Dear Sir / Madam:

**RE: Centurion Minerals Ltd. ('Centurion' or the 'Company')  
Change of Auditor filed on February 27, 2018  
SEDAR Project # 02734139**

With respect to the above-noted matter, the Company's wishes to clarify the sequence of events with respect to the notices of Change of Auditor.

We advise that the timeline for the reporting package letters is as follows:

- A. On February 16, 2018, the Company forwarded a letter and form of notice to both the Former Auditor and the Successor Auditor in compliance with section 4.11 of National Instrument 51-102 Continuous Disclosure Obligations ('NI 51-102'). Originally, the Company's proposed form of notice reflected a 'clean' change of auditor as it was not aware of any 'unresolved issue' at this time;
- B. The Successor Auditor responded with their letter dated February 16, 2018, which was SEDAR filed on February 27, 2018;
- C. The Former Auditor responded with their letter dated February 20, 2018, which was SEDAR filed on February 27, 2018. The Letter from the Former Auditor indicated an unresolved issue as defined in NI 51-102; and
- D. The Company amended their notice to accommodate the unresolved issue stated on the Former Auditor's letter. The Company's notice is dated February 27, 2018 as that was the filing date. The Company's amended notice was SEDAR filed on February 27, 2018.
