Board does not have a nominating committee, and these functions are currently performed by the Board as a whole. However, if there is a change in the number of directors required by the Company, this policy will be reviewed.

Compensation

The Board determines compensation for the directors and Chief Executive Officer.

Other Board Committees

The Board has no committees other than the audit committee.

Assessments

The Board monitors the adequacy of information given to directors, communication between the Board and management and the strategic direction and processes of the Board and its audit committee.

STATEMENT OF EXECUTIVE COMPENSATION

Named Executive Officer

In this section “Named Executive Officer” (“NEO”) means each Chief Executive Officer (“CEO”) (or an individual who acted in a similar capacity), each Chief Financial Officer (“CFO”) (or an individual who acted in a similar capacity), and each of the three most highly compensated executive officers, other than the CEO and CFO, who were serving as executive officers of the Company at the end of the most recently completed fiscal year, and whose total compensation was more than \$150,000, as well as any additional individuals for whom disclosure would have been provided except that the individual was not serving as an executive officer of the Company at the end of the most recently completed financial year.

Laura Lee Duffett, the Company’s CEO, and Gareth E. Mason, the Company’s CFO, are the NEOs of the Company for purposes of the following disclosure.

Compensation Discussion and Analysis

As the Company does not have a compensation committee, the Board as a whole deals with executive compensation matters. The Board has not considered the implications of the risks associated with the Company’s compensation program.

Tres-Or relies solely on Board discussion to determine compensation paid to executives and directors, without any formal objectives, criteria or analysis. As Tres-Or is still in the developmental stage as a junior mining company, Tres-Or’s compensation program consists primarily of stock options. The long-term incentive program is intended to align the interests of the Company’s NEOs, directors,

consultants and employees with those of its shareholders over the longer term and to provide a retention incentive for each NEO. This component of the compensation package consists of grants of options (“Options”) to purchase Common Shares as permitted under the Company’s Stock Option Plan (the “Option Plan”) and applicable stock exchange rules. Various factors are taken into consideration by the Board in determining grants of Options, including: a review of the previous grants (including value both at the current share prices and potential future prices), the remaining time to expiry, overall corporate performance, share price performance, the business environment and the role and performance of the individual in question.

All option grants require approval of the Board. The Option Plan is administered by the Board and provides that options will be issued to directors, officers, employees or consultants of the Company. During the financial year ended February 28, 2018 and to the date of this Information Circular, no options to purchase Common Shares were granted to the NEOs and directors of the Company.

The Company has not adopted a policy restricting its executive officers or directors from purchasing financial instruments that are designated to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by its executive officers or directors. To the knowledge of the Company, none of the executive officers or directors has purchased such financial instruments.

PARTICULARS OF MATTERS TO BE ACTED UPON

A. Share Option Plan

On August 15, 2012 the Board approved the adoption of its share option plan dated for reference August 14, 2012 (the “Plan”). The Plan was established to provide incentive to qualified parties to increase their proprietary interest in the Company and thereby encourage their continuing association with the Company. The Plan is administered by the CEO and CFO of the Company. The Plan provides that options will be issued to directors, officers, employees or consultants of the Company or a subsidiary of the Company and that the number of Common Shares issuable under the Plan, together with all of the Company’s other previously established or proposed share compensation arrangements, may not exceed 10% of the total number of issued and outstanding Common Shares. Pursuant to the Plan all options expire on a date not later than 10 years after the date of grant of an option. Pursuant to the policies of the TSXV, the Plan is subject to annual approval from the TSXV and approval of the shareholders of the Company by ordinary resolution.

Material Terms of the Plan

The following is a summary of the material terms of the Plan:

- (a) Persons who are Service Providers to the Company or its affiliates, or who are providing services to the Company or its affiliates, are eligible to receive grants of options under the Plan;
- (b) Options granted under the Plan are non-assignable and non-transferable and are issuable for a period of up to 10 years;
- (c) For options granted to Service Providers, the Company must ensure that the proposed Optionee is a bona fide Service Provider of the Company or its affiliates;
- (d) An Option granted to any Service Provider will expire within one year (or such other time, not to exceed one year, as shall be determined by the Board as at the date of grant or agreed to by the Board and the Optionee at any time prior to expiry of the Option), after the date the Optionee ceases to be employed by or provide services to the Company, but only to the extent that such Option was vested at the date the Optionee ceased to be so employed by or to provide services to the Company;
- (e) If an Optionee dies, any vested option held by him or her at the date of death will become exercisable by the Optionee's lawful personal representatives, heirs or executors until the earlier of one year after the date of death of such Optionee and the date of expiration of the term otherwise applicable to such option;
- (f) In the case of an Optionee being dismissed from employment or service for cause, such Optionee's options, whether or not vested at the date of dismissal, will immediately terminate without right to exercise same;
- (g) The exercise price of each option will be set by the Board on the effective date of the option and will not be less than the Discounted Market Price (as defined in the Plan);
- (h) Vesting of options shall be at the discretion of the Board, and will generally be subject to: (i) the Service Provider remaining employed by or continuing to provide services to the Company or its affiliates, as well as, at the discretion of the Board, achieving certain milestones which may be defined by the Board from time to time or receiving a satisfactory performance review by the Company or its affiliates during the vesting period; or (ii) the Service Provider remaining as a Director of the Company or its affiliates during the vesting period; and
- (i) The Board reserves the right in its absolute discretion to amend, suspend, terminate or discontinue the Plan with respect to all Plan shares in respect of options which have not yet been granted under the Plan.

At the Meeting, Shareholders will be asked to consider and vote on the following ordinary resolution, with or without variation, to ratify and approve the Plan for continuation for the next year:

“Be it **RESOLVED** that the Company's 10% rolling Share Option Plan dated for reference August 14, 2012, be ratified and approved for continuation until the next annual general meeting of the Company.”

An ordinary resolution is a resolution passed by the shareholders of the Company at a general meeting by a simple majority of the votes cast in person or by proxy.

The Board recommends that you vote in favour of the above resolution. In the absence of a contrary instruction, the persons named in the enclosed form of proxy intend to vote in favour of the resolution.

The Board is of the view that the Plan provides the Company with the flexibility to attract and maintain the services of executives, employees and other service providers in competition with other companies in the industry.
