## NEWS RELEASE

### CENTURION ANNOUNCES EFFECTIVE DATE OF SHARE CONSOLIDATION

Vancouver, B.C., December 28, 2023 - Centurion Minerals Ltd. (**CTN: TSX-V**) ("Centurion", or the "Company") wishes to report that further to the Company's December 14 news release, the Company is expecting its share consolidation to become effective on January 3, 2024 (the "**Effective Date**").

Centurion's articles of incorporation authorize the board of directors to approve the consolidation and by resolution (on December 14) the directors approved a consolidation of the Company's issued and outstanding common shares on the basis of one (1) post-Consolidation Common Share for every two (2) pre-Consolidation Common Shares. The trading symbol "CTN" will remain unchanged.

Upon completion of the Consolidation, the post-Consolidation Common Shares will continue to trade on the TSX Venture Exchange with a **new CUSIP number: 15643T602 and ISIN number: CA15643T6025**.

The Company currently has 31,469,069 common shares issued and outstanding and will have 15,734,521 shares outstanding on a post consolidated share basis. (There are no options or warrants outstanding.)

A "Letter of Transmittal" is being mailed by the Company's transfer agent (Endeavor Trust Company) to shareholders holding physical certificates, advising that the consolidation has taken effect and that shareholders should surrender their existing (pre-consolidation) common share certificates for new (post-consolidation) common share certificates. No fractional common shares of the Company shall be issued in connection with the consolidation and the number of common shares to be received by a Shareholder shall be rounded down to the nearest whole number.

The Consolidation is subject to final approval by the TSX Venture Exchange.

#### **About Centurion Minerals Ltd.**

Centurion Minerals Ltd. is a Canadian-based company with a focus on mineral asset exploration and development in the Americas. Centurion has executed an Option Agreement enabling it to earn a 100% interest in the Casa Berardi West Gold Project which is located in the prolific gold-producing, greenstone belt of the central Abitibi subprovince of north-eastern Ontario. The Agreement has received conditional Exchange approval.

## **Cautionary Statement Regarding Forward-Looking Information**

*This release includes certain statements and information that may constitute forward-looking information within the meaning of applicable Canadian securities laws. Forward-looking statements relate to future events or future performance and reflect the expectations or beliefs of management of the Company regarding future events. Generally, forward-looking statements and information can be identified by the use of forward-looking terminology such as “intends” or “anticipates”, or variations of such words and phrases or statements that certain actions, events or results “may”, “could”, “should”, “would” or “occur”. This information and these statements, referred to herein as “forward-looking statements”, are not historical facts, are made as of the date of this news release and include without limitation, statements regarding discussions of future plans, estimates and forecasts and statements as to management's expectations and intentions with respect to, among other things, the timing of final approval of the Project; the timing, terms and completion of any proposed private placement; the expected use of proceeds from the financing; the Company's undertaking of initial exploration on the Project; and the Company's intention to exercise its option to purchase a 100% interest in the Project.*

*These forward-looking statements involve numerous risks and uncertainties, and actual results might differ materially from results suggested in any forward-looking statements. These risks and uncertainties include, among other things, that the Company will not receive final approval on the Property acquisition; that the Company will not obtain the requisite approvals, to complete the proposed private placement; the inability of the Company to raise capital on acceptable terms, or at all; unanticipated costs; adverse changes in legislation; that the Company will not undertake initial exploration on the Project within the timeframe anticipated or at all; market uncertainty; that the Company's operations, business, personnel or financial condition is adversely impacted by COVID-19 or the ongoing conflict in Eastern Europe; and the risk that Company is not able to exercise its option to purchase a 100% interest in the Project.*

*In making the forward looking statements in this news release, the Company has applied several material assumptions, including without limitation; that the Company will receive all requisite approvals on the Property acquisition, and the proposed private placement; that the Company will be able to raise capital on acceptable terms; that the Company will undertake exploration on the Project, as anticipated; that the Company will retain the key personnel required to complete its business objectives; that there will be no adverse changes in legislation; and that the Company will have the resources required to exercise its option to acquire the Project.*

*Although management of the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements or forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements and forward-looking information. Readers are cautioned that reliance on such information may not be appropriate for other purposes. The Company does not undertake to update any forward-looking statement or forward-looking information disclosed herein, except in accordance with applicable laws.*
